FUNERAL FOR WILL MURRAH HELD FRIDAY

West Texas Ranchman Dies At His Home In Del Rio

Last rites for Will J. Murrah, 39, ranchman and a member of a well known West Texas family, were held Friday afternoon at 3 o'clock from his home on West Tenth Street under the auspices of the Masonic Lodge. The Rev. Chas. Nixon of the First Methodist Church officiated and interment was made in Westlawn cemetery.

Mr. Murrah died at his home at 2:20 o'clock Thursday, after an illness of four years resulting from a siege of flu-pneumonia.

A resident of this section, Mr. Murrah spent practically his entire life in and around Del Rio, engaging in the ranching industry after attending the University of Texas for four years and the University of Missouri for one year. He was married to Miss Emma Dameron, daughter of Mr. and Mrs. Zach Dameron Sr. of this city, in 1928, the couple going to Mr. Murrah's ranch in the Pandale section to reside. Prior to his residence in Del Rio, Mr. Murrah resided with his parents and brothers and sisters for several years in San Angelo, where they moved from his birthplace in Mills County.

Surviving Mr. Murrah are: His widow, Mrs. Emma Murrah; parents, Mr. and Mrs. J. P. Murrah, Del Rio; three sisters, Mrs. Grover C. Poole Del Rio; Mrs. Clarence Bushager, Texas, and Mrs. Jack Fokes, who resides on the Fokes ranch in the Blue Hills country; four brothers, J. E. Murrah ranchman in the Blue Hills country; Rufe Murrah and Tol Murrah, ranchmen in the Sanderson country, and Dan Murrah, ranchman in the Blue Hills country.

Those who served as pallbearers were: H. J. Y. Mills Sr., Pandale; Dr. F. M. Rose, Del Rio; George R. Baker, Pandale; J. Autrey Walker and J. R. Johnson, Del Rio; and F. J. Barrett, Comstock.

Honorary pallbearers were: C. E. "Ed" Long, George E. O'Neill, Ulric Ross, C. B. Freeman, E. F. Measels, Dr. J. R. Middlebrook, Dr. Dorbout, San Antonio; Judge W. F. Boggess; C. V. McKnight, Sanderson; Frank Walton, Gordon Walton, W. S. Stevenson, T. L. Drisdale, E. K. Fawcett, F. W. H. Wehner and J. B. Moore, Del Rio; Jim Nance, Sanderson; Rufe Everett, Pandale; Martin Rose, Comstock; E. W. Billings, Max Bogusch, Sanderson; Leonard Carter and Fred Humphreys, Comstock.—Del Rio Evening News.

The deceased was a brother of Rufe and Tol Murrah, prominent ranchmen of this county, who together with their families were in attendance at the funeral last Friday.

They have the sympathy of their many friends in the loss of their brother.

PATMAN PLANS BILL ON BONUS

WASHINGTON, D. C., Feb. 11.—(INS)—The house, in the new congress, will be forced to vote on cash payment of the \$2,000,000,000 soldiers bonus six weeks after the expected special session convenes, Representative Patman (Democrat) of Texas, declared today.

He said he would introduce a cash payment bill designed to provide expansion of currency on the opening day and if Democratic leaders frown on it, will file a petition for discharge of the committee handling it.

He advocated cash payment by issuing currency backed by bonds which is counter to the advocates of currency expansion by the use of silver. They too, are planning a drive for action immediately after the new congress convenes.

Mr. and Mrs. Landon Rose and son, Hugh, attended the funeral of Will Murrah which was held in Del Rio last Friday.

Witt Says Governor Can Re-Submit F. L. Denison's Name

AUSTIN, Feb. 14. (AP)—Lieutenant Governor Edgar Witt today ruled that Governor Miriam A. Ferguson was within her legal rights in resubmitting to the Senate the name of F. L. Denison of Temple to be the chairman of the highway commission after being once rejected.

No discussion on Witt's holding was made and an appeal to the floor will not be taken. Senator Small of Amarillo, who has been opposing Denison's confirmation, told the chair that in his opinion the ruling was correct.

VALLEY FARMERS STAGING STRIKE FOR FAIR PRICES

Roads Being Picketed But No Violence Has Developed

HARLINGEN, Feb. 13.—Farmers in the Magic Lower Rio Grande Valley of Texas prepared Sunday night to strike unitedly Monday for higher prices for their winter vegetables. The strike will be a business proposition with no hot-headedness expected.

Those striking have agreed they will "not harvest any vegetable crop unless we receive the production costs plus a margin of profit." The agrarian revolt has been in full flame for two weeks in Cameron and Hidalgo Counties, which comprise 90 per cent of the trucking section and are larger than several of the small States. The protest movement took concrete form in six community meetings and was fully shaped in a session here Saturday and in one Thursday night at Weslaco.

R. C. Rosebloom, an official of the Farm Bureau Federation in Hidalgo County, will be general of the picket army which at dawn Monday began a 24-hour patrol. Many of the striking growers are federation members.

Pickets, working under a military form of organization will stop all shipments moving from the counties and will try to prevent departure of those for which they deem the selling price was too low. Violence, however, has been banned from the procedure.

NINE RUN FOR OFFICE

UVALDE, Feb. 14. (AP)—Nine Democrats from the 15th congressional district will make the race, two weeks hence, for the position left vacant by John N. Garner, speaker of the House and vice president-elect.

D. W. Price of Uvalde, party chairman for this district, revealed that all had signed their intentions before the deadline last midnight. Eight previously had filed applications and the ninth, that of Milton West of Brownsville, was placed in the mails.

Others were: Jordan T. Lawler of Castroville, Noble G. Cofer of Brownsville, Gordon Griffin of McAllen, Oscar C. Dancy of Brownsville, F. W. Pulliam of Crystal City, Charles R. Tips of Three Rivers, Moulton Cobb of Mission and W. A. Dannelly of Hebronville.

A special primary will be held February 25 to narrow the field to two candidates. The run-off election will be held March 15 and the general election, in which Carlos Watson of Brownsville will be the Republican candidate, will be held April 22.

Word has been received in this city from Tucson, Arizona, telling of the critical illness of Mrs. J. H. Lemons, mother of the late W. H. Lemons and of Mrs. W. H. Mansfield, a former resident of this city. Mrs. Lemons is a pioneer resident of West Texas and has many friends here who will regret to learn of her serious illness.

MANY MEN ON HIGHWAY WORK IN VAL VERDE

Projects Extend West From Comstock To County Line

Approximately 220 men are working on the highway construction projects in Val Verde County by three of the four road construction companies holding contracts for the work, it was estimated Friday morning.

The work extends from west of Comstock to the Val Verde-Terrill County line.

J. Lee Vilbig and E. A. Vilbig, Dallas contractors, are working 12 men on their contract for grading and small drainage structures west of Comstock on the Pecos.

Orr and Rawls, an El Paso construction firm, is working 60 men on grading work for the first three and a fraction miles west of Langtry.

The Gifford-Hill Construction Co., of Dallas employs 148 men on grading work west of Langtry to the county line. Three camps have been established, and the men work in two shifts, 74 men at a shift.

R. E. Butler of Bryan holds the contract for the construction of a 200 foot bridge over Antonio Canyon but has not yet started work.

Men for the crews at work were drawn from a list of 941 Val Verde men who registered with the local employment committee for the highway work during the week of January 12 to 19.—Del Rio Evening News.

COMMISSIONERS HOLD REGULAR MEETING MON.

Salary For Next Two Years Is Set At This Time

The regular term of the County Commissioners Court was held on Monday of this week with all commissioners present. Much business was transacted at this meeting as it is one of the most important meetings of the year, it being the time to set salaries, designate a county depository as well as to attend to the regular routine work.

The following matters were considered and action taken on at the Monday meeting:

Ordered that the County Clerk's annual finance report be published. Deferred levying of tax until the May term as by that time perhaps a better idea will be had of business conditions and more will be known as to the value of property etc.

The Sanderson State Bank was designated as the county depository. Deferred letting of bid for stationery until the March term and the county clerk was notified to send out new notices of bid for same.

Bought a mule from O. E. Schupbach for \$65. This is a broke mule and will be used with the Fresno.

Set the County officials salary as follows: County and District Clerk, \$144; County Judge, \$135; Sheriff, \$83.33; county attorney, \$81; county health officer, \$25. These salaries are for the next two years.

A BIT OF PHILOSOPHY

By E. V. WHITE, DEAN Texas State College For Women (CIA)

Real men never respect you for discourtesies. . . .

Don't dislike those who are smarter than you. . . .

He who runs a steam roller will some day meet a bigger one. . . .

There can be no shadows without light.

NEW BARRACKS TO BE ERECTED AT AIRDROME

Additional Improvements To Be Made At Dryden Airport

Bids will be received up to 10 o'clock next Friday, February 24, by the Quartermaster, 8th Corps Area at Fort Sam Houston for the erection of barracks for enlisted men at the Dryden airport.

The barracks will be 26 by 105 feet to be constructed of brick, hollow tile and stucco and to consist of 4 complete four-room apartments. The plans also call for a basement with steam heating plant and will be modern in every detail.

The work is to come under the Government Emergency relief and Construction acts and labor of all kind on the job will conform to the standards set out by the government.

Contractors from as far away as Connecticut and Washington D. C. have asked for the plans and specifications as well as contractors from all over this State.

When this building is completed the Dryden Airport will then be one of the most up to date airports of the government. Already many thousands of dollars of improvements have been made the past few years when up to date quarters were erected for the officer in charge of the port. A broadcasting and receiving radio station is another improvement made at the port in addition to storage tanks for gasoline by means of which planes are refueled electrically.

It is estimated that the construction of these barracks will cost in the neighborhood of \$15,000.

New Pharmacy And Confectionery To Be Opened Here

R. M. Gant of Knippa has leased the building that was formerly occupied by the Empress Pharmacy from Mrs. A. D. Brown and upon his arrival in this city Wednesday began preparation to reopen the business as soon as he possibly can. The new business, which Mr. Gant hopes to open to the public by next Wednesday will be known as the Ever-ready Pharmacy.

Mr. Gant is a well and favorably known druggist and among the cities that he has been in business are Ozona, San Angelo, Marathon and Knippa. He stated to the Times reporter that he will have a first class place with an up-to-date line of high class drugs of all kinds, confections, candies, toilet goods, school supplies, cold drinks etc. Mr. Gant's present plans are to open the business by next Wednesday and will be "ever-ready" as the name implies to serve the citizens of Sanderson and Terrell County in their wants in whatever needs they may have along the drug line, or anything else that is carried in a drug store.

Associated in the business with Mr. Gant will be Dr. Herman A. Glatzmayer recently of San Antonio. Dr. Glatzmayer is a reputable physician and surgeon being a graduate of the Long Island Medical school and the New York School of Pharmacy. In addition to being a licensed Physician and Surgeon he is also a registered druggist.

The Times welcomes these new people to our community and hope that they do well and we are glad to know that they have faith in the future of our city and county to locate here and to go into business.

Mrs. Janie B. Garner, district deputy of the Woodmen Circle, with headquarters in Fort Stockton was a visitor in the city last Thursday and Friday.

M. B. Brown, state supervisor from the State Department of Education, visited our schools last Thursday and Friday on a tour of inspection.

Kinney County School District Increases Taxes

BRACKETTVILLE, Feb. 14.—At an election held Saturday the Common School District No. 7, which is comprised of the western section of Kinney county, voted 7 to 5 in favor of an increase in school taxes. The increase will be from five to 10 cents.

CADET PILOT'S PLANE CRASHES AT MARATHON

Cadet Killed When Plane Goes Into Nose Dive

Paul Viar, Kelly Field pursuit student, was instantly killed Tuesday afternoon when his plane crashed in the edge of the town of Marathon, 60 miles west of this city.

Viar was flying eastward about noon and had passed over the town when it was discovered that his motor was not functioning properly. The flyer circled the town, apparently seeking a landing place, when his plane went into a nose dive at an altitude of about 150 feet. The plane was completely demolished but did not burn. Viar's neck was broken. A fellow student who saw the wreckage landed nearby.

Viar, 24, whose home is in Lenox, Tenn., was one of 15 pursuit students, who left Kelly Field last Saturday on their final cross-country flight to Fort Sill, Okla., and El Paso. He had taken off from El Paso Tuesday morning.

An army ambulance which happened to be passing enroute from Marfa, formerly the station of the First Cavalry, to Dryden, took Viar's body to the airport at Dryden. The body was taken by an airplane ambulance to Kelly Field Wednesday from the Dryden Airport.

Viar entered the Air Corps Training Center in March and would have graduated the end of this month.

WEST TEXAN'S WILL TO BE CONTESTED AT FORT STOCKTON

Contest of a will of the late J. M. Holmes, Sheffield ranchman and West Texas pioneer, has been filed in county court of Judge Gray at Fort Stockton and the hearing has been set for February 20. Judge W. C. Jackson of Fort Stockton and W. I. Arrington of Breckenridge filed the action in behalf of two grandchildren. Mental incompetency and undue influence are set up in the petitions.

The estate of Mr. Holmes has been estimated to be worth about \$200,000 at current values. Under the terms of the will he left the body of the estate to Mrs. Holmes, but made small bequests to 13 others. Mr. Holmes died here in recent weeks after a life spent in West Texas.—San Angelo Morning Times.

63RD ANNIVERSARY SPECIAL

Among our exchange papers received this past week was one from Stephenville, Empire-Tribune which paper was celebrating its 63rd Anniversary.

This 63rd anniversary edition was well gotten up and contained greetings from State Officials and various friends of the publishers throughout the various parts of Texas.

Messrs Clements and Higgs are sole owners and publishers.

DOCTOR RECOVERS

Dr. Ivy Stansell, who has been critically ill with pneumonia since December, has recuperated sufficiently to resume a portion of his practice, according to a news report in the Sunday issue of the San Antonio Light.

MID-KANSAS CO. MAKE NEW TEST AT GOODE WELL

Additional Million And Half Cubic Feet Of Gas Discovered

Tests were made this past week by officials of the Mid-Kansas Oil Company of their well which has been drilled on the Goode ranch and known as the Mid-Kansas No. 1 Goode. This test revealed the fact that an additional million and a half cubic feet of gas is now in the well making a total of four million and one half cubic feet of the gas now in the well. It has been about four months since the well had been tested.

So very pleased were the officials with this new test that they stated that in the future tests will be made every 30 days.

The well has been closed down since last year when after being drilled to a depth of 6100 feet gas was discovered. This gas is of sufficient force and strength that it can be used for commercial purposes if only the distance to this city was not so great.

This report is very encouraging and oil scouts and those familiar with oil fields state that wherever there is gas somewhere around there is oil. Just whether the Mid-Kansas will go deeper for oil at this time the Editor did not learn.

The well is located on Section 26, Block 161 original grantee G. C. & S. F. Ry.

Rumors could not be confirmed that the McPhee-Briggs test well that is being drilled on the Kerr land south of Dryden had struck a 15 barrel well at the depth of 800 feet. This rumor, which came from California from parties who claim that they are in touch with the McPhee Oil Company, was reported to this office the first part of last week. The Editor has not been able to get in touch with Mrs. McPhee or Marion Briggs who is putting this test down and we doubt the veracity of the rumor. We have learned from authentic source however, that the well has been closed down for several weeks.

All interest is centered around and on Terrell County and many geologists have made favorable reports of the possibility of oil being discovered in this county.

Big Miracle Show Coming To Grand At Ft. Stockton

Willard the Wizard and his company comes to the Grand Theatre at Fort Stockton on February 26, 27 and 28th with a special matinee performance on Sunday February 26th at 4 p. m.

Willard the Great, as he is known in nearly all metropolitan cities of the new and old world, will appear with his company presenting a "Night of Miracles" in the Grand Theatre. More than four million people have been amused with Willard's performances. He stands absolutely in a class by himself and in addition to his large company of assistants he carries four tons of paraphernalia used in his various acts and transported by two giant motor trucks. Willard is unquestionably the King of all Wizards and master of his art. A special matinee performance will be given on Sunday February 26th giving a complete one hour performance with the addition of the regular schedule of picture, Ruth Chatterton in "Frisco Jenny" and a good comedy. The price will not be changed remaining 10, 25 and 35 cents.

It will pay anyone to drive the few miles to Fort Stockton to see this great performer and enjoy the show in full. Jack Wright, manager of the Grand Theatre in Fort Stockton, was in town to-day and states to us that February is his birthday month and any one in Sanderson or vicinity having a birthday in February if they will mail him a post card giving the date he will mail to them a free pass to his theatre.

ON TEXAS FARMS

By W. H. DARROW Extension Service Editor

This is the "outlook" season, the time when economists throw the searchlight on current trends and offer suggestions to farmers about what lines of production look worth trying. They're having a hard time to find any this year.

One thing is certain. You either make your living at home this year or you go without. Texas farmers know that, and they are going after a home living with all the enthusiasm they did last year when at least four-fifths of them raised at home the greater part of the food and feed, and many of the other necessities and comforts.

We are back where agriculture was 100 years ago, on a self-sustaining basis. We surrendered that to go in for specialized farming; witness cotton. In returning to the old basis we find the game is not the same it used to be a century ago. Everything has been modernized.

Today Texas farm families plan their living at home: make a living-at-home plan, can their food by budget instead of by guess, make their food supply conform in variety and quantity to the requirements of a healthful diet, and even butcher their meat animals by modern labor saving and meat saving methods.

How to live at home the easy modern way that gives healthful plenty at least cost and effort is a contribution of the Extension Service to Texas. County farm and home demonstration agents personally helped more than 100,000 farm families last year to live at home more fully and more wisely. Another 140,000 were helped indirectly.

The Extension Service living-at-home plan is available to everybody through county farm and home demonstration agents, and through a series of bulletins. The one that sketches the whole plan is C-78. Those that give additional useful details are D-81, B-70, B-73, C-55,

ECONOMIC HIGHLIGHTS

Happenings That Affect the Dinner Pails, Dividend Checks and Tax Bills of Every Individual. National and International Problems Inseparable From Local Welfare.

Under present business conditions, no news is apt to be good news. While business is showing no particular improvement, the decline has apparently been interrupted and a measure of stability reached. It is hoped that political moves during the next few months will have a helpful effect on business in the future.

Last summer the country underwent a time of financial liquidation with strengthening of our financial structure. This was followed by a similar period of commodity liquidation, which seems now coming to an end. The next step will doubtless be further commercial liquidation and readjustment to put many of our industries on a basis to show earnings in normal times.

Since 1929 there has been a decline in foreign markets for American agricultural products but last year the decline showed a tendency to slacken. It is believed that once the problems of disturbed monetary systems and trade barriers are practically settled, the trend will be reversed and larger quantities of our farm products will reach foreign lands.

Domestic demand for products is naturally awaiting industrial recovery. Even a slight change for the better in business generally, should cause marked improvement in farm markets.

Potential bank credit is the equivalent of the money existing in the country. At the moment, this credit supply is unusually large. Member banks of the Federal Reserve have \$600,000,000 of excess reserves, and it is stated that these banks could expand their credits by \$9,000,000,000 without borrowing from the Federal Treasury. Interest rates on money are at unprecedented low levels.

Latest reports on major industries show:

MOTION PICTURE—A new alignment of the motion picture industry is forecast, with Rockefeller interests a large factor. The industry's principal difficulty is in real estate carrying charges on theatres built during boom years.

TEXTILES—Future has hopeful appearance, with cloth demand very steady.

OIL—Refiners breaking even, despite low gasoline prices.

CIGARETTES—December showed gain in consumption, as compared

C-60, C-81 and C-93. All are free from farm or home demonstration agents or from the Extension Service at College Station.

FIRE WINDSTORM HAIL TORNADO INSURANCE With Reliable Companies LEMONS & CALDWELL Phone 20

with decline in most other months of 1932.

TIRES—Price-cutting has broken out again, with resulting disturbance.

MEAT PACKING—Outlook good for moderate profit during coming fiscal year.

AUTOMOBILES—Sales continue to improve, with January well over a year ago. It is interesting to note that price reductions have resulted from improved efficiency, and not by reductions in dealer margins or in quality.

In an effort to check rapidly diminishing passenger revenues, the railroads of the country are planning various classes of rate reductions designed to bring back lost business. February 1, western roads made marked passenger fare cut. The seasonal decline in freight car loadings is showing a tendency to moderate, as compared with the same period a year ago.

With an estimated \$1,500,000,000 at stake in the form of mortgaged debt in nine states, midwest farmers are sticking resolutely to their campaign against foreclosure sales. In a growing number of instances, groups of farmers have prevented open auctions of properties and bought them in at extremely low figures. Various public officials are tending to aid in preventing foreclosures.

The exodus from the city to the farm—in direct opposition to the trend of a few years ago—has swelled the farm population to 22,000,000, close to the 1910 peak. Some farm communities object, as new school facilities and relief funds thus become necessary. However, a compensating factor is that a wider market for farms is provided.

A decidedly better feeling is noticeable in Australia, with government and private finances improved. Chinese industries are active, and a better year is forecast. Wholesale prices rising in Japan. Improvement in several industries is noticed in France, with the crop situation promising. Favorable fac-

CAN YOU IMAGINE?

The Sanderson boys playing basketball in a cracker box? Nelson Billings rushing Tommy? Florene Thompson falling for a Crane boy?

Jack Hardgrave being in love with Bernice and taking her to a picture show?

Gene Litton having a date on Sunday night?

Spending to save through Advertising

Not many of us, these days, are troubled with so much money that we cannot spend it. But we ARE interested in spending the money we have, to get the most out of it.

One way—and not a new way, either—is to make a budget and put down, week by week, the money that comes in. Put down beside it, week by week, the money that goes out. So much for food, so much for clothing, so much for rent. So much for giving, and for luxuries.

It won't always be easy, of course, to stay within the budget. That's where advertising helps you. Advertisements in this newspaper tell you how much butter, foods, meats, clothing drugs will cost, BEFORE you go shopping! They point out ways to save money. They show you how to cut a little here, a little there. And they tell about new products, new ways of doing things, that help make this life of ours very much worth living!

EVENTS OF SOCIETY

MESDAMES CANNON AND DUNCAN ARE BRIDGE HOSTESSES

Last Thursday afternoon the home of Mrs. Bustin Canon was the scene of a lovely bridge party with Mesdames Cannon and Robert Duncan as hostesses.

The afternoon was pleasantly spent in playing bridge with Mrs. H. E. Fletcher making the high score for the afternoon. Second high score prize went to Mrs. W. H. Savage while Mrs. James Kerr was the lucky winner of the cut prize.

A lovely plate lunch consisting of turkey salad, cranberry jelly, paprika crackers, date pudding with whipped cream and coffee was served.

Guests included at this lovely affair were Mesdames A. E. Creigh Jr., J. W. McKee, W. H. Savage, Lee McCue, D. A. Pollard, F. L. Burnside, V. H. Burnside, P. J. Holman, Buck Pyle, Lindsey Hicks, Joe Kerr, James Kerr, Sims Wilkinson, H. R. Laurence, Icky Johnson, Elmo Taylor, A. F. Buchanan, O. J. James, S. S. Daggett, H. E. Fletcher, Jim Nance, S. C. Harrell, Willie Banner, Wilson Banner, E. McSparren, C. V. McKnight, Max Bogusch, Clyde Griffith, John Stovell, L. A. Lowe, Lee Roy Grigsby, C. M. Breeding, Edith Bond, Fannie Duncan, Bozarth Brown and A. P. Utterback.

AUXILIARY MEETS

Mrs. S. S. Daggett opened her hospitable home to the Presbyterian Auxiliary on Monday afternoon. Fourteen members and one visitor were present. Mrs. J. W. McKee presided during the business session when reports were given by several officers.

Mrs. N. E. Charlton led an interesting program on Korea, with Mrs. H. R. Laurence giving the devotional, and Mesdames W. R. Holland, Will Savage, W. E. Lea and Miss Rosa Dunman telling thrilling stories of Christian Korea.

Sentence prayers closed the program. Then Mrs. Charlton passed hearts and had all to guess the meet with Mrs. Will Savage at 3 o'clock.

Prayer service at 7:30 p. m. on Wednesday. Psalm 1 will be studied. Place for meeting will be announced Sunday.

John V. McCall, Pastor.

names of Korean missionaries hidden on them.

The hostess served a dessert plate during the social hour.—Reporter.

BRIDGE PARTY

On February 8th, Wednesday, at the home of Mrs. P. J. Holman, Mrs. Frank L. Burnside and Mrs. Holman entertained with a bridge party complimenting Mrs. Homer Burnside of Malta, Illinois, and Mrs. V. H. Burnside of Chicago, Illinois.

Ten tables of bridge were enjoyed by Mesdames R. S. Wilkinson, J. W. McKee, Will Savage, D. A. Pollard, C. M. Breeding, Jim Nance, Robert Duncan, Lee McCue, M. Lester, B. Brown, B. Canon, L. R. Grigsby, Joe Kerr, Jim Kerr, Al Creigh, S. S. Daggett, H. Laurence, J. Stovell, C. Griffith, O. J. James, A. F. Buchanan, A. P. Utterback, W. H. Doty, H. Fletcher, B. J. Brannan, L. A. Lowe, A. F. Thrift, R. A. Johnson, Chas. A. Johnson, E. McSparren, C. V. McKnight, L. M. Baze, A. C. Clatfelter, Max Bogusch, H. M. Johnson, Max Harrell, J. C. Green, S. Underwood, Miss Willie Mae Green and the honor guests Mrs. Homer Burnside and Mrs. V. H. Burnside.

Refreshments of butterscotch pie and coffee were served.

Prizes for high and second high scores went to Mrs. L. A. Lowe and Mrs. Max Bogusch respectively, while the cue prize went to Mrs. Chas. A. Johnson.—Contributed.

MRS. McCABE BRIDGE HOSTESS

At her quarters at the Dryden Airport, Mrs. H. M. McCabe was hostess to several friends on last Friday afternoon. Bridge was the diversion of the afternoon and Valentine lent a theme for the decorations, which were very attractive.

A bridge luncheon set was the high score prize that was won by Mrs. Roy Haley. Mrs. A. F. Buchanan was the winner of the second high score, prize a cutex set. Refreshments of minced ham sandwiches stuffed cherry salad, and coffee were served to Mesdames Roy Haley, Jess Haley, John Harrison, A. F. Buchanan, R. O. Kessler, H. M. Mooney, Riley Blalack, Tom Holmes, F. B. Carter, A. A. McDonald and Miss Loreine Barker.

C. A. Wilburn and W. E. Lea were Marathon and Alpine visitors Tuesday.

PERSONALS

Mrs. A. F. Thrift left last Saturday afternoon for Anthony, N. M., where she was called on account of the serious illness of her sister-in-law, Mrs. R. W. E. Hirst Jr. Late reports from her were that there was very little change in the condition of Mrs. Hirst.

Mr. and Mrs. Clyde Wheeler, Mrs. Luella Lemons and L. H. Lemons motored to Del Rio last Saturday where Mr. Wheeler was taken for medical treatment. Mr. Lemons returned home Monday night and reported not much change in the condition of Mr. Wheeler.

Mrs. A. D. Brown returned last Thursday night from San Antonio where she went the first of the week. She brought her husband home and his many friends are glad to know that he is able to be brought home following several months stay in San Antonio where he has been undergoing medical treatment. So far he is getting along nicely Mrs. Brown reports.

Mr. and Mrs. Tol Murrah and baby returned to their ranch in the Sanderson country Monday, after spending several days in town. They were accompanied by Mrs. Will J. Murrah, who plans to spend several days visiting with them on the ranch.—Del Rio Evening News.

TUESDAY CLUB

Mrs. P. J. Holman was hostess to the members of the Tuesday Bridge Club and several invited guests at her home this week. Valentine was the theme carried out in decorations.

To Mrs. D. A. Pollard went the high score prize while Mrs. McKee was the winner of the second high score prize.

A salad course was served to Mesdames F. L. Burnside, V. H. Burnside, Bustin Canon, Robert Duncan, J. W. McKee, Helen Daniels, Max Harrell, John Harrison, C. M. Breeding, T. D. Moore, Lee Roy Grigsby, D. A. Pollard, Lee McCue, W. A. Banner, N. E. Charlton and Mrs. Ramsey of Del Rio.

RECIPES AND MENUS

By Department of Home Economics
Texas State College for Women
(CIA)

DENTON, Feb. 16.—The term, lamb, is applied to the carcass of the sheep that is less than a yearling. The flesh of mature sheep is called mutton. The meat designated as lamb is more tender and has a sweeter, milder flavor than mutton. The lean of lamb is pink, that of mutton is darker and dull.

In lamb, as in veal, the bones indicate the age of the animal. The brisket bone of lamb is soft and red, the ribs and shank show color and blood vessels are very noticeable. In the mature animal the bones are white and hard.

Lamb and mutton require rather thorough cooking. Like pork, they should not be served rare.

MENUS

Breakfast: Stewed dried apricots, bran, top milk, French toast, honey, crackers, cottage pie, cole slaw, coffee.

Luncheon: Purée of baked beans, graham muffins, butter, cup custard.

Dinner: Baked lamb chops, potatoes in cream, English peas, bread, butter, mint jelly, tomato salad, peaches, whipped cream.

Breakfast: Shredded wheat, thin cream, waffles, butter, jelly, coffee.

Luncheon: Jellied veal, potato chips, corn meal muffins, butter, combination fresh vegetable salad, marshmallow whip.

Dinner: Roast leg of lamb, caper sauce, browned potatoes, fried egg plant, bread, butter, pickled pear salad, lemon cream pie.

RECIPES

Baked Lamb Chops: Select chops that do not contain large amounts of fat. Wipe the chops, sprinkle with salt and pepper. Beat an egg mixing it with three tablespoonful of milk. Roll the chops in crumbs, dip in the egg and milk mixture, then roll again in crumbs. Place in a buttered pan or baking dish and bake.

Mint Jelly: Wash the mint. Bruise or crush and chop it. To one c of chopped mint add 1-4 c sugar and 1-4 c of water and let it stand over night closely covered. Then heat to boiling point and strain.

Make apple or grapefruit jelly. When the jelly is almost done add green color as desired and add the prepared mint extract, about 1 t or more to a glass, according to the strength of the extraction.

Roast leg of Lamb: a five or six pound leg of lamb is a desirable roast. Wipe the meat with a damp cloth, dredge with salt, pepper, and flour. Roast by searing it in a hot oven. Finish roasting in a slow oven allowing 30 minutes to the pound.

Caper Sauce: 1-3 c butter, 4 T flour, 1-4 t salt, 3 T capers, 1 qt. boiling water, 1 T lemon juice, 2 egg yolks. Combine butter and flour. Add hot water gradually, stirring to form a smooth paste. Bring to boiling point and simmer until it is thick. Add lemon juice. Add egg yolks beaten and diluted with a T of the sauce.

Place that order with us today for your printing needs and be assured of good work, quick service at a reasonable cost.—The Sanderson Times.

You have to buy groceries every day. Spend your money where every day's prices are SPECIAL prices and make your dollar do its full duty.

Just around the Corner

EVEN big-city folks must have their "neighborhood stores"! Most of them would no more think of going down town to fight their way through the crowds in search of a roast for dinner than they would of walking to the factory to get a pair of shoes.

City women know that their neighborhood stores can supply them just what they want — and that, in most cases, the service is more alert and friendly.

The same thing is true of this "neighborhood". Our merchants—the men whose ads you read in this paper — are in position to furnish your home with the best and most popular brands of goods. Not only can they save you money, but they gladly relieve you of a lot of worry and loss of time.

National Cattle Show To Come To Texas In March

After having been held for seven consecutive years at the breed headquarters at Des Moines, Iowa, the annual national show of Polled Hereford cattle will be held this year for the first time at Ft. Worth, Texas, March 11th to 19th in connection with the Southwestern Exposition and Fat Stock Show.

This national livestock event comes to Texas at the insistent invitation of Texas breeders of Polled Herefords who number over 700. These men for several years have been urging the officers of the American Polled Hereford Breeders Association, whose home office is at Des Moines, Iowa, to bring the big yearly show and sale to Ft. Worth, thus giving to many who could not get to Iowa in mid-winter an opportunity to exhibit their cattle and to see the best specimens from other herds in all parts of the country.

For several recent years there has been a sale and a sectional show of these naturally hornless pure bred Herefords held in connection with the Stock Show at Ft. Worth, but never heretofore has the official national exhibition been held at any other point than Des Moines, Texas as breeders are pleased that this first show to be held away from breed headquarters should be held in Texas.

The Polled Hereford breed has been making rapid growth in this state for the past several years, until now Texas ranks fourth in number of herds and second in number of members of the national breed association. Nearly 75 Texas breeders are active members of the American Polled Hereford Breeders Association.

An auction sale of about 35 carefully selected specimens of the breed will be held on the Show Grounds at Ft. Worth, Thursday, March 16th in connection with the show. The sale cattle are mostly from prominent Texas herds with a few head consigned from northern herds. Texas breeders who have consigned cattle to the show and sale include: Burleson & Johns, Whitney, J. E. Epperson, Llano, Wm. Y. Fowler, Jr., Llano, Halbert & Hoggett, Mertzon, R. O. Harvey Farms, Wichita Falls, P. S. Kendrick, Albany, Joe LaRoe Kaufman, Geo. Greenfield, Follett, and Hugh H. White, Kellar. It is likely that a few more herds will make entries between now and the time of the show.

Half the farm families of Grayson county were helped to can and preserve food by demonstration methods last year by the home demonstration clubs of the county. The amount of canning increased 75 per cent over the previous year.

The greatest series of terracing demonstrations ever held in Hill county ended with 3850 acres terraced in December. The yearly total as given by the county agent exceeds 6000 acres.

America is the only country in the world that tries to provide every person with as much education as he can take.—Henry Suzzallo.

LEASES FILLING STATION

Messrs Ray Qualtrough and Jack Laughlin have leased from W. J. Ferguson the filling station located on East Oak Street that was formerly under the management of B. F. Dawson. This station has been closed since early last fall.

These young men opened the station on Monday of this week and will handle the Paso-Tex gasoline. They ask that all their friends come to their station where the best of service and courtesy await them and where they will be glad to attend to their wants in the way of servicing their cars.

Mrs. Buck Pyle and Miss Gerry Coates left Thursday for San Antonio where they will spend the remainder of the week.

J. R. BLACKWELDER

CITIZENS CONVERGE ON CAPITAL FOR SALES TAX HEARING

AUSTIN, Feb. 13. (AP)—Delegates of citizens from all parts of the state were here tonight for the start of hearings before the revenue and taxation committee of the Texas House of Representatives on bills to levy a sales tax to replenish the state's depleted coffers.

Four bills have been filed on the subject.

One, by Representative J. C. Duvall of Fort Worth, would levy a three per cent tax on all sales. A bill by Representative George Parkhouse of Dallas and another by Representative Harold Kayton of San Antonio would levy a two per cent tax on the final sale of the commodity only. The fourth, introduced by Kayton on the request of Mayor C. M. Chambers of San Antonio, would levy a two per cent tax and would give cities the power to levy a tax of one per cent on sales.

DR. MOORE HERE SUNDAY

Dr. A. L. Moore, presiding elder of the El Paso district of the New Mexico conference of the Methodist Episcopal Church South, will be in Sanderson Sunday, February 19th, preaching at the Methodist Church building at 11 a. m. and at 7:30 p. m. and at Dryden that afternoon at 3:15 p. m.

Dr. Moore is a minister of known outstanding pulpit abilities and always draws an overflow crowd when in Sanderson. He numbers his close friends in all denominations and possesses no inkling of denominational bias. He is known for his sterling christian character and his untiring services to all in the Masters name.

The church quartet will render a special vocal number at each of these services Sunday and Mr. Goldwire will render a special violin solo at each service.

All are invited to hear Dr. Moore at these services Sunday.—Contributed.

PERSONALS

Mr. and Mrs. Peter C. Schiffers who are visiting in the U. S. A. for several months from Cartagena, S. America, arrived here Sunday afternoon from Ft. Worth accompanied by Mrs. Schiffers' aunt, Mrs. J. E. Dewees. They left on Tuesday morning for El Paso where they will visit Mrs. Dewees' sister and brother-in-law, Mr. and Mrs. T. R. Kuykendall. While here they were the guests of Messrs Joe and Jim Kerr and families brothers of Mrs. Dewees.

Floyd Kennedy accompanied by Miss Faye Mace spent several hours in the city here Tuesday from Del Rio. Mr. Kennedy who is proprietor of the Sunshine Pharmacy in this city plans to open a drug store in Del Rio real soon.

Among those returning to Sanderson Friday after the funeral of Will Murrah were: Mr. and Mrs. Charley Gregory, Joe Nance, Felix Harrell and C. V. McKnight.—Del Rio Evening News.

Mr. and Mrs. P. Kleid of Del Rio are now residing here, Mr. Kleid having a regular run as engineer out of here west.

Postmasters To Serve Full Terms Commission Says

Due to the fact that many people have the impression that all postmasters appointed by the President subject to confirmation by the Senate will automatically be discharged with the change of administration March 4, 1933, the United States Civil Service Commission has sent out information regarding postmasterships.

Since postmaster at first, second and third class offices are appointed for a four-year term and there is no uniformity in the dates of their commissions, the dates of expiration of their offices vary accordingly.

Postmasters at first, second and third class offices are not included in the competitive classified service, the information states. Examinations for postmasterships at offices of these three classes are held under the provisions of an executive order. The Civil Service Commission has no knowledge of a vacancy until it is called upon by the Post Office Department to announce an examination to fill such vacancy.

Examinations for all postmasterships are announced when necessary, and when an announcement is made it is given due publicity in the community where the appointment is to be made. Circulars are distributed containing full information regarding entrance requirements for these examinations.

The time of L. R. Grigsby, local postmaster does not expire until this fall, October 31. It is understood that there are several applicants for the place. According to the above ruling Postmaster Grigsby will serve his appointed term regardless of administration changes.

Taxpayers Opposing Ferguson Sales Tax

AUSTIN, Feb. 14. (AP)—The State Taxpayers' Association adopted a resolution Saturday night condemning the "pyramiding" feature of the Ferguson sales tax plan. This action was taken notwithstanding James E. Ferguson's personal appeal Friday night for support of the sales tax bill in its original form.

Members of the association expressed the opinion that a three-way tax on a single sale, to be levied on the manufacturer, jobber and retailer, was unjust.

Tom. F. Hunter of Wichita Falls former candidate for governor, introduced the resolution which was approved. Hunter also had the association go on record in favor of a net profits tax on corporations with large incomes.

President D. M. Jones of Dallas presided over the taxpayers two-day meeting.

FAST CRAFT TO GUARD BORDER

Perhaps the fastest flying unit in this country, is being perfected in San Antonio in the squadron of the United States customs air patrol, it was learned Saturday.

Eight powerful airplanes, the best of ships captured, both here and in other states in smuggling activities during the last year and a half have been "stepped up" so that their capacity for speed is much greater than the average flying unit it was said. This has been accomplished by changing the fuselage, eliminating wind resistance and removing features which ordinarily handicap speed, it was explained.

The customs department here has the only air patrol in the service, and cover the Mexican border as far as California.

Regular customs inspectors are being taught to fly, and soon the speedy ships will be a formidable threat to smuggling in the region of the Rio Grande, it is predicted.—San Antonio Light.

COFFEE SHOP CLOSSES

The Kerr Hotel Coffee Shop, which for the past 18 months or more has been under the management of M. L. Smith of El Paso, closed last Friday night. It is with regret that this place of business had to close as the management was putting out good meals, but lack of necessary patronage to remain open any longer.

BIRTH ANNOUNCEMENT

Mr. and Mrs. Richard, "Son" Turner are the proud parents of a son born to them at their home in this city last Saturday night. Both mother and baby are doing fine.

READ THE ADS. They are instructive and may help you in many ways.

ELECTRICITY... YOUR CHEAPEST SERVANT

"Three cigars and a couple of kilowatt hours, please"

If you could buy your daily supply of electricity at the same place you buy your tobacco and candy, you would be surprised to find how little it costs in comparison.

According to the latest estimate, the average family spends 235 cents per day for smokes and sweets, whereas the average customer of this company pays only 11 cents per day for residential electric service. For considerably less than the price of a package of cigarettes or a tin of tobacco, electricity lights the average home, furnishes radio entertainment, percolates the coffee and performs various other household duties for a period of twenty-four hours. You don't have to go after it, either... an unlimited supply is always ready at the flick of a switch.

Nothing else you buy gives so much value for so little money as does electric service.

ANSWERING THE CALL FOR SERVICE **TEXAS LOUISIANA POWER COMPANY** **ECONOMICAL QUALITY MERCHANDISE**

*This figure was computed by dividing the total residential electric revenue by the total number of residential customers. Some customers pay considerably less than 11c per day and some pay more, but the average is 11c.
