SCHOOLS GET MEMBERSHIP IN SOUTHERN ASS'N

Third Year For Sanderson Schools To Be Admitted

Mr. E. J. Brannan, Superintendent of Schools, received the following letter this week from J. W. O'Banion, Chairman of the Texas Committee of the Southern Association of Colleges and Secondary Schools:

"Dear Mr. Brannan: I am pleased to inform you that the Southern Association of Colleges and Secondary Schools, in its annual meeting at Nashville, Tennessee in December, voted without reservation to retain your school on the accredited list of the Association for one more year." Signed, J. W. O'Banion.

This makes the third year that the Sanderson Public Schools have been admitted as members of the Southern Association. This membership is passed upon and granted for only one year at a time. This standard of excellence should be a mark of pride with all the people of Sanderson and surrounding country, as an indication of the high type of work being done in our schools.

Elbert Lea Very Ill Of Pneumonia

W. E. (Elbert) Lea has been very ill at his home this week, suffering with pneumonia. Mr. Lea was taken sick last Saturday and for several days his condition was critical.

Tuesday he was so dangerously ill, that his daughter, Mrs. M. H. Goode, Jr., who lives near Sheffield, was summoned to his bedside.

Reports late Thursday from him were that there is not much change in his condition.

His many friends hope for him a speedy recovery.

INFANT DAUGHTER DIES

Funeral services were held in Austin, Texas, last Saturday morning at 11 o'clock for Betty Becker, 2 months old baby daughter of Mr. and Mrs. Albert Becker. The little one died at a hospital in that city Friday afternoon about 5 o'clock after an illness of several weeks.

The child is the granddaughter of Mr. and Mrs. H. R. Laurence of this city, its mother being the former Miss Sydney Laurence of this city.

It is survived by its parents, Mr. and Mrs. Albert Becker, a sister, all of Austin; its grandparents, Mr. and Mrs. H. R. Laurence of this city and numerous other relatives.

Garner In Charge Of Patronage In Texas Districts

WASHINGTON, Jan. 8.—Vice President John N. Garner today became chief of patronage in the recently created 19th, 20th and 21st districts in Texas, according to an announcement by Postmaster General James A. Farley.

The vice president will have the final word on all appointments in the three districts until congressmen are elected a year hence.

The 20th district is made up Bexar County. The largest cities in the 19th and 21st districts are San Angelo and Lubbock.

Del Rio is in the 21st district.

Mr. and Mrs. Frank Robertson and daughters left Thursday morning for San Antonio where they will spend the remainder of the week visiting relatives and friends.

Mr. and Mrs. Paul E. Ritter, of Lewiston, Pa., arrived the past week for a visit with friends and relatives in this section. Mrs. Ritter will be remembered as Miss Irene Haley, daughter of Jim Haley, pioneer Terrell County rancher. Mr. Ritter was formerly stationed at the Airdrome at Dryden. Their many friends are glad to see them.

Sanderson State Bank Depositors Are Now Insured

The Sanderson State Bank of this city is now displaying a framed certificate of the Federal Deposit Insurance Corporation which guarantees the deposits of member banks under a government plan.

This certificate was received by the bank this past week after the bank had received previous notice that it was qualified for participation in the plan.

The move to insure deposits has been accepted almost unanimously in all parts of America with only one system not included, and with some 7,000 non-member banks also under the plan.

Accounts up to \$2,500 are now insured for full amount. After July 1, deposits up to \$10,000 will be guaranteed in full; those up to \$50,000 will be 75 per cent insured and those above, 50 per cent.

COMMISSIONERS HOLD MONTHLY MEETING MON.

Dr. Sharp Appointed As County Health Officer For Year

The regular monthly meeting of Terrell County Commissioners was held on Monday of this week with all members of the board present.

Very little business was transacted at this meeting. The regular monthly bills were allowed and the report of the County Treasurer, Frank K. Harrell was approved.

Dr. James C. Sharp was at this time appointed to serve as the County and City Health Officer for this year. Dr. Sharp succeeds Dr. W. H. Doty who has held the position for the past year.

The following Commissioners were present at this meeting: W. E. Stirman, Precinct 1; Eugene Peoples, Precinct 2; J. C. Mitchell, Precinct 3; and R. E. Fred, Precinct 4. County Judge G. J. Henshaw presided at the meeting.

Concrete Slabs On Devil's River Bridge All Poured

All of the concrete slabs of the flooring on the Devil's River bridge, 12 miles northwest of Del Rio, have been poured. Flooring for the six spans and the two approaches was completed last week but the bridge will not be open to traffic until the concrete has set for three weeks or more.

Four of the six spans have been poured. The steel work was given first a coat of red lead, then a second coat of a brown paint, and is being finished in the silver paint being used on highway bridges. No definite date has been set for the opening of the bridge, since the painting will take an indefinite time to complete, owing to the weather.

Highway workers stated that during the damp weather no painting is done.—Del Rio Evening News.

CULTURE CLUB TO MEET

The January meeting of the Sanderson Culture Club will be held next Friday, January 19, at the home of Mrs. Bustin Canon. Mrs. Rufe Murrah and Mrs. Landon Rose will be co-hostesses.

Mrs. J. H. Loehausen will be the leader and "Interior Decoration for Moderate Incomes", will be discussed. Assisting on the program will be Mesdames A. E. Creigh, Jr., Millard Holmes and Robert Gatlin.

G. B. Fenley, State Highway Engineer and James S. Lott of the Highway Department, both with headquarters in Pecos, were business visitors in the city Monday.

Herbert Dodd, of Langtry, has been in the city this week doing some survey work.

RANCHMEN WILL PAY MAXIMUM OF 8c TO SHEARERS

Price Decided At Meeting In Sonora Where Union Demands Heard

SONORA, Jan. 4.—A maximum of 8 cents a head for shearing sheep in both eight and 12 months wool, 2 cents for tagging and 5 cents for goat shearing in the spring of 1934 was set at a meeting of wool and mohair warehouse officials and ranchmen owning property in twenty-five West Texas counties here today in a conference held at the First National Bank. This meeting presided over alternately by T. A. Kincaid, president of the Sheep and Goat Raisers Association, who called the executive committee of the organization together and by J. Miles O'Daniel, president of the Texas Wool and Mohair called a conclave of the warehouse men and bankers, temporarily tabled any action on the proposal that the warehouses enter the National Wool Trade Association.

The group refused any recognition of the Texas shearers union, which union spokesmen said has more than 750 members in southwest Texas at this time and which is asking that the shearers, who are paid by the shearing captains, be given 6 cents a head for each sheep they shear and 4 cents for each goat. The ranchmen make their contracts with the captains, and it is customary for the shearer to get half of the sum of money paid the captain, who owns the shearing equipment, for each animal shorn. The sheep and goat industry was thus faced with prospects of paying 12 cents for sheep shearing and 8 cents for goats, four cents for tagging.

Temperature Dips To New Low Mark

The temperature in Sanderson plunged to a new level and the first grip of winter was felt on Monday morning. The thermometer on that day dropped to 13 degrees and the whole city shivered. Water pipes froze and heavy ice was everywhere.

Tuesday the thermometer reached the low level of 15 degrees and it was long toward the noon hour before a change was noticed.

Wednesday and Thursday warmer weather prevailed and late Wednesday afternoon clouds formed and it thundered and for a few minutes rain was threatened. Only a slight sleet fell and soon the sky cleared.

For the past several weeks the weather has been unusually warm with high winds blowing and lots of dust.

This section of the country is very dry and good rain would be welcomed.

MOVES BEAUTY SHOP

Mrs. Lucile Mason, owner of Lucile's Beauty Shop, this week moved to the Eveready Pharmacy where she is now ready to take care of all who are in need of any kind of beauty work.

FORMER EDITOR OF TIMES BUYS WARD COUNTY PAPER

Jesse McKee, who many years ago was editor of this paper, has bought out the Ward County News and this week the Times received a copy of the paper on our exchange list.

Mr. McKee a little over a year ago, founded the Mentone Monitor, at Mentone, Texas, and has been editing the paper for sometime. Norman Scott is now the new editor and publisher of the Monitor.

The Times editor extends congratulations to our fellow editor, Jesse McKee, and we know he will make good with the Ward County News as we have known him yea, many years, long before we ever thought that we would join the newspaper fraternity.

Mr. and Mrs. Russell Menzies were Del Rio visitors on Monday and Tuesday of this week.

DIRECT RELIEF IS REINSTATED AS BONDS SOLD

Charley Lockhart Notified That \$1,147,500 Now Available

AUSTIN, Jan. 8. (AP)—Direct unemployment relief in Texas was reinstated today when Charley Lockhart, state treasurer, was notified by the Fort Worth National Bank that \$1,147,500 was available in cash from the sale of state bonds.

That amount was the proceeds from a portion of the \$2,750,000 bond issue authorized by the legislature. Funds had been exhausted about Christmas time in many of the subdivisions supplies sufficient to last several days.

The state comptroller already had prepared vouchers anticipating receipt of money from the bonds and little delay in distributing the funds was anticipated.

Until now the United States government had provided relief funds but after Texas voted to issue state bonds withdrew its cash advances until this commonwealth would match its dollars. On that basis, the state must provide \$3,000,000 before it can expect any more assistance from the federal government, which had furnished relief money for a number of months.

Texas bankers have undertaken sale of the bonds. The state advertised them several times without disposing of the entire issue.

West Texas counties which received allotments: Brewster, \$2,120; Brown, \$2,440; Coleman, \$1,610; Glasscock, \$480; Pecos, -1,650; and Tom Green, -7,200.

Interscholastic League Closing Dates Are Set

AUSTIN, Texas, Jan. 10.—Closing date for the enrollment and payment of fees in the Interscholastic League is January 15, it has been announced by Roy Bedichek, chief of the University of Texas Bureau of Public Schools Interests. For the last five years the League has had this closing date and each year there have been fewer schools which have been rejected because of late payment of fees, Mr. Bedichek said. This year the State office of the League has sent a special letter to all county school superintendents, requesting them to urge all schools under their supervision to observe the January 15 date.

Present membership in the League is approximately 200 ahead of enrollment at this time last year, Mr. Bedichek pointed out. There are approximately 150 county interscholastic League organizations which have reported to League headquarters this year, a figure also considerably ahead of last year's. These and other indications point to a spreading growth of interest in participation in League affairs, he declared.

January 15 is also the deadline for enrollment in the League basketball tournament and the payment of the basketball fee, he added.

Mr. and Mrs. M. H. Goode, Sr., spent several days in town this week from their ranch on the Pecos visiting with their daughter, Mrs. E. McSparren and family.

Mr. and Mrs. M. H. Goode, Jr., came in Tuesday evening from their ranch near Sheffield, to be with Mrs. Goode's father, W. E. Lea, who is seriously ill with pneumonia.

Herman and Clarence Chandler were in town last Saturday from the Chandler ranch on the Independence. While here Herman stated that he would give his annual rodeo this year at the ranch sometime between the first and fifteenth of June.

Ranger Captain Jeff Vaughan, and Ranger Sgt. Burrell, of Marfa were Sanderson week-end visitors.

J. W. Happle's Brother Dies In San Antonio

Funeral services were held at 10 a. m. Wednesday from the Zizik-Kearn parlors in San Antonio for Robert Wilson Happle, 63. Mr. Happle, a brother of J. W. Happle of this city, died suddenly Sunday night at his residence, 1715 West Woodlawn Avenue, San Antonio. Rev. Bolton Boone of Woodlawn Methodist Church officiated at the services. Interment was in Mission Burial park.

Mr. Happle was a native of Prairie Lea, Texas, and had resided in San Antonio for the past 15 years. He was a member of the Commercial Camp, Woodmen of the World.

Survivors are the widow, Mrs. Alma Happle, two sons, Larkin B. Happle and Fred W. Happle; daughter, Mrs. Willie H. O'Keefe of Corpus Christi; two sisters, Mrs. T. N. McKenzie of Fort Stockton, Mrs. J. L. Manning, Luling; brother, J. W. Happle of this city; and two grandchildren.

30-INCH MIRROR COOLS 3 MONTHS

Glass For Huge Reflector In McDonald Observatory, Poured at 1,300 Degrees

Successful casting of the great 30-inch mirror for the reflecting telescope of McDonald Observatory which the University of Texas is building on Mt. Locke in the Davis Mountains has been accomplished, according to an announcement by Dr. Otto Struve, director of Yerkes Observatory of the University of Chicago. Under a co-operative agreement, the University of Chicago is to staff the McDonald Observatory, with Dr. Struve as its director.

The glass was poured at a temperature of about 1,300 degrees, and then was quickly cooled to about 500 degrees. It is now in an annealing oven, the temperature of which will be gradually reduced over a period of three months so that the cooling will not cause internal strains in the glass.

As soon as this process is completed, preparations will be made for drilling a hole in the center of the glass, the most delicate operation in its preparation because of the danger of splitting the huge disc. The outer edge will first be cut off, bringing the diameter to 80 inches. Polarized light will be used to test the glass, and if there is an unsymmetrical pattern, the disc will have to be discarded, for lack of symmetry in the pattern indicates internal strains which makes drilling impossible.

The disc at present is flat on both sides but the grinding will give it a curved surface on one side. When the grinding is completed, light from an artificial star will be let fall on the mirror, every point of which must concentrate the light on one point, the focus. Hand grinding will be used to correct slight errors in the curvature.

The Corning Glass Works, Corning, N. Y., which also is building a 200-inch glass for the Mt. Wilson McDonald Mirror.—Wednesday's San Antonio Express.

J. W. Happle left Monday morning for San Antonio where he was called on account of the death of his brother, R. W. Happle, which occurred in that city Sunday night.

Mr. and Mrs. Fount Sharp were in town Monday from the Bill Edwards' ranch in Pecos County. Mr. Sharp came in to receive medical attention for injuries received when a horse stumbled in a prairie dog hole and fell with him. His injuries were not serious.

Miss Mary Cox and mother, Mrs. C. F. Cox, Sr., from their ranch near Longfellow, were shopping visitors in the city Thursday.

Darby Reece, of Houston was a business visitor in the city on Wednesday of this week.

CIVIL SERVICE EXAM FOR P. O. HELD SATURDAY

Seven Applicants Stand Examination At Alpine

A civil service examination was held in Alpine last Saturday to fill the postmastership at this place. L. R. Grigsby, who has had the post-office under the Republican administration, time has expired. The examination was held in the district court room at the County Courthouse by the Postmaster at Alpine.

The following persons from this city stood the examination: Mrs. A. F. Thrift, Mrs. W. E. Lea, J. R. Goodykoontz, W. C. Cargile, Fred Talbot, D. L. "Stump" Duke and Clyde Griffith.

It will probably be the first of February or later before word is received as to who will get the appointment.

District Court To Convene January 22

The regular Spring term of the 63rd Judicial District Court will convene here on Monday January 22, for a two week's session. Just how large a docket faces the Court cannot be ascertained at this time. Sheriff Lee Cook is still summoning both grand and petit jurymen and we hope by next week to be able to publish this list together with all cases that are now on the docket.

MOVES TO NEW OFFICE

Dr. W. H. Doty moved his office the past week from the Rio Grande Pharmacy, to the old Dr. Reeves office building on Oak street, or better known as the residence just recently vacated by Mrs. C. D. Strange.

The building has been remodeled and painted and the Doctor in addition to having a waiting and consulting room, will also have a couple of rooms which he plans to fix up and will be used by his patients who come in and are in need of a place to stay. They will be equipped with regular hospital beds and furnished in every way to take care of sick patients.

M. L. Whistler Resigns As Val Verde Sheriff

DEL RIO, Jan. 8.—Sheriff M. L. "Bud" Whistler resigned his office as sheriff Monday morning and the County Commissioners' Court immediately appointed A. E. Steinmetz to serve in his place.

Whistler offered as cause of his resignation trouble with his eyes, which has bothered him for the last year and a half. He has served as sheriff of Val Verde County for the last 14 years.

Immediately after it became known that Steinmetz had been appointed sheriff friends started to urge him to announce as a candidate in the coming election this year, but he declined to make a statement at this time.

In retiring, Whistler declared that he wished to thank the public for the confidence they have had in him during his tenure of office, and declared that he had always been given the best of co-operation during that time.

"I have a friendly feeling towards all with ill feelings toward none," Whistler stated, "and I hope the people feel the same toward me. I wish to thank my deputies, who have helped me perform my duties, for their co-operation and help. Under the circumstances, I feel that the county is better off for my resignation. I have all confidence in my successor, A. E. Steinmetz, and ask for him the same support and confidence that I have enjoyed from the public."

Hal J. Rowlett was a business visitor in Del Rio Saturday.

OUR AIRPORT

It was the Editor's treat and privilege to be the guest recently of Sgt. and Mrs. Richardson at the U. S. Government Airdrome at Dryden. Sgt. and Mrs. Richardson are certainly fine folks and we enjoyed our little visit with them very much.

They showed us around the airport and one certainly cannot realize what we have in the way of an airport and of the many improvements that have been made there until they make a trip to Dryden.

The quarters recently erected for the enlisted men are the latest in every detail and not only well built, but are modern in every respect. Steam heated, hot and cold running water, in fact nothing was left undone to make them the latest in apartments.

Numerous improvements are also being done at the airport, such as putting in sidewalks, a new roof on the hangar and soon a concrete floor will be put in the hangar. Shade trees and native shrubbery are being set out.

At the present time the Port makes its own electricity and soon new and modern machinery will be installed whereby they will have a better lighting system. It is too bad that the Central Power and Light Company at Dryden cannot furnish power during the day and thus let the Airport connect on to them.

If you have not been down to the Airport it is well worth the drive. Take time off and drive down soon and see what we have in the way of an Airport and get acquainted with the Sergeant and his family for they will certainly give you a royal welcome.

The removing of the tall concrete post in the center of the street at the corner of Oak and First Street is certainly a good thing.

Since the doing away of the lighting of these posts they are a menace to traffic as they are hard to see.

Just recently an out-of-town car hit the post and not only badly damaged the car but the occupants were somewhat shaken up. It really could have been a more serious accident.

Those responsible for the removal of the post are certainly to be congratulated and it is one step forward to a modern little city.

Texas Industrial Activities

Growth of the dairying industry in Texas is indicated by the butter production figures—2,711,500 pounds for October, increase of 5.5 per cent over the same month in 1932.

Fire in the rolled oats plant of the Kimbell-Diamond Milling Co., Sherman, caused a loss of \$50,000 and the ruin of the plant, which had been in operation—the first of its kind in the Southwest—for only about three months. Plans have not been announced for rebuilding.

Servis Equipment Co., Dallas, manufacturer of road building machinery, has recently made a \$10,000 shipment of such equipment to the State Highway Department of Oklahoma. Another recent shipment was one of its Servis road graders to the Georgia Highway Department, and a recent order yet to be filled was from the Alabama Highway Department for one of its road maintenance machines.

The Corsicana cotton mills, which recently resumed operations after a long shut-down, is now working a double shift of workers on a 40-hour work basis for each shift giving employment to 300 workers.

Texas' gross farm income for the eleven months of 1933 to Nov. 30, is estimated at \$355,427,770, according to Victor H. Shoffelmyer, agricultural editor of the Dallas News—a gain of 44 per cent over 1932. Petroleum refining brought to Texas in 1930 (and probably 1933 is as high or higher) a total of nearly \$520,000,000.

WHY GET UP NIGHTS?

USE BUCHU AND GIN Make This 25c Test.

It is as valuable to the bladder as castor oil is to the bowels. Drives out impurities and excess acids which cause the irritation resulting in getting up nights, burning, frequent desire, leg pains and backache. On account of the alcohol use juniper oil from which gin is made. Ask for Bukets, the bladder laxative also containing buchu leaves, etc. After four days, if not pleased your druggist will return your 25c. You are bound to sleep better after this cleansing. Piano Bargain

We are informed by a customer in this community that they are unable to complete payments on a grand piano they purchased from us some months ago and they ask us to take back the piano. Rather than incur the expense of returning this beautiful instrument, we prefer to transfer this account to some one who will complete the payments. As approximately 50% of the payments have been made, this represents a rare opportunity to some one who is willing to put about \$4.00 a month in an instrument of this character. The piano is an apartment model, small size, brown mahogany, and is like new and will give new piano guarantee to party who takes over the account. We also have a beautiful studio model piano at a bargain price of \$81.00 in a small upright, also a slightly used large size Steinway grand at a handsome reduction. Wire, write or phone, H. J. ON TEXAS FARMS

By W. H. DARROW

Extension Service Editor

For dressing well a whole year on \$17.35, Mrs. O. L. Howard, wardrobe demonstrator for Oak Home Demonstration Club in Ellis county, gives credit to careful planning and the use of a foundation pattern.

The cost of insuring a steady milk flow from his dairy cows was \$1.02 per ton for 80 tons of seeded ribbon cane buried in a trench silo, Dr. J. G. Daniels, dairy demonstrator at Gilmer, has reported to the county agent. "My two trench silos are worth more than any other improvements on my farm," he says.

To improve the quality of sheep, goats and poultry, and to wage active warfare against predatory animals and thieves which prey upon this class of stock, 47 Brown county farmers and ranchers have organized a sheep, goat and poultry improvement association. A government trapper has been hired and rewards will be offered for arrest and conviction of thieves, the county agent reports.

Sheep have paid for a nine-room two-story brick house on the farm of O. A. Peterson in Denton county, without interfering, he says, with his other farm activities. Sheep have kept down the weeds on the 528-acre farm, and greatly improved the pastures.

After raising a garden and canning 247 quarts of vegetables, besides helping three neighbors with their canning, Pearl Lee, Haskell county 4-H club girl, finds that she has produced \$69 worth of food. "But it would have cost lots more than that if we had bought it," she adds.

Geo. Baker is moving his livestock from Pumpville to the Walter Stansell ranch in the south part of the county.

We count ourselves fortunate indeed to be favored with a visit from Dr. Coleman. He delivered three great messages to the edification of all who heard him.
 Thus for the union meetings in observance of the World week of Prayer have been well attended. The gospel of Jesus the Christ should command more serious consideration on the part of more people, as it is the hope of the World's need. And the only hope of life beyond the grave, and all are traveling that way.

TUESDAY CLUB MEETS WITH MRS. JOHN HARRISON

Mrs. John Harrison was hostess to the members of the Tuesday Bridge Club at her lovely ranch home near Dryden this week.

After scores were added Mrs. Bustin Canon was found to have made high and Mrs. C. M. Breeding second. Lovely hand made luncheon sets were the prizes given. Refreshments consisting of butter-fly salad, potato chips, bread and butter sandwiches, fruit cake, coffee and date pudding were served.

Guests who motored out included Mesdames W. A. Banner, C. M. Breeding, F. L. Burnside, Bustin Canon, Robert Duncan, P. J. Holman, O. J. James, Mary Lou Kellar, Lee McCue, Jim Nance, D. A. Pollard, Jess Haley and Felix Harrison.—Reported.

BIRTHDAY PARTY

Mrs. W. J. Banner, assisted by her daughter, Mrs. Jerry Bell, entertained with a surprise birthday party for her son Gene.

Gene came in from the basketball game and was very surprised to find his friends waiting for him. After opening the birthday gifts the young people enjoyed playing various games until a late hour.

Refreshments consisting of white birthday cake and pineapple marshmallow pudding were served to the following guests: Misses Floreine Dawson, Mary Jane Carson, Ellen Appel, Mildred Underwood, Beatrice and Bernice Nichols, and Messrs Harry Newton, Jack and Roy Deaton, Eugene Litton, Dick Sullivan, Savalee Sharp and the honor guest, Gene.—Contributed.

PRESBYTERIAN AUXILIARY MET WITH MRS. PIERSON

Mrs. Earl Pierson welcomed the Auxiliary to her home for the first meeting of the New Year. A most interesting and informing program on our Assembly's Home Missions was planned and conducted by Mrs. D. A. Pollard who is secretary of that cause in the Auxiliary.

Nearly every member took part, telling of the work the Presbyterian church does for the mountaineer, Indians, negroes, Mexicans and foreign speaking people. Some talks

were illustrated with posters.
 Mrs. Pierson served a delicious dessert plate to the following members: Mesdames W. R. Holland, N. E. Charlton, John Nichols, Joe Nichols, Tip Frazier, J. W. McKee, J. V. McCall, W. H. Savage, Jesse Lochausen, D. A. Pollard and Rev. J. V. McCall.
 Mrs. J. W. McKee conducted the business session when plans for future work were made, and reports of the past were given.—Reported.

MRS. JESS HALEY IS BRIDGE HOSTESS

Mrs. Jess Haley entertained a few of her friends with a bridge party last Friday afternoon at her ranch home. A color scheme of pink and green was carried out in the tallies mints and mints baskets.

After several games were played and scores were added, Mrs. F. B. Carter held high score and Mrs. D. A. Pollard, second, both prizes being luncheon sets.

A lovely plate lunch consisting of Chicken salad, bread and butter sandwiches, potato chips, spice and nut cake and hot chocolate was served to the following guests:

Mesdames Robert Gatlin, R. O. Kessler, A. F. Buchanan, M. M. Holmes, Tom Seale, Lee McCue, Ray Morris, D. A. Pollard, Jim Nance, Elmo Taylor, F. B. Carter, John Harrison and Roy Haley.—Contributed.

SILVER WEDDING ANNIVERSARY OBSERVED

Last Thursday evening, January 4, at their home here, Mr. and Mrs. D. A. Pollard entertained several of their friends, the occasion being their twenty-fifth wedding anniversary.

Bridge was enjoyed during the evening. Upon the addition of scores, Mrs. Jim Nance was awarded a silver spoon for the lady's high score prize. A silver tie clasp went to Will Savage for the men's high score prize.

A salad course consisting of chicken salad, crackers, fruit cake, coffee and assorted candy was served to Mr. and Mrs. S. S. Daggett, Mr. and Mrs. Jim Nance, Mr. and Mrs. P. J. Holman, Mr. and Mrs. Lee McCue, Mr. and Mrs. Will Savage, Mr. and Mrs. T. D. Moore, Mr. and Mrs. F. L. Burnside, Mr. and Mrs. C. P. Peavey, Mr. and Mrs. E. L. Pearce, Mr. and Mrs. C. M. Breeding and Mrs. J. W. McKee.

Mr. and Mrs. D. A. Pollard were presented with a silver turkey platter as an anniversary gift from the guests present. Mr. Pollard also presented Mrs. Pollard with a silver tomato server.—Reported.

NIGHT BRIDGE CLUB MEETS WITH MRS. BOGUSCH

Last Saturday night at her home, Mrs. Max Bogusch was hostess to the members of the Saturday Night Bridge club. Mrs. S. S. Daggett made high score for the ladies and Dr. James C. Sharp made high score for the men.

Refreshments of pie, coffee and cookies were served to Mr. and Mrs. Clyde Griffith, Mr. and Mrs. Will Savage, Mr. and Mrs. C. P. Peavey, Mr. and Mrs. C. M. Breeding, Mr. and Mrs. Jim Nance, Mr. and Mrs. S. S. Daggett, Dr. and Mrs. James C. Sharp and Mr. and Mrs. A. E. Creigh, Jr.—Reported.

Mr. and Mrs. Robert Duncan were Del Rio business visitors last Friday.

DRYDEN LOCALS

Mrs. P. A. Wyatt Correspondent

Mr. and Mrs. Houston Ham, from Matador, are here now. Mr. Ham is employed on the road east of town.

Mr. J. M. Bassett returned Sunday from San Antonio where he has been the past two weeks on business.

Mr. and Mrs. Don Adair, who have been living here for several weeks, have moved to Langtry.
 The Ladies of the Dryden Missionary Society met Monday afternoon in the home of Mrs. J. M. Bassett. A program on "The New Year" was given.

Delicious refreshments were served by the hostess, Mrs. Bassett, to the following members and visitors: Mesdames A. M. Buck, A. F. Buchanan, W. A. Latimer, Chester Smith, E. A. Buck, F. B. Carter, M. Holmes, T. M. Taylor, Millard Holmes, W. T. Carpenter, Billy Smith, H. L. Richardson, P. A. Wyatt, Misses Frances and Geneva Taylor, and Rev. T. M. Taylor.

The ladies of the Missionary Society are to have a cooked food sale here the 20th of this month. The proceeds from this sale will be given to help make a payment on the Methodist parsonage in Sanderson. Any food donated for this sale will be gladly accepted.

Dr. Coleman, the presiding Elder for this district, brought a wonderful message to a large crowd Sunday afternoon. Interest in the Sunday School and Church here seems to be growing. We were glad to have several visitors from Sanderson for church services Sunday.

THE LADY OR THE HORSE?

Is it possible for a man to love his horse more than he does his sweetheart? Does Kipling's statement, "A woman is only a woman, but a good cigar is a smoke" hold equally true for other proud possessions of man?

These are questions evoked by the story of "Horse Play," Edward Sedwick's hilarious production for Universal coming to the Princess Theatre, Friday and Saturday, Jan. 12-13, and co-starring Slim Summerville and Andy Devine in a comedy whose action is carried from the plains of Montana to the dreariness of an English castle and the nearby Sherwood Forest outside London.

Slim owns a horse, Cynthia Ann, by name. He loves her. Also, he loves Angelica, who lives on a neighboring ranch. But Slim is a bashful wooer and can think of no more logical way to express his heart's flame than to present Angelica with a gift equivalent to the blood of his heart—Cynthia Ann, herself.

"Not that I love Cynthia Ann, less," Slim might have mused, "but, that I love Angelica a great deal more."
 The hilarious situations that follow upon the heels of Slim's attempt to get Cynthia Ann overseas to Angelica and his timely frustration of a diabolical scheme to steal the girl, will delight even the most blasé comedy fan.

The production's cast includes Leila Hymans, Mary Beatty, Una O'Connor and Lucille Lund.

Mr. and Mrs. F. B. Carter and Mrs. W. T. Carpenter of Dryden were visitors in the city Wednesday.

CITATION BY PUBLICATION

THE STATE OF TEXAS.

To the Sheriff or any Constable of Terrell County, Greetings:

YOU ARE HEREBY COMMANDED to summon A. T. Folsom, Arthur Earls, B. Green, Southwest Texas Oil & Gas Company, an unincorporated Trust Association and or Estate, and all persons claiming any title or interest in the land hereinafter described, under deed heretofore given to Southwest Texas Oil & Gas Company, a Trust Estate, of the County of Terrell, State of Texas, by A. T. Folsom, of Terrell County, Texas, which said deed is dated April 5th, 1916, of record in Book 7, page 411, of the Deed Records of Terrell County, Texas, and the unknown heirs of such persons, and the Trustees of the Southwest Texas Oil & Gas Company, by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Terrell County, to be holden at the Court House thereof, in Sanderson, Texas, on the Fourth Monday in January, A. D. 1934, the same being the 22nd day of January, A. D. 1934, then and there to answer a petition filed in said Court on the 20th day of December, A. D. 1933, in a suit, numbered on the docket of said Court as No. 1895, wherein Cora B. Bassett, wife of Julian M. Bassett, joined pro forma by her husband, Julian M. Bassett, is Plaintiff, and A. T. Folsom, Southwest Texas Oil & Gas Company, an unincorporated Trust Association and or Estate, and all persons claiming any title or interest in the land hereinafter described, under deed heretofore given to Southwest Texas Oil & Gas Company, a Trust Estate, of the County of Terrell, State of Texas, as Grantee, by A. T. Folsom, of the County of Terrell and State of Texas, which said deed is dated April 5th, 1916, of record in Book 7, page 411, of the Deed Records of Terrell County, Texas, and the Unknown heirs of such persons; the Trustees of the Southwest Texas Oil & Gas Company, and Arthur Earls, J. J. Nance and B. Green, are Defendants, and said petition alleging that on or about the 1st day of December A. D. 1933, Plaintiff was lawfully seized and possessed of the following described land and premises, situated in Terrell County, Texas, holding and claiming the same in fee simple, to-wit:

Survey, 153, Block, D-7, Certificate, 1841, Original Grantee, E. L. & R. R. Ry. Co., Acres 640, Survey 161, Block, D-7, Certificate 1845, Original Grantee, E. L. & R. R. Ry. Co., Acres, 640.

That on the day and year last aforesaid, Defendants unlawfully entered upon said premises and ejected Plaintiff therefrom, and unlawfully withheld from her the possession thereof.

That in addition to holding the fee simple title to the lands above described by regular chain of conveyances from the sovereignty of the soil, Plaintiff says that she and those under whom she claims, have had and held peaceable, continuous and adverse possession under color of title from and under the State of Texas of the lands and tenements above described for a period of Three Years prior to and next preceding December 1st, 1933, and before the commencement of this suit.

That Plaintiff and those under whom she claims, claiming the same under deeds duly registered, have had peaceable, continuous and adverse possession of the lands and tenements above described, cultivating, using and enjoying the same, and paying all taxes thereon for a period of more than Five years prior to and next preceding the 1st day of December, 1933, and before the commencement of this suit.

That Plaintiff and those under whom she claims, now have and has had peaceable, continuous and adverse possession of the lands hereinafter described, cultivating, using and enjoying the same for a period of Ten Years prior to and next preceding December 1st, 1933, and before the commencement of this suit, taken and held under a written memorandum of Title specifying the Survey, Block, Certificate and Grantee, respectively.

That in addition to holding the fee simple title to the lands above described, as aforesaid, plaintiff claims and asserts Title to said land under the Three, Five, Ten and Twenty Five Year statute of limitation, all of which they plead in bar of the asserted title and claims of Defend-

AIRDROME NEWS

(By Diogenes)

It is with great regret that news is received to the effect that our favorite Correspondent, Mr. Jack C. Bell, is with us no more. His going is a great loss to the airdrome, and it is felt that his friends in this column will miss him as much. Personality, likability, writability, and all the requisites of a man and gentleman were recognized in his makeup. Your friends miss you, Jack. (This sounds like an obituary and to those who knew him well, his absence emphasizes the feeling. Something is lacking.)

Monday, Mr. Miller went to Brooksfield, Texas, where he will try to enjoy a short leave of absence. It is hoped he doesn't take too long.

Lt. Foster visited the field, bringing as a passenger Sgt. McCoy. This being the first time Sgt. McCoy has ridden a plane, and as it was a lovely rough day, the men on the field expected to enjoy his discomfiture as a result of choppy flying conditions, but the joke was on them. The Sgt. flies like an oldtimer.

Due to pressing business in San Antonio, Lt. Foster could not spend much time at the field, but his men always welcome even a short stop-over with them, and look forward to his over night halts with them. He is expected again on the twelfth.

The social event of the season was the birthday party given by the parents of Homer Richardson, Jr., on the occasion of his 15th birthday. Upon being questioned as to whether he felt any older after this important date, he decisively 'yessed' his interrogator, and that's that. Homer expects at least 70 or more future birthdays, and if he is like some of the fairer sex, it should be said more 15th birthdays.

Mr. Paul E. Ritter, of Pennsylvania, is a visitor on the field. All his friends will remember the far distant past when Paul served as station manager of the radio station. Welcome, Paul and Mrs. Ritter. May your visit be pleasant, and don't let the radio bug bite you. Stay with folks for a long while.

Mrs. Biggs returned from El Paso bringing with her a new radio operator. He is five weeks old the 11th, and about nine pounds of real static. Good luck on your long trip, old man.

The hangar is almost completed. Just a very small portion of the sidewalls are left to be covered and the paint smeared on. Some job, and some job.

New sidewalk connecting the quarters and operations building is finished. This is such a great improvement, it is feared the weather men will walk at least two miles extra each day, just to be able to walk on this nice sidewalk. But it is nice, at that. Sgt. Richardson is exerting every endeavor to make this a model airport. At the rate he is going it wont be long now.

The wedding road is coming. Sgt. Richardson's horse is completing the bride path all over the field, and it is a picnic to see Keith on his trusty charger. He charges everything but the oats.

The weekly skirmish was held at the home of Mrs. LaMontagne. The list of guests was not available at the time of going to press, but due to the fact that no new dishes were delivered to the Corporal's quarters later, it is likely there were no casualties. This bridge club meeting is a weekly function, and might be the players will soon be qualified to meet the nine young ladies in El Paso who were fired from the CWA for practicing during work hours. At the school house, ring side seats should be at a premium should this event be staged.

Planes registered at the field for the week were 4 BT, 2 B'S, the fast P26, C7, a transport, and a couple of O19. The transport had a load of officers and did that ship get attention. Ask us!

Some ships have gone through without registering and others have passed over without landing, but the personnel at the port look forward to an increase in traffic, as they will soon be ready to try out their new equipment.

The Sgt. extends an invitation to all readers of this column, and everybody else, to visit the field and get acquainted with the functions (well, the men, too, if one feels like it), and see what a really good thing is maintained here for the community as well as transient pilots.
