Column Right

Or We Hope It Is

Poor Sam Insull. Hounded from one country to another, and for a while he was literally "A Man Without a Country." Our government has spent thousands to keep him put until his money played out, knowing the nation giving him refuge would have no further motive in harboring a man broken in health and wealth. Should they bring him home not one of the persons he is accused of robbing would profit a penny's worth.

Wm. S. Underwood, arch enemy of demon rum is now tramping the streets of New York, broke. Well, it looks like the drys have had their day.

Dr. Brinkley is a striking example of the fact that money isn't everything. He couldn't operate his radio in the U. S., now Mexico denies him the privilege. He couldn't be elected governor of Kansas, nor could he carry his candidate in the recent Del Rio city election. The chances are he will now move to greener pastures, taking his herd of goats with him.

NEW PRINTER

The Times announces the arrival of Pat Moran of Pecos, who is now on the job at this office. In the business for 34 years in that city, we feel confident that in future we can better serve the people of this section and issue a paper that will reflect credit on this section.

Henry Scroggs was in town Tuesday from the West-Pyle Cattle Co. ranch near Longfellow.

Mr. and Mrs. C. P. Peavy and daughters motored to Marfa Sunday where Mrs. Peavy is spending this week with her parents Mr. and Mrs. Ben Pruett.

Mr. and Mrs. Tol Murrah and son were in town Wednesday from their ranch.

Manton Thomas was in town Wednesday from his home in Dryden.

Pete Crawford, state game warden, with Alpine as headquarters, was a business visitor in the city Tuesday and Wednesday.

Mr. and Mrs. J. L. Osgood and daughter, Lois Bea, and Mrs. Osgood's sister, Miss Grace Marie Billings, spent last Saturday and Sunday in Langtry with their parents, Mr. and Mrs. Ike Billings.

Mr. and Mrs. Joe Kerr and A. E. Creigh, Jr., left Wednesday morning for Houston, where Messrs. Kerr and Creigh went in the interest of the Sanderson National Farm Loan Association, of which Mr. Creigh is secretary-treasurer and Mr. Kerr is a director. They expect to return home Friday or Saturday.

UNDERWENT OPERATION

Word was received from Del Rio Tuesday telling of the serious illness of Felix Harrison, who underwent an emergency operation for appendicitis in that city the same afternoon. Sheriff Lee Cook and Jim Nance motored to the Harrison ranch, formerly the "Shorty" Gartin ranch, and notified Mrs. Harrison, who left immediately for Del Rio. Mr. Harrison's many friends here wish him a speedy recovery.

PIONEER RESIDENTS MOVE TO ARKANSAS

Mr. and Mrs. R. L. Doak, who for more than 40 years had made Sanderson and Terrell county their home left Tuesday morning by automobile, for Rogers, Arkansas, where they plan to make their future home. They will be joined later by their son and wife, Mr. and Mrs. Rob Doak.

It is with regret that Sanderson loses this estimable family and their many friends throughout the county wish them well in their new home.

Recover Saddles; Two Are Jailed

Sanderson Will Be Host To District PTA

Prompt Action of Officers Who Halt Men At State Line

Prominent Speakers Have Been Secured for Three Day Sessions

The sixth annual conference of the 15th District of Texas Congress of Parents and Teachers will hold its annual meeting here on Tuesday, Wednesday and Thursday, April 17, 18 and 19. Headquarters for the convention will be at the high school. At least one hundred delegates and officers are expected to be in attendance and this meeting promises to be one of the best district meetings to be held. The local Parent-Teachers association will be host to the convention.

The theme for the convention this year is "The Child and His Community." This conference program is an outstanding one and includes an educational conference with the leading educators taking part. Classes on training for leadership in Parent-Education, and parliamentary procedure will be features of the convention. From beginning to end the program will be educational and promises much in the way of instruction, timely information, good fellowship and pleasant entertainment.

Mrs. E. H. Marek, first vice-president of the Texas Congress of Parents and Teachers, and who is a State representative, will be here and bring many helpful suggestions and conduct an open forum and question box. Mrs. J. T. Martin, State chairman of Spanish speaking association will also attend the convention.

Another outstanding visitor to be here is Mrs. Lois Huffaker, El Paso, State chairman of parent education, who will conduct classes in Parent Education, and character education. Mrs. Huffaker is one of the outstanding members on the program, and was the only woman from Texas, outside of P. T. A. officers, who was invited by Mr. Hoover to attend the Child Welfare Congress which was held in Washington, D. C., during his administration.

At this time a prominent national woman will be in attendance at the convention in the person of Mrs. C. E. Roe, National Field Secretary, from Washington, D. C. Mrs. Roe appears on the program Thursday afternoon, and will also be on the program at the banquet to be given Tuesday night.

Other prominent speakers and members to appear on the program are Dr. Smith, El Paso, Mrs. J. S. (Continued on page 3)

Mr. and Mrs. C. F. Cox, Jr., and baby were in town Monday from the Cox ranch west of Longfellow.

Spring Football Training Begins

One of the most cherished ambitions of the average boy of today is to be a football star. So the call of Coach Duane Smith for spring football practice was well received by the squad of the Sanderson high school, and since the beginning of this week they have been hard at work, in an effort to be in the best possible shape for the opening of the football season.

Sanderson, with the major portion of the team playing their first year, had a good season in 1933. This year they should make an even better record, as the entire squad, with the possible exception of Benoit Carpenter, who graduates, will answer ready when the whistle blows for the opening kickoff.

The lineup at present is as follows: Harry Newton, Elton Halley, Reuben Mussey, Eugene Latton, Jack and Roy Deaton, Preston Uterback, Charley Laughlin, Dick Sullivan, Carson Durbon, Billy Smith, Jack Hardgraves, Albert Appel and Essary Haynes.

COUNTY RELIEF FORCE ATTEND ALPINE MEET

Relief in Future Will Be Direct to Indigent Families. New Set-up Is Outlined in Detail

Several from Sanderson motored to Alpine Wednesday to attend the school of instruction in connection with the new set-up for the relief of the unemployed.

As the Times understands it, the new program to be initiated soon, will not have any semblance to its predecessor, the CWA. All relief it was stated, will be direct to indigent families. No program of work is contemplated, it was stated.

Provisions in the new set-up will also care for the rehabilitation of projects in the rural sections of the state, and will also aid in the retention of homesteads.

It is also understood that the new program, which will be carried out under the supervision of the Texas Relief administration could not possibly get under way before the first of May.

Presiding at the Alpine meeting were D. O. Harper and Wm. Montgomery, auditors from the State relief office in Austin, who explained in detail the working of the new set-up to a large group of West Texans who are in charge of relief work in the different counties.

Sanderson people who attended this meeting were L. A. Lowe, relief administrator for Terrell county; Clyde Griffith, a member of the executive board; Mrs. Theresa Dawson, in charge of relief among the Spanish speaking folk, and Miss Willie Mae Green, employe in the local relief office.

Union Services Well Attended

The union services which were held last Sunday night at the Presbyterian church were well attended. These services which are held monthly, are known as "School Nights."

The members of the Girls' Glee club furnished the songs for the evening program, and Dr. R. F. Gribble of Austin, delivered the sermon.

Dr. Gribble chose as his subject "Knowledge," and brought to his listeners a very worthwhile and a good message.

The next union service will be held on the first Sunday in May at the Church of Christ, and Bro. Moody, of Ozona, will preach the sermon.

Mr. and Mrs. Ray Caldwell, who for the past several months have been at the Kerr Hotel, on Monday of this week moved into an apartment at the St. Francis Hotel.

TO STAGE RODEO AND BARBECUE AT DRYDEN AIR PORT APRIL 4 & 5

Announcement was made this week by Sgt. Richardson, in charge of the U. S. airdrome at Dryden, that on Friday and Saturday, May 4th and 5th, a two-day rodeo will be held at the airport grounds.

Sanderson Students Enter Dist. Meet

Contestants from the counties of Pecos, Reeves, Ward, Jeff Davis, Brewster, Crockett and Terrell are gathering in Ft. Stockton this week end for the annual district Inter-scholastic League meet.

Tennis tournaments occupied most of the day Thursday. Coach Duane Smith, accompanied by Lloyd Ray Gant and Jesse Lochausen left here early that day to enter the events. Jesse Lochausen will enter singles, and the two boys will enter in the doubles.

In the declamation contests the following pupils will represent this school: Senior boy, Richard Haley; Junior boy, Wesley Lochausen; Senior girl, Betty Bassett; Junior high school, Mildred Hurst; Junior girl, Elizabeth Brown.

On the debating team will be A. C. Claffeter and Melvin Pollard for the boys, and Floreine Thompson and Mary Jane Carson for the girls. The question to be debated is "Resolved, that the United States should adopt the essential features of the British system of Radio control and operation." This team made a tour last week end, going to Rankin, Eldorado and Big Lake, where they debated this subject.

The above are the only events that Sanderson will be represented in, according to the announcement from the office of the superintendent, B. J. Brannan.

School was dismissed here today, Friday, and several of the students motored to Fort Stockton to witness the various school contests.

Winners in the Ft. Stockton meet will then enter the regional contests to be held later in Alpine.

W. J. Banner Seeks Election to Office of Commissioner Prec. 1

W. J. Banner, pioneer resident of Sanderson and Terrell county, this week places his announcement before the voters of Precinct No. 1, as a candidate for the office county commissioner.

Mr. Banner has long been identified with political life of this county, having served in various offices. He was the first tax assessor to be elected in the county when it was organized 29 years ago, holding that office for five terms. He also was commissioner of Precinct 4 for two terms and in 1925 was elected sheriff and tax collector. The experiences gained in holding these offices make Mr. Banner feel that he is well qualified to hold the office he now seeks.

He asks careful consideration of his candidacy and will appreciate any support that is given him.

Mr. and Mrs. A. E. Creigh, Jr., and son were Del Rio business visitors last Saturday.

PIONEER LADY DIES SUDDENLY AT HER RANCH

Funeral Services and Burial Will Be Held in San Angelo Today; Was Long-time Resident

Word was received here Thursday morning of the sudden death of Mrs. A. M. Hicks at her ranch on Independence creek, in the north-eastern part of this county. Apparently in normal health she was suddenly taken ill, and passed away before the physician who had been summoned from this city arrived at the ranch. With her at the time was a daughter, Mrs. Notley Scott, who notified another daughter, Mrs. Bustin Canon, of Sanderson, of her mother's condition. Mrs. Canon, accompanied by Dr. Sharp left immediately for the ranch, but were too late to be of aid.

Shortly before the fatal attack, a son, Lindsey Hicks, and his wife, who stay at the ranch, left the house to ride over the range.

Mrs. Hicks was one of the best loved women in this section, a consistent Christian, who scattered the sunshine of a lovable disposition wherever she went. A loving mother of a fine family that is respected by all who know them.

Mrs. Hicks was preceded in death by her husband, whose death occurred with the same suddenness at San Angelo on June 1, 1920. Together this couple worked and planned, and built a profitable business as ranchers.

Robert Massey, of a San Angelo mortuary, prepared the body for burial, which will be in that city by the side of her husband.

Survivors who will mourn the passing of this good woman is one son, Lindsey Hicks, who resided at the ranch; five daughters; Mrs. Bustin Canon, Mrs. Robert Duncan and Mrs. Notley Scott, of Sanderson; Mrs. Huren Mills of Austin, and Mrs. Elma Draper of Memphis, Tex. Seven grandchildren: Hicks and Marjorie Canon, Sanderson; Martha and Jean Draper, Memphis; Mary Lou and Madison Mills, Austin and Lindsey Hicks, Jr., Sanderson.

The Times joins the many friends of the bereaved relatives in extending sincerest sympathy.

LOCAL POWER COMPANY HAD NOVEL WINDOW DISPLAY

One of the most novel as well as unique window displays was at the Texas-Louisiana Power company's office last Saturday morning when in one of their windows they had about three dozen baby chicks on display. Forming a background was the usual Easter decorations. The window attracted considerable attention.

SELECTED AS DUCHESS

Miss Dorothy Sullivan, a senior in the Sanderson high school, has been chosen as Duchess, and will represent this city at the Historical Pageant of the Big Bend, to be staged in Alpine April 28, under the auspices of the Sul Ross State Teachers college, and at which time fitting tribute will be paid to Pioneers of West Texas. According to President Morelock, of the college, high schools from practically every West Texas town will have a representative at this celebration.

HOME TALENT PLAY

Next Thursday night, April 12th, a home talent play entitled "Scenes in a Union Depot," will be presented at the high school auditorium for the benefit of the debating team of Sanderson high school.

The play will be strictly comedy, and all sorts of characters will be portrayed in it.

Admission prices to the play will be 25c for adults and 15c for the children.

Last Wednesday morning just as Mr. and Mrs. Willie Banner, who ranch 7 miles west of here on the Ft. Stockton Highway, were getting ready to ride out into their pasture, they were accosted by two young men who claimed that they were in search of ranch work. After being informed that there was no work available for them, the men then asked for food and tobacco which was given them. They departed apparently satisfied. But later developments pointed to the fact that they doubled back and "bit the hand that fed them", so to speak, by ransacking a barn and taking with them a saddle belonging to Mrs. Banner, and one belonging to Eugene Banner, as well as two saddle blankets, a pair of chaps of Mr. Banner, and a bride belonging to Jim Nance of this city.

Upon their return to the ranch that night, Mr. and Mrs. Banner noticed that the saddles were missing but thought at the time that a neighbor had borrowed them. However, on Friday when he went to get his chaps, as well as the bride and blankets, Saturday he found out that the saddles had not been borrowed and then notified Sheriff Lee Cook of the theft and telling him of the men who came by and who were traveling in an old Model T Ford.

Mr. Cook immediately began to wire and telephone officers in the surrounding counties, and on Monday were notified that the men were caught near Red Bluff, within four miles of the New Mexico line, with the stolen goods and riding two horses.

The men were brought back into Ft. Stockton and at their examining trial in that city told of the theft here and about stealing the horses from a ranch 14 miles west of Ft. Stockton and about breaking into the ranch house and getting some groceries. They stated that their companions sold the car in Pecos and took a train from there for Arizona.

The men gave their names as J. R. Pournier, 22, and J. D. Kerbin, 21, and claimed to have come from Goose Creek and Baytown, Texas.

The men are lodged in the Pecos county jail there to await indictment and trial at the May term of District Court. Soon as Pecos county are through with the men they will be brought here for the July term of District court for indictment and trial for the theft from the Banner ranch.

Deputy Sheriffs Buck Hutcheson and Walter Statt of Pecos County made the arrests.

All ranchmen should keep a close watch out on all their saddles and other riding equipment, for it seems that at this time there is a well organized ring who traffic in stolen saddles and such which they dispose of at fancy prices to easterners who patronize so called dude ranches in Arizona and New Mexico.

CONTRACT LET, WORK STARTS

L. E. Witham, Wichita Falls contractor, was the successful bidder for the construction of the Lozier and Palma canyons bridges, and work on these projects were under way the first of the week. The total bid for both bridges was \$117,006. These bridges are on State highway No. 3, east of Sanderson.

A. N. Erskine, from the office of the state health department, Austin, was a business visitor in the city this week.

Mr. and Mrs. J. C. Mitchell motored to Del Rio last Friday to spend Easter with Mr. and Mrs. Charlie Schuwers. Their daughter, Miss Annah, a student at Incarnate Word college in San Antonio, met them there. Mrs. Mitchell and Mrs. Schuwer are sisters.

Mr. and Mrs. G. A. Deere were in town Thursday from Pumpville.

WHO'LL PAY FOR NEW DEAL?

Noting that the national debt of the United States will reach an unprecedented total of 31 billions in 1935, which means some \$1,500 per family, Fred H. Clausen, Wisconsin manufacturer, sounds a note of warning in the current Rotarian Magazine.

"Add other long term obligations, of states, counties and cities, real estate mortgages on farms and city properties, debts of railroads, utilities, industries and like obligations, and the total is 150 billions—or about one-half of the total estimated national wealth.

Mr. Clausen paints roughly America's financial picture as follows: National wealth 200 billions; indebtedness, 160 billions; income this year, 50 billions; public expenditures this year, 18 billions.

"What does this spell for the future?" he asks. "From the very size of the debt its payment will be projected into future decades. Because of today's necessities we are inclined to let coming years take care of themselves. And that's a dangerous attitude.

"The New Deal program is on its way. In our journey we must pay the costs of transportation," he concludes, "but may we maintain a proper sense of proportion."

Good advertising is not an expense; it is an investment.

The pendulum will swing back quicker for the fellow who advertises than it will for the one who holds off until business gets booming again.

The future happiness and prosperity of most of us depend largely upon how we enjoy our spare time.

Good merchandising has really become one of the fine arts. There is not only the element of store decorations and the attractive display of goods, but the mastering of a stock in proper proportion to the wants and needs of the trade.

Many a man who is satisfied with himself is awfully disappointing to other people.

I now have a good line of guaranteed shoes that I can order to your measure; also boots.

Bring me that old pair today for repair.

TEN YEARS AGO THIS WEEK

Three names which appeared in the announcement columns of the Times ten years ago appear in its columns today. They are: G. J. Henshaw, for county judge and Frank Harrell, for county treasurer, both running for the same office as in 1924; and W. J. Banner announces this year as a candidate for Commissioner, Precinct 1. In 1924 Mr. Banner's name was presented as a candidate for sheriff.

Judge Joseph Jones of Del Rio makes his announcement this week for re-election as district judge of the 63rd district. He is opposed by J. Q. Henry, also of Del Rio.

Barbara LaMarr, noted movie actress stopped in Sanderson this week enroute east, and many of our people obtained photos of this petite star.

W. C. McCormick, general passenger agent of the Southern Pacific, with headquarters in Houston, was a visitor in Sanderson Wednesday of this week.

Mrs. Duke entertained her Sunday school class with a sunrise breakfast at 3-Mile well this week. The kiddies enjoyed the ride, did ample justice to the nice breakfast, and had a royal time.

EVENTS OF SOCIETY

YOAS-COX

Announcement was made this week of the marriage in Del Rio on Monday, March 26 of Miss Mary Cox and Mrs. J. P. Yoas, both well known young folks of this section.
 Miss Cox, who is the daughter of Mr. and Mrs. C. F. Cox, Sr., pioneer ranch people of this section, is engaged with her parents in the ranch business owning a fairly large ranch. She is well and favorably known to every one and is a successful business woman.
 Mr. Yoas is from the Del Rio section, where his father is a pioneer rancher and a long-time resident of Val Verde county.
 They are now at home to their many friends at the Cox ranch near Longfellow.
 The Times joins with the many friends of this couple in extending best wishes and happiness to them as they travel the pathway of life together.

Mrs. Julia McKee Dies in El Paso

Funeral services were held last Friday afternoon from the Peak-Hagedorn funeral home in El Paso for Mrs. Julia C. McKee, who passed away at her home in that city on Wednesday, following an illness of several months. Rev. Long, Presbyterian minister of that city, conducted the services, with the Order of Eastern Star having charge of the services at the grave.

Mrs. McKee was a native Texan, having been born at LeGrange, Texas, on April 30, 1855. She had made her home in West Texas for many years and was a resident of this city for several years, moving from here about three years ago to reside in El Paso. She was a true Christian woman and a good mother. She had been a member of the Presbyterian church since she was 15 years of age, and a member of the Eastern Star for many years.

Mrs. McKee was the mother of six children, four sons and two daughters. They are: J. W. McKee of this city, J. H. McKee of Abilene, Joe T. McKee of El Paso, and J. S. McKee of Lamsa, N. Mex.; and Mrs. Jack Dyer and Mrs. Pearl Perner of El Paso. She is also survived by eight grandchildren as follows: Mrs. W. H. Savage of this city, Mrs. Maxey Hart of San Antonio, John Perner of Peralta, Chihuahua, Mexico; Miss Carolyn Perner of El Paso, Harvey and Clyde McKee, Abilene; Jack Dyer and Mary Jane Dyer of El Paso. Three great-grandchildren who survive are Billie Savage of this city, and Maxey and Douglas Hart of San Antonio.

Volunteer Program Is Presented By Students

A well furnished and modern apartment, Mrs. D. A. Pollard.

Customs officers Creed Taylor and Ab Ghoslon of Marfa, were business visitors in the city on Tuesday and Wednesday of this week. Mr. Ghoslon is a former resident of this city and is always welcomed here, and Mr. Taylor has many friends here who are also glad to see him.

Mrs. C. F. Cox, Sr., and daughter, Mrs. J. P. Yoas, were in town Monday from their ranch near Longfellow.

Mr. Frederick, agent for the Texas company at Fort Stockton, was a visitor in our city Wednesday, enroute to Del Rio where he attended a meeting of the wholesale dealers, which was held at the Hotel Roswell in that city.

FROM THE AIRDROME

(By The Old Man)

Those who have been out to see us, and others that have passed by the Airport will hardly know the place—the painters and now applying a bright orange and black coat on the roof, in the form of a checker-board, each square being twenty feet. The sides and wall will be dark gray, with the inside left unpainted, as this will afford more light. The next job will be wiring the hangar for lights, and for an amplifier. This will come in very handy if we are to have some form of entertainment. It will also give our local politicians a chance to inform the voters that they are in the coming election and are expecting to be elected. It will also assist the orchestra in making announcements also.

You remember we mentioned that there would soon be a new switch-board installed. Well, this has been done and every part works as it was meant to. All who are interested in such equipment should take time out and look this job over. We are not the kind to brag about the many things that have been undertaken cut our way, but so far there hasn't been one slip-up, and I appreciate each man's efforts. The engines that were installed are running in fine shape, each is painted aluminum.

You who have never had the pleasure of exploring the Big Bend country down in southern Brewster county, should not miss this treat. The writer, with Mrs. Richardson, Sonny Boy, and radio operator Biggs taken off from the field last Saturday morning for Johnson's ranch with a portable radio. Each stood the many bumps, that is bound to be on the way down, each was on his own feet when we arrived, as that was the only part that was really comfortable after the long ride. The radio test was all that we expected, and in the near future we expect to have an established station at the ranch to use for military purposes as well as pleasure. Those who do not know Mr. and Mrs. Johnson should go to their place when opportunity permits—they keep an open house, and all who come are welcome. There were fifty guests at their place Sunday, all the way from El Paso to Dryden, Texas, from airplanes to burros for transportation. Everybody had a good time.

Plans are under way for the rest of the fence, holes have been dug, and in the near future all of that part that runs parallel with the highway will be under fence. This will protect stock running loose, as well as making an ideal place for the rodeo that soon be announced. You ropers and bronk busters had better get in training, for you will need to be at your best, as well as you goat millers.

We regret to learn that Mr. Black kicked at his cow the other morning and missed her, thus breaking his leg. A warning to you milkers!

OPENS BAKERY

E. A. Blount, a former employe at the Van Noy lunch room, has rented the building formerly occupied by the Breeding Bakery on Oak street, and is now operating a bakery. He is now furnishing hotels and restaurants with bread and pastry of a variety that is giving perfect satisfaction. He announces that beginning next week he will be in position to furnish the public with roast meats of all kinds.

Hi School Debaters Make Practice Trip

The members of the debating team of the Sanderson high school went on a tour last Friday and Saturday, going to the towns of Eldorado, Rankin and Big Lake, where they debated in non-decision contests with teams in those cities.

The subject debated was "Resolved, that the United States should adopt the essential features of the British system of Radio control and operation." The team debated this question four times at Eldorado and Big Lake and twice at Rankin.

The following boys and girls, accompanied by their coach, Miss Margaret Martin, made the trip: A. C. Clatfelter, Melvin Pollard, Jesse Lochausen, Floreine Thompson and Mary Jane Carson. With the exception of Floreine and Melvin, the others are debating for the first time this year.

Rev. T. M. Taylor, pastor of the local Methodist church, who has been in the Masonic hospital in El Paso for special treatment, is getting along nicely, and is expected to return home this, Friday, morning. This news is certainly gratifying to his many friends, and it is to be hoped that he soon will be able to resume his pastoral duties.

YOU CAN DRIVE NAILS IN THIS NEW KIND OF TUBE

Self-Seals Punctures Instantly

See what Goodrich engineers have done! They've actually made a tube that seals its own punctures instantly—without losing the air!

Imagine! You can plunge an ice-pick right into any tire equipped with this tube! Or hammer in tacks and nails! Then pull them out! Apply your air pressure gauge. You'll find the air has not escaped! And weeks—yes, months later this remarkable self-sealing tube will continue to give you protection against "flats".

LOW IN COST

Although the new Goodrich Seal-o-matic Safety Tube is much tougher, far more efficient and specially re-inforced to resist chafing—it costs only slightly more than ordinary tubes. Permits easier riding, too. No wheel wobble or shimmy. Will not "run hot" from high speeds. Think of the time, trouble and expense you save.

Used in the new Golden Ply Silvertown that protects you against blow-outs, this new Goodrich Seal-o-matic Safety Tube should make it unnecessary to ever change a tire on the road!

Get the new Goodrich Seal-o-matic Safety Tubes, put them in your Golden Ply Silvertowns... and kiss tire troubles goodbye!
