### TIMES AVE CHANGED

Last week we read an account of two youth, who were charged with hoss stealin' being tried in our neighbor county, Pecos. The verdict of the jury called for a five-year suspended sentence. The incident sent memory galloping backward to the time when every desperado of any repute, or disrepute, had his name coupled with that of Pecos. Whatever the meaning of the word its mention was always in connection with deeds wild and wooly—sometimes worse as, for instance, in late years if some one was murdered and thrown in the river, accounts stated the victim was "Pecosed." All is changed now. In the old days the prisoner accused of stealing a horse got a suspended sentence, all right, but he was the one suspended. In Pecos county, too, we believe the youth accused of killing, without cause, the sheriff of Jeff Davis county, got seven years. Wonder is they didn't decorate the horse thieves. Five years suspended sentence. Shades of Judge Bean!

### TREASURY RAIDERS (?)

On invitation the writer sat in on a meeting of the local American Legion Tuesday night. Hearing so much about the Legionnaires, and their penchant for dipping into the national treasury, we figured we'd learn some new ways of annexing surplus cash. But we were doomed to disappointment. Those boys actually met for the purpose of giving away hard-earned dollars, and to worthy causes, movements that will net them not one cent in return, but will make lots of boys in Sanderson happy, and furnish summer amusement for the grownups, also. Their first move was to sponsor Boy Scout activities during the vacation period. For this purpose the veterans underwrote a total of \$200 with which to carry on scout activities, including the hiring of a competent scoutmaster, and a two weeks' stay at the scout encampment, Camp Fawcett, on the Nueces. They got the job done in record time, headed the list with a generous donation. Their next move in philanthropy was to sponsor the Sanderson baseball team, so the folks who couldn't go to camp could be amused. These latter plans will mean that the town will be represented by a fair team, with a regular schedule. The Legion certainly did their part, folks, it's now up to the rest of us to fall in line by supporting both of these moves. Raiders of the treasury! What a laugh, that is. The writer has sat in many a Legion post meeting, and it is the same story every where: They served their country as a whole 16 years ago; today they are serving their respective communities, just as unselfishly, just as efficiently. As far as this writer is concerned, and we have been in a couple of major melees ourself, the Legion can have the darned treasury, they know how to spend money, and will place it where it will do most good to the greatest number.

### TWELVE MONTHS TERM

Our old friend Sgt. Richardson is on record as favoring 12 months of school. The sergeant has three children. From his remarks, advocating year-round schooling, the kids evidently get in his hair. Just three of 'em. Now Sarge, suppose you were a frail, or near frail, school-teacher with about 75 to care for eight hours, every day in the year. We honestly believe you'd have the jitters long before May rolled 'round. And then there the old adage that must be respected: "All work and no play, etc." The kiddies need the vacation period more than anything in their young lives, please don't vote for the 12-month seige. We hope you were just kidding.

### ANOTHER ALPHABET DEPT.

Another thought before retiring. As our government is now on an alphabetical basis we suggest, for kiddies, public enemies Nos. 1 to 100. The S. E. A. S. set-up—shoot 'em at sunrise.

## Sanderson Routs Alpine Team In a Lop-sided Contest

After trying for several days to contact neighboring towns, Manager Tom Breeding finally connected the much-touted Mexican team of Alpine for the opening game of the 1933 season at Legion park.

From reports of the Alpine delegation Sanderson expected to at least hustle for a look-in. But it all turned out to be duck-soup for the locals, and the sons of Montezuma left that night for their habitat carry the light end of a 12 to 2 score.

Up to the fifth stanza it was a ball game, folks, and the customers seemed to enjoy it. The score was Sanderson 1 Alpine 0, with Anderson and Ernest doing all the work, each side having hit safely but twice. But Ernest and his co-workers had several verbal tilts, Ernie, as a result, blew up with a loud bang, and Sanderson fattened its batting average with 5 more hits which netted four counters.

Anderson allowed but two hits in the seven innings pitched, and no runs. In the seventh Buchanan relieved Andy, and although Alpine only hit safely twice from his delivery they managed to push over a brace of counters.

The game was featureless except for a one-handed catch by Nance, who reached up and speared Bob's mighty swat that was headed for Dryden or Del Rio.

Sizing up the situation, Sanderson has a fair ball club, much better than this scribe expected to see lined up. All needed now is to schedule a few games, and more customers in the stands at home games.

Sunday's game and how it happened:

**First Inning**  
Leyva out roller to first. David bingled to right; Johnny dilted to deep center. Tom flew out to Smith, and Ogas' liner was snared by Robertson.

White rolled one down to third, beat it to first. Duke's drive to second was bobbled. Smith laid one in. See BASEBALL, last Page Col. 1

## Bacalaureate Service for Class of '34 Held Sunday

The Bacalaureate service for the Sanderson high school was held last Sunday morning at 11 o'clock in the auditorium, with a large crowd in attendance.

With Mrs. R. S. Wilkinson at the piano, playing the prelude, the seniors marched into the auditorium in a body, taking seats of honor provided for them. Invocation was given by the Rev. J. F. Green, pastor of the Baptist church.

A mixed choir from the different churches of the city, and under the direction of Miss Noble, furnished the songs for the service.

Rev. T. M. Taylor, pastor of the Methodist church, read the scripture lesson from Proverbs 3:1-20.

Taking his sermon subject from the 17th verse of chapter 3 of Proverbs, "Her ways are ways of pleasantness, and all her paths are peace," Dr. John V. McCall, pastor of the Presbyterian church, delivered an inspiring and worthwhile sermon to the graduates. In delivering this great message to the members of the class, Dr. McCall urged them, as they go through life, to trust in the Lord with all their hearts and acknowledge Him in all their way, and to keep sound wisdom and discretion.

Following a song by the choir, Rev. T. M. Taylor pronounced the benediction.

### MERCURY TAKES NOSE-DIVE MONDAY, 88 TO 47 DEGREES

Top coats were in vogue Monday by Sanderson citizens when a cold norther struck this city early that morning and remained with us until late that night. The thermometer reached a low level of about 47 degrees and clouds hung heavy over this section. Tuesday there was very little change in temperature.

## Julian LaCrosse Asks Re-election As Dist. Attorney

District Attorney Julian LaCrosse announced Tuesday that he was a candidate for re-election. In a recent issue of the Rocksprings Record, the following tribute was paid Mr. LaCrosse by Editor J. W. Hutt:

"Friends of Hon. Julian LaCrosse are urging him to make the race for re-election to the office of district attorney.

"Mr. LaCrosse is in no sense of the word a stranger to the people of Edwards county, having served us long and faithfully as our district attorney, and we dare say no man stands higher with the people of this county than does Julian LaCrosse.

"Edwards county has always cast its vote for this gentleman, knowing that his actions, not only in the court room, but with his neighbors, has always been such as to commend a warm friendship of the people of this, as well as other counties composing this judicial district.

"Mr. LaCrosse has no opponent for this place, and should he be opposed, we are confident the people of this district feel they owe this gentleman much as a prosecutor, and will return him to the place of district attorney. He was elected district attorney after a spirited contest in 1924, and since that time has conducted the office with such ability and fairness that the voters have returned him to office ever since.

Mr. LaCrosse came to Del Rio 24 years ago, and has forged to the front by his tireless energy an devotion to whatever task he has had before him, whether it affected his business, or whether that task was of a nature that had for its purpose the betterment of the community in which he lived.

"He was the first secretary of the Sheep and Goat Raisers' Association, and served Val Verde county as district clerk and later as its county attorney, and for several years was United States deputy clerk in Del Rio.

"Mr. LaCrosse has been a candidate for office on several occasions and has always been honored with election. He is a friend of the Southwest, and has always been instrumental in furthering movements that were advantageous to the men who compose a greater part of this district.

"He has devoted much time to the civic welfare of Del Rio and Val Verde county, and has been instrumental in securing highway improvements throughout this section, which we all appreciate. Being a member of Highway No. 10 Association, he spent much time in measures that might culminate in securing this highway leading from Canada to Del Rio. He has joined the Edwards county delegations in promoting Highway No. 41, and has used his influence toward securing an extension of Highway No. 55 to Sonora. In fact, Mr. LaCrosse has never said no to any improvement program that would have its better effect on the citizenship of this entire district.

"He was at one time president of the Texas State Elks Association.

"By nature a man of kindly disposition, who has always placed a high value on the friendship of his fellow citizens, Mr. LaCrosse has conducted his career in a manner befitting a public official and an outstanding citizen of the state.

"Mr. LaCrosse while here Tuesday declared his highest appreciation of the honors conferred upon him in the past years by the voters of the 63rd Judicial District, and appreciated the action of his friends in soliciting him to make the race for re-election."

### New Pontiacs on Display

F. M. Weigand, C. V. McKnight and Charlie Weiland motored to El Paso last Friday and returned Saturday with two spanking new Pontiacs, a sedan and coupe, which are now on display at the show room of the Sanderson Motor company.

DISTRICT ATTORNEY JULIAN LACROSSE, OF DEL RIO

## American Legion Sponsors Baseball

Baseball during the summer seems an assured fact for Sanderson thru the action of the local American Legion Post at a called meeting held at the courthouse Monday night.

The meeting was for a dual purpose: To provide for the Boy Scouts during the summer, and discuss possibilities of a baseball team in Sanderson. The action taken on scout activities during vacation is fully covered in an article in another column, contributed by the secretary.

Baseball also received the official okay of the Legionnaires, first, by issuing warrants to cover every expense incurred up-to-date by those at work on repairing the park, securing players, equipment, etc., and secondly by promising to finance future activities along this line during the summer.

Tom Breeding, spokesman for the ball team, gave a resume of what has already been done and, tentatively outlined plans for the season, concluding with the statement that only unpaid members would play, and that he felt sure the team would be self-supporting.

A committee from the Post was named to cooperate with promoters of the ball team. Members are D. L. Duke, Bill Vaughn and Ray Caldwell.

## McCamey Man is Awarded Contract

G. B. Dyson, of McCamey, was the successful bidder and last Monday the State Highway department awarded him the contract to pave approximately 8½ miles of highway near Dryden. This was the section of Highway No. 3, recently surfaced. The contract calls for finish of double bituminous treatment, and Mr. Dyson's bid was in the neighborhood of \$17,300.

Work on this stretch will start by June first or shortly after, and the job is expected to be completed in a very short time.

The gap to be surfaced starts at a point about 9 and one-half miles east of Dryden and extends 18 miles southeast of that place.

Mr. Dyson has just finished black-topping a stretch of highway in Brewster county, a few miles west of the Terrell county line.

### Carload of New Fords

The Ferguson Motor company, local Ford dealers, received a carload of new Ford cars, now on display. This shipment includes two pickups, one truck, and a 4-door sedan.

## ROY HALEY IN RACE FOR COMMISSIONER OF PRECINCT NO. 2

Roy Haley, who ranches near Dryden, asks the Times to place his name before the voters of the county as a candidate for Commissioner of Precinct No. 2.

For several years Mr. Haley has been ranching near Dryden and is very familiar with the needs of the county in that section, and is acquainted with the duties required of the office.

He asks that the voters of Precinct No. 2 carefully consider his candidacy and any support given him will be greatly appreciated.

## School Trustees Reject All Bids to Transport Pupils

At a meeting of the board of school trustees, held Thursday afternoon in the office of Superintendent Brannan in the high school, all bids submitted for the transportation of school children from the Dryden community to Sanderson for the 1934-35 term of school were rejected. At this same meeting the trustees decided they would purchase a bus and hire a driver on a monthly salary basis, the expense of operating and upkeep to be assumed by the board.

Nineteen bids were submitted for transporting of school children by means of bus.

Mr. and Mrs. Guy Nations and son, and Mrs. Nations' father, I. H. Elder, all of Kerrville, arrived Thursday to attend the Commencement exercises of the High School. While here they are the guests of Mr. and Mrs. W. J. Ferguson and family.

C. F. Cox, Sr., was in town last Friday from his ranch near Long-fellow, and reported that his range is in good condition following the recent rain. Mr. Cox has our thanks for a year's subscription to the Times.

Mr. and Mrs. D. T. Southall and daughter and Miss Kathleen Sullivan of Comstock, spent Mother's day here with their mother, Mrs. Maude Sullivan and family, and attended the Bacalaureate service held for the Sanderson graduating class, of which their sister, Miss Dorothy Sullivan is a member.

Mrs. J. F. Rhodes of Camp Wood, Texas, is visiting her sister, Mrs. Annie Ward, and her niece and nephew, Mr. and Mrs. Clyde Griffith.

## Exercises Held for Seventeen Seniors Of Sanderson High

### Impressive Commencement Exercises Mark Close of School Term Here

Graduation exercises for seventeen members of the Senior class of the Sanderson high school were held Thursday evening at the auditorium.

A crowded house greeted the class as they marched in to the strains of the processional, "Salut a Pesteh," played by Mrs. R. S. Wilkinson.

Dr. Jno. V. McCall gave the invocation.

The address of the evening was delivered by Dr. W. A. Jackson of Texas Technological College, Lubbock. Taking for his subject "Change," Dr. Jackson dealt with the various changes of time, government, ideas, etc. He urged the graduates to keep abreast with these changes, build up a reserve that cannot be taken away; render service to others, create for self a love of beauty and cultivate a desire for truth and a wholesome respect for others. He urged that as they went through life to think of the stable values of life, acquire some of them and the world will be a better place in which to live.

W. H. Savage, secretary of the school board, presented diplomas to the following members of the class: Ellen Appel, Dorothy Sullivan, Beatrice Nichols, Bernice Nichols, Mary Jane Carson, Florine Thompson, Thomsine St. Clair, Mary Arrington, Richard Haley, Hollis Haley, Benoit Carpenter, A. C. Clafelter, Jr., J. R. Black Jr., Herbert Brown, Billy Ferguson, William Rodriguez, and Felipe Escamilla.

The following students completed the seventh grade, and next year will enter high school: Felix Balles, Sam Barker, Houston Chandler, Rose Mae Clark, Brady Daniel, Jimmie Goodykountz, Lawrence Gutierrez, Essary Haines, Allen Hardgrave, Wesley Lochausen, Eugene McSparran, Loyde Morris, Bennie Mussey, Bertha Mae O'Bryant, Eric Peoples, Constance Richardson, Helen Turner, Albert Weigand, Billie M. Harrell, and Wilma Grace Deaton.

To Mary Arrington went the award for having made the highest grade in the senior class. Miss Arrington was awarded a scholarship and also \$10, which is given each year by Mr. and Mrs. Alexander Mitchell. Thomsine St. Clair was salutatorian of the class and was also awarded a scholarship. Billy Ferguson received honorable mention as having made highest grade among the boys of the class. Miss Corinne Fox, principal, presented the above honors.

This year the class has the distinction of being the largest class to graduate here in some time. Another outstanding distinction is that the class has a member, Florine Thompson, whose mother received her education in the public schools of Terrell county. The mothers of two other members of the class have mothers who were teachers in our public school. This is also the first class in which twins were members, and five of the members, Mary Arrington, Bernice and Beatrice Nichols, Florine Thompson and Ellen Appel have been schoolmates thru-out their whole school life.

Following the singing of a solo, "The End of a Perfect Day," by Miss Noble, Rev. J. F. Green pronounced the benediction.

## Sanderson Plays Ft. Stockton Sunday

The baseball season will be formally opened here Sunday, May 20, when Sanderson and the strong Ft. Stockton team lock horns at Legion Park. Remember the American Legion is sponsoring the local team, and let every one be on hand to encourage this venture.

Mr. and Mrs. Emmett Buck were in town Wednesday from their ranch north of Dryden.

GRADUATION

No event in the life of a boy or girl is so fraught with mingled feelings as that of graduating from high school. It might be termed the first major event of their lives—an experience which will never be repeated nor the same feeling of elation experienced.

With the thrill of graduating, mingled with the joy of receiving congratulations of friends and well-wishers, the satisfaction of having fought the good fight, and emerged victorious in one of life's most important steps—that of equipping themselves for responsibilities in future life—apart from and underlying all these emotions of a positive nature, there is bound to be a sadness at the thought of leaving behind the care-free days of the grammar and high schools.

Many wonder why the last exercises of our high schools are designated as "Commencement." As stated, the care-free days are over for the high school graduate. Boys and girls have now reached the age where responsibilities claim the major part of their lives—they are really commencing to live.

From the Sanderson school seventeen fine specimens of America's youth will stand at the threshold of life, gazing into the uncertain future. To prophesy what life holds in store for them is an impossible task, but often it has been said, "life is what you make it."

Class of 1934, we congratulate you on a task well done, and wish you luck in the years ahead.

PRESENTS PUPILS IN OPERETTA

Miss Myrtle Harrell, teacher of music in this city, presented her pupils in an operetta last Thursday evening at 8 o'clock, in the high school auditorium.

More than forty-eight pupils took part in the operetta "The Magic Beanstalk," which was on the land of Make-Believe. The pupils were dressed in various costumes and represented many countries.

The following pupils took part in the operetta:

John Hardgrave, Al Creigh, Jr., Margaret Jane Higgins, Harold Surratt, Curtis Litton, Mary Bess Hardgrave, Karlton Halbert, Albert Wegand, James Allen, Elizabeth Brown, Helen Ruth Harrell, Helen Turner, Billie Louise St. Clair.

Joyce Yeates, Jimmy Wilkinson, Bill Cargile, James Locke, Billy Jo Locke, Bertha Mae O'Bryant, Robert Crane, Ethel Laura Nance, Allen Hargrave, John Fisher Charlton, Bob and David Allen, C. H. Carpenter, Kenneth Litton, Charleen Holland, Robbie Ray Morris.

Katherine Nell Nance, Margaret Ruth Yeates, Margaret Pierson, David Duke, Harvey Rogers, Aubrey Harrell, Freddie Talbot, Jr., J. C. Crane, James House, Mary Nell Higgins, Maurine Frazier, Janice White, Maurine Cox, Mamie Morris and Lucy Lopez.

A large crowd was out to see the operetta, which was well presented and enjoyed by all.

APPROACHING MARRIAGE IS ANNOUNCED

Mrs. Harry Sharp announces the approaching marriage of her daughter, Kathryn, to George Lafayette Cartwell, Jr., son of Mr. and Mrs. Geo. L. Cartwell of Lockhart, Texas, on Friday, May 25th, 1934.

This formal announcement was made at a bridge party given by Mrs. Sharp at her home Monday night, May 14. The bridal motif was displayed in decorations and favors. The pink and white color scheme was charmingly carried out in flowers, table accessories and refreshments. The surprise came when each guest was presented with a miniature pair of gold china slippers with the announcement: "Kathryn and George—May 25th," on the soles.

Cherry parfait and angel food cake were served to the following guests: Misses Corinne Fox, Eva Chaffin, Willie Mae Green, Kate Frazier, Kathryn Sharp; Mesdames F. Kenderick Harrell, Jr., Lucile

Mason, J. S. Nance, Bozarth Brown, A. E. Creigh, Jr., Wallace Henshaw, Jr., H. C. Goldwire, Vance McLymont, C. E. Morris, H. R. Laurence, and the hostess.

Lovely Irish linen handkerchiefs were awarded to Mrs. F. Kenderick Harrell Jr., for high score; Mrs. Bozarth Brown, for second high, and to Mrs. Wallace Henshaw, Jr., for high cut prize.

Mrs. H. R. Laurence assisted Mrs. Sharp with the entertaining.

MRS. TIP FAZIER ENTERTAINED AUXILIARY

In spite of the blustery day sixteen braved the weather and attended the interesting program given Monday afternoon at the home of Mrs. Tip Frazier.

Mrs. Jesse Lochausen was in charge of the program and was assisted by Mesdames Earl Pierson, H. D. Williams, Joe Nichols, John Nichols and N. E. Charlton.

Mrs. McCall conducted a questionnaire on Ministerial Relief.

Mrs. Dick Corder was welcomed as a visitor.

The auxiliary is preparing to observe their birthday party on May 28, at 8 p. m., at the church.

Mrs. Pollard's circle won by two points over Mrs. Savage's circle.

The hostess, assisted by her sisters, Lily, and Mary Mansfield, served a salad with tea to her guests.

MRS. WILSON PRESENTS HER PUPILS IN RECITAL

Tuesday evening in the auditorium at the high school, Mrs. May Tiebout Wilson, presented her piano pupils in a recital and, at the same time, gave several selections from the operetta, "The Crimson Eyebrow," a number of talented singers of the city taking part.

The stage was beautiful with vases of cut flowers and an arrangement of scenes to represent a garden, and with the huge umbrellas and light, effectively carrying out the theme of the operetta.

The opening number was a chorus sung by Mrs. Wilson's pupils, all dressed in quaint Chinese costumes. Mrs. M. P. Lester then delighted the audience with a vocal solo "Ting Ling," which was followed by well rendered solos on the piano by Mary Cook, Marjorie Canon, Edna Mae McAdams and Ruth Murrab.

Other piano solos rendered by Bennie Mussey and Joy Wyatt were followed by another chorus by the pupils, entitled "Chink Chink," Dorothy Lovellen and Margaret Gregory then played piano selections.

The curtain rising on the next scene disclosed a group in the quaint Chinese costume, representing characters in the opera "Princess Ting Ling," who sang the aria in a very entertaining manner. Members of this chorus were Mesdames H. C. Goldwire, Vance McLymont, P. J. Holman, M. P. Lester, W. H. Savage, Mrs. Eva Chaffin, Messrs. Jason Morgan, D. L. Duke and O. H. McAdams, with Mrs. R. S. Wilkinson as accompanist. This same group then rendered the song "Neptune."

Two piano selections by J. R. Black and Mrs. W. H. Doty followed. A solo, "Moon Ray," by Mrs. M. P. Lester, was followed by a chorus by the entire cast.

Bringing the program to a close was the solo "Ting Ling Eyes," sung by D. L. Duke, followed by the chorus "I Want You."

Much credit and praise is due Mrs. Wilson, her piano pupils and the talented singers for this splendid evening of entertainment, enjoyed by the large crowd present.

PARTY FOR BILLIE DYAL ON SIXTH BIRTHDAY

Last Saturday afternoon at her home in this city Mrs. W. M. Dyal entertained a number of little folks, the occasion being the sixth birthday of her son, Billie. Various children's games were enjoyed during the afternoon.

Guests at this happy affair were Robbie Ray and Deryl Morris, Katherine Nell Nance, Lillian Harrell, Edna Mae McAdams, Rugby, Joseph and Leslie Green, Pattie Jo and Louise Robertson, Edward Chastain, Willie Grigsby, Doris McSparran, David and Doris Duke.

Refreshments of ice cream and cake were served by Mrs. Dyal, who was assisted in entertaining the little folks by Mesdames Sam Harrell and Frank Robertson.—Reported.

Immunization of Children Advised

Austin, May 17.—Make sure your child is immune from diphtheria, is the warning sent out by Dr. John W. Brown, state health officer.

Children need not have this disease if the proper steps are taken, and these are very simple.

If parents would have their family physician administer toxoid to their child as soon after it reaches the age of six months as possible, much suffering and many deaths could be prevented.

The administering of toxoid is a very simple procedure and causes the child very little or no discomfort and there is an interval of 2 weeks between doses. In approximately ninety per cent of the children receiving toxoid there will be established a life time immunity to this disease.

TO BE SURE—Four or six months after the final dose of toxoid, the child should be Schick tested so that parents will know definitely whether their child is immune. The test consists of just a few drops of diphtheria toxin between the layers of the skin. If the child is immune no reaction will be noticed. If not there will appear redness at the sight of the test that reaches its height the third or fourth day.

"Convention City" Comedy Feature at Princess Tonight

More love tangles than have ever been seen in once picture before will be unfolded on the screen of the Princess theatre when the latest First National comedy "Convention City," will be shown today and Saturday, May 18 and 19. The many love affairs are said to lead to the maddest, merriest situations imaginable.

The plot of the story is unique and novel, centering about the riotous happenings at the annual sales jamboree at Atlantic City, and painting the conventionists as neglecting business meetings in order to turn playboys.

A couple of wives who drop in unexpectedly on the carousals, add to the hilarious entanglements. Joan Blondell, as the gold-digging, blonde haired vamp, causes most of the troubles with her roving eyes and her siren smile. Men attending the convention fall for her by the car load with disastrous results to their bank-rolls.

A strong all star cast includes besides Miss Blondell, Adolphe Menjou, Dick Powell, Mary Astor, Guy Kibbee, Frank McHugh, Patricia Ellis, Ruth Donnelly, Hugh Herbert and Hobart Cavanaugh.

Mrs. Archie Burns left last Saturday for a visit with relatives in Houston.

Mr. and Mrs. C. S. Bodkin came in Thursday morning from their home in El Paso to spend several days here visiting relatives. They are house guests of their daughter, Mrs. Horace Fletcher.

Herman Chandler and Howard Stavley were in town Wednesday afternoon from the Chandler ranch on the Independence.

Mr. and Mrs. A. M. Buck, from their ranch north of Dryden, spent Wednesday here visiting with their daughter, Mrs. Vance McLymont.

Mrs. E. R. Lane of Del Rio is here visiting in the home of her daughter, Mrs. Austin Nance.

Now we ask you to

Why do you suppose Chevrolet keeps repeating in all of its advertising, "Drive it only 5 miles"? Because Chevrolet engineers have tried out all the various makes of low-priced cars. They have compared performance—on rough roads, in traffic, over hills, through sand and mud and water. And they know what thousands of Chevrolet owners have proved in their daily driving: The Chevrolet ride simply can't be matched by any other in the low-price field. It can't be matched—because no other low-priced car matches any of these five leading features. CHEVROLET MOTOR COMPANY, DETROIT, MICH.

front of the plate, White going to third, and he scored on Robertson's safety to left. Anderson out swinging; Sotelo likewise. Two hits, one run, one error.

Second Inning

Nance out on three; Oswald flew to third, Stirman missed triplets.

Third Inning

Pilar out Robertson to White; Peeewe out, fly to left; Bob made it three, short to first.

Ernest fanned; Leyva out, short to first; David whiffed.

Fourth Inning

Johnny missed three; Smith went away out in left and snagged Tom's skyrocket, ran in on a bunt by Ogas scooped it up in one hand and got him at first. A snappy play.

Anderson out, third to first, Sotelo flew out to center. Nance perforated the ozone.

Fifth Inning

Pilar out, fly to center; Peeewe popped to first, and Bob fanned.

Oswaldo singled to left, Stirman tried to hit three. White singled to left, Ossa going to third, and he scored on Duke's long fly to right. Smith drew a pass. Robertson pasted one against the lumber in deep center, scoring White and Smith. Mexico blew up here, and when Anderson and Sotelo hit safely, they threw the ball everywhere, except where it should be thrown and before they got back to terra firma Robertson crossed the plate. Nance rolled one to short, forcing Sotelo at second for the third out. 5 hits, four runs.

Sixth Inning

Ernest and Leyva missed three each and sat down. David rocked the fence in deep right for a duet. Johnny popped out to Oswald.

Oswaldo got a free ride went to second on wild pitch, and scored on error by short of Lea roller. White rolled out to first, Lea reached second and took third on passed ball. He was caught napping at this station and was run down between the bases. Duke out, second to first. No hits, one run.

Seventh Inning

Tom rolled to Smith and had peg gave him a lease on life. Vernon walked Ogas. Runners advanced to third and second on passed ball and wild pitch. Peeewe slammed one to deep right, Tom and Ogas scored. Peeewe trying to stretch his hit to a double was nailed at second. Pilar out, foul to catcher, and Bob's powerful blow towards Dryden was pulled out of the clouds by Nance.

Smith walked, stole second, Robertson walked, and so did Anderson. An error by Johnny score the first two, and Nance's single to left accounted for two more by Anderson and Sotelo. Oswald was deadhead.

SAM HARRELL WINS \$30.00 AT PRINCESS MONDAY NIGHT

A large crowd was present at the Princess Theatre Monday night to witness the picture "The Black Cat" and to find out who was winner of the \$30 cash prize that was to be given away.

Sam Harrell holding the coupon No. 990, was the lucky winner of the cash prize, \$15 of which had been held over from the previous Monday night as no one was present that night to claim the prize.

Another \$15 award will be made next Monday night and all patrons of the Theatre are asked to be sure and be there and to have with them their duplicate coupons.

The Princess theatre is putting on a new front this week, the outside being cleaned and the wood-work in the lobby being given a new coat of bronze paint.

Commissioners Set 1934 Tax Rate Unit

The regular monthly meeting of the commissioners' court was held on Monday and Tuesday of this week with all the commissioner's being present, namely: W. E. Stirman, Eugene Peoples, J. C. Mitchell and R. E. Fred.

Much business was transacted at this meeting, as it was the time for setting the local tax rate as well as to consider the rendered inventories of the assessor. Current bills were presented and allowed.

The 1934 tax rate was set at \$1.20 on the \$100 valuation, the same as 1933. This rate is prorated as follows: Advalorem 25c, road & bridge 8c, courthouse and jail, general fund 7 1/2c; courthouse and jail, sinking fund, 40c; school, local maintenance, 40c; school, sinking fund, 25c; jury fund 2c, special road and bridge fund 5c.

The rendered inventories that had been assessed by Tax Assessor Jim Nance, up to date, were approved, with a few renditions being changed.

On Monday June 11, the court will sit as a board of equalization, and at that time will hear complaints, if any, why certain renditions should not be raised.

Why Hospitals Use a Liquid Laxative

Hospitals and doctors have always used liquid laxatives. And the public is fast returning to laxatives in liquid form. Do you know the reasons?

The dose of a liquid laxative can be measured. The action can thus be regulated to suit individual need. It forms no habit; you need not take a "double dose" a day or two later. Nor will a mild liquid laxative irritate the kidneys.

The right dose of a liquid laxative brings a perfect movement, and there is no discomfort at the time, or after.

The wrong cathartic may often do more harm than good. A properly prepared liquid laxative like Dr. Caldwell's Syrup Pepsin brings safe relief from constipation. It gently helps the average person's bowels back to regularity. Dr. Caldwell's Syrup Pepsin is an approved liquid laxative which all druggists keep ready for use. It makes an ideal family laxative; effective for all ages, and may be given to the youngest child. Member N. R. A.

Scoutmaster for Local Scout Troop Hired for Summer

At a call meeting of the Clarence Hallie Mulkey Post No. 160, American Legion, of Sanderson, held at the courthouse Tuesday, May 15th, the offer of Prof. Duane Smith of the school faculty to act as scoutmaster for the Boy Scouts of Sanderson during the last six weeks of the summer period, was accepted, and the Post officers were instructed to close a contract to pay Mr. Smith \$300 for his services for that period.

To meet the salary the Post voted a liberal donation on this salary and have agreed to hold a dance, baseball game, and negotiate with the management of the local theatre for a Boy Scout motion picture toward meeting this salary.

The work itself, outlined by Scoutmaster Smith will be of inestimable value in that, first, the boys will have a competent and highly respected scoutmaster to direct their recreational activities for six weeks; second, that two weeks of this period during the month of August, the boys will be sent, under his control, to Camp Fawcett on the Nueces river, third, that it may be possible for Prof. Smith to do some work with his candidates for football in the fall, and, lastly, that the group of boys between the ages of ten and twelve years, who are old enough to be Scouts, will receive some attention and direction during their vacation hours as well.

In view of the limited outlets for boys' activities in our community, and considering that there are forty-two boys of Scout age included in the program, and approximately 30 boys of ages from 10 to 12 who would likewise receive me benefit, the school faculty and the Legion feel that the work to be done with the boys is well worth the heartiest cooperation of every citizen, and the support and cooperation of our people regardless of whether or not they have boys of scout age, is earnestly solicited.

Sanderson Eleven Blanks Alpine in Pre-Season Tilt

Coach Duane Smith and members of the Sanderson football squad motored to Alpine last Friday for a pre-season game with the Alpine Bucks. And did our boys look sweet Bucks. And our boys brought home the bacon—the heavy end of a 20 to 0 score.

Starring for Sanderson high was Benoit Carpenter, who accounted for two touchdowns. Mussey accounted for the other and the educated toe of Harry Newton placed the ball between the posts for two extra points.

Alpine kicked off, and when the Eagles got the ball they wouldn't let go and marched down the field uninterrupted for a touchdown.

The Eagles scored again in the 2nd period, due mainly to the splendid calling of Harry Newton at quarter, and Sullivan's drives into the Bucks' line, always for a gain.

In the third quarter Alpine rallied and threatened, reaching the Eagles' 20-yard stripe, where they were held. Newton's punting toe was in fine fettle and kept Sanderson out of danger.

The Eagles scored once more in the final period, when Mussey behind a fine interference, ran 34 yards for the third touchdown. Newton kicked two extra points out of three attempts.

Carpenter, whom the team loses this year, was star of the game, hitting the Bucks' line for gains at will. Deaton and Durbon as defensive tackles showed up fine. Utterback, at center showed exceptional promise for a first-year man. Loehausen and Laughlin looked fair as guards. Roy Deaton, playing at end for the first time, turned in a splendid game. Latton was everything he should be at his old position of right end.

Our only regret is that football season is over three months off.

Airdome Chatter

(By The Old Man)

Why is it that the army has to look after the navy when they want to make these cross-country flights? If it wasn't for the Macon, we at the airdome here could go to sleep like other folk when bed time comes. But the Macon is on her way back to Sunnyvale, Calif., its home station, and all army radio stations along the route are on the alert to keep its crew posted on weather conditions. We are glad to be of service, but hate to lose whole nights of good sleep. It is not known at this part of the state, or if it will come anywhere near us. Should it come this way no one would see it except the men on duty, as it will be in the wee, early hours of morning.

Several airplanes were thru this week from the air mail detail, on their way back to the home station. In a few weeks all these men and planes will be back home for regular army flight duty, and as soon as these ships can be gone over for repairs things will pick up by giving the pilots the necessary amount of flying hours to keep them in shape for any emergency that might arise in the future. This station will benefit by getting our quota amount of airplanes to service.

Due to the fact that several rodeos are scheduled for this and next month we are in doubt about having the goat roping that was announced at the last dance. However, this will be settled definitely the coming week, giving everyone a chance to be on hand if we decide to hold it. If this roping is put off we will hold it at a later date and will have an old-time army Irish stew for supper, which we know everyone will enjoy. It is believed that the promised dance can still be held on the date announced, with the same music we had during the recent rodeo.

Capt. Metcalf and Mr. McCrew, of the department of labor, stationed at Marfa, were with us the past two days. They are very pleasant men to have around, and we will be glad to have them call again.

Major Simpson, flight surgeon from Randolph Field, was thru here, on his way to the Johnson ranch for a short vacation.

Mr. and Mrs. W. L. Pannell of Kilgore, Texas, spent the week end here and at Dryden with relatives. Mrs. Pannell is a sister of Miss Mattie Presalley of this city, and the daughter of Mrs. E. M. Presalley of Dryden. They returned to their home Sunday accompanied by Mrs. E. M. Presalley, who will visit relatives there for some time.
