SANDERSON, TEXAS, FRIDAY, JUNE 15, 1934

NUMBER 14

CARNERA IS K.O.'D IN 11TH

Cook Returns With Alleged Wool Thief

Sheriff Lee Cook returned Monday afternoon from Mentone, having in custody Curtis Brooks, who was placed under arrest near that place, wanted in connection with the theft of five sacks of wool from John Lawhorn, who ranches on the old Ketchum place in the northeastern part of this county.

Last October Kyle Smith of Sheffield was arrested and charge with theft of the same number of sacks from Lawhorn. Smith is now out on bail, after being indicted by the grand jury during the January term of court. In all probability he will be tried at the July term of district court in Sanderson.

Information given to officers implicated Brooks, and it has been a hide-and-seek game ever since Brooks failed to appear before the court last January.

Examining trial for Brooks was held here Wednesday before Justice of the Peace R. L. Henry, bond being set at \$1000, which Brooks failed to make as we go to press.

MOTHER OF SANDERSON MAN LAID TO REST MONDAY

Funeral services were held in Knox City Monday for Mrs. V. S. Carpenter, 61, who died Sunday in Pettus, Texas, at the home of her daughter, Mrs. B. W. Land.

Mrs. Carpenter was the mother of G. W. Carpenter of this city, who left here last Saturday night for Pettus after being notified of the serious illness of his mother.

Besides her son, G. W., she is survived by two other sons, a daughter and ten grandchildren.

Noah D. Allen Dies After Brief Illness

Taken ill with pneumonia last Friday, Noah D. Allen, passed away Wednesday afternoon at his home in Uvalde and funeral services were held Thursday afternoon at 5 o'clock according to a message to relatives in Sanderson.

Mr. Allen, who was the son-in-law of the late W. H. Mansfield and Mrs. Mansfield of Uvalde, was a former resident of Sanderson and many friends here will regret to hear of his passing. Only five short months ago, his wife, Mrs. Laura Mansfield Allen was laid to rest in this city, she, too, having died from an attack of pneumonia and complications.

Lift to mourn the passing of Mr. Allen are five children, three daughters, Lano, Barbara and Evelyn, and two sons, Marvin and Francis Grant, all of Uvalde; his mother, as well as several brothers and sisters living in Uvalde. A more extended obituary will appear in next week's Times.

Terrell County Pioneer Buried Here Sunday

W. H. Mansfield Succumbs at His Home in Uvalde

SETTLED HERE IN 1883

FRIENDS OF DAYS WHEN THIS SECTION WAS TEXAS' FRONTIER GATHER TO PAY LAST HONORS TO RANCHMAN.

The death of W. H. Mansfield at his Uvalde home, after a brief illness, was an incident mourned by many who, side by side, when this section of Texas marked the boundary of civilization, but undaunted by the chaos of lawlessness, the trials and hardships of all who blaze trails into the unknown, and by sheer courage brought order from that primitive chaos, and made possible for future generations the use of the many natural resources and blessings this section today enjoys.

It must have been with a glow of pride that relatives and friends of Mr. Mansfield, glanced at the furrowed faces of these old friends of frontier days, some coming from a distance to attend the "last roundup" and say goodbye to Henry Mansfield—Texan, pioneer, friend.

Son of Pioneer Texan

The funeral services were held Sunday from the home of a daughter, Mrs. Tip Frazier, conducted by Rev. Jno. V. McCall of the Presbyterian church. The body was laid to rest in the Sanderson cemetery, under a mound of lovely flowers, mute evidence of the esteem in which Mr. Mansfield was held.

Deceased was born in the little Texan town of Pleasanton, on June 25th, 1860, the son of Mr. and Mrs. F. H. Mansfield, the father being (See PIONEER SETTLER, p. 4)

Revival Meeting Will Start at Church of Christ Sunday, 17th

CHURCH OF CHRIST, SANDERSON

A revival meeting will begin Sunday, June 17 at the Church of Christ, to continue eight days. Services will be conducted twice daily, at 10 a. m. and 8 p. m. Evangelist Frank Trayler, minister of the church, will do the preaching and the singing will be in charge of local leaders. Evangelist Trayler makes the following statement: "Many of our friends have shown interest in a revival. This series of services is for you, our friends, and the church, too. All are welcome. Last year we had a great revival; this year we expect a greater one."

FRANK TRAYLER, MINISTER

Sanderson Masons Elect New Officers

At a meeting of Sanderson Lodge No. 988, A. F. & A. M., held at the temple Monday night, the following officers were elected: W. F. Harrell, worshipful master; Clyde Griffith, senior warden; A. E. Creigh, Jr., junior warden; S. S. Daggett, treasurer; Fred Savage, secretary (re-elected); Rufe Murrab, tiler.

Installation of elective officers and appointive officers will be held on Tuesday night, June 26.

Out-of-town relatives here for the funeral of W. H. Mansfield were a great niece, Mrs. J. M. Addison of Pleasanton, Texas, two sister of Mrs. Mansfield, Mesdames Johnnie Lemons Black, and E. L. Sweeten, and son Ernest Jr., and daughter, Mrs. W. I. Sensiba, Jr., of El Paso.

LEGISLATIVE CANDIDATE CIRCULATES WITH VOTERS

Stanford Payne, a candidate for the Texas legislature, as representative from the 87th district, was in Sanderson Wednesday, hobnobbing with poll tax receipt holders. Mr. Payne, at the insistence of Del Rio friends, enters the race at the 11th hour, but is right on the job making an intensive campaign. Payne, who is over six feet, looks capable of tackling most any kind of task, and to the Times stated that much of his time, if elected, would be to bring relief to the taxpayers of the district and state. He said: "Owning a home or land or livestock is a positive liability these days, and something must be done about it." Later Mr. Payne will speak in Sanderson, outlining his policies.

Mr. and Mrs. W. McRorey and family are visiting relatives in Carrizo Springs, Texas.

T. & N. O. Bridge Burned Last Friday

Last Friday about noon the bridge on the T. & N. O., about two miles west of Sanderson was destroyed by fire. Rufe Murrab, whose ranch is opposite the bridge saw smoke coming from the bridge soon after a freight train had passed over. Mr. Murrab had started to ride off from the ranch when he discovered the fire, and immediately notified officials here, who dispatched a work train to the scene, but the blaze had gained too much headway, and the bridge was totally destroyed. A bridge crew was sent out, and a temporary bridge was cribbed, the traffic being delayed but a few hours.

A full bridge crew is now at work rebuilding the bridge.

PECOS PREPARING FOR BIGGEST RODEO IN WEST TEXAS SECTION

\$2000 IN CASH PURSES
FIFTH ANNUAL RODEO UNDER AUSPICES OF A. L. INCLUDES EVENTS TO ATTRACT BEST TALENT IN SOUTHWEST.

By far the largest rodeo ever held in this section of West Texas is scheduled for July 3 and 4 at Pecos when the fifth annual American Legion rodeo will be held. The event, started five years ago, has grown in size and popularity every year, and the 1934 show promises to surpass by a wide margin anything of the kind held before.

Two full days of bronc riding, bulldogging, horse racing, steer roping and riding, and other events will draw one of the largest crowds from every section of the country. Expert rodeo performers, among them being many professionals, have signified their intention of attending this rodeo, attracted by the large purses being offered for each event.

Cowgirl to Defend Title

Several novelty numbers are also being offered this year, including a wild cow milking contest on both days. Also there will be events for cowgirls, and Isora DeDRacy, Pecos cowgirl, will defend her title as the champion girl calf roper of the Trans-Pecos region.

Dances and other celebrations will take place both nights.

Already possessing the reputation of the finest show in West Texas, the American Legion rodeo at Pecos will again be the high spot of Fourth of July entertainment in this section.

"Sanderson folk have a urgent invitation to come over and celebrate with us," is the way they express it.

SANDERSON NOSES OUT BIG LAKE TRIBE IN NINTH BY 4 TO 3 COUNT

EVERYBODY SOBER
HAYNIE WEAKENS IN THE 9TH HIS WILD FITCH LETTING IN WINNING RUN AFTER NANCE SINGLED AND STOLE THIRD

Our people want to keep in mind two items in keeping with the sponsorship of the American Legion Post of Boy Scout activities for the summer. These are the big dance and baseball game scheduled for tomorrow, Saturday. The first will be a baseball game between the scouts and members of the Legion post—and might be termed the battle of the Colts and the Spavined Work Horses. But it's all in fun, the intent being to give the folk some entertainment for whatever donations they care to make to the boys of the local scout troop.

At night, the circulars announce, there will be a big dance at the C. A. C., the Comanche Ramblers of Fort Stockton furnishing music.

This week the Scout fund is richer by \$10, generously donated from the proceeds of the last Dryden dance, and the committee of Legionnaires in charge of the Scout fund are highly appreciative of the generosity of Sgt. Richardson and associates for their liberal contribution.

So, folks, let's all turn out, cooperate with the ex-service men in their efforts to see that our boys get a break, by creating a fund that will enable them to attend the scout encampment at Cam Fawcett, which opens August 1st.

Shipped Wethers to Clovis
Six cars of wethers were shipped by Russell Menzies last Saturday night, consigned to Clovis, N. M.

Though minus several regular unable to make the big show at the Chandler ranch last week end, Sanderson managed to squeeze out a 4 to 3 victory over Big Lake, in a contest that certainly gave the customers a show for their money.

Anderson, flinging for Sanderson, whiffed 16 of the Big Lake crew who had designs on the apple, and at that, he would have lost the affair on account of several errors at what might be termed crucial stages of the game. Satello, backstop for the locals, can be credited with saving the day by his circuit clout over the center field wall in the initial frame.

Both pitchers were miserly with their hits, Haynie allowing but eight while Andy grudgingly gave up a measly four.

How it happened:

First Inning
Crowell walked, and stole second. Feeling cocky he tried to pilfer the look-in station, but Satello nailed him. Moore and Word fanned.

Duke bingled. Satello lifted one over the garden wall for two markers. Bodkin missed three. Robertson safe when short booted one, Nance out, third to first; Anderson roller in front of the plate beat him to first.

Second Inning
Midgley flew to Nance; Haynie missed three; Mooney missed a fly by White; Glover walked; Andy (See BASEBALL, Page Four)

Referee Stops Bout With Carnera on the Floor in 11th Round

BAER NEVER WORRIED

CARNERA TAKES FIGHT TO THE CHALLENGER, REFUSING TO TAKE ADVANTAGE TO REST AFTER KNOCKDOWNS.

(By Radio, Courtesy of Jim Nance)

Primo Carnera entered the ring at 8 o'clock, and chatted with handlers. Baer, the challenger, entered a few minutes later, grinning in confidence. Both got big hands from the 50,000 fans. Joe Humphries introduced the fighters, dubbed the Italian "The Goliath of Fisticuffs," and Baer the "Adonis of the Ring," who will attempt to bring the championship back to the U. S.

Carnera tipped the scales at 263. Baer weighed in at 210. The latter was arrayed in the movie bath robe he wore in Hollywood, with the name Steve Morgan, whom he portrayed, stamped across the side. The champ wore a blue robe with bright red trimmings.

First round—Both came to center of ring slowly. Baer backing off, the champ trying to work him into a corner. Primo's left is working good and he constantly jabs Baer in the face, while the latter is concentrating on the Italian's mid-section. Canera's jabs sting Baer, and he finally lands one on the champ's head knocking him against the ropes and has Primo in bad way when the bell rings.

Round 2—Primo lands left to face and Baer hits twice to body, then hard to head, both go down, up once more the same thing happens. For three times both men are down together. Baer is laughing at what he considers a funny situation. Primo continues to jab with left. Baer is wary and keeps backing away as the round ends.

At this point it is evident to see that Baer is working on a plan to tire the champ, taking all Primo's jabs in order to land a haymaker to the mid-section. Early in the fight, however, it was evident that Canera could take it in the stomach, his jaw being the weak spot.

Five times the champ was down, but he was up before the referee could begin the count, paying no attention to voices in the vicinity of the ring side advising him to rest.

Gradually getting weaker, his sheer bulk being the only reason he lasted thru so many rounds, the champ came to the 10th round apparently in good shape, exchanging blow for blow with Baer, but very few of them seemed to effect the challenger, who kept grinning and clowning. Near the end of the round Baer stepped in and landed a hard blow to the heart, and then a left, right, left, right to the face, another to the stomach. Primo went down like an ox, claiming foul, he was up immediately only to be knocked down again. He appeared all in and Baer asked the referee to stop the fight.

Baer scenting victory is out of his corner like a flash. Canera is wobbly, but Baer lets him box on and they mix it in the center of the ring. Baer sees an opening to the heart, lands a hard blow, another, and still another, and then sends one with all his strength behind it to the head, and down went the Italian, and he motioned to Referee Donovan he was unable to go on.

Baer wins by a technical knockout and is the new champion of the world.

V. I. Cargile of El Paso was in Sanderson Monday shaking hands with his friends, and incidentally campaigning for Edgar A. Witt, a candidate for governor.

WHAT'S THE MATTER

On Memorial Day, set aside in honor of our hero dead, no flags flew in Sanderson. Yesterday, June 14th, a day set aside to honor the glorious star-spangled banner, emblem of freedom, whose people today enjoy the privileges of freedom as no other people on the face of God's green earth—a doctrine of equality ushered in by the supreme sacrifice of those who died, passing to the great unknown with a silent salute for that symbol of a free people. Theirs to die, ours to honor their memory and the principles for which the Stars and Stripes stand. We repeat, the 14th day of June was officially set aside to honor the flag of our country. This is done in divers ways, the simplest of which is to unfurl the flag—let it wave in the air of a free country. In Sanderson no flags were seen yesterday. Naturally, the question: "What the matter?" Certain we are that here dwell Americans who would resent being called unpatriotic. Here is the home of a group of Legionnaires who, in the not distant past, signified their willingness to die for the principles that has made us a free nation—set us apart from other nations of the globe, and gave us a government of, by, and for the people. It cannot be lack of patriotism that these apparently minor things happen—rather, we are inclined to believe failure to fly the flag on these two occasions is due to thoughtfulness. We would do well to emulate the practices of our Mexican neighbors. They never forget the date of important events in the history of their turbulent republic, and they never fail to celebrate that event, although miles away from their native land.

THE GUARANTEE OF DEMOCRACY

"The freedom of the press is the sole hope of freedom for the people. A dictatorship cannot endure a free press, for with one it cannot maintain itself continuously. A dictatorship—be it Communist, Fascist, or Nazi—always put the press under its heel. Then the people know nothing because they can hear only what the dictator chooses to let them. A free press is the sole guarantee of a free democracy."—San Francisco Chronicle.

"Dark Hazard" is Story of a Dog All Will Enjoy Seeing

STARRING EDW. G. ROBINSON AS THE RECKLESS GAMBLER. ALSO INSIDE DOPE OF HOW RACING DOGS ARE TRAINED

"Dark Hazard," the first National picture with Edward G. Robinson in the stellar role, which comes to the Princess theatre next Monday June 18, for the first time shows dog racing on the screen as the background for a most unusually dramatic picture. The theme of the story deals with a man's mad passion for gambling which costs him love and home. Robinson, as the inveterate but well meaning gambler, will bet on any kind of a game, but his chief weakness is greyhound racing. The exciting race scenes shown in the picture were taken at the popular Compton race tracks near Los Angeles, where greyhounds chase the mechanical rabbit about a five-eighths mile course to the cheering of enthusiastic crowds. Legalized betting is carried on by the pari-mutuel system.

Rotary Official Visit Local Club

Lewis Buddy, field representative of Rotary International, was a Sanderson visitor on Monday of this week. Mr. Lewis visits clubs throughout the United States at all times of the year and was visiting the various clubs of the 47th Rotary district at the request of William Kerr, district governor.

A special meeting of the local club was held Monday evening at the Kerr hotel, at which time Mr. Buddy made an interesting talk to the members following the supper which was served at 7:30. He discussed with the club its plans for the new Rotary year which begins July 1.

Mr. Buddy in discussing Rotary, said: "that the meaning of Rotary is very simple. The whole organization, which is now 29 years old, is based on the fundamental principles and ideals of the life of giving. It gives the members an opportunity for service within the club and to the community in which the club exists. It also furnishes a code of ethics for business and professional men in carrying on their business transactions. Because of its fundamental basis, the organization has grown steadily since its inception in 1905 so that it is now represented in every country in the world except two. Throughout the depression years there has been no falling off in the organization of new clubs."

Mr. Buddy gave to the club the following statistics: "Since the first of July, 1933, ninety-five clubs have been organized in 29 geographical regions. The number of clubs throughout the world at this date is 2,001. The number of Rotarians as of this date is 151,056, a net gain since July 1, 1933, of 7,499 members."

Mr. Buddy left Tuesday morning for Chicago to be present at the international assembly at Mackinac Island, which meets June 19, then at the national convention in Detroit, on June 25.

Vance McLymont, who had spent several months in Fort Worth attending the Durnforth school of pharmacy, returned home the latter part of last week and is now with the Sanderson Drug company.

Will Rogers Stars In Comedy Coming To Princess Today

"MR. SKITCH" IS HISTORY OF THE AVERAGE AMERICAN FAMILY. ROGERS AND ZAZU PUTS AT THEIR BEST

The one and only inimitable Will Rogers comes to the screen of the Princess theatre today and tomorrow, June 15 and 16, in Fox Film's latest comedy release "Mr. Skitch." The screen play is based upon Anne Cameron's Saturday Evening Post story, "Green Dice." The story in the past was read and approved by the millions of its readers a number of years back. The film is equally as attractive.

Rogers, head of a family of six, suddenly finds himself penniless and is confronted with the task of making sufficient money to support his family. He places his brood in an old dilapidated car and starts with them to California with the hope he may secure a job in another community. He finally lands a job as waiter in a gambling casino. He gambles the first dollar he earns on the roulette wheel and wins \$3000, only to have his wife lose the money in an auto camp. Penniless once more he starts to Hollywood to capitalize on the talents of a movie-star impersonator whose acquaintance he has made at one of the auto camps. How Rogers and his family finally manage to emerge from financial difficulties in Hollywood is said to bring the film to an uproarious ending.

Playing opposite Rogers, as his wife, is Zazu Pitts. Wot a team!

Miss Wirz Becomes Bride of McDuffy Kessler, This City

Seymour, Home of Bride is Scene Of Beautiful and Impressive Ceremony on June 14

One of the prettiest church weddings seen at Seymour in a long time was the ceremony Monday morning, June 4, when Miss Anna Lena Wirz became the bride of Mr. McDuffy Kessler. The nuptials took place at 10:30 a. m.

The pulpit and choir space was gorgeously beautiful with flowers and pot plants, roses predominating. Quite a company of friends had gathered and were in pleasing expectancy when Mrs. Tom McCauley entered the choir loft for the ever lovely song, "I love You Truly," with accompaniment by Miss Hazel Bullion. Then Rev. E. C. Cargill took his place in front of the altar, and Miss Billion played Mendelssohn's old, but ever new, wedding march, as the bride and her maid of honor, Miss Rosa Wirz, came down the aisle from the rear. They were met by the groom and his best man, Dave Wirz, who came in from the vestibule at the right of the altar.

The double ring ceremony was used, and the scene was one that will be remembered in pleasant recollection by all who were there. The bride wore navy blue sheer, with accessories to match, and carried an arm bouquet of bride's roses. The costume of the maid of honor was navy blue silk crepe, with accessories to match.

After the ceremony the young couple left for a honeymoon trip to San Antonio, after which they will be at home in Sanderson.

The bride is the pretty daughter of Mrs. Albert Wirz, Mrs. Wirz being one of the early settlers of the county. She lived in the fine country home two miles east of Seymour since long before Miss Anna Lena was born. The latter attended the schools in Seymour and graduated from here. Then she took her A. B. and M. A. degrees from C. I. A. During the last years she was there she was a member of the faculty as student assistant teacher in English, due to a fellowship which had been awarded her. After that she was a member of the faculty in high school at Sanderson for one year, and that is where her romance began, which ripened into marriage. For the past two years Miss Anna Lena has been teaching at Longview. She is a young lady of the finest sort of talents, and the young man capable of winning her heart and hand is nothing short of downright lucky.

The groom is the son of Mrs. H. D. Williams of Sanderson, where he was born and reared. He graduated from high school there, then took an electrical course at Chicago. He is now with the Texas-Louisiana Power company at Sanderson. Those who met him here were delighted with his personality, and feel happy that the future of our fine young lady will be entrusted to the care of so capable and so likeable a character. No young couple can start out with a better prospect for happiness, and with a greater stock of good wishes than has been supplied by the many friends of this young couple.—Baylor County Banner.

HETHCOX-STEVENS

At the home of the bride's parents in this city, Justice of the Peace R. L. Henry united in marriage on last Saturday afternoon at six o'clock, Miss Margaret Stevenson and Mr. Millard Hethcox.

The bride is the attractive daughter of Mr. and Mrs. S. E. Stevenson, who have made this city their home for several years.

The groom recently came here from Arizona and is now employed at Lozier Canyon, where the young couple went immediately following the ceremony.

Guests of Mr. and Mrs. Lindsey Hicks at their ranch several days this week were Mr. and Mrs. Robert Duncan, Mrs. James C. Sharp and Miss Margaret Hays.
