NUMBER 31

## MINERS - LOBOS CLASH AT HILAND FAIR

### Column Right

Now comes a Yale theology professor who call the President playboy. Mr. Roosevelt is having as strenuous a time as any president ever had. Even his occasional fishing trips are enjoyed snatches, airplanes continually to and from his boat with important business which must have attention. The professor also the chief executive an opportunist. If memory serves us correctly Mr. Roosevelt was elected by the vote of every state except six. Well, that kind of clatter is about all one could expect from a theologian when discussing politics.

Met two old friends from over Pecos way the other day—Geo. Finley and his good wife. Wish Sanderson people could hear the couple sing the Praise of Pecos. Meeting the Missus recalled happy days of yesteryear, when our boys were introduced to the maze of school routine. Mrs. Finley started them off on their attack on the "R's." Quitting the trials and tribulations of pedagogy she married, settled down, made Pecos her home, and became a boomer de luxe—every one does over here. For acon, when one hears on the merits of Pecos town, some one wisecracked about the water—harder than the heart of Charah—and they crawled into their shell. Not any more! Mrs. Finley informs us that the city bought the pumping plant—hired a water witch, scouted the acres nearby and found water softer than the cooing of a dove. Then there's the new federal building wearing completion, an imposing structure, but not so imposing as Postmaster Collie—for it is rumored that he and R. E. Thomson built it. Who built the post office Morris? Red Bluff dam just to the river—a \$2,000,000 project—is in the course of construction. Talk about prosperity! And a brand new radio station, to tell the world about all these wonders with cantaloupe for dessert. But that KIUN station must be a flop, or else it's too weak to "hiss" its tunes over our hills.

### Rendered Values In Terrell County Over 4 Millions

Terrell county's assessed valuation for 1935 was announced this week by Jim Nance, deputy in the county tax assessor and collector's office, as \$4,219,020. That figure compares with \$4,854,256 for last year.

The decrease in valuations this year is due to the ten per cent reduction in valuations ordered by the commissioners' court at a meeting early in the year.

With a state tax rate of 62c on the \$100 valuation, it is estimated the state would receive \$2,841,233 from this county; the county retaining \$62,032.33, of which total the sum of \$29,545.87 would revert to the school—provided all taxes are collected. The county rate is \$1.57 on the \$100 valuation.

The levies for 1935 are assessed as follows: The Utilities at \$67,690; railroad, \$996,150; bank, \$29,500; real estate, \$2,357,533; and personal property, \$833,577.

Tax paying opened last Tuesday morning, Oct. 1. Those who wish to take advantage of the split tax payment may pay one-half their taxes between that time and November 30th, and the other half by June 30th, 1936. In paying the split tax those assessed a poll tax must pay the poll tax when they pay their property tax but can't split poll tax payments.

Taxes of those who do not take advantage of the split tax payment must be paid by January 31, 1936 to avoid penalty and interest.

Poll tax must be paid by midnight of Jan. 31, 1936, to entitle one to vote in 1936 elections. One may pay poll tax without paying property tax, but one cannot pay property tax without paying poll tax.

ILLINOI STAR

Wib Henry, 185-pound junior, succeeded Jack Benyon as regular quarterback on the university of Illinois team. Henry is a good passer and runs and blocks capably.

### Marfa Takes On New Life When Fort Regarrisons

Marfa, Oct. 5.—Activities at Ft. D. A. Russell during the last few weeks as the army post was re-habilitated have resulted in the old border fort being reconditioned and once again made into a thriving village for members and officers of the 77th field artillery.

The fort was abandoned by the United States army on Jan. 2, 1933, and the offices taken over by the Border Patrol, but this unit was not large enough to call for keeping the homes, office building and grounds in orderly shape. As a result the place was not in the best condition when the new unit moved into its quarters.

The unit now here was stationed at Fort Ethan Allen, Vt., June 13, 1917, after its organization and served with the 4th field artillery brigade in the World War. It was in the Aisne-Marne, Meuse-Argonne, Vesle (Champagne) and Rupt (Lorraine) campaigns.

From September 12, 1921 until its current reconstitution the unit was inactive.

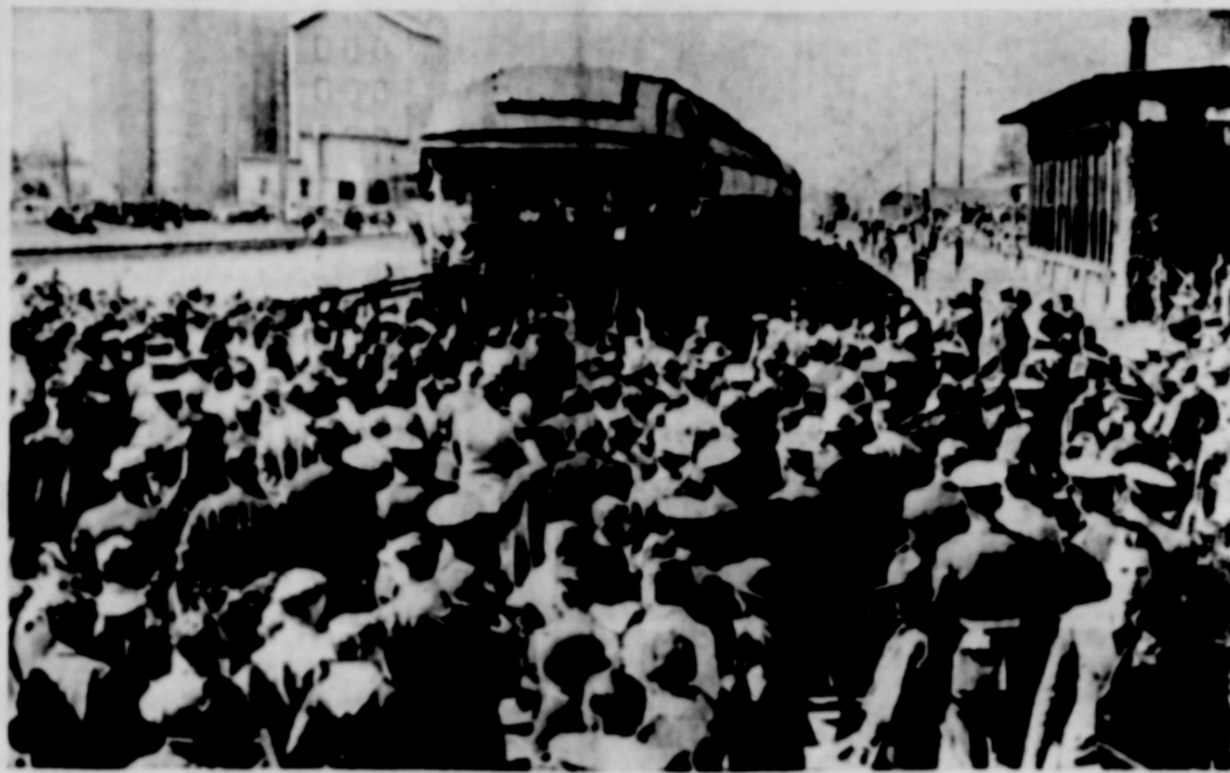

Colonel Robert H. Lewis is the commander of the unit. He is a graduate of West Point and has been stationed at Fort Sill, Fort Riley, France, in the Philippines, Fort Sam Houston and other posts since leaving the military academy. Mrs. Lewis is a native Texan, the daughter of Mr. and Mrs. J. R. Blocker of San Antonio.

Members of the 77th field artillery are from Texas, New Mexico, Arizona and Oklahoma.

Fort D. A. Russell was established in July, 1910, with Troop M of the 3rd cavalry and H of the 14th cavalry being the first units to be stationed here. It was then known as Fort Marfa. Since that time several units have been stationed here.

The guns used by this unit together with their carriages weigh about 8000 pounds each and fire a projectile less than six inches in diameter and weighing about 100 pounds. The range is approximately 13,000 yards. The present plans call for 8 of these "heavies" for the 77th. The unit is completely motorized under the new motorization program being carried out by the army. The artillery will require a total of 115 motor vehicles, including eight 5-passenger sedans, 14 pick-up trucks, 24 8-passenger reconnaissance trucks, 45 five-ton trucks, 13 7½-ton trucks, 4 five-ton tractors, 1 ten-ton tractor, 5 semi-trailers and 1 four-ton field ambulance.

### Farmers Hear President at Fremont

Thirty-five thousand farmers gathered at Fremont, Neb., to hear President Roosevelt speak from the rear of his car as he was journeying to the west coast. He was given an enthusiastic welcome.

### Eagles and Iraan Battle In Dist. Fracas on Braves' Field

#### Jury in Mason Frees Latta On Murder Charge

Lawrence Latta, who at one time ranched in this county, was acquitted on a charge of murder last Saturday by a jury in Mason, where his case had been on trial all last week.

Latta's wife, Mrs. Estelle Calk Latta, died of gunshot wounds in an apartment house on N. Main street, Del Rio, on March 8, 1932, and a murder charge was filed against him.

On a change of venue the case was taken to Uvalde where Latta was tried, and found guilty on February 20, 1933, and sentenced to two years imprisonment. The case was appealed and the Court of Criminal Appeals reversed the decision of the lower court, and remanded the case to Uvalde for retrial.

At the retrial in Uvalde Latta was granted a change of venue to Bandera where the case was again continued. In November, 1934, the case was tried in Bandera, resulting in a mistrial.

The case was then transferred to Mason, and when called for trial on September 16th, this year a continuance was granted until the 30th, as counsel for defense was ill and two witnesses were absent.

The case was a long drawn out one and the arguments were ended in a special night session last Friday, the jury getting the case about 10 p. m.

Saturday's verdict closes the case that has been in the courts for the past three years.

At the last regular session of the legislature a law was passed whereby those who paid current taxes during the month of October were entitled to a discount of 3%; if paid in November the discount was 2%, and in December 1% was allowed.

Now pending before the Supreme Court at Austin is a mandamus suit testing the validity of the discount law, and the local tax assessor-collector is in receipt of the following letter from Geo. H. Sheppard, state comptroller of public accounts, regarding payment of taxes at a discount:

"A mandamus suit has been filed in the Supreme Court at Austin, testing the validity of the discount law, and we are advised a hearing will be had in the early future.

"In fairness to taxpayers, we would suggest that you notify them, either by publication or otherwise, that if they wish to take advantage of this discount, should the court hold the law constitutional, that they make tenders of payment, less the discount.

"You should keep a record of all who make tenders and advise them that you will issue the receipt less the discount, if paid immediately after the court's decision."

#### Legion Auxiliary Elects Officers

At a meeting held Tuesday night at the courthouse the following were elected to serve as officers for the coming year of the Clarence Hallie Mulkey Unit No. 160, auxiliary to the local American Legion post:

Mrs. Ruby Frazier, president; Mrs. Viola Morris, first vice president; Mrs. Myrtle Higgins, second vice president; Mrs. Theresa Dawson, secretary; Mrs. Mary Lou Keller, treasurer; Mrs. Helen Duke, chaplain; Mrs. Lucile Gilbert, sergeant-at-arms; and Mrs. Gladys Osgood, unit historian.

The unit will sponsor the sale of poppies on Armistice Day, November 11th.

#### Invade Reservation of Iraan Braves Saturday Minus Richardson, Tackle

#### Supreme Court of Texas to Pass On Tax Discounts

The Eagles of Sanderson high school will take off tomorrow for Iraan where they will play their second district game with the Braves of Iraan high school.

The Eagles did not play last week end, and have come thru a week of grueling practice without any injuries, and should be primed to give a good account of themselves on the Iraan reservation.

Sanderson players and fans motored to Iraan last Saturday and scouted the game between Iraan and McCamey, and came back hopeful that they can win tomorrow's game.

Iraan's offense is built around two oversized backs, Booth and Jolly, but their style of attack should prove easy against the clawing defense of the Eagles.

One other player, Glendenning at tackle, might cause our boys some worry, especially as Richardson, 180-lb. Eagle tackle, will be watching the melee from the bench. To fill this position has made an old man out of Coach Smith. He probably will alternate the scrappy Lochausen at this position and in the backfield.

The starting lineup, given out by Coach Smith yesterday is as follows:

Smith, left end; Allen, left tackle; Lea, left guard; Deaton, center; Appel, right guard; Kerr, right tackle; Bogusch, right end; Sullivan quarterback; Lochausen, right halfback; Mussey, left halfback; Halley, fullback.

The pep squad girls, thirty-three strong, with new uniforms, including bell-hop caps of black and gold, are planning to make the trip, provided enough citizens will go and make transportation available.

Sanderson people planning to make the trip, and who will have room for passengers are requested to get in touch with Miss Lois Taylor, yell leader of the girls' pep squad.

Let all go who can and root for the Eagles; they feel they will need plenty of encouragement in this conference game.

As president, Mr. Bowen will carry on with the active management of Community Public Service Company, which will continue to function as an independent operating company, serving electricity, gas, water and ice in over 200 towns and communities in Texas, New Mexico, Louisiana and Kentucky. The concern has no holding company affiliation.

As president, Mr. Bowen will carry on with the active management of Community Public Service Company, which will continue to function as an independent operating company, serving electricity, gas, water and ice in over 200 towns and communities in Texas, New Mexico, Louisiana and Kentucky. The concern has no holding company affiliation.

As president, Mr. Bowen will carry on with the active management of Community Public Service Company, which will continue to function as an independent operating company, serving electricity, gas, water and ice in over 200 towns and communities in Texas, New Mexico, Louisiana and Kentucky. The concern has no holding company affiliation.

#### Presiding Elder Preaches Tonight

Dr. W. H. Coleman, presiding elder of the El Paso District, will preach at the Methodist church (tonight) Friday, October 11, at 7.30. The fourth quarterly conference of the church will be held immediately afterward.

#### DISTRICT ENGINEER HERE

George B. Finley, district engineer of the state highway department with headquarters at Pecos was a visitor in Sanderson Tuesday, and was accompanied by Mrs. Finley. Much repair work is now under way on highways in this area, and George was giving things the once over.

### Annual Grudge Game Will Climax Sports Program Saturday Afternoon

#### Bowen Elected President of the Utilities Group

R. L. Bowen, formerly vice president and general manager of Community Public Service company, was elevated to the presidency of this concern at a meeting of the board of directors held in Chicago on October 2.

Mr. Bowen, who has many friends in this community, having made a number of business visits here, is a native of Van Alstyne,

R. L. BOWEN

Texas, and has been connected with this company and its predecessor companies in various capacities since 1921. He began his utility career as a line walker at Graham, Texas, and worked his way up in successive steps to his present position. His election to the presidency completes the roster of officers for Community Public Service company. All are native Texans, and all have been connected for some years with the predecessor concern, Texas-Louisiana Power company. They are: N. R. Parsons, treasurer; Bennett L. Smith, secretary; and W. Z. Leatherwood, assistant secretary.

As president, Mr. Bowen will carry on with the active management of Community Public Service Company, which will continue to function as an independent operating company, serving electricity, gas, water and ice in over 200 towns and communities in Texas, New Mexico, Louisiana and Kentucky. The concern has no holding company affiliation.

#### RAILWAY CHAIRMAN HERE

L. A. Weiss, Houston, general chairman of the Order of Railway Trainmen, was in Sanderson Monday in his official capacity, and met with the members of the local order that day.

Doubtful ills plague us worst.

### Federal Credit Bank Officials Visit Section; Are Pleased With Prospects

A prominent guest in Sanderson on Monday of this week was Dwight P. Reordan, president of the Federal Intermediate Credit Bank of Houston, who with other officials, is touring a wide area of west and southwest Texas. Accompanying Mr. Reordan were D. B. Sauls and Fayette Mayes, field men for the Credit Bank, J. A. Lipscomb, guest of Mr. Reordan, and Geo. E. O'Neil, manager of the Del Rio Wool and Mohair Co.

The party was met at Dryden by Joe Kerr of this city, who accompanied them on a tour of the Dryden section, after which they started for Sanderson, arriving in time for lunch, being joined here by Alexander Mitchell, president of the Sanderson Wool Commission Co.

After lunch the party made an

Marfa, Oct. 10.—Bitter rivals, the School of Mines of El Paso and the Sul Ross college Lobos of Alpine will clash in one of the most colorful, and hardest fought games of the year in a grid classic on October 19 at the grounds of the Highland Fair at Marfa.

This football game, the one that both Sul Ross and the College of Mines are agreed is the most important of the year to them, will end the program of the Highland Fair at the fair grounds. A street carnival will last until late Saturday night. The Fair proper will be climaxed by the last of a series of dances at the Paisano Hotel ballroom.

Old heads agree that this 8th Highland Fair will be one of the best in its history. Good grass, good cattle and good prospects have marked the end of the depression in the Highland country.

The only fair west of the Pecos will offer rodeos, cow pony racing, exhibits, the most famous Hereford feeder sale in the world, two good football games and a street carnival. Free barbecue will be served to all who attend Thursday and Friday, October 17 and 18.

### Ben Gilbert to Head Local Post American Legion

Ben H. Gilbert, prominent young ranchman of Terrell county was elected commander of the local American Legion post at a meeting held Wednesday night at the courthouse. Mr. Gilbert is a very active member of the post and under his leadership the Legion will no doubt continue its activity with the boy scouts and other worthwhile community projects. He succeeds Ray Caldwell who was commander during the past year.

Other officers elected for the ensuing year were Andy Anderson, first vice commander; P. J. Holman, second vice commander; Ben Dawson, finance officer; Ray Caldwell, chaplain; D. L. Duke, service officer; Tip Frazier, historian; R. H. Lowellen, sergeant-at-arms; A. E. Creigh, adjutant.

The Legion is planning a joint meeting with the auxiliary next week, at which time there will be installation of new officers, both for the Legion and the Unit. It is hoped that Mr. and Mrs. M. L. Hopson, Alpine, committeemen of the 16th district, can be present to install the officers.

At the meeting Wednesday night sixteen members paid due for the new year. Last year the post had a membership of 42, and hopes to reach that quota for the coming year.

District Judge Brian Montague and District Attorney Julian La-Crosse, of Del Rio, were business visitors here Thursday.

ROTARIANS ENTERTAIN WITH BANQUET

The Sanderson Rotary club was host to its members' wives, the school faculty, the board of school trustees and other guests at the high school building last Friday evening.

The guests assembled in the banquet room of the Home Economics department where a Mexican dinner was served.

With Alfred E. Creigh, Jr., as master of ceremonies, a very entertaining program was carried out as follows:

Invocation, Dr. John V. McCall; group songs; introduction of the school faculty, Rotarians, Rotaryans and guests; welcome address, Judge G. J. Henshaw; vocal duet, Messrs. L. M. Baze and D. L. Duke; baritone (instrumental) solo, Joe Kerr, Jr.; Spanish dance number, Mrs. Kenderick Harrell; coronet solo, J. E. King; vocal solo, D. L. Duke. A Mexican orchestra also was present and played several typical Mexican musical numbers.

The following Rotarians, their wives, faculty members, school trustees and guests were present: Dr. and Mrs. P. W. Mallory, Mr. and Mrs. Jim Kerr, Mr. and Mrs. Joe Kerr, Mr. and Mrs. L. M. Baze, Mr. and Mrs. Will Savage, Mr. and Mrs. Bill Vaughn, Mr. and Mrs. Rufe Murrain, Mr. and Mrs. Sims Wilkinson, Mr. and Mrs. Al Creigh, Mr. and Mrs. J. Ferguson, Dr. and Mrs. J. V. McCall, Mr. and Mrs. R. D. Holt, Mr. and Mrs. Kenderick Harrell, Mr. and Mrs. D. L. Duke, Mr. and Mrs. Roscoe Parker, Mr. and Mrs. Clyde Griffith, Mr. and Mrs. Joe Pennington; Misses Mary Baskin, Margaret Martin, Nell Kruger, Dorothy Wilson, Ruth Howell, Evelyn Healy, Lorine Childers, Vera Wade, Margaret Lattimore, Leitha Chaffin, Martha Anderson, Hazel Bruton, Pearl Howell, Mary Arrington; Messrs. G. J. Henshaw, Lynn Harrell, C. J. Watts, J. E. King, Bernie Morgan, Duane Smith, Denny Sullivan, Griffin Lattimore and Joe Kerr, Jr.

Our autumn all-wool fabrics are now ready for inspection. The prices run from \$22.50 to \$55.00, but you've got to see their quality and beauty to appreciate their value.

Mrs. J. C. Green and daughter, Willie Mae, were Alpine visitors last Saturday, going up to see the football game between Sul Ross and A. C. C., which Sul Ross won by a score of 27 to 7.

Mr. and Mrs. S. S. Daggett visited in El Paso Wednesday.

Mr. and Mrs. H. E. Fletcher were visitors in Del Rio last Thursday.

W. W. Laughlin and sons, Jack and Charlie, spent the week end in Kerrville with Mrs. Laughlin and Bill.

Mr. and Mrs. Fred Hoey arrived Thursday from San Antonio to spend the week end with her parents, Mr. and Mrs. J. C. Mitchell.

Princess Patrons Advised to See Hugo's Classic, "Les Miserables"

Dear Friends and Patrons:

As a rule attractions booked for the Princess are advertised on their merits in a general way, and only one time in the history of our organization have I written a personal message urging patrons of our theatres to see a certain picture. That picture was "KISMET" starring Mr. Otis Skinner.

This is going to be my second appeal, and if it were possible I hope that this appeal shall be even stronger than my first.

To sum up in just a few words: whatever else you do, or do not, be sure to see "Les Miserables."

Before contracting for this picture to be shown in Sanderson I personally witnessed the performance presented by the owners of the picture as I firmly believed they were slipping a cog in the representations as to the entertainment wonders of this masterpiece, and that their lease price on this attraction was far beyond the real value. I admit I was pleasantly surprised to find it to be an attraction that accomplished almost the impossible, for it writes in letters of fire Victor Hugo's Damnation of Injustice. He hurls his challenge into the face of civilization in a manner that you live each page of the book thruout the film.

Taken from a book read by millions each year, the directors did not overlook the tremendous entertainment value that will appeal to educational leaders, to all school students, lawyers, all societies, clergymen—and even the most humble worker will find a thrill from the page of real life in this tremendous "Les Miserables."

In all key city theatres this attraction has been shown at highly advanced prices, but it is our intention to bring it to your city at popular prices so all may see the wonders of the Twentieth Century achievement, and I cannot impress upon you too strongly that you may expect the very best word in entertainment and class production, not to overlook the tremendous message inspired by this subject which will burn itself deep into your memory that "Life is to give, not to take."

Again let me urge you—don't miss seeing "Les Miserables" at the Princess Theatre, Friday and Saturday, October 18 and 19.

Sincerely yours, OSKAR KORN, Owner.

Mr. and Mrs. M. H. Goode, Sr., were visitors in town this week from their ranch on the Pecos.

The Man Who Knows

Whether the Remedy You are taking for Headaches, Neuralgia or Rheumatism Pains is SAFE is Your Doctor. Ask Him

Don't Entrust Your Own or Your Family's Well-Being to Unknown Preparations

BEFORE you take any preparation for the relief of headaches; or the pains of rheumatism, neuritis or neuralgia, ask your doctor what he thinks about it—in comparison with Genuine Bayer Aspirin. We say this because, before the discovery of Bayer Aspirin, most so-called "pain" remedies were advised against by physicians as being bad for the stomach; or, often, for the heart. And the discovery of Bayer Aspirin largely changed medical practice.

Remember this: Genuine Bayer Aspirin is rated among the safest methods yet discovered for the relief of headaches and all common pains... and safe for the average person to take regularly. You can get real Bayer Aspirin at any drug store—simply by never asking for it by the name "aspirin" alone, but always saying BAYER ASPIRIN when you buy.

Bayer Aspirin

LEGION COMMANDER

Ray Murphy, an attorney of Ida Grove, Idaho, was elected national commander of the American Legion at the convention in St. Louis. Mr. Murphy served on the Mexican border and in the World War.

Charles Cochran, nephew of Mrs. Luella Lemons, passed thru Sanderson on the midnight train Sunday enroute to his home in Tucson, Ariz. Charles is a member of the University of Arizona football team that journeyed to Shreveport and played the Centenary Gentlemen last Saturday, being defeated 14 to 7.

We do not do "cheap" cleaning. Quality at a fair price for over ten years speaks for itself. Let us take care of your dry cleaning and tailoring regularly and see the difference. Phone 68 today. EMPIRE CLEANERS & TAILORS, Frank Robertson.

Mrs. Bozarth Brown and Mrs. Kenderick Harrell were shopping visitors in Del Rio Tuesday.

Churches

PRESBYTERIAN CHURCH Sunday school, 9:45 a. m. Preaching at 11 a. m. and at 7:30 p. m.

The Lord's Supper will be celebrated at the morning hour. The young people will have their vesper program at 6:30.

The auxiliary meets Monday with Mrs. N. E. Charlton. Mrs. John Nichols will direct a program on Mexico.

Prayer meeting Wednesday at 7:30 p. m.

Our Rally Day last Sunday was splendid in attendance, in offering and in fellowship. Let us keep up our interest and be present next Sunday for the Communion season.

JOHN V. McCALL, Pastor.

METHODIST CHURCH "The Ancient Landmark" will be the subject Sunday morning at the 11 o'clock hour.

The junior boys of Mrs. Underwood's class will conduct the worship service of Sunday school at 9:45 a. m.

Epworth League, 7:00. Evening service at 7:30.

S. M. MIMS, Pastor.

CATHOLIC CHURCH Mass every morning at 7:30. Sunday—First Mass at 7:30 a. m., second Mass at 9 a. m. Rev. John M. Bertrant, Rector.

CHURCH OF CHRIST 10 a. m. Bible study. 11 a. m., worship. 11:45 Communion.

Young people's meeting will be held each Sunday at 5 p. m.

The Ladies' Bible class will meet each Tuesday.

Mid-week Bible class Wednesday.

Clyde Morris, local manager of the Community Public Service Co. returned the first of the week from Ft. Worth and Dallas where he attended a meeting of company executives and officials. He stated that on every side were indications of returning prosperity, practically every city and town showing signs of returning good times.

Jean Harlow and William Powell Co-Star in Smash Hit "Reckless"

The two most talked of stars in Hollywood come to the screen in a new co-starring team in the picture "Reckless," which will be shown at the Princess Theatre tonight and Saturday, October 11 and 12. These two stars are Jean Harlow and William Powell.

The picture is one of the most thrilling and colorful ones in recent months. It is the story of a beautiful blonde dancer who rises from a back-country carnival dancer to the golden lights of Broadway, a dancing star who becomes a nation-wide sensation, who marries a playboy millionaire, who captures society by her charm.

It is the story of a girl who becomes tagged in front page sensationalism through the suicide of her husband, who fights for her name, for her child—a story of her bravery and decency, of her courage and her hope, with one man in the background who has always loved her and understood her and who comes to her rescue.

Miss Harlow plays her best role since "Red Headed Woman," as the torch singer and dancer, Mona Leslie. Too, she appears for the first time as a singing and dancing star.

William Powell plays the role of Ned Riley, the promoter of everything from a flea circus to bearded wrestlers, as only Powell can play it.

Franchot Tone again comes to us as the millionaire playboy who first wins Miss Harlow's heart, and whose suicidal act drags her from the pedestal of fame into the mud of scandal.

As a whole, "Reckless" is crowded with plenty of color, life, beauty, music and gaiety. Producer David O. Selznick and Director Victor Fleming have left nothing undone to make the film one long to be remembered.

The picture introduces four lively musical numbers, in all of which Miss Harlow appears as a singer or dancer. They are: "Reckless," "Hi Diddle Dee Dum," "Everything's Been Done Before," and "Hear What My Heart is Saying," each number presented in a beautiful chorus setting.

Many Prominent Speakers at Waco Health Meeting

Austin.—William McCraw, attorney general, will be one of the speakers at the annual meeting of the Texas Public Health Association, to be held in Waco, October 16 to 18. Other speakers of statewide and national reputations in their respective fields will also be present, according to the president, Dr. B. E. Pickett.

Each year the Texas Public Health Association holds a meeting or short school that is attended by all who are interested in health work in Texas. Its membership is composed of doctors, nurses, sanitarians and others. Many towns and counties send representatives in order that they may become familiar with the trends in public health as it affects their communities and the State as a whole.

Some of the subjects that will be discussed during the meeting are mental hygiene, nursing service to schools and communities, immunization of children, control testing of water and milk, sanitation and sewage supplies.

The meeting this year is of great importance as many health features enter into the Social Security Bill; these will affect the entire State when money with which to carry it out is appropriated. The state-wide malaria and sanitation program will be described and other subjects of very timely interest will be given.

Jack Deaton, Elton Halley and Dick Sullivan attended the football game in Alpine last Saturday between Sul Ross and Abilene Christian college.

Mrs. Clyde Deaton came in Sunday from El Paso and is with her mother, Mrs. W. R. Ellis. She has accepted a position as waitress at the Iris Lunchroom.

In the Grades

The fifth grade art class has completed making window curtains for the class room and will hang them today. They have cut, pricked, sewed and made them out of wool sacks, sewed them, and made them like Indian curtains. The children bought the paint and supplies to finish them. Miss Wilson is teaching us this work. Our room will look nice when the curtains are hung. Earl McDonald, Fifth Grade

The sixth grade is studying some interesting arithmetic. They are having all kinds of fractions, including word problems. We all seem very interested at this time. Patricia Ann Brannon, 6th Grade.

The fifth grade just finished a project on South America. Our study has been of all the territories in South America. We have taken up the crops in every country and we have learned all of the capitals of the countries. Each one in the class has made a book, the title being "Our Trip to South America." We started off with Chile, Argentina and Brazil. To be sure, it has been a very interesting project. Billy Jo Corder, 5th Grade.

A bear sleeps in his bear skin And keeps warm from head to toes; But one night I slept in my bare skin, And I nearly froze!

John Hardgrave, 6th Grade. In the sixth grade reading class, under the direction of Miss Kruger, the boys are making models of the Alamo which still stands in San Antonio. Meantime the girls are making silhouettes of the same thing. When every one has finished with the Alamos, a display will be made of them in the window of a downtown store. Jimmie Wilkinson, 6th Grade

Missionary From Africa is Guest at General Assembly

L. M. McCutchen, evangelistic missionary, was guest speaker at the regular assembly Tuesday, October 8, at the Sanderson high school. Mr. McCutchen, formerly of St. Charles, S. C., was introduced by the Reverend John V. McCall of the Presbyterian church. Mr. McCutchen was stationed in Bulape, Africa, in the Belgian Congo for four years. He had many displays to show the students that are common in that region. He showed how most of the clothing was made and how it looked when completed. Visitors at this assembly were Mrs. W. C. Vaughn, Miss Mary Arrington, Mrs. Fred Yeates, Mrs. R. D. Holt, Mrs. Luella Lemons, and Mrs. J. V. McCall.

DRYDEN SCHOOL

There are three members of the elementary school of Dryden. The member of the first grade is Jimmy Merritt. The members of the third grade are Jackie Buchanan and Bobbie Morris. There is no second grade. Miss Margaret Lattimore is the teacher of this school. They are studying about the Indians of the Southwest. Last week they made a pueblo.

Eagles to Iraan For the Second Conference Tilt

The Warbirds will go into combat with the Braves of Iraan tomorrow. The feathered flock have had a week's rest now, and ought to be ready to play their best game.

The scouts came back from Iraan last week with alarming reports. They say that both Iraan and McCamey have nice teams. It is going to take sixty minutes of hard football to win either game. McCamey seems to have the best ball club of the two, but Iraan had suffered from the Alpine game.

Eagles Working Hard Sanderson has been working hard all week getting ready for their tilt with Iraan Saturday. The Eagles have been given some more new plays, and they have been polishing up on the others. They have been blocking and tackling a lot to stop Iraan's two big backs.

Homer Richardson, big 180-lb tackle, will be out of the game Saturday on account of his subjects. James Allen will probably take care of his position.

Starting Lineup the Same With the exception of "Porky" the Eagles' starting lineup will probably be the same. Smith and Bogusch on the ends, Kerr at tackle, Appel and Lea, guards, and Deaton at center in the line. In the backfield there will be four veterans. Sullivan will be field general. Halley, fast breezing line plunger, will be at fullback. Lochausen will do his blocking assignment at right halfback position. Mussey, who will be out to skirt a few ends, will hold down the other halfback.

The boys are going to need supporters tomorrow. S. H. S. would like to see a good crowd over there from Sanderson.

Home Economics Classes Adopt a Motto: Objectives

"The Eagles Future Home-Makers," the newly organized H. E. club, met Thursday, Sept. 26. Rosa Mae Clark read the first five articles of the Constitution which she and her committee had drawn up. The club accepted all articles as read.

"We Do Our Part" was chosen for a motto. The permanent objectives of the club are: To practice parliamentary procedure; to bring students in close contact with state and national home economic organizations; to provide experience in group cooperation without school discipline and adult direction; to develop sportsmanship, personality, and social poise; and to help hold up the standards of the school.

The club invites visitors. Visitors at the last meeting were Mildred Hurst, Zada Van Cleave, Florence Van Cleave and Audrey Ware.

The girls in the second year class have completed their study of canning and have canned 32 pints of food.

DEBATE CLUB

The debate club is getting under way and has practice debates during the club periods. The practice subjects are of school interest. Some of the subjects debated on are: "Resolved, That Inter-scholastic League football should be abolished," and "Resolved: That the young man of today has a better chance to succeed than his grandfather did."

The debate bulletins are expected soon and it is hoped that the students will soon be able to begin work on the debate question for this year, which is: "Resolved: That the government should control cotton acreage."

Now that the schools are in session again and the debating societies are getting down to business, there is no longer any reason why all those questions which have been puzzling everyone so much should not be settled once and for all.—Pathfinder.

Hold that line!
Claw 'em, Eagles!

Children of First Grade Entertain Visitors With "Big Time" Circus

The circus is in town! With the pupils of the first grade as sponsors a very interesting circus was given Monday and Tuesday afternoons in the primary department before a large assembly of mothers.

Tickets were sold outside the big top.

Inside the door the tickets were taken up and everyone was ready for the performance. In the sand table a white tent with colored paper banners was erected. On all sides of the room were cages of wild animals brought by the children from toy boxes at home. There were bears, elephants, monkeys, dogs, clowns and everything to be found in a large circus. A first grade child was placed beside each cage to tell the people about the animals in that particular cage. The keeper of the pig cage was very disgusted because one of the pigs got so sleepy he went to the back of the cage, laid down and took a nap.

Each person present registered her name in a book.

There are 25 children in the 1st grade and this circus is a project.

Faculty Members Enjoy Banquet

The girls from the first and second year Home Economics classes acted as waitresses at the annual banquet given by the Rotarians in honor of the Sanderson public school teachers. The girls were dressed in Mexican costumes.

The decoration motif for the banquet was in Mexican style and Mexican foods were served. The room was decorated with Mexican shawls and sarapes on the walls and the piano. Green candle-holders with red candles and pepper plants were the table appointments.

Mr. A. E. Creigh was toastmaster. Mr. R. D. Holt introduced the faculty while the Rotarians introduced themselves and their guests. A welcome address to the teachers was made by Judge G. J. Henshaw and a response was given by Miss Childers. Mr. L. M. Baze and Mr. D. L. Duke sang a duet accompanied by Mrs. Wilkinson. A solo on the baritone was played by Joe Kerr, Jr. and Mr. King, band director, played a coronet solo. A Spanish solo was sung by Mr. Duke. Dressed in Spanish costume, Mrs. Kendrick Harrell gave a dance. At the conclusion all present joined in singing "Auld Lang Syne."

Seniors Meet to Plan Activities of Last School Year

The seniors met in the book-keeping room on Tuesday of this week at 3:45 and were notified that the senior rings arrive Monday. They will try to be wearing them by the end of this week.

Mr. Holt made a short talk on several things that the seniors will do and give this year. He suggested they begin thinking about the senior play which will be given as usual as in preceding years. He also suggested that with all the money that is left after necessary expenses, be used to buy a gift of some kind to give to the school and community. These things will be decided upon at the next meeting.

Lillian Halley was elected secretary and treasurer of the class.

Ages of High School Students

The average ages of the student body of Sanderson high school are 15 and 16. There are 22 students that are 15, and 22 that are 16 years of age.

The youngest age in high school is 13. There are twelve students that age. There are three in the senior class that are 15 years of age. They are Lillian Halley Lucille Blount and Mary Ferguson. The oldest student in Sanderson high school is Lena Mae Bricker, age 19.

Any citizen of the town who plans to take their car to Iraan tomorrow and would like some passengers to share expenses, please see me about transportation for the girls of the pep squad. LOIS TAYLOR, Head Yell Leader.

New Schedule in Effect at School

Beginning Monday, October 7, the students of the Sanderson schools have adopted a new time schedule. School begins at eight fifty-five. The roll is checked and classes begin at nine o'clock. Classes are dismissed at twelve o'clock for lunch and begin at twelve forty-five. The school is dismissed at three forty-five. This change applied to the grammar school as well as the high school.

JUNIOR PERSONALITIES By Mildred Stavley

Name: Mildred Fawcett. Saying: By the way. Food: Angel food cake. Why she goes to school: To get educated. Hobby: Hiking. Pastime: Reading. Nickname: Red. Name: Ruby Lee Haines. Saying: Let me think. Food: "Coke." Why she goes to school: To be going some place. Hobby: Swimming. Pastime: Washing dishes. Name: Pat Harris. Saying: You don't say. Food: Meat. Why he goes to school: To learn something. Hobby: Baseball. Pastime: Reading. Nickname: Pat.

NEW SENIOR STUDENT Vick Newton, 16, started school here Monday, October 7. Vick attended school the past year in Valentine high school. He is a senior and an athlete in the field of tennis and basketball.

MATH CLUB

Working puzzles that were brought by members of the math club was the feature of the club's last meeting held last Thursday. Many of the puzzles were not completed until Mr. Parker, their instructor, assisted in solving them.

... Successful aid in PREVENTING Colds

At the first nasal irritation or sniffle, apply Vicks Va-tro-nol—just a few drops. Used in time, it helps to avoid many colds entirely. (Two sizes: 30¢, 50¢.)

Pep Girls Train For Iraan Game

Thursday afternoon, October 3, the pep squad met in the gym for practice of their yells and songs. Their sponsors, Miss Childers and Miss Heatly, started them marching at this meeting, and they are learning to turn square corners and to march in three rows. On October 4 they had another meeting and practiced again on their yells, songs, and marching.

All the girls are planning to go to Iraan and support the football boys, who will play there Saturday, October 12. Every member has her uniform, which makes a total of thirty-three in uniform.

An invitation is still open to any one who wishes to join the pep squad.

Haley With S. R. Freshman Squad

Richard ("Rico") Haley, who played end on the Eagle squad last year, is now playing on the Sul Ross college freshman squad. He is remembered for his work on defense. He was one of Coach Smith's best ends. It was partly due to his excellent work that the Eagles had such a good season in 1934. He always played heads-up football, and he was fast, aggressive, and alert. While on offense he didn't find an opponent that he could not handle.

"Rico" loves the game, and plays for the sport in it. The Eagles miss him this year, and hope he makes as good in college as he did in high school.

The Eagles are showing lots of spirit this week. Iraan had better be careful or they will get a surprise.

The Eagles play at Iraan tomorrow. Let everyone who possibly can do so, make the trip and root for the home team!

UNDER THE Eagle's Wing BY O. T. SCHUPBACH

"Sanderson beat Iraan!" That is the slogan that is going around in the Eagles' campus this week. The boys are getting serious over this game, which is to be the one the district is pointing to.

While watching Iraan and McCamey play the other day I was surprised at the way they block and tackle. They have about six boys on the Eagle team that can beat any of the boys over there at blocking or tackling. You know blocking and tackling is considered 95 per cent of football.

Iraan has two big boys, Booth and Jolly. They are Iraan's ball club. If we can stop them the game is over. One passes to the other on one play, then they turn around. They both hit the line pretty hard. Glendenning, at guard, is also a good player.

Junior Jobe, who went to school here about three or four years, is playing halfback for McCamey. That is some more of your Sanderson talent.

Eagles Are Good

There wasn't a boy on either team that can hit the line like "Dutch" Halley. They would hit the line standing up. "Dutch" is the hardest running back that I have seen this year. If he keeps up his same style of ball playing, by the end of the season he is going to be hard to keep off of the All-District team. He backs up the line like the boys in the larger schools.

Roy Deaton can play circles around either one of the centers from Iraan or McCamey. They could only center the ball, and half the time it wasn't to the right man. If either McCamey or Iraan wins the district, we ought to have three or four men on the All-District team.

Coach Smith has nearly gone crazy trying to find a tackle. He has started to put every other lineman and all the backfield in that position. These tackles are sure hard to find on the Eagles' campus.

In the Southwest Conference

The Southwest Conference did not do so well this past week. L. S. U. gave Texas U. a real whipping. A. & M. did better this year against Temple. Temple only beat them 14 to 0 this year, and 49 to 0 last year. The rest of the teams seemed to get along pretty good.

While talking to Mose Sims, manager of St. Mary's, over the week end, he said the Mines did not have a good high school football team. Sounds bad for the El Paso school. He also stated that Ogle, former Eagle, has been playing some very nice ball this year. St. Mary's leaves next Monday on a twenty-three day trip. They play in Washington, D. C. One game in Massachusetts, and another about two hundred miles from New York City.

Abilene Ties Lubbock Well, Abilene high school tied Lubbock again for the third time in as many starts, but Dewey Mayhew will have his charges set for San Angelo tonight. San Angelo should defeat Abilene, but whether they will or not I don't know. In 1933 San Angelo had about a five touchdowns better team than Abilene, but Abilene won, 20 to 12. In 1934 we took Angelo in Abilene, 19 to 0. Angelo hasn't defeated Abilene since 1922.

The world's series is over, and that's a relief. Detroit must have a very sweet pitcher in Tommy Bridges. Now the people can turn more interest toward football.
