## PAGE SEASON OPENS WITH STOCKTON

### Work in Sanderson Schools Receives Recognition of Official Publication

AN EDITORIAL.

Sanderson schools are receiving recognition from many of the publications dealing with affairs this year. The same interest is noticeable on the part of every member of the faculty.

We wonder how many of our citizens read the last page of the Times? It was cheerfully donated to the school to use as they wished. It was an opportunity to inculcate some idea of journalism in the minds of students so inclined. Since school started the students have been getting out a very creditable sheet, and in this work are ably guided by Miss Lorene Childers. It's a job, and the patience of a sponsor for this activity in a high school must be on a par with Job's. Folks, if you are not reading this page you're missing something.

If you have any doubt as to the good management of high school affairs read the athletic financial report of this season in football as compared with last year's. Not a thing in the way of equipment was purchased last year, the balance was \$3. This year football suits, jerseys, sweaters and new uniforms for the basketball team were purchased for your boys, and the balance is a little over \$8.

Sanderson, we feel it to be congratulated on its superintendent and faculty.

### BETS FALSE TEETH ON GAME; IS NOW ON A SOUP DIET

Last week up in Pomeroy, Ohio, the strong undefeated Middleport high school was leading Pomeroy football team 7 to 0 at the end of the first half.

A rabid Middleport fan, at this juncture arose to declare he'd bet Middleport would win by at least four touchdowns. His remarks were addressed to no one in particular but he opened his mouth so wide his teeth fell out, causing another fan to offer \$5 against his false teeth that Middleport could not get the job done.

The money and the teeth were placed in a sack, and another person held stakes. Middleport won 19 to 0—just three touchdowns, the stranger collected and disappeared before Guy Carson, owner of the teeth, was able to locate him for a compromise.

## Facts About Old Age Pensions

### Explaining Who Is Eligible for Aid Under Law

Because the senate failed to pass the state old age pension bill by the two-thirds majority necessary to put it into immediate effect, the law will not become operative until Feb. 14, it is explained by Rep. O. C. Fisher, in a communication to the San Angelo Morning Times. The San Angelo representative, who spoke to the citizens of that city this week on the pension program, says he believed it will be possible to begin paying the old age assistance soon after the law goes into effect.

The assistance, under the bill, may be granted, Rep. Fisher explained, to any person who:

- Has attained the age of 65 years.
- Is a citizen of the United States.
- Has resided in Texas for 5 out of the last 9 years, and for one year immediately preceding the application.
- Is not an inmate of a State institution.
- Has made no voluntary assignment or transfer of property for the purpose of qualifying for such aid.

**Property, Cash Restrictions**  
(f) Has an income if single, not exceeding \$360 a year, or, if married, does not exceed \$720, combined (any income and assistance not to exceed \$360 per year, combined).

- Does not own property, real, personal or mixed other than cash or marketable securities, exceeding, if single, \$5,000, or if married, \$7,500.
- Does not have cash or marketable securities, the fair value of which exceeds \$1,000.
- Is not a habitual criminal or an habitual drunkard.
- Who has no husband or wife, as the case may be, able to furnish him or her adequate support.

"I was greatly disappointed," Mr. Fisher said "at the failure of passage of the tax measures to provide required revenues for old age assistance. However, three-fourths of all revenues from liquor and beer now go to the pension fund. By February 14 it has been estimated, that around \$1,500,000 to \$2,000,000 will be in the pension fund and subject to disbursement by the pension board.

**U. S. To Add Finances**

"With a session in the meantime devoted to the one subject of providing revenues, I predict ample funds will be made available by the time the administrative machinery of the pension act will have been set up. The exact time when payments will begin is up to the board and will depend on the time they consume in organizing and passing judgment upon applications that will be filed.

"Moreover, the congress which passed a pension act after more than two months of debate, on the last night of the session failed to make an appropriation therefor, and very little federal money can be available to match that of the state until congress meets in January and makes provision therefor."

The Christmas Seal is a symbol—it symbolizes the determination of millions of people to wipe out tuberculosis in the United States. Your purchase of Christmas Seals will help make that wish a fact.

**VISITS IN NEW MEXICO**

Mrs. J. D. Nichols and daughter, Mrs. W. C. Vaughn, returned Sunday afternoon from Clovis, N. M., where they spent the Thanksgiving holidays with Mrs. Nichols' sister, Mrs. Beal. They went by way of Lubbock, where their daughter and sister, Miss Beatrice, who is attending Texas Tech, joined them on the trip.

The truth is always the strongest argument.—Sophocles.

### Large Crowd Is Expected to See First Home Game

The football season is over! The heavy clads step gracefully out of the arena to make room for the thinny clads.

Football is a great game—to us the greatest.

Basketball, also, is a great game. Both games have its exponents. And in Sanderson it is good to note that the basketball games receive as much, if not more support than does football.

Well, tomorrow night the basketball season will open with a bang—right here at home—when the Eagles meet the Panthers of Fort Stockton high.

The Eagles go into action with but a few days of practice, while the Stockton quint have been at hard practice for three weeks.

And Stockton, by the way, would rather beat the Eagles than any team in the district, and that goes in all athletic competition.

The Eagles, who won the district cage championship last year, are going to be on the defensive while all other teams in the district will be pointed for them in an effort to pluck their tail feathers. But they are determined to emerge at the end of the season undaunted and unplucked.

This good-spirited rivalry between the teams is one reason why you shouldn't miss a game at home this season. Every team in the district reports a big improvement over last year's setup, and the Eagles have practically the same team that copped last season's pennant.

The game tomorrow night will start at 7:30. The admission will be 25 cents and 15 cents.

Let's all meet at the high school gym tomorrow night.

**VISITS IN EAST TEXAS**

Mr. and Mrs. Malone Mitchell returned Sunday from San Antonio where they spent several days last week. Mrs. Mitchell visited with relatives at Llano while away.

The post office warns against putting Christmas Seals on the front of letters. Put them on the back of the envelope—and use lots of them. Every seal you use is another blow at tuberculosis.

**WILL SURVEY ROUTE**

C. A. Wilburn, who has been stationed at Goliad in a veterans' CCC camp, came in last Sunday night for a few days visit with friends and to start the preliminary survey work on re-location of the Dryden to Sheffield road, which is a WPA project.

Buy Christmas Seals.

## Work Starts on Survey of Route Dryden-Sheffield

Two WPA projects for Terrell county were started this week which will give employment to about 35 men.

Tuesday the project of re-locating through the county a road from Dryden to Sheffield got under way when Judge G. J. Henshaw and Bustin Canon, commissioner of precinct No. 4 and a crew of men left here for Sheffield where they were to meet with WPA officials from San Angelo. Survey work will start after camp, headquarters, etc., have been established.

John Stovell of Alpine is project engineer. For the start of the work C. A. Wilburn will be one of the surveyors and there will be about seven men employed on the job which it is estimated will last about four months.

Flood control projects in the north part of Sanderson will be started at once, as it is understood that funds for this work are now available. About thirty men will be employed on this work.

With these two projects underway and the work now available in re-routing of the T. & N. O. lines near here and the highway work, all unemployed men in this county will be able to go to work for some time, thus taking care of the relief situation in Terrell county.

## Driver Seriously Injured When Truck Crashes

Fred Lewis, truck driver for the Oil Equipment company of San Antonio, was brought to Sanderson Wednesday afternoon and treated for cut and bruises sustained in an accident that afternoon on highway 90.

From a statement made by Mr. Lewis he was enroute to San Antonio after a hard trip west, and went to sleep at a point near the Steve Stumberg place. The truck left the road and crashed into a post throwing Lewis against the cab, inflicting a gash about four inches long on his head.

Another driver for the same concern, just ahead of Lewis, and keeping check on each other at intervals, miss him and doubled back, found Lewis injured, and brought him to town for medical attention. He was reported in no danger. Lewis was riding alone when the accident occurred.

Christmas Seals cost only one penny each but they finance the greatest organized fight in the world—the campaign against tuberculosis. The disease kills more persons between the ages of 15 and 45 than any other disease.—Buy Christmas Seals.

## Labels Request Label Marking Genuine Products

Dec. 2.—Directors of the Texas Angora Raisers' association meeting Saturday moved to restore of goat meat under the term "mutton" to make war on goats and to stop sale of fabrics of goat unless entirely mohair. Resolution was adopted, directed to the Texas delegation in its move to endorse the Texas goat meat sale of goat meat mutton classification. The association's attorney was asked to seek introduction of "mohair labelling bill" in the congress to stop the sale of goat mohair fabrics as mohair.

## Sutton County, Long Dry, Jumps To Wet Column

Dec. 2.—Sutton county, of the dry counties of west Texas, jumped back into the wet column today as 179 votes went to the polls and on the sale of whisky and other packages. The vote was 128 for, and 53 against. Precinct 1 including the town of Sutton, 105 votes were cast for sale and 52 against. Only one vote outside of precinct 1 was against the proposal. In two precincts no votes were cast in a third precinct 21 votes were polled for the proposal and 10 against it.

The commissioners' court will meet next week. It was learned tonight when the vote would become lawful under new legislation.

## Gregory Is President

John H. Gregory, superintendent of schools at McAllen, was elected to the presidency of the State Teachers' Association at San Antonio last Friday by the close margin of three votes, and defeated Miss Quata teacher at the Stephen J. School of Dallas the vote being 1206 to 1203. It was a large and the closest contest in the history of the association.

Christmas Seals serve a dual purpose: they decorate Christmas cards and help fight tuberculosis.

No good book, or good thing of any sort, shows its best face at first.—Lancelot.

## Schupbach Kills Huge Panther on Ranch Near Here

O. E. (Monk) Schupbach, after a lengthy stay at his ranch in the southwest part of this county, was in town Monday and brought news of bagging a huge panther on his range. The animal measured a little over eight feet, tip to tip.

Mr. Schupbach stated that he ran upon the panther's signs two weeks ago, and immediately got busy by baiting a goat, and he was surprised at the quick results, as he caught the panther before he had done any damage to his flock.

Mr. Schupbach also stated that panthers, rather numerous farther south, were rarely seen on his range.

## Federated Clubs Will Meet Here Tomorrow, 7th

The Davis Mountains Federation of Women's clubs will meet in Sanderson, Saturday, Dec. 7, as guests of the Sanderson Culture Club. The meeting will be held in the high school auditorium, and will be open to the general public.

A very interesting program has been arranged for this meeting, with many prominent club women from this district taking part. At noon a luncheon will be served by the girls of the Home Economics department of the high school in dining room of the department.

Delegates from Fort Davis, Alpine, Marfa, Marathon and Fort Stockton will be present, as well as the member of the Sanderson Culture club.

The meeting will open at 9 o'clock at which time the delegates will register. The afternoon program will start at 1:15 o'clock. It is hoped that a large number of Sanderson people will make plans to attend this meeting.

## PAVING FOR EDWARDS

The Rocksprings and Edwards county folk are all pepped up, according to Sam Ashburn's "Top of the Windmill" column. The reason is they have new hopes of getting a paved road that will connect them with Highway 30, and give them a comfortable outlet to several of the larger cities in west Texas.

No good book, or good thing of any sort, shows its best face at first.—Lancelot.

## Funds Allowed For Improving of Sanderson Streets

Through a communication received Tuesday by the Times from the Washington, D. C., office of Congressman R. E. Thomson, the project for the town of Sanderson to improve streets, sidewalks, curbs and gutters has been approved. The communication, dated Nov. 29, stated that federal funds in the sum of \$8,300 had been allotted.

The Works Progress Administration released the following communication:

"Treasury Department warrant No. 840 announced today will permit H. P. Drought, State Works Administrator for Texas, to initiate work on selected projects from a program which totals \$6,297,983. It is emphasized that under the funds available only certain of these projects can be undertaken. State Administrator Drought will select from the following projects only those which are regarded as most adaptable to the speedy prosecution of his state program."

In the list was the above project that is authorized for Terrell county. Just what this project will include and when it will be started is not known as the matter will have to come through the office of John C. Burnside, San Angelo, who is the district work supervisor of the WPA.

## ONE BOUQUET FOR US

Mrs. Addie Lee Lemons Boling, Editor-Publisher Sanderson Times, Dear Mrs. Boling:

This is merely to say that we appreciate our well displayed ad in your issue of Friday, Nov. 22, for the Princess Theatre, as well as the news items and particularly in the way that they have been placed and displayed under classification of Society, Home and Woman's Interest. It is quite in line with the largest key city papers who are making a special section of this type of advertising, even going to far as to expense themselves with highly efficient critics, and we naturally appreciate your handling and also the appearance of your paper in general.

Wishing you luck in the continuance of your paper, I am Yours respectfully, O. K. THEATRES CORP. By Oskar Korn.

## SEES FOOTBALL GAME

Mr. and Mrs. Buck Caraway of Toyah, and Delbert Houston of Alpine spent the Thanksgiving holidays here with Mr. and Mrs. W. D. O'Bryant, Sr. Mrs. Caraway is a daughter of Mr. and Mrs. O'Bryant. On Saturday the men of the party motored to Del Rio and attended the football game between Sul Ross and St. Mary. They were accompanied home by a younger brother of Mr. Caraway and Miss Bertha Mae O'Bryant who spent the holidays in Del Rio.

## Here is the Royal Family of Ethiopia

This photograph, just received from Addis Ababa via London, shows Emperor Haile Selassie with members of his family. They are, left to right, front: The emperor's grand-daughter, the empress of Ethiopia; the emperor's grandson, and the emperor; in the rear, left to right: The emperor's youngest daughter; the crown prince; the emperor's eldest daughter; the emperor's son-in-law; the emperor's daughter-in-law; the emperor's third daughter, and the emperor's youngest son.

## "Buddy" Rogers Back on Screen in Musical Comedy

Fatherly devotion is slyly and humorously treated in RKO Radio's modern film musical "Old Man Rhythm," which will be shown at the Princess Theatre next Monday night, December 9.

Old man Roberts has sent his son to college. When a seductive red-headed campus temptress begins to chase his son with an eye to the Roberts fortune, however, this particular father displays his devotion in hilarious and astonishing action. He doesn't object to Johnny Roberts, Jr., being in love. But his son insists upon treating the "right girl" as a sister, even though she is deeply in love with him.

Sedate business man Roberts abandons his office and becomes a gay—if middle aged—fellow at Fairfield College. There's just where he can meddle most successfully in his son's misguided romance.

The delightfully ridiculous escapades of Old Man Roberts and the ardent romancing of his son are timed to the rhythm of six lively melodies to provide quick-tempo entertainment.

"Old Man Rhythm" marks the return of Charles (Buddy) Rogers to the screen. In the supporting cast are a score of youthful entertainers from the radio, stage, vaudeville and night clubs, providing a full quota of enjoyable entertainment.

## RATTLE OF THE RAIL

Engineer F. Hathaway has returned from a trip to Houston where he was called on account of the illness of his brother, C. E. Hathaway, whom he reports is slightly improved. Mr. Hathaway has resumed his passenger run out of El Paso.

Fireman C. H. Broadhead of El Paso has taken a freight run out of here, displacing Fireman J. P. Boatright who has gone to El Paso.

Engineer J. Clifford was down from El Paso a trip on passenger this week.

W. R. Mann, assistant superintendent, was down from El Paso Wednesday.

Work is progressing rapidly on the various line changes.

Henry Mansfield left Wednesday for Cholame, Calif., where he accepted a position on a large ranch near that place.

## November Sets Sales Record for Chevrolet Cars

Chevrolet retail sales during the first 20 days of November totaled 60,707 units, nearly double the previous high record for that period, it was announced at the offices of the Chevrolet Motor Co., Detroit.

Only once in Chevrolet history, in 1926, has the sales total for the whole month of November exceeded that for the first 20 days of the present month, the records show. Since that November, 1926, figure was only about 5,000 higher, the current November will be by a wide margin the greatest in the history of the company.

The new 20-day record, following the introduction of new models November 2, is nearly three times as great as the best previous post-announcement 20 days since January, 1928. With the exception of April, this year, there has not been a first 20-day period in any month to equal it since April, 1930.

To assure an adequate supply of cars to meet the record demand production has been stepped up beyond the 100,000 units originally projected for November. A new high mark for a single day's production of 1936 models was reached Nov. 22 officials reported, when more than 6,000 units rolled off the assembly line.

Mr. and Mrs. James Black and sons of Del Rio were visitors in Sanderson last Saturday.

## It Happened in Sanderson TEN YEARS AGO This Week—Remember??

(From the Times, Dec. 5, 1925)  
The new building started by Judge Henshaw some time ago, was completed this week and on Thursday Mr. Pettit, manager of the Royal Barber shop, moved in. The building makes quite an attractive addition to that part of the business section along Oak street.

Those from Sanderson who attended the O. E. S. school of instruction at Marfa last Tuesday were Messdames D. L. Duke, Ed Chastain, P. F. Robertson, and F. L. Cochrane.

Mrs. W. H. Savage spent the Thanksgiving holidays in San Antonio with her sister, Miss Merle McKee.

Walter Grigsby was elected captain of the 1925-26 basketball team, organized this week at the high school.

## Work on Music - Speech Building (CIA) Started this Week

PWA funds amounting to \$169,000 will make possible the erection of a music-speech hall at Texas State College for Women (CIA). This building, pictured above, will be an addition to the present auditorium, and will house the departments of music and speech. Twin dormitories were also provided for in the total loan and grant of \$336,360. Actual construction on the project is expected to begin Dec. 1.

Mr. and Mrs. Bruce Dalton of Alpine arrived Sunday for a visit with Mrs. Dalton's parents, Mr. and Mrs. C. W. Barker.

Miss Grace Billings was here from Alpine Sunday saying hello to her Sanderson friends and relatives.

Mrs. F. L. Brown of Alpine visited here for a couple of days this week with her sister, Mrs. J. L. Osgood.

Joe Kerr and L. M. Baze went to San Antonio Wednesday where they spent several days attending to business matters.

Mrs. Mary Lou Kellar returned the first of the week from San Antonio where she went last Wednesday to spend the Thanksgiving holidays with relatives.

Tom Breeding has returned from San Antonio and San Marcos where he visited relatives the past week end.

Tip Frazier was a business visitor in Marfa Wednesday.

## "Art in Life of the Child" Discussed At PTA Meeting

Mrs. Rufe Murrah was leader of the Parent-Teacher association program last evening at the December meeting held in the auditorium of Sanderson high school. The subject of the program was "Art in the Life of the Child."

The preliminary part of the program consisted of music by the Sanderson high school band, assembly singing, led by O. H. McAdams, and prayer by R. N. Allen.

As a part of the main program Mrs. Ferguson gave a reading, and Mrs. Clyde Griffith discussed "A Child's Viewpoint of Art." A discussion of "The Well Managed Home" concluded the program.

The first grade gave a Christmas number as part of the general program, and Miss Heatly reported on room attendance.

Richard and Hollis Haley, William and Bob Lea were among the Sanderson folks that went to Del Rio last Saturday for the football game between the Sul Ross Lobos and St. Mary's Rattlers.

## Health Letter

Austin. — Babies and young children need as careful protection at this time of the year against "winter complaints" as they do during the warm weather against "summer complaint," recently stated Dr. John W. Brown, state health officer, in discussing seasonal disease hazards for the younger children.

By "winter complaint" is meant influenza, tonsillitis, pneumonia, bronchitis and other diseases of the respiratory or "breathing" system, as distinguished from the "summer complaint" which attacks the digestive system. Diseases like pneumonia may develop from a neglected cold; they may follow as an after effect of measles or whooping cough, or

## DOCTORS KNOW

Mothers read this:

THREE STEPS TO RELIEF

A cleansing dose today; a smaller quantity tomorrow; less each time, until bowels need no help at all.

Why do people come home from a hospital with bowels working like a well-regulated watch?

The answer is simple, and it's the answer to all your bowel worries if you will only realize it: many doctors and hospitals use a liquid laxative.

If you knew what a doctor knows, you would use only the liquid form. A liquid can always be taken in gradually reduced doses. Reduced dosage is the secret of any real relief from constipation.

Ask a doctor about this. Ask your druggist how very popular liquid laxatives have become. They give the right kind of help, and right amount of help. The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara — both natural laxatives that can form no habit, even in children. So, try Syrup Pepsin. You just take regulated doses till Nature restores regularity.

## How to Keep Colds UNDER BETTER CONTROL

Catching Cold? ..  
Vicks Va-tro-nol helps Prevent many Colds

At the first warning nasal irritation, snifle or sneeze, use Vicks Va-tro-nol—just a few drops up each nostril. Va-tro-nol is especially designed for the nose and upper throat—where most colds start. It stimulates Nature's own functions—in the nose—to help prevent colds, and to throw off head colds in their early stages. Used in time, Va-tro-nol helps avoid many colds.

Caught a Cold? ..  
Vicks VapoRub helps End a Cold Sooner

If a cold has developed, rub Vicks VapoRub on throat and chest at bedtime. VapoRub acts direct—two ways at once: (1) By stimulation through the skin like a poultice or plaster; (2) By inhalation of its medicated vapors direct to inflamed air-passages. Through the night, this combined vapor-poultice action loosens phlegm, soothes irritation, helps break congestion.

Follow Vicks Plan for Better Control of Colds  
A helpful guide to fewer colds and shorter colds. Developed by Vicks Chemists and Medical Staff; tested in extensive clinics by practicing physicians—further proved in everyday home use by millions. The Plan is fully explained in each Vicks package.

53/26 Vicks Open House with Grace Moore every Monday 9:30 P. M. (8 & 7) NBC coast-to-coast  
Over 1 Million Vicks Aids Used Yearly for Better Control of Colds

one of the other so-called children's diseases; or they may come suddenly and with little warning. They are more prevalent in winter than in summer and they are even more difficult to combat than the digestive ailments. Nearly all are spread through the secretions from the nose and the mouth.

These respiratory diseases are particularly dangerous to babies and young children. Those not in vigorous health are more susceptible to these infections. The first line of defense is to strengthen their powers of resistance against ill health; the second is to keep them under medical supervision; the third is to keep them away from others—young or old—who have coughs, colds, or fevers.

Miss Pattie Billings of Langtry visited over the week end with Mr. and Mrs. Elmer Schwalbe.

Dr. and Mrs. P. W. Malley turned Sunday from San Antonio where they spent the Thanksgiving holidays with relatives.

Mrs. Helen Downie and her mother, Mrs. Gregory, returned to their home in San Antonio Sunday spending the Thanksgiving days at the Downie ranch.

W. D. O'Bryant, Jr., who turned from San Antonio Sunday spent the Thanksgiving days with his wife who is spending a beauty culture course at that city.

Mr. and Mrs. Ike Billings Langtry visited here this week with Mr. and Mrs. J. L. Osgood.

Miss Opal French of Houston here on a visit to her grandparents, Mr. and Mrs. C. W. Baker.

Ross, Katherine O'Connor, Jack Bogusch, Pete Deaton, Roy Deaton, Ruby Lee Haines, Allen Hardgrave, Chris Haines, Dick Mussey, Homer Richardson, Dick Sullivan, Ruby Ware, Vaunceil Henderson, Alire Van Cleave, Dorothy Lewellen, Bob Lea, Margaret Reed Arrington, Grammar School Reporter.

## Current Comment

By Homer Richardson

In our chapel program this week we learned some interesting facts about some of the faculty and students. Mr. Parker is a soup yodler; when Mr. Smith ordered animal crackers, the H. E. girls sent him dog biscuits, and O. T. Schupbach couldn't get half a duck.

The basketball season has opened with a bang this year. The boys have been practicing but a week and they have a game with Fort Stockton today. We would like for everybody to turn out and cheer the basketball Eagles on to victory like you did the football boys.

Next Friday night, December 13, there will be a program presented at the high school auditorium by the various organizations of the town and the school classes. It promises to be interesting. Everybody be there.

## Can U Imagine?

By NELLE LEA

Mildred Hurst being in love with a football player? Audrey Ware feeling as if she were sitting "on top of the world" because her Spanish chair was too high?

Ruby Lee Haines asking James Allen "How about a ride in the moonlight after twelve?"

Dick Mussey writing notes. Essary Haines telling the truth when asked a question?

Edna Mae Ross wearing a diamond ring on the left hand? Marion King having a broken heart because he wasn't allowed to ask an outsider to the junior class party?

Mildred Stavley asking Troy Druze why he didn't shave? Wesley Lochausen and Albert Weigand making eyes at Vaunceil Henderson?

Melven Pollard going deer hunting and catching nothing but a (deer) cold?

Jack Bogusch forgetting to take his English workbook to class? Chris Haines and Jr. Lemons taking Marie Tankersley and a girl from Del Rio riding?

The Freshman girls prettying up for some boys because blonde Elizabeth Brown has a permanent, and Mary Beth Banner had her hair cut and also has a new permanent?

Next year being "leap year" and time for the girls to take the boys places? (It ought to be time for the boys to take the girls since the girls have been taking the boys for the last three years).

The Senior class will have charge of the chapel play next Tuesday at the regular assembly hour—1:30 o'clock.

HICKS CANON KILLS DEER A six-point deer was the victim of a few shots fired by one of our well known freshmen, Hicks Canon. His companions did not have such good luck (if you call it luck), as Hicks, but the hunting trip was very enjoyable.

Buy Christmas Seals.

## Cage Season Will Open Here With Fort Stockton

The Sanderson Eagles will open the 1935-36 basketball season tonight in the Eagles' nest against Clyde Parks' strong Fort Stockton Panthers. The game is called for 7:30, and admission will be 25c and 10c.

Coach Smith has had only four days in order to get his boys underway. With five returning lettermen he should have the best team that Sanderson has had in about ten years.

The Eagles boast of having two all-District boys to fight for honors again this year. They are the elusive Reuben Mussey, who played at guard last year, and Jesse Lochausen, who played at forward. Mussey will be slowed down slightly this season due to injuries received in football.

Besides these two boys Coach Smith has three more basketball players. They are Dick Sullivan at guard, Elton Halley, forward, and Roy Deaton, center.

The Eagles lost only three lettermen from last year's district champs. These are Jack Shelton at center, now at A. & M.; Savell Lee Sharp, forward, now at Sul Ross; and E. R. Falcon, forward, not attending school at present.

With support of the faculty, the student body and the fans, the Eagles should have one of the greatest careers a high school basketball team could have. The entire school, including the band and the faculty should be in the gym tonight backing these hard-fighting Eagles, and they'll need plenty of support to take the Panthers, who have been practicing for three weeks.

## HONOR ROLL

Sanderson High School, Second Six Week, Fall, 1935.

Those students making the honor roll have as many A grades as they have B grades, and no grade below B.

- Anna Lee Allen, 3 A's, 1 B. Lucille Blount, 2 A's, 2 B's. Elizabeth Brown, 4 A's. Adair Edmiston, 3 A's, 1 B. Mary Ferguson, 2 A's, 2 B's. Margaret Gregory, 3 A's, 1 B. Emma Fay Harris, 4 A's. Pat Harris, 2 A's, 2 B's. Mildred Hurst, 3 A's, 1 B. Bertha Mae O'Bryant, 4 A's. Vaunceil Henderson, 4 A's.

## Honorable Mention

- Students making above 80, but still lacking a few points to get on the honor roll are: Mary Beth Banner, 1 A, 3 B's. Maxine Clatfelder, 4 B's. Rosa Mae Clark, 4 B's. Lloyd Gant, 1 A, 3 B's. Jimmy Goodykoomt, 1 A, 3 B's. Constance Richardson, 4 B's. Allen Hardgrave, 4 B's. Lois Taylor, 4 B's. Mildred Underwood, 1 A, 3 B's.

## IN THE GRADE SCHOOL

Students to make the honor roll in Sanderson grammar school must have as many A's as B's and no grade below B.

The pupils making such a record for the third month in grammar school are:

- Second Grade—Joan Anderson, Preston Lester, Billy Dyal, Billy Savage, Francis Grigsby, and Bob Ingram.

Fourth Grade—Bill Cochran, Edward Kerr, Margaret Ruth Yeates, Edna Mae McAdams, Bill Davis, Janice White, and Elouise Stidham.

Fifth Grade—Billy Joe Cordow, Earl McDonald, Bernice Harris, Pauline Bell, Earl Hurst, Doris Cochran, Helen Ruth Harrell.

## Chevies Lead in Typing Contest

The Chevrolets, whose leader is Adair Edmiston, have 13 points in accuracy and 98 points in speed.

The Fords, whose leader is Lois Taylor have 10 points in accuracy and 59 points in speed. The total for the Chevrolets is 116, and the total for the Fords is 69.

The person who has achieved the most words per minute on the Fords' side is Chris Haines, with 27 words per minute. The person who has achieved the most words per minute on the Chevrolets' side is Laurence Gutierrez, with 36 words per minute.

## School Children Hear Address of Governor Allred

The students of the Sanderson public schools heard Gov. James V. Allred speak on Wednesday, Nov. 27, on the school grounds. The school program was scheduled so that there were five periods in the morning and three in the afternoon. Classes began at 8:30 o'clock and were dismissed at 3 o'clock. This was due to the Thanksgiving holiday season and there also time was lost during the time the school was preparing for the governor's visit. The townspeople also attended the governor's speaking.

A platform was erected on the south side of the high school building and chairs placed on the school grounds. Behind these chairs was parking space for those who wished to remain in their cars.

The band played preliminary music—an overture, "The Gypsy Festival," and a piece entitled "Every Man for Himself." Special mention was given the band by Governor Allred.

Many of the citizens and all the children of the American and Mexican schools heard the governor's speech. He had spoken in Marathon just before speaking here. After his address the Rotary club entertained Governor Allred at a special luncheon at the Kerr Hotel.

## Chapel Program By H. E. Girls

By Homer Richardson

The first and second year Home Economics classes gave the chapel program for Tuesday, December 3 at 2:30 o'clock. This program was entitled "The Home Economics Minstrelletes."

Constance Richardson was the leader of the program. The other girls were Ruby Ware, Emma Fay Harris, Sarah Kelly, Billy Louise St. Clair, Maxine Clatfelder, Alice Van Cleave, Mabel Barker, Mary Beth Banner, Elizabeth Brown, Helen Turner, Martha Bassett, Mildred Haines, Rosa Mae Clark, Margaret Gregory, Bertha Mae O'Bryant, Adair Edmiston and Bonnie Mussey.

The visitors for this week were Mrs. W. J. Ferguson, Mrs. A. D. Brown, Mrs. L. H. Lemons, Mrs. J. E. King, and Mrs. B. L. Van Cleave.

## Ex-Eagles Here For Thanksgiving

Eugene Banner, from Sul Ross, and his friend, "Senator" Walker of Marfa spent the holidays in Sanderson and on the Banner ranch.

Jack Deaton, from Sul Ross, spent the holidays here with his parents and friends.

D. C. Thrift was over from Fort Stockton and spent part of the holidays with friends here.

Richard and Hollis Haley from Sul Ross spent the Thanksgiving holidays in Sanderson and at the Haley ranch.

John Green, Sul Ross student, spent the holidays here with his parents and friends.

Eugene Litton, student in a vocational school in El Paso, spent the holidays here with his parents and friends.

Ellen Appel, who is attending a business school in San Antonio, spent part of the holidays here with friends and on the Appel ranch.

Betty Basset, attending school in San Antonio, spent the holidays in Sanderson and with her parents in Dryden.

Lee Hardgrave, from Sul Ross, spent the holidays in Sanderson and on the Hardgrave ranch.

Mrs. Buck Caraway, the former Mary Belle O'Bryant, spent the Thanksgiving holidays here visiting friends and her parents.

## MISS CHAFFIN ILL

Miss Leitha Chaffin, third grade teacher, has been ill and out of school for ten days. She is improving now, however, at her home in Alpine, but word has not been received as to when she will be back at work. Her illness is not serious. Mrs. Irvin Grigsby is substituting for Miss Chaffin.

## School Catalog of 1912-13 Contains Interesting Facts Concerning School

By R. D. HOLT

A school catalog for the year 1912-13, belonging to Mrs. J. W. Savage, was recently brought to the school by members of the American History class, and is attracting considerable attention. The booklet was printed by The Sanderson Times and gives many interesting facts concerning the town and the school in those days. It reproduces pictures of the school building, the auditorium, and the court house. There are twenty-two pages of printed matter and advertisements.

The trustees were Jesse McKee, president; T. R. Kuykendall, secretary; and J. W. Happle. The faculty consisted of W. H. Bodenheimer, superintendent; Miss Lillie Anderson, Miss May Stansell, Miss Allie Mayfield, Miss Andy Belk and H. A. Phillips.

Ten grades were taught in the school. The school building was the present grade school building which had been erected in 1911 at a cost of \$25,000. Population of the town was stated to be 1200 people.

Some twenty years ago it was the custom for every school to publish a catalog setting forth the course of study and rules of the school, and at the same time advertising the school and the community. In the catalog of 1912-13 some very good ideas were expressed concerning education, which would be well to follow today. The money value of an education was estimated at more than \$10 a day, although it was stated that education could not be measured in terms of dollars and cents. Some statements taken from the catalog are as follows:

## Training Methods Athletic Finances Are Discussed at Faculty Meeting

Mr. Roscoe Parker, mathematic teacher in Sanderson high school, discussed the subject "Teaching Pupils How to Study" at the regular meeting of the high school faculty on Tuesday morning at 8 o'clock. This is the second of a series of discussions that have been given at the faculty meeting.

Subjects of interest to teachers are being discussed at each faculty meeting of the grammar and high schools. A member of the faculty will speak each time. Mr. Duane Smith, athletic coach and high school principal, discussed "The Art of Questioning" at the meeting held Nov. 26. Mr. J. E. King, band director, will discuss "The Causes of Failure in School" at the meeting next Tuesday.

Other scheduled discussions are "Testing the Results of Our Teaching," by Miss Ruth Howell, Jan. 7; "How to Eliminate or Reduce Failure in High School," by Miss Lorene Childers, Jan. 21; and "Trends Toward the Practical Side of Our Curriculum," by Miss Nell Kruger, in February.

## Social Items

Dorothy Lewellen spent the Thanksgiving holidays in Dryden with Constance Richardson.

Mildred and Florence Hurst were guests at the Allen ranch during the holidays.

Ruby Lee and Essary Haines spent the holidays at their ranch. Jimmie Cook and Harry Lewellen visited Roger Basset at Dryden.

Zada and Florence Van Cleave visited their uncle's ranch below Dryden during the holidays.

Dick and Pat Sullivan spent the holidays at their ranch near Comstock, and also visited relatives in Del Rio.

Howard Black spent Thanksgiving day with Buck Taylor in Del Rio.

Junior Lemons and Charley Laughlin spent the holidays in San Antonio.

Elton Halley, O. T. Schupbach and Bobbie Lea attended the football game in Del Rio Saturday.

## SENIORS PREPARING STUNT

The Senior class had a meeting in the study hall on Dec. 2 at 3:45 to decide on a stunt for all-community night, Dec. 13. A committee to decide a stunt was appointed, composed of Mary Ferguson, Lillian Halley and O. T. Schupbach. The class president, Dick Sullivan, is also a member of the committee.

## UNDER THE Eagle's Wing

By O. T. SCUPBACH

### All-District First Team

Pos.	Player	Town
End	Green	McCamey
Tackle	Green	McCamey
Guard	Meadors	McCamey
Center	Deaton	Sanderson
Guard	Lochausen	Sanderson
Tackle	Simon	Big Lake
End	Simon	McCamey
Quarter	King	Fort Stockton
Half	Belcher	McCamey
Half	Sullivan	Sanderson
Full	Halley	Sanderson

I have picked an all-district team at this time. In picking an all-star team most people will not agree because they may think some other player is more valuable. Some players do deserve more credit than they receive.

Of course my pick will not be official, but I do believe most of them will be placed in the official team.

At ends I put Green from McCamey and Simon of Iraan. Green is the best all-around end in the district. He is a good pass receiver, blocker and plays a bang-up ball game on defense. Simon is mostly a defensive end. He stopped several running plays when we played Iraan.

There seemed to be two real tackles in Green of McCamey and the boy from Big Lake. I was unable to get his name. Green is a hard charging tackle that most coaches want. The Big Lake boy is one of the best tackles in the country. Big Lake seemed to have a one-man line and he was it.

Now comes the guards. Meador of McCamey and Lochausen of Sanderson. Meador is a fast blocking guard on offense and plenty tough on defense. Lochausen played in the backfield this year, but I put him at guard. He is a good blocker on offensive and a sure tackler on defense. He is by far the best place kicker in the district, and with that he can toss the apple some distance with deadly accuracy.

At center Roy Deaton is unequalled in district competition. He made only two bad passes all season. He can put the ball any place the ball carrier call for. It was due to his fast snap-back and excellent blocking that Halley did not get a punt blocked all season. He played defensive left end and was circled but twice all year. He is one of the boys that spread so many holes for Halley. I believe that he is the best all-round ball player in the district.

In the Backfield The backfield is a puzzle. There are several good backs, but this is my choice:

King of Ft. Stockton is a good quarterback, and a good broken field runner. He can pass and punt along with being a nice blocker.

Belcher of McCamey is my choice for half. He scored 116 points for his team this year. He is a fast blocker and a good line plunger. On defensive he is a sure tackler.

At other half I put Sullivan of Sanderson. He is the best backfield blocker in the district. He can pack the ball when it comes his time, too. He is fair in a broken field.

For fullback Halley could not be left off any all-star team picked in this district. He played class A ball all year. He is the hardest tackler in the country. When he throws his 185 pounds of muscle at you, you know you've been hit. He was only stopped at the line of scrimmage one time this year, and that was against Fort Stockton when, a few days before, he sprained his ankle. He averaged 35 yards in punting from six yards back. He can also lead interference for other ball carriers.

Lots of Good Players Left In this backfield I have one thing—Power. I don't believe you could get another team in the district that could compare with this one. I have left off several good backs and linemen.

Other good backs are Jolly and Booth of Iraan, Lewis and Ligon of Stockton, Campbell and Hoffman of McCamey, Odon of Big Lake, Gonzales of Marfa, and Mussey of Sanderson.

Some more good linemen are McCamey's right guard and tackle, Appel and Allen of Sanderson, Casebier of Stockton, Iraan's center and Shipman of McCamey.

I am sure I have overlooked some good players, but I believe

## Pupils of Third Present Program

The third grade presented assembly program Wednesday, Nov. 27, in the high school auditorium at 9 o'clock.

Joe Cook announced the program and Maureen Frazier told the story of Thanksgiving. The play, "Thanksgiving" was presented and was followed by class singing "Now the Day is Over." A play, "The Thanksgiving Table," concluded the program.

Visitors present were Mrs. L. Duke, Mrs. Clyde Higgins, Tip Frazier, Mr. and Mrs. C. Surratt, Mrs. H. L. Richardson, Mrs. Hugh Cox, Mrs. J. R. Elmer, Mrs. R. A. Hurst, Fred Talbot, Mrs. Clyde Meek, Mrs. Haines and Mrs. Lee Cook.

## JUNIOR CLASS MEETING

A Junior class meeting was held Dec. 2, at 2:45, in the plan room. This was to plan the stunt for the all-community program which will be presented Friday, Dec. 13.

Nothing definite was decided but another meeting was held December 4 to decide what ticular stunt will be selected this class.

These boys would be the chosen majority. So, if you do not like my team pick one you like. You'll agree that this would be a nice group of boys to have on football team.
