Liquors Permits Expire August 31; Renewals Expected to Add Nice Sum to Old Age and School Funds

With all permits expiring on August 31, the Liquor Board this week began processing approximately 5,000 renewals which are expected to add \$100,000 to the funds for old age assistance and schools.

Along with explicit instructions how to fill them out, applications are being sent to all holders. Dealers and prospective dealers have been urged to fill out and return immediately applications in order to receive new permits by Sept. 1.

Permit holders who already have a valid bond on file with the board may execute an enclosed form which will be accepted in lieu of a new bond, and all applicants must comply with the law regarding publishing notice of application in two consecutive issues of a newspaper.

Copies of these notices must accompany the application, a requirement made of permit holders new applicants alike.

As regards beer, the instructions point out that neither a wholesaler, nor a beer-wine dealer is authorized to handle beer until he has first obtained a general or local distributor's license from the county collector.

The general distributor's license is the holder to sell to local distributors and retailers in more than one county, but a local distributor's license restricts sales to dealers in a single county.

Attention is also called to the fact that applications must remain with the board for 5 days before being accompanied by a waiver notice from the county judge. Applications are being sent out in order to give all dealers a full month to get new permits before the old ones expire on August 31," said Liquor Administrator Charles R. Miller. "It is the hope of the board that the new permits will lend their cooperation in returning applications as quickly as possible."

Miller said the new revenue would probably amount to considerably more than has been collected from permits in the past, since renewal means payment of a fee for an entire year instead of only a portion of it, as heretofore has been the case.

Three-fourths of the estimated \$100,000 in new revenue will be turned to the old age assistance fund, and one-quarter to the schools.

Sanderson's Second Annual Rodeo Voted Success in Every Way; One World's Record Falls in Breakaway

Pleads Guilty to Burglary Charge, Gets Two Years

When district court reconvened here Monday morning the first case to be heard was that of the State of Texas vs. Harvey Anderson, indicted for burglary in connection with the theft of wool. Waiving trial by jury Anderson entered a plea of guilty and was assessed two years in the pen—the time he has been in jail here awaiting trial being deducted. He was arrested and placed in jail here February 10, this year. Anderson recently attempted a jail break by sawing through the window bars, but this was discovered before he could make good his escape.

It was stated that Anderson, after a conviction in San Angelo, was assessed a 5-year suspended sentence, pending his good behavior. His recent conviction in this county, forfeits clemency of the Tom Green county sentence, and, it was stated, the sentence in district court Monday was equivalent to seven years in the pen.

Other cases heard this week included the following:

C. H. Arvin vs. J. M. Corder et al, suit on notes and foreclosure. Settled out of court and dismissed.

Ruby Lee Collins vs. Paul Collins, divorce. Decree was granted and plaintiff's maiden name, Ruby Lee Kelly was restored.

Court recessed Monday afternoon, but the sessions will be resumed next Monday morning, at which time the grand jury will reconvene.

Steer Breakaway.—

Charley Gregory, 4.2; Walter Babb, Langtry, 4.4; Tom Taylor, Sonora, 5.1. Winners in the finals of this event were Walter Babb first with a time of 9.3; Charlie Gregory, second, 9.4; Tom Taylor, third, with 10.4. Walter Babb was presented with a pair of the famous Levi cowboy pants, given through courtesy of Kerr Mercantile Co.

Goat Roping.—

Andrew Bode of Vinagaroon, first, time, 10 seconds; Walter Pogue of Stiles, 11.2; Ted Powers, 11.2. The best two-day average in this event was made by Andrew Bode, time, 20 4-5 seconds; Walter Babb, 21.1; and Tom Taylor, 22.2.

Burro Team Tying.—

Won by Johnnie Fitzgerald and Jim Espy of Fort Davis, time, 18.4; second, Earl Sellers of Del Rio and Charley Gregory, time 19.1; and third, Bill Nix of Ranking and Billy Stewartson of Ft. Stockton, 21.2.

The best two-day average in this event was made by Earl McElroy, Alpine, and Clay Espy, Ft. Davis, their time being 43.2; Earl Sellers and Charley Gregory were second, 44.1; in third place were Johnnie Fitzgerald and Jim Espy with a time of 50 seconds flat.

Bronc Riding.—

Dan Utley, Salt Lake City, first; Ernie Barnett of San Angelo, second; Q. Pate of Pecos, third.

An added attraction was an exhibition calf roping, put on by Billie Beau Duncan, 8-year-old son of Jimmy Duncan of Fort Davis. Billie Beau missed his first loop, caught with the second, and tied his calf in 50 seconds. The skill of this young man, a future star performer, brought loud applause from the huge crowd present.

World's Record in Breakaway

It was conceded that one record fell by the wayside here when Clay Espy of Fort Davis caught his steer in 3 seconds flat. Rodeo men, those who attend the big shows, stated that, in their opinion, it was a world's record. A near world's record was made the first day when Andrew Rode roped and tied his calf in 13.1.

A real feature of the show and one in which some fast work was done, was the matched goat roping contest between Tom Taylor and Walter Pogue of Stiles. Each roped five goats and Pogue was winner with an average time of 10 3-5 seconds. Taylor's average time was 14.2. Taylor's hard luck came when he missed two loops, while Pogue snagged his Billy every time he threw.

A matched calf roping contest was also held, with Olan Altizer pitted against Bill Nix, five calves each. Altizer was winner in this contest.

At night a big dance was staged at the C. A. C. hall, with an overflow crowd, and the final strains of "Home Sweet Home," rang down the curtain on Sanderson's 2nd annual rodeo.

Coming Attractions at the Princess

GEO. O'BRIEN SWAPS HORSE FOR LOCOMOTIVE

Instead of riding a loping horse over the plains, George O'Brien is riding the iron horse over the singing rails in his new adventure picture for Fox, "Whispering Smith Speaks," which will be shown at the Princess Theatre tonight and Saturday, August 14-15.

"Whispering Smith Speaks" is a story of the adventures of a railroad magnate's son who undertakes to become a railroad man himself. In the course of his adventurous wanderings O'Brien chances across a dilapidated old railroad which has a beautiful girl for general manager.

"PAROLE" STRONG DRAMA HAS NEW STARRING TEAM

The new Universal picture entitled "Parole" which comes to the Princess Theatre next Monday, August 17, has several things to its credit, noteworthy among them is the fact that it brings to the screen a new romantic team with splendid speaking voices, as well as appealing personalities.

The story intertwines 2 themes in entertaining and often thrilling manner. The love of a man and a girl sets off a vital spark like the fire of twin stars meeting and fusing in a summer sky.

in his state and exposes the grafter. The strong portrayals by the leading actors and a strong supporting cast of players, many of them stars in their own right will make this picture real entertainment.

JESSIE MATTHEWS IS "TOPS" IN TAPS AND TUNES

If you like hot dancing, if you go for singable tunes, if you want star value for your movie money, "It's Love Again," coming to the Princess Theatre next Wednesday and Thursday, August 19 and 20, is your picture. It's the latest vehicle produced by GB for its talented Jessie Matthews, and it is said by critics who previewed it, to surpass in entertainment value the best in screen musical comedy.

The picture's song hits, already first favorites on the radio include "I Nearly Let Love Go Slipping Through My Fingers," "Got to Dance My Way to Heaven," "Tony's in Town," and "It's Love Again."

Cyril Love gets his first big chance as Miss Matthews' dancing partner in "It's Love Again." Extra star value is offered by the presence of Robert Young as the romantic lead, while comedy is given over to Sonnie Hale, who has appeared in previous pictures to popularize Miss Matthews.

Weed Cutting Is Urged as Guard Against Disease

Austin.—Texas has been fortunate this year in having beneficial rains in many parts of the state during the hot summer. The rains, however, have made the weeds grow faster and left water standing in secluded places and has created an unsightly and unsanitary condition in many communities.

"While many places are well kept, there are some individuals who do not realize the necessity of keeping the weeds down and eliminating the standing water so that mosquitoes cannot breed," said Dr. John W. Brown, state health officer.

"An appeal to the civic pride of the citizens in a community will often result in a clean-up campaign with astonishing results. Each individual can help by inspecting his premises to see that all nuisances are eliminated.

- The inspection for conditions which might need correction at this time should include: 1. Weeds and long grass which spring up almost overnight this time of year. 2. Cans and other rubbish that might furnish a sufficient amount of water for mosquitoes to breed. 3. Garbage should be disposed of in such manner that flies will not be attracted. 4. Out-of-door toilets should be made sanitary. 5. Wells and cisterns should be inspected to see that the family water supply is free from contaminated material.

Let us covenant to pray for the power and blessing of the Holy Spirit.

JOHN V. McCALL, Pastor.

Tunics Height of Style for Summer Or Winter Wear

Denton.—(CIA) — Tunics have come into their own. For the past three or four years, timid approaches have been made to make this style "tops" but not until this year have the designers boldly proclaimed it the most necessary item in your wardrobe.

Right now we see gay printed tunics made for summer wear, but those displayed in the stores are more versatile—they show dark skirts with light tops that can be discarded when summer months give way to fall.

For instance, a black and white tunic ensemble is especially good. The blouse is made of white novelty crepe or a black and white check. Tiny caplet sleeves are gathered through the center with a draw string, and the neck is criss-cross style with three large black patent leather buttons following the diagonal line across the front.

Now, let's look at this dress and see what we can do with it. First of all, we need something a little more sporty, and something to wear in the fall. We can discard the white tunic for a darker one in blended plaids, or we can wear a short taffet blouse. If your skirt is one of the dull crepes, a boucle knitted blouse will be nice to go with it.
