Alpine Rancher is Freed of Murder Charge; "Unwritten Law" Was Plea

Alpine, Sept. 23.—James Henderson, 32-year-old Texas ranchman, Tuesday was acquitted of murder charges in the unlawful slaying of Thomas L. Bogusch, beer parlor operator, last night.

Henderson rushed to her side, weeping, threw his arms around her as the verdict was read. Several in the room broke into cheers. Henderson had to quiet spectators as the jury could file out.

Henderson was pale and his head trembled as he heard the verdict. He had heard Judge William T. Henderson tell the jury there was an "unwritten law" on the statute books of California, after his attorneys had pleaded Henderson "emotionally insane" at the time of the shooting.

Parent-Teachers Issue Year Book At Oct. Meeting

A year book of the Parent-Teachers association was distributed to members who had paid their dues last night, at the Oct. 2 meeting of the association, which was held in the auditorium of the high school. Mrs. C. L. At first vice president and chairman of the program committee had charge of printing the book.

The Jericho Road

He went down to Jericho to buy a sack of beans; and a dollar and fifty cents secreted in his jeans. He needed all his money, he had earned it threshing wheat, and his aging wife and youngsters were without a thing to eat. Half way down to Jericho he met a stick-up guy. He quickly took his pocketbook and socked him in the eye. The robber stole his coat and pants, he acted mighty rude, and left him lying by the road, half dead and nearly nude. A deacon and a clerk went whizzing down the road; they saw the man, saw the wounds, and where the blood had flowed, they honked their horns and hollered "Hi" as they went scooting by, opened up their cut-outs and threw their cars in high. They stopped at the next village and told a roadway cop. A drunk lay on the highway and such things have got to stop. The chairman of the village board discussed it with the judge, who just shrugged his shoulders and from home refused to budge. The robber from Samaria, a town down in the sticks, was up of shiftless niggers and moonshine-making hicks. He was up and saw the injured man, took out his first-aid kit, and said: "What hit you neighbor? Can I help you out a bit?" The man with hazel on his bumps, bound up his aching head, packed him down to Jericho and put him safe to bed. He opened the bellboys and clerks and said: "In this hotel I'll keep this guy and care for him 'til he's completely well." He sent the bill to my address, my bank account is small, I may not pay this bill 'til corn juice runs this fall." The man who was the poor man's neighbor? The one who hit the trail, the barber from Samaria that most folks would put in jail? —From the Good Samaritan.

Shorthorns Gore Eagles at Marfa By 13 to 7 Count

The Sanderson Eagles, placing a team in action at their first district game much lighted and considerably inexperienced that for many years, were set back by the Shorthorns of Marfa high school by a score of 13 to 7.

The Eagles made their lone touchdown in the second quarter, when Short, speedy little backfield man, intercepted a pass and galloped 25 yards across the goal of the Shorthorns. A pass, Jack Bogusch, quarterback, to Short accounted for the extra point.

The Shorthorn squad pushed the ball across in the first and last quarters of the game. Only one try for extra point clicked.

The Eagles looked good in last Saturday's game, especially in the air, and with Bogusch doing the flinging, a combination will result to balance what the team lacks in weight.

Sul Ross Lobos to Tackle Soldier Boys of Ft. Clark

The Fort Clark army team from Brackettville boasts a team considerably stronger than they had last year. Although their team seemed weak during the early part or last year, they defeated several army teams during the latter part of the football season. Sergeant Frank Moy, manager of the Fort Clark team, reports his team in good condition and ready for action.

Football fans will likely get to see all of the Sul Ross Lobos in action, and it will be interesting to watch the work of these new men. Although the Lobos were somewhat battered in the encounter with the Abilene Christian Wildcats last Saturday, they will be ready to go into action with the Fort Clark team tomorrow at 2:30 p. m. Admission will be 40c.

Gridiron Hero Now a Film Comedian

At the wheel of a 1931 model Ford is Andy Devine, Hollywood comedian, who stopped in Dallas to visit the Texas Centennial and inspected the Ford Exposition. Devine's companion is Ann Gordon, an information girl in the Ford building. Devine is on his way to New Orleans to appear in a new picture, "Murder on the Mississippi."

Andy Devine, Universal Pictures comedian, who is kept very busy in Hollywood appearing in featured roles, visited the Texas Centennial Exposition in Dallas and attracted considerable attention in the Ford building, where he autographed everything that the fans offered him.

Devine entered motion pictures several years ago after making a name for himself in one of the larger universities as a football player. His peculiar voice attracted immediate attention and shortly he had parts in many prominent productions. His last part was that of Peter in the Romeo and Juliet version starring Norma Shearer and Leslie Howard.

From Dallas Devine goes to New Orleans to be featured in a new picture, "Murder on the Mississippi."

Ben Bernie Free Expo Attraction

Ben Bernie and All the Lads, one of the most famous dance bands and radio entertainment units in the country, has been booked by General Motors for an engagement at the Centennial in Dallas. Starting September 11, the Old Maestro and his band will be presented in free daily afternoon and evening programs in the General Motors Auditorium.

SEEK DEATH STAY

Support of friends in Van Horn, Marfa, Sanderson and Alpine of Antonio Carrasco, under sentence of death for the murder of Mrs. Riley Smith, will be sought by Attorney A. L. Carlton, representing Carrasco, in an effort to have the sentence commuted to life imprisonment, Carlton said Monday. Carrasco is sentenced to be electrocuted October 23.—El Paso Times.

TO WEDDING

Mrs. W. F. Bohlman left Wednesday for El Paso to be present at the wedding of her daughter, Mary Ellen Bohlman, the ceremony to take place in that city tomorrow.

NEW BUSINESS

H. G. Holt has been busy the past week remodeling the house formerly occupied by Dr. Halbert which will be converted into an up-to-date restaurant.

Carl Happle, 34, Succumbs After Short Illness

Following a short illness, Carl Happle died Wednesday evening at 7:30 at a hospital in Charleston, S. C., where he was stationed with the U. S. Navy. A message to relatives here was received early Wednesday afternoon that he was very low, and his mother, Mrs. J. W. Happle, and sister, Mrs. Webb Townsend left here on the six o'clock train to be at his bedside.

Carl, the only son of Mr. and Mrs. J. W. Happle of this city, was born on May 9, 1902 in Fort Stockton, Texas. In 1906 he moved to Sanderson with his parents and lived here until he enlisted in the Navy in October, 1923. Following his graduation from the Sanderson high school in 1920, he attended the State University at Austin for two years. Entering the U. S. Naval service he took up radio and worked his way up until this last August he made the rank of petty officer, the highest in his branch of service. A fine sterling young man, his passing is regretted by everyone in Sanderson.

On July 28 of this year he was united in marriage to Miss Marjorie Virginia Thomas and the young couple expected to visit in Sanderson real soon, as Carl was expecting a transfer to the West Coast.

In addition to the widow he is survived by his parents, Mr. and Mrs. J. W. Happle of this city; two sisters: Mrs. Webb Townsend of this city, and Mrs. Kurt H. de Cousser of Lansing, Michigan, as well as numerous other relatives. Funeral services will be held in Charleston, with interment in that city.

Mrs. Brotherton, Mother of Mrs. J. Deaton Succumbs

Del Rio.—Mrs. Frances Emily Martin Brotherton, 76, widow of James Monroe Brotherton, died Thursday night at 10:45 o'clock in the home of Mrs. W. H. Dodd, 1401 N. Main street. Mrs. Brotherton had been ill for some time.

Funeral services were held last Saturday morning in the Doran chapel, the Rev. L. C. Beasley, pastor of the Methodist church, officiating.

Mrs. Brotherton had been a resident of Val Verde county for 40 years. Born July 30, 1860 in Ripley county, Missouri, she was the daughter of James H. and Mary Roland Martin. She was married to Mr. Brotherton on the 30th of April, 1879, near Junction on the Llano river.

From Junction the couple moved to Ft. McKavett, where they resided for several years before moving to Sonora. They resided there for many years before moving to Junction and then to Comstock. Mrs. Brotherton spent much of her time in Del Rio while she resided in Comstock.

A list of surviving relatives includes a daughter Mrs. John Deaton of this city.

HEALTH WEEK

Governor Allred has proclaimed October 11 to 16 as state health week in Texas. He asked health officials and nurses to attend the Texas Public Health Association and Nurses' Institute in Kilgore.

FLOODS PLAY HAVOC

Rains in Texas during the last two weeks were designated as all-time record breakers in some sections, San Angelo and Waco being hit hardest of the larger cities, although many settlements also were inundated with a heavy loss of property and crops. Hundreds were made homeless in the cities of San Angelo and Waco.

The Rio ran broke over early this week, and drenched the cotton lands in Presidio and section. It was reported under control once more, but damage will run into the hundreds of thousands.

Mexico Revives Passport Rule for Visiting Aliens

Laredo, Tex., Sept. 25.—A new set of regulations pertaining to American tourists entering Mexico are to be put into effect in Mexico, according to information reaching Nueva Laredo. Among other requirements will be that a passport from every United States resident residing within 20 miles of the Mexican border will be required before they are allowed to enter. A charge of from three to ten pesos for each passport will be made, it is understood.

Under the proposed passport law residents of Laredo, Brownsville, Eagle Pass, Del Rio, El Paso and other border cities must have their photos made and in their possession with passports at all times when crossing the border to any Mexican city on the other side of the Rio Grande. The passport idea is not new, but was used for the first time in 1925 and then suspended by presidential decree. The practice was resumed in 1927 and continued until 1930 when it went into effect again, but was soon dispensed with.

Other important regulations of the new entry measure is that a visitor must state the length of time he or she intends to remain in the country (Mexico) and has sufficient funds to provide for him during that period. No tourist will be permitted to engage in any activity of a lucrative nature while in Mexico. Tourists of the American continent will now be required to put up a bond to cover repatriation expenses in the event they should become charges to the community and tourists of other countries may also be required to fulfill this requirement. Under no circumstances will a tourist card be issued for a period exceeding six months and all the tourists must leave the country within the time limit prescribed on their entry cards. Possession of a tourist entry card is sufficient license for the driving of an automobile brought by the holder to the country. Sportsmen who may require fishing and hunting permits must comply also with regulations of the hunting and fishing bureau.

El Paso.—Unofficial dispatches received today from Mexico City say that the Mexican Immigration Department has passed a new regulation to require passports even from residents of American border towns to set foot on Mexican territory.

Chambers of commerce of Piedras Negras and Nuevo Laredo are already protesting against the new restrictions.

GRANDCHILDREN

Mr. and Mrs. H. R. Laurence, former residents of this place, residing now at Fort Stockton, announced the arrival of a grandchild, Laurence Albert Becker, born to Mr. and Mrs. Albert Becker in Austin September 24. Mrs. Becker is their daughter.

Mr. and Mrs. W. D. O'Bryant, Sr., may be included in this list, as they became grandparents for the first time this week. An account of the grandson's arrival appears on another page.

On Tuesday, September 22, a boy was born to Mr. and Mrs. Ray Cochran at Henderson, Texas a grandson of Mrs. Lillie Williams of this place. Mrs. Williams is with her daughter in that city.

Marfa, Sept. 30.—The Highland fair is set waiting for the starter's gun. All is ready for the annual Highland event that starts next Thursday. New stock pens have been built and seats have been provided in the sales ring where the prize Highland Herefords will be sold.

Valentine, Marfa, Alpine, and Fort Davis are backing their favorite candidate in a queen of the Highland Fair election that ends Saturday night. Judging from the candidates entered, whoever is chosen will really be a queen whether there was a fair or not.

A dance will be held every night beginning next Wednesday, with the Queen's dance following the coronation at the fair grounds. Plans are in preparation to make this coronation one of the most impressive and beautiful ever held at a Highland Fair.

Horse races, rodeo, carnival and other attractions will be offered all three days of the fair. Friday afternoon the famous Highland hereford feeder sale will be held with Earl Gartin with the hammer. The largest number of buyers from the Middle Western states ever to attend a Highland sale will be in attendance.

Sul Ross college will battle Westmoorland college Saturday afternoon on the gridiron to close the main attractions of the fair. A football dance will be held that night.

Eagles vs. Owls In District Tilt Here Tomorrow

When the Eagles and Big Lake go into action here tomorrow at American Legion field, it will be the first time in history that the teams have faced each other. A game was scheduled between the Eagles and Owls last year, but illness among students of the Big Lake school forced them to forfeit the game.

A complete checkup on the Big Lake team could not be secured, but opinion is that the teams that play here tomorrow will be evenly matched. Coach Smith has been working the Eagles hard for the past week, polishing their air game, and fans will not be disappointed if they attend the game.

On hand will be the pep squad and high school band, and it is hoped that our citizens will turn out in force to see the home team in their first home game tomorrow at 2:30 p. m.

CLUB WILL MEET

A call for the regular monthly meeting of the Beautification club has been issued by Mrs. Jim Kerr, chairman, who urges a full attendance. The meeting will be held next Friday, October 9 at 3 o'clock in the courthouse.

The next attraction presented by O. K. Theatres road show will be "The Last of the Mohicans," featuring Randolph Scott, Binnie Barnes and Heather Angel, supported by an all-star cast of players with a cast of over one thousand. Among the many sensational features of interest is the leap of Cora and the man she loves from the Lovers Cliff, the thrilling rescue of Hawkeye from the savage Hurons, the valiant defense of Fort William Henry against the French legions.

Unit No. 2 will present the "Sunkist Stars of Palm Springs," in all technicolor with Edmund Lowe as master of ceremony.

Unit No. 3 presents Walt Disney's Silly Symphony "Toby Tortoise Returns," which has been declared to be even superior entertainment than "The Three Little Pigs."

Young Composer Plays Viola

Judy Blackwell's father didn't want her to dance. Her mother's love of music aided in influencing the young lady and Judy, now a viola player for Jose Manzaneros and his South American orchestra...

A father's disapproval of a dancing career for his daughter and a mother's love of music resulted in a situation which finally culminated in a radio contract for Judy Blackwell, composer and viola player with Jose Manzaneros...

Followed a series of musical shorts made in Hollywood for Warner Bros. and Paramount. The climax was a Spanish Technicolor short which gave Judy her first serious contact with Spanish music and its possibilities.

Judy mastered the tempos which were stranger than the countries in which they originated. There were yara vies and tristes from Peru and Bolivia; boleros and crias from Cuba; bambucos and pasillos from Panama, Colombia and Ecuador...

Judy's mother had been a well known concert singer before her marriage and had a great love for music, so she alleviated her daughter's disappointment by promising to help train her voice.

'Hail! Hail! The gang's all here, never mind the weather, here we are together.' Let the trouble start right now!

But then, there's always the trouble of every one wanting to tell about the game. Don't all raise your hands at once, boys!

The band is sounding better lately and we hope to see it out there tomorrow doing its best.

If this weather keeps up, we'll be wondering when Mr. Ground-hob will come out to see his shadow.

And then there's the football tickets to sell. And with us all wanting someone else to do his best, we will have to comply with our own wishes.

It surely is nice having these ex-grads around. It adds to the comfort of good ole S. H. S., and it shows how they like it—if they come back even after they graduate.

FROM THE FIRST GRADE
The first grade is making a collection of shells. These children brought rocks: Willo Ethel Kelly, Lowell Stidham, Avis McDonald, Edward Wheeler, Truman Searcy, Billy Carter, Wanda Hickey, Noel Stirman, Mary Agnes Frazier, Marie Turner, Clarice Breg, Edward Chastain, Bobby Dyal and Jeanette Cobb.

MAKING CACTUS BED
The seventh grade is preparing a cactus bed. Flat rocks will be used to make the walks and outlines.

PASSES FOR UNIFORMS
Members of the pep squad and of the band in uniform will be admitted to the game tomorrow free of charge, according to an announcement made Tuesday.

SIXTH GRADE READING CLASS
The sixth grade reading class is studying stories that are very interesting. They enjoyed 'The School on Wheels' and 'Snowflakes.'

Don't lose another minute, purchase football tickets now. They are for sale at 50c for adults and 25c for school children.

Big Lake Owls And Eagles Play Here Tomorrow

The stage is all set for the Sanderson Eagles to clash with the Owls of Big Lake for the first time in football history, tomorrow afternoon at 2:30 on the American Legion field.

The Owls were scheduled to play a conference game with the Eagles during the 1935 season, but had to forfeit on account of an epidemic of mumps in the Big Lake high school.

Big Lake report 22 men on the Interscholastic League eligibility list, and five of these are experienced players.

Coach Duane Smith and Mr. Bernie Morgan, with the aid of the boys from both schools, have been working all week, getting the athletic field in shape for the game tomorrow.

On account of the heavy guarantee to Big Lake for expenses of the trip to Sanderson, it is imperative that the gate receipts be as large as possible.

Students Compete In Ticket Sales

In an effort to boost the proceeds from football games this year the high school has started a ticket selling contest.

The contest will be judged upon two rules: First, that every member of the class except football players, pep squad and band members buy a ticket; second, the class that sells the most tickets.

The contest got off to a good start Tuesday, with all classes in high school taking part.

Everyone was quite shocked to awaken and find their 'noses' and 'toses' were cold.

There were fourteen girls of the pep squad at the football game between Sanderson and Marfa last Saturday.

Eight cars went, taking the players and pep squad. Those who took cars were: Mr. Caraway, Coach Smith, Bert Herbert, Joe Kerr, Jr., Miss McWhorter, Mrs. Ulbricht, Mr. Holt, Mr. and Mrs. Canon and Mrs. Breg.

Eighteen Pupils In Fourth Grade

The fourth grade has enrolled eighteen pupils. It had nineteen, but John Rolan moved away.

They have been studying tree and flower poems, and had Tree Day and Flower Day at school, when they decorated their room with pictures of trees and flowers.

They are very proud of their 'Village of Bagdad,' and they invited the third grade to visit it.

Today they have a program in reading which includes some of the month's work.

Pep Squad Well Represented at Game in Marfa

There were fourteen girls of the pep squad at the football game between Sanderson and Marfa last Saturday.

Eight cars went, taking the players and pep squad. Those who took cars were: Mr. Caraway, Coach Smith, Bert Herbert, Joe Kerr, Jr., Miss McWhorter, Mrs. Ulbricht, Mr. Holt, Mr. and Mrs. Canon and Mrs. Breg.

APPEL CAPTAIN AT MARFA

Albert Appel was acting-captain in last week's football game with Marfa.

Several pupils brought records, but we need a portable. Harold Haynes donated a concrete pot of cacti to the class, and other pupils brought pretty rocks and all sorts of pretty bugs and butterflies to be mounted on cardboard.

Fire Prevention Drills to Feature Week Oct. 5 to 12

Students from Sanderson high and grammar schools will participate in observance of National Fire Prevention Week, which begins Monday, October 5, and continues through October 12.

Weekly fire drills are being conducted in the grammar school and room captains and fire captains are elected from each room to manage the fire drills.

Marshall Cooke has returned from a week of absence on account of the illness of his sister. She was taken to Dallas.

Miss Taylor took weights of 5th grade pupils, and the chart placed on the wall in the room.

Lewis Lemons and Donald Smith furnished the class with globes which will create interest in geography classes.

Edward Kerr brought three types of cacti to the class room.

Betty Hurst brought a pot plant to the school last week.

Posters on 'How to Make a Living,' are being made in geography and art classes.

Our bulletin board has been filled with pictures by Reynolds, Vermeer and Frans Hals.

Harold Haynes donated a concrete pot of cacti to the class, and other pupils brought pretty rocks and all sorts of pretty bugs and butterflies to be mounted on cardboard.

The Snooper

At last a part of Sanderson has awakened to the fact that this is still leap year.

After Kenneth Litton was elected secretary and treasurer of the freshman class he was called upon to make a speech.

The public speaking class is coming along fine so far, and if anyone would like a few pointers on public speaking just see Miss Martin or Pat Sullivan.

Is Albert Appel timid or is it just a way of his? If you don't catch on, just ask an out-of-town junior girl.

At first everyone was gripeing about having no steam heat at school on cold days, but now they are so used to it that it's just a habit and not from being cold.

Under The Eagle's Wing

By Homer Richardson

Last Saturday, Sept. 26, the Sanderson Eagles played the Marfa Shorthorns at Marfa, and returned home with the light end of a 13 to 7 score.

The Eagles were outweighed 14 or 20 pounds to the man, and the Marfa squad was several inches taller on an average.

Jack Bogusch, playing his first game in the backfield at quarter-back, called a fine game.

Wilburn Short played his first game as an Eagle, and was probably the fastest man on the field.

John Taylor Burdwell played for the first time in his life in this game. Counting this game, it was the third he had ever seen.

Essay Haines, who had experience last year playing in the backfield, held down the fullback position Saturday.

Pat Sullivan, at center, also gave a good account of himself in this, his first game.

James Allen, tackle last year, was changed to an end position, and for the full sixty minutes of the game, gave a good account of himself.

Appel, one of the quartette of last year's team, played his old position at guard Saturday.

Joe Kerr is at his old position of right tackle this year.

In this game Houston Chandler got his second experience when he replaced Druce in the last few minutes of play.

Tommy Billings, another of our first year men, played left guard. Tommy was the cause of several fumbles by Marfa men, by his submerging the opposing tackle or guard.

Marfa's touchdowns came in the first and fourth quarters, the last marker being aided by a penalty being imposed on the Eagles.
