Wooden Money

THERE have been times in our country when wooden money was accepted as readily as ordinary currency.

Back in December, 1931, the Citizens bank of Tenino, Wash., suddenly closed its doors, leaving the town merchants without sufficient cash to carry on their business.

Just as things began to look very bad indeed, the resourceful chamber of commerce saved the day with a novel idea.

The first scrip was printed on lithographed sheets in denominations of 25 cents, 50 cents, \$1, \$5, and \$10 by the Thurston County Independent in December, 1931.

So the heads of the chamber got to work again and brought out in February, 1932, some real wooden money in 25 cent, 50 cent, and \$1 denominations.

THE 25-MILLIONTH

F O R D

HAS JUST BEEN BUILT

IT HAS never occurred before in automobile history that 25 million cars of one make, bearing one name, have been manufactured under one management.

25 million cars since 1903... more than one-third of all the cars ever built... enough cars to transport the entire population of the United States.

The figures represent a remarkable contribution to the social welfare, the industrial stability and the general progress of our country.

People respect Ford efficiency. They know Ford uses fine materials, the best workmanship at good wages, the most exact precision measurements.

Naturally, too, they expect more of a Ford car, more this year than last year—more

each year than the year before. They have every right to. The experience gained in building 25,000,000 cars enables Ford to produce today a really superb motor car at a really low price.

The 1937 Ford V-8 combines advanced design, all-steel construction, extra body room, and brilliant brakes with a choice of two V-type 8-cylinder engines—the most modern type of power-plant on land, sea, or in the air.

The 85-horsepower engine provides top performance with unusually good economy for its high power.

The 60-horsepower engine gives good performance with the greatest gasoline mileage ever built into a Ford car—and wears the lowest Ford price tag in years.

People expect more of a Ford car because it's a Ford—and they get more, for the same reason. It is undeniably the quality car in the low-price field.

What is it Worth to be WELL?

Never think very much about it as long as we have it. And that's wrong. It costs a lot—in money, effort—to get well. But it's worth it to keep well and a whole lot more. Don't neglect your health. You are feeling run down—lack of energy and vitality—or a bit out of go and have a talk with your doctor. ELEPHANTS RIDE RANGE IN LATEST WESTERN FILM WITH JOE COOK AS STAR

Joe Cook, America's one-man circus, rides to the rescue of the gal on—all things—the back of an elephant.

And it's no mere 45 that Joe packs. His weapon is a 22-inch cannon of the type used in circuses to shoot "living bullets" into the air. And for ammunition Joe uses frying pans, kettles, washboards and other household accoutrements.

Does it work? You'll have to wait until tonight when "Arizona Mahoney," a madcap travesty of life on the plains comes to the Princess Theatre, to find out.

Joe and his assistant, Robert Cummings, carnival operators, are stranded in a western town, and Cummings improves his time by courting beautiful June Martel, a bit of diversion also being practiced at the same time by Larry Crabbe, a bandit chief. Joe makes his famous ride atop the elephant, when rival bandits, who resent Crabbe's rustling raids, made just to fulfill Miss Martel's desire to own cows, surround the trio in a ranch house. It's a timely and efficacious arrival, you may be sure, albeit somewhat irregular for the Wild West cinema goes have come to know.

Assisting in the madcap goings on are Marjorie Gateson, John Miljan, Dave Chasen, Irving Bacon, a talking goose, two Indians, a swaybacked horse and talented little Billie Lee.

GENERARL SPANKY IS A FILM TREAT FOR THE YOUNG AND THE OLD

Spanky McFarland, the personality lad, has created a sensation wherever he has appeared in his first starring role in Hal Roach's new full length comedy, "General Spanky," which comes to the Princess Theatre next Monday, Feb. 15. Spanky, for a little fellow, takes full command in the absorbing story centered on the war between the North and the South.

Spanky is an orphan, shining shoes for a livelihood on a Mississippi river boat, when he meets Phillips Holmes who befriends him against the villainy of Irving Pichel. The war breaks out and Holmes becomes a captain in the Southern forces; Pichel a captain for the North.

Spanky, left behind with his tiny slave, Billy Thomas, organizes an army of kids with Carl Switzer as the second general. The youngsters run the gamut of calamity, conquest and comedy. They save Holmes' life when he is captured by interceding with the Northern general, Ralph Morgan; bring about the downfall of Pichel and promote the romance of Rosina Lawrence and Holmes.

Louise Beavers as a typical "mummy" of the ol' South, Willie Best, the lazy slave, and a group of talented negro spiritual singers all contribute to the plot and fun in a uniformly fine cast.

## Current Comment

Girls! Girls! You certainly did play a good game Friday. I would like to compliment each of you personally, but I will only take time now to say that Helen Turner really had those Marathon girls wondering because of that unexpected serve of hers.

Congratulations Mildred Underwood. We hope your good luck holds out and that you get to go to Washington.

This Snooper I hear so much about lately had better be careful. It's all a little too sudden for Ethel Lee.

The League contest will be here before you know it. Practice and more practice makes you perfect. Enter some contest and do your best. You never know what you can do until you try. I am stressing Mr. Holt's invitation asking everyone to help win in the meet.

Although I hear something to the contrary, I still don't think that newspaper work is hard. It always seems easier to me to look around and see what people are doing and write it than to work a long hard problem in geometry, learn a history lesson, or translate a whole page of Spanish. So, get to work, reporters!

Coach Smith is certainly getting generous (at least with his cough syrup). Ask the American History class for particulars.

Miss Martin was very surprised to learn that the Junior class did not know who was betrayed with a kiss. Tsk, Tsk!

Before long we can say "he don't" without even being corrected (and just oodles of other incorrect things, too). Won't that be fine?

### A LIBRARY TRAGEDY

Vaunceil Henderson  
"Can't we leave these beautiful gay covers on the books?" asked Miss Thornton, when Mr. Holt unpacked the 54 new colorful books and stacked them on the desk. "No, we couldn't, for the authors' names just had to be put on the backs for cataloguing.

That's the way you feel about it! Just can't bear to see the crisp, gay covers being tossed into the wastebasket or stowed away in a dusty closet.

We took a beautiful gold cover off "Java Head" and revealed the drab fabric binding; we tore a thrilling colorful one from "Moby Dick," and removed a kind-eyed picture of a dog from "White Fang"; we stacked these somber, "undressed" books on the shelves of the library and felt that part of their glory was gone!

### A VISIT FROM MARY

Mary Ferguson, freshman at the University of San Antonio, formerly Westmoorland college, was a visitor at high school last week when she was home for the "between terms" vacation. Mary graduated from here last May.

## Students Train In 12 Contests In League Meet

Twelve contests have been entered by high school and seventh grade students who wish to support their school at the bi-county meet, which will be held in Marathon March 19, and the district Interscholastic League meet, to be held in Fort Stockton in April. The Dramatic club, directed by Miss McWhorter seems to be the most popular. Entries are Margaret Gregory, Emma Fay Harris, Mary Beth Banner, Ethel Laura Nance, Ruth Murrach, Marjorie Canon, Elizabeth Brown, Vivian Earwood, Mona Breg, Wesley Lochausen, Jimmie Goodykoontz, and Edith Walsh. The cast for the one-act play will be chosen from this membership.

Eleven pupils have entered the seventh grade essay writing, directed by Miss Thornton. They are Lois Bassett, Doris Cochran, Joyce Yeates, Helen Ruth Harrell, Al Creigh, Shirley Denson, Martin Bodkin, John Hardgrave, Bill Cargile and Earl Hurst.

Debate seems to be one of the less popular fields, according to Miss Martin, debate coach, who reports that few boys have entered. Girl entries are Mildred Underwood, Nelle Lea and Mildred Hurst. The boy entries are uncertain at this time.

Miss Childers, sponsor of typing, reports that eight have signed for typing. They are Juanita Sibley, Ethel Laura Nance, Maria Bustamante, Martha Bassett, Bertha Mae O'Bryant, Bennie Mussey, Vaunceil Henderson and Ethel Breg.

Shorthand, also directed by Miss Childers, boasts seven entries: Sammie Carter, Nelle Lea, Mildred Hurst, Mildred Underwood, Vaunceil Henderson, Dorothy Lewellen and Ethel Breg.

Strong Volleyball Team  
Many of the girls are going out for volleyball, directed by Mrs. Ulbricht. Among them are Sammie Carter, Nelle Lea, Mildred Underwood, Dorothy Lewellen, and Helen Turner.

In spelling, also conducted by Mrs. Ulbricht, entries are Margaret Ann Gregory, and Adair Edmiston.

Those entered for declamation in the seventh grade, also under direction of Mrs. Ulbricht, are Pauline Bell, Lois Bassett, Roberta Lochausen, Bernice Harris, Mack Mims and Ross Underwood.

In track, coached by Mr. Smith, contestants are Wilburn Short, Albert Weigand, James Allen, Albert Appel, Cyle Earwood, Pat Harris, Essary Haines, Jack Bogusch, Troy Druse, Robert Lochausen, Houston Chandler and K. Litton.

Those entered in tennis, coached by Mr. Smith and Mr. Dawson, are Pat Harris, Bert Herbert, Bob Lea, Jimmie Goodykoontz, Adair Edmiston, Mary Bess Hardgrave, Marjorie Canon, Mildred Underwood, Sammie Carter, Bennie Mussey and Helen Turner.

In number sense, which is directed by Mr. Hensley, contestants are Bernice Harris, Martin Bodkin and Joyce Yeates.

Art, directed by Miss Martin, has only one entry, Vaunceil Henderson.

Mr. Holt has charge of ex-temporaneous speaking, which is correlated with his Texas History class work.

Ethel Lea Riley is the only declaimer entered from the high school. Miss Wade is teaching her.

## Attendance Drops When Flu Hits

During the mump and flu epidemic the attendance percentage of the high school has remained in the 90's until this week, when the record took a sudden drop to approximately 75.

Not only have the students been ill, but a number of the faculty are out this week, and were out last week. Mr. Holt, superintendent, was ill the first part of this week; Mr. Smith, principal, was ill last Friday; Miss Lucille McWhorter was out last Thursday and Friday but was back in school on Tuesday of this week. Miss Vera Wade was out of school four days this week.

In high school absentees included Albert Weigand, Robert Chandler, Wilburn Short, James Allen, Pat Sullivan, Bob Lea, Margaret Higgins, Adair Edmiston, Elizabeth Brown, Bert Herbert, Reginald Monroe, Juanita Sibley, Sammie Carter, Alice Van Cleave, David Allen, John Fisher Charlton, Ruth Murrach, Santos Gutierrez, Troy Druse and Albert Appel. As far as the high school checked all these students had the flu.

Mrs. Austin Nance and Mrs. McDuffy Kessler have been substitute teach in grammar school. R. B. Dyer, efficient janitor of the high school was ill Tuesday and Wednesday of this week with flu. Juan Falcon, Mexican assistant has been working full time.

## Bogusch Named All-Tournament At Big Bend Meet

Jack Bogusch, forward, brought home the only trophy from the Big Bend championship high school basketball tournament held in Alpine last Saturday. He gained a forward position on the mythical all-tournament team.

Sander son drew Van Horn in the first round and had to do a lot of hustling and real ball playing to win by a score of 23-20.

Bogusch, Appel and Weigand played real ball throughout the game. Bob Lea started out very well, but early in the game he sprained an ankle and was replaced by Druse. Harris and Sullivan alternated at the other forward position, and both played a good game.

Appel and Weigand deserve a hand for putting up a real scrap in the second game with Sierra Blanca. Both became ill after the Van Horn game, but played nevertheless. Despite their illness and the absence of Joe Kerr and Lea at guard positions, the boys gave Sierra Blanca quite a scare by pulling up to within 2 points with only two minutes to play. The final score was 28-22 in favor of Sierra Blanca.

Alpine won the tournament by a 2-point margin over the Sierra Blanca quint in the final.

## IN THE EDITOR'S SHOES

Nelle Lea

WHAT DOES IT FEEL LIKE TO TAKE THE EDITOR'S PLACE?

You should be a reporter and have the experience. We reporters will be glad to see the editor back after her illness. We have to go here and go there to give each reporter his assignment for the week and then remind them to turn in these stories for typing, and if they do not have them written we have to stand there and wait until they have completed the assignment.

Last, or next to last, we must type the news, take it to our sponsor to be corrected, retype it if necessary and then return it to the sponsor to be handed in to the printing office.

Folks, I ask you: do you call that easy work? If you do I want you to take a reporter's place when the editor is absent. You might love to sit until dark and concentrate on a new story to print, so there'll be copy enough to fill the page, but if you knew the other half of the story you'd rather stay away until the "Chief" is back again.

If only the editor was here I've could say we just had to go home right after school, and she'd do the job for us, and do her own work also.

IT'S THE EDITOR WHO PAYS !!

## The Snooper

My goodness! Pat Sullivan, Bob Lea, Elizabeth Brown, Albert Appel, Sammie Carter, Bernice Harris, Troy Druse and numerous others are absent from school on account of flu.

The tennis court seems to be a very popular meeting place. At least you can see some one there from dawn until dusk! Of course, there are a few intervals during the day when no one is playing, especially is this true at meal times.

E. L. R., E. L. N., and J. S. really had a good time last week dancing to the Lucky Strike program at one of our prominent sops's home.

Boy, oh boy! At least the Sander son volleyball girls have put a damper on Marathon. It was a very tight game, but, whee, they came out victorious!

The tournament in Alpine was not exactly a success, due to the fact that the second game played against Sierra Blanca was lost. The boys all came down with the flu, probably because of the sudden change in the weather.

The business arithmetic class received their work books, and these books are so arranged that you can't even see the next page before tearing it loose. This will oust the privilege of memorizing the answers to the first four or five problems before it is time for the test to begin.

Miss Martin had a hard time trying to get four people to debate at assembly, but with so many absent with flu, and the first and second speakers not matching, she finally gave up.

Everyone is practicing either debate, tennis, declaiming, track, volleyball, or some other contest event for the bi-county meet. Here's hoping there is an entry in every field of work.

Ethel Laura Nance seems to be getting along fine. She was at the show the other night with Billy Riley. Stay in there, little girl, keep up the good work!

Esther Walsh, freshman was married in Stockton last Friday.

## Volleyball Team Beats Marathon

**Dorothy Lewellen**  
At last the volleyball girls in a game with the Marathon girls last Friday, defeated the visitors two out of three. The scores were 15-7, 15-9, and 15-10.

The first game was won by the Sander son team 15-7. A little excited over their easy victory in the first tilt, and evidently diverted by the loud cheering, the Sander son squad dropped the second game to Marathon by a count of 15-9. With the third an deciding game coming up, the Sander son girls went into a huddle, pepped each other up, and proceeded to win one of their few victories over their ancient rivals to the tune of 15 to 10.

Nelle Lea was acting captain in this game. The Sander son girls showed a decided improvement since their last game with Marathon. Last fall the Marathon team took our girls to camp by winning the best two out of three game.

Date of the next volleyball game has not been announced, but when you read about it in this paper, make arrangements to be on hand and help the girls to victory. They need you.

## First Grade

(Delayed from Last Week)

Ora Mae Blackwelder's mother gave her a lovely birthday party in the schoolroom on January 25. The children enjoyed the pretty cake with its pink candles. The group played games chosen by Ora Mae, and Mrs. Blackwelder took a picture of the group.

Many of the pupils were absent last week on account of flu, but most of them are back this week. Joe Mussey went to San Antonio last Friday for a visit of several days.

Thirteen children of the class are entitled to the "Find the Bottom Bowl," given by the Ralston Cereal company. The wheat they planted in connection with this unit is coming up.

Bruce Brown has received his "Find the Bottom Bowl" from the Ralston Cereal company. It is very attractive, and now fourteen or more of the class are entitled to one of these bowls.

The class will soon have a number of hyacinths and tulips in full bloom. The bulbs were planted last fall.

Ora Mae Blackwelder brought a bluebonnet to the room Monday. This is the first of the season.
