Woman Sustains Painful Injuries; Car Turns Turtle

Mrs. D. W. Brewer of San An-
tonio was recovering from in-
juries sustained Monday when
the car she was driving overturned
on the highway about 5 miles
east of here. Mrs. Brewer was
enroute to El Paso to join her
husband who was returning from
Los Angeles. The accident oc-
curred about 2 p. m. Monday.
Her injuries consisted of a cut
over both eyes, a deep gash in
the back of her head, a sprained
left knee and ankles, and minor
bruises about the body. She was
brought to Sanderson for treat-
ment and Mr. Brewer was noti-
fied of her injuries. He arrived
here early Tuesday morning.
The car, though badly damaged
was repaired here, and on Wed-
nesday Mr. and Mrs. Brewer re-
turned to their home in San An-
tonio.

Kerr, D. L. Duke, Andy Ander-
son, and O. H. McAdams.

Checks Received Here For Work in Range Program

Terrell County stands among
the first of the 1937 counties in
the range area of Texas to re-
ceive checks for the 1937 Range
Conservation program. On March
6th checks were received by
Beatrice Nichols, Treasurer, Ter-
rell County Agricultural Conser-
vation Association in the amount
of \$28,019.75. Checks are ex-
pected to arrive in a few days for
the balance for participation in
the 1937 Range Program amount-
ing to \$20,152.75.
The hope was expressed that
more ranchers will take advan-
tage of the 1938 Range Conser-
vation Program than did in 1937.

4-H Boys Make a Good Showing at San Angelo Show

The five calves and ten lambs
entered by Terrell County 4-H
Club boys sold through the auc-
tion ring at the San Angelo Fat
Stock Show last Tuesday at good
prices, according to Ernest Wil-
liams, county agent, who return-
ed home with the boys that night.
As was expected, none of the
calves placed in the money, but
one lamb, fed by John Allen, fin-
ished high among the 243 entered
in its class.
Williams stated that the boys
learned a lot by seeing what oth-
er boys had done, and that all en-
joyed the show and rodeo.

HOME FROM NAVY

Jack Smith, son of Mr. and
Mrs. Chester Smith of Dryden,
who had been in the U. S. Navy
service for the past four years,
arrived home Monday, having
been discharged at the San Diego
naval base last week. Most of
time he has been in the service
he had been stationed in Panama
aboard a submarine, being a
radio operator. Jack will visit
here for about three months and
will re-enlist.

CANDIDATE IS VISITOR

Campaigning for the office of
Attorney General, Judge Ralph
Yarborough of Austin was a vi-
sitor in Sanderson Tuesday. He is
the only candidate in the race
who has extensive experience in
the Attorney General's depart-
ment. He graduated from the
University of Texas law school
with highest honors, practiced
law in El Paso nearly four years,
served on the Colorado River
Authority board and is now judge
of the 53 District Court.

Service Officer Here March 17th To Aid Veterans

Granville Routh with the State
Veteran's Service office will be
in Sanderson on the evening of
March 17, located at the court-
house to assist war veterans and
their dependents in establishing
their claims to any government
benefits they may be entitled to
receive under present veteran
laws. The Veterans State Ser-
vice office of Texas is a part of
the state government maintained
for the purpose of rendering ser-
vice to war veterans and their
dependents.
Mr. Routh states he is working
with the various veterans organi-
zations in his territory, and is
receiving their full cooperation.
He suggests it would be advisable
to bring all papers pertaining to
individual claims when visiting
his headquarters in order that he
may render the best service pos-
sible in connection with claims
brought to him for assistance.

HANGAR BURNS

A private hangar, located near
the Dryden airport, burned early
Sunday night. Origin of the fire
is unknown and the blaze was
beyond control when discovered.
It was used to house the airplane
of Ed Hampton, who is stationed
at the airport, but his plane was
not in the hangar when it caught
fire.

Column Right
The Times, with this issue en-
ters its 31st year. That's a long
time—and a long way—and at
times the going seems rough.
But we believe rays of sunshine
that break through the rift occa-
sionally are more bright and
warmer than that experienced in
any other line of business. And,
too, boosting your community,
recording events in the lives of
friends and neighbors; rejoicing
in their good fortunes, extending
sympathy in their trials—all these
things have reward in them-
selves. On this anniversary our
one wish and aim is merit the
good will of every individual in
the community.

When soliciting advertisement,
an editor often hears that old saw
"They don't read the paper." Last
week Russell Dyer placed a small
ad in the Times. He sold 40 of
the article advertised. This week
he is advertising Buck Masks,
whatever they are, and expects
to get equally good results. If
advertising doesn't pay, then all
the big industrial tycoons we read
about are headed for relief. So,
don't be surprised if you see Mr.
Ford, Montgomery Ward and a
few others who spend millions
each year in advertising, standing
on the street corner with goggles,
a tin cup, peddling shoe laces.

But the guiding principle in all
advertising is "Don't crow unless
you can produce the goods."
Spring is as fickle a maiden as
the cartoonists picture her. She
blows hot, then cold, for no con-
ceivable reason. If it was not for
the fact that we have but one
suit, we'd be in a jam these last
few mornings about just what to
wear.

After about four months of
"suspended animation" the Ma-
dera Valley News, is again being
published under the new name—
The Balmorhea Texan. We know
of no paper more worthy to car-
ry the word "Texan." In the
valley there are some of the most
prominent Texas families in the
Southwest. The Kingstons, the
Kountzes, Moores, Splittgarbers—
native Texans every one of them.
And our friend, Ed Stuckler, Ed,
like the rest of these old pioneers,
is the epitome of hospitality, and
doesn't believe in door keys. He
was once asked if he wasn't
afraid he'd be stolen out of house
and home. "No," Ed said, "they
are welcome to everything I have
except the wife, and if they try
to carry her off they'll wish they
hadn't." Well, back to the Texan.
It is under new ownership, with
Jim Ross at the helm. We wish
it all the success it can stand—
those folk down there deserve
and appreciate a good paper.

Can't think clearly, this week.
A couple of sparrows have pre-
empted the corner of the roof to
set up a love nest. However, we
don't believe this is their first
year together. From the god-
awful racket they're making they
must have been married a long
time.

The 1938 auto license tags are
now on sale, but very few are
being displayed on Terrell coun-
ty cars. You might as well drop
in and decorate the mahogany at
the collector's office.

We'll soon be celebrating Saint
Patrick's day. Legends about the
old gent are numerous and var-
ied. Must have led to the fol-
lowing:
St. Patrick was a gentleman
Who, by strategy or stealth,
Drove the snakes from Ireland—
Here's a bumper to his health.
But not too many bumpers,
Lest we lose ourselves and then
Forget dear old Patrick,
And see the snakes again!

APRIL 1-10 CLEAN UP WEEK

Austin.—Proclaimed in Austin this week was April 3 to 10 as State Clean Up and Paint Up Week by Gov. Allred.

The Texas State Department of Health and the Fire Insurance Department will jointly sponsor this week in Texas.

Dr. Geo. W. Cox, state health officer, states that the accumulation of winter's debris represents a distinct menace to the health of adults and particularly little children, and urges everyone to clean up their homes and yards during this week.

"Texas is annually being host to more and more tourists and we want Texas to appear at its best for the approval of these visitors. If all property holders will repair and paint their buildings, and replace weeds with flowers and shrubs, we can make Texas the beautiful place Nature intended it to be."

Flies help spread typhoid fever, dysentery, diarrhoea, tuberculosis, anthrax and cholera. They breed, live and feed in filth. To prevent their increase all refuse should be disposed of at once, garbage kept in covered containers, privies made sanitary, and all houses screened. Every neighborhood raises its own flies, so that their number is an index to sanitary conditions.

Mosquitoes are responsible for the spread of malaria, dengue and yellow fever. Malaria is spread by the bite of the Anopheles or malaria mosquito. Dengue fever and yellow fever are transmitted by the Aedes Aegypti, or Tiger mosquito. The best way to prevent these diseases is to destroy the breeding places of the mosquito. They breed in standing water, so one should drain, ditch or fill such places, spray oil on water each week, or stock with surface minnows, as these will eat the wiggletails. Houses should be well screened as a protection against these insects. After the spring cleaning is finished, it should be kept in this condition at all times.

S. L. Eldridge of Sabinal was a business visitor in Sanderson for several days this week.

Miss Sammie Carter returned home Monday night from Houston where she spent the past two months visiting relatives.

T. A. Harmes was a business visitor in San Antonio several days this week.

Mrs. Mata Wheeler from her ranch near Rocksprings arrived Wednesday for a visit with Mrs. Grace Wheeler.

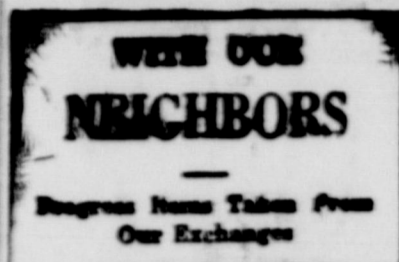

Know Texas

Health Guardians

Denton.—A peck of apples a day could not keep all the Texas doctors away, because there are over 6700 of them in the state, according to the 1936 census. At that time there were 296 hospitals, which boasted a total of 21,470 beds and 319,240 patients, not to mention about 1500 bassinets. Since the average number of hospitals per state is about 130 Texas is well above its quota.

Youngsters Ahead

Texas between the ages of 35 and 44 should be able to get what they want these days, if there is any truth in the "strength in numbers" policy. There are 787,000 in that age group, with the five-to-nine year class ranking second.

PORT STOCKTON:

According to the Pioneer contract for paving the city streets was let to Holland Page, Austin, on a bid of \$29,226.93. Bids were submitted by eight firms on 12 different types of construction. The accepted bid calls for a rock-asphalt type of pavement. Construction was to start this week.

ALPINE:

According to the Avalanche a move has been launched to speed up the Big Bend fund drive, by organizing the 27 counties embraced in the 29th Senatorial district on a per capita basis with individual quotas fixed at 30 cents. In a drive at Alpine on Wednesday of last week, the first day of the drive \$421.50 was secured, the Avalanche further stated.

SONORA:

A Sutton county ranch deal was recently closed where the 3,360-acre ranch owned by W. E. Thurman passed into the hand of D. H. Kirkland, the Devil's River News reported last week. The property is well-improved and will be immediately stocked by the new owner.

BALMORHEA:

A big time, and lots of excitement is in store for residents of section. The Texan reports that the next big war maneuvers in South Texas will be held near this place. It is expected that there will be 3000 soldiers and 700 officers on hand for the war games, which will last a month.

FLORESVILLE:

"Spanch is King" at the moment in Wilson county. Up to Thursday last week the Chronicle-Journal reported 99 cars of had been shipped this season—50 being shipped from Floresville, and the balance from Poth.

DEL RIO:

According to the Val Verde County Herald, the main objective of the Junior C. of C. this year will be to seek improvement of State Highway 30, between that city and San Angelo, an important and much needed route.

MARFA:

"A Firemen's Edition" was issued last week by the Big Bend Sentinel, celebrating the completion of the Central Fire Station. The new building and equipment is a credit to the town. It is two stories high, the ground floor housing the two pumps and 1 hose cart. Upstairs houses sleeping quarters for four firemen. The paper carried many pictures of the station, the personnel of the two companies, and many congratulatory advertisements.

OZONA:

"When two bucks fight," says the Ozona Stockman, "it is generally a matter of concern to the ranchers, but hardly a matter for the law, as was the case here last Sunday." It was two men, Buck Brown and Buck Davis, who became embroiled, staged a battle, were arrested, and each paid a fine of \$1 and costs.

Barstow:

The battle for the removal of the county seat from this place to Monahans, has been reopened by Monahans people, according to the News. Last summer a similar move was started, but charges and counter-charges were so confusing, that no end was seen of a legal fight. The courts finally ruled "no election," and both factions are now back at law.

PECOS:

The end of another fight seems in sight for this city, according to

Cake—Largest in World

Saluting "All American"

J. Frank Grimes, president of the Independent Grocers Alliance of America puts the finishing touches on the famous "All-American" cake while little Jackie Banning and her fair assistants salute at Baking Products Marketing Conference held in Hotel Knickerbocker, Chicago. The cake, weighing more than a ton, was baked state by state from a recipe chosen by 1,500,000 housewives. A slice of the cake was sent by airplane to Governor James V. Allred of Texas, as well as to other governors.

Insurance, Assets Of the Connecticut Mutual Co. Gain

"Increasing \$39,178,859 during 1937, life insurance in force in the Connecticut Mutual Life Insurance Co. now stands at the highest point in its history, \$979,141,068," states Ray Caldwell, agent for the company in Sanderson. New paid for life insurance sales during 1937 amounted to \$95,659,018, an increase of 7.9 per cent over the previous year.

The company's annual statement, which has just been released, shows that the admitted assets of the Connecticut Mutual are also at a new high, totalling \$312,233,793. This is an increase of \$20,804,299 over the previous year.

Premium income of the Connecticut Mutual increased during 1937 from \$37,717,376 to \$40,239,763 and total income from \$55,626,964 to \$58,618,880.

Total payments to policyholders and beneficiaries during 1937 amounted to \$25,737,633, \$4,417,624 of which was in dividends. The total paid to policyholders and beneficiaries since organization in 1846 amounts to \$64,076,866.

Mortality of the company has been very satisfactory, being 54.5 per cent of the expected. Mr. Caldwell states that net investment income after all investment expenses on mean ledger assets for 1937 was 3.77 per cent, as compared with 3.75 per cent for 1936. The surplus of the company increased during the year from \$10,858,887 to \$11,100,968.

the Enterprise. Years ago civic leaders sought to have installed a mail delivery system, but conditions did not measure up to requirements of the federal government, lack of sidewalks being one of the main objections. Last week notice was received by M. W. Collie, postmaster, that the new service had been okayed and minor deficiencies are now being met by the people.

It Happened in Sanderson

TEN YEARS AGO

This Week—Remember??

(From Times, March 9, 1928)

Warren Wilson, son of Mrs. L. E. Wilson, was killed here Sunday morning when the motorcycle he was riding collided with a striped-down Ford in which Howard Johnson and Max Harrell were riding.

Clyde Mills has purchased the E. F. Howard interest in the Mills-Howard Commission company, and will continue to operate the business in the same location.

Friends here of Judge G. J. Henshaw will regret to learn he is confined at the Plaza Hotel in San Antonio suffering from bronchial pneumonia. He was taken ill enroute home from a business trip to Houston.

A bakery shop was opened in Sanderson Wednesday operated by Tom Breeding, who has installed first-class equipment, and will have fresh bread, rolls, pastry, etc., each day.

Both the Sanderson Mercantile Company and the Kerr Mercantile Company were entered Wednesday by forcing windows in the rear of both places. From the register at Kerr Mercantile \$10 was taken. Nothing was missed from the Sanderson Mercantile Co. store.

Mr. and Mrs. Buster Edwards are the parents of a son, born in Del Rio last Monday, Feb. 27.

Word from M. H. Goode, Sr., who is in El Paso for treatment of an injured eye, states he is getting along nicely, and that he will not lose the sight of the eye, as was at first thought.

Joe E. Brown in "Fit for a King" Crashes Royalty

Joe E. Brown travels abroad in his latest adventure comedy "Fit for a King," with the fast action leading from New York into a mythical kingdom, where Joe, cast as a newshawk, meets a Missouri girl, destined to become a queen.

With Helen Mack and Paul Kelly heading a strong cast, the new Brown opus offers regal fun. Joe starts his adventures as a reporter stowed away on a liner to track down a story. Put in the brig through the efforts of Kelly, a rival correspondent, two objectives immediately become uppermost in Joe's mind. One is revenge on Kelly, the other a successful conclusion to his assignment. The story they are covering concerns a plot to restore a princess to the throne of a mythical kingdom. The princess (Helen Mack) has been reared in America. While Joe and the princess become acquainted in the moonlight, Kelly puts the story on the wire and scores an outright scoop. Joe locates the town where the princess and her party will enter their kingdom. He sends Kelly off on a wild goose chase. But Kelly beats him again. Things look pretty black for Joe until he digs up the biggest story of all—a plot to murder the princess. But there is no time to bother about journalism. The princess must first be saved. This Joe accomplishes in a series of fast events, at the same time scoring a big news beat. Then he gives Kelly another news item. He and the princess are returning to America to be married. "Fit for a King," one of Joe's funniest films to date will show at the Princess Theatre tonight and Saturday, March 11 and 12.

Mr. and Mrs. T. D. Moore and children from Del Rio visited in Sanderson over the week end as a guest of Mrs. D. A. Pollard. Mrs. J. O. Scott arrived from her home in Austin Wednesday, and will visit here with her sister, Mrs. Mary Lou Kellar, and brothers, C. M. and Tom Breeding. Mrs. H. E. Fletcher is in Austin this week visiting with Mrs. R. M. Gant. Mr. and Mrs. W. M. Druse were visitors in San Antonio for several days this week. Mr. and Mrs. Frank Hunter and son, Harold Molyneux, returned to their home in San Antonio Monday after spending the week end with Mrs. Hunter's parents, Mr. and Mrs. Raymond Davenport.

"Ebb Tide" in Color, One of Greatest Of Sea Pictures Here Next Wednesday

The most stirring color photography that has reached the screen so far, combined with the efforts of a brilliant cast, makes "Ebb Tide," the first sea picture ever filmed in Technicolor, which will be shown at the Princess Theatre next Wednesday and Thursday, March 16 and 17, a truly exciting film.

The story has to do with a derelict, Ray Milland, who falls in love with the daughter of a dead sea captain (Miss Farmer), on an ill-fated voyage in the South Pacific. Homolka, a captain on the beach because of his bad record of drunkenness is down and out, beachcombing with Milland and his companion, Fitzgerald, a conniving Cockney. Homolka contracts to take a trading ship to Australia, and takes them with him.

The ship turns out to be loaded with champagne, and carries one passenger, Miss Farmer. Over the protests of Milland, Homolka and Fitzgerald change the course of the ship, planning to steal it and sell the cargo. Homolka takes to drinking again and in a wild storm the ship is blown off its course. Milland brings it ashore on an unchartered island ruled by Nolan, a psychopathic trader.

When Homolka and Fitzgerald try to rob Nolan of his pearls both of them die in the attempt; and in the ensuing confusion Milland and Miss Farmer make their way back to the ship, sailing off together to civilization.

The film is notable for several important picture events. It is the first sea picture to be filmed in Technicolor. "Ebb Tide" is the first American picture for Oscar Homolka, who has won considerable renown in England and on the Continent.

Mr. and Mrs. E. L. Pierce and children of Fort Stockton spent Sunday here with Mrs. D. A. Pollard.

Mrs. C. H. White and granddaughter, Janice White, spent the week end at Pumpville visiting Mrs. White's sister, Mrs. F. S. Garrison.

Mr. and Mrs. William Keene and daughter of Balmorhea spent the week end in Sanderson with their daughter and sister, Mrs. George Turner.

Mr. and Mrs. Marion Batson, Mr. and Mrs. J. Riley Dunman, and Mrs. B. F. Dawson were visitors in Fort Stockton last Sunday afternoon.

Mr. and Mrs. Jeff Sessoms and Miss Nell Lea were shopping visitors in Del Rio last Friday.

Seniors of 1938.

Dear Ladies and Gentlemen:
If you will listen around the Home Economics room these days you will undoubtedly hear what you are going to eat later in the Spring. Yours truly The Snooper.

Have you noticed Bert's new socks?

We hear that there will be a band concert coming off here pretty soon. The Sanderson high school band and the Alpine high school band are featured. It is on March 17. So, be on hand.

Miss Nixon's bookkeeping class always wants to go somewhere. I can't imagine why, especially as she is so nice to them. Maybe it's spring fever.

A dignified senior girl got her books locked up the other day while she was enjoying a game of tennis. Mr. Dyer was the culprit.

Don't ask Rosa Mae Clark if she has cooled off yet. What was it all about, you ask? Oh, just a little disagreement about the senior problems.

FULL PROGRAM PLANNED FOR FRIDAY, MARCH 25

A full day's contest is promised for the Bi-County meet on March 25, when Alpine, Marathon and Sanderson meet in Sanderson for the second annual Interscholastic League meet for the two counties. The events will begin at 9 o'clock in the forenoon and will be almost continuous until late at night. Practically every school activity is represented. More than 100 Sanderson pupils will take part in at least one event. The general public is invited to attend the various events. No admission charges will be made for any part of the meet. Lunch will be served at noon by the Sanderson Parent-Teacher Association.

VOLLEYBALL TEAM PLAYS IN TOURNAMENT AT DAVIS

Last Saturday the volleyball girls went to Fort Davis to a volleyball tournament. The first game was played with Alpine, on the basis of two out of three, and the scores were: 15 to 5, Alpine; 15 to 8, Sanderson; 15 to 4, Alpine. The volleyball girls are grateful to Mrs. Sam Bell, Mr. J. L. Newton and Mr. Perry Dawson for using their cars on the trip.

Thirty words per minute is the minimum requirement for passing the typewriting course in high school. This is on a 15-minute test.

Sanderson and Alpine High Bands In Joint Concert

On Thursday night, March 17, Mr. Russell Pinkerton, band instructor in Sul Ross College and in Alpine high school, will bring 25 members of his high school band to take part in a joint program with the Sanderson high school band. Each band will present several numbers and then will join in playing a number of marches and other selections. The Boys' Glee Club and other organizations in Sanderson will take part in the program.

The Sanderson students will entertain the band students from Alpine in the afternoon before the program with a picnic supper according to Mr. Pickard, local band director. A full evening of musical entertainment by the two bands is promised. The purpose of the joint program is to allow the members of the two bands to get acquainted and compare the work that each is doing.

An admission fee of 15c and 25c is to be charged. The proceeds will go to the fund to buy uniforms for the Sanderson band. Tickets for the concert will be on sale early next week.

MEXICAN SCHOOL NOTES

The pupils of the Sanderson Mexican school are proud of the two new fountains completed this week. They are made of the very best material and should see use for many years. One side has a cement step to make them usable by the smallest as well as by the largest.

Payment was made possible by proceeds from the Mexican school play earlier in the year, supplemented by the Mexican P. T. A. This paid for the labor. The materials and supplies were paid for by the school board.

These fountains are a much needed addition, and we wish to thank the two above-named organization for their willing cooperation.

On Monday afternoon the baseball team defeated the Ward school team 8 to 2.

Honor Roll

FOR FOURTH SIX WEEKS

The following is the high school honor roll for the 4th six weeks:

Malcolm Davis 4A; Bertha Mae O'Bryant 4A; Emma Fay Harris 4A; Elizabeth Brown 4A; Helen Ruth Harrell 4A; Doris Cochran 4A; Roberta Lochausen 4A; Jimmy Goodykoontz 3A; Mary Beth Banner 3A; 1B; Mary Bess Hardgrave 3A; 1B; Pauline Bell 3A; 1B; Vaunceil Henderson 2A; 2B; Bernice Harris 2A; 2B; John Hardgrave 2A; 2B; Joyce Yeates.

You may notice that six of the above are freshmen, and that only three are seniors. What's the matter seniors? Three juniors made top honors, too. Only one sophomore could make the grade, however.

Honorable mention for the six weeks goes to the following: Reba Burleson, Hilario Carrasco, Maxine Clatfelter, Troy Druse, William McPhee, Manuel Ochoa, Helen Turner, Albert Weigand, Len Haynes.

FIFTH GRADE

We are reviewing the words in our League booklets for County Meet.

We are also studying Picture Memory for the Meet.

In arithmetic we are having the division and multiplication of fractions.

In geography we are reviewing the western states.

We are studying our declamations for the County Meet.

Mary Nell Higgins, James Kerr and Mary Hope were absent this week.

Glen Babb from Eagles Pass is now enrolled in this school.

Brain Teasers FROM MATH CLUB

By Jimmy Goodykoontz

Dear and faithful fans: My feud with said person mentioned last week is still raging, but you are not interested in my troubles, for you will have enough of your own when you read the following:

Out of the following numbers pick any three which will add up to be 100. 60, 12 1/2, 73, 18 3/4, 6, 95, 42, 37 1/2, 5 1/2, 24, 50 1/4, 21, 54, 30 and 7.

In digging a well five feet in diameter a man came upon a log five feet in diameter lying in a horizontal position under the ground, so that the well just cut it in two. How many cubic feet of wood were removed in cutting through the log?

Answers Last Week

1. Four times faster.
2. The number is 301.

Trophies Ordered For 2-County Meet

A seventeen-inch high sun gold loving cup has been ordered recently which will be the reward for the school winning the most points in the Terrell-Brewster bi-county meet, to be held here on March 25. This trophy will be of distinctive pattern, different from the usual loving cup, and should be a desirable addition to any school's collection of awards.

This cup is paid for by the three member schools—Alpine, Marathon and Sanderson.

In addition to the trophy which is to be awarded to the school winning the most points, individual awards are to be given to the winners of all first, second and third places in events which depend largely upon individual effort, and not so much team work. In all 210 of these awards have been ordered and it is expected that they will be on hand to be awarded the night of the meet.

JUNIOR CLASS MEETING

By Mary B. Banner

Last Tuesday afternoon several of the members of the junior class met with their sponsor, Mr. Pickard, to discuss plans for the annual Junior-Senior banquet. The various committees were selected and it was decided that each of these was to have some plan to present by Thursday, March 10.

The following committees were appointed: Program, Mary Beth Banner, Elizabeth Brown, and Bobbie Allen. Decoration, Maxine Clatfelter, Doyle Vincent, Margaret Bowman and Wilburn Short. Finance, Hicks Canon, Emma Faye Harris, and John Glenn. Menu, Emma Faye Harris, Margaret Gregory and Oleta Lester.

Many Students Report for Tennis

By Doris Cochran

Great interest is being taken in tennis this year. Every afternoon and during school the tennis courts are being used. There are 16 boys and 14 girls coming out. Students are entering in all divisions.

Six girls are out for girls' junior tennis. They are Joyce Yeates, Mary Cook, Bernice Harris, Lois Lewellen, Mary Belle Hollebeke, and Marjorie Morris. Those out for girls' junior tennis in grammar school are Janice White, Edna Mae McAdams, Margaret Ruth Yeates, and Eloise Stidham. In the girls' senior division are Ethel Laura Nance, Marjorie Canon, and Oleta Lester. Miss Johnson is the official high school coach.

There are eight boys coming out in junior tennis: Martin Bodkin, Campbell Kerr, Earl Hurst, Jimmy Wilkinson, Charles Rogers, Sam Bell, Jack Turner, and Dewain Hill.

Coming out for senior tennis are Roger Bassett, Kenneth Litton, Ralph Burleson, Troy Druse, Bert Herbert, Robert Lochausen, Jimmy Goodykoontz, and Albert Weigand. Mr. Dawson is coach for boys' tennis.

The eliminations for boys will be held Saturday, March 19. The date for girls' elimination matches has not yet been decided upon.

With the date of the Bi-county meet drawing near, and the interest that is being taken in tennis, Sanderson has a good chance to take first place in tennis.

Honor Roll

GRAMMAR SCHOOL

The Fourth Grade leads Grammar School this month in honor students. Including all grades in Grammar School there are 29 students who were on the honor roll this month. In the respective grades they are as follows:

1st Grade—Harriet Ann Pierson, Doris Duke, Betty Ann Peavy, Pattie Jo Robertson, Nancy Holt.

2nd Grade—Jeanette Cobb, Edward Chastain, Noel Stirman.

3rd Grade—Charles Yeates, Mary A. Allen, Bennie Gilbert, Betty Jo Kerr, William Talbot.

4th Grade—Allister Dishman, Tom Hill, Joan Anderson, Bob Ingram, Earl Pierson, Bill Savage, Rose Nell Wickliffe, Yvonne Oberling.

5th Grade—Mary Anne Kelson, Harold Surratt, Mary Hope Bodkin, Shirley Newman.

6th Grade—Carolyn Bodkin and Bill Cochran.

7th Grade—Mary Hollebeke, Billy Jo Corder.

SENIOR CLASS MEETS

The seniors of 1938 are getting away from the "old Spanish custom" just a little by announcing their intention to present three 1-act plays in place of one.

Miss Mauryne Lindley, senior sponsor, suggested the plan and argued pro and con for it. It was voted on by the class and the majority decided in favor of three one-act plays.

The senior class gift was also discussed, and Rosa Mae Clark, Albert Weigand and Wesley Lochausen were appointed as a committee to investigate and report on the senior class gift.

The subject of invitations was also discussed and it was decided to order them in the near future.

SAFETY FIRST

By Rose Nell Wickliffe

Always be good,
As you should,
It will be best,
And you won't be a pest.
If everything is good you do,
All the people will honor you.
Mind the traffic law,
And your ma and pa.
Don't let them say you were not good,
For you they'll have no brotherhood.

Awards Planned At Close of School

As previously announced by the principal of each of the three Sanderson schools, awards are to be made at the end of the present school year, which are intended to be a recognition of the achievement made by individual pupils in all grades. Certificates are to be awarded to those who make a high scholastic average for the year and to those who have a high attendance and citizenship record.

Medals will be awarded to the four high school students who lead their respective classes in scholarship. Certificates with the letter "S" will be awarded those who have represented their school in literary or athletic events for the season.

The purpose back of this system of awards is to encourage the pupil to take advantage of his school opportunities, to recognize good work done, and to encourage habits of study and industry.

School Enrollment Present Time, 537

On March 1 there was a total of 537 pupils enrolled in the three Sanderson schools. One hundred twenty-eight were enrolled in the high school, 145 in the Elementary American school, and 264 in the Mexican school. This is about the average for the year, although the enrollment in the Mexican school has recently decreased, while that of the other two schools has increased. This is not the total number of pupils enrolled for the entire year, but the number now in attendance in school in Sanderson.

The Sanderson high school this year has enrolled a total of 111 pupils in the four high school grades. According to the records available this is the largest enrollment in the high school grades to date. Last year the total high school enrollment for the year was but 100, with approximately 80 in average attendance.

FIRST GRADE NEWS

Several of the first grade children were absent last week on account of illness. Three were absent Monday for the same reason.

The class is now enjoying the beauty and fragrance of three hyacinth blooms. The class helped plant these bulbs last fall.

Last week the children took their first primer home to study. The greater portion of the class can read the book well. Each child wrote the name of the book and his own name on the book cover the day the books were taken home for the first time.

Nancy Holt brought flowers for the room Monday.

NO CHANGE IN DISTRICT

The membership of football District Eight, in class B, is to remain the same for 1938, according to material recently received from the University Interscholastic League in Austin. The members will be Alpine, Fort Stockton, Big Lake, Iraan Marfa, McCamey and Sanderson.

It was reported that Grandfalls is seeking membership but the name does not appear on the list of member schools. In all, there are 48 districts in Class B football and these are grouped into 12 regions.

Where SHS Exes Are Now Studying

By Bennie Mussey

Would you like to know where some of the graduates of Sanderson high school are now attending college?

The largest per cent of these former students are attending the Texas colleges; two are in California, and two are in Utah.

The ex-students now attending Texas colleges are:

Jack Hayre, Henry Goldwire, Billy Goldwire, Melven Pollard, and Lloyd Gant, University of Texas.

Leo Daniels, Baylor Medical College.

Junior Lemons, Texas Tech.

James Allen and Anna Lee Allen, Abilene Christian College.

Reuben Mussey and Jack Shelton, John Tarleton College.

Jack Bogusch, Schreiner Ins.

Roy Deaton, Sul Ross College.

Billy Ferguson, Mary Ferguson and Dorothy Lewellen, University of San Antonio.

Robert Kerr, Bearnard Kerr, and Joe Kerr, St. Mary's Univ.

Ex-students attending out-of-State colleges are:

Mildred Hurst and Florence Hurst, Brigham Young University, Provo, Utah.

O. T. Schupbach, University of Southern California.

Cleveland Deaton, Business College in Hollywood.

Mexican Schools Stage Contests

The Sanderson Mexican school entertained the Marathon Mexican school here last Friday with contests in volleyball, arithmetic and spelling. The Sanderson teams won in all three events. The team scores and Sanderson's players in volleyball, 16 to 15. Josefina Yepeda, Yulema Falcon, Alma Gutierrez, and Luisa Saez. The second team played part of the last game and played well. Each of the players on the first team are to be complimented on their playing.

Arithmetic, 170 to 158, Sanderson—Jose Ozura Jr., and Santiago Flores represented Sanderson. In spelling Sanderson won 196 to 194, and was represented by Alma Gutierrez and Francisco Nerierez.

In a similar meeting held in Marathon last month the Sanderson Mexican school won in arithmetic and spelling, but lost in volleyball.

NEW STUDENTS

Mr. Smith is having a hard time checking the roll in high school.

For we have many new students who have enrolled the last few days. They are Oleta Lester, 10th grade, who came here from Robstown; Bill Ray Brown, 9th grade, of McCamey; Buster Babb, from Eagle Pass, and Ed Leatherwood of Ozona. Both of the latter are in the Freshman class. There are three new pupils in the seventh grade. These are Clarence Chambers of Del Rio, Eloise Ross of Big Spring, and Kathleen White, Big Spring.

SECOND GRADE

Frances Jean Bodkin, Carrie Marie Turner and Emma Lee Ware have been ill.

Mary Agnes Frazier, Noel Stirman and Jeanette Cobb have not been absent this year.

We have begun our study of the Dutch people and their land.

We are happy to tell you that the P. T. A. donated us two books last week.

The girls have been playing baseball with the boys. Some of the girls have knocked "Home Runs."

Edward Chastain is back in school after his seige of "flu."

Mrs. Jessup and Mrs. Courtney visited us for a short time last week.

NOTED SPEAKER TO
AT SCHOOL WEDNESDAY
Dr. Thomas H. Taylor, president of Howard Payne University, Brownwood, will speak to students of the Sanderson school Wednesday morning, March 16, at 8:50 o'clock. Dr. Taylor is in Sanderson to attend a meeting of the Rotary Club day night. He is noted as one of the Southwest's great orators of unusual ability and ability to entertain any audience. This is an opportunity for an excellent speaker, an educator, and a leader in our fields. The public is invited to attend the school assembly next morning.

Typewriters are used in years in most schools, and for new machines. Typewriting on machines is
