One M an Starts Redbud Fever

'Redbud Fever" has swept over the city of Denton, Texas, and thousands of the delicate flowers are now in bloom throughout the town. The man behind it all is Dr. L. H. Hubbard, who started the novement by having over a thousand redbud trees planted on the campus of Texas State College for Women.

With 'A Redbud in Every Yard" as their slogan, the civic Bureau has marked out U. S. Highway 77 as a "Redbud Trail," along er the examination of Three royalty deeds in block which trees are planted at 25-foot intrevals within the city limits.

Local Company to Conduct Two-Day Cooking School—Many Prizes Offered

New recipes and new ideas in meal planning and preparation will be presented at Katie Kilowatt's Free Cooking School, to be held in the banquet hall at the Masonie building Monday and Tuesday, March 21 and 22, at 2:30 p. m., under the sponsorship of the Community Public Service Comany, according to Mr. Clyde Morris, local manager. All home makers of Sanderson and Terrell county are invited to attend.

Ruth Clark, graduate home economist, will be in charge of the program which will contain a host of helpful suggestions for the homemaker who aspires to keep abreast of modern methods in the kitchen. Included in the program will be demonstrations of full oven meals, broiler or grilled meals, waterless cookery and ime-saving shortcuts in meal preparation. Shrinkless roasting and simplified cake baking also be explained.

During the course of her lecture, the economist will introduce a number of appetizing new dishes for enlivening every-day menus. She will prepare some of them on the stage, explaining each step as she goes along, so that members of the audience may duplicate the dishes in their own homes.

At the conclusion of the program the food prepared by the Katie Kilowatt's Thrift Recipe guson Motor Co. building. Book for everyone.

Column Right

"Lindberghs May Return Home to Live," says the papers. If they don't we'll rock along just the same over here. If they do, well well, we'll still rock along. But the way things are breaking over in Europe, maybe they'd better come home if they want to live. The news item, however, may be sure sign that that real trouble is brewing. But signs are sometimes hard to figure out. Like a lady that gave a "Book Party." Each lady wore a placard with the title of a popular book written on it. One lady merely had a picture of the Quintuplets. It had them all up a tree. Finally the hostess asked her what volume it represented, and the guest milingly replied, "It Can't Hapen Here.

MRS. LUELLA L. LEMONS, Owner, G. J. HENSHAW. Office in Courthouse, Sanderson, Texas

The Ford effort to make your dollars buy a constantly better car is well illus-

trated in the Standard Ford V-8. It has all the basic Ford advantages. It is built on the same chassis as the De Luxe Ford V-8. It gives you a choice of smooth 85-horsepower or 60-horsepower V-8 engines. But it sells at low prices, and includes bumpers, spare tire, cigar lighter, twin horns and other equip-

ment that make it a still bigger bargain. With the thrifty 60-horsepower engine, the Standard Ford V-8 is priced especially low and gives the greatest gas mileage in Ford history. Hundreds of owners report averages of 22 to 27 miles a gallon - or even more.

Your pocketbook will approve of the Standard Ford in every way. And so will you when you drive it!

Football. Naval Academy Life Brings spring flowers of red stocks, and the St. Pat- Auxiliary held their last meetings Thrills to "Navy Blue & Gold" Film

"Navy Blue and Gold," colorful "Navy Blue and Gold," colorful and spirited story of life at the Screen Comedians U. S. Naval Academy, with emphasis on the football activities of Starred in Role of the famous training school, will be shown at the Princess Theatre tonight and Saturday Mar. 18-19. Rollicking Airmen

Robert Young heads a cast of film favorites in the new picture, sharing honors with James Stewart, Lionel Barrymore, Florence Rice and Billie Burke. Others in the prominent roles are Tom Brown, Sam S. Hinds, Paul Kelly and Barnett Parker.

The story, from a novel by G. Bruce, has been acclaimed by the naval officers as the truest drama ever written about the historic academy. It deals poignantly with the devotion of cadets who are pledged to their country's service, the stern discipline, the thrilling sportsmanship of the Navy's football games, and the love of two players for the sister of their quarterback pal.

As an ace football player from southern college who is indifferent to the traditional ideals of the famous institution, Young is

IRED of cooking the same old meals in the same old way? Then come to Katie Kilowatt's Free Cooking School and get some new recipes and new slants on this business of food preparation.

You'll enjoy yourself every minute, we promise you! A graduate home economist will have charge of the program, which is jam-packed with helpful ideas and suggestions. She will demonstrate full oven meals,

broiler meals, and waterless cookery. She will show you how to bake and roast without "oven peeking" and "fork testing." She will introduce a number of appetizing new dishes to tempt jaded appetites. She will prepare some of the dishes before you on the stage, so that you can see how it's done.

Make your plans to be present for this interesting school. You'll get a lot out of it that will be useful to you in your everyday work. You'll take home a new zest for cooking and a host of new ideas for enlivening your menus. Be sure to come-and bring a friend!
