JUNIOR FOOTBALL PLANNED FOR ELEMENTARY SCHOOL By Johnny Glenn

This year Sanderson is planning to have Junior football. Alpine High school is also planning to have a team. The reason for junior football in the lower grades is to encourage the younger boys to play football. Many schools have found that the young boys if started soon will make the best football players. The requirements to be met are that no boy shall weigh over 103 pounds and must not be above the 8th grade.

The Sanderson High School and the Grammar School hope to have a junior team. Those who are interested see Coach Smith.

The games that are to be played will be announced later.
