SUPER-SAFETY STANDARDS

SUPER-SAFETY Standard No. 1 is Guardian Bar Release - all the way across both sides of wringer rolls. No hard-to-find "buttons" to strike no inconvenience in operation. The Bar Release is right in front-and is operated by a mere push of the hand or wrist.

SUPER-SAFETY Standard No. 2 is Safety Zone Construction of the wringer roll entrance. The Safety Zone is large enough for easy clothes insertion-but too small for hands to enter without striking safety release.

SUPER-SAFETY Standard No. 3 is automatic Roll Stop mechanism that stops BOTH rolls revolving when wringer release functions. Disengages control lever to prevent accidental restarting.
