NUMBER 37

FOR FIREMAN'S DANCE AND THEY SHOOT WELL UNDER WAY

Arrangements in connection with the fireman's dance and the shooting well under way. The dance will be held at the Kerr company building. The shooting will be held at the Kerr company building. The dance will be held at the Kerr company building. The shooting will be held at the Kerr company building.

Kansas City, Mo.; 6 weeks at the Century Room, Tulsa, Okla.; and a number of others. He also has with him Betty Bunch, lovely vocalist, who is well known in the Chicago sector for her vocalizing effects at the various clubs and with several well-known orchestras. Rifle and pistol shots will also be interested in learning of a turkey shoot to be held Sunday, November 24, on the G. J. Henshaw property back of the State Highway Department Warehouse. The shooting, at live turkeys, starts at 1 p. m. This event is also for the benefit of the Sanderson Volunteer Fire Department.

RED CROSS ROLL CALL TO BEGIN HERE MONDAY

The American Red Cross, confronted with increasing demands of the current national defense program and growing needs for widening its regular domestic operations, started on its greatest membership Roll Call since the days of the first World War. The local chapter will have its headquarters in the home of

TO MAKE GARMENTS

The local Chapter is planning to make garments for use in war relief. The first shipment of materials was received this week. Preparations are being made for a work room; and it is hoped that garments will be cut and ready to issue to workers next week.

Volunteer workers will please contact Mrs. J. W. McKee or Mrs. A. E. Creigh. Further announcements will be made next week concerning plans for working.

Mrs. B. F. Anderson, local chairman, and work will be started Monday of next week. No workers have been named as yet but they will be named and organized in time to start on that date.

Following the outset of "total war" last May the American Red Cross asked the public for a fund of \$20,000,000 to widen its war relief operations in Europe. This amount has been raised and over subscribed, enabling the Red Cross to ship thousands of tons of food, clothing, and medical supplies to the war zone areas where it has been most needed.

Differentiating from the needs of European war relief, Mrs. Anderson stated that the Red Cross Call is held each year to support the national and local Red Cross organizations in their domestic operations. Funds realized at Roll Call time, she explained, will not be used for war relief, but to enable the Red Cross to continue its day-to-day operations in disaster relief, first aid, life saving, nursing and its assistance to the United States Military and other programs.

THANKSGIVING SERVICES TO BE HELD NOV. 21

Announcement was made here Thursday that a union church service would be held Thanksgiving, November 21, at the Baptist Church with the Rev. John W. Byrd, pastor of the Presbyterian Church, conducting the services.

The program will start at 10 o'clock in the morning and citizens of Sanderson are urged to make arrangements to be present for this union service.

MOVE TO BUDA

Mr. and Mrs. C. M. Breeding left Wednesday for Buda where they will make their future home. They owned and operated the Loma Alta Cafe for several years, selling to Mr. and Mrs. Jack Shurley a few months ago. They sold their home to Joe F. Brown.

Four Are Arrested In Stolen Auto Here Saturday Morning

Two men and two girls were arrested by Sheriff Jim Nance Saturday and placed in the local county jail.

The group, Bert Ferrell, Dewey Giblin, 21 and 22 years of age, and Marie Schuman and Nora Fay McLemore, 15 and 16 years of age, were picked up for investigation because the passenger car in which they were traveling was carrying a farm license. Upon investigation it was found that the 1937 Ford coach they were driving had been stolen on the 31 of October in Houston at gun point. The group had been returned as far as Sanderson. It was also found that Houston police wanted the two men on five cases of armed robbery besides the theft of the car. Both were armed when apprehended and both were ex-convicts out on parole. They are subject to two Federal charges besides the above named crimes but will be tried for armed robbery.

Houston police came for them Sunday night, returning to Houston Monday morning.

RESIDENT FOR 40 YEARS PASSES THURSDAY

Mrs. Natalia Renteria, 87, died Thursday night of last week at 8:45 o'clock after a two months illness.

Funeral services were held at 4 o'clock Friday afternoon from the Catholic church with interment in the Santa Rita Cemetery. Funeral arrangements were in charge of the Joe Oberkamp Funeral Parlor.

She has resided in Sanderson for the past 40 years, coming here from Marathon. She is survived by two daughters, Maria Renteria and Mrs. P. B. Gutierrez, both of Sanderson.

Mrs. J. L. Schwalbe is here this week visiting with her sister and family, Mr. and Mrs. J. L. Osgood, before returning to her home in El Paso.

Bill Carmel Jr. was a visitor in the James Livingston home in Marfa last week-end.

James Maddux arrived Sunday to visit with his parents, Mr. and Mrs. J. M. Maddux.

FHA BUILDING TO BE EXPLAINED AT MEETING TUESDAY

A step by step explanation of how residents of Sanderson can buy or build their homes under the Federal Housing Administration plan will be made Tuesday night, November 19, in the County Court Room of the Court House at 7:30 o'clock in Sanderson. It was announced today by P. S. Luttrell, of Dallas, State production manager for Texas of the Federal Housing Administration. He announced that E. S. McAdams, Field Representative of the Southwest Texas FHA District will be in charge of the meeting. In addition to the explanation on the FHA plan of home ownership, there will be shown 36 slides, in color, of houses ranging in price from \$1600 to \$5400 which have been built and financed under FHA during recent months in Southwest Texas.

All business firms in Sanderson will be advised of this meeting in order that they might acquaint their employees with plans for the Tuesday night meeting and it is expected that a large number of salaried people will be present.

"I feel sure," Luttrell said, in connection with the meeting, "that many of your people can buy or build their homes on the FHA system and pay for them with money they now spend for rent. A good many of these people, however, do not know how easy it is to own homes and how little it takes to buy or build on the liberal FHA terms."

"The Sanderson meeting is a timely one and FHA officials will be here for the express purpose of explaining the simple steps necessary to buy or build your own home. The showing of slides will be practical evidence that attractive small homes can be built in this community at a cost that many of your residents can well afford. It follows, of course, that home building brings a measure of prosperity to all business in the community."

EASTERN STAR MEETING

Stated meeting of the Sanderson Chapter No. 136, O. E. S., to be held Tuesday, November 19, at 7:30 p. m.

Mrs. E. J. Chastain, secy.

K. Johnson and James Daniels were week-end visitors to Ozona.

Scouts to Have Roll Call and Inventory; J. W. Byrd, Chairman

L. M. R. Rogers, Scout executive, Concho Valley Council, was in Sanderson Wednesday and met with Scout leaders.

It was decided that the troop inventory and roll call would be held the latter part of this month of the first of next, and the Rev. John W. Byrd was appointed Roll Call chairman.

The purpose of this roll call and inventory is to check up on the membership troop and to see whether or not Scout leaders are subject to the draft law or whether they are reserve officers are members of the National Guard. In case leaders are called for service they can be replaced with other men if preparations are made in advance. It will also show the need of additional personnel and equipment.

Another important purpose of the roll call and inventory is the strengthening and invigorating of democracy among the younger generation.

Schools Join With Legion In Armistice Day Celebration

By Eagle News Staff Member

Though most of the world is shaking today from the bursting of heavy bombs, the students and faculty of the Sanderson High School with representatives of the Clarence Halley Mulkey Post No. 160 of the American Legion, laid aside all duties for awhile Monday morning to pay tribute to the heroes of the World War and to observe the "Peace" which was given them by those heroes.

The student body and visitors stood while the colors were advanced and were then led by D. L. Duke in singing "America", "God Bless America", and "Star Spangled Banner." An inspiring address was made by Alfred E. Creigh Jr., who stated that to some people the celebration of Nov 11 as a holiday is a mockery because at that time most of the world is fighting and apparently the signing of the Armistice which ended the world war failed to make the world safe for democracy, but it is fitting that we observe this Nov. 11, 1940, to honor the memory of those who gave their lives that we might have liberty and to re-dedicate ourselves to that idea that men must be willing to fight today so that future generations may live.

The people of all generations have had to fight for these liberties and principles of this country, he stated, and in conclusion he added that those of this generation must fight constantly and must guard the privileges that the citizens of America now enjoy. He also mentioned "American Education Week" with the theme "Education for Common Defense" which is being observed from November 11 to 16, and stressed the importance of the public schools in educating American youth to preserve our democracy.

After the colors were carried out, the Rev. J. Y. Bowman dismissed the group with prayer. At 2 p. m. a parade was formed at the high school consisting of all school organizations, students, faculty, and the American Legion. Led by the band and drum corps the group marched down through town to the corner of the Kerr Hotel. The band played two numbers and D. L. Duke led the group and citizens of Sanderson as they sang patriotic songs.

Following the parade the Legionnaires and their families enjoyed a picnic at the Carl Cochran ranch east of town.

Mr. and Mrs. W. H. Ragsdale of Santa Anna, parents of Miss Armenta Ragsdale, Mr. and Mrs. William Ragsdale of Pecos, and Mr. and Mrs. A. Parker of Santa Anna visited here Sunday when they returned Miss Armenta from Pecos where she spent the week-end.

OIL INTEREST GROWS WITH TWO NEW WELLS SPUDDED THIS WEEK

According to Lee O. White, the Sides and White, Bassett Mineral Trust, Landon Rose No. 1 well was spudded Wednesday of this week and drilling will be continued for a deep test.

The drilling is being done on the Landon Rose ranch 9 miles east and 1 mile north of Sanderson in the southwest corner of section 15 block 148 T&STL. H. H. Sides will be in charge of the drilling and a crew of 4 men are on the job and have been there for the past week.

Interest in the well has been manifested by several major

companies with scouts from several of them here last week and this week. Among those here this week were Mr. Tennis and Mr. Neilson of the Plymouth Oil Company which is a Benedum and Trees Company.

Texas Consolidated is also coming into Terrell County this week with equipment, including a large Fort Worth spudder, passing through Sanderson on Thursday. They will drill on the Mit Holmes property with the reported location on the north line of section 14, block A2, which is approximately 15 miles east and 5 miles south of Sanderson or 2 miles north and 5 miles west of Dryden.

Ross Brewer will be in charge of the drilling on this well.

There is also a new well being drilled just across the line in Pecos County on the Blackstone-Slaughter and Lackey ranch.

The well, known as the R. H. Kean No. 1, is located on the northeast quarter of Section 30, block 129, and is only three-quarters of a mile north of the Sides-Blackstone and Slaughter No. 1 which encountered shows of both oil and gas.

FUNERAL RITES ARE CONDUCTED FOR R. H. MARTIN

Last rites for R. H. (Bob) Martin, 87, member of the Livestock Sanitary Commission of Texas for many years and past president of the Sheep and Goat Raisers' Association, were held Monday at 4:30 p. m. from the residence of Mrs. E. P. Coe, 200 East Seventh Street. The Rev. R. F. Curl, pastor of the First Methodist Church, officiated. Masons of Sonora were in charge of the services at the grave and interment under the direction of the Doran Funeral Home.

Mr. Martin died Sunday at 7 p. m. in his home, 1200 North Main Street, after a lengthy illness.

He was born January 7, 1873. He was one of the pioneers of Sutton County where he resided first in 1875. He was prominent in the development of that county and served first as tax assessor for a period of 12 years and later as sheriff of the county for two years. He had extensive ranching interests there which he operated for many years before ranching on the Indio Ranch below Eagle Pass. He married Mrs. Eliza Ann Bradford Sept. 24, 1895 following their residence in Sutton County, they established a home in Del Rio in 1918.

Mr. Martin's first appointment to the State Livestock Sanitary Commission was made by Gov. Dan Moody. He served during the various administrations and through that of Gov. James V. Allred, and was recently re-appointed by Gov. W. Lee O'Daniel. Always keenly interested in the welfare of the ranching industry and of the ranchmen, Mr. Martin was a past president of the Sheep and Goat Raisers' Association.

Kindly and considerate, Mr. Martin had a keen insight into human nature and an appealing sense of humor. Typifying the pioneer ranchman, Mr. Martin met adversity and overcame it with admirable strength of character.

Survivors include his widow, Mrs. Eliza Ann Martin, five children and four grandchildren. The children include Russell R. Martin of Del Rio, Mrs. Mattie Youngblood of Del Rio, Mrs. Fred Turner of Sanderson, Ben Martin of Rocksprings and Jesse Martin of Sanderson. The grandchildren include Bobby Youngblood, Bill Youngblood and Mrs. John Rowland Jr., of Del Rio, and Ben Edward Martin of Rocksprings.—Val Verde County Herald.

Among those attending from Sanderson besides the immediate family were Mrs. Joe Kerr, Mr. and Mrs. Jim Kerr, Robert Kerr, Mr. and Mrs. Landon Rose, Mr. and Mrs. Hugh Rose, Mr. and Mrs. John Deaton, Mr. and Mrs. R. B. Dyer, Judge R. S. Wilkinson, W. J. Banner, Mr. and Mrs. Jimmy Martin, Joe Kerr, Jr., and Bernard Kerr.

Mrs. Joe Kerr and son, Joe Jr., and Bernard Kerr were San Antonio visitors from Thursday of last week until Monday. Joe and Bernard went to attend the annual home-coming at St. Mary's University.

George R. Tucker of the City Drug was a business visitor in San Antonio the first of the week.

Rotary Sponsored Banquet Proves Very Successful

About sixty or more were present Saturday night at the annual banquet given for the entertainment of Terrell County teachers by the local Rotary Club.

R. S. Wilkinson, president of the club, was toastmaster for the occasion and started the introduction of guests. Each person introduced the party to his right which speeded up this part of the program greatly.

Following the introduction of those present Alfred E. Creigh Jr. gave the welcome address to teachers. Following a solo by Mrs. H. Woolwine, accompanied by Mrs. R. S. Wilkinson at the piano, the response was made for the teachers by Miss Rachel Sweeney.

A cowboy quiz was held by Billy Ferguson and Coach Duane E. Smith with prizes for those who answered their questions correctly. A quartet, composed of Mrs. Woolwine, Mrs. Smith, D. L. Duke and Mr. Woolwine rendered two numbers. After these numbers the entire group sang "The Eyes of Texas" followed by Rotary's parting song.

The dinner consisted of veal cutlets with gravy, English peas, stuffed potatoes, celery, apricots, buttered rolls, and combination salad. Fruit cocktail was served first and the meal was completed with gingerbread topped with whipped cream. Coffee was served throughout the meal.

The room was artistically decorated in western style with miniature ranches and corrals placed on the tables. The ranch scene was complete, with windmills, home, corrals with horses, and trees. Down the center of the table ran decorations of shrubbery from this section. Menus were made in shapes of boots, hats, cactus, with place cards also made in the same shapes and were fastened to nut cups filled with peanuts, and candy.

Miss Frances Willms, home economics instructor, assisted by Mrs. Roy Bogusch and the home economics classes, prepared and served the delightful repast.

G. D. Vincents Entertain With Buffet Luncheon

Mr. and Mrs. G. D. Vincent complimented Mrs. Frank Brown and two sons, Frank and Jack, with a buffet luncheon at noon Monday.

Those enjoying the luncheon were Mesdames J. L. Schwalbe, J. L. Osgood and daughter, Lois Bea, Elmer Schwalbe and daughter, Sandra Jean, and the host and hostess and their sons, J. D. and Jack.

1940 Call for Red Cross Recruits

Engineer R. S. Clark has gone to El Paso to work out of that point.

Fireman S. F. Richmond of El Paso now has a regular freight run out of this point.

Fireman W. E. Hines who has been on the yard engine here has gone to El Paso.

Fireman W. E. Lea Jr. has taken the yard engine here.

Engineer J. M. Maddux has returned from Del Rio and has taken the extra board here.

The thirteenth freight fireman has been placed in service on the El Paso-Valentine District.

CENTENARIAN WALKS 3 MILES TO REGISTER

Saturday afternoon Monica Lopez walked in from his farm some three miles east of Luling to the post office to register as an alien.

Asked his birthday by Postmaster Walker, Lopez said he was born in Mexico on May 4, 1836. This raised a doubt and he produced records of the Catholic Church showing when he was Christened. In spite of his advanced age, Lopez was able to see without glasses and when he finished with the registration, walked off as spry as the average man of fifty.

Lopez has been in Texas 59 years and has lived at Luling for a long time. He was baptized into the Baptist Church there two years ago—Nueces Valley News.

SEVEN NEW SONGS COMING—

Seven new songs are featured in Bing Crosby's new Paramount picture, "Rhythm on the River," which plays at the Princess Theatre Monday and Tuesday. Above, Bing Crosby sings and Mary Martin, Broadway musical comedy star, beats out a little rhythm in a scene from "Rhythm on the River". The new tunes are divided between Bing and Mary Martin, well-known for her renditions of "My Heart Belongs to Daddy" in "Leave It to Me" hit musical of last season. Basil Rathbone, Lillian Cornell and Oscar Levant, expert of radio's "Information Please," are seen in supporting roles.

ture should be lowered to finish the cooking. The seasoning need not be added at first but can be added later. Meats should be included in the diet because it contains proteins, carbohydrates, minerals, and some vitamins all of which are needed in the body for the following reasons.

1. Fuel or energy.
2. Build and repairs.
3. Protect.

ROASTING

Get meat into shape. Put the piece of meat in a pan. Place the pan in the upper grate for about ten minutes to sear meat; season with salt and pepper. The temperature may be at five hundred degrees. Remove to lower grate and change temperature to three hundred degrees. Add water if necessary for basting.

BROILING

Remove any extra fat from the meat and grease the broiler with some of it. Broil the meat over

a close fire, or under an electric burner. Sear it on both sides and cook it half of the required time on each side. The time is 10 to 15 minutes.

SAUTEING or Pan Frying

Remove any extra fat and dip the meat in crumbs, eggs, and crumbs again. Cook 25 to 36 minutes in a small amount of fat in a frying pan, browning

first one side, then turning. Season with salt and pepper, and then brown the other side.

Bond Plan Would Assure Building At No Cost to Taxpayers

A plan whereby a completed network of state highways across Pecos County and adjoining counties could be assured within the next few years without increased taxation or direct cost to the counties, has been proposed to the commissioners' courts of Pecos and other counties of this area, including Reeves, Brewster and Terrell.

At the same time, a proposed bond program of \$1,000,000, to be issued only in the event the forthcoming Texas Legislature amends the bond assumption act to permit payment of the bond maturities from the state gasoline tax, has been proposed.

Sanctioned by the Texas Highway Department as a means of securing funds now for building of highways needed in the national defense program, the plan would become operative only in the event that their assumption on a 100 per cent basis is assured. Proceeds of the bonds, is assumed by the state board, would be turned over by the counties to the highway department for the building of roads.

Highways out of Fort Stockton to be included in the program would be U.S. 67 to Alpine, U.S. 285 to Pecos and to Sanderson, and 82 to Grandfalls.

Under this arrangement there would be no need for a local tax levy to pay the bonds. Costs of interest and principal could be met out of the surplus which has accumulated and which will accumulate from the 1-cent of gasoline tax which must be placed in the assumption fund.

County officials and citizens who have studied the program, see in it an excellent opportunity for Pecos County to secure, without cost to its taxpayers, completion of the highways so vitally needed for national defense and development of the country. Otherwise, should construction follow the usual plan of the highway department it will be many years before funds would become available from the direct highway department income from gasoline tax to build these roads.

It is emphasized that unless they would be paid for by the assumption fund in full, they would never be issued.

Public discussion of the matter so that all citizens may be properly informed, is planned within the next few weeks.—The Fort Stockton Pioneer.

Frank Weigand returned his son, Albert, to San Antonio Tuesday after he had spent the week-end here.

cuts of meat. The girls have found that the ingredients needed for salads are:

1. The dressing.
2. The body.
3. The greens.

The dressing may be French dressing, mayonnaise or cooked mayonnaise.

The girls made some vegetable and fruit salads to see who could prepare the most attractive and appetizing salad. Salads are necessary in our diet because this is one way we can include some of the necessary food essentials. Raw leafy vegetables and other vegetables and fruits furnish us with the vitamins and minerals, and roughage which are so necessary in the building, repairing, protecting, and regulating our bodies.

The girls have also been studying how to prepare tender cuts of meat, and from what part of the animal do they come? Tender cuts of meat are the choice cuts of meat that come from the part of the animal that does not do much exercise. These are the expensive cuts of meat containing little or no hard tissues. The girls have found out that these cuts can be prepared in appetizing ways other than frying. These ways are: Roasting, broiling, pan broiling, or sauteing. All tender cuts of meat should first be seared at a high temperature to develop a nice brown color, then the tempera-

Joe Kerr Service Station

"Let me tell you how I chose my second refrigerator!"

All refrigerators looked alike to the newlyweds. "Give us the low-down," they asked friends. "Why did you replace yours with the one that freezes with NO MOVING PARTS?"

1 "You never hear a thing . . ." said Bill Jones. "Just listen . . . silent, isn't it? And I can tell you, as one who's had experience, that's reason enough to buy a Servel Electrolux refrigerator!"

2 "Only a tiny gas flame . . ." Ted Walsh points out. "That's all it takes to do the work. Servel hasn't a single moving part in its freezing system. That's why it stays quiet, efficient."

3 "And such conveniences . . ." You can store what you want, where you want it, keep it as you like it. You can have moist cold or dry cold, whichever you prefer!"

4 "Make yours a Servel!" That was everybody's advice, and—since the newlyweds took it—it's their tip to you. Why not run down to your Servel dealer's right now . . . and see the beautiful new 1940 models

they have on the floor? You will be delighted at the spacious roominess, the glistening finish, the new conveniences. But best of all . . . you'll want the gas refrigerator because it freezes with no moving parts!

A BOWERY SPITFIRE—

pictured at left, becomes a lady of her own in Park Avenue (right). They're both Jane Withers in a story as human and appealing as it is hilarious and exciting. The 20th Century-Fox picture "Girl From Avenue A" is coming to the Princess Theatre on Friday and Saturday and has been called the most outstanding she has ever undertaken. To complete the big double feature program for Friday and Saturday the Princess Theatre also brings for your enjoyment "Lucky Cisco Kid," acclaimed as the best of a series of Cesar Romero pictures. It's taken from O'Henry's romantic story of the Rio Grande.

Miss Mary Arrington returned home Sunday night after visiting in Mineral Wells, Fort Worth and other points for two weeks.

Mr. and Mrs. O. H. McAdams and daughter, Edna Mae, visited in San Antonio from Friday until Monday.

Family Reunion Held Sunday At J. L. Osgoods

Mr. and Mrs. J. L. Osgood were host and hostess to a family reunion Sunday, complimenting Mrs. F. L. Brown, Lee Billings, and Mrs. G. D. Vincent, when their birthday anniversaries were celebrated.

Those present were Mrs. F. L. Brown and two sons, Frank and Jack of Del Rio; Mr. and Mrs. Lee Billings and children, Lee Jr., Rita Faye, and Ikie, of Del Rio; Mr. and Mrs. Ike Billings of Langtry; Mr. and Mrs. Aaron Billings, Misses Eva and Patty Billings of Dryden; Mr. and Mrs. Elmer Schwalbe and daughter, Sandra Jean of Santa Monica, Calif.; Mrs. J. L. Schwalbe of El Paso; Mr. and Mrs. G. D. Vincent and sons, J. D. and Jack; Lois Bea Osgood and the host and hostess.

Miss Lyzabeth O'Neill of Uvalde visited here last week-end with friends.

Presbyterian Circles Entertained By Mmes. Nichols and McCue

Circle No. 1 of the Presbyterian Auxiliary met in the home of Mrs. Lee McCue Monday with Mrs. Joe Nichols, chairman, conducting the business session. The devotional, "Fruit of the

Spirit is Temperance," was given by Mrs. J. W. McKee. Mrs. Earl Pierson then led an interesting discussion on "How to Lead Others to Christ."

The hostess invited all to the dining room where a lovely lunch was served. Those present were: Mesdames Earl Pierson, J. W. McKee, Joe Nichols, N. E. Charlton and R. D. Holt.

Circle No. 2 met at the home of Mrs. John Nichols with seven members and three visitors present.

Mrs. W. E. Lea was leader of the program with Mrs. John Nichols, chairman, leading the devotional. The circle welcomed Mrs. Ralph Ord, Mrs. D. B. Heflin and Mrs. Rufe Murrah as new members.

The hostess served dainty refreshments during the social hour.

Sanderson Eagles Hold Alpine Bucks to 7-7 Score Friday

The Alpine Bucks were handed the surprise of their lives when they were unable to down the Sanderson Eagles in the game played in Sanderson Nov. 7. The final score was, Sanderson 7, Alpine 7.

Alpine was given overwhelming odds over the Sanderson Eagles. Sanderson lost their opening game to Alpine 33-6 and then lost to Marfa two weeks before and Alpine beat them 12-7. On paper, the Bucks were to beat Sanderson 144-0 and they really thought they would.

Alpine kicked off to Sanderson to open the game and the Eagles wasted no time in getting to work. The first two plays were good for 15 yards and very soon one play was good for a touchdown. Sanderson's famous hide-out-play worked by Bill Cargile and Ross Stavley was good for the tally. The alert quarterback saw Bill open and a pass was pitched perfectly into his hands. Then Bill did his part and ran 45 yards to pay dirt. Campbell Kerr proved his ability when he jumped off the ground to take a high pass from two Alpine Bucks. The first quarter ended with Sanderson leading 7-0.

Alpine showed their power in the second quarter when they opened up a sustained drive that ended in the Sanderson end-zone. Their plays were strictly over the line and off tackle. Their passing attack never proved effective. The extra point caused some discussion after the game but the officials ruled it good and that is what counted.

The last half was equally divided with the two teams with the exception of the last play of the game which almost proved fatal to the Eagles when a 40 yard pass was stopped by Sam Bell on the Sanderson 18-inch line. The game ended before another play could be executed.

The Eagles will play the Del Rio B team in Del Rio Saturday. Sanderson defeated them on the local field 26-7. It is doubtful whether the game in Fort Stockton will be played November 22. The Del Rio game will probably end the season's football.
