Not Stunt Night, But Plenty of Stunts Just the Same

According to a story appearing in the Roanoke Times, along with a picture, Walt Downie put on the best stunt of the fireworks in an election campaign in which he was elected vice president of the student body.

The story read in part: "Walt Downie of Sanderson, Texas, won the vice presidency, defeating Tyke Bryan of Paris, Ky., after putting on the best stunt of the election campaign.

"Downie parked a cow on the lawn of the student union as soon as the polls opened bearing a sign, 'This Is No Bull!' Walt Downie for Vice President." A fraternity brother amused spectators by periodically attempting to milk the cow. Attached to his back meanwhile was a large sign, 'I'm pulling for Downie.'

Three noisy election parades toured Lexington Street, one in behalf of Downie and the others organized by Brad Dunson of LaGrange, Ga., and Paul Zunkeller, of Elgin, Ill., rival candidates for the presidency of Finals.

Downie is the son of Mrs. Helen Downie and is a student at Washington and Lee University, Lexington, Virginia.

DAUGHTER TO STUMBERGS

Sandra Lynn, a baby daughter, was born to Mr. and Mrs. Steve Stumberg Jr. April 19 in a Roswell, N. M., hospital.

Mann Speaker

Justice Clyde Grissom of the Eleventh Court of Civil Appeals at Eastland, who will introduce Gerald Mann in the opening rally of his campaign for the United States Senate at Sulphur Springs Saturday.

If any, about the Big Bend Park. Investing for the future, even in an assured thing like the Big Bend Park is a hard thing to do when past obligations have not been met, the doubtful legislators say. They do not question the great worth of the Big Bend Park. They do not question the year-round returns it will bring to help pay the pensions that have been voted.

They question only its worth to them politically. Its direct benefits will not be as apparent as a \$40 a month pension in the pockets of thousands of old folk. Could they use it as a talking point for re-election? That's what they want to know. Can you tell them? Can you get your friends to tell them, by telephone or telegraph?

The next few days are crucial ones in the investment for the Big Bend Park. If you feel that the Big Bend Park should be purchased this year in time for Texas to reap the benefits of national tourist traffic (restricted to this continent by the war)—

THEN URGE YOUR FRIENDS IN OTHER TOWNS TO WRITE OR WIRE THEIR REPRESENTATIVES. There is no doubt in the mind of your own representative. But whatever you do, do it now. A TELEGRAM BY NEXT MONDAY WILL BE WORTH MORE THAN A TRUCK FULL AFTER THE BILL COMES UP.

NEW HOMES OF SANDERSON

RECENTLY CONSTRUCTED—

Another of the new homes to be constructed in Sanderson in recent months is the home built by Mrs. Mary E. Mitchell and occupied by Mr. and Mrs. J. T. Dillard and daughter. The home contains living room, kitchen and dining room combined, two bedrooms and bath and is completely modern. The building is a frame stucco, painted white with green trim and red roof.

AND NO BISCUITS

Judge R. S. Wilkinson and the Rev. John W. Byrd can tell you a better story, but as it is understood they were driving from Cuero to Gonzales while attending the Western Texas Presbytery.

It seems the Judge was driving along at a moderate speed with no car or any other vehicle in sight on the road when suddenly, the windshield was so completely covered that he could not see where he was going and managed to drive all over the road before he could come to a stop. Upon investigating they discovered that they had struck a swarm of bees. It was quite a mash-up and honey was left over the windshield so heavy that it could not be removed until they got into town where a service station attendant did a scrubbing job.

MISS MARY BESS HARDGRAVE IS HONORED

Abilene — Miss Mary Bess Hardgrave, daughter of Mr. and Mrs. E. W. Hardgrave of Sanderson was one of the first year students honored by the Abilene Christian college chapter of Alpha Chi, national scholastic society, for having an average of 90 or above on all work this year.

Each freshman student making this high rating was awarded a shingle by the chapter as encouragement to continue the high scholastic standing. These awards were presented in chapel, Thursday.

James Kerr Home Scene of Garden Party and Dance

The James Kerr home was the scene of a garden party and dance Tuesday evening when Mr. and Mrs. Kerr honored their nephew, Campbell Kerr, and the senior class of 1941.

Robert and Bernard Kerr assisted in welcoming and receiving the guests which numbered 40.

Following the dinner which was served from the out-door fireplace in the patio, the young people enjoyed dancing on the spacious lawn.

Mrs. M. A. Dittmar of Corpus Christi, Mrs. W. B. Haynie of Llano, Mrs. Joe Kerr and Mrs. Sam Underwood assisted with the serving.

TOUGH DRILLING

Ross Brewer states that the drilling of the Texas Consolidated Oil Co. No. 1 Holmes, located on the northeast corner of section No. 14, block A-2, is getting to be plenty tough. He states they are drilling at 1460 feet in sand and black shale and that it is necessary to resharpen the bits every two hours because it cuts them out so fast. They are going on down however, and are making good progress considering the formation being drilled.

Mr. and Mrs. Sam Bell were Del Rio visitors Tuesday.

A very interesting program was given from the April issue of the Reader's Digest with Mrs. J. W. McKee as leader. "The American Century" was discussed by Mrs. J. H. Lochausen, "Go West, Young Man" was reviewed by Mrs. J. W. Sessoms, and "Youth, Get Your Toe in the Door" was discussed by Mrs. O. H. McAdams.

APPEALS MADE TO SELECTIVE SERVICE BOARD FEW

With 272,005 Selective Service registrants classified by Texas' 351 local boards as of April 1, on the basis of their availability for military service, only 527 appeals had been made to Selective Service boards of appeal, and only one request for adjudication of decision had been submitted to the President, it was announced today by General J. Watt Page, State Director of Selective Service.

"This is a splendid record for our State," General Page said when making the announcement. He said:

"It is a record that speaks highly for the work of the patriotic citizens who are serving without pay as members of Selective Service boards and as examiners and advisors, and also to the credit of our State as a whole. It is more heartening to all Americans to know that this spirit of cooperation for National Defense prevails throughout the country, for, according to information from the National Headquarters, more than 4,000,000 registrants now have been classified with only a comparatively infinitesimal number of appeals from the decisions of Selective Service boards."

At the same time, General Page said, the Selective Service System is anxious to make certain that all registrants, their dependents and others interested in their welfare, have opportunity to obtain review of any classification they consider unjust.

"There is an obligation," he said, "upon all members of the Selective Service System who come in contact with the registrant to make certain that he understands, not alone that he has the privilege of appeal, but also when he must do it and how we must do it. We cannot afford to permit registrants who want to appeal to lose their opportunity simply because they do not understand the what, when and how of so doing. While we do not want the appeal machinery clogged up with claims of those who merely seek to delay their induction, it is equally important that no registrant be induced until he has had ample opportunity to exercise all his legal rights."

Any registrant, or his dependents or others interested in his welfare, General Page said, can obtain full information concerning his right to appeal a classification by consulting his local board, government appeal agent, or advisory board for registrants.

The Terrell County Local Board has classified to date 182 registrants and volunteers. Out of this number there has only been one appeal made to the Board of Appeals.

The Board has issued to date questionnaires up to Order No. 177. It is a little difficult to state at this time just when another number of questionnaires will be mailed according to the Board. It depends, of course, on how many calls the Board will be asked to fill in the near future.

The next call to be answered by this Board is for one man on May 8th. To date Terrell County has thirteen inductees serving in the armed forces.

The Board has heard from several of these inductees and all have expressed themselves enthusiastically about life in the Army. Ralph Ord, volunteer, who answered the first call of the Board, has been made a corporal. Ralph is stationed at Fort Bliss. Luis Garza, who left the Board in answer to call No. 7, has been made a corporal. He is stationed at Camp Bowie.

"Buck" Murrah, who answered the last call of the Board on April 2nd, was visited recently by his parents at Fort Bliss. His mother states that he has gained in weight and is very happy in his new surroundings.

"No, No, Nanette" Joyous Musical with Anna Neagle

With Anna Neagle as its heroine, "No, No, Nanette" will make its debut at the Princess Monday to present the dancing, singing star in another happy, melodic and romantic role. Taken from the stage musical success of the same name, the film features a notable group of supporting players along with a streamlining story and lilting tunes that millions have hummed.

Miss Neagle's part of Nanette is that of a "Miss Fixit", the niece of a Boston millionaire who is kept under the thumb of his domineering wife. The millionaire unfortunately, has offered to help several mercenary young ladies with their careers, and when they start coming around to claim the promised assistance, uncle is in a spot. Nanette valiantly tries to help out and to keep it all a secret from her aunt. She enlists the services of a young illustrator and of a young theatrical producer, but in the process both men fall in love with her. The ensuing rivalry for Nanette's attentions motivates the fast-moving plot and its romance.

Miss Neagle is said to have her best role to date in the title-part, while Richardson Carlson as the painter and Victor Mature as the producer share romantic honors with her. Roland Young and Helen Broderick are cast as the uncle and aunt, and ZaSu Pitts, Tamara, Eve Arden, Billy Gilbert and Stuart Robertson head the supporting roster. Three of the most popular songs from the original show are interwoven through the picture.

Zane Grey's Best Seller Coming to Princess Screen

Latest best-seller brought thrillingly to life on the screen by 20th Century-Fox is Zane Grey's "Western Union." Technicolor production which opens Wednesday of next week at the Princess Theatre. A trigger-fast action film of the roaring West, it depicts the building of the telegraph line from Omaha to Salt Lake City.

Produced on a spectacular scale, the film has a superb cast headed by Robert Young, Randolph Scott, Dean Jagger and Virginia Gilmore.

"Western Union" opens in the boom days of Omaha. Answering the East's plea for a rapid means of communication with the West, a Western Union car-

avan under Edward Creighton (Dean Jagger) is headed Westward across prairie and plain where death strikes swiftly and silently as the arrows of the savage Sioux. Drama and romance are deftly combined with the thrilling adventure as Robert Young and Randolph Scott vie for the affections of Virginia Gilmore. Told by the incomparable Zane Grey, this greatest story of the West has been filmed with compelling realism and is recommended entertainment for all. Others featured in the brilliant cast include John Carradine, Slim Summerville, Chill Wills and Barton MacLane.

Fun and Action Combine in New Gene Autrey Hit

A delightful piece of entertainment is in store for all western fans — and, in fact, all motion picture fans — for Republic's "Ridin' On A Rainbow," latest of the Gene Autrey series which comes to the Princess Theatre Friday and Saturday, May 2-3, promises elements of entertainment which will please all types of film audiences.

A showboat is the background for the tuneful and colorful story. Captain 'Lijah' Bartlett and Maria, his caustic but warm-hearted wife, bring the "Jolly Betsy" into River-town, a ranching center, only to learn that the cowboys they counted on for patronage are destitute, due to a bank robbery which took all their savings.

Gene and Frog Millhouse, his pal, join the showboat as entertainers. Gene's ulterior motive being first of all, to win the affections of the Captain's beautiful daughter Sally, played by Carol Adams, and his secondary motive being to track down and expose the bank robbers. He has strong reason to believe that Patsy, a child entertainer aboard the "Jolly Betsy," knows something of her father's implication in the crime, and he believes that with tact and gentleness he can save the child from a difficult situation.

Gene has almost gained the confidence of Patsy when circumstances arise which make it appear that he plans to double-cross her and turn her over to the sheriff. Sally shares this belief and refuses to speak to Gene.

From this tangled series of situations Gene extracts him-

Filmland Marriage Has Gruelling Test In Screen Offering

The problem of a Hollywood marriage and what happened to it forms the basis of "I'm Still Alive." Kent Taylor and Linda Hayes are featured in this stirring and dramatic romance of the screen capital, Taylor playing the role of a daring film flyer and Miss Hayes that of an imperious picture celebrity.

After a whirlwind romance the two are married, and because the star can't bear the idea of her husband risking his neck in doing hazardous scenes for the movies, she insists on his taking up some less dangerous occupation. Unfortunately, he can't find anything else he is fitted to do. Even when the star obtains an acting contract for him at the studio, he is terrible. And the tragic outcome of a spectacular scene in which a young stunt-man doubles for him proves to be the last straw.

Unable to stand it any longer, he goes berserk and sets out on a series of stunt flights around the country, while his wife and mutual friends endeavor to

self with the greatest of ease, aided by a large cast of popular western favorites including Smiley Burnette, Mary Lee, Ferris Taylor, Georgia Caine, Byron Foulger, Jimmy Conlin, Ralf Harolde, Jimmy Warde, Guy Usher, Forrest Taylor and Burr Caruth.

but it's a great orchestra nevertheless

Even a great orchestra will make a musical mistake once in a while. And once in a while... out of the thousands of decent, law-abiding beer retailers in Texas... you'll come across one or two who operate disreputable establishments.

These "black sheep" retailers constitute a tiny minority. Yet they tend to drag down the good name of beer.

By arousing public indignation, such undesirable retailers endanger your right to enjoy good beer. They also endanger the benefits to the public that beer has made possible.

For example, in Texas beer has created 31,165 new jobs with an annual payroll of \$22,076,182 and paid \$2,273,068.64 in taxes last year.

The brewing industry wants "black sheep" retailers eliminated entirely. You can help us by patronizing only the reputable, legal places where beer is sold. And by reporting irregularities to the duly constituted law enforcement authorities.

PLANS BEING MADE FOR 23 ANNUAL CONVENTION

Mineral Wells—The 23rd annual convention of the West Texas Chamber of Commerce is actively in the making. Direction of the big show—dates: Thursday-Friday, May 15-16—henceforth will be from Mineral Wells, host city, with arrival here of Max Bentley, WTCC activities and convention manager, and his assistant, Miss Clara Lively.

General convention chairman, elected by the setting committee, is Lonnie C. Taylor, cafe operator. He is one of Mineral Wells' most aggressive civic workers, active in both senior and junior chambers of commerce and one of the promoters is composed of Dr. H. A. Zappe, Fred Brown, W. W. Woodall, John W. Birdwell and Paul Ord. Birdwell is the WTCC director here, Ord Manager of the chamber of commerce.

This year's convention is bearing down on the business of West Texas and the section's part in all-out preparedness and an invincible defense built by the American democracy against

the dictators all and sundry. Important assemblies are being arranged. The first, set for Friday morning, May 15th, will be a taxpayers' assembly devoted to discussion of legislative accomplishments and needs. The West Texas chamber of commerce good government program, the place of freight rates in Southwestern development and kindred subjects.

Second assembly, 2:30 p. m. Friday the 16th, is styled, "West Texas in the National Defense". Governor W. Lee O'Daniel is being asked to preside at this important session and to speak on Texas industry in the defense picture.

The convention work committee will be in almost continuous session beginning Thursday afternoon, opening day of the big show. This group prepares and presents to the directors the resolutions on which the organization's policies and work program for the coming year are based. The directors will have their first session Thursday night, a dinner. Friday morning they will meet at breakfast for more business and for election of district directors, and Friday noon will be hosts at the annual luncheon for newspapermen and chamber of commerce presidents and managers. At this affair the WTCC's officers for 1941-42 will be elected, and following beginning at 1:30 p. m., the directors will start their balloting on the 1942 convention city.

Friday afternoon, following close of the national defense assembly, will bring entertainment features, such as street and lobby entertainment and a parade by military units from West Texas camps and posts with bands. During the forenoon, beginning at 8:30, the

finals will be staged in the annual My Home Town Contest whose preliminaries, this year, will be held in the ten WTCC districts ahead of the convention.

The convention will come to the climax Friday evening the 16th with a great banquet, "To-Hell-With-Hitler" is its theme, coupled with which the Westex hosts will pay their admiring and affectionate tribute to a great Texan. That was Senator Morris Sheppard, chairman of the senate military affairs committee, who, if he had lived, would have been on this program. Sheppard's colleague, Congressman Ewing Thomason of El Paso, who is chairman of the house military affairs committee, will be one to pay tribute to the late senator, and there will be others.

Amon Carter, Fort Worth, will be master of ceremonies at the concluding banquet. Honored guests will be the commanding officers of defense projects in Texas, and Governor O'Daniel is being asked to present them

to the big audience. Army men to whom are going are: Gen. Donovan, commander of the Eighth Corps area; Gen. Kreuger, Eighth Army commander; Gen. Gens. Claude V. Riffe, son, commanding the 36th division; Gen. Bowle, the 45th division; and the Infantry center at Mineral Wells.
