## Roy Simmons Resigns Post

Roy Carl Simmons, head basketball coach of Friona High School the past season, recently resigned to accept a position as assistant football and basketball coach with the White Deer Public school system. Simmons will take over his duties in the month of August.

Simmons began his teaching and coaching career in the Springlake school system in

ROY CARL SIMMONS

1950 after receiving both a B.B.A. and his M.E. from West Texas State College the same year.

While at Springlake Simmons was the assistant football and boy's basketball coach and was head of the girl's athletic department in that system.

## Friona Endorses Lawyer With 91%

Parmer County voters assented to the mind of the rest of the High Plains for the most part in Saturday's Democratic Primary. For that matter, they pretty well agreed with baloteers across the state, helping give key race winners a boost from the "grass roots country."

They said okay to Price Daniel and Ben Ramsey, sided with the Plains on the testy Carr-Wilson issue for attorney general, and helped return Congressman Walter Rogers to office by a big vote.

On the local level, voters kept things interesting by calling for run-offs in both of the county commissioners races. In Friona, Thomas Lewellen polled 392 votes to force Wesley Hardesty into another test of strength June 4. Incumbent E. G. Phipps dropped out behind

Hardesty's 249 with 240 of his own.

Guy Cox drew 236 votes in Precinct 3 (Farwell) to make Johnny McDonald, present commissioner, run against him in the second primary. Duane Curtis, the third candidate, staged a handy write-in campaign to poll 123 votes--only 50 fewer than McDonald.

Parmer County voters were soundly shellacked by Lamb pollsters in the lively district attorney contest. Bill Sheehan, seeking his first full term in office (after appointment by Price Daniel when the new district was created), ran head-on with the South Plains steamer.

Parmer County endorsed Sheehan by almost three-to-one (he lost the Oklahoma Lane and Lazbuddie boxes), but in Lamb, the voters chose Jack Young of Muleshoe about four-to-three. Bailey elected Young about two-to-one, and about cancelled out Parmer County's vote for Sheehan, so Lamb was the deciding factor--and a big one.

Young, now Bailey county attorney, ended up with 4478 (unofficial but complete) votes, and the Parmer County candidate finished with 4026.

Parmer Countians gave a heavy endorsement to Jesse Osborn of Muleshoe, who needed it in his bid for re-election to state representative. The vote here was 1227 for Osborn, 290 for Bill Shelby of Hart, and 263 for Clarence Hamilton of Earth. The latter two are public school teachers.

In all the district (Parmer, Castro, Bailey, Lamb, and Deaf Smith), Osborn got 5327 votes. Hamilton drew 4312 and Shelby 3015, so, it will be a close race.

## Final Rites Held For C.L. Bracken

Funeral services for Charles Lawrence Bracken, 69, of Bill Jackson, were conducted at the Sixth Street Church of Christ Monday afternoon at 2:30.

M. B. McKinney, minister of the church, officiated. Pallbearers were George A. Jones, Walter Cochran, Monk Hand, Johnny Hand, R. E. Snead and Melvin Southward.

Mr. Bracken was born Nov. 23, 1890, at Jamestown, Ind. He lived at Snyder, Okla., several years before moving to the Friona area in 1930. He had been a farmer and building contractor here since that time.

Death came to Mr. Bracken at 5:45 p.m. Saturday at his home following a lengthy illness. His condition had been critical several weeks prior to his death.

Survivors include his wife, Lena; four sons, Julius Bracken of Morton, Charles Bracken of Clovis and Gene and Rudy Bracken both of Friona; two daughters, Mrs. Mary Francis Kemp of Amarillo and Mrs. Marjorie Ann Southward of Stinnett; nine grandchildren and three great-grandchildren.

Also two brothers, Jack and Floyd Bracken, both of Amarillo; and two sisters, Zilpha Zimmer and Edith Bruns, both of Muleshoe.

Burial was in the Friona cemetery under direction of Claborn Funeral Home.

## Co-Op Directors Re-elected

Taft Lovett and George A. Jones were re-elected for another term on the board of directors at a stockholders meeting of the Friona Consumers Inc., held Saturday afternoon in the school cafeteria.

C. Glenn Floyd was presented first prize of \$35 in the door prize drawing with Mike Hand winning \$15 and V. M. Ferguson winning \$10 prize money.

Musical entertainment was presented by George Green and the Green Valley Boys with guest speakers for the afternoon Tom Jones and Jimmy Austin, both of Southern Farm Supply of Amarillo.

Bob Ginsburg presented the auditor's report.

A total of 105 members were present at the annual meeting.

## BUILDING PERMITS

The following building permits were issued at the City Hall during the week ending May 10: Mrs. A. S. Curry, construction of a carport at her residence at a cost of \$700.

Robert Dickey, move in a ready built house at an estimated cost of \$7,000.

## Lions To Hear Judge

Judge Jerry Kolander, of the domestic relations court in Amarillo will be the guest speaker at the regular meeting of the Friona Lions Thursday night.

The meeting will begin at 8 p.m. for the first time this year and continue at this new time for the remainder of the summer months.

All members are urged to hear Judge Kolander, who has had varied experiences in his dealings with the juvenile delinquent problems in Amarillo and was the subject of a feature article in the Globe Times a week ago.

## Three Men Made Honorary Farmers

Raymond Cook, J. T. Gee and Dave McReynolds were presented engraved plaques signifying their being selected as honorary members of the Friona Future Farmers of America Chapter at the annual Father and Son banquet held Friday night in the cafeteria.

In addition to the three men being honored, gold medals were presented to the chapter's Sweetheart, Gwen Green, and the Plowgirl, Pat Myers, and Connie Ray, chapter president and Jimmy Bainum, chapter vice president.

An estimated crowd of 175 FFA members and their dads enjoyed the meal which is prepared and presented to the local chapter each year by Parmer County Implement Company.

Employees of the local international Harvester dealer served the meal to the students and their guests.

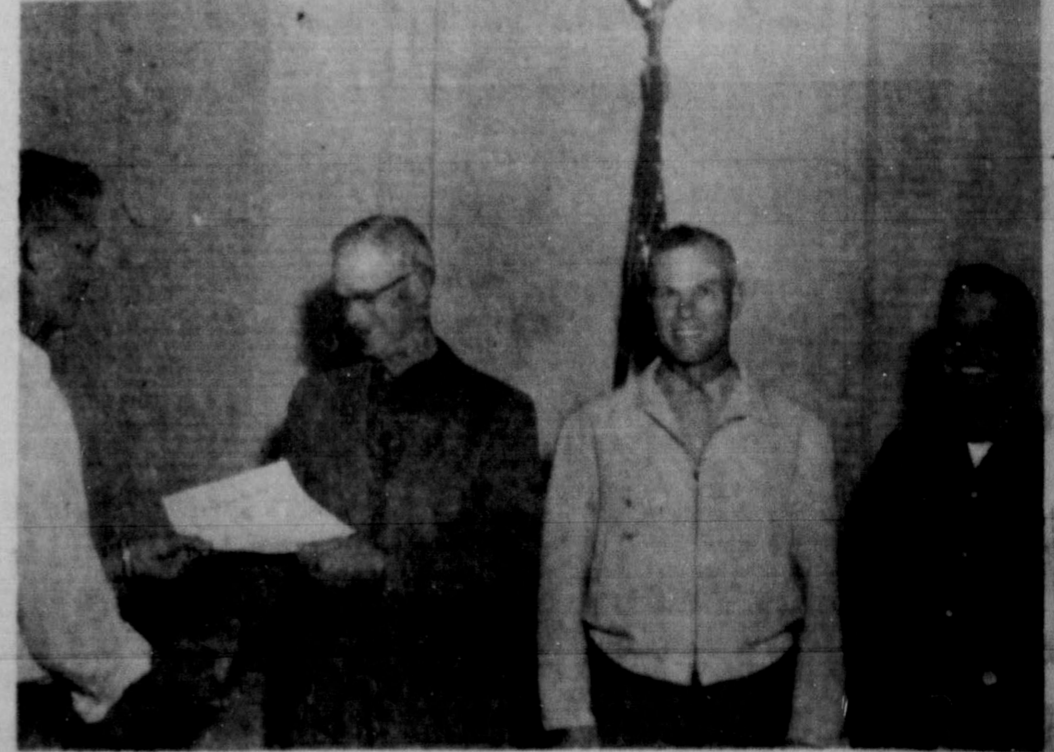

Members of the Treble Teens presented musical entertainment accompanied by Miss Green who sang several numbers.

James Cole, president of Area 1, of the state FFA organization was the guest speaker at the banquet and he presented a talk on the role of FFA in building leadership for the atomic age.

Chapter officers for the coming year were presented and the new president, E. C. Wilson dismissed the meeting.

Other officers in addition to Wilson are Joe Reeve, vice

president; Bob Sanders, secretary; Butch Barker, treasurer; Charles Ray, reporter and Tommy Massey and Lynn Baxter, sentinels.

HONORARY FFA MEMBERS--J. T. Gee receives his honorary membership in the Friona Chapter of the Future Farmers of America from Connie Ray, president of the chapter. Others honored at the banquet Friday night include Raymond Cook and Dave McReynolds. Gee is principal of the elementary school and was vo ag instructor in Friona 24 years before taking the principal's position. Cook is principal of the high school and McReynolds is editor of The Friona Star.

## It's Official Census Reports Show Increases

With all the "chamber of commerce" figures going down the drain in the three towns in Parmer county official reports from the district census director's office in Amarillo revealed that the total county population in Parmer will total 9,492.

may be made will be minor ones.

This information was announced from Amarillo in a letter to County Judge Loyde Brewer Wednesday morning.

City populations in Parmer county are as follows for 1960--Friona--2,035; Bovina--1,032; Farwell--1,009.

Looking back at the 1950 figures for the county, and the three cities a drastic change can be noted.

At that time the county boasted a total of 5,787 persons.

Friona in 1950 counted a total of 1,202 noses and Bovina 670. Farwell's was "estimated" at 1250 but was somewhere around 650.

The official census reports will be released at a later date according to Cook when the last non-residents have been accounted for and placed in their proper categories.

## 10 DELEGATES NAMED--

## Precinct Convention Goes With L B J

Lyndon B. Johnson was unanimously endorsed as a "favorite son" candidate for the office of President of the United States at the local precinct convention held Saturday afternoon at 2 in the high school.

Jarrell Jr., sergeant at arms by Chairman Welch.

After adopting a resolution endorsing Johnson the Demos elected delegates to meet at the county Democratic Convention to be held at the courthouse in Farwell Saturday afternoon at 5 p.m.

Delegates elected include Joe Osborn, Eric Rushing, Sloan Osborn, Newman Jarrell Jr., Andy Hurst, Hollis Horton Jr., Nelson Welch, Bill Nichols, Ennis Cummings and Wright Williams.

About 60 local residents and "stamped" Democrats were in attendance and elected Nelson Welch, permanent chairman of the local precinct, Hollis Horton Jr., permanent secretary.

Richard Collard was named parliamentarian and Newman

The delegates' wives were named alternates.

## FFA Dept. Will Make Ice Cream

Always a popular spot about this time of the year, members of the Vocational Agriculture department at Friona High School will make ice cream all day Friday.

This event is looked forward to by members and exes all year long.

## More Arrested In Bovina

Six more young men--three of them juveniles--were arrested the past week, shedding further light on recent and older Bovina burglary cases.

Wines, 18, have admitted participating in the burglary 11 months ago of Sherry Grain Company offices. About \$55 in cash was taken from a desk, Coke machine, and money changer. The gang gained admittance by an unlocked window.

Three other boys, ages 16, 16, and 15, were also picked up, admitted having a part, and they were turned over to Judge Loyde Brewer's juvenile court. In Texas, a young man 17 years of age is considered an "adult" and may be sentenced to the penitentiary.

## IN SPECIAL SESSION--

## Fathers Discuss Mosquito Controls

In a special session Tuesday night members of the city council met with Dr. Paul Spring, county health officer, and Dr. George Anderson, city health officer, for the purpose of discussing possible mosquito control for the summer months.

No definite measures were taken at the meeting but Dr. Spring will order and have on hand films and control measures which will come from the state health office.

"We are aware of our problem here in Friona, and hope that this year we can take concrete steps toward con-

trolling our mosquito problem," said members of the council.

When the films arrive a special citywide meeting will be held in the high school auditorium and the city's program explained to the residents.

Dr. Spring and Dr. Anderson strongly urged council members to see that the city's weed ordinance is enforced and that all garbage and trash are covered.

"This will help quite a bit in our problem here," says Dr. Spring.

Sheriff Charles Lovelace reports that he has had "some trouble" previously with some of the boys who were arrested last week.

Bond for Stanberry and Wines was set at \$1000 by Judge Brewer, and the youths have been lodged in the county jail, awaiting investigation by the grand jury.

Rudolph Valverde, 17, was arrested Tuesday, and his admission clears up another Bovina burglary. He says he and Charles Blagg, 19, burglarized the farm home of Norvel Strawn five miles northeast of Bovina April 15. They took tools, a tire and wheel.

Blagg, who was arrested in Las Cruces two weeks ago, had implicated Valverde. The Latin American youth's bond was set at \$1000 and he is in jail.

Politics gets sort of serious at times and last week end about every other person in Friona was just about sick with politics following the Democratic primaries.

Despite the big turnout locally, there just aren't enough folks in Parmer county to out-vote the large populated counties south of us and that is the story of the DA's race in a nutshell.

Bill Sheehan, although receiving 91 per cent of the votes cast in the Friona box was defeated in his bid for the DA's office by Jack Young of Muleshoe (ironically Sheehan received more bids percentage wise in Parmer county than Young did in his home county of Bailey, but big Lamb county was the deciding factor.)

Anyway, there must be a lot of folks around who appreciated Bill's services to his office for those who knew him endorsed him whole heartedly but nobody likes to lose.

That's the way it goes, chicken one day, ballots the next!

In commenting upon the turnout of voters at the polls Nelson Welch's theory on the voting centered upon the stamping of the poll tax as the reason for local voters turnout Saturday.

"Most of them have looked for a week to find their poll tax receipt," Welch says, "and after finding it they were determined to use it."

Who knows, maybe stamping the poll taxes is a good idea in more than one way.

Certainly this wasn't the idea in the stamps to begin with, but if it makes people get off their duffs to go vote, next time let's use red ink on the stamp pads.

In other local races, the commissioner's race in Precinct 1 was as hot as a pistol.

Incumbent E. G. Phipps was defeated and the two other candidates Wesley Hardesty and Tom Lewellen will battle out the voter's choice in the runoff elections.

This race drew a lot of enthusiasm as the night wore on down at the Bi-Wize Drug sidewalk where results were chalked up on a large blackboard.

The final results (unofficial) indicated that Phipps lost out by nine votes to Hardesty, so this race ought to be a bugaroo come election time again.

Jesse Osborn, our incumbent state representative from Muleshoe, found out he had a race with one of his opponents forcing a runoff. Clarence Hamilton from Lamb county and Osborn will battle this race in the runoffs.

All in all Saturday night had all the qualities of an old-time election with a little TV reporting thrown in for good measure.

The night was cool and the crowd would jam inside the Bi-Wize and watch the TV reports from Amarillo then when the phone would ring and Loyde Brewer would run to the black-

Troop No. 144 met Monday after school. We planned our Court of Awards skit. It will be a skit on first aid.

Refreshments were served by Lilia Falcon. A game was taught by Shirley White. Those present were Karen Agge, Leticia Bartlett, Bernice Cole, Sherri Cole, Linda Caldwell, Kathy Jones, Cindy Taylor and Terri Sue Mabry.

Also Martha Martin, Glenda Mings, Vicki Moorhead, Donna Shackelford, Becky Turner, Shirley White, Terry Lynn Wilson, Rudy Judkins and Lilia Falcon.

The date that we have set for our sleepout is May 20. --Vicki Moorhead, reporter

The Brownie Troop which meets at the Congregational Church each Monday has been making a nature study the past several weeks. One day members of the troop went on a hike and found items of nature that began with every letter in the alphabet.

Another day the group visited the Hughes Nursery and learned about plants, shrubs, trees, flowers, etc. For Mother's Day each girl made her mother a plaque from egg shells.

One plaque was presented to Doris Hale, a former leader of the troop.

Plans have been made for a hobo party at Alice Whaley's home. Work has been done on the Court of Awards program. Members of this troop will attend Wagon Train Day Camp the first week in June.

#### No Injuries In Crash Wednesday

No injuries were reported but a total of \$600 in damages were done to two autos in a wreck Wednesday afternoon (May 4) at the intersections of Seventh and Cleveland.

Donald Ray Busbee, 17, student in Friona High School was traveling north on Cleveland in a 1953 Chevrolet and collided with a 1958 Chevy pickup driven by Walker Freeman, 30, employee of Pioneer Natural Gas Company about 5 p. m.

The two autos met in the intersection which is not marked.

Freeman was charged with failure to yield right of way. Patrolman Ed Dukes made the investigation following the accident.

#### Friona Fireeaters Take Part In Convention

Eight Friona firemen traveled to Dumas Tuesday where they took an active part in the semi-annual Panhandle Firemen's Association convention in that city.

Local firemen competed in pumper races and in water polo teams.

Friona came in fourth in

the pumper races behind Hereford, Canadian, and Amarillo AFB with a time of 29.9 seconds.

Team members competing in this event included Earl Graham, Ralph Shirley, Howard Love, Clyde Fields, Joe Mann and Leo Reed.

Mann and Reed lost out in the first go 'round to Hereford. Panhandle won the contest.

This was the 52nd semi-annual convention of the firemen and as many will remember Friona hosted the convention at this time last year.

Hereford will host the next convention in September.

OUR DAY AND NIGHT

### DEPOSIT SERVICE

provides a quick, convenient means of depositing your cash receipts for bank protection at any hour of any day or night throughout the year in our ultra-modern Mosler Depository System.

OUR BANK IS NEVER CLOSED TO ITS DEPOSITORS

Your deposit, with deposit slip, is placed in a special bag, furnished by us, which you lock with your key.

At the bank you unlock outer entrance door to the deposit system with your special key. Pulling door forward exposes an opening into which your deposit bag is placed, as illustrated above. Closing door causes bag to automatically travel downward through a heavy metal chute into the burglary-resistive money safe inside our bank, as shown at left. Special baffles in the chute are designed to prevent withdrawal of bags from the outside.

Sealed envelopes containing endorsed checks, currency and similar items can be deposited in the keyless slot (under the flap) for transmission through a separate metal chute into the same money safe . . . just as easy as mailing a letter.

We will be glad to explain and demonstrate this special deposit facility, installed for your protection.

### Hub HD Club Meets For All Day Session

Thursday of last week members of the Hub Home Demonstration Club met at the Community Center for an all day meeting in observance of National Home Demonstration Club Week.

During the business session, Jo Hand, president, had charge. Minutes of the last meeting were read by Velma Cannon.

A community wide party to welcome all new residents of the Hub was planned for Tuesday, May 17, in the Community Center. Members of the club voted to pay half the cost of an air conditioner for the building and to donate \$50 to restroom facilities at the new Little League park in Friona.

During the day varied numbers were presented. Melba

Burleson presented a health talk dealing with heart disease and diabetes. Lavon Renner presented "Diary of Adam and Eve."

In a hair styling demonstration by Billie Thurman, models were Jo Nettles, Peggy Monroe, Taleta Mabry and Corene Jones. The proper method of setting a table was presented by Mildred Walters.

"How A Bill Becomes A Bill" was the title of a number presented by Taleta Mabry and Mildred Walters. Jo Nettles, Frances McGuire, Christine Shirley, Jo Hand and Lydie Tomlin presented a skit entitled "The Shoe Salesman." Shoes of the members present were used in the skit.

One of the highlights of the afternoon was presentation of "The Wedding of Lillie Marlene." It was presented by Frances McGuire, groom; Christine Shirley, bride; Jo Hand, father; Lydie Tomlin, mother; and Jo Nettles, minister.

"The Three Hillbillies," a skit, was given by Peck Stringer, Melba Burleson and Jim Snead. The skit portrayed life in the Hub community several years ago with names of former residents being used.

Two new members, Joy Hall and Adeline Smith; one visitor, Mrs. Dan Schuman and the following members: Lavon Renner, Melba Burleson, Helen Fallwell, Velma Cannon, Alma Lou Cannon, Athelea Neel, Peggy Monroe, Christine Shirley, Taleta Mabry, Billie Thurman, Peck Stringer, Jo Nettles, Jo Hand and Mildred Walters, were present.

Hostesses were Helen Fallwell and Alma Lou Cannon. Men attending the noon luncheon were Weldon Stringer, John Renner, T. I. Burleson, Jack Tomlin, Flake Thurman, E. J. Hall, Paul Daniel, Joe Jones, Clarence Monroe, Jack Shirley, Aubrey Cannon, Warren Smith, Buck Fallwell and Derl McGuire.

Refreshments of coffee, cake and cold drinks were served to Phyllis Sanders, Jo Nell Sims, Tiny Taylor, Betty Cunningham, Elwanda Campbell, Juanita Reeve, Christene Mann, Wanda Jones and Phyllis Squyres.

### Rev. Hugh Blaylock Conducts Ceremony

New officers of the Woman's Society of Christian Service for the coming year were installed Sunday evening at the Friona Methodist Church.

Rev. Hugh Blaylock, pastor, had charge of the ceremony. Mrs. Bob Ginsburg sang a solo with Mrs. Dorothy Hough at the organ. Each officer was charged with her duties after lighting her individual candle from the large central candle on the altar. All candles were then left burning on the altar rail until the close of the ceremony.

Officers installed were Mrs.

Dick Rocky, president; Mrs. Ernest Anthony, vice-president; Mrs. J. G. McFarland, secretary; Mrs. Kenyth Cass, treasurer; and Mrs. Roy Slagle, chairman of local church activities;

Also the following secretaries: Mrs. Arthur Drake, promotion; Mrs. J. L. Shaffer, Christian social relations; Mrs. Mary Ginsburg, spiritual life; Mrs. Frank A. Spring, student work; Mrs. U. S. Akens, missionary education and service;

Also Mrs. Wes Long, children's work; Mrs. Jean K. Anthony, youth work; Mrs. W.M. Stewart, literature and publications; Mrs. Mack Bannum, supply work; Mrs. Joe Moyer, chairman of membership; Mrs. Eugene Ellis, Kolvwia circle chairman; Mrs. Guy Latta, Mekka circle chairman; and Mrs. J. H. Boyle, Maggie Hamlin circle chairman.

### Fireman's Auxiliary Has Meeting

### Rebekah Lodge Has Mother's Day Program

Following a brief business session at the Thursday evening meeting of Friona Rebekah Lodge No. 308, a special Mother's Day program was presented. Red roses were presented to Ann Nazworth, mother of the year; Pat Fallwell and Opal Cobb, mothers with most children; Inez Sherley, Willie Beatty and Carrie Tatum, Rebekah mothers with Rebekah daughters.

"Rebekah Mothers" was presented by Phyllis Sanders. Inez Sherley read a poem, "To Ann." Wanda Jones sang a song entitled "Mother" and Juanita Read read a poem with the same title.

Before a salad supper was served by the hostesses, Mary Houlette and Vergie England, a tribute to mothers was given by Wanda Jones and Imogene Cearley. Nineteen members were present.

Mother's Day dinner guests in the home of Mr. and Mrs. Karl Bender were Mr. and Mrs. Alex Stevens and children and Mrs. Ruby Renner all of Amarillo.

The so-called "white-collar" jobs are not as easy as the man in overalls sometimes thinks they are.

We are told of a very small insect that is able to create a sphere of air about him that enables him to be submerged in water without the water getting to him. This protective sphere of air is a good illustration for Christians. We are promised the protection of the Lord when we pray and read His Word the Holy Spirit is able to so protect us that even in a world that would destroy all that is good we are not harmed by its destroying power. May the Lord grant us the faith and courage to pray and seek Him that we may live in this sphere of protection which He provides. "The Lord knoweth how to deliver the Godly out of temptation." ## Memories, Memories

### Eventful School Year, 59-60, Closes Curtain On Last Act

BY CLARE SAVAGE  
Even though it was still warm weather a few girls were rather cool on the evening of September 10. This was the FFA Initiation and the freshman girls had to sit on a block of ice while repeating the creed from memory. Following this on October 26 was the FFA Initiation. This was the climax of several weeks of slavery. Many weeks of work and study went into the Thespian Play, October 30. The members of the club that weren't on the stage were working in the wings. The junior play was a hit. "Everybody's Getting Married" was a phrase that came true, November 4. The Football Banquet was a good way to end a good season for the three Friona football teams. This great event for the teams, the queen, Adelle Smith, and their dates was held November 5. March 3-4 were two nights of gaiety in Friona. These were

the nights the Seniors of '60 presented their play, "Onions in the Stew." Religion is an important part of everyone's life. It was emphasized March 14-17, when speakers from the churches spoke at special assemblies for the benefit of the students. The students as well as the members of the town were proud of the Squaws. So proud, in fact, the students were given a holiday, March 10-11. The town was deserted that week-end because everyone was in Austin supporting the Squaws. Local talent was revealed April 1. The Junior Variety Show was the night for the local talent to spread their wings and fly into the eager arms of the awaiting public. Four members of the Thespians with help took the one-act play to Canyon April 4. Students were proud of the cast and their fine work. April 29 was Senior Kid Day. Some of the "kids," perhaps,

dressed and acted according to their true nature. The girls with lollipops and pigtails, the boys with water guns and slingshots. The members of the band and choir celebrated April 30 by going to a banquet. This was an occasion looked forward to for several months. May 5 was used for a double purpose in 1960. The new FFA officers for 1961 were installed as well as some members getting their Junior and Chapter Degrees.

## Dr. Freeman Is Speaker For Baccalaureate

Baccalaureate services will be May 22 this year for the Class of '60. Dr. John Freeman, Professor of Psychology at Wayland Baptist College in Plainview will deliver the baccalaureate address and the Friona High School Choir under the direction of Frank Smith will furnish the music. Thursday, May 26, is graduation night for seniors. Commencement services will begin at eight o'clock. Highlights of the evening will include the valedictory, salutatory, and class history. Music will be furnished by the Trebelaire, directed by Mrs. Eva Miller and Gerald Daniel, a member of the graduating class. After commencement the Seniors will leave for the five day trip to Manitou Springs, Colorado.

HONORARY MEMBERS OF FFA--Pictured above is E. C. Wilson, President of the FFA for the forthcoming year presenting honorary FFA memberships to three citizens who did much in helping the FFA this year. Honored are (left to right) J. T. Gee, former vocational agriculture teacher here, Dave McReynolds, editor of the Friona Star, and Raymond Cook, principal of Friona High School.

## Cook, McReynolds, Gee Honored At FFA Banquet

The Friona FFA Chapter held their annual Father and Son Banquet Friday night, May 6, at the school cafeteria. Beginning the program the invocation was given by Floyd Reeve. The meal, Bar-B-Q and all the trimmings was furnished by J. G. McFarland. Employees of the Farmer County Implement Co. served the meal. Following the meal Jimmie Bainum, master of ceremonies, introduced the FFA Sweetheart and Plow girl, Gwen Green and Pat Myers respectively. Connie Ray, president of the FFA Chapter, presented them with gifts. Special guests were then recognized by Jimmie Bainum. Entertainment was furnished by the Treble Teens with Gwen Green, FFA Sweetheart, singing. Main speaker of the evening was James Cole from Slaton, who is the Area 1 president of the Future Farmers of America. The theme of his speech was leadership in FFA work and other activities. Following Cole, Bob Sanders made presentations of Honorary Chapter Farmer Degrees to J. T. Gee, Dave McReynolds, and John R. Cook. These men were presented with certificates for their fine help and support of the chapter. The banquet was adjourned by E. G. Wilson, next year's president, who led the guests and members in a salute to the American Flag, for the closing ceremony.

## Thespians See The King And I

Forty-nine Thespians and sponsors journeyed to Canyon Tuesday, May 3, to see the play, THE KING AND I, presented by the West Texas State College drama department. The group ate supper in the Jim Hill Hotel ballroom at Hereford. After eating, next years officers were installed. The officers are as follows: President, Virginia Patton; vice president, Joby Claborn; secretary, Pat Ready; clerk, Darla Bingham, parliamentarian, Bob Sanders; and treasurer, Tommy Jay Sanders. Thespians who were initiated this year were presented the Thespian membership card, emblem, and certificate. Receiving these were Geneva Floyd, Pat Ready, Craig Tannahill, and Darla Bingham.

## Question Of The Week

The question this week pretains to the girls. The question asked is, do girls prefer the intelligent, sophisticated type boy, to the athletic type boys? This is the way that the answers rated.

A. Intelligent type	4
B. Athletic type	8
C. Depends	5

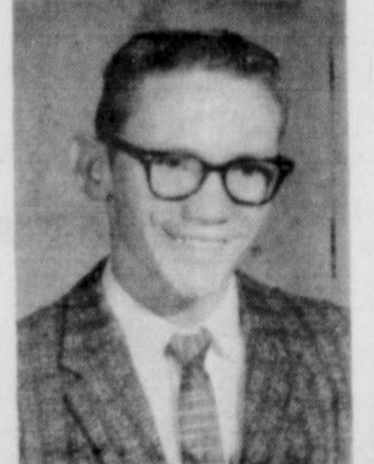

Out of the nineteen girls over 50% of them like the boys which were athletes. Nearly 25% depends upon the personality of the boy or who the boy is. The intelligent type boy may be popular with the teachers but not so much with the girls.

## It's A Secret!

BY ERMA LOU DRAKE  
Secrecy seems to be the keynote of the junior-senior banquet to be held May 14, 1960 in the Friona School Cafeteria at 8:00 p.m. Invitations seem to indicate that the program might be in the form of a "Mardi Gras," but the only information being given out by the juniors who are in charge of the banquet is that Mr. Alton Farr is to be the guest speaker, and Nelda Douglas and Donna Blackburn are furnishing the entertainment for the evening. The Seniors are anxiously awaiting the reading of the class Will and Prophecy which has been kept in secret all year. Serving the delicious meal will be the members of the sophomore class. Although it is being held in secret, everyone will surely be happy with the outcome.

## Gerald Daniel To Present Senior Recital

Sunday, May 15, Gerald Daniel, son of Mr. and Mrs. Paul Daniel, will present his senior voice recital. This recital will be presented at 3:00 p. m. in the First Baptist Church of Friona. Gerald will present a varied program consisting of secular, spiritual, and sacred numbers. Larry Anthony will be the featured guest on the program. Anthony will play a few piano numbers between vocal numbers. The Trebelaire will back Daniel on two numbers.

Gerald has been studying music under the direction of Mrs. Roy Miller for the last four years. During these four years, he has received four top awards at various musical contests. He plans to attend Oklahoma Baptist University in the fall on a musical scholarship presented him by the First Baptist Church.

## Seniors Make Future Plans

BY BETSY FRYE  
Decision time is here for FHS's seniors. With this year's school term almost over the seniors are faced with the big problem: what to do and where to go to get their vocations. Many of the seniors have already decided on their plans for the coming years. Here are their decisions: Carolyn Wines, Janet Snead, Levada Hand, Judy Smith and Adelle Smith plan to attend West Texas State this summer. Carolyn, Judy, and Adelle plan to attend Denton this fall. Seniors with plans to attend Texas Tech are: Ronnie Castleberry, Larry Crow, Mike Ellis, Charlotte Bock, Levada Hand, Jacquelyn Magness and Sue Baxter. ENMU is going to have the privilege of having Owen Drake, Kenneth Harrington and James Gee on their campus this fall. Several girls will be receiving their Mrs. degree after graduation, they are: Janette Johnson, Linda O'Brian, Marilyn Potts, Phyllis Bainum, and Maxine LaFavers. Charles McKenzie, Bill Loanman, Janet Snead and Geneva Floyd have plans to attend Lubbock Christian College this fall. Latoyia Howell and Owen Green plan to attend Draughon's Business College in Lubbock. Four seniors are planning to attend nursing school this coming year. Sally Hough and Pat Foster plan to attend North West Texas while Carla Turner and Jolynda Stokes plan to attend a nursing school but are undecided as to which one. Dee Taylor, and James Anthony plan to attend West Texas either this summer or fall. Other seniors attending college are: Bill Taylor-Abilene art school, Gerald Daniel-OBu, Monty Baker-IBM, Margie Carlton-Wayland, Robbie Osborn-Lamar Tech, Don Clements-Texas A&M, Jimmy Bainum-South Plains Junior Col-

## Juniors Go To Palo Duro

On Friday the sixth the juniors were supposed to leave at eight thirty am but were detained a might bit and finally left at nine o'clock. They all took sack lunches and after everybody got thrown in the creek they ate lunch and everybody went cave exploring. Some found snakes. A few small injuries were acquired but nothing serious happened. They started back at two o'clock stopping in Hereford for cokes reaching school at one minute to four o'clock.

lege, and Jackie Hight-PAMC. Seniors with plans to attend college but are undecided as to which college are: Ronnie Wood, Teddy White, Gary Goetz, Betty Barnett, Gary Bradley, Connie Ray, Luther Metcalf, Sue White and Faye Scales. Seniors with plans undecided are: Jim Greeson, Kenneth Duncan, Virginia Fuks, Jean Wilson, Erma Drake, Lawrence Houlette and Glendel Jones. Jenny Cassels and Debra Spivey plan to take up the profession of homemaker. As you may see all of the seniors have many different plans. Here's wishing each of them the best of luck!

## Soph's Visit Devil's Slide

BY LARRY ANTHONY  
The sophomores left Saturday morning, at 7:30, for Palo Duro, on their class party. They met in front of the High School building to meet the bus Saturday morning. The class had a ball at Palo Duro with their water guns, water balloons, and all that fried chicken. A safe and exciting trip was had down to the canyon and back. Especially going down into the canyon. If you saw the sophomore girls Saturday afternoon you noticed they got a little wet and dirty, but they all had a swell time. Devil's slide had a few competitors as the sophomore boys slid down the slide. The girls watched below laughing at all the spills and the odd expressions of the boys as they came down. The class arrived home between four and four thirty all having had a swell time.

John: "What travels around the world but stays in a corner?"  
Joe: "I give up, what?"  
John: "A stamp."

## Frosh Plan Outing

The Freshmen class will celebrate the end of school with a trip to Palo Duro Canyon May 21. The class will leave from the front of the high school at about 8:00 Saturday morning. Around seventy students are expected to go and take a sack lunch and money enough for the entrance fee and soft drinks. Mr. Bennett and Mr. Simmons, freshmen sponsors will be in charge of the group. There will be fun and enjoyment for everyone who goes. The freshmen are expected back between 6:00 and 7:00 that night.

## Cow's Donated Eyeballs Recalled In Year Humorous Incidents

BY BRENDA DEATON  
How many of the little "funny" things that have happened over the past year in FHS can you remember? Perhaps these will bring back some pleasant memories:  
Remember the time Mr. Bennett took a group of students to see a cow butchered at Crow's Slaughtering Plant and was the first (and only) person to become ill?  
Are you able to recall how many times Jimette McLean was spanked on her "birthday"?  
How about the time during Christmas when the boys in journalism had mistletoe?  
Remember when Gerald Daniel sat down on twelve tacks in Spanish?  
Remember in English 4 when Mrs. Trullitt called on Geneva Floyd while she was day dream-

ing? Geneva's answer to the question was, "Quotation marks around the word 'lover.'"  
Don't forget the time Miss Scott was prising around and stuck a needle in her toe.  
Do any of the freshmen recall the wonderful times they had cutting up cow's eyeballs?  
Remember when the Coke machine in the hall turned into a slot machine? Wonder how many students got a Coke along with 20 or 30 cents change merely by putting a dime in the "dear" little machine.  
Don't forget the time James Anthony and Ronnie Castleberry were carrying a large coil of wire and James got tired and dropped in on Ronnie's foot.  
These are only a few of the many things that went on this year. Hope they help bring back many, many memories.

FHA OFFICERS FOR 1960-61--Pictured above are the newly installed officers of the local FHA chapter. Shown are (left to right) back) Pat Myers, Gayle Knight, Karen O'Brian, Jere Cochran, Janet Buckley, and Sharon Reeve. (Front, left to right) Linda Kay Johnson, Donna Blackburn, and Beth Akins.

## FHA Installs Yearly Officers

The old year disappeared and the new year began with the installation of new FHA officers, Thursday, May 5. Installed were president, Gayle Knight; vice-president, Donna Blackburn; reporter, Betty Drake; treasurer, Karen O'Brian; parliamentarian, Pat Myers; song leader, Kay Johnson; pianist, Sharon Reeve; historian, Janet Buckley. Junior and Chapter degrees were presented to several students. Several junior degrees were presented, but only a few Chapter degrees were received. Refreshments consisting of punch and cookies were served following the installation ceremony in the Home Economics department.

## Teachers Announce Forthcoming Plans

BY JANETTE JOHNSON  
The school is buzzing with plans for next year, not only in the Senior Class, but also in the faculty realm. Playing nurse maid to the cows, pigs, sheep, and other farm animals in the Vocational Agriculture Department will be J. C. Lane and David McVey. "The best way to a man's heart is through his stomach" will be the motto of the Home Economics classes taught by

Mrs. Osborn and Mrs. Huff who will also endeavor to teach the girls the art of sewing a "straight seam."

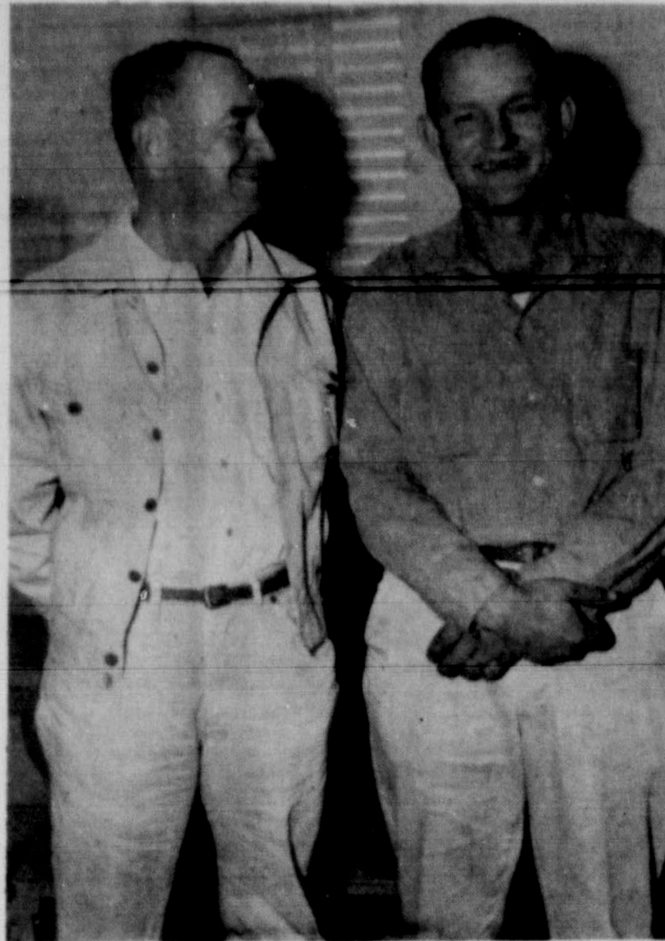

Mistakes in our national language will constantly be corrected by Mrs. Carmelita Trullitt, Mrs. Pearl McClain, and Mrs. Dorothy Rowlett. Mrs. McClain will have a doubly hard job trying to correct the mistakes in both English and Spanish.

BY BRENDA DEATON  
Yippeee! School's almost out! You certainly can tell that this grand occasion is almost here by the gaiety of all the students. The juniors had a grand time at Palo Duro Friday, May 6. Wonder if being out of school a day had anything to do with their enjoyment. The class left the school Friday morning around 9 o'clock which was ample time to arrive at the park and "goof" around before lunch. The day was spent hiking, climbing and ducking each other. By the time this group arrived back in Friona they were a "cute" sight and this is mildly describing them. Here's a note to the juniors: If anyone has lost a headscarf, purse, blue jeans or a hat they just might find it on the bus you went on. The sophomores also went to Palo Duro last week. This class went Saturday, May 7 at 7:30. It seems that this group had just as much fun as the juniors. In fact they even brought back a few souvenirs, like the beautiful red tan Mikie Welch has. Fifteen students from FHS went to Ceta Canyon Saturday and Sunday for the Methodist

FOOD PASSERS EXTRAORDINARY--Members of the Farmer County Implement Company served the barbecue at the FFA's Father & Son banquet Friday night. Coffee Honors Mrs. Weatherly

Mrs. Ralph Shelton was hostess at a birthday coffee in her home Thursday morning. Guest of honor was Mrs. Clyde Weatherly, who was observing a birthday.

An arrangement of yellow roses formed the centerpiece. A silver coffee service was used on a lace cloth. Mrs. Arthur Drake poured.

Others attending were Mesdames Kenyth Cass, Jean K. Anthony, Ernest Anthony, Roy Slagle, Joe Moyer, Guy Latta, James Boyle, Arthur Drake and Forrest Osborn.

Party Honors Munday Guests

Mrs. Tommie Parker honored her daughter, Mrs. Joe Carlisle and young son, Craig, with a party in her home Friday afternoon.

Refreshments of punch and cookies were served to Virginia Patton, Darla Bingham, Gayle Knight, Jimette McLean, Judy Taylor, Lawana Towery, Pat and Wanda Ready, Lois White, Linda Crow, Celia Dee Weatherly and the guests of honor.

Lewis And Choir Win High Honors

Don Lewis, 2/Lt. special service officer with the U. S. Army at Fort Lee, Virginia, and his men's choir won first in competition at Fort Lee recently. Lewis won first in individual competition with a song and dance specialty number.

Going from Fort Lee to Indiantown Gap, Penn., for a contest May 7, the choir, under the direction of Lewis, again took first place. He was chosen one of four to sing in an "all army" contest at Fort Myer, Md.

A group of winners at this contest will appear on the Ed Sullivan show and all winners there will leave for Europe the first of September to begin a concert tour that will end April 1, 1961.

## Trustees Adopt Sick Leave Policy

A new policy concerning teacher's sick leave was adopted by members of the board of trustees of the Friona Independent School District at their regular meeting Mon-

day night. This new policy culminated several hours of discussion plus research into the question by Superintendent Alton Farr who conferred with 25 other schools in this area as to their policies toward this situation.

Prior to 1959 the board had a policy which only set down that any teacher (or employee of the school) who was sick more than five days in any school year would be paid the difference between their salary and the salary paid a substitute.

There was not a termination or limit placed on this policy.

This year one teacher claimed sick leave for six weeks of the year and after paying this teacher the board changed their policy to allow only the five days off with pay then no pay at all.

The new policy will become effective at the beginning of school for the 1960-61 school year and is as follows--the school will pay full pay for the first five days a teacher is absent due to illness, and the difference between a substitute's pay and the teacher's pay for 10 days then the pay stops. This is virtually the same as

it was previously with the 10 day limit placed on it.

The board feels that this is in line with most of the schools in the area and will be accepted as fair enough by the employees.

In other business the board accepted letters of resignation from Joann Hairgrove who is moving to Hereford and Roy Simmons who is accepting an assistant coaching position at White Deer.

Tax Assessor and Collector Dan Ethridge's report to the board was read by Bill Stewart and accepted. Cordie Potts was selected by the board to present high school graduation diplomas and Meryle Massie was elected to present eighth grade diplomas. In other business Farr presented reports on the cafeteria, transportation, activity and general budget finances and the month's bills. Members present at the meeting included Clyde Weatherley, Potts, D. C. Herring, Massie, John L. Ray and Arthur Drake.

**The Bible Teaches ...**  
that men are baptized into Christ (Galatians 3:27). This truth suggests a change of relationship. Once we were outside of Christ, now we are within. When did the change take place? When we were baptized. Baptism is a significant part of the new birth, yet only a part. Baptism alone does not save. It must be accompanied by faith (Acts 8:36-38). This is the lesson Jesus taught Nicodemus in John 3. Compare also Mark 16:16 where Jesus said, "He that believeth and is baptized shall be saved; but he that disbelieveth shall be condemned." The benefit of being "in Christ" is in that we are where we may enjoy "spiritual" blessings" (Ephesians 1:3).

## Officers Installed In Formal Ceremony

Mothers of members of the Friona Chapter of Future Homemakers of America and girls of the eighth grade were special guests at the formal candlelight installation service in the auditorium Thursday evening of last week.

Jacquelyn Magness, outgoing president, gave the welcome

address. She also presented a gift to the chapter sweetheart, Jackie Hight. Mrs. Mae Magness, mother of the president, received a gift and Marilyn Potts, vice-president, presented Miss Magness a gift.

Chapter mothers were recognized as was Mrs. Ernest Osborn, chapter sponsor. Candles were lighted as duties

of each officer were explained. Each outgoing officer escorted her successor to assume her duties.

Group singing of the chapter song closed the meeting.

Refreshments of punch and cookies were served in the homemaking department following the meeting.

## Surprise Party For Mrs. Buske

Mrs. Florence Buske, who observed her 79th birthday Thursday, was honored with a surprise party in her home. Hostesses were three of her daughters-in-law, Mrs. G. B. Buske and Mrs. J. B. Buske of Friona and Mrs. J. F. Buske of Abernathy.

Centering the serving table, which was covered with a white hand made crocheted cloth over pink, made by the honoree, was an arrangement of pink carnations. The birthday cake, baked by Mrs. Goldie Griffith, was served with pink lemonade.

A pink carnation corsage was the hostess gift to the guest of honor.

Those present, besides the hostesses, were Mesdames

Rosa Anderson, Monroe White, George M. Baker, Bert Day, Leona Wolfe, A. A. Crow, Lucy Vestal and Clara Dement;

Also Mesdames Ann Houlette, Goldie Griffith, Joan Hairgrove, Eula Akens and Beth, Reba Buske and children, Lydia, Denise and Dave, all of Friona and Terry Lynn and Debbie Buske of Abernathy.

Mrs. Buske, a native Texan, was born May 5, 1881, near Waco. In 1901 she moved with her parents to Jones County where she lived fourteen years. Prior to moving to Friona in 1953, Mrs. Buske made her home in Lubbock County 38 years.

She has nine children, 22 grandchildren and 11 great-grandchildren.

We enjoyed seeing a lot of other relatives and friends. We spent Sunday night with my parents Mr. and Mrs. Harvey Shapley. My father spent Monday night with us.

Haskell Shapley, brother of Mrs. Delton Lewellen, spent a few days with the Delton Lewellens last week.

Mr. and Mrs. Tom Lewellen and Tommy Lou, Mr. and Mrs. Joe Lewellen and family and Delton Lewellen had Sunday dinner in the home of Mr. and Mrs. Forrest Osborn and boys. Others there were Mr. and Mrs. E. D. Matlock and Mr. and Mrs. Henry White and boys of Plainview.

## Parmer County 4-H Members Take Honors At District

Parmer County 4-H members carried off high honors Saturday when they participated in the District I 4-H contests at Canyon.

Winners from the county included Linda Gleason and Marianna Gammon, Lazbuddie, electric demonstration, first place in the junior division.

Linda Monk and Katie Blackstone from Lazbuddie placed second in farm and home safety; with Gary Foster from Lazbuddie winning first in the tractor operators contest in the senior division.

In beef cattle business demonstrations Mike Hinkson and Timmy Foster from Lazbuddie took first place in the junior division.

Buddy Embry and Aleene Embry from Lazbuddie placed second in the method demonstration on farm cooperatives in the junior division.

Winning first in the junior division on soil and water conservation were Bobby Gleason and Terry Parham.

Judy Billingsley and Janice Billingsley from Farwell placed first with a poultry marketing method demonstration.

Judy Billingsley also won first in the senior division with a dairy foods individual demonstration.

Becky Wilson and Carolyn Annear from Lazbuddie were second place winners in the vegetable preparation method demonstrations.

Representing the county at 4-H Roundup which will be held June 7, 8, and 9 at College Station will be Judy Billingsley with a dairy foods demonstration, and Gary Foster in the tractor operators contest.

### THE PARMER FARMER

By W. H. Graham, Jr.

It's almost unbelievable the way that the wheat crop has sprung up since decent weather has finally arrived. Like kids, it seems that the wheat was only about "yona high" just a few moments ago, and now just look at it.

The law of averages says that we are going to have better luck with our wheat crop this year than we've been having in the past two.

In 1958 and 1959, we managed to raise plenty of wheat... you couldn't hope for much better... but getting it into the barn was something else again. The hail really came down a couple of summers ago, and it was even worse last year.

If averages mean anything (and they do) then our luck will have a change for the better in the next few weeks. Oh, sure, we will have the usual hail-outs. We always do. But we're entitled to escape wholesale slaughter.

The same goes for the cotton farmers. Most of the crop is now in and some is already sprouting. If we just manage to hold this first planting and get good stands, we'll be off to a roaring start.

Of course, speaking of averages again, everybody is looking for an "on" year in the cotton business. Raising cotton here on this part of the High Plains has been an amazing business of up and down--with a two-year cycle pattern. A good year is followed by a bad; a bad year by a good. Stop and count back: 1954 was good, 1955 (late irrigation and an early freeze) bad; 1956

TYPICAL OF MANY High Plains farmers who are selling the milo they have stored in their barns most of the winter, is this farmer loading his truck for a trip to the elevator. Several dozen farmers in all of Parmer County were taking advantage of the slight increase in maize prices late last week. One elevator unloaded 175 trucks on a peak day two weeks ago.

was good, 1957 (drizzly fall) bad; 1958 was good (the best), and 1959 you don't need to be reminded about. The uniformity of this pattern is quite unique.

### SOIL CONSERVATION DISTRICT NEWS

### OUR SOIL ★ OUR STRENGTH

Soil Stewardship Week--Beginning the fifth Sunday after Easter and continuing through the following Sunday, the Soil Conservation District of America will observe Soil Stewardship Week. It is hoped that something be done or said that will be an influence to awaken man to his responsibility as a steward of the soil.

The Parmer County Soil Conservation District has purchased a film entitled "The Earth is the Lord's." This color and sound film plainly points out man's obligation as stewards of the land. This 13 1/2

minute film may be obtained free of charge by contacting any of the district supervisors.

In the near future a newsletter will be sent out on the subject of soil stewardship and will also give information concerning the film.

Material has been distributed to all churches in Parmer County by the district supervisor for information and use during Soil Stewardship Week.

Parmer County SCD supervisors held their regular monthly meeting last Tuesday. Among several items discussed there was one important thing that the supervisors want the people of Parmer County to know about. The district now has four 4 1/2 yard earth moving scrapers available to anyone at \$7.50 per day.

These machines are in the hands of the following supervisors: A. L. Black, T. O. Lesly, Robert Calaway and Bruce Parr.

## Prices Rise; Farmers Sell

With the slight rise in grain sorghum market prices, High Plains farmers are unsealing their barns and hauling last year's maize crop to the elevators.

Some grain dealers have not bought any milo; however, most have purchased some. Prices range from \$1.50 to \$1.60. Most elevators are buying for about \$1.55.

One elevator manager, commenting on the number of trucks on the road hauling, said it is almost like having a grain harvest in May.

During the peak season of last year's harvest, market prices ranged from \$1.41 to \$1.43. They never exceeded

\$1.45, a point below which price has not dropped recently.

Friona Wheat Growers has handled a large portion of this movement. Arthur Drake reported that the elevator had unloaded 175 trucks, two weeks ago today. He says about a dozen farmers were hauling milo to market.

An appointment with the dentist resulted in what is virtually a new living room for the Gavins. While waiting to see Dr. Wright, Ed read an article in a magazine

on simple living room improvements. You'd be amazed at the results. We now have a rock-walled planter and room divider, a photo mural, louvered-door storage closet to hide our new incinerator and water heater, and an easy-to-build plant shelf which we screwed to the underside of the window sill. The planter is supported by a butterfly bracket bearing against the wall. It's surprising how much you enjoy and appreciate improvements you do yourself.

### WITH THE COUNTY AGENT

JOE JONES

Get applications for wheat certification in now to Gene Cupp, State Department of Agriculture, 2814 34th Street, Lubbock, Texas. Application forms can be secured at County Agent's office. Applications for inspection must be made at least 45 days before harvest.

Johnson grass and bindweeds have begun to show up. Now is the time to begin control programs to get these two noxious weeds before they make seed. For bindweed control in small plants soil sterilants work best and have done a good job in the past. Soil sterilants work best on Johnson grass but because of the amount of land involved with Johnson grass it is much better to use chemicals other than sterilants in many instances. Be sure you understand the correct use and limitations of these chemicals or you may be disappointed and waste your money. I have several good research publications on Johnson grass and bindweed control that furnish information necessary to control these two noxious plants.

Early season insect control pays on cotton three out of five years. It insures early fruiting and maturity and results in higher quality cotton. It is time now to get the sprayers ready to go. Early season insect control should begin at the four-leaf stage or earlier. Many farmers have gotten started too late in years past to be most effective. Extension Bulletin 218 Texas Guide for Controlling Cotton Insects; come by and pick one up or go by your ginners, I am sending them all a supply.

All 4-H members planning to enter the cotton or grain sorghum production contest should get their entries in as soon as they know where their crop will be located on the farm.

Phosphate has been giving good results in the sandy area on grain sorghum. If you haven't used phosphate in the past you might like to try a little on a test plot of grain sorghum. Remember that phosphate should be banded before planting your sorghum or at planting time. Part of the nitrogen can be applied at the same time and a side dressing of nitrogen applied later. Split applications of nitrogen are not so important in the heavier soils but in the sand it seems to be giving good results. A good guide is all phosphate and one half the nitrogen preplant or at planting time followed by a side dressing of the other one half the nitrogen. A soil test is a good guide when fertilizing any crop. I have forms for sending these to the soil testing laboratory at Texas A & M along with instructions for taking the sample.

"For truly, the earth is the Lord's and the fullness thereof, but the responsibility for its stewardship is vested in man."

Farm management specialists of the Texas Agricultural Extension Service have prepared a publication, MP-390, "Suggestions for the use of the Texas General Lease Form and Annual Supplements." Copies are available from the county agents.

One way to safeguard against excessive fungicide and nematocidal residues on harvested crops and protect those who handle the materials is to follow the recommendations of the manufacturer, emphasizes Harlan Smith, extension plant pathologist.

### Faster, Cleaner Start for Your Crops with a WINPOWER ROTARY CULTIVATOR

Model NV-4 — 15' wide  
4 flexible sections

CROSS-CUT ACTION KNOCKS OUT WEEDS

See the off-set, cross-cut tooth arrangement on the ring. That's the secret of better weeding and cultivation at high speeds. Note, too, the shape of each tooth that delivers the stroke directly on the point. There is a cultivator that is engineered for better soil disturbance.

#### Better Cultivation Pays Off in Yields

The WINPOWER Rotary Cultivator is the best insurance toward a bigger safer harvest. The flexible sections, with off-set, cross-cut action knocks out weeds, breaks up crust and clods, and saves the moisture for growing crops.

End sections fold up. Coupling is adjustable for close turns. Hitches can be reversed for transport and crust breaking only. Construction is rugged, for years of trouble-free service.

Come in and see for yourself how this WINPOWER Rotary Cultivator will make money for you. It's the cultivating tool that gives your crops a faster, cleaner start to the biggest yields ever.

**TRACKSTAR,**  
DERRELL JENNINGS  
A Senior at Lazbuddie this year, Derrell Jennings has done a great job in athletics all year. In every track meet which Lazbuddie participated in this year, Jennings always placed in the top three in his events. At the District Meet at Happy he placed first in the high hurdles, second in the low hurdles, and tied for first in the high jump. At Regional in Lubbock he took first and second in the high and low hurdles respectively-making him eligible for the State Meet in both events.

**EDITOR'S NOTE:** Texas' rural schools are dwindling in number, but there are still some outstanding examples. Farmer County's own Lazbuddie system is a case in point. On this page is a summary of student achievements at the system during the year just ending. Cooperating to make this page possible are the following businesses: Western "66" and Western Fertilizer Co., Lazbuddie Grocery & Station, Moore's Welding Shop, Smith's TV Service and Appliance, Farmers Union Co-Op, Par-Lam Grain Storage, Lazbuddie Garage & Supply, O. C. McBride & Son Gin, North Lazbuddie Gin Co., and Lazbuddie Farm Chemical.

## Sesame, Corn Outlook Told

While sesame prospects are good, outlook for corn in the Farmer County area is only fair, the two county dealers report.

"We think our acreage of sesame will be equivalent to last year," says C. M. Henderson, farm store operator in Farwell.

"Our corn acreage is going to be considerable less than last year," he says.

"It is a little early to tell about the appearance of

the crop, because most of it is not up."

"We have a lot of hopes about this sesame," Henderson feels the outlook will be more definite in about three weeks when the crops are up.

In Friona, at Cummings Farm Store, Doyle Cummings also sees the prospects to be poor on corn.

"I don't think there will be much difference on the acreage of corn," he says.

"Up to now, about 1500 acres of sesame will be planted."

"It is a little early to tell yet, but if the weather is favorable to cotton, it will be to sesame also."

## THE HAPPY HOMEMAKER

BY JUNE FLOYD

This season it seems that the popularity of one dish meals is growing along with the trend toward simplicity in everything from children's playclothes to furnishings for a new house.

A casserole, which may be prepared ahead of time, a do-it-ahead-of-time dessert, a quickly tossed salad, a drink and brown 'n serve rolls or garlic toast makes a good meal for guests or just the family. If well planned, the meal may be served with a minimum of time and effort.

This trend has caused homemakers to experiment with many variations of old recipes and come up with a lot of new ones.

way Home Demonstration club likes this recipe for Baked Beans With Hamburger.

- 1 lb. lean hamburger
  - 1 tablespoon fat
  - 1 cup diced onion
  - 2 tablespoons salt
  - dash of pepper
  - 1/2 cup tomato catsup
  - 1 tablespoon vinegar
  - 1 tablespoon Worcestershire sauce
  - 1 tablespoon prepared mustard
  - 2 cans (21 oz.) pork and beans
- Brown meat in fat, add onions and simmer until tender. Add remaining ingredients and mix. Pour into 2 quart casserole, cover and bake 35 minutes at 325 degrees.

A green bean casserole favored by Mrs. John L. Ray, who is a farm homemaker and member of the Northside Home Demonstration Club is prepared as follows:

- Cook two packages frozen green beans and drain. Place in casserole and dot with butter. Sprinkle with salt and pepper. Spread 1 can mushroom soup over the top and bake 20 minutes uncovered in 350 degree oven.
- Arrange over this 1 can French fried onion rings and bake 10 minutes. Serve warm.

A good old American favorite, stuffed peppers, goes well with the Glen Mingus family. Cherry Ann, an active worker in the Hi-Point Home Demonstration Club, prefers the following recipe:

- 1 lb. cooked ground beef
- 1 lb. American cheese grated
- 1/2 cup cooked rice
- 2 tablespoons butter

## PRECIPITATION IN SOUTHERN HIGH PLAINS

- 1 small onion
  - 1 beaten egg
  - 4 medium green peppers
- Mix meat with cheese and rice. Salt to taste. Cook onion with butter until done. Add to cheese - rice mixture. Add beaten egg. Slice stem ends from peppers. Parboil peppers 2 minutes in salt water, stuff with meat mixture, replace pepper caps and bake 30 minutes in 350 degree oven.

Mrs. Lee Campbell contributed a potato casserole recipe to What's Cookin' in Farmer County. It will make a delightful addition to any cook's recipe collection.

### WHIPPED POTATO CASSEROLE

- 6 medium potatoes, cooked or left-over whipped potatoes
  - 1 teaspoon salt
  - 1/8 teaspoon pepper
  - 3 tablespoons butter
  - 1/4 cup hot milk
  - 1/3 cup chopped green pepper
  - 1/3 cup chopped onion
  - 4 strips bacon
  - 2 eggs
  - 1/2 cup cheese
- Broil or fry bacon until crisp. Using 2 tablespoons of the bacon drippings, cook onion and green pepper until tender. Place potatoes, salt, pepper, butter and milk in large bowl. Begin beating at medium speed and gradually beat faster until light and fluffy.

Add eggs and cheese to chopped onion, green pepper and bacon. Beat for 1 minute. Bake in buttered casserole at 350 degrees for 30 to 35 minutes.

Very soon now fresh rhubarb will be plentiful. Mrs. Dee Brown, a member of the Midway Home Demonstration Club especially likes this recipe:

### BUYING SPORT SHIRTS FOR SUMMER?

Make every penny count when you buy sport shirts. You can, if you will keep some important buying guides in mind, according to extension clothing specialists of Texas A&M College System.

Take fabrics, for instance. They come in many fibers, new blends and with new finishes. Do you know what to expect from dacron, nylon, orlon, or even cotton that has been treated with a special finish? Unless you ask for a label that gives this information, or depend upon a sales person you know well, you may be disappointed by the wearing qualities of the shirt.

Quality is not always a matter of price alone. It pays to check construction features, such as pleats or gathers over shoulder blades to give ease; buttonholes, cuff finish and stitching along the front panel.

Color makes a difference, too. Colors appropriate for the individual, the occasion, and the other parts of the ensemble, make for a better appearance.

"Buying A Sport Shirt," a leaflet, written by extension clothing specialists, elaborates on these and other suggestions that will help you make a better choice.

Get a copy from your county home demonstration agent's office.

### CHOOSE ACCESSORIES WISELY

Have you ever brought home a bargain hat or bag-or shoes of a delightfully "different" color only to find that they didn't go with a thing you had? In that case, they may have been expensive accessories after all.

To get the most for your money, plan carefully before you buy-remembering the color and design of your basic dresses or suits. Accessories should accent or complement a costume, according to extension clothing specialists of Texas A&M College System. They can add spice to a simple solid color dress or suit, or supply the unifying note with a striking print dress or plaid suit.

Avoid using too many different colors in one costume. The eye jumps from one spot to another, and you lose the effect of unity. A general rule for the use of contrasting color, texture or pattern in accessories is never to repeat more than three times--generally two are smarter; for example, shoes, bag and gloves, or shoes, bag and hat, or bag and hat.

Intensity of the color is important. Don't overdo it. The most brilliant or intense the

color, the smaller the area it should cover. Unusual colors draw the eye just because they are complex in makeup. Use them with care.

Basic colors in accessories, namely black, brown or navy, are always in good taste and easy to use.

Color in shoes is a fashion to be used with caution. It calls attention to the feet and ankles. Be certain yours can stand the spotlight.

A final suggestion: Look smart but not extreme. Don't overdress. The best dressed women are often the most simply dressed.

Accessories Around The Clock, a special bulletin written by extension clothing specialists, give lots of ideas and suggestions. Get a copy from your county home demonstration agent.

### TRY DIFFERENT SEASONINGS FOR VEGETABLES

Sometimes it is the seasoning that makes a dish so good the family calls for second and third helpings. Extension foods and nutrition specialists of Texas A&M College System say a variety of seasonings will make fresh vegetables more popular--and plenty of vegetables means improved diets.

Try these simple seasonings to give those vegetables new life:

Cook a tablespoon or two of minced onion, green pepper, or parsley with snap beans or yellow squash.

Cook a few mint leaves with

### FARM BUREAU

BY RAYMOND EULER

"I am going to raise my children to know that the United States Government never has, does not now, and never will, owe them a living. According to the Bible, and the American way of life, they are supposed to earn their living 'by the sweat of their brow,' and I want to be sure they understand that."

The foregoing is a statement made by R. L. McMillan, Abilene Life Insurance man at the Farm Bureau agents meeting in Waco last week. We concur and hope that the majority of Americans still believe in this philosophy, too.

Mr. and Mrs. Herman Gerles and Mr. and Mrs. Harry Hamilton, president and legislative director respectively of your Farm Bureau, attended an appreciation dinner for Walter Rogers, congressman, in Amarillo a couple of weeks ago. We were gone when it happened, and that's why we are late in reporting it. Rogers has been helping Farm Bureau in its efforts to get a wheat program to prevent a drastic cut in acreage for the 1961 crop.

Texas Farm Bureau Research and Promotion Bureau observes that although most of the upland cotton program determinations will be made by the present secretary of agriculture, if the

Point up the flavor of cooked vegetables by seasoning with flavorful fats such as bacon drippings, butter or margarine, or salad oil to which lemon juice, horseradish or a whisper of garlic has been added. If you use bacon drippings, add bits of crisp bacon. These are especially good with greens.

new secretary is more liberal than the present one, it would be possible for him to establish a price support for the 1961 crop of cotton at far above the 70 per cent of parity floor. Let's hope . . .

We believe many people become confused between states rights and the so-called civil rights legislative measures, because of the similarity of sounds of the two terms. Farm Bureau is, and always has supported states rights, which its members believe are supposed to be guaranteed in the constitution of the United States.

Civil rights, as they are being referred to in present legislative areas, appear to be more in the interest of giving the minority groups majority power over the majority groups. Farm Bureau does not support this type of thing.
