Adjustments To Be Made In Certificates Of War Necessity

A memorandum from the USDA War Board to the local County War Board received this week contains the following information:

"With reference to Certificates of War Necessity upon which it appears an obvious error has been made in the allotments for mileage and gallons of motor fuel, and more specifically, where the amount of motor fuel granted is insufficient for the operation of the vehicle which the Certificate covers for a period of thirty days, the following procedure has been agreed upon between this office and the Office of Price Administration:

"The holder of the Certificate will present same to the local War Price and Rationing Board, stating to such Board that it is obvious an error has occurred and therefore he would like to secure a temporary transportation of motor fuel in such amount as will permit him to operate for essential purposes up to and including December 31, 1942.

"The local Board will issue a Motor Fuel Ration in the amount requested and such amount will be deducted at a later date from the total gallons of motor fuel allowed on a corrected Certificate of War Necessity.

"The local War Price and Rationing Board will direct such applicants who are operating farm vehicles to the Chairman of the County USDA War Board who is chairman of the County Farm Transportation Committee, for the purpose of making an appeal for a corrected Certificate of War Necessity. The regular O.D.T. Appeal forms will be sent to the County Farm Transportation Committees as rapidly as possible.

"This procedure, it is believed, will take care of emergency rationing of motor fuel, due to the very limited time between now and December 1."

The issuance of the temporary transport ration in such cases will allow sufficient time for the County Farm Transportation Committee to obtain the correct information from the applicant for correcting the error.

Junior Woman's Club Holds Regular Session Thursday

Mrs. W. C. Vaughan was hostess to members of the Junior Woman's Club in her home on Thursday, November 19, at 8:30.

Bouquets of red roses and bachelor buttons were used in the floral decoration.

A very interesting program was read by Margaret Kinkler. "Around the Horn to Matrimony" by Tom S. Hyland was reviewed by Mildred Pickard. "Over There", written by Beverly Smith was interestingly given by Mrs. Nell Deaton. The novel written by Hughie Call, "Golden Fleece", was reviewed by Miss Margaret Kinkler.

Thanksgiving favors were on each plate of pumpkin pie topped with whipped cream and special punch which was served by the hostess to Misses Armenta Ragsdale, Margaret Kinkler, Anna Lee Allen, Una Lee, Margaret Lattimore, Alma Eldridge, Mrs. Roy Deaton and Mrs. Conway Pickard.

The next meeting will be held Thursday, December 10, at 7:30 in the home of Mrs. Roy Deaton with Miss Margaret Kinkler as co-hostess.

MOVE TO PUMPVILLE

Mr. and Mrs. George W. Baker have moved to Pumpville where they will make their future home. Before leaving last week they stopped by and had the Times sent to them so they would be able to keep up with their friends here.

Lt. Joe Kerr, who is stationed at Pecos, visited here Monday and Tuesday with his mother, Mrs. Joe Kerr.

TELEGRAM FROM DONALD M. NELSON REQUESTS SCRAP

A telegram received Tuesday from Donald M. Nelson by the editor of The Sanderson Times states that the government is requesting that farmers and ranchmen dedicate the remaining weeks of 1942 to an intensified scrap hunt.

Mr. Nelson stated that steel mills need more heavy scrap and the farms and ranches are one of the best sources of this type of metal. He also stated that the nation is looking to the farmers and ranchmen for the scrap iron and steel needed to continue successfully our war effort.

Although Terrell County has done a wonderful job to date in meeting the demands of the government there are still undisturbed piles of scrap metals that are needed badly. As pointed out by Mr. Nelson the mills are suffering from a shortage of heavier scrap and this type of salvaged metals are what has been overlooked because of their weight and difficulty in handling. If there is a heavy piece of old machinery on your premises, an old engine, an old grader—in fact, any piece of vital metal which is of no further use to you let your salvage committee know about it. Members of this committee will see that the metal is brought in even though it has to be cut up before it can be hauled.

Don't overlook the smaller pieces of scrap iron, steel, brass, copper, etc., in the hunt but every person should go over their premises again and again to see that there is absolutely nothing remaining behind that could be made into guns and equipment for the fighting Marines, the Army and the Navy.

No special day will be set aside for intense activity, but rather, every day will be a special day for each and every person who possibly can to bring in all available scrap to his nearest salvage depot.

Mrs. Walter Grigsby Is Hostess to Tuesday Club

Mrs. Walter Grigsby was hostess to members and guests of the Tuesday Bridge Club at her home on club day this week when she entertained with four tables of bridge.

Mrs. John Reininger was winner of high score prize. Mrs. Conway Pickard won second high and Mrs. Roger Rose was awarded consolation prize.

The hostess served a salad plate and coffee to Mesdames Jack Deaton, Mary Lou Keller, Lee McCue, Austin Nance, J. S. Nance, C. P. Peavy, Hugh Rose, P. E. Dishman, James Kerr, Tol Murrah, John Reininger, R. S. Wilkinson, Roger Rose, Conway Pickard, John Harrison and D. A. Pollard of Del Rio.

Mrs. P. P. Courtney Entertains With Bridge and Rummy

Mrs. P. P. Courtney was hostess at a bridge and rummy party at her home Sunday afternoon. The rooms were attractively decorated with fall leaves, berries, and flowers.

At bridge Mrs. Orville Work was winner of high score prize and Mrs. Will Savage won second high.

At rummy Miss Maxine Brieger was winner.

The hostess served shrimp salad, olives, dates, roasted pecan halves with cheese filling, black bottom pie, tea and coffee to the following:

Misses Una Lee, Lillian Wiemers, Margaret Lattimore. Imogene Knight, Marion Brieger and Mesdames Gus Prickett, Orville Work, Will Savage, Tom Holley, Bill Tisdale, C. G. Bradford and Paul Collins.

Lynn Harrell and Bobby Wilkinson were visitors in Fort Stockton Friday.

Tuberculosis Is On Increase Warns President Roosevelt

A warning that tuberculosis is increasing alarmingly in warring countries was sounded Tuesday by President Roosevelt in endorsing the 36th annual Christmas Seal Campaign of the National, State and Local Tuberculosis Associations, which started Monday.

President Roosevelt said that it will take the greatest effort possible on the part of the people to hold the disease in check in this country. In endorsing the Christmas Seal Campaign, President Roosevelt said:

"The unholy alliance between war and disease is particularly powerful in the case of tuberculosis. Tuberculosis has increased in every past war. The disease is increasing alarmingly in many warring European and Asiatic countries.

"In the United States tuberculosis is now at the lowest rate in our history. But, to hold the disease in check during wartime will demand the greatest effort possible on the part of the people, the medical profession, the tuberculosis associations and the official health departments. Cooperation of all people in the fight against tuberculosis is imperative.

"The tuberculosis associations are well under way in their intensified and expanded wartime campaign. I have full confidence that the American people will generously add the purchase of Christmas Seals, the main support of the National Tuberculosis Association and its seventeen hundred affiliated associations, to their many other wartime activities."

SUGAR LOST IN PACKAGING MAY BE REPLACED

According to information received by Terrell County War Price and Rationing Board, retailers and wholesalers may obtain certificates in weight value equal to the amount of sugar lost by them in packaging. A registering unit may obtain these certificates provided that the weight value of such certificates shall not exceed one percent of the amount of sugar packaged.

Application for such certificates must be made by the registering unit for each six-month period ending October 31 or April 30, and OPA form No. R-135 must be used in filing the application.

VICTORY BAND CONCERT BOOSTS STAMP, BOND SALES

The first of a series of eight Victory Band Concerts being put on by the Sanderson High School Band in an endeavor to boost the sale of War Savings Stamps and Bonds was very successful.

The band, under the direction of Miss Marion Brieger, played a number of marches and other tunes, and the names of Terrell County men in each of the different branches of the service were read by W. T. Frazier and a number was then played and dedicated to these men by the band. The audience joined in singing the official Victory Concert songs.

The total sales for the performance amounted to \$1,862.35, with \$623.35 being purchased in stamps and the balance in bonds. Those purchasing bonds were:

W. T. Frazier, \$1,000 bond; Mrs. Lillie B. Shelton, \$500 bond; O. H. McAdams, a \$50 bond; Mrs. O. H. McAdams, \$50 bond; and each of the following purchasing \$25 bonds: W. T. Frazier Jr., Maurine Frazier, Mary Agnes Frazier, Joe Mussey, James Kerr, Bernard A. Kerr, Mrs. S. J. Lovell and W. E. Grigsby.

SAFETY AWARDS GIVEN FOR GOOD DRIVING RECORDS

E. W. Beauchamp, division manager for the Western Division of the Community Public Service Company, was present for the monthly safety meeting held Friday, November 13, in the local office of the company, at which time National Safety Council Awards were presented James Caroline and Orville Work.

Mr. Caroline, local manager, was presented the award for 11 years of driving without accident, with a total of 166,835 miles; and Mr. Work had a record of one year, with a total of 11,042 miles without accident.

LEAVE FOR ARMY SERVICE

Among those leaving Tuesday night for service in the Army after a short furlough following their induction were Lee Roy Peoples, Didido Bustos Barrera, Gabriel Ribra Falcon Jr., Roman Marquez Gonzales, Augustine B. Torres, Alberto Gonzales Calzada, and Jose Garza Garcia.

Mr. and Mrs. J. B. Pruett of Marfa spent last week-end here visiting with Mr. and Mrs. C. P. Peavy and family.

Christmas Mail Must Be Early for Prompt Delivery This Year

The bulk of Christmas mail must be in the post offices by December 1 or shortly thereafter this year if deliveries on time are to be assured, according to information from the Post Office Department.

Unprecedented wartime demands on the postal and transportation systems, plus a prospective record volume of Christmas mailings, were cited as necessitating earlier mailings than ever before. It was pointed out that it is physically impossible for the railroads and air lines burdened with vitally important war materials, to handle Christmas mailings as rapidly as in normal times, and if the bulk of parcels and greeting cards are held back until the usual time—the period of about December 15 to 23—they simply cannot be distributed in time, and thousands of gifts will reach their destinations after Christmas.

FIRST RED CROSS HOME NURSING CLASSES COMPLETED

Two courses of classes have been completed under the direction of Miss Irene Thompson, American Red Cross nurse, and another class is being arranged according to announcement this week.

One class was completed at Sanderson and one at Dryden, with eight in the Sanderson group and twelve completing the classes conducted at Dryden. Those completing the Sanderson classes were Mrs. Lloyd Ford, Mrs. S. J. Lovell, Miss Nina Barger, Mrs. Bertha Clark Lassiter, Miss Armenta Ragsdale, Miss Margaret Kinkler, Miss Anna Lee Allen, and Miss Doris Fabian.

Those completing the classes conducted at Dryden were Mesdames Dave Ogle, Bob Phillips, Glenna Mae Ross, Roy Mason, Claude Smith, Milton Smith, O. L. Donagan, Frazier, Stuart Henderson, Ed Martin, B. R. Farley and May Hill.

Mrs. A. F. Buchanan organized the class at Dryden.

The Home Nursing classes are being conducted under the direction of the American Red Cross and are for the purpose of aiding in caring for the community sick to alleviate the demands being placed on community doctors because of the shortage as result of the war. All ladies of the community are urged to take advantage of this opportunity to better qualify themselves for helping in case of an epidemic of some disease, and to help care for members of their own families. Persons interested may contact Mrs. John L. Newton or Miss Irene Thompson for signing to take the course. This must be done immediately, however, as the classes must be completed by December 18.

Auxiliary Meets In Home of Mrs. R. S. Wilkinson

The Presbyterian Auxiliary met in the home of Mrs. R. S. Wilkinson Monday afternoon with Mrs. R. E. Corder as co-hostess.

The meeting was called to order by singing a song, "Jesus Calls Us," followed by a prayer led by the president. After the officers reports, Mrs. John Byrd was in charge of the program on "The Ever-Present Task of Evangelism". The leader gave a very interesting discussion on the subject giving some of her own experiences. Mrs. C. L. Sims led the devotional on "Love Is God's Way for Man".

The hostess served tea and cookies to Mesdames J. W. McKee, C. L. Sims, Elton Secret, Bruce Kaufman, W. H. Savage, John W. Byrd, and John F. Nichols.

RATIONED COFFEE AVAILABLE SUNDAY, WITH RATION STAMP

Housewives have been unable to purchase coffee, but starting Sunday, November 29, coffee purchases may begin again by surrendering one stamp from War Ration Book No. 1—the book they have been using for sugar purchases during this year.

Retail coffee sales have been frozen during this one week for the purpose of enabling storekeepers to stock their shelves for the beginning of the ration sales.

Those persons who do not have War Ration Book No. 1 or who have lost it should apply immediately to the local War Price and Rationing Board.

Another important point to bear in mind is that only those whose ration books show them to be over 15 years may purchase a pound of coffee for each of these coffee stamps. Persons who have attained the age of 15 years since the ration book was issued are not eligible to purchase coffee. The reason for this age limitation is to allow larger coffee rations for grown-ups.

The first ration will be for five weeks from November 29 through January 3, 1943.

Consumers who have stocked up on coffee will have to count all above one pound they have on hand November 28 as a part of their ration. When the consumer applies for War Ration Book No. 2 sometime around the first of the year he will be required to declare the amount of coffee he had on hand at the start of rationing and stamps will be removed from his book to cover any excess supply. This means that the consumer will be unable to continue coffee purchases until he has used up his stock on hand at the rationed rate.

It was explained that coffee stamps in the ration books of children under 15 years of age must be left in their books and will be surrendered when War Ration Book No. 2 is issued.

For the benefit of those who live in remote localities or where transportation facilities make the buying of supplies in small quantities a hardship, a consumer may apply to his Ration Board for a certificate to buy as much as five pounds of coffee at a time, but in such instances, of course, a sufficient number of stamps will be removed by the Board to cover such advanced rations.

Mrs. S. J. Lovell Entertains Home Nursing Class

Mrs. S. J. Lovell entertained the members of the Home Nursing Class at her home on Tuesday evening. After the last lesson of the course and a test on the text, there was an hour of visiting and conversation. Refreshments consisted of sandwiches, pumpkin pie, mints and hot chocolate.

Those present besides Mrs. Lovell and her sister, Miss Nina Barger, were Miss Irene Thompson, Red Cross Nurse instructing the classes, Mrs. Estelle Penry, field representative of the American Red Cross, Mrs. Bertha Clark Lassiter, Miss Armenta Ragsdale, Miss Margaret Kinkler, Miss Anna Lee Allen, and Miss Doris Fabian.

The class agreed that the course had been most enjoyable and in a body they recommend it to the women of the community.

NOTICE KNITTERS

A new supply of yarn has been received by the local chapter of the American Red Cross and those interested in helping with this work are advised to please contact Mrs. C. P. Peavy.

Mrs. J. S. Lovell left Wednesday for San Angelo and Robert Lee for several days visit with her parents, Mr. and Mrs. C. M. Barger.

Over the Top by New Year's Is the Plea of Secretary Morgenthau

November 13, 1942

As of today twenty-one million American workers are investing eight per cent of their salary—every pay day—in United States War Savings Bonds. This is a very remarkable tribute to our armed forces who are fighting this war. But this job is only two-thirds accomplished.

There are nine million additional American workers who are not investing in War Bonds every pay day.

This appeal is directed to two groups of Americans:

First—the twenty-one million people who are investing eight per cent of their wages. We ask them to increase their investment to ten per cent or more.

Second—the other nine million whom we ask to join the Payroll Savings Plan and to invest ten per cent or more of their earnings.

It is our earnest hope here at the Treasury Department that by New Year's Day thirty million Americans will be investing ten per cent or more of their wages in War Bonds through the Payroll Savings Plan.

TRAINED LEADERSHIP

What is done by our government right now with our boys and girls of teen age is going to have more effect on our future than most of us realize.

It is predicted that we face a long war, say four years, and then at least as many more to get settled down in our new position of world responsibility. In the war period, we will either be wise of foolish in what we offer to our grown-up children.

This is a war of new weapons based on science, on physics, chemistry, engineering, mathematics, etc. To build machines and research workers, and to operate them requires tens of thousands of highly skilled and trained men. We can only discover and train those who can do this job through using our schools, colleges and universities to sift out those who have the willingness, aptitudes and brains to do these jobs well.

The Germans and the Japanese are very terrible opponents because they have selected and trained many thousands of their youth in every field related to war and are still doing so. Great Britain learned in the last war that they must not let those who should be trained in laboratories or libraries be wasted. In every million babies born, it is said there is but one great physicist, and yet this war is going to be won by applying physics to the procedures of war.

A country like ours can succeed only if it follows trained leaders. We have the experience and the place to train them in every state. Certainly with military policy on a basis that recognizes education also, we can sort out and train our boys and girls for the fateful jobs they must meet.

Not only must we retain and train selected students, but we must give them national recognition by uniform or insignia so that they will not be tempted to join the armed services too soon. It will be stupid to misuse a

whole generation of our boys and girls through failure to prepare them wisely. It is easy to get hysterical, to forget the future in the haste of the moment. Have we not the right to ask of our Congress that whatever compulsory measures are passed to use our teen-age boys and girls, that shall be on a controlled manpower basis that will recognize the imperative necessity of giving them a chance to prove their qualifications for training for special and needed tasks.

Any program which fails to provide for a study of their individual possibilities for advanced training would be a ghastly stupidity.

It Happened in Sanderson TEN YEARS AGO

This week—Remember?

November 25, 1922

Fire of undetermined origin destroyed the Tom Parsons residence in this city late Sunday afternoon. Much headway had been made by the fire when it was discovered by Mrs. Roberts who lives two doors east of the place and who spread the alarm.

Mrs. Earl Stirman, daughter of Mr. and Mrs. Parsons, who occupied one of the apartments, lost practically all of her furniture and clothing. Mr. and Mrs. Ted Attaway, who have another apartment there, did not lose anything.

Mr. and Mrs. Rufe Stirman and little nephew, Noel Smith, left last Saturday morning for Temple where Mrs. Stirman will go through the clinic.

Mrs. B. F. Dawson has been confined to her bed with an attack of flu for the past week.

Mrs. Helen Downie and sons accompanied by her mother, Mrs. Walter Gregory, arrived Monday from their home in San Antonio

to spend the Thanksgiving holidays at the Downie Ranch.

Some time during the night last Friday the ranch home of Russel Menzies, located about 15 miles north of here, was destroyed by fire. Mr. Menzies has under lease the "41" ranch that is now owned by Alex Mitchell, but was formerly owned by the Big Canyon Ranch Company.

Monahans News—OPA Rent Director Angus Munro will be in Monahans during office hours Tuesday and Wednesday of next week, for the purpose of registering houses. Hotels and rooming houses will be registered at a later date. All persons owning dwelling houses that are rented, or are for rent, as well as all who rent out rooms in their dwellings, are requested to contact Mr. Munro on one of these days.

Asherton Tribune—At a meeting of the Asherton School Board Wednesday night, it was voted to close the Asherton schools for an extra week in addition to the regular Thanksgiving holidays, in order to give the students an opportunity to work in the fields and give the farmers needed assistance at this time as the labor situation is very bad.

Brackett News-Mail—For the purpose of having a better regulation of Brackettville's downtown traffic and relieve traffic congestion, the City the past week had parking lines painted on Spring, Ann and North Sts. in the business district.

Uvalde Leader-News—The "standing room only" sign might well be hung out in Uvalde this week as this city faces its most critical housing shortage in its history and adding to the woes of chamber of commerce and other officials who are endeavoring to assist in finding places for newcomers to the city is the fact that a large force of workmen will move in on Uvalde late this week for a two-months stay.

Alpine Avalanche—A total of approximately 60,000 head of livestock has been moved out of the Alpine area since the Fall shipments started around the first of September, it was learned from a check made this week.

Shipments included those billed through the two Alpine railroad offices and covered loadings at Alpine and at points on the Santa Fe between Alpine and Presidio.

Included in the shipments were approximately 32,000 head of sheep and goats and around

STAR, STORY COMBINE TO MAKE BIG ENTERTAINMENT

"The Big Shot", new film which shows at the Princess Friday and Saturday, Dec. 4-5, has a story and star combination that makes for sure-fire screen entertainment. It has an action packed story which stars Humphrey Bogart as a one-time big shot gangster who is caught between two fires. He can't go straight because no honest person wants to bother with a guy who has been up the river three times. And he can't get into any more trouble because the next time it's life!

Hounded by his past, taunted by fellow gangsters as a has-

been, Bogart is driven to distraction. Finally (after all, a guy has to do something to make some dough) he consents to act as the "brains" for an armored car stickup. And anyhow the boys convince him that nothing could go wrong because one of the underworld's cleverest mouthpieces (a role played by Stanley Ridges) was backing them. But plenty could go wrong, especially if the lawyer's wife happened to be your former sweetheart before you did the third stretch.

Fort Stockton Pioneer—Deposits in the Pecos County State Bank stand at more than two million dollars for the first time in the history of the institution, and loans are being rapidly reduced as people of the Fort Stockton area enjoy the returns of a bountiful harvest and the heavy sale of livestock, coupled with large tax collections and the stimulation of business caused by the Pacific Air School, Ltd. operations.

Uvalde Leader-News—More than 3,000,000 pounds of scrap metal was collected in Uvalde County during recent campaigns to gather the vitally-needed materials and while it has been rolling to mills to be made into planes, guns, tanks, ships and munitions of war, schools and other organizations have reaped good profits from the collection campaign, a report this week indicated.

"Sure was...and Herb was dead wrong. The alcoholic beverage industry does account for more taxes than any other industry. I checked the figures in my office this morning. Why the figure on alcoholic beverages is pretty close to a billion and a half dollars a year. Lucky thing we haven't got

prohibition or the government would have to make up the money some other way. And there's only one answer to that—more taxes. You know what that would add up to?... about \$25 more taxes a year for every man and woman in the country. In other words you and Sue would have to pay about \$50 more in some form of tax. I guess about the only ones who'd come out ahead on that deal would be the bootleggers and gangsters."

MAKING THE MOST OF YOUR LIGHTING

(No. 3 of a Series)

Eliminate Colored Bulbs

Amber-orange and flament bulbs in round or flame shape give a mellow, amber lighting effect, but there is a considerable loss in light to obtain it. Replace them with inside-frosted lamps of the same wattage and you'll get a lot more light from the same amount of current. It's a good idea, too, to see that bulbs are equipped with shades to prevent glare and to direct light where it is needed. We'll gladly help you in any way we can to make the most of your lighting.

BOOK WEEK TEA IS WELL ATTENDED

Last Wednesday afternoon from four to five, a Book Week tea was held in Sanderson High School Library to celebrate Book Week.

Posters, exhibits, projects, and hobbies of students in both the high school and the ward school were on display.

Wishing to tie the Book Week tea in with the war effort, a request was made for books for the soldiers. A number of books were turned in that afternoon, while many, who had books, signed their names so the Girl Scouts might call for the books.

The eighth grade girls prepared and served punch, tea and cake. Mary Nell Gates, who was dressed as Alice in Wonderland, and Sharon Dycus served the tea. Jeanette Cobb, who was dressed as Scarlet O'Hara, and Joan Anderson served the punch. Others dressed as book characters, who served as hosts, and hostesses, were Billy Carter as Long John Silver, Junior Bowden as Cowboy Hugh, Mary Agnes Frazier as Anne of Green Gables, Ora Mae Blackwelder as Jo in "Little Women", Carrie Marie Turner as Little Red Riding Hood, and Yvonne Oberling as Elaine.

About 150 people called during the hour.

Winner of the first place is "Praise the Lord and Pass the Ammunition." The top winner of last week comes second this week, "White Christmas." For third place, the students of Sanderson high school have chosen "When the Lights Go On Again All Over the World."

SNOOPER

HEARS NOTHING
SEES NOTHING
TELLS ALL

My, what a cute couple we saw Saturday afternoon. Doris Lee and David Duke.

Why was Billie Babb wishing church was over? The answer could be Johnny Bell.

Ann Bell is wondering when her baby's coming home.

Latest reports are that Janice and Jerry are still going strong.

Snooper also saw one of Marathons' volleyball girls giving W. T. some "awfully" sweet looks.

AROUND THE CORNER

Well, as I was laying underneath the shady tree by the babbling brook (are you kiddin'?). I heard some rough noises which aroused my very peaceful slumber. Little Butch rattling around with Jim on his tail. "Ah well, such is life," said W. T. "when he decided to slow down too."

I was listening in on a conversation between two seniors. From the looks—or should I say sounds—of things, they were very glad to see each other after a period of approximately eleven days.

Miss Kinkler's tea was a great success. The library really looked swell with all the book decorations. A ha—you kids didn't know that such literary things as books could really be so charming.

How that little pug-nosed blonde does it. I don't know. Maybe 'cause she is always her own natural self. For more information see Jay Tom or Ellridge. I couldn't get another word out of them.

Boys, really a poor excuse is better than none, but going deer hunting is about the poorest I've heard. Curtis says it's easy when you pretend each one is a rival and "bang"—he is no more.

Were those shouts of joy Dan was emitting when he heard Joan Holley was coming home for a number of days Christmas? No doubt.

For goodness sake, Clyde, you look like a love sick senior when you cast those peepers on delightful Wilma Jean Northcut.

Well, "bust my britches", if that vivacious lady of the laughing eyes isn't laid up in bed minus her tonsils. There's one consolation. You poor kids in typing and bookkeeping will no longer have to look at them when her — a — er — ahem — "temper" is discharged.

I guess it's time all peaceful people were in bed so—"so long".

TOO MANY "HELPERS"

HOMEMAKING

Canned Food Situation as of November 1942.

Fruits, vegetables, juices, meats and evaporated milk are still being canned.

The small cans are eliminated: vegetables and fruits come in No. 2 and No. 2½ sizes; fruits and vegetable juices in No. 2 and 47 oz. sizes; salmon, milk and meat in the usual size cans.

The reasons for shortages on our grocers' shelves are:

Uncle Sam gets a large percent for our armed forces and our allies.

There is a shortage of labor to harvest and pack foods.

Transportation is difficult.

The Homemaking I class club met on November 13 at the regular class period. Billie Jean Whitson was elected chairman of the program committee. Helen Holmes, the president, has withdrawn from school. Mary Alice Allen is now president and Doris McSparran was elected vice-president. A picnic was planned for Tuesday afternoon.

cookies, and drinks were furnished by the boys.

Games such as "Coming Through", "Leap Frog" and "Wolf Across the River" were enjoyed by all.

After the picnic the girls and boys went up to Clara Alice Bell's house to dance.

Margaret: I refused Bill two months ago and he's been drinking ever since.

Betty: I say, that's carrying the celebration too far.

Texas Sheep, Goat Raisers to Hold Annual Convention

Directors, members and guests of the Texas Sheep & Goat Raisers Association will meet for their 27th annual convention in San Antonio, December 3, 4 and 5. Governor Coke R. Stevenson will open the speakers program at 2:00 p. m. December 4.

Association officers urge everyone to make a special effort to come by either bus, train or car. Numerous important matters have arisen this year which are of vital interest to every ranchman. These and future problems will be discussed at the meeting. The TS&GRA has played an important part nationally in regard to wool and mohair markets, freight rates, and many other wartime problems affecting the sheep and goat industry. An interesting program has been arranged for the entire convention.

FIRE SUNDAY NIGHT DESTROYS GARAGE, QUARTERS

Fire of unknown origin destroyed the double garage and servants quarters at the home of Alfred E. Creigh Jr. Sunday morning at 1:30 o'clock. The property is owned by Mrs. Helen Downie.

The fire was discovered by B. D. Roberts who had the alarm called in from the McKnight Motor Co. The entire structure had practically been destroyed before the fire was brought under control by the Volunteer Fire Department because the building was of frame and was old and dry, burning rapidly. A small one room, used as a kitchen for the servants quarters, was pushed aside and saved from burning.

Mr. Creigh was out of town, visiting in Del Rio, at the time and only learned of the fire on his return.

Mr. and Mrs. W. H. Goldwire, formerly of Sanderson, are the parents of a baby daughter, Virginia June, born November 5, in San Diego, Calif.

Sam Bell Jr. and Jim Wilkinson are here for the Thanksgiving with their parents, Mr. and Mrs. Sam Bell and Judge and R. S. Wilkinson.

To Aid In Securing Family Allowance For Servicemen

American Red Cross Field Directors at Army posts and local chapters will assist soldiers and their dependents to prepare the official application from under the servicemen's dependents allowance act signed by the President June 23, 1942, it has been announced.

Chapter Home Service workers and Field Directors are being supplied by the War Department with the official forms and a booklet explaining provisions of the law. Mrs. Tol Murrain is Home Service chairman of the Sanderson chapter of the Red Cross.

Application for a family allowance should be made by the soldier in every case where practicable. In certain instances, however, the application may be made by relatives or dependents.

Soldiers on duty overseas may obtain application forms from their commanding officers. Relatives or dependents may obtain application forms from the nearest army installation or their local Red Cross chapter.

If the application is made by a person other than the Serviceman, documentary evidence must accompany the application. On the other hand, if the soldier himself makes the application he is allowed six months in which to furnish documentary proof to the War Department.

Field Directors will assist soldiers, and chapters will aid dependents in furnishing this evidence. Pending the grant of allowances to dependents of servicemen, Red Cross chapters in nearly 4,000 communities are prepared to aid families who might otherwise suffer hardship because of the soldiers' military service.

"I was Lucky!"

Lucky because I just stopped one in the leg. But Smith and Weinberg and Farley... they're dead. Dead because we didn't have one more grenade to throw!

That's an American soldier speaking. Speaking your language.

He's asking for more guns to fight with. More tanks, more planes, more grenades to crack down on the enemy with.

Well, let's give them to him!

Let's loan 10% of our pay to the Government. Let's put it in War Bonds. Let's loan Uncle Sam the money to make more tools of war.

It's a loan because the money you put into War Bonds now comes back to you in ten

years with a healthy bonus of good cash. For every \$3 you lay aside for War Bonds, you pay back \$4!

So put at least 10%—not 6%, or 7%—but 10% of your pay to work killing Hitler and Nazis—and making money for you the same time! Sign up in the Payroll Savings Plan today!

WHAT YOU SHOULD DO!

- 1. If you are... Already setting aside 10% of your pay in War Bonds through the Payroll Savings Plan—that 10% if you can.
- 2. Working in a plant where the Plan is installed but haven't signed up yet—sign up tomorrow!
- 3. Working in a plant where the Payroll Savings Plan hasn't been installed, talk to your foreman, head, foreman, or plant manager—and see that it can't be installed right away. The local bank will be glad to help.
- 4. Unable to get in on the Payroll Savings Plan for any reason, go to your local bank. They will be glad to help you start a Plan of your own.
