N times like these, friendliness and neighborliness take on a new and deeper meaning. We are all drawn closer together and we realize anew that cordial and mutually helpful relations with our fellow men have a value far above material things.

It is with this thought in mind that we extend our thanks to you, not only for your patronage, but for the friendship and courtesy you have shown us. We have enjoyed the privilege of serving you and we hope we have done it well.

Our warmest best wishes go out to you and yours this Christmas season and in our heres is the hope we know finds an echo in yours-that 1943 will be the year of final victory and that "Peace on Earth, Good Will Toward Men" will again be restored to the world.
