Character is what

Character is what a man does when no one is looking. It is the sum of all his habits, the result of all his choices. It is the quality that makes a man a man, and it is the quality that makes a man a leader. It is the quality that makes a man a hero, and it is the quality that makes a man a saint. It is the quality that makes a man a man of God, and it is the quality that makes a man a man of the world.

Men Leave for Induction

Terrell County men who left the first of the week for the induction center at El Paso were: David Allen, in charge, Enarnacion Uvalles, Arselmo Ochoa, Jose Lopez Rodriguez, Isidro Rodriguez Bells, Trinidad Martinez Rubio, Jesus Ballejo Trevino, Agapito Gutierrez Lopez, Jose Angel Flores Jr., Selso Terrones Perez, Santiago Adams Flores, and David Martinez Villareal who was transferred to Terrell County from Eddy County, N. M.

Terrell County Residents Purchase \$150,989.20 Bonds

Terrell County residents met a request from Uncle Sam by piling up purchases of \$150,989.20 worth of bonds during the past year according to information released by Judge R. S. Wilkinson, county chairman. Although the quotas as they were received each month were not available the figure went well over the total of quotas set for the entire year. Banner month was May with purchases totaling \$21,084.50 and bond purchases reached their lowest ebb during the month of March with a total of \$3,326.90. The low figure was responsible probably in part to the fact that income tax returns must be made by the 15th of March.

Friday Club Meets With Mrs. C. F. Pickard

Mrs. Conway F. Pickard was hostess to members and guests of the Friday Bridge Club in her home on January 8 at 3 o'clock. The guest prize was won by Mrs. John Reilinger. Mrs. S. H. Underwood was winner of high score prize, and Mrs. Percy Gray was winner of second high.

PROMOTED

Word from Brooks Field, Public Relations Office, tells of the promotion of C. E. Keene from the rank of private to corporal. He is a brother of Mrs. George Turner and was formerly employed as mechanic with the McKnight Motor Company.

MOISTURE BROUGHT BY SNOW FALL OVER SECTION FRI.

What was said to have been the wettest snow that has fallen in this section of the state fell during the day Friday of last week. It melted almost as fast as it fell although indications were that an abundance of moisture went into the ground which will aid greatly the condition of the range. The snow fell from a few miles east of town and westward all the way to El Paso according to reports. Light to heavy showers fell in some parts of the county which failed to receive snow, although no heavy rainfall was reported. Additional showers fell Tuesday afternoon.

MOTHER OF LOCAL RESIDENT DIES SUDDENLY MON.

Mrs. A. J. Eldridge, 70, mother of Miss Alma Eldridge who is employed with the Sanderson State Bank here, died suddenly Monday morning at her home at Floyd. Miss Eldridge left last week for a visit with her mother and other relatives and was prepared to leave Monday morning on her return trip to Sanderson. Her mother became ill about 11 o'clock that night and succumbed at 2:10 a. m. Funeral services were held at Floyd Monday afternoon and interment was in a Greenville cemetery.

PROJECTS TO COST MORE THAN \$1,000 MUST BE APPROVED

Ranchmen who are participating in the AAA program for the year of 1943 and who wish to erect construction costing more than \$1,000 must fill out Form PD200, "Application for construction of project", and it must be approved by the County War Board, the State War Board, and then must go to Washington for approval or the land owner will not receive pay for the work done. This order applies to all construction using critical material including pipe. The application must be signed by the land owner or lessee. The \$1,000 figure includes the cost of both materials and labor.

QUESTION BOX TO AID WITH RATION PROBLEMS

So that people of Terrell County may become better acquainted with rationing and so that all may profit from questions propounded by individuals it has been suggested that a Question Box be published each week in the Times. Persons who have questions they wish answered concerning the rationing of gasoline tires, foodstuffs, or other items as they are added to the list, may leave them with Miss Pauline Bell at the ration board office at the courthouse or they may leave them at the Times office. If more convenient they may be dropped in the postoffice. All questions will be considered and answered by the board at their regular meeting and both the questions and answers published. The names of the persons asking the questions will not be published.

THEATRES TO SPONSOR UNITED NATIONS WEEK JANUARY 14-20

Starting Thursday, January 14th, sixteen thousand theatres in the United States will inaugurate a country-wide celebration of United Nations Week. This celebration is being sponsored by the War Activities Committee, Motion Picture Industry, Theatres Division. Manager Carlton White of the Princess theatre, acting as a unit of the War Activities Committee in the Southwest, announced that local citizens will have the opportunity to contribute towards the cause of United Nations Week, through collections which will be made in the Princess Theatre during the week. By contributing to this movement elimination will be made of individual drives for relief funds for each nation in the group. In other words, a contribution to United Nations Week will benefit all nations included. The motion picture theatres of America already have a good record of accomplishment in the effort on the home front. They have done a stand-out job in the War Bond Drives, in the Salvage Campaign and in the showing of films to publicize important government information and to unite us as a great and powerful nation at war. Realizing that unity—the kind of unity that does not sag at the sly whisperings of Quislings and defeatists and that does not falter when the news on the fighting front grows grim—is one of the most vital elements in the Alliance of the United Nations, the theatres now urge participation in a week of activities to commemorate an event which will inevitably shape the Peace to come in the post-war world.

UNDERGOES OPERATION

Jerry Monroe, little son of Mr. and Mrs. Ferd Monroe, underwent an operation for the removal of his tonsils Monday at an Iran hospital.

JOE D. NICHOLS QUALIFIES FOR DRAFT BOARD

Alfred E. Creigh Jr., who tendered his resignation as a member of the Terrell County Selective Service Board last November was replaced by Joe D. Nichols when he was qualified last week by Washington officials and met with the board Friday. Mr. Creigh has served with the board since it was first set up and is the first member to resign his place. At present he is in West Virginia for a visit with relatives.

Latin-American P.-T. A. Meets Mon.; School Is Named

The regular meeting of the Latin-American Parent Teacher Association was held Monday January 11th, in the Seventh Grade Room. President Pablo Ochoa called the meeting to order at 8 o'clock. The Second Grade, under the direction of Miss Armenta Ragsdale, entertained the audience with the singing of five songs: "Playmates," "The Shoemaker," "What Shall We Do?," "Ten Little Indians," and "Happy New Year." President Ochoa gave a talk on "The Advantages of an Education." In the discourse he told the parents to send their children to school regularly in order to get the most from their schooling. Enlarging upon this discussion, Supt. Holley urged the parents to encourage their children to secure secondary education. He emphasized the point that the schools are for all, to enable the children to become better citizens of tomorrow. LAMAR WARD SCHOOL

Hopson Funeral Is Held Sunday

One of the largest gatherings in Alpine in recent years assembled at the Baptist church last Sunday afternoon at two o'clock to pay final tribute to Lieut. Merritt M. Hopson, son of Mr. and Mrs. M. L. Hopson of this city, who was killed in a plane crash at the Columbia, S. C. air base on Tuesday of last week. Rev. R. L. Wittner, pastor of the church, of which Lieut. Hopson had been a member for several years, officiated at the funeral services, assisted by Lieut. Albert C. Monkman, chaplain at the advanced flying school. Military services at the cemetery were in charge of Lieut. Monkman. A firing squad, composed of members of Co. A and Headquarters detachment, Texas Defense Guard here, commanded by Capt. M. A. Webb fired volleys at the close of the service.

Time Limit For Coffee Transfers Is Extended

Word has been received by the local rationing board that the last day for making transfers of roasted coffee on purchase warrants has been changed from December 26 to January 25. In order to facilitate such transfers during the extended period, the date when quota restrictions on transfers of roasted coffee by roasters was changed from January 1 to February 1. These changes will give roasters more time to satisfy the heavy demands made upon them by retailers and wholesalers for transfer of roasted coffee against Purchase Warrants. Wholesalers will also have more time to make transfers to retailers.

W. Texas Coyotes Driven Into Traps By Bombardiers

(From The Star-Telegram) Big Spring—Add the West Texas coyote to the list of wartime casualties. Last Autumn Earl Brownrigg, Howard County trapper, just about had the coyote situation in hand in the northern part of the county. Then trappers from the Big Spring AAF Bombardier School began to swoop over Northern Howard and into the break country of Southern Borden County. Since then there has been a steady rain of practice bombs from bombardier cadets. It was more than the coyotes could stand so they migrated southward and Brownrigg was waiting. In the last six weeks he has trapped 26 of them, 25 per cent as many as he caught over all the county in the previous year.

Special Agent to Interview FBI Applicants Jan. 28

M. W. Acers, Special Agent in Charge, Federal Bureau of Investigation, San Antonio, Texas, announced today that Special Agent George W. Carlson of the FBI will be in Del Rio on January 28, 1943, in Room 311 U. S. Post Office Building, to interview applicants for clerical positions in Washington, D. C. All applicants should report to the above address between the hours of 9 A. M. and 5 P. M. on the date mentioned above for interview. In order that the applications might be given expeditious attention the applicant should bring a small three inch by four inch photograph. The FBI has urgent need for women employees for assignment in Washington, D. C. It is not necessary that they possess either stenographic or typing ability, however, they must be high school graduates.

MOVE TO SANDERSON

Mr. and Mrs. H. H. Sutton and two children moved here last week to make their home. He is employed with the Community Public Service Co. as service man and replaces Orville Work who went to Farmersville as manager. They formerly lived at Cooper.

Deadline Day Looms For Additional Miles For Texas Farmers

Texas farmers were warned by the state USDA War Board this week that only a few days remain in which appeals for more mileage can be made. Temporary transport rations to keep farm trucks moving cannot be issued after January 31, the Board said and pointed out that all appeals should be presented to district ODT offices by January 20 in order for local war price and rationing boards to issue gasoline coupons before the January 31 deadline. Appeals for more mileage are made to local county farm transportation committees and then presented to ODT for consideration. County farm transportation committees already have been supplied with sufficient appeal forms to handle county mileage problems, the Board said.

D. L. Duke Resigns As County, District Clerk; Goode Named

At a meeting of the commissioners court Monday morning the resignation of D. L. Duke as county and district clerk for Terrell County was accepted and M. H. Goode Jr. was appointed by the court to fill the unexpired term. Nine applications were received for the place. Mr. Duke has served the people of Terrell County in that capacity for the past eight years and was elected for another term in the last election without opposition. His resignation was offered effective February first at which time Mr. Goode will assume the duties of the office. Mr. Duke has resumed his duties as conductor with the T. & N. O.

Parent-Teacher Association In Regular Session

The Parent-Teacher Association met in regular session in the high school auditorium on Thursday, January 7, at 4:15 P. M. Mrs. C. P. Peavy, president, called the meeting to order and Rev. W. E. Davis, Pastor of the Baptist Church, gave the invocation, after which the audience gave the salute to the flag. Mrs. B. F. Anderson was program leader. The high school choral club, under the direction of Miss Marion Brieger, sang four numbers, "Army Air Corps," "Giannina Mia," "Ah! Sweet Mystery of Life," and "Auld Lang Syne."

Tuesday Club Entertained by Mrs. Lee McCue

Mrs. Lee McCue was hostess to three tables of bridge when she entertained members and guests of the Tuesday Bridge Club at her ranch home on club day this week. High score prize went to Mrs. Walter Grigsby, second high to Mrs. J. S. Nance and consolation to Mrs. S. H. Underwood. A shrimp salad course and coffee were served to Mesdames Tol Murrah, D. M. Wells, John Harrison, Austin Nance, Bustin Canon, Mary Lou Keller, J. S. Nance, Walter Grigsby, S. H. Underwood, C. P. Peavy, Jack Deaton and Conway Pickard.

RELEASE NEW CARS; TIRE INSPECTION DEADLINE EXTENDED

The Office of War Information has notified rationing boards that rationing regulations have been liberalized to permit persons in any gainful occupation or in work contributing to the war effort or public welfare to buy certain new passenger cars for which there has been a limited demand under the rationing program. Persons qualifying will be eligible for a purchase certificate from the local board and will be entitled to buy new 1942 cars with a list price of \$2500 or more; or new 1941 models that have gone less than 1,000 miles. These changes, which became effective January 5, were made after Army, Navy, defense plants and others had indicated that they were not suited to their needs. The deadline for initial tire inspection of tires mounted on commercial motor vehicles has been extended from January 15 to February 15, after which no local board may issue a certificate for tires, tubes, or recapping services if the vehicle has not been duly inspected and approved by an authorized inspector every sixty days or every 5,000 miles, whichever comes first. It was also pointed out that the sale of used tires is not prohibited. Persons holding certificates may purchase either a used or recapped tire or a tire manufactured principally from reclaimed rubber as specified by the War Production Board.

You Women Who Suffer From HOT FLASHES then CHILLY FEELINGS

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, dizzy, nervous feelings, distress of "irregularities", are blue at times—due to the functional middle age period in a woman's life—try taking Lydia E. Pinkham's Vegetable Compound at once. It's the best known medicine you can buy that's made especially for women.

Pinkham's Compound is famous to relieve such distress. Taken regularly—it helps build up resistance against such annoying symptoms. It also is a fine stomachic tonic. Thousands upon thousands of women—rich and poor alike—have reported benefits. Time and again Lydia E. Pinkham's Compound has proved some women's happiest days often can be during their "40's". Follow label directions. Worth trying!

turned to the Air Forces by the engineers last Tuesday.

The activating ceremonies consisted of a review of troops taken by Col. Harry C. Wisheart, commander of the Pecos Air Base, who was an honored guest. Maj. Clarence L. H-witt, Jr., commanding officer of the new field welcomed the several hundred new men just arrived, most of them from the northern states, who instead of the expected balmy sunshine weather usually found here, stood shivering in an icy, wet wind through the ceremonies.

Alpine Avalanche—The dedication of the new church of Our Lady of Peace was an occasion which will long be remembered in Alpine. The ceremonies opened with the procession of the Bishop, the priests and servers from the rectory to the front of the church. The Sul Ross band played as the procession appeared. Men of Co. A, 3rd Battalion, Texas Defense Guard formed a Guard of Honor. The first liturgical prayers were chanted at the front; then the Bishop unlocked the door and proceeded to the altar where Pontifical High Mass was sung by Bishop Metzger of El Paso. Thirteen Priests assisted in the service.

Big Bend Sentinel—A blow in the temple, causing a deep gash is believed to have caused the death of William Ray Speed, sixty-six years old last October 18, whose decomposed body was found under his bed in his Rio Grande farm home about mid-afternoon Wednesday.

In the opinion of T. C. Taylor, Presidio county sheriff the crime was committed about fifteen or twenty days ago.

Brackett News-Mail—Throughout Christmas week, construction work on the various building projects at and around Fort Clark was at a low ebb, because of Christmas holidays and some lack of material. With last week, however, work was resumed at a rapid pace and with good results. From all indications at this time, much more construction is believed in prospect soon.

Fort Stockton Pioneer—The fifth class of graduates since beginning of Primary flight training for the Army Air Forces here last June was given diplomas the first of this week at the 9th AAFSTD at Gibbs Field, and members of the group were sent to Pecos Army Basic

Flying School for their basic training.

Monahans News—Monahans will have its first view of a Japanese submarine when the United States Treasury brings here on January 19 the two-man suicide torpedo boat captured at Pearl Harbor last December.

The submersible is touring the country on a tractor-trailer and has already visited some 127 points in California, Arizona, New Mexico, and Texas.

The submarine itself is 81 feet long and the tractor adds 13 feet to this. The whole weighs 80,000 pounds, twenty tons of which is the weight of the submarine. It was brought to Mare Island on the deck of a freighter and was there refitted by the Navy with facsimiles of batteries, gauges, dials and controls that had been taken out for study at Pearl Harbor.

EAGLE NEWS—

SEEING SENIORS

This week it is my pleasure to present to you Joe Bean Jr., an up-and-coming senior with curly blond locks and green eyes. Joe was born in Beaumont, Texas on a beautiful day June 7, 1926. When his education started Joe entered grammar school at Orange, Texas, and later came to Sanderson Grammar and High School.

The old saying "like father, like son" is true in Joe's case. Joe Bean Sr. is a railroad man and that seems to be Joe's ambition. His hobby is basketball, and believe me, it's a hobby worth watching. He's spent four years perfecting that hobby and as a result is one of the best players in Sanderson High. Besides basketball Joe has participated in football one year and track three years. He's really a man of muscle and brawn.

Everyone has a few favorites and Joe is no exception. Favorite pastime is loafing and again basketball. Mention whip cream and pudding and Joe goes wild. Like others of the male species he prefers Betty Grable and blue. When Joe settles down with a book he likes "Call of the Wild" and has no favorite song. At school his favorite subject is history. After graduation Joe plans on getting in the thick of things by joining the Marines.

Joe has no pet peeves or hates. Guess that's why he's so congenial and easy to get along with. He was Vice-President of the Auto-driver's Club his Junior year and a very nice-looking king to Queen Margaret Ruth Yeates at the recent Halloween Carnival. This Joe person is really a nice guy.

Joe Ross Phillips, that jitterbugging senior, was born in Junction, Texas on a bright February 19, 1924.

boy's grammar school education was carried on in Sheffield, Junction and Del Rio. After spending a year of high school in Del Rio he came to Sanderson High.

Joe's ambition is to be a mechanic and as you all know his pastime is jitterbugging. If you want to make good with Joe Ross bake him a pecan pie, put on a pink dress, and take him to see Betty Grable, or if she is not on give him "See Here Private Hargrove" and put "Dark Town Strutter's Ball" on the victrola.

His favorite subject in school is chemistry and his plans, or rather Uncle Sam's plans are to be drafted into the army.

Joe Ross is quite a guy in school and has been on the football, track, and relay teams. Besides being a pep squad leader he was in county, district, and regional meets.

His pet peeve is silly girls so take a tip from Pauline and be sweet and quiet.

ORCHIDS TO:

Mrs. Holley, who is such an all round good sport and who is always helpful in anything the school sponsors.

Miss Brieger and her choral club, who put on such a beautiful musical program for the P. T. A. and for assembly Friday.

M. G. Northcut, who has bought defense stamps regularly ever since they first went on sale in the library.

Mrs. Bradford's Civics class who sponsored the election in high school this week.

JOAN ANDERSON HONORED ON BIRTHDAY

Mrs. B. F. Anderson entertained her daughter, Joan, with a dance at the Masonic Hall, in honor of her fifteenth birthday. Fifty guests danced to favorite recordings from 8:00 to 12:30.

Cocoa, sandwiches and cookies were served.

CAROLYN COURTNEY CELEBRATES BIRTHDAY

In the Courtney home, Carolyn Courtney celebrated her twelfth birthday with a party. Many games and dancing were enjoyed by the following: Cecilia Goode, Jeanette Cobb, Mary Nell Gates, Marilyn Courtney, Edward Wheeler, Willie Griggs and Jimmie Merritt.

Canopies, sandwiches, birthday cake and hot chocolate were served.

THE GRADE SCHOOL REPORT

The sixth grade pupils are making patriotic posters in art and are studying for mid-term examinations.

The seventh grade pupils are making reports on European countries and on characters and happenings in Texas history.

What You Buy With WAR BONDS

When the Marines get their service pack, there is included therein a bright shiny new shovel cased in a muslin carrier. The shovel costs 68 cents and the carrier 30 cents, or \$1.07 for the ensemble.

These trenching shovels are used by the Marines around camp, digging trenches, setting up barbed wire entanglements and in many other ways. Your purchase of War Bonds and Stamps every pay day can readily equip our forces with these necessary implements for warfare. Invest at least ten percent of your income every pay day. Buy War Bonds and Stamps from your bank, your postoffice and at retail stores.

New Conditions

During the coming months, all of us will be called upon to do without things to which we have long become accustomed. Each must make sacrifices in one way or another, but all will do it cheerfully so our great national cherished institutions may be preserved.

Many things will go on much as before, and, as you may learn to place higher value. As in the past, your bank will be ready to serve you, and we shall keep our service attuned to the times.

THE EAGLE NEWS

EDITED BY STUDENTS OF THE SANDERSON HIGH SCHOOL

PERSONALITY CONTEST HELD

A popularity contest was held in Sanderson High School Monday sponsored and conducted by the civics class.

Harold Haynes was elected tax collector, and he, with the aid of his assistants Bill Davis, Joe Ross Phillips, Bill Cochran printed and sold poll taxes to the high school student body.

Students to hold the election were selected, and election judges Joe Bean, Don Allen, Marshall Cooke and Bill Cochran opened the polls at 8:30 Monday morning. All day Monday voting continued, each student voting by secret (?) ballot for his favorite. By 4:15 when the polls were closed, approximately 100 students had presented his poll tax and exercised his privilege at the voting box.

Upon closing the polls, Janice White, Margaret Ruth Yeates, Mickey Corder, James House and Douglas Smith met in Mrs. Holley's room and with her counted and tabulated the results. They were as follows:

Prettiest girl, first place Billie Babb, second place, Maurine Cox

Handsomest boy, first place, Bill Cochran, second place, Jay Tom Holley and Edward Kerr.

Best sport girl, first place Janice White, second place Clara Alice Bell.

Boy, first place Bill Davis, second place Bill Cochran.

Most obliging girl first Margaret Ruth Yeates second Betty Frazier.

Boy first, Bill Davis second Harold Haynes.

Best personality girl, first Betty Frazier, second Margaret R. Yeates.

Boy, first John L. Whistler, second Bill Davis.

Loudest Month girl first Virginia Ruth Raney, second Betty Frazier.

Boy first James House, second Jay Tom Holley.

The poll tax receipts amounted to \$5.00, which will be turned over to Miss Kinkler to be used for paste, reinforcements, etc. for the library.

CHORAL CLUB SINGS AT P. T. A. MEETING

The high school girls' choral club gave its first program of the year at the P. T. A. meeting, Thursday, January 7. The girls sang "Army Air Corps", "Giannina Mia", "Ah! Sweet Mystery of Life" and "Auld Lang Syne". They sang the same songs for the assembly program Friday morning. Besides learning several popular songs, the club is now learning "The Indian Love Call".

Miss Marion Brieger, director, plans for the girls to sing at the next Victory concert which will be held in the near future.

"Targets for Tonight" was presented in the high school auditorium last Wednesday, January 6. This picture was made in England with the cooperation of the Royal Air Force and was a war picture.

THE IDEAL TADPOLE GIRL

The ideal tadpole girl has: Laurette Dillard's figure, Mary Agnes Frazier's hair, Hazel Babb's cute smile, Carolyn Countney's soft voice, Mary Nell's pretty eyes, Mona Ogle's size, Jeanette Cobb's piano playing ability.

Doyle: What shape is a kiss? Mary N.: It's hard to tell. Doyle: Give me one and call it square.

TEACHERS STUDENTS AND ENJOY FIRST SNOW

Snow—those beautiful, sparkling, white flakes of feathery lightness that can so quickly be converted into hard balls of ammunition for scheming hands of "little" boys and girls—fell quietly but quickly last Friday—to the delight of every student and a teacher or two. It started soon after students had settled down to a hard days work, first as pattering raindrops and then snow. One had only to look at the students to know it was snowing—every eye was turned toward the windows and one could almost see little "ideas" taking the place of lessons.

At noon, those ideas turned into action. The air was thick with flying snowballs. There were no sides to these fights—everyone had to look out for himself—until a teacher appeared; then it was teacher against the student body.

Even though the snow continued to fall during Friday afternoon, most of it had melted by the time school was out and disappointed snow fans must wait until the next time.

HOMEMAKING

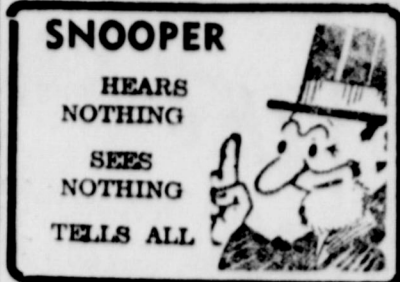

The Eighth Grade Homemaking Club met Friday, January 8 at the regular class period. Each member is to pay a nickel dues each month to be used for club entertainments. The program was a health play presented by Hazel Babb, Cecelia Coode, Ruth Bendele, Avis McDonald and Jeanette Cobb.

The Homemaking I Club met at the class period on January 8. The program was a free discussion of what was learned by taking Homemaking I. Refreshments of coffee and sandwiches were served.

Mrs. Byrd let the Homemaking II class visit her kitchen Fri. She demonstrated the advantages and disadvantages of the kitchen. The class is studying the kitchen its care, and equipment. Mrs. Byrd served hot chocolate and gingerbread to the class.

Everyone seems to be happy now that Alonzo and Joan are back together, especially Joan and Alonzo.

We hear that Donald Smith

Just think of it: Eileen Weber and Billy Carter at the show together.

Poor Betty Frazier! Somebody else is taking her place. Could it be Janice?

Who called Miss Nixon in the middle of Friday night? She has her suspicions.

Bill Savage got stood up Friday night. You shouldn't treat him that way, Doris Lee.

Mary Nell Higgins and Don Frazier sit at the same table in the 7th period S. H. They are constantly playing hands. Instead of S. H. it is seventh heaven!

Live there man, with soul so dead.

Who hath never turned his head and said

Hmmmm! Not bad! When he walks down the halls, the eyes of all girls turn to follow. Yes, it's F. A.

Edward Wheeler had "snow blindness" the other day. While whizzing down the street, various friends threw snowballs at the car. Edward had a time making up his mind whether to go in the ditch, climb the telephone pole or stay in the street.

Santa Claus was kind to give so many rings and bracelets but Snooper knows of one bracelet that was returned Wednesday.

Was Jimmy's (Davis) face red when he learned that an X at the end of a note meant a kiss. He has been signing his name with X's in the girls' memory books.

got stuck Saturday afternoon—yes with a car full of girls. He was stuck in the mud and made the girls get him out.

Joan Anderson, just what did you mean when you said "Some fifth columnist jerk has done his dirty work." Could it be, translated into English, "somebody else has stolen my boy friend."

Laurette Dillard just dreams of being tall and of Allen Ladd.

We were all glad to see Mr. Holley's smiling face back again Monday morning.

OUR INQUIRING REPORTER

The question for this week is: "What do you think of putting rocks in snowballs?"

Margaret R. Yeates—"When rocks are put in snowballs for purpose, I think it's a very bad policy. As for myself I don't care as long as it doesn't hit me in the face."

Francis Grigsby—"It is O. K. when a bunch of boys throw them, but not at girls."

W. T. Frazier—"It's O. K. as long as nobody gets hit with them."

Ed. Wheeler—"It's O. K. as long as nobody gets hit in the face."

Doris L. Cook—"I think that it is a very crooked way to have fun."

David Thompson—"I think the person who puts rocks in snowballs is the biggest and lowest sissie in Sanderson."

Ben Moorefield—"It hurts pretty girls and it's lots of fun."

William Sutton—"It is bad sportsmanship and it makes other people think less of you."

Mrs. Bradford—"It doesn't show good sportsmanship and is very dangerous."

Bonny Oberling—"Not much. They hurt."

Imogene Woodruff—"It's very bad when you get hit; otherwise it's fun."

Janice White—"I think that by no means should anyone throw snowballs with rocks in them. Frankly, I think the person who throws them is the lowest thing and shouldn't have any friends."

Eagles Defeat Fort Stockton Panthers Tuesday Night

The Sanderson High School Eagles licked the spots off the Ft. Stockton Panthers in two close basketball games Tuesday night.

The first team won the first game with a score of 25 to 21. John Lewis Whistler was high point man making twelve of the 25 points while Bill Cochran made six.

In the second game, the second team won by a score of 21 to 17. Curtis Litton made 12 of the 21 points while Edward Kerr made four.

Line-up was as follows: First team: Bill Cochran, Joe Bean, Frank Stavely, Harold Haynes, John Lewis Whistler, Edward Kerr. Second team: Marshall Cooke, Ellridge Murray, James Kerr, Curtis Litton, Jay Tom Holley, Don Allen and Edward Kerr.

STAMP SALE IN HIGH SCHOOL

To date there have been \$101 worth of defense stamps sold in the Sanderson High School. The seniors are still leading with \$60.75 worth of stamps to their credit.

ACCIDENTLY SHOT

Bill Savage accidentally shot himself in the left leg last Saturday while working on a sawed off 22 that he had made into a pistol. He was first taken to Fort Stockton and then to San Antonio.

MAKING THE MOST OF YOUR LIGHTING

(No. 8 of a Series)

Avoid Sharp Contrasts of Light and Shadow

Ever notice how it tires your eyes to read under a single bright light when the rest of the room is in semi-darkness? The reason is that brightness causes the pupils of your eyes to contract while darkness causes them to expand. Every time you let your eyes stray from your brightly-lighted book to the surrounding shadow area, your eyes try to adjust themselves to the change. Eventually this causes eyestrain and its accompaniment of fatigue and nervous muscular tension. For maximum eye comfort, you should not only have plenty of well-diffused light on your reading or sewing, but ample soft light elsewhere throughout the room. Good light, evenly distributed, adds to your reading enjoyment and also protects precious eyesight.

Two Cures for "Spotty" Lighting

I. E. S. LAMP

PIN-TO-WALL

I. E. S. Better Sight Floor Lamps provide both downward light for reading or sewing and upward light which is reflected from the ceiling for general room illumination. The average living room needs at least two.

I. E. S. Pin-to-Wall Lamps provide generous soft light for those hard-to-light corners and out-of-the-way nooks.

TO SANDERSON AND TERRELL CO. RESIDENTS

On behalf of the boys of Co. A, 746 Military Police Battalion, stationed at Meyers Canyon, we wish to thank all people of Terrell County and Sanderson for the way in which we were received in the community. Especially do we wish to thank Sheriff J. S. Nance and his deputies for the many courtesies extended to us during our tour of duty here. Also to the men of the Southern Pacific who have so generously gone out of their way to help us on so many occasions. We leave Sanderson with regret and hope it may be our good fortune to again be stationed in your community.

What You Buy With WAR BONDS

Uncle Sam's lighter 37-millimeter anti-tank guns are dubbed "tank killers." They are attached to the infantry, not the field artillery, and cost approximately \$6,500 each. They have proved particularly effective in anti-tank warfare.

They are mobile, mounted on automobile tires and can be rapidly whisked from place to place. Your purchase of War Bonds will help pay the cost of these field pieces so necessary for our Army in this War. Your Income Tax

FORM OF RETURN

Persons subject to the Federal income tax must report their income to the Government on forms, or blanks, prescribed by regulations. These forms are obtainable from any Collector of Internal Revenue, and generally from any bank. Special forms are designated for corporations, for partnerships, for trusts and fiduciaries, and for nonresident aliens. Farmers who keep no books of account on the accrual method must attach a special schedule to their return (Form 1040F). For individuals two forms are used, depending upon the amount and source of income to be reported.

Form 1040. This form is intended for general use of individuals who are citizens of the United States, or residents in this country, whether citizens or not. It contains spaces to show the amount of income from various sources, deductions allowable, exemptions and credits and computation of tax liability. As most of the items require some explanation in order to be allowable, the form also contains appropriate schedules to show in more detail how the income or the deductions are determined.

Form 1040A. This is a simplified report, which may, at the option of the taxpayer who makes his return on the cash basis, be filed instead of form 1040 by citizens and residents whose gross income was \$3,000 or less during 1942, provided all this income consists wholly of one or more of the following: salary, wages, dividends, interest, or annuities. In using this form it is necessary only to enter the amount of gross income as shown, deduct the credit allowable for dependents, and insert the appropriate amount of tax in accordance with one's personal exemption status, as shown on the table on the reverse of the form. This form has no entries for deductions allowance, since the taxes indicated in the table on the back of the form are computed after taking into account what have been considered average deduc-

tions for persons of this income class.

A taxpayer should, therefore, consider carefully which form would be appropriate for his purposes. Whichever form is employed, all the information called for in the spaces should be inserted so far as applicable to the taxpayer, in order to avoid the expense to the Government, and the possible inconvenience to the taxpayer, of subsequent check and inquiry.

With each return form is a set of accompanying instructions, and these instructions should be carefully read by the taxpayer before making his return.

Returns for the calendar year 1942 must be filed not later than March 15, 1943. They may be filed by mailing to the Collector of Internal Revenue of the appropriate district in which is located the legal residence or principal place of business of the taxpayer. If the return is filed by mailing, it should be posted in ample time to reach the Collector's office on or before March 15, 1943. Returns received later than the due date are subject to a penalty variable according to the lateness in filing.

Lieut. Leo Daniel, who is stationed at Kingman, Arizona, arrived Tuesday for a short visit with his parents, Mr. and Mrs. J. W. Daniel. He left Thursday.

Mrs. C. F. Stavley and Mrs. W. E. Stavley left Tuesday for a visit in San Antonio.

D. M. Wells left Wednesday for San Antonio where he will spend a few days on business.

Bill Brunskill arrived Wednesday for a visit with friends. Bill was formerly with the Immigration Service and was stationed here. He received his primary training from the War Training Service, formerly called Civilian Pilot Training, at Kerrville and is awaiting orders as to where he will report for additional instruction.

James Bean visited last week-end with Jimmy Harrison at the ranch.

Mrs. Richard Haley and Miss Kathryn Nell Nance spent the past week-end in San Antonio with Cadet Richard C. Haley.

MISS BROWN SERVES

Miss Elizabeth Brown, daughter of Mr. and Mrs. A. D. Brown of Sanderson, will serve on the program committee for the second annual Religious Focus Week to be held on the Baylor campus February 7-12 according to information from there.

Mrs. M. C. Adams of San Francisco, Calif., and Buzzie Lassiter of Alpine, spent last week-end here with their mother, Mrs. Berta Clark Lassiter.

Claud Cotton, AAA district field officer of this district, visited several hours at the local office Sunday checking with Mrs. Dorothy Mey on the work to be done and progress being made.

Ben Gilbert and Jimmy Henson of San Angelo were visitors here the first of the week.

Mrs. Bill Tisdale returned the first of the week from Lubbock where she was accepted as a member of the Women's Army Auxiliary Corps. She is the first woman to volunteer from Terrell county. Mrs. Tisdale has a sister who is already a member of the corps.

Mrs. Willie Banner returned Monday from El Paso where she has been for several weeks with her mother who is critically ill.

Mr. and Mrs. O. T. Schupbach Sr. of Marathon spent the week-end here visiting with their daughter, Mrs. W. E. Stavley and Mr. Stavley.

Mrs. I. C. Roark attended funeral services held for Lieut. Merritt M. Hopson, son of Mr. and Mrs. M. L. Hopson, in Alpine Sunday.

Pvt. B. H. Gifford, stationed at Fort Bliss, El Paso, is here on furlough for a visit with friends and to attend to business matters.

Mr. and Mrs. Herman Couch accompanied by Miss Iva Leatherwood, left Friday of last week for San Angelo. Mr. Couch returned Friday but Mrs. Couch remained in a San Angelo hospital where she underwent an operation Thursday. Miss Leatherwood returned here Wednesday.
