

Over 4,000 At Saturday Barbecue

SOPHOMORES SWEEP QUEEN CONTEST--These three members of the sophomore class at Friona High School were named the top three contestants at the annual Queen Contest during the Maize Day Celebration. Queen Joy Ingram, center, was attended by Janet Buckley, left and Sharon Reeve, right, following the final judges selections.

IT WAS A HARD BATTLE MAI--Danny Parks walks away the victor in the Boy's Pie Eating Contest for ages 10-13 Saturday morning. He was headed for the water hose when this picture was taken.

Largest Single Day's Crowd Sees Parade

An estimated 4,115 people were served helpings of barbecue with beans, tomatoes, onions and trimmings at the final day of Friona's Maize Days Celebration according to tallies from the barbecue committee headed this year by Ralph Taylor.

Sheriff Makes Three Arrests

Three arrests were made by Parmer County Sheriff Chas. Lovelace during the past week. Joe Rivera, Friona, was picked up in Friona Friday and charged with being drunk. He was tried in justice of peace court at Friona and fined \$40.50. Rivera was unable to pay his fine so will spend 14 days in Parmer County jail at Farwell. The two other arrests involved persons wanted by out-of-town authorities. H. G. Asher was arrested in Friona Friday for officers at Paris, Texas, where he is wanted to face a charge of concealing mortgaged property. Asher posted \$500 bond at Farwell and is scheduled to appear at Paris later. Rudy Valverde, 19, was picked up in Farwell Saturday and turned over to Dimmitt authorities. He was wanted for forgery in Castro county.

Rains dampened things Friday, the parade was rained out, but with sunshine and lots of it on Saturday, the parade wound its way downtown Saturday at 1 p.m. and lots of folks came to town for the final day of Maize Days. The Fourth Annual Celebration got underway Thursday night with the largest selection yet of 29 beautiful girls trying for the title of Maize Days Queen in the high school auditorium. Joy Ingram, 15 year old daughter of Mr. and Mrs. W. S. Ingram of Friona was selected as the Queen, with Sharon Reeve and Janet Buckley selected as her attendants. Friday morning low-hanging skies rained out the parade, originally slated for 10:30 a.m. Saturday morning, however, the weather was perfect, and the tractor contests, kiddie's contests were held on schedule. At 1:20 p.m. the Amarillo

Air Force Band led the parade down Main Street and it was the largest parade yet in the history of the Celebration. A total of 12 floats, two bands, and many other individuals antique cars and M. H. Sylvester's steam-driven tractor kept the attention of the crowd for about 30 minutes. Following the parade, go-cart races were held in the area in front of the school auditorium, and at 2:30 p.m. the Amarillo AFB and gave a 30 minute concert in the city park. During the entire week the Lone Star Amusement Company had their rides set up and operating in the park under the sponsorship of the Friona Lions Club. In addition, many clubs and organizations had booths for hot dogs, cold drinks, coffee, snow cones, pop corn, ball throwing games, bingo, and egg-throwing for entertainment of the crowd. Saturday afternoon at 4:30 members of the Friona Volunteer Fire Department gave away a washing machine, dryer, and a portable tv set. These were won by Mrs. Joe Gutierrez, Jack Shirley and Mrs. Jack Patterson, respectively. The Progressive Study Club gave away a \$25 Money Doll, and this was won by Mrs. Ida Dingler. Saturday night the Friona Lions "fell" over the Friona Jaycees 3-1 in the Donkey Baseball Game sponsored by the Jaycees. As the baseball game came to the final inning the curtain was dropped on the 1960 edition of Friona Maize Days and to the largest crowd yet on Saturday in the history of the Celebration.

AT HEREFORD--

Friona Firewomen Take Top Panhandle Honors

Members of the Friona Women's Auxiliary of the Volunteer Fire Department took top spots in the women's competition at Hereford at the 53rd semi-annual Panhandle Fireman's Association Convention Tuesday.

The Friona women took first place in the Pumper Races with a time of 25.2 seconds and first in women's Water Polo, beating out Dimmitt in that division.

Members of the Women's Pumper Race team included Wanda Jones, Christeen Mann, Stella Shirley, Dorothy Blankenship, Elwanda Campbell and Neola Reed.

The Water Polo experts were Dorothy Blankenship and Stella Shirley.

Friona men's team lost out in the water polo when a hose slipped sending J. C. Blankenship to the hospital with a pair of cracked ribs, but the Pumper Race team split with Hart for second and third money on a tie.

Ralph Shirley of Friona, assistant fire chief here, was elected president of the Panhandle Association in the officer elections held Tuesday afternoon.

Members of the men's pumper race team included Pete Hollis, Blankenship, Joe Mann, Le Campbell, Shirley and Ruben Taylor.

MEETING SATURDAY NIGHT--

Friona Country Club Formed Monday Night

Directors for a newly-organized body to form a country club for the Parmer county area were elected at a meeting held in the Production Credit Association offices Monday night. Forty-two were present. Directors elected to serve the newly-found organization, to be known as the Friona Country Club, includes Charles Allen, John Renner, Andy Hurst, Bill Sheehan, Preach Edelman, J. C. Claborn and Dr. Paul Spring.

Following a session of questions and answers, a motion was made to form a country club and elect the above men as temporary members of a board of directors for the purpose of organizing and building a country club.

Another meeting will be held in the PCA office Saturday night at 8 p. m. for the purpose of kicking off a membership drive for the club.

Rash of Wrecks Plagues Local Area

Two wrecks inside the city limits, and one west of Hub left one person with a broken neck, and property damage estimated at about \$1500 this past week.

Mae Philpott, 46, of Phoenix, Arizona, is in the Parmer County Community Hospital suffering from a broken neck as a result of a one-car turnover four and a half miles west of Hub Sunday night about 10 p. m.

Mrs. Philpott was a passenger in a 1960 Nash station wagon with six other persons traveling from Hollis, Oklahoma to Phoenix when the driver of the auto swerved to miss a dog.

A tire blew out when the car swerved and the auto overturned spilling occupants and personal effects up and down the highway right of way.

Mrs. Philpott was the only person hospitalized, and was rushed from the scene to Parmer County Community Hospital by Claborn ambulance.

Thursday afternoon Johnny Snodgrass, a construction worker in Friona, was charged with making improper turn following a collision of his 1950 Ford and a 1960 Chevrolet

OK RUBBER WELDERS--

Hoods Take Eleven Tires

A total of 11 fifteen inch tires in various sizes were taken from the OK Rubber Welding Shop on Highway 60 in Friona sometime Friday night.

The robbery was discovered by James Chandler, owner of the business as he opened Saturday morning.

The thieves broke in a rest-

room window on the north side of the building, then made their exit out of an east window with their loot.

Investigation is still continuing according to reports from the Friona Police Department and the Parmer county sheriff's office.

Another burglary, down in

Bovina, was reported the same night.

The offices of Three Way Chemical Company, located in the east part of Bovina along Highway 60 was broken into Friday night and some auto batteries, and hand tools were

(Continued on page 8)

21 MISS ONLY ONE--

Everett McBroom Wins Second Contest

Everett McBroom of Route 1, Friona, was the winner in the second week of the 14-week Cotton Bowl Football Contest sponsored by eight Friona merchants.

McBroom nosed out three other top pickers, who had picked Friona to take Fort Sumner in the tie-breaker. McBroom was the only one of the top four to pick Fort Sumner to win.

The other three, Elizabeth McLellan of Friona and Gaylon Rhodes, Friona, second and third place winners, respectively, picked Friona to win as did John Renner who finished out of the money but in fourth place overall.

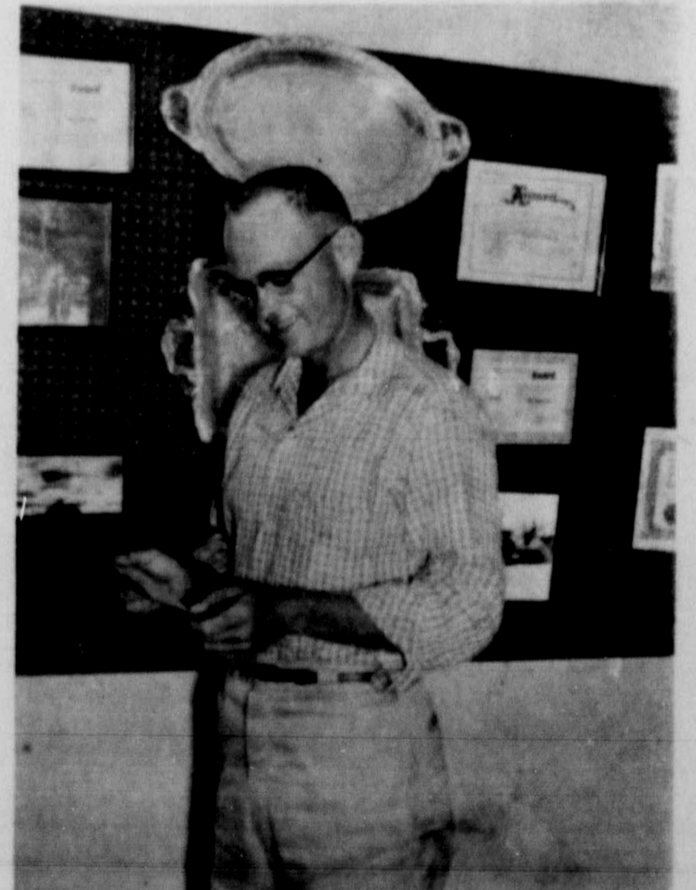

All of the above contestants picked eight out of eight games right and the tie-breaker decided the winners.

A total of 21 contestants picked seven out of eight games right, and the contest editor didn't tabulate how many missed two etc.

This week the tie-breaker will be the Friona vs Stratford game, and this week several college openers are included in the games to be picked from.

Get your entry blank from this issue of The Star, and drop it in the Football Contest box at the BiWize Drug in Friona before 6 p.m. Friday night try for the big grand prize of an all-expense paid trip to the Cotton Bowl on New Years Day.

In addition each week the winners win a total of \$10 in prize money. Get your entry blank in now!

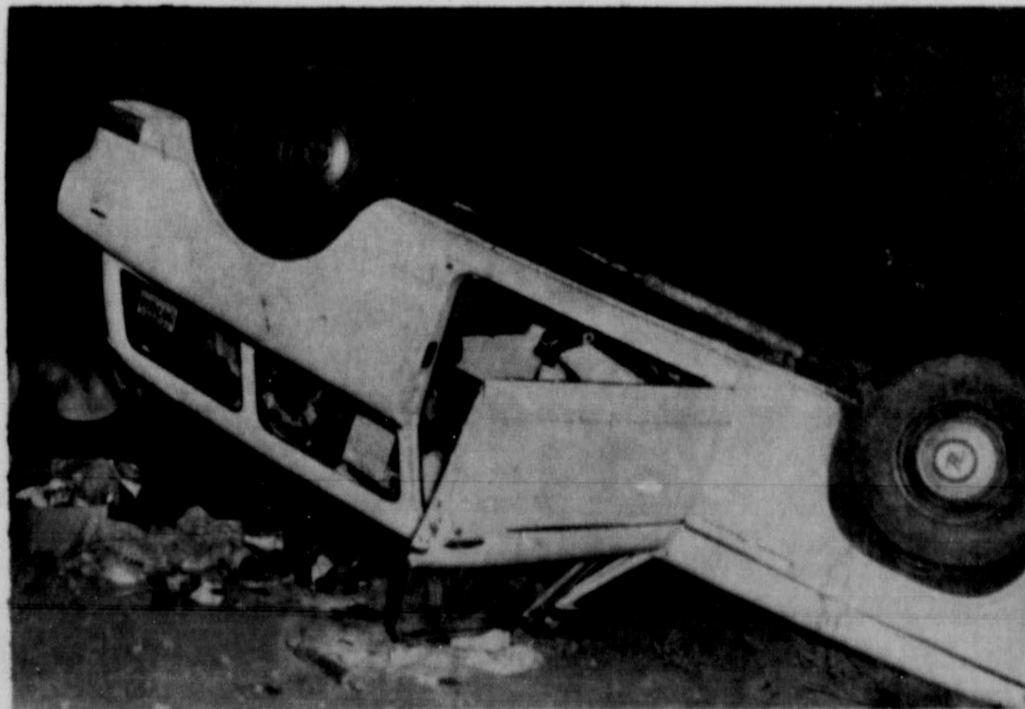

THIS WEEK'S WINNAHI--Everett McBroom admires the check he received this week for his choices in the Star's Cotton Bowl Football contest. He was pushed hard by three other contestants who didn't miss a guess, but missed out on the score of the tie-breaker.

Whataweekend!
What with football, Maize Days, Bingo and Donkeys, most folks in Friona are still dizzy from all the proceedings of the Fourth Annual Friona Maize Days.
Bouncing back from the drizzling rain Friday, to the largest crowd on record Saturday, things sure did keep a'hoppping around town Saturday.
We hope that all the folks had a good time and enjoyed themselves as much as Truitt Johnson.
Really, Truitt was still sore Tuesday, all you had to do was mention the word Donkey to him and he flinched.
I reckon he musta taken more punishment than all the rest of the Donkeybaseballers put together at the game Saturday night.
I know that from observing some of the players Sunday morning, well, to tell the truth it made me sore just watching them try to sit through Sunday School.
They would get about half way down in their chair, then collapse upon an already sore understanding.
But, Buddy Claborn says the Jaycees are ready and anxious for a return engagement in order to avenge the 3-1 loss they took Saturday night.
I'm afraid he'll have to wait awhile for the wounds to heal before this particular Lions club is able, let alone willing, to play Donkey baseball again.
George Jones and Clyde Woodard swore up and down that the brutes were human. (In fact we

Foxes Out-‘Smart’ Chiefs 32-7

Fort Sumner called on Fullback Dave Smart for a trick out of the bag every time the going got rough Friday night and the big 190 pounder was Johnny on the spot, or Johnny on the go as he rounded Friona's ends for three touchdown gallops.

The middle of the Friona line would buck up and hold, but power on the outside was the big difference as the Friona tacklers tried to hit the big man high, and got a facefull of stiffarm for their trouble.

Friona's Chiefs got only one sustained drive going during the night, and this came in the fourth quarter.

The Chiefs grabbed a Fox fumble on their own four yard line and on the back of big Tom Massey and Floyd Reeve rumbled down the field calling on a fake handoff to send Massey into the middle and the ball going to Reeve who stepped across the goal for the lone Friona score of the evening.

Massey carried the point after try through the middle of the line for two (or in New Mexico one) more points.

Still without a passing offense, and unable to stop the end sweeps, the Chiefs lay hapless in the wake of the black-shirted Foxes as they ran for runs of 62, and 38 yards around ends to score, and twice more only to have them called back on penalties.

Jobey Claborn was lost to the Chiefs in the ballgame due to hurt ribs and later Larry Drake was hospitalized with an injured knee.

Claborn's kickoff was taken on the Fox 28 and run back to the 40 where they took over for first and ten. One attempt into the middle left no gain, and an attempted pass drew a

15 yard penalty on the part of the Chiefs for dumping the passer after the ball left his hand. Following another incomplete pass and another Chieftain penalty for offside the Foxes were second and five on the Chieftain 42 when Allen Sparks rounded right end for the distance and the first Fox score.

Scotty Stevenson passed to Timmy Rogers and the Foxes were 7-0 early in the first quarter.

Gary Sneed took Stevenson's kickoff and came from the 15 to the 39 where the Chiefs took over first and ten.

At that point Barker and Claborn moved the ball for another first down on the Fox 42 when the Chiefs got 5 yards for offside.

Bobby Daniel attempted a pass but was smothered for a loss of another eight yards and with fourth and needing 11 yards Barker dropped back to punt.

The pass from center went over his head and the Foxes took over on the Chieftain 25. Smartt picked up seven around right end, then the Foxes got 15 yards for holding. They were held in this series of downs and kicked into the end zone.

The Chiefs took over on their own 20 and moved out to their own 26 with fourth and three and on an attempted rollout Barker was held for no gain and the Foxes took over on the Chief 25.

The Foxes fumbled and recovered, and Owen Fox scored on an end run, but it was nullified by an offside penalty.

On an attempted pass, Claborn picked the ball up on the Chief 20 and scampered to his own 45 before being boxed in and pushed out of bounds.

Two plays later, with third

and one of the Chiefs fumbled and the foxes recovered.

Taking over on the 39, the Foxes called on a combination of Stevenson's passing arm and Smartt's end runs to move to the eight where Smartt dashed around end again for a score. The pass for point after was good and the score was 14-0.

Barker took the kickoff on his own five and returned to the Chieftain 20. Calling on Barker, Massey and Reeve the Chiefs sparked a drive that carried them to a first and 10 on the Fox 32 seven plays later when attempted aerial went off target and was intercepted by the Foxes.

The gun sounded the half. (Foxes 14--Chiefs 0)

Sneed took the second half kickoff on his own 18 and ran back to the 38 where the Chiefs got a 5 yard penalty and were forced to punt on fourth down. Barker's punt was returned to the Fox 44 and again Smartt led the attack with gains of 12, 7, and a pass for 13 yards to move on down to the Chieftain three yard line where Sparks carried over to make the score 20-0.

The extra point try failed. Sneed gathered in the Fox kickoff and took the ball 17 yards to the 32 and after receiving an offside penalty and fumbling on a fourth down the Foxes took over on the 36.

A pass from Stevenson to Fox was good for a TD but called back for holding and the Foxes received another 15 yard penalty one play later forcing them to punt from their 50. Reeve got the ball on the Chief 14 and moved back to the 35. (Fourth Quarter) Four plays later the Foxes held and took the ball on the

HOW ARE THINGS GOING?—Royce Bodiford, left, of KGNC Channel 4 in Amarillo, attended part of the Maize Days Celebration Friday afternoon during the showers. He taped a report of the proceedings with Newman Jarrell Jr., second from left, president of the Friona Chamber of Commerce & Agriculture; Porter Roberts, co-chairman of Maize Days, and Bill Nichols, right, co-chairman of the parade committee.

Annual Kids Contest Winners

Winners in the Kid's Contests in the Annual Maize Days Celebrations were announced by Tom Bob Jarboe and Baker Duggins, in charge of that division of the celebration.

PIE EATING (10-13)--Danny Parks, Kenneth Squyres, Randy Ellis.

PIE EATING (9 & under)--Gary Shirley, Zane McVey, Roger Fields.

SACK RACE (Boys 10-13)--Danny Murphree, Mike Stephens, Kenny Squyres.

SACK RACE (Boys 9 & under) Scott Wooley, Troy Bass, Zane McVey.

SACK RACE (Girls 10-13)--Linda Rector, Charla Harper, Jeanne Taylor.

SACK RACE (Girls 9 & under) --Patsy McVey, Amelia Sims, Denise Buske.

EGG RACE (Boys 9 & under) Troy Bass, Roger Fields, Billy Ross Proctor.

EGG RACE (Girls 9 & under) --Patsy McVey, Denise Buske, (no third).

EGG RACE (Girls 10-13)--Charla Harper, Jan Shirley, Sharon England.

THREE LEGGED RACE---Kim Buske & Johnny Claborn, Rickey Hurst & Eddie Wood, Joe Murphree & Terry Fite.

BIKE RACE--Tommy Sherley, Danny Murphree, Joe Murphree.

Go Kart Winners

Winners of trophies in the first annual Maize Day Go Kart Competition were announced by David Smith, committee chairman for this division of the Maize Days contests.

Dickie Lee Renner, 4 1/2 hp class, age 6-12 years division winner.

John Bill McFarland, 2 1/2 hp class, age 6-12 years division winner.

Dale Millner, 4 1/2 hp, age 12-16 years division winner.

Steve Messenger, 4 1/2 hp class, age 16-90 years division winner.

Races were run in front of the school auditorium and a field of about 16 go-carts entered the competition. Racers ran around a marked course of four laps for the best time in each division.

Tech-WT Open At Lubbock

LUBBOCK, Texas Tech and West Texas State inaugurate the 1960 football season here Saturday night in a game filled with interest for fans outside as well as inside the Panhandle-South Plains area.

Always of regional interest, the game commands attention over the state because it is the first one for Tech as a participant in the Southwest Conference football race. And fans through New Mexico and Arizona are also interested, because they want to learn what sort of re-building job Coach Joe Kerbel has done with the Border Conference entry.

This region furnishes most of the talent for both teams.

For Texas Tech, Coach Dewitt Weaver will probably start Mike Seay of Andrews and co-captain Don Waygood of Sundown at ends, Larry Mullins of Snyder and Pat Holmes of Del Rio at tackles, Ed Strickland of Pampa and Jere Don Mohon of Panhandle at guards, co-captain E. J. Holub of Lubbock at center; Glen Amerson of Munda, quarterback; Dick Polson of Amarillo and Bake Turner of Alpine, halves; Coolidge Hunt of Lubbock, fullback.

West Texas State starters may include Fred Hedgecock, Stinnett, and Joe Granato, San Antonio, ends; Ray Kauffman, Levelland, and Gary Ward, Dumas, tackles; Bill Bradley, Tucson, Ariz., and Wayne Parker, Crosbyton, guards; Tommy Lovelace, Farwell, center; Jim

Parade Floats, Exhibit Winners Are Named

Results of the judges in the floats in the Maize Days Parade was announced Saturday afternoon.

Friona Junior Class was named the Most Beautiful float; Sophomore Class the Most Original Float; Future Homemakers of America the Best Use of Maize.

In the Commercial Division, Ethridge Spring Agency was named first place; Southwestern Public Service Company, second place and Friona State Bank, third place.

In Club Division, Rainbow Club of Friona, first, Rebecca and Friona 100F Lodge Float, second and Hub Community third.

In the children's division, Chuck Rector, first place with his "Texas Cocklebur" for most original; Robin Renner, named Cutest as he drove his own little hot rod; best decorated Go-Cart honors went to

Johnny Burrow, son of Mr. and Mrs. John Burrow and a student at Texas Western College at El Paso, spent the weekend with his parents.

John Bill McFarland and Best Decorated Horse went to Billy Proctor.

In the window displays, Rhea Home Demonstration Club was first place; Lazbuddie HD Club,

second place and Black H. D. Club in third place.

The Rhea Club display was set up in Hurst's window, Lazbuddie in Ehrbridge Spring and Black in Jarrells.

Final Rites For H. C. Kendrick

Funeral services for Horace Chilton Kendrick 73, were conducted from Friona Methodist Church at 10 a. m. Monday. Officiating minister was Rev. Hugh Blaylock of Dimmitt, former pastor of the local church. He was assisted by Rev. Wallace Kirby, pastor.

Mr. Kendrick, who has lived in Friona the past nine years, was born June 6, 1887 at Quitman, Texas. He moved to Amarillo from Wood County in 1922. For about 30 years before moving to Friona Mr. Kendrick was an employee of the Texas Company.

During the time of his residence here, he had been as-

sociated with Kendrick Oil Company, and was active until the time of his death.

Survivors include his wife, Hazel, one son, H. K. (Pudge) and two grandchildren, Danny and Sally Kendrick, all of Friona.

Pallbearers were J. G. McFarland, Carl Maurer, Ross Ayers, Charles Scales, Deon Awrey and U. S. Akens. Honorary pallbearers were members of the Men's Bible Class of Friona Methodist Church.

Burial was in Llano Cemetery in Amarillo under direction of Claborn Funeral Home.

Services Held At Bovina For Kersey Child

Funeral services for Lynn Olan Kersey, 9-year-old son of Mr. and Mrs. Olan Kersey of the Oklahoma Lane community, were held Saturday at the Pentecostal Church in Bovina.

Rev. S. W. Blake, former pastor of the church, who now resides in Clayton, was in charge of services. Pallbearers were Wendol, Troy and Donald Christian and John N., Max and Weldon Crim.

Lynn Olan, a victim of leukemia, had been ill about three months. He had completed the second grade at Farwell last year. The family first became aware of his illness in early summer. He passed away at Farmer County Community Hospital in Friona Wednesday of last week.

The youngster was born in Vancouver, Wash., and moved to this area with his family in 1956. His father is a farmer in the Oklahoma Lane community.

Survivors include the grandparents, Mr. and Mrs. A. T. Kersey of Oklahoma Lane, and Mr. and Mrs. Lecher of Portland, Oregon; great-grandmother, Mrs. Gertrude Graham of Portland;

Also four brothers, Wilton of Portland, and Wayne, Wesley and Glen of the home; and one sister, Mrs. Jean Page of Dallas.

Out of town relatives attending the services included Mrs. Ruby Ross and Mr. and Mrs. Bill Doak of Las Cruces; Mr. and Mrs. Homer Thomas of Oklahoma City; Mr. and Mrs. Troy Kersey and Mr. and Mrs. Ray Loomis of Albuquerque; Mrs. Lois Kibbee of Portland; and J. L. Bennett of Arcadia, Calif.

Members of the Kersey family this week expressed their appreciation to all their friends who had been so helpful to them during Lynn's illness. They particularly gave their thanks to those who gave blood donations, sent food to the home, for the comforting flowers, and the love offering. Also, they particularly expressed their gratitude to the nursing staff at the hospital in Friona for their care of the sick child.

Claborn's of Friona was in charge of arrangements for the services.

Two men were discussing a friend's bad luck at the races. "It's funny," commented one of them, "Frank is a demon at cards but he can't win a bet at the track."

"That's not so funny," the other said. "He can't shuffle the horses."

No Change In Tax Rate For Frionans

Friona's city tax rate will remain the same for the 1960 tax year announced the city council following their session in the city hall Monday night of last week.

The current tax rate of \$1.35 per \$100 valuation is estimated to be sufficient to keep the city on an even keel for another fiscal year.

A list of tax exempt property was read and approved to remain tax exempt during the coming year, this property is that owned or occupied by churches, civic and other non-profit organizations within the city limits.

A lengthy discussion was centered about a letter received from the Santa Fe Railroad Company concerning an application of the city to cross their right of way with a sewer line to go to the new sewer site.

After this discussion members voted to approve the recommendations as outlined in the letter to avoid more delay on

this construction job by trying to reason with the railroad. next week when bids for the new sewer plant will be opened.

An expenditure of \$79.75 was approved for the purchase of five jackets for members of the Friona Police Auxiliary, minutes were read and approved and the next meeting slated for

Those present at the meeting included Bill Nichols, Danny Bainum, Glenn Reeve Sr., and Deon Awrey, Aldermen and Mayor R. L. Fleming and Albert Field, city manager.

Joy Ingram 1960 Maize Queen

Joy Ingram, 15-year-old daughter of Mr. and Mrs. W. S. Ingram of Friona was picked from a field of 29 girls as the 1960 Maize Days Queen at the annual Queen Contest Thursday night.

Sharon Reeve and Janet Buckley were named attendants to the Queen during the contest. All three of the girls are sophomores in Friona High School and two are blondes, Miss Buckley is a brunette.

Dan True, weatherman for Channel 10 in Amarillo served as emcee during the pro-

ceedings which took place before a packed crowd of about 1,200 persons in the high school auditorium.

During the intermission while the candidates were changing from bathing suits to formal wear, the annual Beard Judging Contest took place.

Howard West of Friona was named the owner of the "bushiest" beard; Walter Cunningham, thickest beard and C. L. Kearnes, neatest beard.

True made presentations of checks to the winners.

Foxes Out-'Smart' Chiefs 32-7

Fort Sumner called on Full-back Dave Smart for a trick out of the bag every time the going got rough Friday night and the big 190 pounder was Johnny on the spot, or Johnny on the go as he rounded Friona's ends for three touchdown gallops.

The middle of the Friona line would buck up and hold, but power on the outside was the big difference as the Friona tacklers tried to hit the big man high, and got a facefull of stiffarm for their trouble.

Friona's Chiefs got only one sustained drive going during the night, and this came in the fourth quarter.

The Chiefs grabbed a Fox fumble on their own four yard line and on the back of big Tom Massey and Floyd Reeve rumbled down the field calling on a fake handoff to send Massey into the middle and the ball going to Reeve who stepped across the goal for the lone Friona score of the evening.

Massey carried the point after try through the middle of the line for two (or in New Mexico one) more points.

Still without a passing offense, and unable to stop the end sweeps, the Chiefs lay hapless in the wake of the black-shirted Foxes as they ran for runs of 62, and 38 yards around ends to score, and twice more only to have them called back on penalties.

Jobey Claborn was lost to the Chiefs in the ballgame due to hurt ribs and later Larry Drake was hospitalized with an injured knee.

Claborn's kickoff was taken on the Fox 28 and run back to the 40 where they took over for first and ten. One attempt into the middle left no gain, and an attempted pass drew a

15 yard penalty on the part of the Chiefs for dumping the passer after the ball left his hand. Following another incomplete pass and another Chiefstain penalty for offside the Foxes were second and five on the Chiefstain 42 when Allen Sparks rounded right end for the distance and the first Fox score.

Scotty Stevenson passed to Timmy Rogers and the Foxes were 7-0 early in the first quarter.

Gary Sneed took Stevenson's kickoff and came from the 15 to the 39 where the Chiefs took over first and ten.

At that point Barker and Claborn moved the ball for another first down on the Fox 42 when the Chiefs got 5 yards for offside.

Bobby Daniel attempted a pass but was smothered for a loss of another eight yards and with fourth and needing 11 yards Barker dropped back to punt.

The pass from center went over his head and the Foxes took over on the Chiefstain 25. Smartt picked up seven around right end, then the Foxes got 15 yards for holding. They were held in this series of downs and kicked into the end zone.

The Chiefs took over on their own 20 and moved out to their own 26 with fourth and three and on an attempted rollout Barker was held for no gain and the Foxes took over on the Chief 25.

The Foxes fumbled and recovered, and Owen Fox scored on an end run, but it was nullified by an offside penalty.

On an attempted pass, Claborn picked the ball up on the Chief's 20 and scampered to his own 45 before being boxed in and pushed out of bounds.

Two plays later, with third

and one the Chiefs fumbled and the foxes recovered.

Taking over on the 39, the Foxes called on a combination of Stevenson's passing arm and Smartt's end runs to move to the eight where Smartt dashed around end again for a score. The pass for point after was good and the score was 14-0.

Barker took the kickoff on his own five and returned to the Chiefstain 20. Calling on Barker, Massey and Reeve the Chiefs sparked a drive that carried them to a first and 10 on the Fox 32 seven plays later when attempted aerial went off target and was intercepted by the Foxes.

The gun sounded the half. (Foxes 14--Chiefs 0)

Sneed took the second half kickoff on his own 18 and ran back to the 38 where the Chiefs got a 5 yard penalty and were forced to punt on fourth down.

Barker's punt was returned to the Fox 44 and again Smartt led the attack with gains of 12, 7, and a pass for 13 yards to move on down to the Chiefstain three yard line where Sparks carried over to make the score 20-0.

The extra point try failed. Sneed gathered in the Fox kickoff and took the ball 17 yards to the 32 and after receiving an offside penalty and fumbling on a fourth down the Foxes took over on the 36.

A pass from Stevenson to Fox was good for a TD but called back for holding and the Foxes received another 15 yard penalty one play later forcing them to punt from their 50.

Reeve got the ball on the on the Chief 14 and moved back to the 35. (Fourth Quarter)

Four plays later the Foxes held and took the ball on the

HOW ARE THINGS GOING?—Royce Bodford, left, of KGNC Channel 4 in Amarillo, attended part of the Maize Days Celebration Friday afternoon during the showers. He taped a report of the proceedings with Newman Jarrell Jr., second from left, president of the Friona Chamber of Commerce & Agriculture; Porter Roberts, co-chairman of Maize Days, and Bill Nichols, right, co-chairman of the parade committee.

Chief 37. Aided by two penalties and a nine-yard run by Smartt and the Foxes moved to the Chiefstain four where they fumbled and Friona recovered.

Running Massey into the line, then faking to the big fullback and handing off to Reeve the Chiefs moved to the Fox 3-yard-line where Reeve carried over for the TD.

Massey bulled over the middle for the extra point. (20-7)

On the first play following the kickoff Smartt pulled the longest run from scrimmage out of his hat and dashed 62 yards down the left sideline for another Fox TD. Attempt for extra point failed and the score was 26-7.

The Chiefs ran the kickoff back to their own 45, got benefit of a 15 yard penalty for Foxes holding and then fumbled on the 45.

The Foxes lost four, then aided by four successive penalties for dumping the passer moved to the Chiefstain 5 where Stevenson ran over the final Fox score.

The point after was no good and the gun sounded on the first play after the kickoff. Final score 32-7.

Mrs. Florence Guinn, Mrs. Pearl Kinsley and Mrs. Ethel Chirwood attended a Past Matrons luncheon in the home of Mrs. John Patton at Hereford, Monday, September 12. New officers were installed for the coming year.

- THREE LEGGED RACE---Kim Buske & Johnny Claborn, Rickey Hurst & Eddie Wood, Joe Murphree & Terry Fite.
- BIKE RACE--Tommy Sherley, Danny Murphree, Joe Murphree.

Tech-WT Open At Lubbock

LUBBOCK, Texas Tech and West Texas State inaugurate the 1960 football season here Saturday night in a game filled with interest for fans outside as well as inside the Panhandle-South Plains area.

Always of regional interest, the game commands attention over the state because it is the first one for Tech as a participant in the Southwest Conference football race. And fans through New Mexico and Arizona are also interested, because they want to learn what sort of re-building job Coach Joe Kerbel has done with the Border Conference entry.

This region furnishes most of the talent for both teams. For Texas Tech, Coach DeWitt Weaver will probably start Mike Seay of Andrews and co-captain Don Waygood of Sundown at ends, Larry Mullins of Snyder and Pat Holmes of Del Rio at tackles, Ed Strickland of Pampa and Jere Don Mohon of Panhandle at guards, co-captain E. J. Holub of Lubbock at center; Glen Amerson of Munday, quarterback; Dick Polson of Amarillo and Bake Turner of Alpine, halves; Coolidge Hunt of Lubbock, fullback.

West Texas State starters may include Fred Hedgecoke, Stinnett, and Joe Granato, San Antonio, ends; Ray Kauffman, Levelland, and Gary Ward, Dumas, tackles; Bill Bradley, Tucson, Ariz., and Wayne Parker, Crosbyton, guards; Tommy Lovelace, Farwell, center; Jim

'Round the Clock Bank Deposit Service

permits you to make deposits of your cash receipts after daily banking hours every day in the year including Sundays and holidays in our MOSLER DUAL 24-HOUR DEPOSITORY.

OUR BANK IS NEVER CLOSED TO ITS DEPOSITORS!

Deposits in sealed envelopes are made in a keyless slot, as illustrated... just as easy as mailing a letter.

Bulkier deposits, in bags locked by the customer, are made in a hopper protected by a locked rectangular door to which the customer has the key.

Both types of deposits are instantly transmitted downward through separate metal chutes into a burglary-resistant safe inside our bank. Both chutes are protected by special baffles to prevent withdrawal of contents from outside.

Come in and let us explain and demonstrate this modern service installed for your convenience and protection.

Parade Floats, Exhibit Winners Are Named

Results of the judges in the floats in the Maize Days Parade was announced Saturday afternoon.

Friona Junior Class was named the Most Beautiful float; Sophomore Class the Most Original Float; Future Homemakers of America the Best Use of Maize.

In the Commercial Division, Ethridge Spring Agency was named first place; Southwestern Public Service Company, second place and Friona State bank, third place.

In Club Division, Rainbow Club of Friona, first, Rebecca and Friona 100F Lodge Float, second and Hub Community third.

In the children's division, Chuck Rector, first place with his "Texas Cocklebur" for most original; Robin Renner, named Cutest as he drove his own little hot rod; best decorated Go-Cart honors went to

Johnny Burrow, son of Mr. and Mrs. John Burrow and a student at Texas Western College at El Paso, spent the weekend with his parents.

John Bill McFarland and Best Decorated Horse went to Billy Proctor.

In the window displays, Rhea Home Demonstration Club was first place; Lazbuddie HD Club,

second place and Black H. D. Club in third place.

The Rhea Club display was set up in Hurst's window, Lazbuddie in Ethridge Spring and Black in Jarrells.

Final Rites For H. C. Kendrick

Funeral services for Horace Chilton Kendrick 73, were conducted from Friona Methodist Church at 10 a. m. Monday. Officiating minister was Rev. Hugh Blaylock of Dimmitt, former pastor of the local church. He was assisted by Rev. Wallace Kirby, pastor.

Mr. Kendrick, who has lived in Friona the past nine years, was born June 6, 1887 at Quitman, Texas. He moved to Amarillo from Wood County in 1922. For about 30 years before moving to Friona Mr. Kendrick was an employee of the Texas Company.

During the time of his residence here, he had been as-

sociated with Kendrick Oil Company, and was active until the time of his death.

Survivors include his wife, Hazel, one son, H. K. (Pudge) and two grandchildren, Danny and Sally Kendrick, all of Friona.

Pallbearers were J. G. McFarland, Carl Maurer, Ross Ayers, Charles Scales, Deon Awrey and U. S. Akens. Honorary pallbearers were members of the Men's Bible Class of Friona Methodist Church.

Burial was in Llano Cemetery in Amarillo under direction of Claborn Funeral Home.

Services Held At Bovina For Kersey Child

Funeral services for Lynn Olan Kersey, 9-year-old son of Mr. and Mrs. Olan Kersey of the Oklahoma Lane community, were held Saturday at the Pentecostal Church in Bovina.

Rev. S. W. Blake, former pastor of the church, who now resides in Clayton, was in charge of services. Pallbearers were Wendol, Troy and Donald Christian and John N., Max and Weldon Crim.

Lynn Olan, a victim of leukemia, had been ill about three months. He had completed the second grade at Farwell last year. The family first became aware of his illness in early summer. He passed away at Farmer County Community Hospital in Friona Wednesday of last week.

The youngest was born in Vancouver, Wash., and moved to this area with his family in 1956. His father is a farmer in the Oklahoma Lane community.

Survivors include the grandparents, Mr. and Mrs. A. T. Kersey of Oklahoma Lane, and Mr. and Mrs. Lecher of Portland, Oregon; great-grandmother, Mrs. Gertrude Graham of Portland;

Also four brothers, Wilton of Portland, and Wayne, Wesley and Glen of the home; and one sister, Mrs. Jean Page of Dallas.

Out of town relatives attending the services included Mrs. Ruby Ross and Mr. and Mrs. Bill Doak of Las Cruces; Mr. and Mrs. Homer Thomas of Oklahoma City; Mr. and Mrs. Troy Kersey and Mr. and Mrs. Ray Loomis of Albuquerque; Mrs. Lois Kibbee of Portland; and J. L. Bennett of Arcadia, Calif.

Members of the Kersey family this week expressed their appreciation to all their friends who had been so helpful to them during Lynn's illness. They particularly gave their thanks to those who gave blood donations, sent food to the home, for the comforting flowers, and the love offering. Also, they particularly expressed their gratitude to the nursing staff at the hospital in Friona for their care of the sick child.

Claborn's of Friona was in charge of arrangements for the services.

Two men were discussing a friend's bad luck at the races. "It's funny," commented one of them, "Frank is a demon at cards but he can't win a bet at the track."

"That's not so funny," the other said. "He can't shuffle the horses."

No Change In Tax Rate For Frionans

Friona's city tax rate will remain the same for the 1960 tax year announced the city council following their session in the city hall Monday night of last week.

The current tax rate of \$1.35 per \$100 valuation is estimated to be sufficient to keep the city on an even keel for another fiscal year.

A list of tax exempt property was read and approved to remain tax exempt during the coming year, this property is that owned or occupied by churches, civic and other non-profit organizations within the city limits.

A lengthy discussion was centered about a letter received from the Santa Fe Railroad Company concerning an application of the city to cross their right of way with a sewer line to go to the new sewer site.

After this discussion members voted to approve the recommendations as outlined in the letter to avoid more delay on

this construction job by trying to reason with the railroad.

An expenditure of \$79.75 was approved for the purchase of five jackets for members of the Friona Police Auxiliary, minutes were read and approved and the next meeting slated for

next week when bids for the new sewer plant will be opened.

Those present at the meeting included Bill Nichols, Danny Bainum, Glenn Reeve Sr., and Deon Awrey, Aldermen and Mayor R. L. Fleming and Albert Field, city manager.

Joy Ingram 1960 Maize Queen

Joy Ingram, 15-year-old daughter of Mr. and Mrs. W. S. Ingram of Friona was picked from a field of 29 girls as the 1960 Maize Days Queen at the annual Queen Contest Thursday night.

Sharon Reeve and Janet Buckley were named attendants to the Queen during the contest.

All three of the girls are sophomores in Friona High School and two are blondes, Miss Buckley is a brunette. Dan True, weatherman for Channel 10 in Amarillo served as emcee during the pro-

ceedings which took place before a packed crowd of about 1,200 persons in the high school auditorium.

During the intermission while the candidates were changing from bathing suits to formal wear, the annual Beard Judging Contest took place.

Howard Weast of Friona was named the owner of the "bushiest" beard; Walter Cunningham, thickest beard and C. L. Kearnes, neatest beard. True made presentations of checks to the winners.

Court Awards Payment To J. E. Hardage

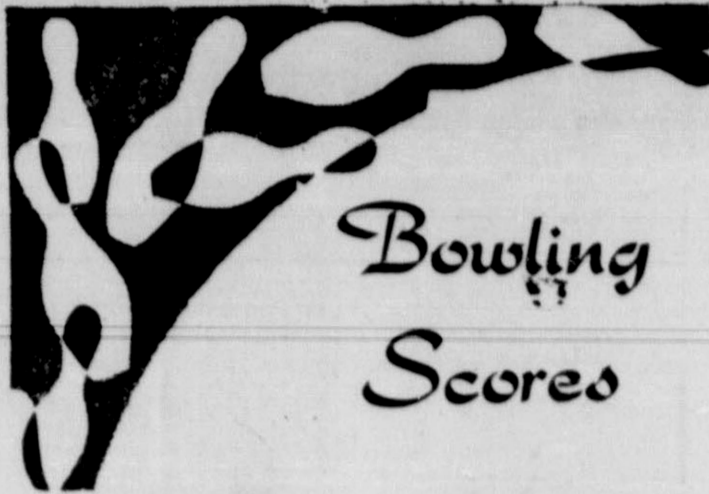

In the first case to be tried in the fall session of district court at Farwell Monday, J. E. Hardage was awarded payment in the amount of \$560.80 from C. A. Workman of Olton. The jury acted in favor of Hardage, who had sought payment for goods and service rendered at his business, Farwell Fertilizer. This session of district court is scheduled to continue through Thursday. The second of the seven cases on the docket, Paul D. Tullis vs. Vernon Bartlett and others, was to have been heard Tuesday and Wednesday. A third case, Harris B. Dunn vs. E. T. Jennings of Bengier Air Park, was on the docket for Thursday. The remainder of the civil court cases will probably be tried at a later date, says Hugh Moseley, county and district clerk. The twelve members of the jury in the first case were P. L. London, Dick Gerles, Jack

Patterson, Mrs. Boone Allison, F. M. Crook, James Ussery, Roy Beardain, William F. Bandy, Wesley Hardesty, Ira Clyde Fields, J. R. Cocannouer, and Douglas D. Connelly.

Teachers To Be Honored

The teachers of the Friona schools will be guests at the first meeting of the P-TA Thursday at 7 p. m. in the school cafeteria. Each parent is to bring fried chicken, salad and dessert for family and one teacher. The purpose of this meeting is for the new teachers to become acquainted with the faculty and parents. A nursery will be provided for all pre-school age children.

Recent guests in the home of Mrs. Pearl Kinsley were Mr. and Mrs. Worthy Ruegsegger of Montrose, Mich. The Ruegseggers are relatives of Mrs. Kinsley, and are moving to Phoenix, Ariz.

William L. Wilkerson, failure to appear.
Alvin Bruscoe Jones, speeding 71 mph in 60 mph zone.
Isreal Garcia, drunk in public place.

Frionans Go Elk Hunting

Four Friona men left Sunday, September 11, for Seeley Lake, Montana, to hunt elk and deer. The group plans to be gone about two weeks. The men making the trip are Ralph Wilson, Herschel Johnson, D. C. Herring and Louis Welch.

"Yes," asserted the big game hunter at a cocktail party, "I used to shoot tigers in Africa."
One of his listeners protested, "But there are no tigers on that continent."
"Of course not," glibly answered the hunter, "I shot them all."

Church Men Meet

Tuesday, September 6, at 8 p. m., about 50 men met at the Church of Christ annex for a period of fellowship. After a covered dish supper was served to the group games were played and members of the Church chorus sang several numbers.

QUOTE: George D. Scarseth, American Farm Research Association--

THE FARMER--HIS BURDENS AND BLESSINGS
1. He may be the first to go broke, but the last to starve.
2. He must stay close to home, has much privacy, and is free from Time Cards.
3. He knows storms, cold, rains and mud, but his air is free from cancer-producing gases.

4. He uses labor saving machines, but farms bigger, so works as hard as ever. Hard work doesn't kill anyone with a good heart--good in spirit and good by use.
5. His work is steady, so he isn't soft. (Many city people in the North die shoveling snow).
6. He can forego comforts and have much freedom, or he can trade his independence for more things. (His family and others keep him on the treadmill--most of us will do anything for our family).
7. He does not need a vacation in the country, but would like to see the "bright lights" occasionally.
8. He hasn't time to go fishing, but there is nobody saying--"you can't go."
9. He used to be regarded as a "hayseed", but many of our national leaders got started from hard times on the farm.
10. He can't hide his property from the tax collector, and is taxed to death for the tools he uses to produce a taxable income.
11. Inflation increases the value of his land, but in turn increases the taxes and the cost of farm supplies.
12. If he conserves his soil or builds its productivity, he gets no tax deduction; instead, the taxes go up because the farm's worth more.
13. He is a disciplined man. He can't cheat on the laws of nature, and as such doesn't like orders from confused man-made regulations; he hates bureaucrats, and is suspicious of "do-good leadership."
14. He believes in God. Of all men, the farmer must still work with God as a partner who will not strike.

"Your Greatest Thought"

Daniel Webster was at one time considered the greatest living American. He was great as an attorney, as an orator, as a statesman, and as a leader of men. This story was told of him, and it has more than one version, but it was something like this. A select banquet was made in honor of the great man. Only twenty-five were present, but these were leaders of the nation. There were judges of the Supreme Court, some eminent senators and others.

When the group was seated at the banquet table, one man probably expecting to get a discussion started of some subject of state, asked the honored guest, "What is the greatest thought that ever entered your mind?"

Webster answered, "The greatest thought that ever entered my mind is the thought of my responsibility to my God." Having said this, he wiped, excused himself from the table and went into an outer room the better to get control of his emotions. When he returned to the table he discoursed for half an hour upon "A man's responsibility to God."

I. If men may be judged by the importance of the things to which they give attention--and this is possible--then here is one measure of Webster. To what do we give attention today?

II. But as to ourselves, what are our greatest thoughts? It is too bad that we give attention to the trivial and the insignificant, even to the commonplace. These things are always with us, and are enough and big enough for creatures that have no immortality, but we are different.

III. What is the greatest and biggest thought that ever entered your mind? Does it dominate your whole life? Is it worthy of you all?

Farmers are changing--farms are changing--it is a business now and not a way of life--we are sorry to say, and to see it develop, but it doesn't seem that politicians or the Russians can change the ever increasing cycle of technology.

Of great significance to every type of supplier, who considers the farmers of the United States his chief market, are the remarks of H. J. Hulls, Jr., New Holland Machine Company, made at the recent American Marketing Association conference:

"Right now, at this minute, the farmer is going through a metamorphosis. The farm is taking on more and more the aspects of a factory. The farmer is thinking more and more of production line methods and materials handling systems. Because of this tremendous investment in machinery, he is starting to think in terms of capital investment, amortization and returns on capital employed."

"The last craftsman is being integrated into our production society, and agricultural marketing in the future might no longer be consumer marketing but become industrial marketing."

"And as the farms change, so will the farmer. New and different influences will change his attitudes, his desires, his beliefs. And the agricultural products industry will operate under a complete new set of ground rules in approach to marketing."

Did you know that 82 per cent of the farm population in Floyd County is under 40 years of age? This alone may be cause for a change.

hear that the ambulance drivers had trouble distinguishing Clyde from a donkey when he was taken to the hospital Saturday night.

The players swore that the beasts would look around and wait for you to relax, then WHAM!

Then all you had to do was to pick yourself up off the ground and chase down your steed again.

During all the excitement over the weekend I think that a saboteur got to my oldest son.

To add insult to injury I was awakened from a deep slumber Sunday afternoon to the tune of "The Eyes of Texas"--that hideous song of the T-Sippers.

Upon shaking myself awake, I tracked down the culprit who was humming such a song in my abode, and there to my surprise I found my very own son, humming away!

He wouldn't say where he'd learned it, but I have my suspicions as to what type of person would stoop so low as to take advantage of a young four-year-old's mind to cram such dirt therein.

We aren't sure, but as he spent the day recently at a friend's house who delights in such antics, well, we do suspect foul play.

I am now trying a series of brainwashing sessions, in hopes that his young mind hasn't suffered too much from the strain, and that it was caught in time to not affect him later in life, especially about the time he starts to college.

Mr. and Mrs. Larry Fairchild and Mr. and Mrs. Burke Hand returned to Friona Monday after spending a vacation in Pagosa Springs, Colorado.

Mr. and Mrs. Lloyd Shulk were visitors in the home of Mr. and Mrs. Martel Beason of Snyder, Oklahoma, last week.

Visiting in the home of Mr. and Mrs. Lloyd Shulk this week is Mrs. Frank Edwards from Aurora, Illinois. Mrs. Edwards is a aunt of Mrs. Shulk.

Mr. and Mrs. Keith Blackburn spent the Labor Day holidays at Eagle Nest and in that area fishing.

Recent visitors in Gunnison, Colorado, were Mr. and Mrs. Claude Blackburn. Returning with them to Friona were Carol and Neal Pounds.

Country Club--

(Continued from page 1) The organization agreed to take assignment of 55 acres of land adjoining the west part of town, owned by Ed Massey...

Included in the tentative plans of the club are aims to sell 100 memberships at \$500 each to form the capital necessary to construct a nine-hole golf course...

Plans at this time include selling Truitt Johnson a piece of land at the northeast corner of the property on which he will build a \$50,000 all-year-round swimming pool.

A membership in the country club entitles that holder, and his family to all privileges in the swimming pool without further charge.

The swimming pool will be entirely apart from the country club as far as ownership is concerned, it was pointed out, but members in the club will have privileges which will amount to the same as if the pool were a part of the club.

Andy Hurst and Edelman told of visits made to surrounding areas where residents have built a country club, and they said that the same general plans will work for a club here.

Following the general meeting the temporary board met and set up the meeting for Saturday night at which time they urge all interested parties to be in attendance to get the club underway.

The board set up three ways to purchase the memberships, which will be paid only one time and good for life. Monthly dues will be assessed the members when the club gets in operation and the \$500 will be paid only once.

The board authorized the following payment plans:

(1) full payment in cash. (2) \$100 down, with balance paid prior to Jan. 15, 1961 without any interest being charged; (3) \$100 down and payments of \$100 in November and July of 1961 and November and July, 1962;

(4) \$100 down and balance paid within two years.

(The last two plans, if desired, will be charged at a rate of eight per cent interest.)

In addition the board pointed out that a person will not have to be a member of the club in order to play golf. Green fees will be charged non-members.

In addition, Johnson will reserve the right to sell separate memberships in the swimming pool, which will also be on a club basis, but the group felt that the two being constructed close together will benefit one another.

Rash of Wrecks--

(Continued from page 1)

owned by Mrs. Faye Reeve.

This happened at Sixth and Washington Streets.

Snodgrass made the turn from Sixth onto Washington at an excessive rate of speed and hit the Reeve auto which was stopped at the time of impact.

No one was injured, but damages are estimated to be about \$550 to the cars.

Tuesday morning a collision was reported at the intersections of Fifth Street and Main at 9:50 a. m. when a 1959 Ford, driven by Vera Day struck the left front of a 1949 Plymouth driven by P. Henry Luck, 79, of Hereford.

Luck was turning onto Main from Fifth when Mrs. Day came south on Main heading out to take her mail route.

Luck was charged with failure to yield right of way.

Luck was taken to Parmer County Community Hospital, but was later released.

Hoods--

(Continued from page 1)

taken.

The thieves entered in the same manner as they did in Friona but officers declined to comment as to whether or not the same group was guilty on both counts.

Bovins has been the target of prowlers several times of late, but this is the first breaking and entering in Friona for some time.

Women are like baseball umpires--they make quick decisions, never reverse them and they don't think you're safe when you're out.

The nurse ushered into the psychiatrist's office a man who was wearing earrings with strips of bacon dangling from them. A fried egg rested on top of his head.

The doctor offered the man a chair and softly asked, "Now, what is bothering you?"

"Oh, I'm alright, doctor-- I came to see you about my brother."

Progressive Study Club Observes Anniversary

Members of the Progressive Study Club met at the club Tuesday, September 13, to observe their tenth anniversary. Decorations were made and calendars throughout the room carrying out the theme of the new year book, "Date to Meditate."

Yearbooks from the past ten

Son Born To Jim Carlsons

A baby boy was born to Mr. and Mrs. Jim Carlson at the local hospital Sunday, September 4. He weighed 7 lbs. and 14 ozs. and was named James Kevin.

Grandparents are Mr. and Mrs. W. S. Crow and Mr. and Mrs. Marcus Strobel of Arlington, Minn. Great grandparents are L. M. Crow and Mrs. J. M. Bradley of Friona.

years were presented to the club by Mrs. Louise Welch for remembrance. Mrs. Bob Riethmayer, financial committee chairman, reported the success of the money doll that was given away during Maize Days. The club will replace the couch at the hospital with the money.

Mrs. Marion Fite, president, gave the greeting and Mrs. Flake Barber presented the yearbooks to the members.

A salad supper was served from a buffet table decorated with a watermelon basket filled with melon balls and fruits. Mrs. M. C. Osborn designed the centerpiece.

Hostesses were Mrs. Flake Barber, Mrs. M. C. Osborn, Mrs. Marion Fite, Mrs. Robert Ginsburg and Mrs. Martell LeVeque.

Hospital Auxiliary Meets September 22

The first fall meeting of the Farmer County Community Hospital Auxiliary will be Thursday, September 22 in the community room at the bank, announces the new president, Mrs. Paul Spring.

Committees will be appointed and plans for the fall rummage sale will be discussed. Anyone who is interested is invited to join the auxiliary.

Mr. and Mrs. Elvin Wilson and children, Diana, Darlene and Mickey are moving to Friona from Piedmont, South Dakota. Mr. Wilson will farm here.

Mrs. Ella Dukes and Mr. and Mrs. Bryant Dukes of Lubbock were guests in the home of Mr. and Mrs. Watson Whaley over the weekend.

Of Interest To THE WOMEN

First Baptist Church Has WMU Meet *That Wonderful Year Theme Of Study Club*

Members of the WMU met at the First Baptist Church Wednesday, September 7 for a Bible study. Topic of the lesson was prayer, and was taught by Mrs. J. D. Sanders.

Present were Mrs. Rosa Anderson, O. B. Moyer, Bee Westbrook, Edgar Carney, A. G. Rolan, Lee Renner, Glen Mingsus, Lloyd Mingsus, J. D. Sanders, Rudolph Renner Jr., Spencer Hough, T. E. Wood, Dewey Price, Dan Laceywell, Raymond Cook, Curtis Murphee, Dave Hicks and Mae Foster.

September 14 the WMU will have a luncheon.

The Modern Club had the first meeting of the season Tuesday evening, September 6. The theme for the coming year will be "That Wonderful Year."

Mrs. Dan Ethridge and Mrs. Paul Hall presented the program on foreign affairs. Discussions were given on "Russia, No Summit" and "Cuban Affairs."

Mrs. Mack Bainum, president, and Mrs. Sloan Osborn, secretary, directed the business session. The year books were discussed and two new members

were introduced, Mrs. Alton Farr and Mrs. Jesse Sinclair. Hostesses Mrs. Ralph Wilson and Mrs. V. J. Zeman served refreshments to 25 members.

Local

Visitors in the home of Mayor and Mrs. Raymond Fleming Friday were his father, Mr. O. D. Fleming of Monte Vista, Colorado and Mr. and Mrs. Hugh Simmons of Fresno, Calif. Mrs. Simmons is a cousin of Raymond Fleming, whom he hadn't seen for 25 years.

Mr. and Mrs. J. M. Watson, Mr. and Mrs. R. L. Bates and Dwight, Mr. and Mrs. Harold Lillard and Mrs. Nelson Welch visited with Mr. and Mrs. Don Hunt and family of Amarillo, Saturday.

Mr. and Mrs. Otis Peterson of Lamesa visited in the home of Mr. and Mrs. James Procter last week. The Petersons are the parents of Mrs. Procter.

Mr. and Mrs. Ray Dean Fleming were guests in the home of Mrs. Fleming's parents, Mr. and Mrs. Lloyd Widener of Lockney the past weekend.

Mr. and Mrs. Wesley Hardesty have returned from a trip to Salt Lake City, Utah. They visited with Mr. and Mrs. Gene Johnson while there.

Guests in the home of Mr. and Mrs. Ray Landrum last week were Dr. and Mrs. H. H. Chesnut of Huron, Calif. Mrs. Chesnut is the former Dorothy Landrum, sister of Ray.

Mr. and Mrs. Ray Landrum were in Roswell, N. Mex. last week visiting with Mr. and Mrs. Buck Dixon. Buck is a brother of Mrs. Landrum.

in and around FRIONA WITH JUNE

Those of us who are older seem to get into a rut, stay until it becomes a groove, then settle down and enjoy it. Getting into a different groove really gets to be a problem and most times we just simply don't even want to change.

Charley and Tina Bainum seem to have enjoyed the groove of having sons in Friona schools. They were heard to remark recently that "It surely does seem strange." Upon doing some checking we learned that this is the first time school has started in 24 years without one of their sons being enrolled.

All four of the "Bainum boys"—Kenneth, Wayne, Dudley and Jimmie—are graduates of Friona High School and took

part in many outside activities. Needless to say, the Bainums will be missed.

For the "Most Colorful Spot" in town, we nominate the backyard of Jim and Sally Cocanouer's home. These two put in a lot of time and effort growing flowers and derive a great deal of satisfaction from their annual production. Neither of them admits having a "green thumb." According to these two, all it takes to grow lovely flowers is time, want, to seed, water and effort. Maybe those of us who have only weeds are just plain lazy.

As usual at this time of year, helpers are needed for Girl Scouts and Boy Scouts. Anyone who has time or talent to spare is asked to contact leaders of these two worthwhile organizations and volunteer for work. Working with children can be very rewarding. Persons who have worked with these two groups several years feel their time is well spent.

Hospital Notes

Patients admitted to hospital August 30th thru September 6th: William Luther Scales, Friona, medical; Mary Durstine, Friona, medical; Ed Duke, Friona, surgical; Mrs. Tommy Taylor, Bovina, O. B.; James Neely Clayton, Bovina, surgical; Patricia Estep, Friona, medical;

Norberto Gonzales, Summerfield, medical; Bobby Joe Johnson, Hereford, surgical; Mrs. Donnie Waller, Friona, medical; Michael McCollum, Bovina, medical; Florence E. Guinn, Friona, medical; Mrs. Raul Falcon, Friona, medical;

Mrs. James E. Carlson, Friona, O. B.; Fred Carson, Friona, medical; Joyce Veasey, Friona, medical; Lorene Hale, Friona, medical; Jerri C. Ritchie, Hereford, medical; Anne Spring, Friona, surgical; Mrs. Donald Williams, Farwell, O. B.; Antonio Torres, Bovina, medical;

Johnny Massey, Friona, medical; Mrs. Joel Landrum, Friona, O. B.; Stevie Brooks, Friona, surgical; Eunice Adkins, Friona, medical; Benjamin Gonzales, Friona, medical; John Hartwell, Bovina, medical; Leon Perez, Friona, accident;

Ella Mae Hall, Yuma, Ariz., surgical; Judy Faye Smith, Friona, medical;

Dismissals August 30th thru September 6th: Leonard Dopp, Brook Mast, Mary Fira, Troy E. Wood, Samuel A. Bryan, Charles Seale, Enrique Martinez, Thelma Perkins, Gussie Miller, Luis Rivera, Mary Durstine, Ed Duke, Victor Martinez, Mrs. Ronnie Howard, and baby girl, Mrs. Raul Falcon, Hoyt Smith, Mrs. Tommy Taylor and baby boy;

Bobby Jo Johnson, Michael McCollum, Florence Guinn, James N. Clayton, Jerry Beth Waller, Johnny Massey, Norberton Gonzales, Fred Carson, Joyce Veasey, Lorene Hale, Jerri Richie, Anne Spring, Maud Lorena Mills, Stevie Brooks,

Mrs. E. A. Schmidt and her granddaughter of Chicago have been visiting the past ten days with Mr. and Mrs. E. R. Day and Mrs. T. B. Armstrong. Mrs. Schmidt is the daughter of Mrs. Armstrong.

Friona Students College Bound

Many Friona College students have already gone to college and others are packing to leave this week for schools in various locations. Those planning to attend West Texas State College at Canyon are Connie Ray, son of Mr. and Mrs. John L. Ray; Teddy White, son of Mr. and Mrs. L. R. White; Dee Taylor, son of Mr. and Mrs. L. D. Taylor; James Anthony, son of Mr. and Mrs. Ernest Anthony; Judy Smith, daughter of Mr. and Mrs. Ralph Smith; Linda and Owen Houston, Linda is the daughter of Mr. and Mrs. J. T. Gee and Owen is the son of Mr. and Mrs. T. L. Houston Sr.; Betty Barnett, daughter of Mr. and Mrs. Fern Barnett; Larry Milligan, son of Mr. and Mrs. L. A. Milligan; and Owen Drake, son of Mr. and Mrs. Earl Drake.

Attending Texas Tech are Donald Loafman, son of Mr. and Mrs. L. W. Loafman; Judy and Wesley Barnett, whose parents are Mr. and Mrs. Fern Barnett; Sue Baxter, daughter of Mr. and Mrs. Bill Baxter; Leveda Hand, daughter of Mr. and Mrs. L. R. Hand; Jacquelyn

Magness, daughter of Mrs. Mae Magness; Ronnie Wood, son of Mr. and Mrs. Noyle Wood; Ronnie Castberry, son of Mr. and Mrs. Ray Castberry; Mike Ellis, son of Mr. and Mrs. Eugene Ellis; Larry Crow, son of Mr. and Mrs. C. S. Crow; Phillip Bates, son of Mr. and Mrs. R. L. Bates; and Lila Gay Buske, daughter of Mr. and Mrs. G. B. Buske.

Sue White, daughter of Mr. and Mrs. Ed White Sr.; Virginia Fulks, daughter of Mr. and Mrs. Neal Fulks; Erma Drake, daughter of Mr. and Mrs. Arthur Drake; and Jimmie Bainum, son of Mr. and Mrs. Charlie Bainum; will go to South Plains Junior College in Levelland.

Lubbock Christian College students will be Harold Taylor, son of Mr. and Mrs. Glenn Taylor; Geneva Floyd, daughter of Mr. and Mrs. Glenn Floyd; Bill Loafman, son of Mr. and Mrs. L. W. Loafman; Jonnie Hand, daughter of Mr. and Mrs. Johnny Hand and Janet Sneed, daughter of Mr. and Mrs. R. E. Sneed.

Robbie Bogess, daughter of Mr. and Mrs. Eugene Bogess, will attend Abilene Christian College. Jan Edlemont, daughter of Mr. and Mrs. W. L. Edlemont, returns to University of New Mexico. Attending Harding College, Searcy, Ark., will be Margaret Mabry, daughter of Mr.

Margie Carlton, daughter of Mr. and Mrs. A. L. Carlton will attend Wayland College at Plainview. James Gee, son of Mr. and Mrs. Harrison Gee, goes to Eastern New Mexico University in Portales. Those attending Oklahoma Baptist University are Gerald Daniel, son of Mr. and Mrs. Paul Daniel, and Charles McKenzie, son of Mr. and Mrs. A. L. McKenzie.

Faye Scales, daughter of Mr. and Mrs. Charles Scales and Jean Wilson, daughter of Mr. and Mrs. Winston Wilson, are going to a Beauty School in Amarillo will be Jolynda Stokes, daughter of Mrs. Lucy Mae Stokes, who plans to attend School of Nursing, at St. Anthony's and Sally Hough, daughter of Mrs. Dorothy Hough will be at North West Texas Hospital.

Other students attending Texas Tech are Patsy Anthony, daughter of Mr. and Mrs. A. W. Anthony; Gerald Floyd, son of Mr. and Mrs. Glen Floyd and Graham Prewett, son of Mr. and Mrs. Loyd Prewett. Ted Sanders, son of Mr. and Mrs. J. D. Sanders is enrolled at Wayland College at Plainview. Attending T. C. U. at Fort Worth is H. V. Rocky, son of Mr. and Mrs. Dick Rocky, J. B. Douglas, son of Mr. and Mrs. Joe Douglas will be at N. M. M. I. in Roswell. Going to the University of Texas at Austin are Sally Osborn, daughter of Mr. and Mrs. Sloan Osborn and Clyde L. Hays, son of Mr. and Mrs. Clyde Hays.

and Mrs. James Mabry. Attending Colorado State University, Fort Collins, Colo. will be Janice Miller, daughter of Mr. and Mrs. Roy V. Miller Sr., and Gary Sherrieb, son of Mr. and Mrs. Clyde Sherrieb. Pat Foster, daughter of Mr. and Mrs. Wesley Foster, and Carolyn Carson, daughter of Mr. and Mrs. Fred Carson, will go to Texas Women's University at Denton. Adelle Smith daughter of Mr. and Mrs. Hoyt Smith will go to North Texas State, Denton.

Mary Tom Spring, daughter of Mr. and Mrs. Frank Spring, will attend Cottey College at Nevada, Mo. Larry Mabry, son of Mr. and Mrs. Walter Mabry is in school at New Mexico Military Institute, Roswell, N. Mex. Don Clements, son of Mr. and Mrs. Roy Clements, will go to Texas A&M. Robbie Osborn, son of Mr. and Mrs. Sloan Osborn, plans to attend Lamar State College of Technology in Beaumont, Texas.

Lonvicks Have
New Baby Boy

Mr. and Mrs. Ed Lonvick of Memphis, Tenn., became parents of a son Friday, September 9. He weighed 7 lbs. and was named Eric.

Grandparents are Mr. and Mrs. Wesley Foster, Friona, and Mr. and Mrs. E. A. Lonvick of Dallas. Great grandparents are Mr. and Mrs. Jake Lamb. Eric has one sister, Malynn.

Coffee Honors New Primary Teachers

New primary teachers were honored with a coffee Monday afternoon in the community room of the bank building, to acquaint them with all of the teachers in the first four grades of the Friona schools.

Hostesses Mrs. June Rhodes, Mrs. Ethel Bengler and Mrs. Velma Lovett served coffee, cakes and cookies to the new teachers Mrs. Pauline Lemmond, Mrs. Jimmie Briggs, Mrs. Gladys McVey, Mrs. Lorraine Welch, Mrs. Mattie Bell Ray and Mrs. Viola Treider.

Other teachers present were Mrs. Irma Stark, Mrs. Grace Whitefield, Miss Jo Phillips, Mrs. Wana Brewer, Mrs. Frankie Fortune, Mrs. Juanee Green, and Mr. and Mrs. J. T. Gee.

Also joining the group for coffee were Mrs. Wright Williams and Bill Nichols.

Births

The following births were recorded with Justice of Peace Thelma Jones by the Farmer County Community Hospital during the week ending September 6:

Girl—born to Mr. and Mrs. Ronald Neil Howard of Bovina on August 30, 1960 at 5:02 a. m. weighing 7 lbs 5 oz.

Boy—born to Mr. and Mrs. Tommy Lee Taylor of Bovina on September 1, 1960 at 4:07 a. m. weighing 7 lb 15 oz.

Mr. and Mrs. Lee Carroll of Salt Lake City, Utah were recent visitors in the home of Mr. and Mrs. Wesley Hardesty.

Two Men Fined Following Wreck

Two men were fined following a car-pickup collision east of Farwell on Highway 60 Monday evening about 7:30. A car driven by Dewey Morris ran into the back of a pickup driven by J. D. Carson.

Damage to the late-model pickup, owned by John McFarland, was estimated at about \$100 and damage to the 55 Ford belonging to Morris was between \$400 and \$500.

Morris was charged with speeding and Carson was charged with driving a vehicle without a tail light. They were tried by Justice of Peace J. R. Thornton Tuesday. Carson was fined \$16.50 and Morris was fined \$5.

The accident was investigated by Parmer County Sheriff Chas. Lovelace and the Texas state highway patrol.

Commissioners Turn Down Road Request

Parmer County Commissioners Court Monday accepted a recommendation of an appointed jury of view and turned down a request for a new half-mile road northwest of Black.

A petition bearing the names of eight individuals was submitted to the court on August 8, requesting that the road be built from an existing county road to the farm home of James E. Buckley. Because of heavy rains, the only road leading to the Buckley home is blocked by a lake.

Damage to the property, which would be required for the road, would have cost the county \$1600. In its report, the jury of view said it was "of the opinion that the route is too expensive for the county to build and serve one family."

They suggested that the old road, south of the Buckley home, could be repaired at a lower cost. Members of the jury of view were J. R. Braxton, Grover Goggans, Ellis Tatum, T. A. Sherley and R. W. Parr.

In other business for the commissioners court Monday, the group paid bills and worked on the acquisition of right-of-way for the proposed four-lane road on Highway 70-84.

Visiting Mr. and Mrs. W. B. Norwood over the Labor Day weekend were Mr. and Mrs. W. B. Norwood, Jr. and family Joylinda, Jeanette, Jackie, Jill and John of Albuquerque. Present for Sunday dinner were Lois Norwood, Mr. and Mrs. Leroy Blaylock, Lygia Ann, Toren Ray and Mike and Mr. and Mrs. Jimmy Norwood and Douglas.

Black News

BY MRS. DELTON LEWELLEN

The Black Home Demonstration Club will meet Thursday in the home of Mrs. T. A. Sherley in Friona.

Mr. and Mrs. Gene Welch became parents of a baby girl born Thursday September 8 at the Deaf Smith County Hospital at Hereford. She was named Varla and weighed 8 lb.

I am sure everyone noticed the window in Jarrell's variety that the ladies from Black decorated. We were very happy that it received 3rd place and know everyone enjoyed seeing all the fancy work and home grown vegetables.

Mrs. Ann Carthel was among those attending the coffee at the Federated Club Womens House in Amarillo recently honoring Mrs. Bob Kennedy, Mrs. Schiver and Mrs. Lyndon Johnson.

Mr. and Mrs. T. A. Kelley and girls of Plainview visited Mr. and Mrs. Tom Lewellen and family Saturday night and Sunday.

Mr. and Mrs. Harvey Shapley, Haskell and Miss Sandra Farnsworth of Amarillo visited in the home of Mr. and Mrs. Delton Lewellen on Sunday.

Mr. and Mrs. Edgar Turner returned from a trip to Poteau, Oklahoma where they visited his parents.

Mr. and Mrs. Rhoden Smart returned home to Wellington after being here a week. They stayed with the L. L. Deatons girls and took care of the Black Store while Mr. and Mrs. L. L. Deaton were on vacation.

Mr. and Mrs. Deaton returned Friday from a trip to N. Mexico and Colorado Springs. They enjoyed seeing Cave of the Winds, Pikes Peak, Seven Falls and other points of interest.

H. V. Rockey is home for a few days between his two week reserves training and entering school for the fall term. H. V. will attend T. C. U.

Mr. and Mrs. Dick Rockey and H. V. were in Muleshoe visiting Mrs. Hattie Rockey and the Howard Elliotts on Sunday.

Several of our residents who will be off to college this fall are Betty Barnett, who will attend West Texas State,

Canyon Clyde Hays will attend the University of Texas and Wesley and Judy Barnett and Graham Prewett who will attend Texas Tech.

Fern Barnett, Pete Braxton, and Vernon Christian have been fishing at Shell Nob, Missouri. They enjoyed the trip and reported pretty good fishing.

Mrs. R. E. Barnett has been in the hospital in Hereford a few days this last week but has hopes of coming home Tuesday or Wednesday. We hope she is feeling a lot better now.

Mr. and Mrs. Lester Dean visited in Muleshoe with Mr. and Mrs. F. B. Dean on Sunday.

Mrs. Lester Dean and Mrs. Merler Shirley were in Clovis on Wednesday shopping.

Mrs. S. H. Greason of Here-

ford spent a couple of days with Mr. and Mrs. Lester Dean last week.

Mr. and Mrs. Travis Stone and family attended the funeral of Mrs. Leo Stepanian of Lubbock on Saturday.

Mr. and Mrs. Rosco Ivie visited with Mrs. R. E. Barnett, who is in the hospital in Hereford Sunday.

Mr. and Mrs. Bill Carthel and boys visited Mr. and Mrs. Terrell Hodges of Dimmitt on Thursday night.

Mr. and Mrs. Harry Kabridge of California visited with the Lester Deans one day last week.

Mr. and Mrs. Pete Garnett and boys of Clovis and Mr. and Mrs. Bill Hampton and son of Hereford visited with Mr. and Mrs. C. H. Hammock on Sunday.

Final Rites For Tom Lloyd

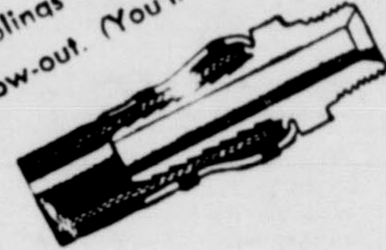

Funeral services were conducted at 2 p.m. Monday for Thomas L. Lloyd of Bovina at the Bovina Baptist Church. Mr. Lloyd, a long time resident of Parmer County, died early Sunday at Parmer County Community Hospital.

Rev. John Ferguson, pastor, officiated. He was assisted by Alfred White, minister of the Church of Christ there.

Survivors include his wife, Bessie, a foster daughter, Miss Millie Holder and two sisters, Mrs. Ollie Free and Mrs. Bessie Wilkerson, all of Bovina. Mr. Lloyd was a brother of the late H. H. Lloyd of Friona.

NOW! Hydraulic Hose Factory Finish Couplings Installed in Our Shop

Using the new "COUPLAMATIC" process, we will make hoses of any length or repair hoses for you in a matter of minutes. AND... these couplings are guaranteed against leaking or blow-out. (You'll like the price, too!) Stop in and see our new process & let us solve your hose coupling problems, right now.

THE HIGH PLAINS FARM AND HOME

Cotton Is "Trying Hard"

Grain Sorghum Meet Tuesday

A meeting of Grain Sorghum Producers Association has been slated for 8 p. m., Tuesday, September 20, in the Community Room of the Friona State Bank.

Principal item of business at this meeting will be election of officers for the coming year.

Research, market development and service program of the Grain Sorghum Producers Association gained added impetus this week with an announcement of expansion of their work in two important directions.

In one expansion move, Frank Moore of Plainview, the Association's president, announced that B. M. McGinley is joining the staff of the organization to enlarge the field service activities. Moore pointed out that this is in order to give greater service to the expanding potentials for livestock feeding in the area, the need for closer relationships with other feeding areas such as the California market, and the need for close attention to legislative matters affecting sorghum growers as farm policy programs are re-constructed during the coming year.

McGinley, former Anadarko, Oklahoma businessman, will give special emphasis to work with county sorghum producer association directors and local grain elevator operators in organizational matters.

The second area of expansion according to Moore is the naming of a local grain elevator operator to the board of each county grain sorghum producer association. Such officials have in the past worked closely with Association leaders in all phases of their program but this marks the first time they will be serving on the board of the organization. These added directors as well as other officers for the coming year, will be elected at county meetings which will be held throughout the sorghum-producing area during the ensuing weeks.

Moore pointed out that McGinley comes to the Grain Sorghum Producers Association with an admirable background of

many years' business and civic experience. After being reared on a farm in Kansas, he attended Oklahoma State University and since has served Oklahoma Agricultural interest in such towns as Enid, Elk City, El Reno and Anadarko. In all these areas he has been active in civic affairs and has served as president of the Junior Chamber of Commerce, the Chamber of Commerce and the school boards.

Mr. and Mrs. McGinley and their 14 year old daughter, Donna Jean, will establish their home in Amarillo September 1st.

Field Day At Halfway

The fourth annual Field Day of the High Plains Research Foundation will be held Wednesday, September 14 at Halfway, Texas, Frank Moore, president of the Foundation announced.

Tours of the research plots will start at 1:30 p. m. and continue until 5 p. m. A barbecue will be served all visitors at 6 p. m., followed by an evening program.

Visitors will have an opportunity to see the expanded research programs with cotton, and the new basic plant breeding program with soybeans and sesame.

Other points of interest include the new research program on weed elimination with flame cultivation; fertilizer studies with cotton, grain sorghum, and castor beans; variety tests on grain sorghum, soybeans, corn, castor beans, and sesame; and irrigation valuation, water conservation, and the recharge well.

In addition to the farm tours, a farm machinery exhibit will show the latest development in farm, irrigation, and agricultural aviation equipment.

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Herman Gerles, PCFB president, and wife, Alta, invited all the directors out to their home for regular director's meeting Monday night, Sept. 5. To make it more interesting, they asked them to bring their wives and enjoy barbecued chicken with trimmings and ice cream.

Attending were: The Donald Christians, F. D. Carters, J. T. Joneses, Claude Osborns, Joe Jeskoos, Vernon Symcoxes, Franklin Bauers, all of whom are directors and officers. Others attending were the Buster Davises, Jack Pattersons, Raymond Eulers and the Roy Millers.

Subjects discussed in the meeting were investment of building fund money; letters to legislators regarding need for a different type of farm program than presently advocated; and membership acquisition. The date and place for the annual county convention was set for the Oklahoma Lane Community Building on the night of October 6th.

The United States Department of Agriculture reports that there are one hundred seventy automatic cotton samplers operating in gin plants in the United States. Ninety-seven of these are in the state of Texas.

Regarding the statement often heard that the United States should donate its surplus food supply to the needy, here are some interesting facts. Over fifteen billion pounds of surplus food have been moved into use during the last eight years through the operation of the District Distribution Program, both in the United States and overseas.

The number of persons receiving surplus food in the needy person category increased to five and seven tenths million in March, 1959--the largest total since 1942. The cost of the food was reportedly nearly three billion dollars.

We would like to urge each person to give time to study of the political situation and decide how you really want to vote in the coming election. It is important that everyone study enough that they are interested enough to make it a point to vote their convictions.

In spite of adverse weather conditions during much of this year's growing season, Farmer County cotton is "trying hard" to produce a fair yield.

"What we need now is plenty of open weather between now and November 1," says Farmer County Agent Joe Jones. By "open weather," he was referring to plenty of warm, sunshiny days.

As was the case last year, much of the cotton is several weeks late and the cotton farmer's fate will rest with the weather. An early frost could be damaging.

There are 37,000 acres of cotton in Farmer County and if the weather cooperates it could make on the average of a bale per acre, believes Jones. There are a few acres less cotton in the county this year than last, because more of it was plowed under.

Some of the acreage, which didn't get off to a very good start, was abandoned and planted into grain sorghum or wheat. In all, there were 12,000 acres plowed up, according to Prentice Mills of the County ASC office.

The way things look right now, the cycle of alternate good years and bad years for cotton in Farmer County will be broken this year. Since 1954, when county farmers were just getting nicely started growing cotton, the crop has been on this every-other-year cycle.

Even-numbered years have been when farmers produced high, quality yields and the odd-numbered years have been the poor ones. The year 1958 was the last good cotton crop and last year was a poor one.

Naturally, farmers have been hoping this cycle would be broken, but not in the manner which it will perhaps be this year. This is 1960, an even-numbered year, and according to past history, this should be the year to "hit."

Everything has been against the cotton farmer this season, and only a miracle would make this crop any better than "fair." The weather was unusually cold

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

Plans are being made for the annual Soil Conservation District tour and banquet. Date of the tour has been tentatively set for Monday afternoon, September 26.

The banquet has been scheduled for Tuesday night, September 27. Be sure to check next week's column for complete details.

Marketing Cards At ASC Office

Marketing cards for Farmer County's cotton farmers are now available at the ASC office in Farwell, reports Prentice Mills, County ASC manager.

Farmers may now pick them up at the ASC office, or they will be mailed on request, Mills says. The farmers must have the cards to market their cotton.

SOME OF THE EARLIEST COTTON in Farmer County this year is this one patch on the Kenneth Johnson farm. It is maturing fast and, here, Johnson is shown looking at some of the open bolls. Johnson estimates that this field of Gregg cotton will make about a bale per acre.

STANDING IN TALL COTTON at his farm near the Oklahoma Lane community is Glendon Sudderth. Here, Sudderth checks a few of the open bolls on this patch of Austin cotton. Cotton, generally is not in too good a shape, but with the proper weather conditions this field could make a bale and a half per acre.

The Annual Soil Conservation District Tour will be held Monday afternoon Sept. 26. For details see the program in next weeks paper and make plans to go on the tour.

The Grain Sorghum crop is the best ever the way it looks to me at present. The big harvest is just ahead so I'd like to remind you of a few things that are of real importance to our future markets. Dry grain is the key to safe storage and in the end a good feed. Too many farmers do not consider the ultimate end of all grain sorghum as a feed to be fed to livestock and poultry for the production of livestock and poultry products.

The condition it reaches the consumer whether it be a local feed lot, a boy feeding one calf, a mill in Europe, or South America, greatly affect the attitude people have toward grain sorghum as a feed. The expansion of markets for grain sorghum is being pushed hard by the "National Grain Sorghum Association" and other groups and many of you are contributing 2¢ per 1000# production, but unless a product will stand up as useful product all the advertising and efforts put forth are of little value. Research has proven the value of grain sorghum as a feed grain and many people have used it and are well satisfied, but in talking to a lot of people who have used grain sorghum they say too

much of it is received in poor condition. This is true even with farmers here in the county who use grain sorghum after they store it on their own farms or in the elevator. All this adds up to harvesting while the moisture is too high or poor storage conditions. If we are to create and hold our local and foreign markets we must harvest at the correct moisture levels (12% to 14%) and then store in good storage facilities that will maintain this quality. As we move forward with our market development program let us also supply a product that will give us repeat orders for this product that is basic to our agricultural economy. The condition you take grain sorghum to the elevator and how the elevator takes care of it is the key to our exported grain sorghum trade.

The "Grain Sorghum Association" is holding a meeting Tuesday, night Sept. 20 to discuss their marketing program the past two years and outline their future plans. The meeting will be held in the meeting room of the Friona State Bank and everyone is urged to attend and hear the Grain Sorghum situation from the National Association personnel who will be present.

TIP TO MOTORISTS
Hold your horses—uncontrolled horsepower causes a big percentage of our traffic fatalities.

Cotton Outlook Cloudy

Texas cotton production for 1960 has been figured at 4,375,000 bales in the first estimate released by the U. S. Department of Agriculture, but this was before heavy August rains covered nearly all areas of South Texas.

The 4,375,000 bale estimate would be some 125,000 bales below the 4,500,000 bale yield of 1959 in Texas, and it may be lower than that after the results of continued rainfall in the harvest season are counted up. About 10 per cent of the 1960 crop has now been gathered, mainly in the Rio Grande Valley and in the lower reaches of South Texas. The average yield in all of Texas this year is estimated at 321 pounds per acre.

Nationally, total cotton production for 1960 is estimated at about 14,471,000 bales, a little below the 14,558,000 bale crop gathered last year. This

compares with a ten-year average of 13,710,000 bales.

Cotton harvesting will be late this year in nearly all areas of Texas because of the lateness in getting the growing season started. Growers in some sections were unable to get stands even with one or more replantings, and some acreage was diverted to other crops.

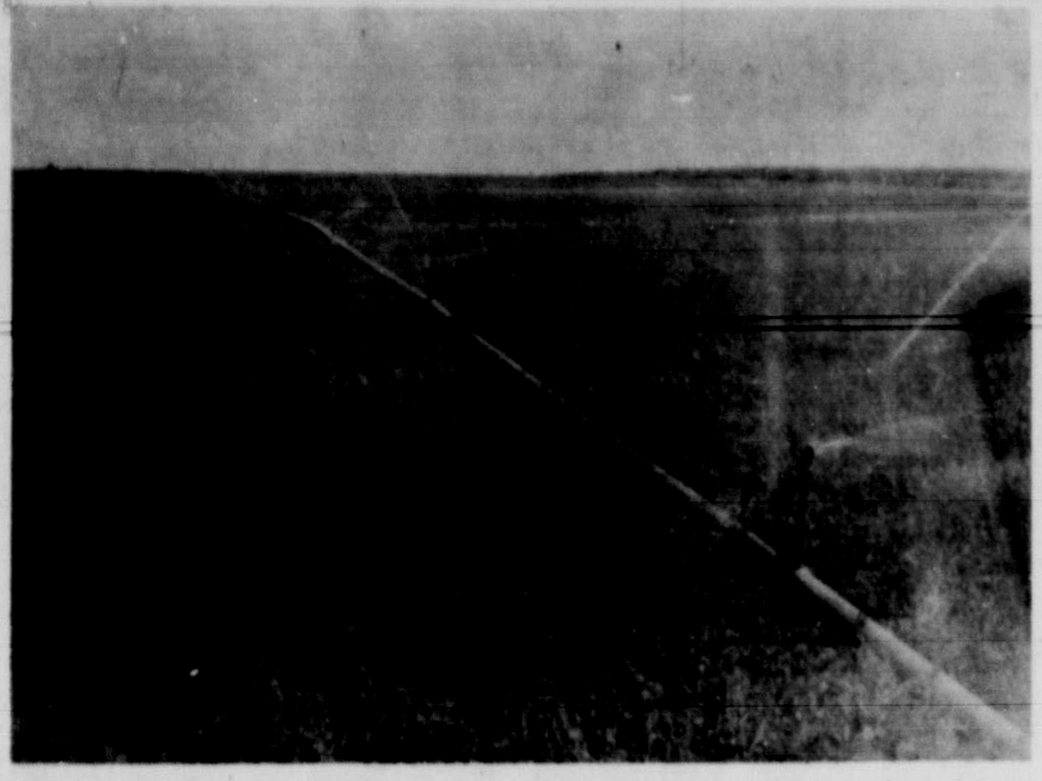

But what ever the outlook in the rest of the state, the 23 counties in the High Plains covered by the Plains Cotton Growers, Inc. were full of optimism as August neared its end. First official estimates put out by the Lubbock Cotton Exchange and the Plains Cotton Growers indicate a production of 1,899,000 bales for 1960, which would be 29,647 bales more than the 1959 production in the same 23-county area.

It is figured that the 1960 crop will be worth from \$267 million to \$286 million. The all-time record for cotton pro-

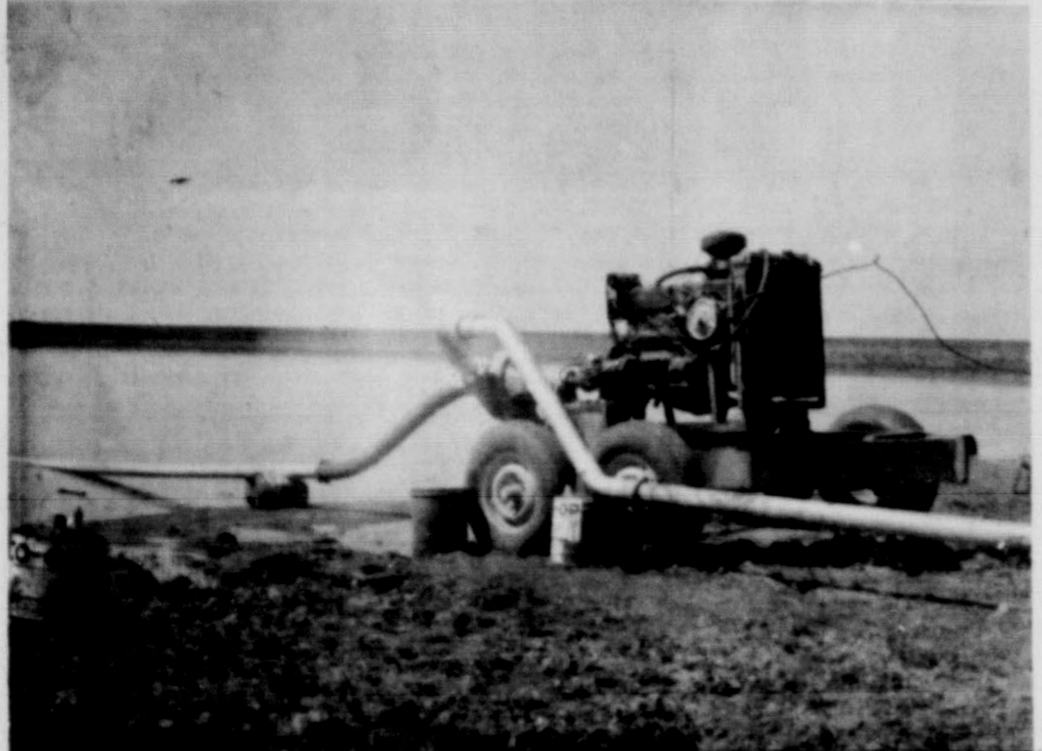

duction on the High Plains stands at 2,025,433 bales ginned in 1958.

In common with many other sections of the state, High Plains cotton early in the season was plagued by adverse weather, plant diseases and insects. But the condition of the crop, bolstered by exceptionally heavy rains when most needed in July, was described in August as being "good to excellent." No large volume of High Plains cotton is expected to be harvested before October.

Under the Federal farm program, cotton is grown on a plan which seeks broader markets and lowered price supports. Growers are allowed to over-plant allotted acreages provided they are willing to accept lower price guarantees. Cotton acreage allotments this year amounted to 15,531,000 acres, compared with an average of 19,969,000 acres for the past ten years.

WILSON'S ALFALFA FIELD SLOPES--This makes it impractical for irrigation by flooding. The soil is medium textured and permeable, so is ideal for irrigation with a sprinkler system. This is just one of the many ways that farmers are using water from playa lakes in a conservation irrigation program.

PARMER COUNTY FARMER USES WASTE WATER--Leon Wilson, who farms south of Clay's Corner near the county line, is taking advantage of extra water available from the playa lake on his farm. The water is pumped from the lake with a 6 cylinder automobile engine directly into a sprinkler line. The crop being irrigated is alfalfa.

The HAPPY HOMEMAKER

BY JUNE FLOYD

Washday takes no summer holiday. On the contrary, the piles of soiled clothes generally seem to mount higher and higher. Washing is complicated, too, by food spots and stains, grass stains and perspiration stains.

Here are a few suggestions for dealing with some of the garden variety of warm weather washday problems when the fabric involved is white or colorfast cotton linen, nylon or dacron.

(These methods apply to fabrics that have been tested for color fastness.) Some fabrics with "permanent" finishes should not be bleached. Look for hang tag to read "bleachable with chlorine bleach."

CANDY AND SUGAR SYRUPS: Sponge with clear cool water. Launder. If stain remains, soak in chlorine bleach beads. Rinse thoroughly.

FRUIT JUICE: Fresh stain: Rinse with cold water. Soak in chlorine bleach bead solution. Rinse thoroughly. Old stain: Pour boiling water through stain. If stain remains, soak in chlorine bleach bead solution.

Wanted--All Your Shoe Repair SKINNER'S
Clovis Boot Shop
308 Pile Clovis, New Mex.

Rinse thoroughly.
GRASS STAIN: Sponge with cleaning fluid. Rub liquid detergent or a paste of packaged detergent into fabric. Launder. If stain remains, soak in chlorine bead bleach solution. Rinse thoroughly.

GREASE AND TAR: Remove excess with dull knife. Sponge with cleaning fluid. Launder in hot water. If stain remains, soak in chlorine bead bleach solution. Rinse thoroughly. (Alcohol may be used to remove some grease stains.)

MERCURIOCHROME: Soak in chlorine bleach bead solution. Launder. Alternate method: Soak in alcohol, then in vinegar. Repeat alcohol soak. Launder.

MILK, CREAM, ICE CREAM: Soak in warm water. Launder. If spot remains after drying, remove grease or fat with cleaning fluid. For chocolate flavored milk or ice cream: follow above directions, then soak in chlorine bleach solution. Rinse thoroughly.

PAINT: Soak in paint remover. Rub out as much as possible. Launder. Rubbing in vaseline or lard may soften the paint.

PERSPIRATION: Launder. If stain remains, soak in chlorine bleach bead solution. Rinse thoroughly.

.....
Chicken is one of those foods that's a natural for picnics and

other summer outdoor eating. Most of us automatically think of fried chicken for picnic meals. There are, however, many ways of preparing chicken for indoor or outdoor meals.

A simple open-face sandwich and be made with hot chicken salad filled into buns, which are wrapped in aluminum foil and refrigerated until ready for use. Before serving, the sandwiches are heated in the oven for ten minutes, or may be heated at an outdoor fire or grill.

A generous portion of grated sharp cheddar cheese combines with the chicken salad to make these sandwiches substantial eating. The following recipe yields six sandwiches.

2 cups diced cooked chicken
1/2 cup diced celery
1/4 chopped green pepper
3 green onions chopped
1/4 cup mayonnaise
salt and pepper
1 1/2 cups grated sharp cheddar cheese
6 hamburger buns
butter

Mix chicken, celery, green pepper and green onions. Add salt and pepper to taste and mayonnaise. Spread on buttered rolls and top with a generous amount of grated cheese (1/4 cup per sandwich).

Dot with butter. Wrap each sandwich in a square of aluminum foil and refrigerate until ready to use. Before serving, heat at 450 degrees for ten minutes. May also be heated in the coals of an outdoor fire or over a grill.

A. W. Kimbrel Store Manager

County Has 35 Million Bushels Of Grain Storage

SOON TO BE COMPLETED is this 1 1/2 million bushel storage addition at Shirley Grain Company in Bovina. This is one of the latest elevator construction projects to be undertaken in Parmer County. In all, the county has a grain storage capacity of 35 million bushels.

With the production of wheat and grain sorghums increasing each year in Parmer County, the construction of new grain storage facilities has been moving along at a rapid pace.

A survey this week of the 20 elevators in the county revealed that by the time harvest is completed this fall, the storage capacity of all the commercial grain businesses will be 29,181,000 bushels.

This space, coupled with the 6,000,000 bushels of storage space individuals farmers have in the way of steel structures on their farms, gives Parmer County a total grain storage capacity of more than 35 million bushels.

Parmer County in all probability has more storage available than any other county in the grain producing region on the High Plains. The storage would be adequate to handle two high-yielding grain sorghum crops like last year's and the one anticipated this year.

Two elevators in the county are now in the process of adding to their grain storage tanks. Shirley Grain in Bovina will soon complete construction of a 1,500,000 bushel addition and Worley Grain at Farwell got started on a 1,250,000 bushel building project last week. The Worley addition is scheduled to be completed in 60 days.

Just how much of this 35 million bushels of storage will be available for the fall sorghum crop is not known, since most of the elevators are now moving out some of the grain belonging to Commodity Credit Corporation, the government price support agency.

However, most of the elevator operators say that there will be a sizeable amount of storage space empty and ready for the fall harvest, which will get underway in the next few weeks.

Of course, this year's sorghum crop is expected to be

one of the better crops, if not the best, in history. Some of the elevator men indicate that part of this year's anticipated bumper crop will have to be temporarily piled on the ground. There is plenty of storage space in the county, but there are also many bushels of grain.

Not only have the commercial elevators been increasing in size, but during the past two years another trend in grain storage has been taking place. Many individual farmers have also been going into the grain storage business.

Prentice Mills, manager of the Parmer County ASC office, says that there are now 225 farmers in the county who have steel quonset storage structures. This is about one-fifth of the county's 1100 farmers.

The average capacity of these buildings is 38,000 bushels, and in all, this type of storage totals 6,750,000 bushels.

Better than half of these individual storage units have been added in the past two years, Mills says. In the past year, the ASC office has made loans for the construction of 800,000 bushels of this type storage.

Mills points out, however,

that the government has made loans on only a small percentage of the new structures. The remainder have been financed privately.

Individual farmers have gone into the storage business for two reasons. They receive payment from the government for storing this grain, and they can wait to sell it when the market is most favorable.

Throughout the county there are more grain storage units being built all the time, both by commercial firms and private individuals.

How long will this building boom continue?

No one knows for sure, but right now there appears to be no end in sight.

SELF-DECEPTION

DRY YOUR GRAIN FASTER WITH CONTROLLED AIR MOVEMENT!

GRAIN DRYER

Look at these features that make Behlen America's Biggest Selling Grain Dryer:

AUTOMATIC GRAIN HANDLING-A system of augers moves grain into the Dryer... distributes it evenly throughout the drying chamber... then removes it automatically after drying.

NEW AUTOMATIC MOISTURE CONTROL-Saves time, protects from over-drying. Set controls for the desired moisture content. Behlen Dryer automatically shuts off at the pre-set moisture content.

EXCLUSIVE H/A POWER-Exclusive variable-pitch axial vane fan and high-output Behlen burner give you the right amount and volume of heat and air.

Full "WRAPAROUND" Grain Compartment-Grain in drying chamber is actually "wrapped around" the air chamber.

Heated air passes through all grain... gives fast, uniform drying and eliminates the need for costly grain movement.

Earn Extra Profits On Grain

with a LOK-RIB steel Grain Storage Building!

Let your LOK-RIB pay for itself in increased grain market earnings or resealing storage payments! You'll say you never made a better investment.

LOK-RIB's tight-fitting panels seal out moisture and vermin from your crop so you get better prices. Off-season, your LOK-RIB will save machinery repairs by providing weather-tight quarters for your farm equipment.

Extended payment plan available with convenient terms up to five years - minimum down payment.
