MEMORIAL SERVICES TO BE HELD

WILTON W. MURRAY

JACK FRANK CAVENDER

Arrangements are being made for memorial services to be held Sunday afternoon, October 3, at the high school auditorium at 2:30 o'clock honoring Wilton W. Murray, son of Mr. and Mrs. Charlie Murray, who lost his life in North Africa, and for Jack Frank Cavender, who died in a

Japanese prison camp. Special arrangements for a gun salute and band music are being made. The complete program has not been outlined as yet but will be participated in by the American Legion, the school and the churches of the town.

Miss Pauline Fuller Weds Keith Mitchell In San Antonio Sat.

To Be At Home On Ranch Following Short Wedding Trip

The marriage of Miss Pauline Fuller, daughter of Mr. and Mrs. J. S. Fuller of Hemphill, Texas, to Mr. George Keith Mitchell of Sanderson was solemnized Saturday, September 18, in the Madison Square Presbyterian Church, of San Antonio, with Dr. Samuel L. Terry officiating. The bride, given in marriage by Dr. Rex G. Aten, wore a dark brown wool dressmaker suit with a cinnamon lace jacket and accessories to match. Her corsage was of orchids. Miss Lyle Fowler of San Antonio, her only attendant, wore a navy blue suit with matching accessories. Her corsage was of tailman roses.

C. C. Mitchell, brother of the groom was best man. After the wedding ceremony a bridal supper at the St. Anthony hotel was given the wedding party by the groom's mother, Mrs. Mary E. Mitchell.

After a brief wedding trip the couple will be at home on the ranch north of Sanderson.

Attending the wedding from Sanderson were Mrs. Mary E. Mitchell, Mr. and Mrs. Malone Mitchell, C. C. Mitchell, Mrs. R. E. Corder, and Misses Billie Jo and Mickie Corder.

Baptist Society Meets In Home Mrs. A. D. Brown

The Baptist Women's Missionary Society met Monday afternoon in the home of Mrs. A. D. Brown with Mrs. H. H. Sutton as co-hostess.

A very interesting program, "Marching Order for the Witnesses" was led by Mrs. Maude Sullivan.

The hostesses served a salad course to Miss Una Lee, Mrs. A. C. Smith, Mrs. Conway Pickard, Mrs. R. D. Craig and Mrs. Maude Sullivan, members, and Mrs. Donald Duncan, Mrs. G. E. Babb, Mrs. Ivan Robertson, Mrs. C. L. Watson, Miss Armenta Ragsdale and Miss Rosalie Mitchell guests.

Mr. and Mrs. Earl Pierson took their daughter, Miss Margaret, to Monahans Sunday from where she continued to Sherman where she entered Austin College. She is a freshman there this term.

W. D. O'Bryant Jr. has accepted a position in the sheriff and tax collector's office.

Jake Brookshire is in Arkansas on a business trip this week.

BOND SALES SLOW UP TO THURSDAY OF THIS WEEK

APPROXIMATELY ONE-HALF QUOTA HAS BEEN RAISED

Only about one-half the amount of bonds necessary to meet Terrell County's quota for the 3rd War Loan drive had been sold Thursday of this week according to C. P. Peavy, County Chairman of the War Finance Committee.

With only five more days for purchase of bonds, Mr. Peavy stated that every citizen who possibly could should buy at least one extra war bond before the end of the month. Those who can buy more are expected to put all they possibly can into bonds so the quota of \$91,500 will be met.

It is felt that a good percentage of the bonds may be sold at the Victory Concert at the high school auditorium Friday night but at the best, sales from the concert cannot be more than a small fraction of the total necessary.

Mrs. J. W. Leatherwood is spending this week in Eden visiting with her mother, Mrs. A. B. Carnes and other relatives. She plans to return Sunday.

Mr. and Mrs. R. N. Allen and daughter, Miss Anna Lee, returned Friday of last week from Abilene where they took Don Allen and Miss Mary Bess Hardgrave who are attending Abilene Christian College. They also returned Al Lee to his home at Nolan after he had spent the summer here with them.

Mr. and Mrs. Perry Dawson and children of San Antonio arrived here Friday for a visit with her mother, Mrs. Alice Turner. Mr. Dawson returned Sunday to resume his duties with the Highway Patrol but Mrs. Dawson and children remained for an extended visit.

Mrs. Seth Davenport and baby daughter accompanied her sister, Mrs. W. C. Vaughan home from Abilene the first of the week for a visit with her and her parents, Mr. and Mrs. Joe D. Nichols. Mrs. Vaughan has been visiting in Abilene for several days.

TWO COUPLES ARE MARRIED HERE SAT. BY REV. KLASSEN

The Rev. John Klassen performed the marriage ceremony Saturday afternoon in the Methodist Church that united Miss Constance Ann Duncan and Sgt. Paul Scrimser. They were accompanied by the bride's parents, Mr. and Mrs. Duncan of Alpine. The groom is stationed at the Marfa Army Air Base.

That night he performed another ceremony uniting Miss Nora Lee Thompson and Wesley O. Davis who gave their address as Fort Stockton. The ceremony was performed at the Methodist parsonage.

Revival Meeting Begins October 4 At Church of Christ

Preaching By Harvey; Hufstедler to Lead Song Services

A revival meeting is scheduled to start at the Church of Christ Monday night, Oct. 4, with services to begin at 8:00 o'clock, according to announcements made this week.

Two services will be held daily with the morning services at 10:00 o'clock and the night services beginning at 8:00 o'clock. Minister J. D. Harvey of Big Springs will deliver the messages and the singing will be led by J. A. Hufstедler of Lubbock. Mr. Hufstедler visited Sanderson in 1926 when he led the singing for a revival and his son of Ozona has led the singing here on several occasions.

The public is cordially invited to be present for these services.

OFFERS LAUNDRY SERVICE HERE

Empire Cleaners have made announcement this week that they have made arrangements with an Alpine laundry to pick up and deliver laundry to Sanderson twice each week, Wednesdays and Saturdays.

In their announcement special instructions are given for those who care to take advantage of the service.

El Paso Natural Gas Company Enters This Area

Assemble Two Blocks In Northwestern Part of County for Drilling

A new oil operator for the south part of the Permian Basin area has entered the scene, El Paso Natural Gas Co. having taken leases on two sizeable Terrell County blocks with expectation of drilling development seeking oil production and additional natural gas reserves.

The firm has both gas and oil properties in Lea County, N. M., from which its pipelines carry gas to El Paso and on West to many large industrial users as far as Phoenix.

One block was assembled around the Goode gas well in northeastern Terrell County. Included are the 10,000 acre M. H. Goode ranch, the 4,000 acre Brown and 9,000 acre Banner properties. Drilling operations are scheduled as soon as equipment is available.

A second block of 15,000 acres has been assembled 15 miles southeast of the Goode and others' tract. It includes lands of the E. L. Chapman ranch and the Bassett Mineral Trust.

Details of the lease were worked out by Lee O. White, Fort Stockton oil operator, with J. V. Cowan, land man for El Paso Natural.

SERGEANT HARVEY WOODWARD IS REPORTED SAFE

Mr. and Mrs. Fannie Woodward of Sheffield were happy people this week, and Mr. Woodward celebrated by buying another War Bond when in Fort Stockton Monday.

Their son, Staff Sergeant Harvey Burch Woodward, was reported missing in action over the Mediterranean area by the War Department on August 6, but his parents received several subsequently dated letters, as reported in last week's Pioneer.

Mr. Woodward asked for a re-check of War Department records, and Saturday was rewarded with official word that Sgt. Woodward and members of his crew, missing from Aug. 6 to 9, were safe and well in a rest camp for airmen on Malta—Fort Stockton Pioneer.

Sanderson Club Meets In Home Mrs. J. H. Lochausen

The Sanderson Culture Club met Thursday afternoon, September 16th, in the home of Mrs. J. H. Lochausen with Mrs. R. A. Gatlin as co-hostess.

The roll call was answered with a Geographical of Historical Facts on Columbia.

Goldenglow in a turquoise pottery vase was attractive on the piano. An arrangement of zinnias was used as a centerpiece for the dining room table.

Mrs. A. D. Brown leader of the program, gave a most interesting and descriptive talk, "Over the Boliver Highway from Quito to Bogota." Bogota, the Athens of South America, was ably discussed by Mrs. H. C. Goldwire. Mrs. R. A. Gatlin told of "Literary Treasures of Latin America," this included selections of beautiful poems.

At the close of the program the hostess served apple pie topped with whipped cream, iced tea and mints to the following:

Mesdames A. F. Buchanan, J. W. McKee, E. W. Hardgrave, A. D. Brown, H. C. Goldwire, G. W. Slaughter, H. E. Ezelle, Joe F. Brown, Hugh Rose and T. R. Arrington. Mrs. Jack Hayre and Miss Armenta Ragsdale of the Junior Culture Club were guests.

Ervin Grigsby left Tuesday for San Angelo where he is visiting for several days.

FROM TEXAS TO TOKIO

Lt. Bert Herbert, U. S. Army Air Corps, has advised his parents by cablegram and by letter that he is now stationed in England, and is piloting a Flying Fortress B17. Lt. Herbert says the people of the United States didn't know anything about rationing as compared to what they have in England, continuing with, "What I wouldn't give for a mess of fried chicken."

Aviation Cadet Sam Bell Jr., son of Mr. and Mrs. Sam Bell of Sanderson, is now stationed at the University of Pitt at Pittsburgh, Pa., where he is receiving training.

Friends of Sgt. Albert Weigand were glad to see him when he arrived this week for a 10-day furlough with his parents, Mr. and Mrs. Frank Weigand. Sgt. Weigand is stationed at Camp Rucker, Ala.

Finis Lee Roy (Toots) Turner formerly of Sanderson and Alpine, has volunteered for service in the U. S. Navy and is awaiting call, according to information received here by his brother, W. R. (Son) Turner. He was employed as brakeman on the Sanderson to Valentine run of the T. & N. O. until recently.

A letter from Sgt. Laurence Gutierrez, stationed at Turner Field, Albany, Georgia, states that he has just recently received a promotion from corporal to his present rank. Sgt. Gutierrez also informs us that they have several German and Italian prisoners near Albany who were captured in the battle of Tunisia. They are employed on farms in that community helping to harvest the peanut crop. Gutierrez is the son of Mr. and Mrs. B. M. Gutierrez of Sanderson.

Pvt. Mario Bustos is here on furlough for a visit with his parents, Mr. and Mrs. Margarito Bustos and other relatives and friends.

Pvt. Jose Falcon is here visiting his family, Mr. and Mrs. Onorato Falcon.

A dance was given Thursday night of last week honoring Pvt. Didio Barrera in the home of his parents, Mr. and Mrs. Valentin Barrera. Refreshments were also served the guests who had come to help him celebrate a part of his furlough.

We are wondering if the boys in service who read the Times could find time to drop us a line now and then giving interesting experiences, places seen, etc., so that we might pass these things on to your friends. We are also sure that a number of parents have failed to give us information about their sons in service. We would appreciate all the information we can get about every man in the service, and feel confident that the boys away from home enjoy reading even the most trivial happening about a friend or buddy.

Mr. and Mrs. C. H. Arvin left Sunday for San Antonio where Mr. Arvin went for medical treatment. R. E. Corder accompanied them and returned Mrs. Corder and Mrs. J. S. Nance here Monday after they had spent the week there.

SON TO MELVIN POLLARDS

Mr. and Mrs. Melvin Pollard have announced the birth of a baby son, David, Sept. 14 in a Del Rio hospital. The little man weighed in at five pounds and is getting along fine as is the mother.

Mrs. W. F. Frazor left Sunday for San Antonio where she joined her daughter, Miss Betty Lou, and both continued to St. Louis, Mo., where Miss Frazor plans to enter nurses training.

A decrease of \$284,814.00 in both State and County property is revealed with the completion of the 1933 tax rolls by Assessor Jim Nance.

This decrease in property valuation is due to the fact that the \$3,000.00 homestead exemption law went into effect this year.

Believe it or not, Sanderson has a blooming peach tree. The tree which is very young, is growing in the yard of Mr. and Mrs. Sam Harrell. In the spring the tree leafed out and bloomed but the late frost killed all the blooms.

Mrs. Will Savage and son, Billy, left Friday for a visit with Mrs. Maxie Hart in San Antonio.

F. M. Waigand was a Del Rio visitor Wednesday.

Mr. and Mrs. Francis Mansfield left Monday for Uvalde where they will make their future home.

Mr. and Mrs. W. J. Ferguson left Thursday for El Paso where they went to attend to business Friday. They will return home Saturday.

Fort Stockton Pioneer—Pecos County and the City of Fort Stockton are helping substantially to meet Pecos County's big quota for bond purchases in the Third War Loan now underway.

The Pecos County Commissioners' Court voted Monday to invest \$15,000 of sinking fund monies in bonds and approved a purchase of \$10,000 from a balance in the general fund.

The Fort Stockton city council Tuesday night decided to invest \$10,000 in bonds this month.

New members of the Future Homemakers Club were initiated Tuesday afternoon after school.

AAF Western Flying Training Command at all its installations in the western states.

The winning instrument was developed by five workers at the Marfa Sub Depot, who will win an award totaling \$100. By eliminating a slow process of sanding wing ribs by hand and providing more uniform action, the machine saves at least 25 man-hours on every training plane repaired.

Alpine Avalanche - A 250 apartment federal housing project, which opened last week at the pilot school, is expected to alleviate the strained housing conditions in the nearby cities of Marfa and Alpine.

Civilians employed on the field, including the wives of military personnel, are moving steadily into the unfurnished units, and an even greater influx is anticipated for the furnished quarters, which will soon be opened. Applications for unfurnished units are also being accepted from married officers and enlisted men.

Uvalde Leader News - Six inches of rain was reported here Thursday morning to have fallen at Crystal City Wednesday afternoon and night, bringing an end to the long drouth which has prevailed in that area and which had caused a shortage of water for irrigation purpose on the farms in that area.

"cut little kids" the seniors make swinging and playing on the swings and see-saws.

Wonder why Maurine F. and Johnnie wouldn't wait for the rest of the kids Friday night on the way back from the concession?

David, Glynn, and Alanzo had it pretty easy on the trip. They stayed in a cabin while we stayed out side.

Every one may wonder but if you had been on the trip it would have been different. What they mean is Mary Nell is cute in a bathing suit. No kiddin' either.

Every car seemed to be musically inclined going and coming with Johnnie and Mrs. B. singing a "so-low" and David hitting all off notes.

Harvey is just too-too in a bathing cap. Well he's just cute anyway. All in all, after cracks have been said, we did have a swell time and we enjoyed every minute of it and we hope you other kids missed us a little.

We wonder why some of the eighth grade girls looked so sad when Ray Baker with drew.

Wonder why Margie didn't want to leave that table in the study hall.

Yes, Miss Kinkler, the eighth grade are always changing their periods; can't you keep up with them?

Something was really added to the eighth grade when Roy Joe Watson stepped in.

You never hear any girls complain when William is around. What fond farewells were seen by all Thursday evening?

Glenn and Alda Fay are doing fine everyone is pleased as punch Snooper heard these songs: "He Was My Man"—Hazel "I'm Nobody's Baby"—Lauretta "Five Feet Two Eyes of Blue"—Alada Fay

Marilyn B., do you really enjoy seeing the show over and over again or is that nice, quiet, dark corner in the theatre more inviting to you than the great out of doors???

Sophomore boys what's wrong? Wilma Jean is getting

Wonder why David and Jay Tom were so anxious to get to a telephone in Del Rio. Now it couldn't have been because of that cute little Duke girl, could it boys?

We are all wondering who David's sister is. Anyway she lives in Del Rio. Frank and Johnnie seemed to have a nice time on the way to Garner. No wonder, look what they had!!

Bland Gates was in the act—of falling into the river. Can't say that I blame him though—two girls helped him out.

Funny Bland managed to stay around Mary Nell so much. We are just wondering Harvey wonders why girls can't wear dresses as short as bathing suits. Wonder myself at times!

Joyce and Mary Nell had a grand time Friday night. I can't tell you why—you ask them.

James and Maurine C. had a nice walk the other night. Guess the moon light caused that.

Jay Tom and David made a wonderful couple on the dance floor. Much better at Lake Walk

Gosh it looked like the old romance lighting up again. Say, kids, how can we help them?

Alonzo and Glynn seemed to have a nice time, but at times they were pretty quite. No wonder. Look who they left behind at home.

Say, girls, you know Aubry? Then why don't one of you wake up. If the Uvalde girls can wake him, we can. If you don't try I will.

Harold had a cute skirt in Uvalde. Say, Harold, how did you do it? How about telling us all about it.

Somebody lost a blouse in the rush Friday night and Jay Tom, David, Glynn, Alanzo, Frank, and Johnnie won't tell whose it was. They all know.

Mr. B's corn hurt him. Ask him and see what he tells you. Say—you all missed a sight. Mrs. B. in shorts and a sport shirt. Gosh was she cute. They were all wondering what made Mrs. B. look at Mr. B. the way she does and now we know. It's because of his singing. And the song is "Let Me Call You Sweetheart." Boy can that man sing!!

Mrs. Higgins and Mrs. Surratt surely are glamour girls—in bathing suits.

Johnnie's eyes were swollen Sat. morning. We wonder? Anyway he was with Maurine F. the night before. He said it was a mosquito.

Boy, don't ever forget to take Freddy with you on a trip. He certainly has a way of getting kodak films.

Billie Joe was a life saver. He saved Maurine F. when she couldn't make it across the river. Maurine C. is so cute when she falls in the river. Especially when she falls in mud and moss. How did you like it Maurine?

Johnnie, Frank, and Glynn said they went fishing but we wonder. Just think, they went all the way to Leaky to do so.

Mr. B. was the official fire and egg frier on the trip but aside from all the joking it was really swell. Mrs. B., Mrs. Higgins and Mrs. Surratt are marvelous cooks.

We wonder why Mrs. B., Mary Nell, and Bland were complaining about their feet. Couldn't be because they waded up the river to the concession, could it?

Maurine C. and Alonzo made a cute couple on the dance floor.

Mary Nell and Jay Tom were a cute couple. Maurine F. and Jay Tom got around on the dance floor also. It makes no difference if they were in their bathing suits.

Guess Maurine C. slept too soundly to hear the breakfast call—anyway she and some others were left out. Maurine C. sure is a bed hog. She pushed Maurine F. out of bed—almost.

Talking about bathing beauties you should have seen Johnnie in Mrs. B's bathing suit; not to mention how well his clothes fit her.

I guess saying good-bye once to a sailor boy wasn't enough—it seems a long distance call was put in.

"Yes, and I can give you an example of how true that is, Fred. In World War I the chief uses of alcohol produced for war purposes were found in smokeless powder, medical supplies and chemical warfare materials. In this war the need for this product is far more vital because it is also used as a fuel to propel torpedoes, to make shatterproof glass for airplane windshields and instrument covers, to make lacquers used in camouflaging equipment and as a base for synthetic rubber needed for tires, gas masks, paratroop equipment and dozens of other things. "Every time I think of it, Fred, I realize how fortunate we were in having a beverage distilling industry in existence when war broke out...ready and willing to convert 100% to the production of this critically needed war product. I'm mighty sure bootleggers wouldn't have."

Franklin D. Roosevelt

Italy has fallen—but the war is not over and you know it! Think of Berlin and Tokyo—think of the men dying at this moment.

Can we, you and I, afford to let them down—to turn *their* battlefield victory into a home-front defeat? Let's buy *more* War Bonds than ever . . . let's back up *their* victory with *ours*—the success of the 3rd War Loan!

There are battles coming—tough, bloody, hard-to-win battles—before this war is over. And it's the *last* battle that counts. We've got to back up our fighting men . . . we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of

the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments..."

Our fighting men will do *their* job—it's up to you, personally, to keep their victories safe by buying War Bonds NOW with every dollar you can—not with what you'd ordinarily save or invest, but *more*—every bit more you can manage.

The tardily moving West Texas calf market this week remained definitely at 12 to 13 cents and feeder lambs had settled mostly around the 10-cent notch, with even some moving at 9 1/2 cents, in few instances... showers spotted the range last week and a good rain fell in the San Antonio area, but the general downpour that would brace sagging markets and erase some of the feed problems has not arrived.

J. D. Joseph, the venerable

banker gentleman from White-water, Kan., has made his annual trip to Texas, bought calves for his customers as is his annual custom, and returned home... he got a string of feeders from the Elliott ranch at Big Lake, from Virgil Powell and others, paying 12 to 13 cents... Kenneth Brown of San Angelo sold a carload of calves to Sol Weatherby (of Triplett Co., Amarillo), immediate delivery, 12 to 13 cents, weighing 425 pounds, deal made through O. K. Harkey... some of the lucky ranchmen around Gail and Lamesa were loading out calves last week, contracted earlier at prices up to 15 and 16 cents (only "dream" prices today)... the O. B. Ranch of Borden County sent its calves out... the Dean Ranch of Lamesa sent out its first shipment, 14 cars, to the North, the rest to go late in October and December 1... they number a few thousand

"Jeep Nerves"—that's what Dan O'Neill calls the jumpy way some folks react to the strain of wartime living.

Not that Dan blames 'em. When you work 12 hours a day and travel in crowded busses—live in trailers and put up with inconveniences—it's only natural to get tense and irritable.

"Folks must learn to relax," says Dan, "and take it easy."

And Dan thinks he has the formula. Soon as he's through at the shop he comes straight home, picks out the comfortable chair and pours himself a tall, cool glass of beer.

Then he sips it—slowly and appreciatively—like good beer should be enjoyed.

And by the time that glass of beer is gone, Dan says his disposition is as good as new... and the day's work seems well worth tackling again tomorrow.

It's a real effective formula. I know; I've tried it!

of the stage with books all around them. (Can't fool us. We know they won't study that hard.) Kid day came around; and the seniors, dressed like kids, came out and acted as kids do. (Thought they were really acting but everyone knows the seniors were only acting natural.)

Now the seniors believe the end of Hitler will come sometime in March or April so they had Freddy Talbot, as Hitler, come out and shoot himself. There the senior band played "Der Furers Face." (Every one has dreams. Lets hope the seniors are right)

Last but not least came the time when the seniors would leave Dear Ol' Sanderson High. They were so solemn as they walked across the stage in caps and gowns. (Lets hope they all get to do just that.)

Miss Brieger led assembly singing.

JUNIORS CELEBRATE FRIDAY

Mid scenes of confusion the Juniors enjoyed a "double header" party last Friday. Clad in remnants of past glory in order play hobbos, they gathered at the school house at seven o'clock. With a riotous start with Treasure Hunt and ending, or rather collapsing with a skating party, the occasion marks a high light in the year for the Juniors. Divided into groups and provided with a clue for each group, the "kids" dashed recklessly and hectorally all over town chasing down one clue which would lead them to another, which would lead them to another, which would, (oh, well, Dear Readers, you get the idea).

The fire siren blowing at the most critical moment added to the glorious confusion of the now thoroughly lost Juniors. Gathering, exhausted after their mad race at the courthouse, they settled themselves on the fresh, soft, green grass, (yes, in Sanderson too), among lovely trees and flying apple cores to eat their lunch which was topped with ice cream (the treasure).

After the hungry were fed, the class rode merrily to the skating rink at which place they skated until eleven o'clock after which they took their fond farewells and (from reports from reliable sources) went home.

The Juniors were accompanied by Mesdames Bell, Byrd, Babb, and Anderson.

Watch these Juniors, they do things in a big way.

TERRELL COUNTY GOES OVER TOP IN WAR BOND DRIVE

VICTORY CONCERT ADDS \$45,522.40 FOR ITS SHARE

County Chairman C. P. Peavy, of the War Finance Committee, announced Thursday that the bond quota for Terrell had been met and passed by more than a thousand dollars, although no definite figures were available at the time. The quota was \$91,500.00.

The Victory Concert, put on Friday night of last week under the direction of Marion Brieger, was credited with raising \$45,522.40 of the amount to give the drive a big boost. There were band numbers, chorus numbers, piano numbers by students of Miss Myrtle Harrell, and numbers by grade school students, heard at the concert.

Mr. Peavy stated that the drive would continue until Saturday and that additional sales were being made along as people came in who had not been to town, or who had been slow in making purchases.

Army Officials Say Youths of Seventeen Learn Flying Easier

Thousands Needed For Crews of New Planes Produced

In recent aviation cadet procurement campaigns an ever increasing enthusiasm has been found among 17 year old high school students for flying or other types of air crew training according to Lieutenant Colonel Marvin B. Durrette, commander of the West Texas Recruiting and Induction District.

Colonel Durrette states that it has been generally proven that younger boys, while still students in high schools, have greater aptitude toward qualifying as aviation cadets than some of the older boys who have been away from their studies for quite some time.

It is the opinion of many of the flying personnel that young men going into air crew training immediately after graduation do not have time to lose their ability to study; therefore, their ability to grasp problems confronting cadets is much better than the older men who have had time to lose a great deal of their ability to study.

Army officials state that thousands of young men are needed to man the ever increasing number of planes being turned out by American production lines. In a recent press release it was pointed out that 10,000 planes of one type alone have been produced since America's all out war effort. Trained crew members must be trained to put these planes into battle.

Young men interested in securing full particulars on aviation cadet training should contact the U. S. Army Recruiting Office in Lubbock, or the Cadet Examining Board at the nearest U. S. Army Air Field.

OFFICERS NAMED TO HEAD RED CROSS

The following officers of the Terrell County Chapter of the American Red Cross were elected or retained to serve for the ensuing year at a recent meeting:

Mrs. J. W. McKee, chairman; Judge R. S. Wilkinson, vice chairman; Mrs. John L. Newton, secretary; Jack Hayre, treasurer; Mrs. C. W. Martin, production chairman; Mrs. C. P. Peavy, chairman of knitting committee; Mrs. Pat Beard, chairman of sewing; and Mrs. Tol Murrah, chairman of home service.

GOOD RAINS RELIEVE DROUGHT OF THIS SECTION

Rains which started falling on Wednesday of last week and has continued the most of this week have been a great boon to ranchmen and others of this section.

In Sanderson a total of 3.31 inches of rain has fallen, with all of the fall being slow and soaking into the ground. Very little water was lost by running off in any part of the sections as all rains fell slowly.

Fall varied with a report of two and a half inches in some sections to three and a half inches of fall in other sections. Nowhere in the county was there a report of less than two inches. M. H. Goode Sr., who ranches about 65 miles below Sanderson, north of Dryden, stated when he was in this week that two and a half inches had fallen at his place and that it had been four days falling.

County Health Officer Warns of Health Conditions

Persons Serving the Public Must Have Proper Certificates

Attention was called this week by Dr. Delmar M. Randall, Terrell County Health officer, to the Texas state law which requires proper health certificates for all persons who are serving the public with food or drink. He stated that because of the labor shortage and situation caused by the war that many operators had become negligent in requiring the employee display such certificates, but that for the protection of the public the careless omission should be stopped.

He pointed out that the law stipulates a fine of not exceeding \$200 be imposed upon anyone who willfully violates the decree. In reading the law (H. B. No. 142, 46th Legislature, Approved) it is found that it states that no person or firm operating a place where food or drink for the public is handled shall work, employ or keep in their employ, in, on, or about any said place of business, who, at the time of his or her employment failed to deliver to the employer a certificate signed by a legally licensed physician attesting the fact that the bearer was free from any transmissible or contagious disease.

It was also pointed out by Dr. Randall that persons should protect their homes by demanding all persons who work for them should have a health certificate showing them free from contagious disease.

FRED BARR DIES IN SAN ANTONIO FRI.

Funeral services for Fred Barr, 76, who died Friday morning of last week in a San Antonio hospital, were held there Monday afternoon at 4:00 o'clock from the Porter Loring Chapel with the Rev. T. V. Neal officiating. Interment was in Mission Burial Park, under auspices of Anchor Lodge No. 424, A. F. & A. M.

Mr. Barr was for many years locomotive engineer on the Southern Pacific lines out of San Antonio. He was also general chairman of the B. of L. F. & E. and representative to their grand lodge.

Mrs. Woodrow Newton and baby son, Andy, from San Diego, Calif., arrived last week for a visit with her parents, Mr. and Mrs. J. M. Bassett. Mr. Newton plans to arrive this week and will remain here for another week before the family returns to their home in San Diego.

Mr. and Mrs. D. B. Sauls of San Antonio left Tuesday after visiting here several days with Mr. and Mrs. Tol Murrah.

Pioneer Mexican Resident Dies Thursday Night

Constructed First Residence North of Railroad Tracks

Eleno Marquez, 85, died Thursday night in his home after a long illness, and funeral services were held Sunday afternoon at 5:00 o'clock from the St. James Catholic Church with Rev. N. Femenia in charge. Interment was in Santa Rosa cemetery.

Eleno is well known by all older residents of this section and is remembered as the man who constructed the first residence north of the railroad. He was born in Saucillo, Mexico, March 22, 1858, and came across the border at El Paso in 1881 where he drove a mule powered street car for a time and was employed with the railroad.

The exact time of his moving to Sanderson is not known but it was more than forty years ago it is believed. He was employed with the railroad here at the time he moved here, later going into the saloon business. He built the residence now owned by Harry Newton and occupied by Mr. and Mrs. T. R. Arrington which was the first home to be erected north of the tracks although there were several business houses at the time. He followed the saloon business from the time he first entered into it and at the time of his death owned what is known as the Old Mexico Cafe.

Besides his widow he is survived by a sister of Phoenix, Arizona; three sons, four daughters; 51 grand children and 55 great grandchildren.

Those out-of-town who were here for the funeral were Mr. and Mrs. J. M. Gonzales of Big Spring, Mr. and Mrs. Espridion Marquez of Houston, Mr. and Mrs. Gregory Saenz of Stanton, and two nieces, Catalina Rodriguez and Margarita Baray, both of Phoenix, Arizona.

RETIRED RAILROAD MAN DIES IN HOME IN GLENDALE, CAL.

Word has been received here that Peter A. Banes, 73, retired railroad man, died in Glendale, Calif., Sunday. He was a former resident of Sanderson and El Paso, residing at the latter place for about 40 years during which time he was employed with the T. & N. O. He was a member of the B. of L. E. and Knights of Columbus.

Surviving are a daughter, Margaret M. Banes, of Glendale; a son, Petty Officer Leo J. Banes, of Indianapolis; three sisters, Mrs. Robert E. Lyons of El Paso, Mrs. Mary Trousdale and Mrs. Katherine Rey of Fredericktown, Mo., and Charles Banes of St. Louis, Mo.

Mrs. Banes, who was a sister of John F. Reininger, died last year.

The night service will be at this hour each day and the morning service at 10:00 o'clock.

Governors of All States Asked To Aid With WAC Drive

Will Endeavor to Enroll One Woman For Each Casualty

The War Department has asked Governors of 48 States to appeal to the women in their state to join the Womens Army Corps. This appeal opened a seventy-day campaign to recruit one WAC for every battle casualty. Casualty's this far have totaled 70,000 and General Marshall has asked the nation for an equal number of women to release 70,000 men for combat.

The drive which opened September 27th is to extend through Pearl Harbor Day and Women of Texas are asked to join the service in an effort to meet the Quota set for this state. Women who join during the drive will go to training camp together and be a member of an all Texas unit. The first group will go to camp October 18th after being sworn in by Governor Stevenson, at the state house in Austin. They will wear a distinctive shoulder patch throughout the Training to distinguish them as Texans, and the state flag will figure prominently in their camp. Recruiting officials have expressed the belief that the women of Texas will respond to this appeal, as did their men preceding Selective Service when a very large percentage of the volunteers were Texans.

Women who are between the ages of twenty and fifty and have no children under fourteen are eligible provided they are not employed in essential war work. Eligible women are asked to contact the U. S. Army Recruiting Office, 150 Federal Building, El Paso, for full details on the 155 different kinds of jobs now available for WACS.

Mrs. Wallace Henshaw Jr. arrived here Saturday from Norfolk, Va., and has accepted employment with the Kerr Hotel Coffee Shop. Wallace is in the Seabees and is scheduled to be moved to another station.

Miss Ruth Murrah left Sunday of last week for Abilene where she resumed her duties at Hardin Simmons University. Her brother, Dan took her to Fort Stockton from where she continued by bus.

Shoe Ration Stamp Eighteen Is Good For Indefinite Time

Airplane Stamp In Book Three Valid After November 1st

The valid period of shoe stamp number 18 in War Ration Book 1 has been extended indefinitely, Bernard M. Goldberg, OPA miscellaneous products rationing officer, announced today. Airplane stamp number 1 in War Ration Book 3 will become valid on November 1, 1943, with no announced expiration date.

Stamp number 18, which was to have expired on October 31, 1943, has been extended so that people will be able to avoid a last-minute rush, and with the hopes that they will spend the stamp for a pair of shoes that is actually needed, Goldberg said.

Fire Prevention Is Urged By President Texas Safety Ass'n.

More than 8,000 Persons Died Last Year In United States

Every city and community should take advantage of the publicity afforded by Fire Prevention Week (Oct. 3-9) to make a thorough examination of every building for possible fire hazards, R. B. Roaper, president of the Texas Safety Association, believes.

Roaper pointed out that despite rigid fire inspections, tragedies such as the recent Houston hotel fire which claimed over 50 lives still happen. He urged municipalities to take time out from the fast pace of living caused by the war to see that as many lives on this side of the ocean as possible can be saved.

The safety head explained that public interest in fire prevention is at its height, during Fire Prevention Week, and believes that civic clubs or other interested groups will be able to get more cooperation than in a state-wide cleanup at any other time.

"We should turn our attention not only to schools, theatres, and public buildings, but to our own homes," he declared. He pointed out that the public places in most cities are watched by fire officials, but the home safety angle is up to the families themselves.

Roaper reminded that last year 8,000 persons in the United States lost their lives due to burns, for a death rate of 63 per 100,000 population.

Plans Made for World Day of Prayer Meeting

Holding the interest of all present was the program dealing with the "Christian Task in Cuba and Puerto Rico", presented under the leadership of Mrs. John Klassen, Monday at the meeting of the Methodist Society of Christian Service. Mrs. Clyde Higgins and Mrs. Jennie Freeman were hostess in the Higgins home.

Assisting with the devotional service and program were Mrs. T. J. Lovell, Mrs. Pat Beard, Mrs. John Neal, Miss Eva Billings, Mrs. Sam Underwood, Mrs. Higgins, Mrs. Freeman, Mrs. Sterling Bell, and Mrs. H. E. Ezell.

Plans for the observance of the world Day of Prayer on the fourth Monday in October were made by the group. Mrs. Underwood will be hostess to the all day meeting.

Apple pie topped with whipped cream, and coffee were served to the above named and Mrs. Ted Baker, Mrs. W. W. Sudduth, Miss Kate Frazier, and Mrs. A. B. Gates.

FROM TEXAS TO TOKIO

Word from Frank Turner, seaman first class, to his mother, Mrs. Alice Turner says that he has just recently been promoted to that rank from seaman second class. He is stationed at Pearl Harbor.

Another son of Mrs. Turner, Charlie (Chick), stationed on Trinidad Island, Venezuela, has been promoted to the rank of corporal. Chick says he is working mighty hard and that he expects to be made a sergeant one of these days pretty soon.

Sgt. Troy Druse, son of Mr. and Mrs. W. M. Druse, has left his station at Santa Ana, Calif., and has landed in Lincoln, Nebraska, at the Army Air Base. He is attending a Technical Mechanical School there, taking a course which will last until February.

Curtis Litton, son of Mr. and Mrs. E. B. Litton, left Wednesday of last week for El Paso, and from there to San Diego, Calif. Curtis volunteered for the U. S. Navy and last word from him was to the effect that he had received his hair cut and was liking it fine.

Word comes from the Lubbock Army Air Field that Pvt. Allen W. Hardgrave, son of Mr. and Mrs. E. W. Hardgrave, graduated Saturday, September 25, from Aircraft Mechanics School there. This is an advanced pilot training school where Uncle Sam's Air Force is given its heavy-weight aviation cadets and aviation students the final lap of their flight training in bi-motored AT-17 Bobcats.

Mr. and Mrs. E. B. Litton report that they have received word from their son, Pvt. Gene Litton, in Sicily. Gene states that he is switching in the yard there, and likes it better than the runs he has had previously.

They have also received word from Cpl. Kenneth Litton, another son, who states that he is now located on an island somewhere in the South Pacific. Kenneth was, until recently, stationed in New Zealand.

Word comes to Mr. and Mrs. Charlie Murray from Tech-Sergeant Paul P. Burke, who was with her son in North Africa, that Wilton was very much liked in the detachment. He continued, "While in the line of duty, Wilton met with an unfortunate accident, on June 23, between two motor vehicles. He was buried in a government cemetery with full military honors. The chaplain, officers and men of the detachment were present." This is the first word his parents have received as to the exact cause of his death.

V-mail from Pvt. Elton Loden in Africa to Mr. and Mrs. J. R. Blackwelder indicates that these West Texas boys and their boots are hard to part. He says in part, "Guess that Ross is still getting all the work he can do. Tell him that I sure would like to have a good pair of boots now. I still don't like shoes." In another part of his letter, in which he describes the heat there, he says, "Guess that it is still hot there. We'll I have seen some of the hot days there but there aren't any of them like here in Africa. Boy, what I mean it gets hot down here."

Pvt. Ernest E. Harkins, Jr., has arrived in Norman, Oklahoma, where he is stationed at the Naval Air Technical Training Center, according to information received by Mr. and Mrs. Sid Harkins. Junior says the laundry situation is b-a-d, and he is having a tough time keeping his clothes all washed and ironed. The ironing seems to be giving him the most trouble. He starts to school Monday and says he will continue his studies until sometime in January.

The tardily moving West Texas calf market this week remained definitely at 12 to 13 cents and feeder lambs had settled mostly around the 10-cent notch, with even some moving at 9½ cents, in few instances... showers spotted the range last week and a good rain fell in the San Antonio area, but the general downpour that would brace sagging markets and erase some of the feed problems has not arrived.

"Jeep Nerves"—that's what Dan O'Neill calls the jumpy way some folks react to the strain of wartime living.

Not that Dan blames 'em. When you work 12 hours a day and travel in crowded busses—live in trailers and put up with inconveniences—it's only natural to get tense and irritable. "Folks must learn to relax," says Dan, "and take it easy."

And Dan thinks he has the formula. Soon as he's through at the shop he comes straight

home, picks out the comfortable chair and pours himself a tall, cool glass of beer.

Then he sits it—slowly and appreciatively—like good beer should be enjoyed.

And by the time that glass of beer is gone, Dan says his disposition is as good as new... and the day's work seems well worth tackling again tomorrow.

It's a real effective formula. I know; I've tried it!

wool clip (arriving at storage points in volume now) reveal lightness as to condition, about average as to staple, says Rome Shield, Texas chief appraiser... first appraisals will begin on fall wool about Oct. 1, he said... appraisers worked in San Angelo, Kermit, Rankin, Eden, Menard, Mertzon, Sweetwater, Ozona, and Eldorado last week. Rice harvesting in South Texas is drawing off all available labor currently, said Dutch Hohn, A. & M. Extension labor chief... he said in San Angelo that Texas is 200,000 workers short... J. L. Rainey, San Angelo, prominent Texas pecan grower back from visit to OPA in Washington, found that ceiling will soon be announced on pecans... around 20 cents on natives, approximate top last year... the national crop is two-thirds larger this year.

Mexico is going to afford an attractive new field for Rambouillet breeders after the war, predicts Secretary Bill Littleton, national Rambouillet secretary... there are now 492 active members over the nation... half are in Texas, owning two-thirds of the total sheep.

LOOKING AHEAD—

fore the war ends. After that, when sky-rocketing prices turn down, our plague of debt and bankruptcy would dwarf all previous financial crashes. It would crush our democracy and quench Private Enterprise which made America the world's most prosperous and best country.

ASSEMBLY PROGRAM

The Seniors had charge of the assembly program Thursday morning. The previews of the coming events of the school year of '43-'44 was the theme carried out. First event being the senior trip, showing several of the seniors with packs on their backs, shoes off, and carrying pots and pans walking across the stage. (Wonder if they really did go that way.) The band concert came next. Several of the students of the senior class played "American Patrol." (By the way folks don't forget to come to our concert Friday, Sept. 24, in the high school auditorium. The admission: only a stamp or a bond. Come on folks and "Back The Attack" with your money.)

The Halloween Carnival was also predicted with bugles, balloons, and all kinds of swell noise makers. Frank Stavley was the clown (making a swell one too). "White Christmas" was sung to designate the Christmas theme. This was sung by the senior class. (Thanks to Doris Duke for playing the piano.) Old father Time and the Happy New Year were portrayed by Freddy Talbot and David Duke. (David really is cute in three-cornered-pants.) Hats off to a good sport!

Mid-term exams came up on us at last. Jay Tom and Maurine F. were seated in the middle

of the stage with books all around them. (Can't fool us. We know they won't study that hard.) Kid day came around; and the seniors, dressed like kids, came out and acted as kids do. (Thought they were really acting but everyone knows the seniors were only acting natural.)

Now the seniors believe the end of Hitler will come sometime in March or April so they had Freddy Talbot, as Hitler, come out and shoot himself. There the senior band played "Der Furers Face." (Every one has dreams. Lets hope the seniors are right.)

Last but not least came the time when the seniors would leave Dear Ol' Sanderson High. They were so solemn as they walked across the stage in caps and gowns. (Lets hope they all get to do just that.)

Miss Brieger led assembly singing.

JUNIORS CELEBRATE FRIDAY

Mid scenes of confusion the Juniors enjoyed a "double header" party last Friday. Clad in remnants of past glory in order play hoboos, they gathered at the school house at seven o'clock. With a riotous start with Treasure Hunt and ending, or rather collapsing with a skating party, the occasion marks a high light in the year for the Juniors. Divided into groups and provided with a clue for each group, the "kids" dashed recklessly and hectorially all over town chasing down one clue which would lead them to another, which would lead them to another, which would, oh, well, Dear Readers, you get the idea.

The fire siren blowing at the most critical moment added to the glorious confusion of the now thoroughly lost Juniors. Gathering, exhausted after their mad race at the courthouse, they settled themselves on the fresh, soft, green grass, (yes, in Sanderson too), among lovely trees and flying apple cores to eat their lunch which was topped with ice cream (the treasure).

After the hungry were fed, the class rode merrily to the skating rink at which place they skated until eleven o'clock after which they took their fond farewells and (from reports from reliable sources) went home.

The Juniors were accompanied by Mesdames Bell, Byrd, Babb, and Anderson.

Watch these Juniors, they do things in a big way.

EIGHTH GRADE NEWS

One member of our class has with drawn. Ray Baker has moved to Kent, Texas near Balmorea. Ray came here at the first of the year.

SEVENTH GRADE NEWS

The seventh grade pupils are happy to have Mrs. Gene Thorn as their room mother. We hope to create more interest among our parents this year for P. T. A. and we are looking forward to having the best room attendance at the October meeting. Parents, do your part and be present.

At Language period on Monday, Sept. 13, the seventh grade elected the following class officers; President, Lizzie Belle Phillips; vice-president, Josie Klassen; Secretary, Jimmie Harris; and Treasurer, Bobby Cooke.

The seventh grade pupils were entertained with a party at the home of Ernestine Jessup Thursday afternoon, Sept. 16, from five to six. The event being Ernestine's eleventh birthday. After games were played on the lawn, everyone enjoyed looking at the many nice gifts as

Ernestine opened them. A grand time was enjoyed by all.
