## DEFENSE AREA LANDING FIELD EAST OF SANDERSON ACCEPTED BY CAA OFFICIALS

### ARRIVE THURSDAY; EQUIPMENT MOVED OUT THIS WEEK

Work was completed last week on the Defense Area Landing Field by the contractor, C. Hunter Strain, general contractor of San Angelo, and officials of the Civil Aeronautics Administration arrived Thursday to pass on and approve the field for the government. Regional Engineer Alexander from Fort Worth and Engineer Brandenberg from Washington arrived here Wednesday afternoon and J. D. Church, district airport engineer with headquarters in El Paso, and Don Lee, regional paving engineer with headquarters in Fort Worth, arrived Thursday morning by plane, landing at the airport.

## TERRELL COUNTY QUOTA FOR WAR FUND NOT MET

### SOLICITATIONS TO CONTINUE FOR BALANCE MONTH

Johnny Williams, chairman of the Terrell County War Fund Drive, stated the first of the week that the quota of \$1,990 had not been met at that time although the response of persons contacted had been good.

Mr. Williams stated that the drive would continue for the balance of the month and that several people had been added to the list as solicitors. They are Mr. and Mrs. S. H. Underwood, Mrs. Jack Laughlin, Lewis Lemons and I. G. Robertson. Solicitors already appointed and announced earlier were John L. Newton and Larry Horgan. Mrs. Mary E. Mitchell is co-chairman and Mrs. A. F. Buchanan is chairman at Dryden.

Persons who desire to contribute toward this worthy cause and who have not done so should contact one of the solicitors or leave their check or money at the Sanderson State Bank.

As announced earlier, this drive is the only drive that will be made for the benefit of USO, Army Relief, Navy Relief, and the many other reliefs, as it is a combination of all the drives which were made last year, and one donation will cover seventeen war-appeal agencies. For this reason, it was pointed out, people should give as liberally for the one drive as they would if they were contacted for all these agencies separately.

Persons who desire to contribute toward this worthy cause and who have not done so should contact one of the solicitors or leave their check or money at the Sanderson State Bank.

## Culture Club Meets In Home of Mrs. Hugh Rose Thursday

The Sanderson Culture Club met Thursday afternoon in the home of Mrs. Hugh Rose with Mrs. Landon Rose as co-hostess.

At the business meeting Mrs. J. H. Lochausen was elected a delegate to the Federated Club Convention to be held in Austin. Mrs. T. R. Arrington and Mrs. H. E. Ezelle were elected as alternates. It was reported that the club members have invested \$46,900.00 in bonds and \$164.20 in stamps since their meeting held in May.

Mrs. J. H. Lochausen was leader of the program at which time she discussed "By Highway from Bogota to Caracas." Mrs. Landon Rose gave an interesting talk on "A Visit to the House of Bolivar" and Mrs. Tol Murrah gave a discussion on "Other Heroes of Latin American Independence."

The hostess served delicious cake, tea and coffee to seven members and two guests. Mrs. Fritz Striegler and Mrs. Press Nichols.

J. M. Hayre was a visitor to El Paso during the past week-end.

## Joe Kerr Service Station Is Leased By R. H. Haley

### To Move Haley Supply House To Station Showroom

Announcement is made in this week's issue of the Times of the change in management of the Joe Kerr Service Station. The change was effective as of October first, and involved the sale of the merchandise and the lease of the station to R. H. Haley. The station for the past two years has been operated by A. W. Haley.

The new owner is well known here, having been owner and manager of the Haley Drug, at present the Whistler Drug, before going into the ranchman's supply business and establishing the Haley Supply House. This business, according to Mr. Haley, is to be moved to the showroom of the station and the business will be continued as heretofore. He also states in his announcement that he will still be available for doing drenching and vaccinating for ranchmen when he is needed.

A. W. Haley, the former operator, states that he will be employed with the Madison ranch and at the same time be in a position to look after his own livestock which he has on range lands belonging to the same ranchmen.

## Scout Finance Drive Postponed To November 1

### Scouters From Del Rio To Be Here Wednes. Afternoon

The Scout finance committee, chaired by J. T. Dillard, postponed the finance drive which was to have taken place Wednesday of this week to Wednesday, November 10, according to announcement made the first of the week. The change was made because of the conflict of school activities and because of the War Fund drive which is now in progress.

Joe Galbraith, Scout field executive who is stationed at Del Rio, met with the Scout committee here Thursday afternoon and plans were made for making the drive. Mr. Galbraith pointed out that there were 3467 Boy Scouts in the Concho Valley Council and that the expense of operating the council for the coming year would be \$25,000. This means, he said, that the cost of servicing each Scout would amount to \$9.09 for the year, and that additional funds would be needed for this purpose.

Chairman Dillard announced, following the committee meeting, that the drive would start November first with solicitors calling upon the people for aid, but that a concerted effort would be put forth Wednesday the regular north meeting of the Sanderson Rotary Club. The program for this meeting will be brought by Rotarians and Scout leaders from Del Rio.

It is hoped that more of the local citizens will get behind the Scout movement this year than have done so in the past, so that proper support may be given the local Scoutmaster, James O. Tedd.

The Court of Honor was also postponed by Scoutmaster Todd and will take place November 22. The public is cordially invited to attend this function.

Mr. and Mrs. W. J. Ferguson Sr. left Friday of last week for San Antonio where they visited with their son, Sgt. W. J. Ferguson Jr., and daughter, Miss Mary Ferguson. Mr. Ferguson returned Sunday but Mrs. Ferguson remained there this week for a longer visit with them.

## SELECTIVE SERVICE REGULATIONS ASKS IMMEDIATE INDUCTION OF DELINQUENTS

### REGISTRANTS MUST KEEP DRAFT BOARD ADVISED

Moving to close in on "draft dodgers," Selective Service regulations have been amended to provide for the immediate induction or prosecution of men 18 through 44 who become or remain delinquent on or after November 1st, it was announced today by State Director, General J. Watt Page.

"The continuing manpower demands of the armed forces and the manpower needs of war production and agriculture, plus fairness to men already serving in the armed forces and to men, including fathers, who will soon be inducted, make it imperative that every man acceptable to the armed forces, who knowingly becomes delinquent, should be promptly made available for service in the armed forces or prosecuted under the terms of the law," General Page said.

STATIONED IN LOUISIANA

Lt. Richard C. Haley, who received his wings at Edlington Field October 1, is now stationed at Monroe, Louisiana, according to information received here by his parents, Mr. and Mrs. R. H. Haley. Lt. Haley states that he likes the work he is doing and the country fine, and that his job is to ferry student navigators who are learning to find their way around by instruments. Mrs. Haley is there with him.

## N. M. MITCHELL SELLS YEARLING AT \$1,000 AT SHOW

Mr. and Mrs. N. M. Mitchell and Malone Jr., T. A. Short, and Mr. and Mrs. W. T. Posey and daughter, Patsy, of Fort Stockton, returned Thursday from Jackson, Miss., where they attended the National Polled Hereford Show October 13 and 14 and the auction sale October 15 and 16.

Mr. Mitchell took 10 head of show stock for exhibition and won second place in the junior heifer class. He sold a yearling bull at the show for \$1,000, and a heifer yearling for \$560. Average price received for the six animals sold at the sale was a little over the \$500 mark. One was sold on the side and three of the animals were returned home.

## LT. C. KING DIES IN PLANE CRASH

Religious and military rites for Lt. Marion Conway King, 23, son of Band Director James E. King of Coleman, were held at the First Presbyterian Church there Thursday, October 14.

King met his death the previous Thursday night when the Lockheed P-38 he was piloting on duty crashed in the Pacific Ocean near San Diego, Calif.

Marion was at one time a student in the Sanderson high school, during which time his brother, Jimmy King Jr., was band director here.

## FROM TEXAS TO TOKIO

Charles Rogers Jr., seaman second class, U. S. Navy, who is stationed somewhere in the vicinity of the Hawaiian Islands, is attending a radar school. Charles says he recently visited Honolulu while on liberty. He says that country and the mountains are similar to the Fort Davis country. Says the girls are all short and "Won't go with soldiers or sailors, so I have heard."

Lt. Col. Paul Stansell, brother of Walter Stansell, was seen in the depot at El Paso Saturday of last week by Mr. and Mrs. W. A. Banner. He is stationed at Tucson, Arizona, but at the time was on a tour making lectures. He asked about friends in Sanderson as he graduated from the Sanderson high school, and will be remembered by many here. He is a doctor.

A letter from James Blackwelder, seaman second class, Seabees, indicates that he is stationed somewhere in the vicinity of the Hawaiian Islands. James is in charge of a shoe repair shop and states that he has repaired so many shoes during the day time that he dreams about it at night—and that makes it a full-time job. He is the son of Mr. and Mrs. J. R. Blackwelder.

Word has been received here that Pvt. Joe Ross Phillips, now stationed at Ft. George G. Meade, Maryland, has been awarded a medal for each of the following: Sharpshooting, small bore rifle, machine gun, and for bayonet practice. Since being moved to Ft. Meade Pvt. Phillips states that he has been acting corporal. He says the country there is very pretty and he likes it fine, but that he surely would like to be back in Texas.

A V-mail letter from Len Haynes dated Sept. 28, tells that he is all right, and had just finished reading some issues of The Sanderson Times which were given to him by Pvt. Gene Litton. Len says hello to all the boys and girls he went to school with here. He has been in foreign service for more than a year.

First Lieutenant and Mrs. Edward Downie arrived here Friday from Albuquerque, N. M., where he had been in training. They left Sunday for San Antonio where they visited with his mother, Mrs. W. T. Bonduant, and with her relatives. Following the 10-day furlough Lt. Downie will go to Mountain Home, Idaho, for additional training in heavy bombardment piloting a four-engine bomber. Mrs. Downie plans to remain in San Antonio for the present.

Information from the San Antonio Aviation Cadet Center tells us that Aviation Cadet Patrick F. Sullivan, son of Mrs. Maude Sullivan, is now stationed at that post where he is receiving his preflight training as a pilot. When his training is completed there he will be sent to a primary school for further training.

Aviation Student Sam K. Bell, Jr., who is attending school at University of Pitt, Pittsburg, Pa., writes as of September 29: "I have just been appointed a Student First Lieutenant for Squadron 'A'. I have the same rights as an officer as long as we are on the campus. I rate a salute and a table with the other five student officers. There were five men picked from a group of 203 to be student officers." As of October 14 he writes: "The boys who were picked for student officers took over command of Squadron 'A' today. I am the flight lieutenant of Flight 3. I have to drill them, take them to P. T.—in other words, we five boys are responsible for everything the squadron does." The

Friday, the thirteenth, beat the jinx in this city, when on that evening more than two inches of rain fell in the city. Accompanying the rain was a heavy wind and an electrical storm.

Reports are that the rain was general all over the county and with the precipitation heavier in some places than in others. The rain lasted about two hours or more with a total rainfall of 2.1 inches.

Mr. and Mrs. C. H. Arvin and nephew, C. C. Mitchell, left Monday for San Antonio where they will visit with friends and relatives.

Clyde Griffith left Thursday for San Antonio where he will spend several days on business.

Herman and Joe Chandler came in Thursday afternoon from Ozona for several days visit here with friends and relatives.

The Amieite Construction Company of Dallas, were the successful bidders for the road project in this county that was let on Monday by the State Highway Department on an

emergency road program totaling \$1,717,821.96.

S. L. Stumberg returned the latter part of last week from a business trip to San Antonio.

Mrs. Raymond Davenport and Miss Mary Cox returned Wednesday from several days visit in San Antonio with friends and relatives.

Big Bend Sentinel, Marfa—When James Humphrey Marshall III, infant son of Mr. and Mrs. J. H. Marshall, bounces his grandchildren on his knee he can tell them this one:

"When I was baptized it was water from the River Jordan that was used!"

Strange part of it, it will be the gospel truth. When the baby was christened Sunday at the Methodist Church the water used was that secured from the River Jordan by Mrs. W. B. Carrell of Dallas, a friend of the child's grandparents, Dr. and Mrs. J. H. Marshall, Dallas.

Mrs. Carrell, wife of Dr. Carrell, well known Dallas specialists, brought a bottle of the water from the far-off stream when she visited there some time ago. Not trusting the sellers of the water, Mrs. Carrell dipped it from the river and knows it was the real thing.

Fort Stockton Pioneer—Aviation Cadet James C. Rogers had the unusual experience last Friday morning of being thrown from an airplane after his safety belt had come unfastened, and then parachuted safely to earth.

An upper class student at Pacific Air School, Ltd., he was practicing acrobatics while flying solo. In coming out of a spin he was snapped out of the plane and suddenly found himself falling thru space. He pulled his parachute rip cord and floated safely down to an easy landing in a cotten field in front

'CONEY ISLAND,' NEW MUSICAL IN TECHNICOLOR

The whole town is beaming with anticipatory delight—and little wonder! "Coney Island," that wonder technicolor musical, is showing Sunday and Monday at the Princess Theatre. Starring Betty Grable, George

Montgomery and Cesar Romero, the picture is reputed to have everything! Songs—dances—an entertaining and lively story, and a top-notch cast headed by Charles Winninger and Phil Silvers.

Whether you like your music hot or sweet—Producer William Perlberg has included enough of each. The new numbers, dreamed up especially for Betty and "Coney Island" by those top tunesmiths, Leo Robin and Ralph Rainger, include "Take It From There," "Beautiful Coney Island" and "Miss Lulu From Louisville." According to preview reports, these numbers are nifty—especially the last one, which Betty sings in black-face!

To vie with these there are such nostalgic melodies as "Put Your Arms Around Me Honey," "When Irish Eyes Are Smiling," "In My Harem" and "Cuddle Up a Little Closer." All of these are enconced in appropriate production numbers, intricate dances and dazzling costumes—not forgetting, for a minute, the delectable presence of La Grable out in front most

Wartime Lighting Suggestions

HOW TO GET MORE LIGHT FROM YOUR PRESENT EQUIPMENT

Shade Bare Bulbs

Glare from bare bulbs wastes light by making the pupils of the eye contract—like facing bright headlights at night. When contracted the pupils admit less light, hence make seeing more difficult. Reflected glare is just as harmful as direct glare, causing squinting and blinking which indicate eyestrain. Care is to equip bare bulbs with shades or diffusing bowls to break up harsh direct rays of light... provide restful, easy illumination.

OTHER WAYS TO CONSERVE LIGHT

- 1. Remove and clean lamp bulb and lamp bowls regularly. Dry thoroughly before using again.
2. Keep shade linings light. Clean or brush regularly. Repair or reline dark-colored paper or parchment shades.
3. Sit close enough to the lamp to get all the help it can give your eyes.
4. Avoid direct glare from lamp bulbs by using shades deep enough and wide enough.
5. Arrange furniture so one lamp can serve two people. But be sure lamp is not too far away from either person.
6. Turn off lamps not in use. Lamp bulbs use critical materials... Make them last longer.

Electricity is vital to war production. Use all you need but don't waste it just because it's cheap and isn't rationed. BUY WAR BONDS

Sees Nothing—  
Hears Nothing—  
..... Tells All

We hear Al and Clara have been offered a job as dancers in another "Gay Ninety Program." Harry Brown will be the lucky escort for the Junior class candidate.

David Duke is really on the beam lately. Wonder why? Maybe "s because of Betty Jo.

Wonder why Johnnie felt so bad Sunday. Now Johnnie what did you do Saturday night.

Frank seemed in very high spirits Saturday night. Why, Frank?

Wonder where Sid's been lately. Now don't tell us you've been working, Sid.

Maurine C. was seen with H. H. again. Not bad.

It seems there were some pictures taken Sunday afternoon. We wonder what they're like.

Maurine F. has been seen with J. D. quite a bit lately. Say, that's ok.

Mary Nell surely is a good mother. You'll see what it's all about in the Senior play, Wednesday night.

Everyone seemed to be having a nice time at Mary Nell's Saturday night.

### WHO IS JAY TOM'S NEW GIRL?

Maurine Cox and Butch M. seemed to have a nice time while he was home last weekend. Wonder what a certain blonde junior girl thought.

Maurine and Billie made a cute couple at the dance Saturday night. Wonder what happened to J. D. and W. T.

Johnnie and Maurine C. made a cute pair in the senior play, FOOTBALL FEVER.

Wilma W. is really missed at the senior play practice this year.

The Juniors and seniors sure are having a close race in the queen contest.

Come on folks, support the senior candidate.

Clara Alice surely was a cute "old fashion" girl in the junior play Friday night.

Say Harvey N. you were a swell old fashion boy in "Faint Heart."

Billie B. is really the girl to make love too, especially the way they did in the "Gay Nineties."

Say Allister, someone over heard you say that a certain senior girl was your girl.

Everyone is wondering where Clara and Hazel were Saturday night when Johnnie and Frank

We hear a lot of talk these days about "the law of shortage and demand" speaking of course of the man shortage. It seems that is the way in some of the classes here in High School, too. The Sophomores have 12 girls to 11 boys. The Freshmen have 21 girls to 17 boys, and the Tadpoles have 15 girls to 13 boys. The Juniors have 13 boys to 10 girls while the Seniors have 14 boys to 5 girls. In the total enrollment there are 68 boys to 63 girls. Pretty close. Not a bad average, eh, girls!

The Freshmen class has the largest enrollment, a total of 38. The Tadpoles are second with 28. The Sophomores and Juniors

Say girls how did you like that Marine that was out here visiting the Holleys? Some guy, No!!

Every one is now wondering who will be Billie's escort for the coronation.

Say, Jimmie Davis, who is the freshman girl that you're interested in? Now she couldn't be the candidate for queen, or could she?

Billie and Charles made quite a hit "Gay Nineties".

Such charm, such grace, such costumes as were displayed in Gay Nineties.

Snooper hears there is romance brewing—Dudley and Mona.

Jimmie Davis, what's the matter? Is Mary Agnes still mad at you?

Snooper wants to know if Willy is getting romantic?

A new romance! Ben M. and Doris H.

Did Connie steal the show Friday night? Harry's face was as red as his shirt.

### STATISTICS SHOW

By Mary Allen  
We hear a lot of talk these days about "the law of shortage and demand" speaking of course of the man shortage. It seems that is the way in some of the classes here in High School, too. The Sophomores have 12 girls to 11 boys. The Freshmen have 21 girls to 17 boys, and the Tadpoles have 15 girls to 13 boys. The Juniors have 13 boys to 10 girls while the Seniors have 14 boys to 5 girls. In the total enrollment there are 68 boys to 63 girls. Pretty close. Not a bad average, eh, girls!

The Freshmen class has the largest enrollment, a total of 38. The Tadpoles are second with 28. The Sophomores and Juniors

### Lamar School Notes

Lamar Ward Parent Teacher Association met in regular session October 11 at the building. The children of the Fifth Grade had the program for the evening. This consisted of patriotic songs and a playlet. President Ochoa reported that the new drinking fountain, which the P. T. A. is donating, would be installed before the next meeting. Two papers on Freedom of Learning were read, the English version by Mrs. Berta Clark Lassiter and the Spanish version by Mrs. Perez. In the room count Mrs. Lindley's Fifth Grade won. This was the second time that the Fifth Grade had won, giving this grade \$2.00. Mr. Jesus Porras donated \$2.00 more and the \$4.00 will be used to buy a Spanish-English dictionary for the grade. There were forty-eight parent and teachers present.

Estela Valles withdrew from the Seventh Grade last week. She has gone to visit an aunt in Phoenix, Arizona and will remain there to attend school.

Jose Longoria is out of school for this week. He and his mother accompanied Mrs. Marquez to San Antonio. Mrs. Marquez is under a doctor's care at that place.

Reymundo Gutierrez is visiting his aunt in Los Angeles, California. He expects to be gone about three weeks.

Selia Marruffo withdrew from school Thursday. She went to El Paso where she will enter school for the remainder of this school year.

Mary Blanche Salinas of the Sixth Grade bought a \$25.00

tie for third, each with a total of 23. The Seniors are least (in that respect) with only 19.

Our High School students do not repeat much in names. The largest number of any one name is 7. There are 7 girls named Mary. There are four named Betty, four Doris, and two of each of the following: Hazel, Maurine, Alice, Wilma, Marjorie and Jean. Two of the Dorises are in the same class, as well as the two Jans, and the two Maurines. This fact complicates matters.

In the boys there are three named Harvey, three Jack, and five Joe. Also there are two named David, two Robert, and two Tom.

I guess there are more but I have had enough statistics for once and I bet you have too.

### PASCUALA FALCON

Pascuala Falcon has been ill for a week and has been absent from school.

Dolores Flores of First B has been absent for several weeks visiting in Del Rio.

Julian Garcia has been absent from school for two weeks, because of a serious wound from a wire cut which he received while playing.

Antonia Parada spent the week-end on a ranch near Dryden visiting her parents. She stays with her grandmother while attending school here.

Cosme Hernandez has been absent from school because of illness.

Serjio Marquez spent the week-end in Del Rio visiting his aunt, Mrs. Fidelia Barrera.

The Seventh Grade has two new pupils, Maldesna Gonzales and Valentin Maldonado.

its breath-taking beauties and hurly-burly excitement and evolved a story as colorful as a side-show circus, and as thrilling as its dancing daughters.

### 'BOMBAY CLIPPER' CALLED HIGH-POWERED FILM

If you're in the mood for high-powered thrills, take yourself down to the Princess Theatre Tuesday and grab an hour of them. They're there in "Bombay Clipper."

The Bombay Clipper is a transoceanic clipper plane winging its way from Bombay to the United States. Aboard, although not on its manifest, are five million dollars worth of diamonds—enough to excite the cupidity of the best crooks in Asia—and they're there, aboard the clipper. So also are Bill Gargan, seen as a newspaper correspondent, and his brand-new bride, played by Irene Hervey.

## UNDER NEW Management

I have purchased all merchandise, and have leased the Joe Kerr Service Station, effective as of October 1, and wish to extend a cordial invitation to old patrons, as well as to all my other friends of this section, to visit us when in need of gasoline, oil, washing and greasing, or other automobile service. We will strive to give the best service possible and only ask that you give us an opportunity to care for your needs.

The Haley Supply House, now located in the Ferguson building, will be moved to the showroom of the station, and we will continue to carry a complete supply of vaccines, drenches, and other livestock needs. I will be available at all times and will go anywhere to do your drenching and vaccinating for you.

## VISITORS FROM LAMESA

Visitors in the home of Mr. and Mrs. Marion Batson Saturday and Sunday were his father, N. L. Batson, and brother and family, Mr. and Mrs. Leo Batson and children, all of Lamesa, and Cpl. Webb N. Batson, Marine Corps, who is at home on a 30-day furlough from foreign service. All except Cpl. Batson returned to their home Monday but he remained until Thursday. Cpl. Batson has seen service on Midway, Samoa, and other fronts and took part in the battle of Midway. He was stationed there for nine months.

## MOVED TO BOERNE

Sgt. Supervisor Perry A. Dawson, with the Drivers License Division of the Department of Public Safety, arrived here Wednesday from his headquarters in San Antonio, to return Mrs. Dawson and their two daughters to Boerne where they will make their home in the future. Mr. Dawson has charge of the entire San Antonio district but stated that he was unable to find living quarters in that city. Mrs. Dawson and children have spent the past month here with her mother, Mrs. Alice Turner.

Mr. and Mrs. J. W. Haynes left Saturday of last week for Sherman where they are visiting with their daughter and family, Sgt. and Mrs. B. G. Maples. From there they plan to go to Phoenix, Arizona, where they will visit their son, Mr. and Mrs. Buster Haynes and family, and also in Los Angeles, Calif., with Mrs. Haynes brother, Mr. and Mrs. L. A. Sharp. They plan to be gone about two months.

Mrs. James Caroline and son, Jimmie spent last week-end in Pecos visiting with relatives.

### From where I sit . . .

by Joe Marsh

Dan Miles allows he's swimming right in style these days.

Dan's always made a point of finishing up whatever food was put before him. "Don't make sense to waste food just to be stylish," he says.

Now out comes an etiquette authority who says it's wartime fashion to take only what you're going to eat—and finish it up clean—because "Food Fights for Freedom."

As Doc Mitchell says, "Most folks eat too much anyway. Man and boy, I've watched this town

for years, and 75% of us dig our own graves with our teeth."

From where I sit, this new style in eating may lead to moderation, and moderation has never hurt anybody.

In fact, you find moderation and tolerance go hand in hand . . . whether it's what you eat or what you think. . . . Or whether one man prefers a moderate glass of beer when you yourself would rather have a soda.
