SANDERSON, TEXAS, FRIDAY, DECEMBER 3, 1943

NUMBER 40

FILLED KIT BAGS FOR SERVICEMEN NOW NECESSITIES

KNITTING SUPPLIES HAVE ARRIVED; KNITTERS NEEDED

One of the most needed items in the Red Cross production at the present time is the filled kit bag which is given to each serviceman leaving for foreign service, according to information received from American Red Cross Area headquarters.

Many chapters, including the Terrell County chapter, have received gratifying notes from some of the boys who have received these kits. Rabbi Isserman, Red Cross worker who has just returned from the war fronts, placed emphasis on the important part these kit bags are playing in the lives of the men in the service in building morale. They are considered necessities now by the Army and Navy, not comfort items only.

The War Department has advised that ports of embarkation are in urgent need of large numbers of these kit bags and that the need will continue to be greater than had been anticipated. The Terrell County Chapter has accepted its second quota and those in charge will greatly appreciate all donations for filling these bags. Cost per bag is \$1.00, and the number of bags filled will be governed by the number and amounts of donations received.

It was also announced that yarn had been received and those who desire to help with the knitting of garments should contact Mrs. C. P. Peavy, chairman of this work.

"SHORTY" GOES TO K-9 SERVICE CORPS

The one and one-half-year-old pet belonging to Don Frazor, was crated up Friday of last week and shipped off to war to do his part in the K-9 Corps of Dogs for Defense.

"Shorty," known to most of the neighbors who have listened to the call from the lusty lungs of Don, is half Collie and half Australian sheep dog, and was accepted for training after Don had advised the army that he was available for service. He was shipped to Dallas, and from there went to Burbank Camp where he will receive his training.

His mother, owned by Buck Dunn, who ranches about 30 miles west of Sanderson, has already received her training and at present is being used in guarding the High Bridge, according to Don.

Mrs. James Kerr Hostess to Women Of Tuesday Club

Three tables were arranged for the players when Mrs. James Kerr entertained members of the Tuesday Bridge Club at her home this week.

A series of interesting games were played by the group and at the conclusion high score prize was awarded Mrs. Robert Duncan, second high was won by Mrs. C. P. Peavy and consolation prize went to Mrs. Roger Rose.

Mincemeat pie topped with whipped cream and coffee were served to the following: Mesdames Austin Nance, J. S. Nance, Mary Lou Kellar, Jack Deaton, Robert Duncan, Lee McCue, Roger Rose, C. P. Peavy, James Caroline, Tol Murrain, John Harrison and Walter Grigsby.

Mrs. Henry Mansfield returned to her home in Abilene Tuesday after visiting here for several days with her parents. Mr. and Mrs. Willis Carter.

Mr. and Mrs. E. C. Coupland visiting several days with relatives and friends.

DISTRICT COURT IN SESSION THIS WEEK HERE

District Court was re-convened Monday with Judge Brian Montague, District Attorney Roger Thurmond, and Mrs. Belle Sutherland, court reporter, of Del Rio here for the session.

The entire day Monday was spent in the selecting of a jury to hear the case of Eric Cloudf et al, vs. B. W. Hutcherson, a suit to cancel and annul an assignment and transfer by Clara Kirkland, deceased, to defendant, B. W. Hutcherson, of four promissory notes.

Examination of witnesses was started Tuesday and will probably continue through the most of next week.

Texans Support Christmas Seal Sale For Fight Against TB

The first ten days of the 37th annual Christmas seal sale to finance the fight against tuberculosis, "once again proves that Texans are the most generous people in the world when it comes to support of causes they believe in," according to Pansy Nichols, executive secretary of the Texas Tuberculosis Association.

As evidence of the interest people in this state are taking in the campaign against tuberculosis, Miss Nichols picked out a few letters from the thousands enclosing contributions to further tuberculosis work in Texas.

One letter from a well-known attorney read: "Herewith I gladly enclose you two dollars to cover Christmas seals mailed me. It gives pleasure to contribute this small bit to such a grand cause. I hope that in the use of these seals at Christmas time I may arouse in some tired person's heart a child's hope, faith and love—in this war torn world."

Another was from a mother who purchased seals in the absence of her son to whom they were addressed: "My son and his wife are in the army, he in the air corps and she in the W. A. C. I am sending a dollar to pay for one sheet of seals. Wish I could do more, but just now don't have the money."

A business firm wrote: "Enclosed find our check for \$10 in payment of the \$3 worth of Christmas seals sent us. You may send us seven more sheets. This is a worthy cause and we are very glad to contribute."

From a West Texas community came this letter written by the brother of a soldier to whom the seals were addressed: "My brother is in the service, stationed in California. So I am sending you two dollars and will send the seals to him."

Many very old people are regular contributors. This came from an old couple in East Texas: "Enclosed find \$1 for Christmas seals. We are old and feeble, 85 and 75 years old, but hope we can do this again in 1944."

A former tuberculosis patient wrote: "Enclosed find \$2 for the Christmas seals you sent me. I spent six months in a sanatorium and I know how worthy this cause is. I am now an arrested case and I do greatly appreciate what has been done for me. So I can say God bless you all—and may all the seals be sold!"

Texas' quota in the 1943 Christmas seal sale is \$300,000. Miss Nichols stated. If people continue to respond as generously throughout the sale as they have during the first ten days, the goal will be reached, she said.

Miss Vaunceil Henderson of Del Rio visited here Sunday with friends.

GREETING CARDS FOR SERVICEMEN READY FOR MAILING

FUN FROLIC SET FOR DECEMBER 17 AT AUDITORIUM

Christmas greeting cards, bearing a message from the Sanderson high school, have been completed and are ready for mailing to every ex-high school student from Sanderson who is serving in the armed forces.

These cards bear a picture of the school building, and are placed in stamped envelopes and delivered to parents for addressing. This method of addressing was chosen because it was felt that if parents or members of the family addressed the cards more caution would be used in making sure the address was correctly written. If the addresses were collected and written on the envelopes by members of the school faculty or students, it is likely that some mistakes would be made in the handling of so large a number.

Parents who have boys and girls in the service are requested to please see that their son or daughter receives this greeting from his school. If you have not been contacted please see Mrs. Tom Holley at the high school building who will be only too glad to see that you receive the cards needed.

It is hoped that no ex-high school student of Sanderson will fail to receive this greeting because of the neglect of a parent or other loved one. If you know of anyone who has been overlooked please advise some member of the high school faculty. They will appreciate your cooperation and the excitement receiving the greeting will appreciate being remembered. Mailing time is getting late so get the message in the mails as soon as possible.

Announcement has also been made that the "School Frolic" will be presented Friday night, December 17, at 8:00 o'clock at the high school auditorium.

Stunts, which offer an evening of fun and entertainment, will make up the program and the small admission charged will go to pay for the printing and stamping of the cards.

Mrs. Tol Murrain Is Hostess to Wednesday Club

Members and guests of the Wednesday Bridge Club met at the home of Mrs. Tol Murrain on club day this week.

Mrs. Mary Lou Kellar held high score prize and Mrs. John Harrison second high.

The hostess served pumpkin pie topped with whipped cream and coffee to Mesdames James Kerr, C. P. Peavy, W. H. Savage, Web Townsend, James Caroline, John T. Williams, John Harrison Austin Nance, Mary Lou Kellar, J. S. Nance, Roger Rose and Bill Tisdale.

EXCELLENT STUDENT

Harold Prochnow, formerly of Sanderson and connected with the Sanderson Times, has been chosen as one of the "excellent students" at San Antonio Tech, according to his father, O. A. Prochnow who was here Friday morning on a run from San Antonio.

Mrs. Elnora Frazor and Mrs. G. M. Steele of San Antonio arrived here Wednesday of last week from their homes in San Antonio to spend Thanksgiving with Mr. and Mrs. W. F. Frazor. Mrs. Steele returned to San Antonio Monday but Mrs. Frazor is remaining over for a longer visit with her son and family.

Mr. and Mrs. Bendele were business visitors to Fort Stockton Monday. They were accompanied home by Bud Reed, who had been visiting his parents in San Angelo for several days.

MOISTURE FROM SNOW AND RAIN IS 1.85 INCHES

Rain, which began falling Friday night of last week, turned into sleet early Saturday morning and then to snow which continued to fall most of the day Saturday, amounted to 1.85 inches of moisture in Sanderson with lighter precipitation reported in most other sections of the county.

Although the snow fell most of the day, the weather was not cold enough for it to stay on the ground and it melted almost as fast as it fell. The rain was slow Friday night, and with the water going into the ground as fast as the snow melted, very little of the moisture, if any, was lost.

All-Wool Materials May Take Back Seat After War Is Ended

Blends With Other Materials Wear Longer, Easy Kept

That phrase "100 per cent wool" on garment labels might not be nearly so important after the war.

This prediction comes from the clothing specialist at the A. and M. College Extension Service who says in time wise consumers may prefer blends to "all wool and a yard wide." For example, a blend of wool and rayon may not wrinkle as much as 100 percent wool, the specialist, Mrs. Dora R. Barnes, explains, and it may wear longer. This month she is showing samples of some of the new fabrics to the county home demonstration agents and rural homemakers over the state.

Manufacturers are bringing about textile miracles through war-time necessity. For example, at the request of the army, a material which is lint free has been developed. Most of these new textiles will not be available to the general public until the war is over and civilian production has been maintained.

Homemakers who now fret over shortages, high prices, and skimpy styles in the fields of textiles and clothing should take the long view. After the war they are promised more beauty and utility, the specialist says.

Wood El Cox Is Honored at Tuesday Birthday Party

Mrs. T. W. Cox entertained Tuesday, November 30, with a party honoring her son, Wood El, on his ninth birthday.

Miscellaneous games were enjoyed for an hour and a half. The color scheme was green and pink, the birthday cake being green with pink candles. Miniature green Christmas trees were given as favors.

Birthday cake and punch were served to the following: Billie Henshaw, Peggy and Jo Anne Sannes, Mary Landon Rose, Betty McDonald, Nancy Jean Turner, Donna Sutton, Jim and Richard Turner, Douglas Attaway, Jackie Savage, Jimmy Caroline, Joe Albert Nessmith and the honoree.

Mrs. N. E. Charlton is in Denver, Colorado, where she was called because of the illness of her mother, Mrs. J. H. Fisher. She is reported as somewhat improved but Mrs. Charlton will remain with her for several weeks.

Mrs. H. B. Persch and daughter, Suzie, spent the Thanksgiving holidays in San Antonio with Mr. and Mrs. B. R. Persch.

Mrs. C. E. Pickett left Saturday for her home in Fort Worth after spending a week here visiting her daughter and family. Mr. and Mrs. Ed Conner.

RANCHMEN DISCUSS WOOL PURCHASE PROGRAM MONDAY

DELEGATES NAMED TO ATTEND SHEEP, GOAT RAISERS MEET

Ranchmen of this section, together with other interested parties gathered at the Terrell County courthouse Monday to discuss problems confronting them under present conditions. The meeting was called for four o'clock and J. C. Mitchell presiding as chairman, called the meeting to order.

A resolution was passed at the meeting by the ranchmen as being in favor of the continuance of the government wool purchasing program by a large majority vote. Previous to the voting on the resolution adopted S. L. Stumberg read a letter from the secretary of the Sheep and Goat Raiser's association in which matters relating to the program were discussed. During the business session delegates were named who will represent this section at the Sheep and Goat Raiser's association meeting to be held in Fort Worth the middle of next week. These delegates were Mr. Stumberg, Joe F. Brown, and Johnny Williams.

Another important topic which was brought up for discussion was the feed situation and what could be done to alleviate the shortage.

Lt. Roger J. Bassett Honored With Party Thursday

To compliment Lt. Roger J. Bassett, who is on a furlough here visiting his wife, Mr. and Mrs. J. L. Osgood entertained with a Mexican supper Thursday evening at their home.

Lt. Bassett will leave Saturday for Yuma, Ariz. where he will report for active duty.

Those present were Lt. and Mrs. Bassett, Mr. and Mrs. Lowell Schwalbe and daughter, Mrs. Ben Estes, Misses Pauline Bell, Bernice Harris, Patty Billings and Milby Winn.

Friday Club Is Entertained By Mrs. James Kerr

At her home on Friday of last week Mrs. James Kerr entertained guests and members of the Friday Bridge Club.

During the afternoon of bridge, Mrs. S. H. Underwood was winner of high score prize and Mrs. Bill Tisdale was winner of second high.

The hostess served delicious coconut pie, coffee and tea to Mesdames P. P. Courtney, Ted Baker, Jack Laughlin, S. H. Underwood, Jess Mullins, Horace Fletcher, W. H. Buchanan, Bill Tisdale, Conway Pickard, and three guests, Mrs. Austin Nance, Mrs. Paul Collins of San Antonio and Mrs. P. E. Gray of El Paso.

SON TO WEBERS

Announcements received here by friends tell of the birth of a son to Staff Sgt. and Mrs. Arthur Weber in Bellevue, Kentucky. The baby was born November 4, and weighed six pounds, eleven and one-fourth ounces. He has been named Joseph Lawrence. Sgt. Weber will be remembered here as he was stationed in Sanderson with the Army Weather Observation Post here, and helped dismantle the machine when the post was discontinued.

Mr. and Mrs. Victor Grant of San Antonio spent the past week in the ranch home of Mr. and Mrs. Alfred Bendele. Mr. Grant is a cousin of Mrs. Bendele.

Mrs. Steve Zajac arrived from her home in El Paso for a visit with relatives. She returned Wednesday.

FROM TEXAS TO TOKIO

Lee McSparran, son of Mr. and Mrs. E. McSparran, serving with the U. S. Navy, has recently been promoted from fireman third to fireman second class. Lee is somewhere in the South Pacific and has been gone from the States about two months.

Staff Sgt. W. J. Ferguson, Jr., left Tuesday of this week to return to San Antonio where he is stationed at Fort Sam Houston. He has been spending a 21-day furlough here with his parents and recuperating from several months illness.

Weidon Blackwelder, son of Mr. and Mrs. J. R. Blackwelder, enlisted in the U. S. Navy Tuesday of this week at San Antonio, and has been assigned to a naval training station, according to information received here by his parents. His station has not been learned.

Pfc. Harry Hunter, U. S. Army Air Corps, arrived here Tuesday for a visit with his grandparents, Mr. and Mrs. Raymond Davenport. Mr. Davenport went to San Antonio to bring him here. Harry has been stationed at Sioux City, South Dakota, but is being transferred to Salt Lake City, Utah.

James Blackwelder, son of Mr. and Mrs. J. R. Blackwelder, and Charles Rogers Jr., son of Mr. and Mrs. Charlie Rogers, got together recently in Hawaii and had a real visit. They met for dinner and invited "Red" George of San Antonio, a cousin of Charles, to be with them. From reports received, it seems the dinner proved such a success that they made a full day of it.

Judge R. S. Wilkinson says we made a little slip in our report on Aviation Cadet Jim Wilkinson last week. We thought he soloed in basic training exactly one month to the day from the date he soloed in primary training. Seems the truth about the matter is that he soloed in basic exactly two months to the day from the time he soloed in his primary work.

Pvt. Dick Sullivan has reached his destination safely, according to information received by his mother, Mrs. Maude Sullivan. Dick sailed from point of embarkation about a month ago. He says he had a good trip but was crowded going over. Says it is very warm where he is now stationed and that he can go swimming any time he wants to. Says "the chow is good and I am feeling fine."

In a letter dated September 30, is found several interesting items of the trip to England made by Ensign Jimmy Goodykoontz. The letter was written to Mr. and Mrs. Goodykoontz and in part, reads as follows:

"I am aboard a freighter somewhere in the Atlantic Ocean. We are in a convoy and consequently steam along pretty slow so it will take over two weeks to get there. I will not be able to mail this until I reach England so you will know I've made a safe trip when you get this. The chow is good and everyone treats us royally; even the captain dropped by last night to chat a while. And cigarettes are 65 cents a carton. I don't know what we will do when we get to England. All I know is that they are trying to get us aboard our ship but we may have to chase it half way around the world before we catch up with it."

In another letter, dated in October, Jimmy continues: "We are still steaming along and nothing is happening except it is getting rougher and rougher and colder and colder. I have not gotten sick yet but dislike the roll of the ship just the same. It was impossible to sleep last night because as soon as you re-

IS DEBT HARMLESS?

A leading exponent of the public-debt-without-limit philosophy reiterates that, 'If the national debt is all internal, as ours is, the nation can hardly go bankrupt.'

This philosophy will require more and more explaining as time goes on. People whose earnings and savings are reeling under the double impact of taxes and inflation, are going to ask some questions that will be hard to answer.

The 'owe ourselves' theorists have always claimed that as the debt grew the affairs of the country could be so arranged that the debt would be actually beneficial. They call it a managed economy.

The people in their collective wisdom may save the nation.

Sales pads at the Times.

THE FIFTH FREEDOM

One of the most eloquent of the rapidly increasing pleas for a fifth freedom is that of Dr. Nicholas Murray Butler, president of Columbia University, who says:

'Freedom of individual enterprise must be added to the 'four freedoms' to make the definition of freedom complete.

'This fifth freedom is in reality the cornerstone of the foundation upon which the other four freedoms must rest. It recognizes that the individual human body, the individual human intellect, and the individual human soul are fundamental—the moving and guiding forces in any true civilization.

'No individual should be looked as a member of a permanent class or group; every individual be free to move about as he prefers, economically, socially, and politically; and he must be free to make the most of the opportunities offered him.

'It is to the people of these United States that this modern world may well look for convincing illustration of this fifth freedom. The Army private of today is the major general of tomorrow. He who begins life as a manual worker or as a clerk may, as well know, come to wield large influence and authority as an administrator and organizer of men and industry. This is the secret of true progress.

'Given the fifth freedom, then the other four freedoms take their place as part of the life of every free man.'

The girl in the next block says there's a lot of food value in dates—if you're dating the right fellow.

STRICTLY BUSINESS

by McFeatters

'I'm tired of being deferred. I want to be drafted!'

It Happened In Sanderson TEN YEARS AGO This Week — Remember

December 1, 1933

Two projects for this county have been approved by the Civil Works Administration at Austin.

These two projects are for road work that will be done in precinct 2 and 3 of this county. In precinct 2 the road leading from the highway to Watkins will be put in first class condition by the unemployed men.

J. W. Downum, manager of the Kerr Hotel, attended the 27th annual convention of the Texas Hotel Association which was held in Houston on Monday and Tuesday of this week.

Mrs. W. E. Grigsby left Thursday morning for Sterling City to visit over the Thanksgiving holidays with her parents, Mr. and Mrs. J. L. Glass.

Mrs. P. F. Sullivan and daughter, Miss Dorothy and son Denny were Del Rio visitors last Saturday.

Mr. and Mrs. Bustin Canon and children are spending the Thanksgiving holidays with relatives and friends in San Angelo.

Mrs. W. E. Lea and daughter, Nell, and son, Bobby, left Thursday morning for Del Rio where they will spend the remainder of the week.

Mrs. J. L. Osgood was a Del Rio shopping visitor Wednesday.

WITH OUR NEIGHBORS

Ozona Stockman — Checks were distributed to growers early this week for approximately 102,000 pounds of 1943 fall clips of wool to complete appraisal and payments to growers for all 1943 wools sold through the Ozona Wool and Mohair Co., Melvin Brown, manager, announced.

Fall short wool prices averaged from slightly under 40 cents to a top of 45.20 cents a pound net, the top price being allowed for straight lamb wool clips. Odd lots of 12-months length wool, shorn this fall, were grouped into one line and the appraisers set a price of 43.80 cents a pound net to growers.

Fort Stockton Pioneer—Final approval on priorities and housing regulations has been granted for construction of an additional 40 family dwelling units for Pacific Air School employees here by Defense Plant Corporation.

The project awaits only the approval of funds appropriation by the Defense Plant Corporation, and this has been previously indicated, though not finally cleared.

The apartments, expected to be of similar design to the 26 recently completed, will be located in the vicinity of Webster Park, the name given the first development by the DPC. Exact location has not been announced.

Alpine Avalanche—Fort Davis.

The hunting season is open in the Davis mountains, and there is no dearth of hunters. According to W. C. Kountz, game warden, approximately 125 licenses have been issued here.

A large black bear, weighing 315 pounds, was shot on Star mountain by Jim Espy. The day before Jim got the bear, a large javelina (peccary) was caught by dogs on the Espy ranch.

On the Roy Nunn ranch a hunter got a 26-point buck, the record to date.

Uvalde Leader-News — Construction of eight new homes in Uvalde is expected to begin within the next ten days or two weeks and actual work is now awaiting only issuance of priorities for the materials by the War Production Board, it was announced this week.

The units will be constructed solely for qualified civilian defense workers and will be the Federal Housing Administration's allotment of seventeen new homes for this city to relieve the extremely critical housing situation.

Big Bend Sentinel, Marfa—Recognizing only one leader, and ready, if necessary, to bite the hand that feeds them, sentry dogs recently arrived at Marfa Army Air Forces Pilot School.

The staunch canines, all strictly I-A in their draft classification, are under the charge of Pfc. Jack H. Cohn, Norwalk, Connecticut. Young Cohn and his formidable protectors came from San Carlos, California where the quintet underwent a 2-month's course at the United States War Dog Reception and Training Center.

The animals—two German and one Great Dane—are valued at \$500 apiece and were donated to the Army for training as super-detectors for the regular M.P. guard mounts.

AT THE PRINCESS—

"PHANTOM OF THE OPERA" CALLED LAVISH FILM

'Phantom of the Opera' comes Wednesday and Thursday to the Princess Theatre. The production, heralded as Hollywood's super thrill-classic, is said to have been filmed on a lavish scale and is listed as one of the year's outstanding movie projects. Photographed in technicolor and featuring a cast of thousands, the picture has attracted record-breaking crowds at its premier showings.

Nelson Eddy, Susanna Foster and Claude Rains are co-starred. Distinguished players in

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

the huge supporting cast including Edgar Barrier, Leo Carrillo, Jane Farrar, Fritz Feld and Hume Cronyn.

Eddy and Miss Foster appear as opera singers and Rains has the title role of the 'Phantom,' the frustrated, disfigured musician, a terrifying monster shrouded in mystery who haunts the giant edifice.

LURID DRAMA HAS CAST OF TALENTED PLAYERS

Announced as Hollywood's most gripping horror drama, 'Captive Wild Woman' comes Friday and Saturday, December 10 and 11 to the Princess Theatre. The now thriller was created by Universal studio.

'Captive Wild Woman,' descends (Continued to page three)

URGENT PUBLIC NOTICE!

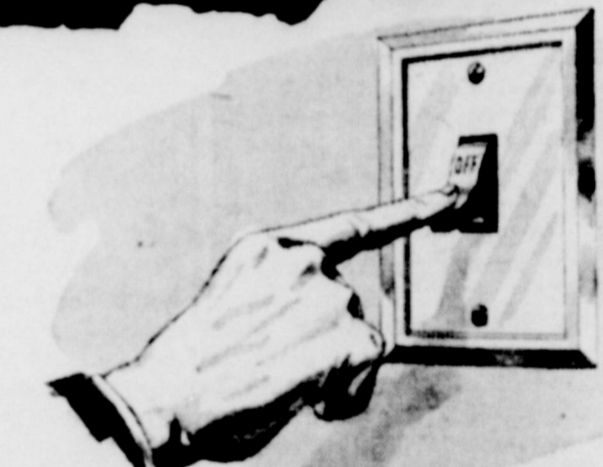

THE tremendous gains made against tuberculosis are in danger of being wiped out. Crowded housing, abnormal eating conditions, overwork, and all the other by-products of war can give the dread TB a new lease on life.

We found this out in the last war. Your help is needed, urgently. To carry on the year's fight against TB, we rely on your purchase of Christmas Seals. Please send in your contribution today, as much as you can give.

BUY CHRISTMAS SEALS The National, State and Local Tuberculosis Associations in the United States.

WARTIME SAVINGS SUGGESTION for Electric Appliance Users

Seven Ways to Eliminate Waste in Home Lighting

- Turn off lights in unoccupied rooms. Wasting light not only wastes electricity but critical materials used in manufacturing lamp bulbs as well.
Eliminate use of wall brackets and other strictly ornamental lighting.
Watch lights in closets, attics, porches, basement and garage. It's easy to forget and leave them burning.
Use low-wattage bulbs in closets, halls and other places where bright light is not needed.
Rearrange furniture so one reading lamp can serve two or more people at the same time. But be sure lamp is not too far away from either person.
Switch three-light lamps to lowest level when not being used for reading, sewing or other close visual tasks.
Keep bulbs, shades and diffusing bowls clean. Dust and dirt waste light.

Uncle Sam Says:

Waste of anything in wartime is a crime. Don't waste electricity just because it isn't rationed. Wasting electricity involves a waste of fuel, transportation facilities, manpower and critical materials needed elsewhere in the war effort. Use all the electricity you need—but need what you use.

THE EAGLE NEWS

EDITED BY STUDENTS OF THE SANDERSON HIGH SCHOOL

SNOOPER

Sees Nothing—
Hears Nothing—
..... Tells All

We wonder why Tootsie stayed in the car all of the time. Could it be because Jubber was not very active. Could be!

We see a new couple now. Buster and Margie D. Good luck kids.

Marjorie was so happy because Authur came home. We are too, gal.

Didn't Yada and Holmes make a cute couple. Short you know. Clara was so blue. Johnnie wasn't at the ranch party.

What certain boy warned a certain girl that he would kiss her if she wouldn't quit yelling?

We hear that certain girls rode horse back, down at the party, to keep from washing dishes.

Harvey N. had a girl every night at the party. Some people have all the luck.

Another lonesome boy at the party was Alonzo. Snooper really felt sorry for him.

We hear "Shorty" has become quite a ladies man. Hmmm.

Maurine C. came back from San Antonio with a big smile on her face. Say, Maurine, is it all that good down there.

Four young couples were seen last week end. They seemed to be having a wonderful time. Now I won't tell where, when, or what.

Mart was home for two weeks and things seemed to brighten up quite a bit. Say, why don't ex-seniors come more often.

Jay Tom was seen with that cute ex-senior from California. Say, how did you do it?

Dan Murrah is back on the prowl again. Better be careful girls. You know Dan.

Billie seems to be worried because she hasn't heard from W. T. Well Billie. I'd like to hear from him myself.

CAN YOU IMAGINE

The full-length picture show arriving?

Being back to school after four long Thanksgiving holidays.

The students of S. H. S., without the drug store as a gathering place?

Mr. Holley with a woman's voice?

John Lewis without a girl?

Jack Thomas without his inventions?

Charles Daniel as a real jitterbug?

Seeing Joan Anderson when she is not mad at someone?

Maloy Winston running without falling down?

Bland Gates driving slow to school?

Willie Grigsby being quiet in the study hall?

Why there are no more school dances?

Glenn Babb in a uniform?

Mr. and Mrs. Holley going "honkie-tonkin"?

Stump without his jalopy?

The only way to protect yourself against a fast-talker is calm thinking and slow action.

POPULARITY CONTEST

The civics class held a popularity contest on Wednesday. This contest is held annually by the school children to choose the outstanding students. The contest this year was very close with several ties. The following first and second place winners are given:

Most popular boy: John Lewis, second, Jay Tom.

Most popular girl: Maurine Frazier and Billie Babb tied.

Best all-around boy: John Lewis and Jay Tom tied.

"TOOTSIE" CELEBRATES WITH BIRTHDAY PARTY

This story of a very happy birthday party was told by a little grey rabbit who followed the guests around and saw what went on at the Holmes ranch a couple of week-ends ago.

"As you have heard, I am just a small rabbit who attended the party uninvited, but I will try to tell you what I saw. A large number of Sanderson boys and girls came out to the ranch on Friday night. I stayed up until almost dawn to watch them play games. In a game called 'Truth and Consequences' Jubber and Wilma had to imitate Glynn and Wilma greeting each other.

"They didn't have dinner until almost four o'clock but they certainly acted as if the food was worth waiting for, especially when a ranch hand showed up to make certain hearts do the flip-flap.

"Some of the boys and girls went horseback riding. They seemed to have a lot of fun too. Yada and Wilma went riding on the raft and fell into the tank. They seemed to enjoy that however. Some of the boys tried to rope goats, but I think I could have done better.

"After exploring some caves, the bunch finally started for their homes. All of them tried to express their appreciation to Mr. and Mrs. Geaslin and 'Tootsie' for the happy experiences they had enjoyed.

"I felt rather lonesome after they had gone, so I thought I would pass the time by writing this account. Hope you can read it."

Lamar School Notes

LAMAR P. T. A.
The Lamar P. T. A. met in regular session on November 9, 1943. The fourth grade under the direction of Mrs. Bogusch

gave a most interesting program consisting of some songs and a May-Pole dance.

Supt. Holley gave an interesting discussion on "The Freedom of Learning". He emphasized the freedom of education we enjoyed and urged each parent to see that his child receives the best education possible.

The Seventh Grade children won the prize for having the most parents present.

The next P. T. A. meeting will be at 7:30 p. m. on December 13th.

The Third Grade children are learning to weave cloth by hand. They are making their own looms.

Honorato Falcon spent the Thanksgiving holidays in Del Rio.

Ramon Valadez spent the Thanksgiving Holiday in Marfa.

Some of the teachers spent Thanksgiving Holidays out of town: Mrs. Bogusch in San Antonio; Mrs. Hayre in San Antonio and Waelder; Mrs. Ragsdale in El Paso; Mrs. Lassiter in El Paso; Mrs. Lindley, Mrs. Weaver and Miss Mitchell remained in Sanderson.

Martinez and Margarita Martinez gave a party Sunday afternoon at the home of Mrs. Jesus Martinez. After games the hostesses served cake and chocolate.

Mrs. Vicente Villegas has returned from Del Rio where she had a tonsilectomy.

An ex-cowhand says he can remember back in the days when horses in western movies carried cowboys instead of tenors.

Omission of an employee's account number on a social security tax return may jeopardize that employee's assurance of receiving full credit for all of his wages when a claim is filed by him or his family.

Cooperation: the disposition of a person to conduct himself in such a manner that the other fellow can work with him.

CO-OPERATION IS WINNING THROUGH!

HIGH SCHOOL HONOR ROLL

Freshmen led in number on the honor roll this six-weeks.

Seniors: Maurine Frazier, Jay Tom Holley, Mary Nell Higgins, James Kerr, Wilma Woodruff.

Juniors: Billie Babb, Hazel Bergman, Yvonne Oberling, Bill Savage.

Sophomores: Mary Alice Allen, Don Frazor, Marjorie Jessup, Betty Jo Kerr, Wilma Jean Northcut, Mary Jean Ogle.

Freshmen: Weldon Chamberlain, Edward Chastain, Jeanette Cobb, Mary Agnes Frazier, Rita Silvas, Charles Hill, Doris Hill.

Eighth Grade: Betty Ann Peavy, Harriet Ann Pierson.

AMERICAN WARD SCHOOL HONOR ROLL

Students whose names appear on the honor roll for the second six weeks of school are:

Second grade—Tommy Mansfield, David Mitchell, Dorothy Hill.

Third grade—Jimmie Caroline, Carroll Lassiter, Jackie Savage, Marilyn Courtney, Mary Landon Rose.

Fourth grade—James Bean, Quan Elliot, Mickey Glasgow, R. E. Mason, Marion Powers, Anna Edwards, Barbara Rose Shirley Thompson.

Fifth grade—Bobby Jo Hill, Betty Fay Sullivan, Jimmie Bradford, Wayne Cade, George Fisher.

Sixth grade — Betty Cooke, Nancy Peavy, Barbara Anderson.

Seventh grade—Josie Klassen, Lizzie Bell Phillips, Margaret Klassen.

AT THE PRINCESS—
(Continued From Page Two)

bed as even more ambitious than its chilling predecessors, reveals the secret crimes of a brilliant but fiendish doctor-scientist. Through a fantastic surgical feat he transforms an orang-outang into a beautiful and attractive girl. The transformation, however, is not complete and she again becomes an animal after a series of killings in which the doctor-scientist himself is murdered.

Featured players in the cast include Evelyn Ankers, John Carradine, Milburn Stone and Lloyd Corrigan. Appearing in prominent roles are Martha MacVicar, Vince Barnett and

Acquanetta. The latter, one of the cinema's most glamorous newcomers, is seen as the 'gorilla girl.' Carradine portrays the doctor-scientist.

Clyde Beatty, celebrated animal trainer, cooperated in the staging of animal sequences of the picture. These sequences, filmed against a circus background, are declared to be highly sensational.

ONE, KELLY AND HUNT APPEAR IN NEW UNIQUE WAR DRAMA, 'PILOT NO. 5'

Franchot Tone, Gene Kelly and Marsha Hunt head the cast of a different type of war picture, 'Pilot No. 5' showing Tuesday at the Princess Theatre.

The M-G-M offering goes far behind the scenes of conflict to highlight conditions of political corruption and fascist inclinations in our own country. The exposition is accomplished through the unusual medium of telling the story of a man's life as seen through the eyes of four of his friends.

Various chapters in the life of the principal Tone, are told to the commanding officer of an airfield somewhere in Java, from which Tone has just taken off on a suicide mission against a Jap plane carrier. The officer is curious about the man whom he has chosen for the mission from the five remaining pilots and seeks to learn more about him. The others then reveal what each knows of the absent

While episodic in narration, the story is powerfully dramatic as it deals only with incidents and situations which have a bearing on Tone's character, omitting all inconsequential detail. It reveals how Tone, a brilliant young law student, became the tool of corrupt politicians until he rebelled when he saw the true import of the system he was aiding to foster. He protests, is disgraced, and later beaten up. Then he is reclaimed and once more regains his own self-respect and the love of his sweetheart (Marsha Hunt) who has left him.

CROSBY FILM, 'DIXIE' STARRING DOT LAMOUR
At long last Hollywood is giving us a real minstrel show! And from everything heard a-

bout it, it's been well worth waiting for. The jitterbug generation is going to have chance to see—and hear—what young America was dancing to and singing a hundred years ago, when Bing Crosby's great new musical 'Dixie,' comes to town Sunday and Monday for the entertainment of the Princess Theatre patrons.

Bing plays the role of Dan Emmett, the banjo troubadour who wrote 'Dixie,' the song that comes near to being our national anthem, plus many other tunes. There are six old tunes in the picture that Bing sings, including 'Dixie,' 'Old Dan Tucker,' 'Turkey in the Straw,' 'Buffalo Gals,' 'Last Rose of Summer' and 'Swing Low, Sweet Chariot.'

The movie tells the story of the formation of the Virginia Minstrels by Bing as Dan Emmett, with Billy de Wolfe, Lynne Overman and Eddie Foy, Jr., rounding out the original quartette that subsequent to grew to a minstrel troupe of forty—count 'em, forty—en. New Orleans the scene of their first triumph, is where Bing meets Dorothy Lamour who is co-starred with him in the film. Dottie plays the part of Millie Cook, unsympathetic landlady of a boarding house for dead-beat actors. Of course, it's difficult to be unsympathetic for very long and in spite of the fact that when she meets him, he is another out-of-work border, Dottie falls for him and vice-versa.

However, there's another girl in Bing's life—Marjorie Reynolds, his sweetheart of 'Holiday Inn.' The romance that evolves is played to the tune of six old hits and six new contenders for the Hit Parade.

Repulses Three Jap Attacks

U. S. Marine Corps Photo
Corporal John Rothschild, left, Leatherneck machine-gunner of New York City, reports to his commanding officer, Lt. John H. Wismer of Trenton, Mich., after he and another Marine had broken three Jap attacks. The two Marines volunteered to man a gun at a hazardous outpost at Sarana Beachhead, Munda Point, and were attacked by 150 Japs in three waves. They eliminated more than 100. One Jap reached their foxhole but was killed by Rothschild. The second Marine died at his gun.

FOR DEFENSE BUY
UNITED STATES SAVINGS BONDS

THE CORRAL

By Bill Gray

For brevity, in giving a paragraph sketch of the West Texas calf market, we will quote the deals given us by Sol Weatherby the firt of the week. Weatherby, buyer for the Triplett Cattle Co., Amarillo, buys as widely and as often as any other feeder buyer in Texas, and here are some of his purchases of the last 10 days: Bought from Tankersly Estate, Mertzon, 300 mixed calves, averaging 421 pounds, at 10-11 cents; from Tom, Sessum Brady, 255 head of 3-year-old steers, averaging 945 pounds, at 11 cents; two loads of mixed calves, loaded from Big Lake and bought from Walter Young, San Angelo, averaging 370 pounds, at 9 3-4 cents for the heifers, 10 1/2 for the steers.

Seventy per cent of the mixed calves and steer yearlings in West Texas have been shipped out, Weatherby believes. Mixed calves today are selling a 9 1/2 and 10 1/2 and 10 and 11 cents, steer yearlings at 10 to 10 1/2 cents. The Triplett buyer, as others, is looking for the heavy feeder cattle, which are in greatest demand today in the Corn Belt (because, of course, the short feeding route is the least hazardous for the feeder, who has a lot of guessing to do, as well as the stockman of the range country.

W. P. Luse, Dallas registered Hereford breeder, writes that "After considering the cattle conditions and continued drought we have had in Texas and part of Oklahoma, Kansas and Missouri, and the prices that cattle are bringing, I am calling off my cattle auction set for Jan. 13."

The 1944 edition of "Feeding Practices," published by the National Cottonseed Products Association, Dallas, is of the press, and may be secured by writing the association, 714 Praetorian Building, Dallas. It is authoritative and in high demand every year by stockmen. It is illustrated attractively.

At random: Good snows and rains fell in the Panhandle, over the wheat area, during the close of last week, we learned in reports from the Amarillo country good prices were recorded at the Taylor County Livestock Auction last Friday, with fat calves selling at 11 1/2 to 12 1/2, bulls to 8 1/2 and stocker steer calves selling up to 10 1/2. . . officials of the Texas Sheep and Goat Raisers' Association disclose: Two extra pulmans will go from San Angelo to Fort Worth for the convention, Dec. 7-8: big topic will be—how to handle the 1944 wool clip, with Texas warehouses now jammed with the past season's clip?

Texas Pantries Show Large Amounts of Foods Preserved

Home Freezing and Community Freeze Lockers Filled

Preliminary reports on the amount of food preserved by Texas families during 1943, reach astronomical proportions. Figures compiled by Mildred Horton, vice director and state home demonstration agent of the A. and M. College Extension Service, reveal 43 million quarts and 21 million tin containers have been filled with canned food this year. More than five million containers of fruit butter, jams, jellies, and marmalades swell the totals reported by county home demonstration agents in the state.

Food has been conserved in a variety of ways. The total now stored in home freezing units or community freezer lockers approximates 10 million pounds, and the number of pounds of meat cured and stored is in excess of 30 million pounds.

Home dehydration figures show the greatest percentage increases. The report reveals that 1,246,038 pounds of vegetables have been dried and 2,440,998 pounds of fruit. An additional million quarts of vegetables has been preserved by brining and salting. The largest figure in the entire report is 107,179,250 pounds of food stored in bulk, including potatoes, root crops and apples.

Miss Horton emphasizes that these figures represent food conserved by families for home use not by commercial interest for trade channels.

County home demonstration agents over the state report 80,000 pressure cookers in use during 1943, including 6,532 new ones. Approximately 1,148 home dehydrators were bought this year, but three times that number were made at home. One of the greatest shortages in food preservation equipment is boiling water canners, and 30,000 are needed in Texas for next year.

Mrs. Winifred J. Leverenz is the Extension specialist in food preservation.

RATIONING At A Glance

Gasoline - In 17 east states A-8 coupons are good through February 8. In states outside the east coast area A-9 coupons are good through January 21.

Fuel Oil - Period 1 coupons are good through January 8. Period 2 coupons became good November 30.

Sugar - Stamp No. 29 in book four is good for 5 pounds through January 15, 1944.

Processed Foods - Green stamps A, B, and C in book four, good through December 20. Green stamps D, E, and F in book four become good December 1 and remain good through January 20.

Mrs. P. E. Gray returned to El Paso the first of this week after spending the Thanksgiving holidays as a guest in the home of Mr. and Mrs. S. H. Underwood.

Mrs. J. R. Goodykoontz of El Paso is here this week for a visit with friends.

M. G. Northcut and son M. G. Jr., returned Wednesday from San Angelo after several days visit there.

Mr. and Mrs. C. C. Mitchell went to San Antonio Saturday, returning Tuesday. Mrs. Mitchell went for medical attention.

Mrs. Mildred Deaton and children of Eldorado spent Thanksgiving here with her husband who is employed with the railroad company.

Careful, Marine, It's Loaded

U. S. Marine Corps Photo

One of the bombs dropped by Japanese aircraft on Munda's airfield didn't go off. Sgt. Curtis L. Fluit, a Marine from Izaan, Texas, carefully attached wires to it so his mates could haul it to a water-filled cave where its blast caused no damage.

Armadillo Hunt Adds To County's Fat Salvage Collection

Conducted By 4-H Club Members In Bastrop County

An armadillo hunt recently boosted Bastrop County's fat salvage collection. Members of the String Prairie 4-H Club contributed the novel idea and followed through. Armed with rifles, shovels, picks, and axes, boys in the club hunted for armadillos on two farms in their community, killing eight. They were accompanied by their sponsor, Henry Rabel, and their county agricultural agent, W. G. Anthony.

Next morning the boys dressed the armadillos, and the fat was cooked out by the 4-H girls who had the assistance of their sponsor. Mrs. Henry Rabel, three members of their local home demonstration club, and their county home demonstration agent, Miss Lena Sturges. Six pounds of fat were rendered from the eight armadillos.

The project so aroused community interest that an additional 13 pounds were contributed during the morning.

"The hunt provides entertainment and worthwhile participation in wartime activities, and the idea is one that might be followed profitably by other counties, extension agents believe. "While money from the sale of the fat is a small addition to the club treasury, that is the least thought in the minds of these boys and girls who are willing to do their part in the waste fat collection," they explain. Another hunt has been planned for the near future, with the

entire community invited to participate.

Mr. and Mrs. John Green, Jr. and daughter of Laredo visited here last week-end with relatives.

Mr. and Mrs. Weldon Cox and son left Wednesday for Sweetwater for several days visit there.

Almost 80% of the men and 45% of the women in this country over 14 years of age now hold social security account numbers. Of the 70 million accounts established, over 65 million are active.

What You Buy With WAR BONDS

Water Camel

Thirst is one enemy of armies and navies that may be frustrated by a generous supply of water. Typhus, another dreaded plague is another enemy that must be subdued in Africa, in the jungle islands of the Pacific.

So the "Lister Bag," more often called the "water camel," or just "camel," is used. The "Lister Bag" is a khaki colored canvas bag having a capacity of about 30 gallons. It will require many War Bonds to provide enough "camels" for our fighting forces at home and abroad. Yours too! "Back the attack with War Bonds." U. S. Treasury Department
