

THE SANDERSON TIMES

SANDERSON, TEXAS, FRIDAY, JULY 14, 1944

NUMBER 20

VOLUME XXXVII

LOOKING AHEAD

BY GEORGE S. BENSON
President, Harding College
Searcy, Arkansas

STORY MATERIAL
The United States is winning for humanity in 1944 as direct result of what our ancestors did in 1776. This year has had 168 years of freedom. Its citizens (its fight-ers) possess 168 years of ex-perience and its workers at home and abroad are taking care of themselves under a system of enterprise. It's a great

Wish every child in America, about the sixth grade, where study of synonyms and antonyms begins, could be im-pressed that liberty is the op-posite of slavery—impressed so they couldn't forget. I

afraid words that mean free-dom have grown poetical and abstract to all of us. To our forefathers, don't forget, means escape from some-thing strictly awful.

able Pride
talking about ancestors nev-er has a habit of mine but to along with millions of

citizens of the United States, I am glad my grand-father's great-grandfather was a free man. Do you wonder if he ever did for me that

me any good? Just this: He taught my grandfather's grand-children to love liberty, and the gained strength until I

course this freedom would but little value if it were not to the Bensons, but

There were 16 young back in 1776, who could rely as my grandfather's

grandfather and they a lot of posterity by now. They all had liberty-

friends that year, com-ming in arms perhaps, who laid foundation of the world's

best nation.
Way is Best
tting used to civil liberty

time, perhaps as much as getting used to slavery. It takes a liberated na-tion longer than one man's life-

to become adjusted to free-dom. But our freedom came generations ago and it's cer-tainly being useful now. The U

is making half the world's material, has done more in years than our enemies

ing, training and equip-ment for a fast-moving war has been Germany's day task since World War

ally ended. The Japs have prowling around civilized

ies marking the soft spots than that. Meanwhile

QUOTA FOR FIFTH WAR LOAN IS MET BY TERRELL COUNTY PEOPLE LAST WEEK

SALE OF SERIES "E" BONDS FALLS SHORT OF MARK

Terrell County Chairman C. P. Peavy announced this week that the quota set for Terrell County

for the Fifth War Loan had been met, although the sale of series "E" bonds was still \$5,600 short. The over-all quota for the county was set at \$100,000, with one-half of that amount to be sold in series "E" bonds. To date there have been only \$44,400 worth of this type bonds sold although more bonds of other series have been sold than were necessary.

Mr. Peavy pointed out that any "E" bonds bought during the balance of July would be applied on this quota and it was hoped that the full amount would be sold within the next two weeks.

Saturday of last week the quota had been over-sold by \$3,463, and to date a total of \$103,988 have been invested in bonds.

Funeral Services For Cody M. Wardlaw Held in Del Rio

Truck Crashes Into Post After Skidding; Son Is Not Injured

Funeral services for Cody Martin Wardlaw, 31, son of Mr. and Mrs. C. B. Wardlaw of Del Rio, were held Thursday afternoon at 6:00 o'clock in the family residence, with the Rev. M. D. Council, pastor of the First Methodist Church of Del Rio, officiating. Burial was in the Westlawn Cemetery.

Wardlaw was killed Tuesday night 28 miles north of Del Rio when his truck skidded into a highway post. Death was instant and he was pinned in the cab by the post. His little four-year-old son, Cody Junior, was with him but was not injured.

Born in Del Rio, Wardlaw was engaged in the ranching business in that section and was a director of the Del Rio National Bank. Besides his widow and son, he is survived by a two-year-old daughter, his parents, two brothers and two sisters.

Mrs. Pearl Babb and Cpl. C. E. Turner Are Married Monday

Wedding Ceremony Is Performed By O. T. Jernigan

Mrs. Pearl Babb and Cpl. Charles E. Turner, both of Sanderson, were married Monday afternoon at two o'clock at Fort Stockton with Judge O. T. Jernigan performing the wedding ceremony. They were accompanied by the daughter of the bride, Miss Hazel Babb.

Cpl. and Mrs. Turner are well known here, having made Sanderson their home for the past several years. Cpl. Turner has been seeing foreign service in the Atlantic for the past two years, and left Friday to report at San Antonio for re-assignment after spending his furlough visiting here with his mother, Mrs. Alice Turner. Mrs. Turner will remain here.

Auxiliary Holds Meeting in Home Mrs. W. H. Savage

The Circles of the Presbyterian Woman's Auxiliary met on Monday, July 10th in the home of Mrs. Will Savage, following a meeting of the Executive Board. Mrs. R. S. Wilkinson led a very interesting program on "Christian Liberty" and Mrs. John Byrd led the Bible Meditation on the same subject.

Those present were Mesdames E. J. Hanson, A. F. Gholson, C. C. Mitchell, Lee McCue, J. W. McKee, R. S. Wilkinson, J. W. Byrd and Chas. Ford.

Fred Harding returned Friday where he has been the past several weeks.

Mrs. C. C. Shotts and daughters, Jane and Carolyn, and John Britte, all of Pleasanton, arrived Monday for a visit in the home of Mr. and Mrs. Tom Holley. They were also accompanied by Betty Mixon of Ken-nedy, a niece of Mrs. Holley, who is also visiting with them.

Richard Critz Asks Support of People For Elective Term

Says Decisions Will Be Based on Law and Merits

The attempt of a certain faction in organized labor to pack the state courts with its own judges is a "direct challenge" to the people of Texas and their free institutions, Associate Justice Richard Critz declared today in a stinging rebuke to a "political action committee's" 1944 political bulletin.

"I welcome the support of all laboring people, but so long as I am on this highest court there will be no handing out of special favors, and all cases will be decided on their merits and according to law," he stated.

Justice Critz, seeking his second full elective term on the court, alluded to a "1944 political bulletin" which stated that Justice Critz's opinions were "invariably antagonistic to labor."

"No statement or contention is made that any single one of my opinions has not been based on law, or did not correctly declare the law," he said.

"This small committee of labor officials is seeking to make itself the political boss of the men and women who belong to labor unions. They would dictate the selection of a judge on the Supreme Court of Texas."

"Whenever a selfish pressure group elects a public official, it invariably follows that the group prospers and the people suffer. This is especially true if that official is a judge, and it would be a tragic situation if the highest court in Texas had on it a judge who owes his job to a selfish minority," he continued.

"I cannot think that the people of Texas will stand for such a brazen attempt to intimidate the courts of this state."

Tuesday Bridge Club Is Entertained by Mrs. Robert Duncan

Mrs. Robert Duncan was hostess to members and guests of the Tuesday Bridge Club at her ranch home on Club day this week.

High score prize was awarded to Mrs. Jack Bogusch, second high was won by Mrs. James Caroline and consolation prize went to Mrs. Hugh Rose.

A salad plate was served by the hostess to Mesdames Lee McCue, Edward Downie, Roy Bogusch, James Caroline, Jack Bogusch, Hugh Rose and J. S. Nance. Mrs. Max Bogusch and Mrs. W. T. Bondurant were tea guests.

Mrs. Conway Pickard Is Hostess to Friday Bridge Club

The home of Mrs. Conway Pickard was decorated with bouquets of mixed flowers when she entertained members and guests of the Friday Bridge Club last week.

Mrs. W. H. Savage was winner of high score prize. Mrs. Jack Bogusch won second high and Mrs. Ted Baker received consolation prize.

The hostess served congealed celery-nut salad, pickles, olives, wheat toasties, devils food cake and iced tea to the following: Mesdames Jess Mullins, Jack Laughlin, W. H. Savage, Horace Fletcher, S. H. Underwood, J. D. May, W. H. Buchanan, P. P. Courtney, Jack Deaton, Roy Bogusch, Ted Baker, Roger Rose, P. E. Gray of El Paso and Jack Bogusch of Jersey City, N. J.

Mrs. B. F. Anderson and daughters, Joan and Barbara are in Shattuck, Okla., where they are visiting with relatives.

IS SUPERINTENDENT

S. J. Lovell, who has served the Terrell County schools for the past three years as principal of the elementary school, has accepted the post of superintendent at Marathon. Mr. Lovell left Monday to take over the duties, but being unable now to secure a house in which to live, will leave his family here for the present.

Serum Treatment For Diphtheria Of Great Value

Immunization of Infants Would Save Many Lives

Few conquests of science have been as spectacular and complete as those relating to diphtheria. Science has firmly established the value of serum treatment in both its preventive and curative phases. However toxin-antitoxin, or its successor antitoxin for immunization and antitoxin for cure, are sera of which the general public is even yet not fully aware.

According to Dr. Geo. W. Cox State Health Officer, toxoid is the immunizing or preventive agent now usually employed. However, three or four months are required for the body to develop immunity. At that time the Schick test can be applied to determine the results of the preventive treatment.

Dr. Cox urges that children receive diphtheria immunization as early as possible, preferably as soon as they are six months old. The necessity for this immunization is apparent when it is realized that two-thirds of all deaths from diphtheria occur in the age group under six years.

"It cannot be too strongly emphasized that to deprive children of this protection which science has made possible is to subject them to unwarranted and unnecessary hazards that can easily turn into a tragedy," Dr. Cox said.

"Parental interest in immunization must be more widespread if the Texas death rate from this disease is to be eliminated as a cause of death."

"When a child has been stricken with diphtheria, antitoxin is the only treatment that will save his life. Also, to be effective, it must be given early in the illness and in large doses. Delay is usually caused by parents failing to realize that any sore throat may actually be diphtheria. It is always safer to immunize against the disease than to risk curing it."

Mr. and Mrs. H. G. Holt returned Friday of last week from Brownwood where they had been visiting with his father, C. F. Holt.

Miss Joan Holley, of San Antonio, visited here this week with her parents, Mr. and Mrs. Tom Holley.

Miss Pearl Howell returned Sunday from San Antonio where she has been visiting for several weeks with her sister, Miss Nacona Howell, who has been ill.

PIONEER OF THIS SECTION DIES AT HOME IN HAYMOND

BORN IN ENGLAND HAS RESIDED IN TEXAS SINCE 1873

Mrs. Mary Agnes Pierson, pioneer resident of this section of Texas, died at her home in Haymond Friday of last week following a heart attack she had suffered several days previous. Mrs. Pierson, 75, was born in Liverpool, England, February 8, 1869, the daughter of David Francis Earls of Bristol and Mary Daly Earls of Fermoy, County Cork, Ireland.

She arrived with her family in 1873 at Galveston, Texas, and was married to the late N. O. Pierson in February 1891. As a bride she arrived at Haymond where she has continued to make her residence since. Mrs. Pierson has seen this section become more and more settled and has had a part in its growth. She could keep her listeners interested for hours telling of the many interesting happenings she remembered from early day experiences in Brewster County. She was preceded in death by her husband, one daughter, Mrs. Lucile Pierson Bennett, and one son, Haymond Pierson.

Funeral services were conducted at three o'clock Saturday afternoon from the St. Mary's Catholic Church with the Rev. Francis Juaniz of Alpine in charge. Interment was in the Marathon Cemetery with Lee Dickson, Howard Hatch, Terry Shely, Earl Clark, Price Rackley and Francis Rooney acting as pallbearers.

Survivors include a son, Earl Pierson of Sanderson; four daughters, Mrs. Jacobina Miller, Marathon; Miss Mary Pierson Haymond; Miss Margaret Pierson, Houston, and Miss Alice Pierson, Chicago.

There are also seven grandchildren and a sister, Miss Nora Earls of Haymond.

HE THOUGHT HIS VISION WAS GOOD -MAYBE IT WAS

Aboard an Aircraft Carrier pilots must have perfect vision, but Lt. Cdr. Paul D. Buie, USN, began to wonder if his eyes were deceiving him after his first experience with masthead bombing.

After enemy fighter planes had been cleared from the air over Palau harbor, some planes of the attacking force were given permission to carry bombs for use in low-level attacks against Jap shipping caught in the harbor.

Lt. Cdr. Buie, commander of a squadron, chose a 3,000-ton Jap transport as his target came in just above the water at high speed and saw his bomb hit the transport squarely and explode.

Then he circled to come back and strafe the ship with his machine guns. "But the ship wasn't there," Buie complained. "It just wasn't there. I looked around, but couldn't find anything but a lot of wreckage and oil on the water. There wasn't a thing left to strafe!"

Buie's home is Nashville, Ga. a town of 2,500 population. Buie attended the University of Georgia two years before being appointed to the Naval Academy, of which he is a graduate.

Mrs. W. H. Savage and daughters, Jackie and Bill, returned last week from San Antonio where Mrs. Savage and Jackie had been visiting with her sister, Mrs. T. Maxey Hart, and Bill had been attending the encampment at Kerville. Douglas Hart accompanied them home for a visit here.

Jake Brookshire is in Amity, Ark., this week where he is attending to business matters.

FROM TEXAS TO TOKIO

M. G. Northcut, seaman second class, arrived here Saturday from San Diego, Calif., for a 15-day visit with his parents, Mr. and Mrs. Milam Northcut. M. G. is attending a quartermaster school, and says he likes the work fine.

Pvt. W. D. O'Bryant has been transferred from Battle Creek, Michigan, to Fort George E. Meade, Maryland, where he is in the provost marshal's office at a prisoner of war camp, according to word received here by Mrs. O'Bryant.

Naval Air Cadet Lloyd C. Smith left Tuesday for Sweeney where he plans to visit with his sister, Mrs. F. R. Early, before reporting to New York, N. Y.

Lt. Ray B. DeBush, husband of the former Miss Billie Rae Bowden is now stationed at Roscoe's Field, St. Joseph, Mo., according to information received here. Lt. DeBush has recently returned from a 14-month tour of foreign duty in the Central African Ferrying Wing, and will serve as flight instructor at the Missouri Base.

John Fisher Charlton, A.M.M., third class, U. S. Naval Reserve, who has been stationed at Far-ragut, Idaho, writes that he has been transferred again and is now stationed at Shoemaker Calif. Doesn't like it there as well as he did other places, but says he doesn't think he will have to remain there too long.

Lt. and Mrs. G. I. Prickett passed through Sanderson Friday of last week enroute to Fort Sumner, N. M., visiting here a short while with Mr. and Mrs. Bill Tisdale. Lt. Prickett has just completed a course of instrument training at Randolph Field and was going to Fort Sumner for assignment.

Pvt. Sam Bell started gunnery training Monday, according to word received by his parents here. He says that he is being trained for the ball turret position, and is having to start his day at 5:00 o'clock in the morning and ending it at 9:30 at night. He is stationed at Laredo Army Air Field.

From the Ozona Stockman comes this item about Gene Williams, former rancher in this section:

T. Corp. Gene Williams, son of Mrs. Charles Williams, who arrived here last week for his first visit at home in two and a half years, is in the Army hospital at Midland where he is scheduled to undergo an operation. Corp. Williams has been in the Aleutian Islands more than two years.

A brother, Sgt. Joe Williams who has been stationed at Garden City, Kansas, is also home for a visit.

Tech. Sgt. Hal Elder writes J. Tom Shaffer that he is in Santa Fe, N. M., after being sent to New York, N. Y., and that he is teaching leather craft.

Mr. and Mrs. J. R. Blackwelder have received a letter from Pvt. Elton B. Loden, who is somewhere in Italy. He says that he has been in the army two years and that 15 months of that time has been spent doing foreign duty. Pvt. Loden is serving with the medical corps.

Weldon Blackwelder, seaman first class, writes his parents, Mr. and Mrs. J. R. Blackwelder, that he has been out on a sub-merine for two weeks which is a part of his training. Says that the rest of his training will be at the Naval repair base and when it is finished he will start to work on electric "fish". While at sea he said that he received a package from his parents and that he placed it on deck and

THE END OF THE ROAD

The U. S. News, after analyzing the effect of current tax laws on business, concludes that "neither individuals nor corporations can be expected to risk money, increase production and provide jobs until tax rates are lowered. The rewards, in general, are too small for the chances to be taken." It adds, however, that "any plan to reduce taxes bumps up against the hard fact that the Treasury must have revenue—and vast amounts of it—to pay interest on the national debt, to care for veterans, to maintain an army and navy, and, finally, to operate the regular government departments."

For years the trend has been toward higher and higher taxes against productive enterprise. The war has hastened the trend until at last the end of the road has been reached. It is useless to cry for higher taxes against industry. The money isn't there. From now on the bills of the Federal government will be paid by a majority of the people instead of a minority. And that goes for the debt too. Whenever a politician announces that the government is going to do this or that for the people, he really means that the government is going to tax the people

to do it. The government is not Santa Claus it is merely the tax collector, and the people are beginning to realize it.

It Happened In Sanderson TEN YEARS AGO This Week - Remember

July 13, 1934

A small tornado roared through the northeastern part of Sanderson last Friday afternoon about six o'clock causing between \$10,000 and \$15,000 damage to property, but with no loss of life.

About an inch of rain fell following the storm, which lasted about twenty minutes, accompanied with considerable hail.

The only injury reported was that suffered by a Mexican, Gabriel Falcon, who was struck in the back by flying timber, inflicting a gash that required several stitches.

Houses were unroofed, barns and other outhouses, in some instances, were completely demolished and several windmills were badly damaged. Fences were levelled, trees and shrubbery were uprooted and otherwise destroyed.

The Catholic Athletic Association hall, located in the eastern section of the city, was totally

STRICTLY BUSINESS

by McFeatters

"Excuse me. Any o' youse guys gotta match?"

demolished, only one wall left standing. The roof was carried clear across town damaging many houses that were in its path.

Jack Hardgrave suffered a very painful accident last Thursday afternoon at the ranch when the horse he was riding fell with him breaking both bones in his left leg just above the ankle.

Jim Nance is carrying his arm in a sling at present the result of an injury sustained when he roped a calf Wednesday evening.

Mr. and Mrs. "Andy" Anderson and children returned Monday afternoon from Marfa and Marathon where they spent the week-end with relatives.

Mrs. W. C. Cargile left Monday morning for San Marcos, where she will visit relatives for several days.

Guests of Mr. and Mrs. C. P. Peavy and family this week are Mr. and Mrs. Ed Pruett and daughter Eddie Jean, of Marfa. Mr. Pruett is a brother of Mrs. Peavy.

WITH OUR NEIGHBORS

Alpine Avalanche—The water carnival, sponsored by the Alpine USO, last Sunday afternoon drew the largest crowd assembled in Alpine this year, it was stated this week.

Miss Dorothy Cotten, Sul Ross sophomore from Andrews, won the honors in the senior bathing beauty contest and was crowned "Miss Alpine." Second, third and

fourth places went to Misses Frankie Graves, Skipper Young and Vadna Westbrook, respectively.

Big Bend Sentinel, Marfa—A banner 1944 month in the amount of precipitation received on the Highland range, June rainfall in this area was 2.24 inches, an average of the amount reported by twenty-seven ranchmen to the U. S. Soil Conservation Office.

In May the rainfall average was 1.29, with thirty ranchmen reporting moisture received on their places.

Monahans News—Ward County citizens and businesses advanced to the front line during the first three weeks of the Fifth War Loan Drive by almost doubling their War Bond quota, buying \$616,921.75 worth of all series bonds up to Friday night, June 30th. Of the amount only \$102,092.75 was in E series bonds, however.

Judge R. B. Rawlins, chairman of the drive stated that since that time he had received approximately \$30,000 more total sales including \$8,000 E Bond sales.

Only \$3,078.25 short of double the county's quota, Judge Rawlins and his committee was working hard this week in anticipation of reaching the \$650,000 mark before the drive officially ends.

Uvalde Leader-News—Marked by what officials termed the largest first-day crowd in several years, Alto Frio Baptist Encampment opened its twenty-fifth annual session Tuesday evening. All cabins and tents on the grounds had been taken by the opening session, it was reported.

Ozona Stockman—Responding nobly on the home stretch, Crockett county home-fronters during the past week more than made up a \$27,000 deficit in their Fifth War Loan drive "E" bond purchases, and further swelled total purchases of other types of securities to push the county well over the top in both brackets on its assigned quota.

Fort Stockton Pioneer—The Fort Stockton Lions Club, interested for some time in the possibilities of organizing an active and soundly planned chamber of commerce, board of city or county development, or similar body to promote the growth and development of town and county, will devote its program next Wednesday to a discussion of the problem, and

Beware Coughs - from common colds - That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

will try to reach a definite decision on further work on the matter.

AT THE PRINCESS- THE "HEAVENLY BODY" HAS POWELL, LAMARR IN COMEDY ON STARS

An astronomer's wife, who becomes bored with doing nothing nights when her husband is away gathering data on a new comet he has discovered, takes up astrology. The resulting fireworks make up one of the funniest of the screen's domestic comedies starring William Powell and Hedy Lamarr at the Princess Theatre Sunday and Monday.

Hedy Lamarr and William Powell made their film debut together as a loving couple in "Crossroads" last year, but the new film marks a switch in their characterizations.

"The Heavenly Body" is comedy with a capital C.

When Hedy takes up astrology on the advice of her fluttery neighbor, Spring Byington, she doesn't know what she is letting herself in for. The first thing Bill knows he musn't kiss her on Tuesdays. But in spite of his protest Hedy won't give up her horoscope. Things reach a head when Madame Sybill (Fay Bainter) predicts that within a certain period Hedy will meet a dark man from far places who will be the true love of her life. When Air Raid Warden James Craig knocks at Hedy's door asking her to put out the light Hedy decides she cannot combat destiny.

Enter husband Powell trying to straighten out his wife's marital shennanigans, and the fun is only beginning. Mix in a collision between his comet and the moon while Craig and Hedy find themselves alone in a mountain shack, and hilarity runs high.

Lovely Hedy Lamarr was never more beautiful than as she appears in a special wardrobe designed by Irene. In her first attempt at light comedy she carries off her role with the assurance of a veteran. William Powell, of the "lifted-eyebrow" school of humor, does an about

face with scenes in the film calling for him to squirt a hose in Spring Byington's face and even dance a kazotsky while under the influence of vodka. The third angle of the triangle is capably filled by handsome James Craig.

ROSEMARY LANE TOPS CAST OF TUNEFUL COMEDY-DRAMA

A modern comedy-drama with music and boasting a cast of well-known screen players, "All By Myself" comes Tuesday to the Princess Theatre. Rosemary Lane, Patric Knowles and Evelyn Ankers are co-starred.

Said to be hilariously diverting in theme and dealing with madcap romantic mix-ups, the new production features Neil Hamilton, Grant Mitchell and Louise Beavers in outstanding roles. Special musical numbers are offered by the Loumell Mor-

gan Trio and Tip Tap and dancing notables.

Plot of the gay movie picture Knowles in the role of a society physician who is blackmailed into a marital tryst by Miss Ankers. The latter trays a clever advertising man. Miss Lane is seen as a torch singer who captures Hamilton. Miss Ankers' part is romantic interest and her partner in the advertising firm. Miss Lane sings three pop songs during the action of film. They are "All To Myself," "I Don't Believe in Rumors" and "You're Priceless." "Let It Be"

THE OLD JUDGE SAYS...

"Judge, I've had a lot of calls for that book you took out last week... 'Tell the Boys Back Home'. How did you like it?" "Fine, Sarah, fine... it's just the kind of book I like to get hold of... I enjoyed every word of it. Wish I could have been along with the author myself... actually living with the men right on the fighting fronts. He got mighty close to them and they certainly opened up their minds and their hearts to him."

"There were lots of new things in the book I hadn't seen in any other reports from front-line writers. But there was one question the men asked the author that I have seen time and time again in these stories. That was 'Are you going to put prohibition over on us soldiers again... and without getting our vote?'" "I noticed that, too, Judge, and I think the least we can do for those fighting men who are doing so much for us is to respect their wishes on that subject."

This advertisement sponsored by Conference of Alcoholic Beverage Industries, Inc.

The electric power that helps build fighting power is flowing over our lines at an ever-accelerating rate.

Since the start of the defense program in June, 1940, our deliveries of industrial power have been stepped up two and one-half times to keep pace with mounting war production demands.

Fifty-seven percent of our entire output now goes to industries supporting the war effort and to military establishments.

At the same time, we are continuing to meet all essential civilian needs — and at the lowest average price per kilowatt-hour in the history of our operations.

Mrs. W. H. McDonald is in receipt of a letter from an English lady who is operating a canteen for U. S. soldiers in her country, and in the letter is advised that her son, Cpl. James T. McDonald, is "keeping fit and fine". She stated that the letter was

written, as are many others, to get a less impersonal mail through to mothers who so long for news from their sons abroad. The writer, Kathleen Williams, says that in most cases the American boys and English boys are mixing together in a swell way. She speaks highly of Cpl. McDonald and says his general attitude is good.

Health Officers Warns of Dangers To Life of Flies

Urges That Door And Window Screens Be in Good Repair

Millions of flies help to cause the illness and death of thousands of children and adults each year in the United States. Hundreds of these casualties may be in the State of Texas this year if residents fail in their responsibility the best possible sanitation measures in the area where they reside. Typhoid fever, summer complaint and other intestinal diseases can be traced to the common housefly as the carrier of infection.

Dr. Geo. W. Cox, State Health Officer, speaking in this connection recently said, "Be sure that your windows and doors are tightly screened so that stray flies from a careless neighbor will not endanger your family. Be sure that flies are kept away from food, drink, and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infections from this source can be picked up and spread to human beings through contact with food, drink, and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

Dr. Cox said that the State Health Department would furnish upon request a pamphlet outlining safe and practical methods recommended for use in fly control.

RATIONING

Meats, Fats—Red stamps A8 through Z8, good indefinitely.

Processed Foods—Blue stamps A8 through Z8 and A5, good indefinitely.

Sugar—Sugar stamps 30, 31 and 32 each good for five pounds indefinitely. Sugar stamp 40, good for five pounds of tanning sugar through February, next year.

★ TERRELL COUNTY HEROES ★

☆☆ IN SERVICE ☆☆

EDWARD R. DOWNIE

Volunteered his services for the Army Air Corps August 18, 1941, and received his commission and silver wings March 16, 1942, at Mather Field, Calif. On March 17 he was married to Miss Mary Dever of San Antonio, the wedding taking place at Sacramento, Calif. Lt. Downie was instructor at the Pecos Army Air Field, training thousands of young men to fly in the service of their country. He was stationed at Wendover Field, Utah, assigned to a bomber crew when his plane was reported missing January 26, 1944. March 17, 1944, the wreckage of his plane was found, with evidence that all members had been lost. The plane had crashed 12 miles from base during a snow storm. Ed Downie, son of Mrs. W. T. Boundurant, was a prominent young rancher who gave his all in the service of his homeland.

CARLOAD OF ARMY SHOES CONVERTED INTO FERTILIZER

Carloads of Army shoes in good condition are being sold for scrap and ground into fertilizer while the Administration is spending millions of dollars for new shoes to send abroad as part of its global relief plans, Representative Calvin Johnson, Republican, Illinois, charged in Congress recently.

The disclosure was made to House members during debate on a proposed \$3,920,000,000 appropriation for lend-lease and the United Nations Rehabilitation and Relief Administration for the 1943 fiscal year.

Congressman Johnson charged the turning of good shoes into fertilizer at a time when footwear was rationed at home and abroad was indefensible and typical of New Deal waste and inefficiency.

Exhibiting a pair of Army shoes shipped in open coal cars to the Smith-Rowland Co., fertilizer manufacturers at Granite City, Ill., the Congressman noted they were only recently half-soled and had new rubber heels. "It appears that these shoes are newly repaired before they are sold for scrap. At the same time, we find UNRRA is asking Congress for \$215,000,000 to buy shoes and other apparel for destitute people in Europe and the Army is asking additional millions for the same purpose."

Mrs. W. F. Bohlman arrived here Friday night of last weeks for several days visit. She is now making her home at Giddings.

Misses Pat Kingston and Joan Jones of Balmorhea were guests in the home of Mr. and Mrs. D. M. Wells and family last week-end.

Right now, millions of American families would like to lend-lease their front lawn to somebody with a lawn mower who wants exercise.

Mr. and Mrs. C. E. Davis, formerly of Marfa, have moved to Sanderson and are connected with the City Drug Store.

W. T. Koch, formerly of Uvalde, has accepted a position with the Whistler Drug and is now in charge of their prescription department. In making the announcement John Whistler extends a cordial invitation to all to visit their store when in need of medicines prepared from prescriptions.

Mrs. P. E. Gray of El Paso spent the past week-end here visiting with Mrs. S. H. Underwood.

It has never been whether fishing makes or loafers make fishermen.

CARLOAD OF ARMY SHOES CONVERTED INTO FERTILIZER

Carloads of Army shoes in good condition are being sold for scrap and ground into fertilizer while the Administration is spending millions of dollars for new shoes to send abroad as part of its global relief plans, Representative Calvin Johnson, Republican, Illinois, charged in Congress recently.

The disclosure was made to House members during debate on a proposed \$3,920,000,000 appropriation for lend-lease and the United Nations Rehabilitation and Relief Administration for the 1943 fiscal year.

Congressman Johnson charged the turning of good shoes into fertilizer at a time when footwear was rationed at home and abroad was indefensible and typical of New Deal waste and inefficiency.

Exhibiting a pair of Army shoes shipped in open coal cars to the Smith-Rowland Co., fertilizer manufacturers at Granite City, Ill., the Congressman noted they were only recently half-soled and had new rubber heels. "It appears that these shoes are newly repaired before they are sold for scrap. At the same time, we find UNRRA is asking Congress for \$215,000,000 to buy shoes and other apparel for destitute people in Europe and the Army is asking additional millions for the same purpose."

Mrs. W. F. Bohlman arrived here Friday night of last week for several days visit. She is now making her home at Giddings.

Misses Pat Kingston and Joan Jones of Balmorhea were guests in the home of Mr. and Mrs. D. M. Wells and family last week-end.

Right now, millions of American families would like to lend-lease their front lawn to somebody with a lawn mower who wants exercise.

ATTENTION! ALL HOME CANNERS!

Before you begin your 1944 canning, Good Housekeeping Magazine advises you: use the boiling water bath method for tomatoes and fruits only. Can all vegetables except tomatoes by the correct use of a pressure cooker to be sure of killing botulinus germs. In the last few years, cases of botulinus food poisoning have cropped up in widely different parts of the country. Buy, borrow, share a pressure cooker—but don't can low-acid vegetables any other way. If you want further information, write Good Housekeeping Magazine, 959 Eight Avenue, New York 19, N. Y.

Mr. and Mrs. C. E. Davis, formerly of Maria, have moved to Sanderson and are connected with the City Drug Store.

W. T. Koch, formerly of Uvalde, has accepted a position with the Whistler Drug and is now in charge of their prescription department. In making the announcement John Whistler extends a cordial invitation to all to visit their store when in need of medicines prepared from prescriptions.
