It Happened In Sanderson TEN YEARS AGO This Week - Remember

September 29, 1934

The game played here last Saturday between the Short-horns of Marfa high school, and the Sanderson Eagles, (6-0, in favor of the Eagles), proved one thing, if nothing else, that Coach Smith has material for a team that should work up to better than the average Class B squad. Well balanced—a squad that is alert, fast and well-conditioned. Best of all, they can give it and take it. The game also showed that they need a little more experience, a better knowledge of signals, and a little more accuracy in snapping back. . . Sanderson fans needn't

worry about attending games, they'll see a good game no matter whom we are pitted against.

A representative group of Marfa citizens will be in Sanderson tomorrow, Saturday, on the last leg of a good will tour through the Trans-Pecos section, taking them as far north as Midland. . . The object of the tour is not only to get acquainted with their neighbors but also to advertise the Highland Fair, which holds its seventh annual showing in Marfa beginning Wednesday, October 3, and lasting through Saturday, October 6.

D. C. Pearson, district governor of the 42nd district of Rotary International, with headquarters in Roswell, N. M., made an official visit with the local club on Wednesday of this week. Mr. Pearson was a guest at the regular luncheon and addressed the members. He also met with the various committees, discussed their various duties and outlined plans for the organization's work during the new club year.

Plans for a regional secondary centennial in 1936 at Fort Davis were furthered yesterday when delegates from several nearby towns gathered here and formed an organization known as the Trans-Pecos Sub-Centennial Association.

Over seven thousand lambs were shipped from Terrell County this week, many of them going to points in Texas for feeding; some to Arizona and New Mexico, while some were consigned to points in the East and North where they were placed in feed lots. The majority of these lambs were purchased by R. J. Ridlay, buyer. Other heavy purchasers were Russell Menzies of this city, and L. G. Humphries.

Miss Anna Mitchell, daughter of Mr. and Mrs. J. C. Mitchell, who is attending Incarnate Word College in San Antonio as a member of the senior class received many honors the past week due to her popularity and high scholastic standing in the college. Miss Mitchell was elected treasurer of the Phi Sigma Kappa sorority, as well as treasurer of the senior class. She was also elected president of the Alpha Delta Sigma sorority and will be queen of the water pageant to be held at the college in the near future.

WITH OUR NEIGHBORS

Big Bend Sentinel, Marfa—About fifty business firms here favor the opening of their places an hour later in the morning and the keeping of them open an hour later each afternoon.

That is the concensus arrived by J. D. Motley, Chamber of Commerce secretary, he said

STRICTLY BUSINESS

by McFeatters

"Just think, easy work, overtime pay, and I'll weed your victory garden twice a week!"

Thursday morning, just before leaving for Alpine where he hoped to learn whether or not a majority of business firms there feel the same way. Mr. Motley said that a number of business owners here were out of town and could not be reached for questioning as to their views.

Uvalde Leader-News—Uvalde's newest business enterprise is the Texas Home Insulation Company, which has been formed by A. M. Atherton and Marshall L. Noes, both former employees of the Central Power and Light Company, and they will specialize in the installation of rock wool insulation in this entire territory.

Hudspeth County News, Sierra Blanca—Mrs. Oscar Meeks was in Sierra Blanca Tuesday and reports that a small tornado hit Valentine Saturday night and unroofed a few buildings. They lost the roof off their store building, the gale took it off and across the street ceiling and all.

Ozona Stockman—Ozona Rotarians were hosts Tuesday evening to members of the faculty and the board of trustees of the Ozona Public Schools and other guests at the annual ladies night banquet held in the auditorium of the Community Center. The meal, provided by the Latin-American Mother's Club, was a Mexican dinner, deliciously prepared and skillfully served.

Alpine Avalanche—Fort Davis, Sept. 20.—Local folk motoring to Marfa in the last week have been sort of elated because they could go all the way on a hard-surfaced road, for the first time in 61 years—if anybody is that old.

B. B. Bounds, state highway resident engineer, announced that the last gap in the 22-mile stretch has been asphalted and graveled last week.

Giddings Star—Net results of Blood Donors registration at the Post Office Friday and Saturday fell far short of the goal according to Mrs. Alva Sanders, county chairman of the campaign.

The mobile Blood Unit of the American Red Cross is scheduled to visit Giddings September 26 and 27th, and since about only 120 have registered in Giddings, it was decided to continue the registrations through Friday and Saturday.

Brackett News-Mail — It is of interest that parents and

others who have the welfare of the Brackettville schools at heart to know that this year it will have an active Parent-Teacher Association. For such an organization has already been formed—and will soon be in active participation in all matters pertaining to the good of the school, the faculty and the student body as only such an organization can give.

Santa Anna News—Huntsville, Texas—(Spl.)—The Texas Prison Rodeo, a wartime casualty since it was suspended in 1942, has been revived this year as a victory show with every promise of being bigger and better than ever.

Major D. W. Stakes, general manager, has announced that the popular sporting event, often called "The World's Fastest and Wildest Rodeo," will be held at Huntsville on four consecutive Sundays, October 8, 15, 22 and 29, after the Texas Prison Rodeo had approved a huge 1944 "Victory Rodeo" with all of the profits being invested in War Bonds.

Fort Stockton Pioneer — A new business concern for Fort Stockton, the Fort Stockton Furniture Company, in which A. E. W. White and W. E. Brack are associated, will open tomorrow in the ground floor of the Central Hotel building.

Mr. White is a cotton broker, retired grocer and Fort Stockton rental property owner known to residents in many parts of Pecos County, while Mr. Brack, who will manage the business, was formerly engaged in similar activity in Pecos for a number of years before moving here three years ago.

The man who never thought anything of walking ten miles a day now has a son who never thinks of either.

We've heard so many jokes about saving rubber and scrap iron that we wish the comedians would start saving a little corn.

AT THE PRINCESS—"CRIME SCHOOL" COMING TO PRINCESS TUESDAY

The most painful and pressing problem of the home front just now is presented by the alarming rise in juvenile delinquency since Pearl Harbor. With its usual sense of timing, Warner Bros. has re-released the film, "Crime School," which deals forcefully with this problem, for an engagement at the Princess Theatre Tuesday. "Crime School" is an exciting and serious portrayal which is designed to shock the public into awareness, just as the study of the dry but shocking statistics has aroused the educators and civil leaders of the nation.

The Warner Bros. film features Humphrey Bogart who, as director of a New York settlement house, is in a position to realize the gravity of the problem of wayward boys and who devotes all his energy and attention to coping with it. Becoming Commissioner of Correction he rides roughshod over political chicanery and

archaic methods of punishment, proving that sympathy and understanding are of importance in dealing delinquents.

Also featured in the cast the "Dead End" Kids, New York boy actors who came famous for their part in the stage and screen version of "Dead End," the Prize play. Others in the cast include Gale Page, Offerman, Jr., Weldon Harshbarger and Cy Kendall.

ANN SHERIDAN FILM COMING TO PRINCESS When a man asks you to marry him, that's love when a vaudevilian asks you to be his stage partner, that's business. But when the vaudevilian, asks you to marry him, and to be his business partner, that's a low-down. (Continued to page 3)

THE OLD JUDGE SAYS...

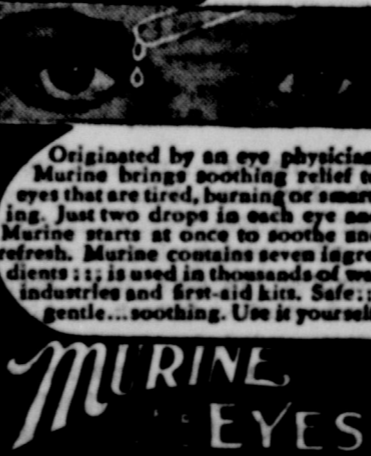

"That's really a great editorial you just read to us, Judge. Where did you say it appeared?" "In 'The Stars and Stripes'... the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?" "It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?" "Glad to, Bill. It says, 'We can remember

the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police officials. As a result, we claim we know what we want in the way of liquor legislation and feel those at home should wait until we return before initiating further legislation on liquor control.' " "Out of fairness to our boys over there fighting, Judge, how could we disobey such a wish?"

Soothe your irritated eyes with Murine

Originated by an eye physician, Murine brings soothing relief to eyes that are tired, burning or smarting. Just two drops in each eye and Murine starts at once to soothe and refresh. Murine contains seven ingredients; it is used in thousands of war industries and first-aid kits. Safe; gentle... soothing. Use it yourself.

Eyestrain Picks Its Victims YOUNG!

ONE school child in five, on the average, has defective vision. Four college students in ten are victims of eye troubles. Accustomed for centuries to outdoor living, mankind has never adjusted eyes to indoor lighting.

Fortunately science is bringing sunlight indoors. And the science of seeing is teaching us how to use indoor light with least danger of eyestrain. Here are four simple rules for eyesight conservation it will pay every family to follow:

- 1 Do all reading, studying, sewing or game-playing close to a good light source, preferably a modern reading lamp. 2 Avoid shadows. Make sure you have good light directly on your book or work. Shadows strain eyes. 3 Avoid glare from bare bulbs. Don't sit facing the light. Glare strains eyes. 4 Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

When the war is over, we are all going to have Better Light for Better Sight. In the meantime, let's conserve both eyesight and light. Take care of your eyes, but don't waste light.

Tells All

Everyone hated to see Jay leave, but wished him the best of luck.

... we knew that you and Joan couldn't resist the party and that we had all-already eaten.

... home, Donald! You had knocked everyone out with a feather Monday morning when "that sailor" walked in on us. It's swell to see him back.

... tell us how it feels to go back riding with a good-looking guy all dressed up in Sam's army suit.

... why do you always sing a low-down dirty shame? Do you know Uncle Sam's him too?

... we hear that you had a grand time in San Antonio.

... Agnes, please don't let B. E. off your shirt. If you do hand it this way, Agnes, whose coat were you wearing in the show Saturday? Would it be that you were wearing in "Knock-em" Friday at Ora Mae?

... did you have a good time in Del Rio Friday? That good-looking high school girl is sporting a new sweater wonders why all the boys (and juniors) crash the party Friday night. The Turner should know. Seems as though all the girls liked Buddy Friday night. About it, Buddy?

MR. HOLLEY MAKES TRIP TO SAN ANTONIO

Mr. Holley returned Monday morning, September 25, from a trip to San Antonio, Austin, and San Marcos where he had been trying to employ two teachers. He hired one teacher, Mr. Lester Ernest Parmer from Miles, Texas. He is now attending Texas University, but he will start work here on October 30. He will teach the 6th grade.

While on this trip Mr. Holley stopped over to see his daughter Joan, who is in the Cadet Nurse Training in San Antonio.

JAY TOM HOLLEY IS HONORED WITH A SUPPER

Betty Jo Kerr entertained a group of young people with a supper last Thursday night, September 21, honoring Jay Tom Holley who left Friday morning to enter A & M.

A delicious supper was served to the following guests: Billie Babb, Bill Savage, Joan Anderson, Doyce Wells, Hazel Babb, Buddy McMillan, Clara Alice Bell, Allister Dishman, Jay Tom Holley, and the hostess.

After supper the party enjoyed dancing and they also played several games.

SOPHOMORE PARTY

The sophomore class was entertained with a class party September 22, from 8:00 till 11:30 in the high school banquet room. Refreshments were served to about twenty sophomores. Everyone present seemed to enjoy the party and we would like to have all the sophomores out to our next party.

The class wishes to thank Jeanette Cobb, Cecelia Goode, Mary Nell Gates, Violet Billings, and Mary Agnes Frazier for serving on the committee and making the party a success.

We were happy to have as our guests two of our mothers, Mrs. Tip Frazier and Mrs. M. H. Goode.

ENGLISH CLUB

The English I club elected officers for their club. The following choices were made:

President, Buddy MacMillan; Vice-President, Betty Sue Yeates; Treasurer, Robert Joe Dishman; Secretary, Betty Ann Peavy; Reporter, Joe Nell Brown.

ORCHIDS

We take pleasure in presenting orchids to:

The Rotary Club for the splendid banquet for the teachers and guests.

To the Senior girls for a swell job of serving at the Rotary banquet (mighty good to look at too).

To the seventh grade for a splendid assembly program.

To Elvira Mercato for four new books for the library.

SEVENTH GRADE NEWS

The seventh grade had charge of the assembly program this morning, Friday, September 22. After singing one verse of the "Star Spangled Banner", the audience pledged allegiance to the flag. A one act play "Welcome Scholars" was presented. Following the play a group of songs were sung including, "Swinging on a Star", "Don't's", and "I Want to Go Home". A poem was given by Marilyn Mansfield, "Strictly G. I.".

Barbara Davis was in Arizona this week. She came back Friday morning from visiting her brother-in-law who is in the army.

FIRST GRADE NEWS

Lenise Neill is a new pupil in the first grade.

The following have brought flowers for the first grade room: Miss Ella Savage, Nancy Jean Mitchell, Sandra Jean Schwalbe, Carol Bost, Mary Jane Bentley, Barbara Ann Buchanan, Vannah Jo Nance, Norma Gene Simmones, Amie Klassen, Joe Herring, Ila May Wolrd, and Wendell Hill.

In art, the class is learning colors and their names.

In reading the class is learning to read in their textbooks. They have begun to check out library books to take home with them.

EIGHT GRADE NEWS

Mrs. Gene Thorn entertained the eighth grade with a party Thursday evening, September 21. Games were played and refreshments of popcorn balls and punch were served to the following: Dick Glasgow, Robert Glasgow, Walter Herman Polly, Jimmy Harris, Jack Harrell, Frank Harrell, Billy Chamberlin, Joyce McCluney, Marjorie May, Josie Klassen, Margaret Klassen, Ernestine Jessup and Beverly Thorn.

CLIMBING THE S. H. S.

As some of you may have noticed, the S. H. S. looks a little bit WHITER! This is the result of ambitious freshmen of Sanderson high school. The freshmen, each with a jar of whitewash, began the annual trek to the S. H. S. hill on Tuesday, September 19 at 4:20. After much huffing and puffing the freshmen and guests, Misses Brieger and Richardson, reached the top. With the little energy left they whitewashed the letters and pulled weeds. Miss Brieger took some pictures after the work was finished.

private first class, serving with the Marine Engineers, was born in Comstock July 6, 1918, and attended school there until he reached the age of twelve when he moved with his family to Sanderson. He completed his schooling here, graduating with the class of 1936. He volunteered for services with the United States Marines, reporting to San Antonio July 1, 1942, and went to San Diego, California, for his boot training. He also received training at Camp Elliott, San Diego, and at Camp Pendleton, Oceanside, California, before being shipped to the Hawaiian Islands where he received additional training for several months. He has seen action at Eniwetok and other points in the Marshall Islands, at Guam, and at several other points in the South Pacific. He has also been in the Solomon Islands, and at present is at a rest camp somewhere in that area. He is the son of Mrs. Maude Sullivan.

PRESSURE CANNERS FREED
Distribution of pressure canners was released from all controls by the War Food Administration September 21. Production of canners for the first nine months of 1944 is estimated at 400,000, compared to 65,000 in 1942. WFA expects manufacturers to continue production into 1945, thus having canners on the market for spring and summer vegetables.

Not all of the Texans who are helping to win the war are in uniform.

While fighting men this week were drawing the noose tighter around the Nazi throat, and others were blasting their war steadily ahead in the Pacific, hundreds of men and women on the Texas home-front were backing them up with activities designed to guarantee to "our own and our allies" all the services that they have a right to expect from a grateful nation.

This column usually concerns itself with the men in the front-line fight. This week, however, it is going to tell the story of the army of community and county leaders that is fighting here in Texas. It is the story of busy business and professional men—patriotic farmers and ranchers—war-conscious men and women in every walk of life—who are taking time off from their own tasks to devote a period of several weeks to support our fighting forces.

Typical Texans like R. D. Sanders of Sulphur Springs, W. J. Meyers of Pecos, Roscoe Pryor of Harlingen, W. B. Hargis of Pineland, E. L. Norman of Floydada and Eek Brown of Dalhart. Patriotic county leaders such as Claude Calloway of Crowell, John Harris of Coleman, W. T. Minor, Sr., of Montague, J. Sherrill Kendrick of Gatesville, Joseph B. Cowan of San Saba, Veterans of former war fund campaigns, such as Dr. James Bauer of Refugio, K. M. McFarland of Center, W. H. Morehead of Richmond, James C. Cantrell of McKinney and J. P. Merritt of Colorado City. Civic leaders like H. Frank Goss of Ingleside. Outstanding women, of whom Miss Patti Reagan of Tilden and Mrs. W. W. Wolfe of Leakey, and Mrs. Mary Mitchell of Terrell county are typical.

These are some of the local leaders who have accepted the task of raising Texas' share in the National War Fund. Together, hundreds strong and backed up by the full support and cooperation of their neighbors, they will raise almost \$5,000,000 during the next six weeks—Texas portion of the \$15,000,000 which is required for service to our armed forces and our allies, and to relieve suffering among war victims throughout the world.

Their work is unselfish and done without pay. It is an integral part of the nation's war program—a part that will send

to our men the services of USO and USO-Camp Shows—a part that will send books, athletic equipment and supplies of a dozen kinds to our men in enemy prisoner-of-war camps—a part that will save the lives of millions of tiny children and helpless old people in lands blasted by battle.

They do not fight with guns, but they fight, just the same. And the dollars they raise will be bullets that will help win the war.

Now, more than ever before, the work of the war-related agencies of the National War Fund is vital—vital to our fighting men, vital to our allies, and vital to the people of France, Belgium, Holland, Norway, Greece and all other war-torn nations.

Mrs. C. W. Bogan, the former Constance Richardson of Dryden, and son, Charlie, spent Monday of this week visiting in the home of Mr. and Mrs. Conway Pickard. Mrs. Bogan was driving from her former home, Deming, New Mexico, to San Antonio to visit with her mother, Mrs. Pearl Richardson. Colonel Bogan recently left for overseas duty.

Word has been received from Mr. and Mrs. J. M. Russell of Huntington Park, Calif., who say they are getting along fine and hope their friends in Sanderson are o. k. They also stated that they would like make their home in Sanderson again if they come back to Texas to

IT MAKES A BIG DIFFERENCE

The kind of service you give your car is important any time, but during the present conditions when you know it must last you for the duration, it is doubly important.

And the kind of service you get at our station when your car is serviced will mean that you go through the duration with less trouble. Our job is to see that your car is checked carefully, washed and greased properly, and to keep those tires inflated. If you will give us an opportunity to serve you we believe you will be pleased with the way we do our job.
