NUMBER 35

## FROM TEXAS TO TOKIO

Letter comes from a Marine who is fighting in the Philippines against the Japs who writes his family: "The news we read in papers from home is about the men in Europe, V-Day, and the men will come home. I inform them of a skirmish between a bunch of Marines and a bunch of Japs over here. We are like hades trying to rescue some good American prisoners. It looks like there is to be a hot presidential race here this time. I remember of the time we elected Roosevelt for governor, remember? I also read where Patton died. Semper Paratus."

To give our readers another glimpse of how the boys over there feel about the attitude of the people here at home I quote from a letter received from a fighting man in the Philippines: "I am sorry that you are doing so much work to do what I really do know what you have to have supplies, and I hope that you are back there doesn't get tired that the war is over. I don't think that I will be this year and I wish that of the people who have wonderful ideas of it ending could get a taste of some of this stuff is like being pessimistic, but I am not. I bet 100 to 1 that it will end in 1944. The people only see the highlights in papers don't know too much about the truth and what the boys really takes. I really don't hand it to them because we are wonderful and do a good job. But it isn't easy. We are already in just two months. I have seen plenty and none of them. It is a dirty job and I see a bit of sense in it. I only hope that the people get in saying that it will end soon."

Bill, I guess I have really got my head off, but sometime get burned up with the way I hear from the U. S. I only wish that some of the people who cause strikes get in the front lines and get shined and shelled. They would appreciate of the things that some people try to tell them."

(Bill) Lea, Jr., petty officer second class, Seabees, arrived Thursday of last week with his parents, Mr. and Mrs. W. E. Lea. Bill has been serving for the past seven and a half months in the Philippines and visited in Los Angeles with his brother, Bob Lea, and his sister and her husband, Pvt. and Mrs. Albert Lea. After landing back in Texas, he will report about the middle of next month to the 8th Infantry Division, and sister, Mrs. M. H. Lea, Jr., and children, Monte and Cecelia, left today for where they will visit the week-end with relatives.

Coehran, son of Mr. and Mrs. B. Coehran of Sanderson, arrived Sunday for several days visit with them. Bill, next, has just completed a year of schooling at Lafayette, and will report to a new assignment at Athens, Ga., November for his pre-flight training. He left Wednesday for Antonio and Austin where he will visit this week, return to spend the balance of the week.

## PIONEER RESIDENT OF TERRELL COUNTY DIES IN DEL RIO HOSPITAL FRIDAY

### SERVICES HELD FROM METHODIST CHURCH SUNDAY

Mrs. M. H. Goode, Sr., 77, died Friday morning of last week in a Del Rio hospital where she had been under treatment for about a month. She had been in ill health for the past year, but had spent most of her time at their ranch home north of Dryden.

Funeral services were held in Del Rio Saturday morning at 10:00 o'clock from the Doran Chapel with Dr. John Garrison, pastor of the First Christian Church of Del Rio, officiating. The body was then brought to Sanderson and services were held from the First Methodist Church Sunday afternoon at 4:00 o'clock with the Rev. John Klassen, pastor, in charge. Interment was in the family plot in Cedar Grove Cemetery.

Evelyn Louise Wise was born May 4, 1867, in Coryell County. She was married to M. H. Goode June 10, 1886, and the young couple moved to Durango, Mexico, where they made their home for two years, returning at that time to Coryell County. In 1896 they moved westward, traveling in a covered wagon and spent the winter on Devil's River, moving west of the Pecos into what was then Pecos County, in the spring. They settled on a ranch near Sheffield, and also maintained a home in Ozona for twelve years so their children could attend school. From there they moved to their present holdings, making their home on the ranch as well as maintaining a home in Sanderson.

## Eagles Continue Wins By Downing McCamey Badgers

### Locals Score 34 Points To None For Opponents

The Sanderson Eagles continued their winning streak last week-end when they went to McCamey to meet the Badgers on their home territory, defeating them to a score of 34 to 0.

The decision was lost by the Eagles and the Badgers received the kick-off, returning the ball to the 25-yard line where it remained for four downs. The Eagles took the ball and Yeates got loose carrying the pigskin across the goal line. The play was called back, however, with no score. On the very next play Yeates again got loose and repeated the performance, with Wells making the extra point. The Eagles managed to keep the playing deep in the opposition's territory during the entire first quarter, but were unable to score only one more touchdown before time was up. Neither side scored in the second quarter, but the third quarter opened up with the Eagles kicking off. After securing the ball Edwards, with good interference, made another touchdown. A pass from Dishman to Edwards followed and resulted in another score. Yeates and Dishman went over the line for the extra points. One more score was made by the Eagles in the final quarter with Dishman carrying the ball, but the try for extra point failed.

Starting line-up for the Eagles was: Joyce Boyd, center; Earl Pierson and Jose Olivarez, guards; Bill Savage and Harry Brown, tackles; Lowell Jessup and Sam Tinney, ends; Bob Edwards and Al Dishman, halfbacks; Doyce Wells, quarterback; and Charles Yeates, fullback. Substitutes were: Arthur Calk, Francis Grigsby, Jim Davis, William Talbot, Charles Daniels, Buddy Millan, David Thompson, and Natividad Cardenas. All members of the squad had an opportunity to play in this game.

## ATTEND FUNERAL

Mr. and Mrs. Jack Silliman and children were called to Odessa Sunday because of the death of his uncle, Frank Murchison. Funeral services were conducted Sunday afternoon at 3:00 o'clock.

Mr. and Mrs. M. D. Brown of Iraan were guests Friday afternoon of his sister Mrs. W. W. Sudduth and family.

Gene Arnold, six-year old son of Mr. and Mrs. O. C. Arnold of Sanderson, was seriously injured Tuesday when he was attacked by a pet bear at a local filling station. The youth was carried to a local hospital for emergency treatment before being removed to a Del Rio hospital where he is reported doing as well as could be expected.

## BEAR SERIOUSLY MANGLES YOUNG SON OF ARNOLDS

Gene received a long cut in the back of his head, and several small places, although he was not rendered unconscious. His class mates, members of the first grade have sent flowers to Gene to cheer him while he is convalescing.

Mrs. Goode was truly a pioneer of this section and will long be remembered as one always willing to give a helping hand to friend or stranger alike when they were in need. She saw the organizing of the county of Terrell, the growth of its schools and population, and she and Mr. Goode enjoyed a wealth of friends limited only by their acquaintances over the entire western section of the state, because to know them was to love them. She, with Mr. Goode, joined the Methodist Church in 1907, and was a member of the Ozona Methodist Church at the time of her death.

## HALLOWE'EN CARNIVAL TO BE HELD TUES. NIGHT

### PARADE OF SCHOOL CHILDREN TO BE MADE DOWNTOWN

The annual Hallowe'en Carnival, sponsored by the Sanderson Parent-Teacher Association, is scheduled to get under way Tuesday evening, October 31, with a parade of school children through the down-town district. Children, in costume are to gather in front of the ward school building to start the parade.

Main events of the carnival are to be started at 6:00 o'clock, and will include a Mexican supper at the high school building, bingo games, cake walk with cakes for the entire evening, minstrel show featuring local talent, and climaxing the affair with a dance at the Masonic Hall.

During the evening popcorn, hamburgers, noisemakers and other Hallowe'en specialties will be sold.

All funds from this carnival will go into the treasury of the Parent-Teacher Association, and good patronage should be forthcoming from citizens who are interested in promoting a good organization and helping their school.

## Presbyterian Auxiliary Meets In Home of Mrs. Lee Sims

The Women's Auxiliary of the Presbyterian Church met at the home of Mrs. C. L. Sims Monday afternoon. Mrs. N. E. Charlton was acting as co-hostess.

The topic of the program was "Homeland Harvest Still Pleading," with Mrs. Sidney Harkins as program leader and Mrs. Earl Pierson as devotional leader. Others assisting on the program were Mrs. A. F. Gohlson, Mrs. J. W. Byrd, and Mrs. Ernest Jessup. Mrs. Charlton gave an interesting report on her attendance at the district conference of the Auxiliary which met in Del Rio on October 20th.

Mrs. Sims and Mrs. Charlton served refreshments to the following guests: Mesdames Lee McCue, Gholson, J. W. McKee, J. H. Lochausen, C. C. Mitchell, Harkins, Jessup, Pierson and Byrd.

The all day meeting to review the Home Mission book will be held October 30th in the home of Mrs. Ernest Jessup beginning at 10:00 o'clock in the morning.

## SON TO ROBBINS

A son weighing seven pounds, was born to Mr. and Mrs. Ed Robbins October 23rd in a Del Rio hospital. Mrs. Clark, mother of Mrs. Robbins, went to Del Rio Sunday night to be with her.

Mr. and Mrs. Bill Jourdan returned Friday from San Angelo where Mrs. Jourdan had dental work done. They were accompanied home by her mother, Mrs. J. C. Russell, who plans to visit with them for several days.

## PRELIMINARY WORK COMPLETED ON FORTY-TWO MILES NEW CONSTRUCTION

### OFFICE IS MOVED THIS WEEK TO FORT STOCKTON

The office of the State Highway Department resident engineer which has been occupied here since April 1942, by George J. Kempen, Jr., was closed this week with Mr. Kempen announcing that he was moving to Fort Stockton as senior resident engineer and would start work on the preparation of plans on U. S. Highway 67 between Fort Stockton and Alpine.

With the opening of the office here, surveys and plans were started for 42 miles of re-location and new construction including bridges and new pavement. The new road would start at the Pecos County line about 12 miles west of Sanderson and would extend east to about 10 miles east of Dryden. Mr. Kempen stated that all plans, surveys, and estimates had been completed and right-of-way instruments were in the hands of county officials who were responsible for securing the right-of-way. He also stated that approximately 80 per cent of this right-of-way had already been obtained.

## Christian Service Ladies Meet With Mrs. Lee Grigsby

The Women's Society of Christian Service met Monday morning at 10:00 o'clock in the home of Mrs. Lee Grigsby for their Annual Week of Prayer Service.

The theme of the service was "And the Kingdom of God Shall Come in Joy, in Peace, and in Love." It was divided into four parts, under the leadership of Mrs. W. W. Sudduth, Mrs. H. E. Ezelle, Mrs. W. T. Attaway and Mrs. Ted Baker, each assisted by various members of the Society.

A covered dish luncheon was served at noon under the direction of Mrs. A. B. Gates, chairman of the Dinner Committee.

In the afternoon an offering was taken to be divided among several Missionary Projects which were explained to the Society. Those present at the service were: Mesdames Jennie Freeman, Lowell Schwaibe, A. J. Morris, S. H. Underwood, B. F. Anderson, Pat Baird, C. H. White, John Neil, John Klassen, Ted Baker, Ezelle, Attaway, A. B. Gates, E. McSparran, Bustin Cannon, H. C. Goldwire, Sudduth, Misses Eva Billings, Kate Frazier, and the Rev. John Klassen.

## Culture Club Members Meet With Mrs. Ezelle

The home of Mrs. H. E. Ezelle was decorated with pom pom zinnias, lace vine, and other colorful foliage, arranged in low crystal bowls, on Thursday of last week when she entertained members of the Sanderson Culture Club.

Roll call was answered with some historical or geographical fact of the Pacific. Mrs. J. W. McKee gave a report on "The Area Under Discussion"; "American Proposals for the Pacific" was discussed by Mrs. J. H. Lochausen; Mrs. T. R. Arrington gave a report on "Southeastern Asia"; and "A Trans-Pacific Highway" was presented by Mrs. Hugh Rose.

The hostess served tuna salad in lettuce cups, olives, potato chips, pumpkin pie with whipped cream, tea and coffee to the following members: Mesdames A. F. Buchanan, Lochausen, H. C. Goldwire, McKee, A. D. Brown, W. H. Savage, R. A. Gatlin, Hugh Rose, and Arrington.

Mrs. Cleo Davenport of Rock-springs is here visiting her daughter-in-law, Mrs. Seth Davenport, and Mr. and Mrs. Joe F. Brown.

The highway west of town will follow approximately the present location. East of Sanderson the construction will all be on new alignment due to the fact that many curves, turns and grades will be eliminated for the first fifteen miles, and also because the old road is desired as a detour for the public during the construction of the new road. Running east the new road will follow main street across the bridge over Sanderson Canyon at the eastern edge of town, but instead of making the present curve will angle off to the left cutting through the edge of the old ball park, and will leave the cemetery to the right. It will cross Sanderson Canyon again and skirt the hills north of the dump grounds, crossing the canyon and the railroad with a combination bridge and overpass. This crossing will be made at the rocky point about one mile east of the Carl Cochran ranch home, at which place the present road makes a considerable curve. The old road will also be crossed at this point and the old alignment will be followed relatively close for the balance of the way. The entire construction, which is divided into five projects, will cost more than one and a quarter million dollars, and about two years would be required for completion of the work under normal conditions.

Although the plans call for post-war construction, it is hoped that the contract for one or more of the projects can be let at an early date. Mr. Kempen stated, in announcing the closing of the office, that he appreciated very much the cooperation he had received from the county court in the securing of right-of-way and other matters. For the past year the local office has been operated with only two men. Donald Jones, employee who aided Mr. Kempen with the work, resigned his position with the department effective the 7th of this month and moved to Odessa where he has accepted a position with the county.

## Home Demonstration Club Members Attend Exhibit In Ft. Stockton

Six counties were represented Tuesday in Fort Stockton when members of Home Demonstration Clubs gathered for an annual exhibit day held there. Representatives from the different clubs brought exhibits showing samples of the year's achievements.

The program was started at 10:00 o'clock and continued until 5:00 o'clock in the afternoon. Luncheon was served at noon to about seventy-five guests. Those who attended from Sanderson were: Mesdames Henry Goldwire, J. W. Byrd, Herman Couch, Sidney Harkins, John Carruthers, Sr., James Caroline C. P. Peavy, Seth Davenport, C. C. Mitchell, Miss Eva Carruthers, and Mrs. Floyd Henley of Fort Stockton who is a member of the Sanderson Club.

## SON TO NORTHCUTS

A son, John Harvey, weighing eight pounds, was born October 4, to S. M. 3c and Mrs. John Northcut, at London, Texas. John Harvey's father is at present in France serving with the Seabees.

Mr. and Mrs. P. E. Dishman were in San Antonio over the week-end, where Mr. Dishman went for medical attention.

Mrs. W. H. Bohlman returned Wednesday from El Paso where she has been visiting the past several weeks with her sister, Mrs. P. G. Clifford and family.

## CITIZENSHIP

A farmer of my acquaintance has a knife he wouldn't sell for a ransom, although he is not wealthy. The knife is of a kind that could be manufactured in quantity to retail for less than two dollars. The farmer's soldier son took it from a Jap in a hand-to-hand fight but wounds he himself received left the boy maimed for life. The father prizes the trophy for its cost, not its worth.

One of the strangest quirks of human nature is the hook-up between cost and value. People so often appreciate things according to what they cost instead of according to what they are worth. A man who falls heir to a fortune without effort is much more liable to squander it than his neighbor who may have acquired a similar amount the hard way; his wealth cost him too little.

## A Thing of Value

It's like American citizenship, a thing of great value that costs too little. The fee exacted from an immigrant when he "takes out his papers" is not a drop in the sea compared to what he gets. Moreover, the vast majority of Americans acquired citizenship rights with their first conscious breath. We grew up with citizenship. We have always had it and consequently don't appreciate it properly.

You may have read stories of how British citizenship, about the time America was being colonized, was keenly coveted by noble Huguenots who fled France as refugees. Almost everybody in Christendom is familiar with New Testament accounts of how Saul of Tarsus' life was spared more than once because he, although an Israelite, was born a privileged citizen of Rome.

## An Expensive Item

Roman citizenship in Bible times could be bought and it cost a great price. It had great value, too, but it wasn't worth nearly as much as our American citizenship, that costs so little. I think everybody in the United States ought to be educated for citizenship. Not many are, natives or naturalized. Not everybody needs a college degree but everybody needs to appreciate his freedom.

## Americans were conscious of

their citizenship for a long time back of a century ago. Government held the spotlight of youth's attention. In the last hundred years, however, invention has intrigued the interest of more and more American boys. Unfortunately a keen interest in something spells relative indifference to something else, and engineering has hid government in almost total eclipse.

## History's Very Heart

John Tyler was President a century ago. In 1844 Louisa M. Alcott was ten, enjoying the mild childhood she so beautifully preserved in print. But wait... the people were agog at the world's first telegraph line, one tapper in Washington and another in Baltimore. Little boys were eagerly flattening their noses against window pains to see that new invention, a bicycle, pass by.

These five generations of high, scientific achievement are not to be despised. In them, our wage levels and national income have made America the envy of a mercenary world. But the foundation for all this was laid between Washington's day and Tyler's. The science of self government must regain its rightful place in the field of learning if we are to hold up our living standards. Americans must better appreciate the rights and privileges of citizenship.

OCTOBER 26, 1934 James House left Thursday morning for San Antonio, and will spend the remainder of the week in that city attending to business matters.

Mesdames Joe F. Brown, John Nichols, N. E. Charlton, J. V. McCall and D. A. Pollard left Wednesday for Rocksprings to attend a Presbyterian district conference and expect to return Friday, with the exception of Mrs. Brown, who will remain for a visit with relatives.

Guests of Mr. and Mrs. J. C. Mitchell at their ranch home over the week-end were their daughter, Miss Annah, who is a

student at Incarnate Word College, San Antonio, Mrs. Mitchell's mother, Mrs. James Mitchell, and Miss Betty Hoey of San Antonio.

Mr. John Clark and daughter Miss Rose Mae were Del Rio shopping visitors last Saturday.

The Sanderson Eagles lived up to their name in the game played last Saturday in the den of the Lobos at Monahans. Most of their offensive plays were through the air, and Monahans seemed helpless to stop their aerial attack. Score Sanderson 31, Monahans 0.

The annual Hallowe'en carnival sponsored by the Sanderson Parent-Teacher Association, will be held on Wednesday evening, October 31, in the Grammar school building.

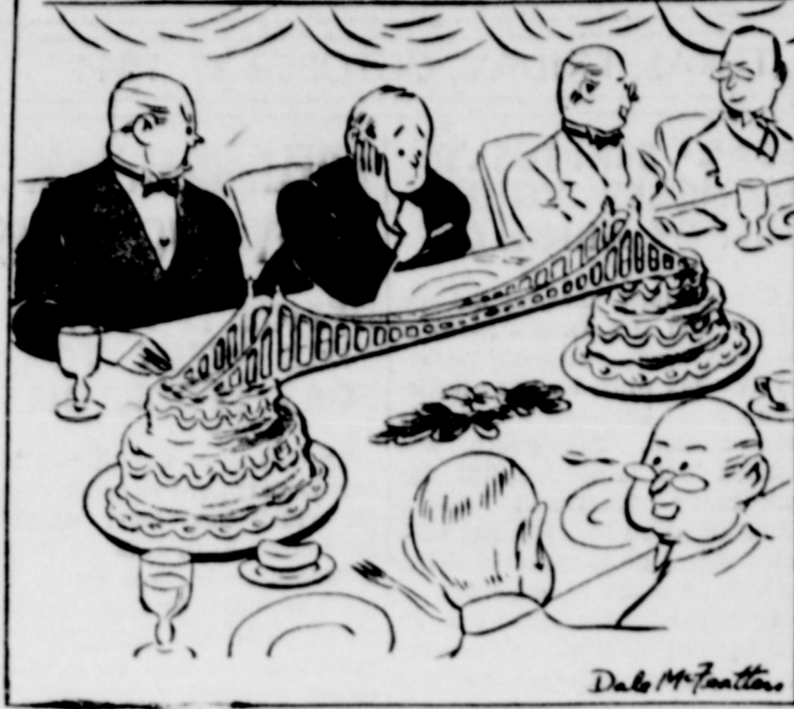

The local office of Western Union is now resplendent, a fresh coat of paint in the company's adopted colors having been applied this week. The building was also re-decorated on the inside and outside.

WITH OUR NEIGHBORS

Fort Stockton Pioneer—Prompt action to meet Fort Stockton's housing problems was assured yesterday when a Fort Worth firm of architects and structural engineers agreed to have a representative here for two days or more beginning next Wednesday of next week, to confer with local property owners, builders, and business men.

Directors of the Pecos County Chamber of Commerce voted Wednesday night to extend the request to Mr. Freelove, of the Associated Architects in Fort Worth, contacted there last week by Chamber of Commerce Manager, Don V. Purington. Thursday Mr. Purington called Mr. Freelove and the latter agreed to be here next Wednesday morning for a conference with interested citizens.

The Fort Worth firm has had wide experience in war-time construction of a permanent nature, and specializes in use of permanent and durable non-critical materials. Masonry, cement and steel are used in all possible

ways to reduce need for critical lumber.

The firm also is familiar with all of the federal building restrictions and can arrange necessary priorities and approvals for many types of construction. Financing also can be arranged.

Property owners, material dealers, and persons interested in home, apartment, or building construction, are invited to talk with Mr. Freelove next Wednesday, at the Courthouse, and in the meantime may secure information from Mr. Purington at the Chamber of Commerce office in the Pecos Theatre Building.

Monahans News—Reaction to the pending City Bond Election was unusually quiet this week, the subject has been all but ignored, but in the lack of apparent interest arose a tenseness that foretells hot campaigning by both sides of the issue before election day, Tuesday, October 31.

In the bond election notice \$5,000 is specified for parks improvement. It is understood that a small park, not as elaborate as the park on the south side, but just a grassy, shaded place where northside children and citizens can spend a few hours playing and relaxing, will be built. Perhaps barbecue pits would be provided. Part of the money would be spent also for improvements to the southside park, it is understood.

Of the \$283,000 total, \$11,000 will be spent in purchasing land for enlarging the present air field so as to provide a tract of land required by the CAA in order to be able to get the improvements which will be financed by the Association for postwar air travel. Four major airlines are already asking the Civil Aeronautics Commission for permission to include Monahans on their 'Feeder Lines.' Without an airfield adequate to handle the large airliners, they could not stop here.

Monahans News - Approximately 300 antelopes were killed in Brewster, Jeff Davis, Presidio, Culberson and Hudspeth counties during the first open season on these animals in 40 years, which ended last Wednesday, Capt. Ray Williams of the State Game department said this week.

Approximately 400 permits were issued for the hunts, staged under the strict supervision of game wardens on 31 ranches in the five-county area. Of this number, approximately 120

Alpine Avalanche—A preliminary survey of the Big Bend National park area, looking forward to a road building program after the war's end, was made by a party of National Park service and Public Roads administration officials this week.

Uvalde Leader-News—A campaign to destroy rats and mice, sponsored by the Uvalde Chamber of Commerce, the City of Uvalde and the Southwestern Texas Health Unit, in cooperation with the U. S. Fish and Wildlife Service, will get under way in this city and county next Monday and health officials this week called upon all residents to give full cooperation so that danger from typhus fever, spread by rats, will be minimized.

AT THE PRINCESS—NEW FILM IS BLEND OF ROMANCE AND COMEDY

Movie fans are in for a real musical treat at the Princess Theatre, Wednesday and Thursday, where "Two Girls and a Sailor" starts its engagement.

Here is a picture that has everything! It's an outstanding blend of music, comedy and romance that will keep you entertained every minute of the picture's running time.

A stellar cast has been rounded up, including Van Johnson, June Allyson, Gloria De Haven, Jimmy Durante, Jose Iturbi, Gracie Allen, Lena Horne and Harry James and Xavier Cugat and their bands—to name just a few of the luminaries — and has added the kind of music that's always high up on everyone's personal hit parade. Spiced with just the right amount of romance and comedy, the whole adds up to the best musical film of this or any other season.

June and Gloria play a pair of headline night-club entertainers

born and brought up in the theatre. During their engagement at a New York spot, Gloria begins to receive orchids every day from a mysterious "Somebody". As June, anxious for her sister's happiness, tries vainly to discover who the "Somebody" is, Jimmy Durante, in the role of an ex-vaudevillian, steps in to aid the girls in their search. Not until the sister have successfully started a servicemen's canteen, with the generous aid of the unknown benefactor, do they discover that their mysterious friend is a wealthy and handsome young sailor (played by Van Johnson) who has been enjoying himself at their canteen all along.

The romance between Van and Gloria takes a curious turn before Van realizes it is June he really loves—and Gloria is happy too when she realizes her heart has always belonged to a soldier boy.

Save That Twinkle!

That roughish twinkle from a pair of bright young eyes! A priceless possession. Yet so often it is dimmed by needless eyestrain. Mankind grew up out of doors—where eyes had ample light from the sun.

Today, living indoors, many eyes suffer from lack of good light. Now science is "moving the sun" indoors. When the war is over, we can all enjoy bountiful indoor daylight. In the meantime, let's observe these four rules to ward off eyestrain:

- 1. Do all reading, studying, sewing or game-playing close to a good light source, preferably a modern reading lamp.
2. Avoid glare from bare bulbs. Don't sit facing the light. Glare strains eyes.
3. Avoid shadows. Make sure you have good light directly on your work or book. Shadows strain eyes.
4. Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

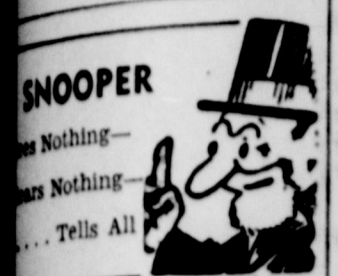

When the war is over we are all going to have Better Light for Better Sight. In the meantime, take care of your eyes but don't waste light.

**ASSEMBLY PROGRAM**  
The Sophomore class present-  
ed the assembly program on  
Fri, October 20, at 10:30 A. M.  
The first number on the pro-  
gram was a wedding ceremony,  
"I Do, I Do, I Do," given in  
rhyme. Joe Mussey was the  
fortunate lad who caught the  
bride's bouquet. The number  
which followed was "Alice Blue  
Gown". Cecilia Goode gave a  
reading; "Ten Little Soldiers on  
a Ten Day Leave". The last  
number was the "Peanut Song."  
The student body and the vis-  
itors seemed to enjoy this pro-  
gram very much.

**ANNUAL STAFF**  
Wednesday, October 18, the  
students of Sanderson High  
School chose the staff for their  
annual.

The officers are: Billie Babb,  
Editor-in-chief; Doris Lee  
Cooke, Assistant Editor; Bill  
Savage, Business Manager;  
Doris McSparran, Assistan Man-  
ager; Joyce Boyd, Art Editor;  
Doris Hill, Assistant Art Editor;  
Al Dishman, Snap Shot Editor;  
Doyce Wells, Boy's Sports Editor;  
Clara Alice Bell, Girl's  
Sports Editor; Joan Anderson,  
Type Editor; Betty McMillan,  
Assistant Editor.

The class representatives are:  
Eighth, Frank Harrell; Ninth,  
Betty Ann Peavey; Tenth, Jean-  
ette Cobb; Eleventh, Dudley Har-  
rison; Twelfth, Marilyn Black-  
welder.

**FIRST GRADE NEWS**  
The first grade has a new  
pupil. He is Gene Arnold. He  
came last Monday and he is  
from Beaumont.

The class is making Indian  
head dresses because they are  
studying about Indians.  
The children are still bringing  
flowers to school. These are all  
so much appreciated by both  
the students and the teacher.  
The class is enjoying Hallow-  
een and autumn art work.  
Janice and Myrl Gilley's  
mother visited the class Tues-  
day afternoon.

**EDUCATION WEEK**  
The week of November 5  
through the 11th is the week set  
aside as American Education  
Week. The theme of the educa-  
tion for this week is "Educa-  
tion for New Tasks." This week  
will be recognized in our schools  
and we would greatly appreciate  
the town people's recognition of  
it. The parents are urged to  
place more emphasis on attend-  
ance and the pupil's application.  
We would like for everyone to  
go to the show sometime during  
the week as a short on "Educa-  
tion for New Tasks" will be  
shown each night in the inter-  
est of Education Week in Ame-  
rica.

**HONOR ROLL**  
All students on the honor roll  
for Sanderson schools must  
have a B-plus average with no  
grade lower than a B-minus.  
The following students have  
made the honor roll for the first  
six-weeks of our school term:

**HIGH SCHOOL**  
Seniors: Billie Babb, Betty  
Joe Kerr, Yvonne Oberling  
Juniors: Mary Allen, Clyde  
Griffith, Diana Hampton, Mar-  
Jorie Jessup, Betty McMillan,  
Wilma Jean Northcut.  
Sophomores: Hazel Babb,  
Weldon Chamberlain, Jeanette  
Cobb, Charles Hill, Doris Hill.  
Freshmen: Margaret Duncan,  
Marilyn Hampton, Ernestina  
Ochoa, Harriet Pierson, Betty  
Ann Peavey.

**GRAMMAR SCHOOL**  
Eighth Grade: Jack Harrell,  
Margaret Klassen, Josie May  
Klassen, Lizzie Bell Phillips.  
Seventh grade: Barbara And-  
erson, Edgar Lemke, Nancy  
Peavey.

Sixth grade: Barbara Clark,  
Virginia Hayes, Betty Faye Sul-  
livan, James Hampton.  
Fifth grade: Herbert Saegert,  
James Bean.

Fourth grade: Mary Lou Car-  
gile, Marilyn Courtney, Billie  
Henshaw, Carroll Lassiter, Mary  
Landon Rose, Jackie Savage.

Third grade: Dorothy Ann  
Hill, David Paul Mitchell, Tom-  
my Mansfield, Nicky Hahn,  
Harry Neil, Jackie Hayes, Ruby  
Jean Bell.

Second grade: Donna Sutton,  
Sarah Pat Grigsby, Sarah Bob-  
bie Cantrell, Nancy Jean Turn-  
er, Joy Rose, Jettie Ray Holmes,  
Meanna Morefield, Jerry Carter,  
Jack Perry Silliman, Marcum  
Greenwood, Harvey Stout.

**INDEPENDENCE SCHOOL**  
First grade: Virginia Chandler,  
Charlen Chandler, Junior  
Rogers.  
Third grade: Don McElhaney.  
Sixth grade: Virgil McElhaney.

**JUST BETWEEN YOU AN ME**  
Have you noticed:  
The girl's wrists lately. They  
look like walking jewelry stores  
with all the senior boy's rings  
and identification bracelets?  
How Mr. Holley and Mr.  
Greenwood smile when their  
football boy's names are men-  
tioned?  
What happened between Har-  
ry and Billie lately?  
That the football boys have  
sworn off of something?  
Why Betty is so interested in  
A and M just now?  
That all the girls envy Wilma  
since the Fort Stockton game  
because of Buddy Dove?  
That starry-eyed look in  
Doris Lee's eyes. Can it mean  
that she has a hero in Stockton?  
How Miss Conger wrinkles her  
nose in that cute way?  
That Cecilia has the most beau-  
tiful blonde hair and looks  
to go with it?  
How the girls have been un-  
escorted for the past three  
weeks? It is for a good cause  
though.  
That ex-senior Norma Ray is  
really cute? Boys see what  
comes from Tampa, Texas, be-  
auties I would say.  
That cute saying "Iz been  
sick" that has passed from ev-  
ery tadpole to every senior?  
That Miss Brieger is busy with  
minstrel music?

**Lamar School Notes**  
In giving out the honor roll  
for the first six weeks we would  
like for the public to understand  
the basis for the roll of honor  
in our school. No child's name  
can appear on this roll if he has  
any grade lower than B-minus  
or in other words, a "C". This  
is a step upward from last year  
when a child was placed on the  
honor roll if his average was "B"  
even though he might have one  
or more "C's". Since the two  
sections of the first grade and  
the second grade are graded on-  
ly by "S" (satisfactory) and "U"  
(unsatisfactory) no honor roll  
is shown for these grades.  
At the end of the first period  
there were no honor students in  
the seventh, sixth, fifth and  
fourth. The honor roll for the  
third grade is a s follows:  
A HONOR ROLL: Rosita  
Aguilar, Gloria Garcia, Victoria  
Garcia.  
B HONOR ROLL: Yalra Ce-

## Marines' Galloping Gas Tank

(U. S. Marine Corps Photo)  
Two ground-crew members of Marine Major Joe Foss' famous  
fighter squadron dislike walking, so they built this contraption out  
of a damaged belly gas tank, a one-cylinder motor, wheels and  
leather belting. Astride the tank, steering is Sgt. Andrew J. Moyni-  
han of Manchester, N. H., while in the cockpit, at the controls, is  
Sgt. Robert H. Oatley of Cleveland, O. Their galloping gas tank on  
Emirau Island replaces the aged horse and home-made buggy the  
pair had while on Guadalcanal.

laya, Yolanda Esqueda, Honor-  
ato Falcon, Otila Flores, Teado-  
ra Perez and Pedro Sarabia.

Lala Escamilla and Rita Es-  
camilla went to Del Rio Satur-  
day to a dancing party. They re-  
turned here Sunday.

The children of class B of the  
first grade are happy since they  
are to start a rythm band next  
week.

The third grade room has pot  
plants brought to school by  
Francisca Hernandez and Pau-  
lita Silvas. It also has a ter-  
rarium. The pupils are bring-  
ing plants and worms for it.  
Marcelina Pena brought a sweet  
potato that is growing. Gloria  
Garcia brought two little fish.  
The third grade is excited over  
the prospects of a circus coming  
to the room. The children are  
working on the animals for the  
parade now.

Felipe Arredondo went to  
Marfa Friday for a load of  
shingles.

Mr. and Mrs. Sebastian Reyes  
went to Victoria the 1st to visit  
her brother, Ramon Valalez.

The seventh grade girls are  
planning to go on a picnic with  
Irene Calzada in her car. Irene  
has just learned to drive it.

Hermina Surita invited the  
members of the seventh grade  
to a dancing party at her home  
in Dryden Saturday night.

Mr. and Mrs. Raul Aguilar  
and Mrs. Matilda Munoz return-  
ed from Del Rio Wednesday  
where they had been at the bed-  
side of their sister Miss Mar-  
guier Hernandez who passed  
away in that city after an ex-  
tended illness.

Amelia Silvas went to a ranch  
with her uncle, Gustavo Flores,  
for a visit last week.

Rodolfo Hernandez spent  
Saturday in Dryden visiting his  
uncle, Mr. Reymundo Hernan-  
dez, and family.

Herbenia spent the week-end  
in Del Rio visiting with her  
cousin, Pfc. Hilberto Salas, and  
family. He was home on furlough  
from Little Rock, Arkansas.

Pabla Madrid spent the week-  
end in Marathon visiting her  
Godmother, Mrs. Elisa Aguilar.

Rosa Flores spent the week-  
end in Del Rio visiting relatives  
and friends.

ruined the present world, ever  
to come into power again.  
"None Shall Escape" was writ-  
ten with this in mind, and the  
story opens with Nazi General  
Wilhelm Grimm, symbol of all  
depraved Nazism, standing in  
the world court of justice, fac-  
ing his accusers.

One by one they tell their  
pathetic stories and it is said  
that the recounting is so shock-  
ingly true, so terribly frank, as  
to make "None Shall Escape" a  
picture you will never forget.  
The stirring climax is, we cer-  
tainly hope, a forecast of things  
to come.  
Alexander Knox, Marsha

ness rival of Dithers, and little  
Marjorie Ann Mutchie por-  
traying Cookie, the Bumstead's  
youngest child.

The story, adapted to the  
screen from Chic Young's popu-  
lar comic strip, concerns the  
Bumstead's zany adventures re-  
sulting from Dagwood's mis-  
guided purchase of a horse  
named Reggie. The misadven-  
ture all comes about when Dag-  
wood mistakenly buys a horse  
instead of a house.

Herbert, an eccentric million-  
aire, practically falls in love  
with the animal and invites the  
Bumsteads out to his estate to  
join him in a fashionable fox-  
hunt. Dithers, anxious to close  
a real estate deal with Herbert,  
persuades Dagwood to accept  
the offer and then the fun be-  
gins. Eventually matters get  
straightened out.

"It's A Great Life," which  
should certainly be great fun  
for all movie-goers, was pro-  
duced and directed by Frank Stray-  
er from a script written for  
Columbia by Connie Lee and  
Karen DeWolf.

## "MR. WINKLE GOES TO WAR"

FILMED FROM BEST SELLER  
All America acclaimed the  
novel, "Mr. Winkle Goes to  
War," by Theodore Pratt and  
put it into the best-seller class.  
Now, starring Edward G. Robin-  
son, Columbia is bringing its  
screen adaptation of this famous  
book to the Princess Theatre on  
Sunday and Monday, and from  
preview reports, the film version  
is even more heart-warming

and exciting than the printed  
page.

Although the characterization  
of Winkle, a quiet, shy, little  
bank clerk is a far cry from his  
gangster roles, Edward G. Ro-  
binson is hailed for giving the  
most lovable, the most human  
and sympathetic role of his bril-  
liant career. All are saying  
that he adds another great "Mr"  
to Columbia's already long list.

Unlike the procedure in many  
other novels, the screenwriters  
of "Mr. Winkle Goes to War,"  
Waldo Salt, George Corey and  
Louis Solomon, are said to have  
stayed closely to the book in  
outline and detail, and so with  
the added color of spoken dia-  
logue and physical action, have  
brought it to vivid film life.

"Mr. Winkle Goes to War"  
tells the story of a timid bank  
clerk who is discontent with the  
routine of that life, and so  
against his wife's violent objec-  
tions resigns to carry on his own  
"fix-it" business with a young  
orphan lad, Barry.

## \* TERRELL COUNTY HEROES \*

☆☆ IN SERVICE ☆☆

JOSEPH N. KERR, JR.

Was born in San Antonio August 31, 1919, and came to Sanderson to make his home as soon as he was old enough to travel. He received his schooling in the Sanderson schools, graduating with the class of 1937. After graduation he attended St. Mary's University, San Antonio, returning home from there to operate the Joe Kerr Service Station and Magnolia agency. He disposed of his business and enlisted in the Air Corps Nov. 3, 1941, receiving his preliminary training at Hemet, Calif. From there he went to Gardner Field, Calif., where he received his basic, and then to Luke Field, Calif., where he completed his advanced training and was commissioned a second lieutenant in the Air Corps. After receiving his instructor's training at Stockton, Calif., he returned to Gardner Field as an instructor for a short time before being stationed at Pecos, Texas, in the same capacity. In May, 1944, he completed special training at Bryan field, being promoted to the rank of captain upon completion of his training. Shortly after he reported at Greensboro, N. C., which was his embarkation point for overseas and left the States in September. Capt. Kerr landed in England as pilot of a Thunderbolt, P-47. In his last letter to his mother, Mrs. Josephine Kerr, he stated that he was headed for France.

Once there was a man named Bill

Bill was with the first Marines who went to the Pacific. For three years he fought Japs.

Then at Saipan, Bill had a quick decision to make.

He saw a job he thought should be done. He couldn't be sure it would help. He couldn't be sure he'd come back if he tried it. But it seemed worth trying.

He went ahead with the job. And it did help. And he didn't come back.

Perhaps there's a lesson in this story for some of us at home.

Bill had already done quite a bit for his country. But when the time came, he didn't stop to think about that. He didn't look around for someone else to take the risk for a change. He knew his work wasn't finished.

The same thing is true about buying War Bonds. Don't waste time wondering whether or not you've done your share.

As long as there are men like Bill still fighting—your job isn't finished yet—your job is to back them up. So keep on buying War Bonds.
