## San Felipe Mustangs Lose to Eagles; Rankin Comes Here Armistice Day

### LOCALS TO GO TO MARFA FRIDAY TO MEET SHORTHORNS

Highlighted by a touchdown for the Eagles in the final minutes of play, the game between the Sanderson Eagles and the San Felipe Mustangs Thursday night in Cowboy Park ended with the locals on the short end of a 13-6 score.

Harrell's pass to Dishman was good for the last Eagle touchdown as the game was drawing to the close. The pass was good for 25 yards and Dishman ran 20 yards evading two determined Mustangs tacklers, to score the tally standing up.

In the second quarter of the game, C. Gutierrez of the Mustangs passed to R. Gutierrez for 20 yards and a touchdown, with the try for point failing.

Late in the third quarter, Harrell of Sanderson ran through the left side of the Mustang line to score for the Eagles. His pass to substitute Wells made the extra point.

Sanderson had ten first downs to three for the Mustangs. San Felipe drew four penalties totaling 25 yards and Sanderson, one penalty for five yards.

Officials included Captain M. N. Lehman of Butler University, Lt. J. A. Meredith of Sul Ross and Lt. G. B. Wadzeck of McMurry, all of Laughlin Field.—Del Rio News Herald.

The Sanderson Eagles go to Marfa Friday afternoon for a night game there with the Shorthorns. This group of boys has not met any of the teams which have been played by the Eagles to date, but they are an experienced team and a win over them by our boys will not be too easy.

### "MILEAGE RATION RECORD" NECESSARY FOR GAS RENEWAL MUST BE ATTACHED TO APPLICATION BY APPLICANT

A large number of applicants for renewal of gasoline rations are applying without attaching the new "Mileage Ration Record" to the application form. Carl B. Cochran, chairman of the local War Price and Rationing Board, has announced. Renewals of "B" or "C" books cannot be issued unless the applicant presents this new form, he explained.

The "Mileage Ration Record," which replaces the old tire inspection record as a history of all gasoline rations issued to each driver, consists of a stub detached from the application blank used in applying for renewal of "A" books in September. It was returned by the board to each recipient of a new "A" book, Mr. Cochran reminded, and should have been retained for future use.

"If you will notice, you'll see that the stub of your 'A' application form bears the title, 'Mileage Ration Record,' Mr. Cochran said. "Please remember to attach it to your application for renewal of gasoline rations from now on and bring it when you come to the ration office to apply for special gasoline. Failure to do so means that your application must be returned."

### DAUGHTER TO KINGTONS

A daughter, Kathleen Lenore, weighing 9 pounds 11 ounces, was born October 29 in a Fort Stockton hospital, to Mr. and Mrs. W. L. Kington. They returned home Tuesday of last week and both mother and child are doing fine.

### TEXAS COUNTIES AHEAD IN MEETING WAR FUND QUOTAS

#### TERRELL COUNTY IS 1ST TO REACH 100% MARK IN REGION 12

Texas led all other states in the number of counties "over the top" during the first week of the National War Fund drive now under way, and was third in the nation in percentage of its goal reached, Wayland D. Towner, general manager of the United War Chest of Texas, announced today.

A National War Fund report showing progress of the campaign from its official opening on Tuesday, October 10, to the first report date of Saturday, October 14, revealed that 26 Texas counties had surpassed their goals, and that the state as a whole had marked up 41.74 per cent of its quota. The only states ranking higher than Texas in percentage of goal reached were Delaware and Utah, each with quotas of less than \$410,000.

Texas, with a quota of almost \$5,000,000, was first among "big quota" states, the report revealed. "Our reports of Saturday, October 21, show that our outstanding progress in the drive is continuing in all regions and in most counties," Towner declared. "I am confident that the final report at the end of the national campaign will find Texas near the top of the list."

"The true goal of the drive is not merely the quota, but an all-out contribution by every Texan. The goal is the 'floor' of giving, not the 'ceiling'." As general manager of the Texas campaign, Towner supervises the nation's largest war fund drive, conducting 261 simultaneous county and community campaigns in a territory bigger than that of the Eastern Seaboard states which operate under 18 separate war chest organizations.

Terrell County under the leadership of Mrs. Mary E. Mitchell, was first to attain a 100 per cent quota and report in to headquarters, according to the weekly report and bulletin issued by headquarters of the National War Fund at Austin.

### VOTE—

At no time has it been so important that every American citizen exercise his right to raise his voice in the matter of government by going to the polls Tuesday, November 7, and casting his vote as he thinks best. The decisions made by government officials during the next few years will influence the progress of this nation, and of all the world, for years to come. It is your duty to vote—vote as you choose—but vote.

Miss Mary Ferguson was here over the week-end visiting her parents, Mr. and Mrs. W. J. Ferguson. Miss Ferguson is working at Fort Sam Houston.

Miss Marion Brieger's mother, Mrs. Alfred Brieger, and grandmother, Mrs. Edward Goetz are visiting her here.

Naval Cadets Baker Denham from Nacogdoches, Texas and Jasper Cochrell from Corrigan, Texas are here visiting with N. C. Bill Cochran.

Mr. and Mrs. John Nichols and Mrs. G. M. Tullis arrived here Friday of last week from San Angelo for a visit with relatives and friends.

### GOOD GAME IS SCHEDULED HERE FOR NOVEMBER 11

Supporters of the Sanderson Eagles are urged to make plans now to be on hand Saturday, November 11, for a hotly contested game between the Rankin Red Devils and our local boys will be played at the landing

### STORES TO CLOSE NOV. 11

Practically all stores of Sanderson have signified their intentions of closing Saturday, November 11, to observe the holiday and also to be free to be out in support of the Eagles in their second home game of the year when they meet the Rankin Red Devils in the afternoon at 3:00 o'clock.

Residents of this section should remember that practically all stores will be closed and plan their purchases accordingly. They should also plan to be on hand for the football game.

The game is called for three o'clock in the afternoon and is the second game of the year to be played on the home field.

Rankin has a good record to her credit, and if the Eagles are able to defeat the Marfa Shorthorns tonight, they will have a record of continuous wins beginning with their second game. These facts assure spectators a thrilling game and it is hoped that the town and community will turn out to give the locals their support.

### Mitchell Herefords Win Places In Show In Atlanta, Georgia

#### Five Head Bring \$2,370 in Auction Sale After Exhibits

Animals from the choice Polled Hereford herd of N. M. Mitchell, Fort Stockton and Sanderson ranchman, won five places in the highly competitive show last week held by the National Polled Hereford Association in Atlanta, Ga.

Five of Mr. Mitchell's Herefords were offered for sale in the auction following the show, and brought a total of \$2,370. He sold one young bull to a Georgia plantation owner for \$750. Top sale of the show was the \$6,000 pair for a heifer calf. Top bulls sold at \$5,000 and \$5,025.

Winners by the Mitchell herd were as follows: 8th in junior heifer class; 10th in senior yearling heifer; 12th in senior bull calf; 12th in pair of calves and 8th in 4 head get-of-sire.—Fort Stockton Pioneer.

### All-Day Meeting Held Monday By Presbyterian Ladies

The women of the Presbyterian Auxiliary met Monday morning in the home of Mrs. Ernest Jessup for an all day meeting to review the home mission study book entitled, "So Many People". These reviewing chapters were Mesdames J. W. McKee, N. E. Charlton, C. C. Mitchell, J. H. Loehausen, and J. F. Nichols.

At noon a luncheon of roast kid, beans, congealed salad, hot rolls, pie, coffee and tea was served to the following members and guests: Sid Harkins, C. L. Sims, Seth Davenport, A. F. Gholson, Malone Mitchell, J. W. Byrd, W. R. Holland, Joe F. Brown, Ernest Jessup, R. S. Wilkinson, W. H. Savage, McKee, Charlton, C. C. Mitchell, Loehausen, Nichols, E. F. Pierson, R. E. Fred of Rocksprings, and George Lais of San Angelo.

### FUNERAL SERVICES IN AUSTIN FOR H. D. WILLIAMS

Funeral services were conducted Thursday, October 26, in Austin for H. D. Williams who died there Wednesday after a long illness. The services were in charge of Dr. Fred E. Brooks, pastor of the First Presbyterian Church there, and the Chaplain of the Austin Masonic Lodge No. 12.

Mr. Williams was a freight conductor for the T. & N. O. for a number of years, running from Sanderson to Valentine. Later he and Mrs. Williams operated the Sanderson Tourist Camp, selling out to the present owner, M. L. Robertson.

### Hallowe'en Carnival Sponsored By P.-T.A. Well Attended

#### Minstrel Show is Big Hit of Evening; Features Local Talent

The annual Hallowe'en carnival sponsored by the Parent-Teacher Association started at 5:15 Tuesday with a parade by children in costume through the main business district. They were led by a portion of the band members who were riding in a truck decorated with placards. A Mexican supper, cake walk, and several games began at 6:00 o'clock. A minstrel show started at 8:00 o'clock after which a dance in the Masonic Hall began at 10:00.

The minstrel show, special feature of the carnival, was presented to a packed house. The cast included the following groups:

Boys Chorus: Allister Dishman, Doyce Wells, Harry Brown, Charles Daniels, Temple Stumberg, Jim Davis, Jimmy Harris, Jack Buchanan, Joyce Boy, Francis Grigsby, Harvey Nesmith, Charles Hill, and Junior Bowden.

Girls Chorus: Betty Ann Peavy, Yvonne Oberling, Mary Frazier, Doris Lee Cooke, Clara Alice Bell, Billie Babb, Mary Allen, Virginia Byrd, Avis McDonald, Cecelia Goode, Marilyn Blackwelder, Joan Anderson, Betty Jo Kerr, Doris Duke, and Ora Mae Blackwelder.

End Men: Rastus, "Stump" Duke; Bones, Ruel Adams; Lightning, Jimmy Caroline; Alabama, Charles Ford; Sambo, M. H. Greenwood, Honey Boy, L. D. Hasty; Mr. Interlocuter, W. W. Sudduth.

Orchestra: Miss Brieger, Bill Savage, Jeanette Cobb, Jack Lester, Joyce Boyd, Temple Stumberg, Willie Grigsby, Arthur Calk, and Bob Edwards.

The numbers on the program were: "Mandy on the Telephone", Dorislee Cooke; Guitar Aces, Bob Edwards, Arthur Calk; "Swanee River Dancers", Seventh Graders; "Mammy's Little Honey's", First Graders; Special Tap Dance, Betty Jo Kerr; "Shortening Bread", Girls Chorus; "Jitterbugs", Yvonne Oberling, Marilyn Blackwelder; "Hazel Scott", Jeanette Cobb; "Surprise Attack", Miss Mary Francis Richardson; "Lonesome Road"—vocal solo, "Stump" Duke; "Soft Shoe Shufflers", Allister Dishman and Joan Anderson; and "If You Like Me", Boys Chorus.

Courtney, W. C. Cargile, Sam Bell, John L. Newton, Miss Marion Brieger, and Mrs. Tom Holley who was director of the minstrel show.

Mr. and Mrs. E. A. McMillan, Betty and Buddy McMillan, and Bill Savage went to Ozona last Saturday to see the Eldorado-Ozona football game. Mr. and Mrs. McMillan are formerly from Eldorado.

### PLANS UNDER WAY FOR CONSTRUCTION OF LEGION HALL

#### CONTRIBUTIONS ASKED OF THOSE WILLING TO HELP

Members of the Clarence E. Mulkey Post 160 of the American Legion are making efforts to secure funds sufficient for the erection of a Legion Hall in Sanderson, according to announcement this week.

A committee composed of J. C. Mitchell, Dr. D. M. Randall, and G. E. Babb, was named at the last meeting to contact the people of the community, taking pledges from those who wish to make contributions toward a fund for the building. Mr. Mitchell, Legion Commander, in making the announcement, stated that it would be practically impossible to contact every person in the county, but it was hoped that those who were not contacted would see some member of the committee if they desired to contribute. The main purpose of planning such a building at this time is to have it in readiness for the men who return from World War II, although no definite plans have been announced as to the type of construction, or place of erection, this depending on the amount of pledges received from supporters of the project. Mr. Mitchell stated that no money was being accepted at this time, people only making their pledges. If the pledges are ample the money will be asked at a later date, but if insufficient pledges are promised, then the whole project will be discarded. If ample pledges are made definite plans for the erection of an up-to-date hall will be drafted.

All Legion members are urged to be in attendance at the next regular meeting, Thursday, November 9, at 8:30 o'clock at the courthouse when definite decisions will be made, and plans will go forward accordingly.

Funeral services were conducted from the St. James Catholic Church Tuesday for Mrs. Frank Lopez, 71, who died at her home here Friday afternoon of last week at 8:40 o'clock after a month's illness. Services were in charge of the Rev. N. Femenia, pastor, and interment was in the Santa Rita Cemetery.

### FUNERAL SERVICES HELD TUESDAY FOR MRS. FRANK LOPEZ

Besides the husband she is survived by a son, Francisco Venegas, and a daughter, Erlinda Pena. A grandson, Pvt. Pablo Pena, stationed at Fort Benning, Ga., was here for the services.

### Home Demonstration Club Meets With Mrs. C. C. Mitchell

The Sanderson Home Demonstration Club met Wednesday of this week in the home of Mrs. C. C. Mitchell. Mrs. Mitchell gave a report on "Plastic Furs made from Sheep Fleece", and the home demonstration agent, Miss Mae McWilliams gave several demonstrations of meat cookery and also showed the ladies how to make hand painted vases out of bottles of any type.

Members present were: Mesdames Herman Couch, J. W. Byrd, Malone Mitchell, Ed Connor, Sidney Harkins, C. P. Peavy, Jimmie Caroline, Henry Goldwire, C. C. Mitchell, N. E. Charlton, Floyd Henley of Fort Stockton, and Miss McWilliams.

Miss Margaret Reed Arrington left Wednesday of last week for San Antonio where she visited with Mr. and Mrs. Russell Walker until Monday before continuing to Austin where she is attending the University.

#### HEAD AND HANDS

When I was nine years old, my father sent me horseback on an errand to a nearby farm. Our neighbor, an elderly man, was hoeing in his vegetable garden when I dismounted, but he came to the farm gate to talk with me. While we stood there, a cattle buyer passed in a single-seated vehicle pulled by a spirited horse. The salutation between my two elders was cool and stilted.

Childlike, I inquired with frankness: "Don't you like Mr. Moore?" Then my neighbor began "educating" me. He informed me in a low tone, implying a great deal, that Moore was a rich man. Without saying it in so many words, he hinted that the trader was not to be trusted and that his wealth proved the point. My next question was from the heart: "How much money can a man have and be honest?"

#### All Figured Out

"In these parts," he said thoughtfully, "A man can't get together more than \$10,000 in a lifetime unless he carries on some right shady business." He did not say how he arrived at the figure; probably he was speaking from a long life's wealth of observations. I knew he was sincere, but many years had passed before I knew how wrong he was. His words were a figment of class prejudice.

In the United States, class prejudice is nearly harmless by contrast to the misery it deals people in other lands. Just the same, we have some of it and it's a curse. Moreover it is not limited to coolness between grangers and stock buyers. Recently a high executive of the U. S. Treasury Department let himself say this: "No man who works with his hands can be worth \$5,000 a year."

#### Class Prejudice

He may be sincere as my venerable neighbor of years ago, but he does not know everything about men who work with their hands. They think too. In fact the most effective thinking to achieve military victory in the present war has been done at the workbench and between the plow handles. Judgment, skill and technical knowledge used elsewhere would be bottlenecked indeed if workers used only their hands.

An equipment manufacturer in a northern city has used wage incentives for 20 years. By his plan, workers get more pay when they do faster and better work. They like the idea and so does the employer. When the men put their minds on increasing volume so they could draw better wages, the price of a welding machine that used to exceed \$500 slid down below \$200. Even the buyer was benefited.

#### Thoroughly American

Under pressure of war demands and hurry-up orders, this share-the-profit plan really shined. Output increased. Users bought new equipment 60 per cent cheaper. The firm lowered its percentage of profit and still upheld earnings. Average wage of workers climbed above \$100 a week. The government didn't like it, however, and assessed the company an extra 1.6 million dollars a year.

This firm is using our only safe pattern for post-war prosperity—wages up and prices down. Both depend on production efficiency. This plan means purchasing power at home and ability to compete in foreign markets. Labor and industry, in self defense, both must hold to this principle. Inefficiency after the war will bar us from foreign markets, make goods costly at home, jobs scarce, and pay low.

Mr. and Mrs. J. H. Hayre and Mrs. Chester Surratt were visitors in Fort Stockton Tuesday.

It Happened In Sanderson TEN YEARS AGO This Week - Remember

November 2, 1934 Mr. and Mrs. J. W. Downum were visitors in Del Rio Monday with Dr. and Mrs. Middlebrook.

Mrs. George Randall of San Antonio was a visitor in the city several days this week with her brother, Sam Bell, and family.

Miss Kate Frazier returned the latter part of last week from Douglas, Arizona where she visited Mr. and Mrs. J. F. Parker.

The members of the senior class and invited friends enjoyed a Hallowe'en and theatre

party last Saturday night. After attending the Princess theatre the members and their guests went to the home of Mrs. L. A. Lowe where they were entertained.

Mr. and Mrs. Buster Edwards and children left the first of the week for Deming, N. M., where Mr. Edwards will enter the employ of Dick Norris.

Congressman R. E. Thomason of El Paso was a visitor in Sanderson for a short time Thursday afternoon enroute to San Antonio.

Thursday of this week marked the opening of the deer season for this section and which will close on November 16th. During this time only white-tailed deer may be killed.

Mrs. Malone Mitchell and Mrs. Keith Mitchell were named honorees at a delightful informal affair at the ranch home of Mr. and Mrs. Malone Mitchell, the occasion being their birthdays.

Clyde Deaton was a business visitor in Van Horn the first of the week.

Material has been moved to the site and foundation work has been started on the Wildman structure.

Ozona Stockman—Hotel Ozona, built by local capital in 1927, is under new management this week for the second time in less than three months.

The hotel construction was financed by the sale of stock to buyers in this area, principally to Crockett county ranchers. It was operated for a number of years by the corporation through employment of a manager. In the last few years, however, it was operated under lease to several individuals until Mr. Turner took over management by purchase of all but a few shares of the outstanding stock this year. His interest is now owned by the Austin men and Mr. and Mrs. Berry will be here to manage the hostelry.

Mar Facts—Marfa Army Airfield—This week saw the training program at MAAF expanding, with the assignment of several hundred aviation cadets and students for preflight training and the arrival of the fourth contingent of On-the-Line Trainees.

The pre-flight trainees, who were given "delay en route," will begin arriving next week.

Transferred here from Santa Ana, they will continue pre-flight training until there are openings in primary schools.

The new trainees will attend mechanics school, military training and PT half a day. The other half day, they will work on the line, pre-flighting planes, fueling aircraft, walking wings, inspecting visually under the supervision of crew chiefs.

Hudspeth County News—Commercial production of high grade fluospar has been increased in the Eagle Mountains of Hudspeth County, as the result of geologic investigations by the University of Economic Geology. Fluospar is an industrial mineral important for the manufacture of steel, aluminum, and high octane gasoline.

"Mary and I were just saying, Judge, how lucky we are here in America that we have so many natural resources to help win the war." "That's right, Jim. When war broke out we had oil, we had steel, we had food, lumber, aluminum...practically everything we needed. There's one thing we didn't have...rubber. The enemy had that." "But that didn't bother us for long. Soon American brains and industry had synthetic rubber by the tons rolling out of plants. That filled a critical need...you can't win a war without rubber."

"I was very much interested the other day in reading a statement made by a high government official on synthetic rubber. In it he said 'It is fair to regard the rubber manufactured to date as being almost solely the product of the beverage distilling industry.'" "He also said that, in his estimation, the tremendous contribution of distillers' industrial alcohol to the synthetic rubber program had not received the recognition which it deserves." "We certainly learned something today, didn't we Mary?"

At the same time Newton announced that approximately one-half of the county's \$12,556 quota had been contributed to Wednesday night.

VANISHING BLONDE AND FEROCIOUS GORILLA IN LATEST LAUGH RIOT!

A fast moving story packed with laughs is told in the new comedy, "Gildersleeve's Ghost", at the Princess Theatre Tuesday, with Harold Peary featured in a triple role in a pact with two deceased ancestors who would help elect him Summerfield's Chief of Police.

In their ghostly wanderings, the ancestors discover a deserted house in which two scientists are experimenting to make people invisible, using for this purpose a lovely girl, whom they have kidnapped, and a savage gorilla. The scheme of the ancestors is to put the gorilla in "Gildy's" home and have "Gildy" trace the beast back to the deserted house, rescue the girl, expose the scientists, and become a hero.

From the time nephew Leroy hires a gorilla costume to stage an election stunt for "Gildy", things begin to go wrong. In the

meantime the real gorilla appears and "Gildy" mistakes it for Leroy, but soon discovers his error.

"Gildy" notifies the police and, accompanied by Peavey, Leroy's gorilla costume for a decoy, traces the ape to the scientists' hideout. The action then becomes fast and furious. Attacked by the ape, "Gildy" takes refuge in the bedroom of the kidnapped girl, Terry Vance.

Terry comes into the bedroom while perfectly visible, but under the influence of a drug becomes invisible! When "Gildy" tells his story of the ape and the disappearing girl, everyone thinks he is crazy, and the scientists continue using the girl for their experiment until an exciting climax results in Gildersleeve's triumph.

Peary makes the most of his role and is ably supported by Marion Martin, Freddie Mercer, Margie Stewart, and Richard LeGrand.

NEW "HOPPY" A THRILLER!

"Mystery Man," latest in the series of thrilling westerns starring Bill Boyd as the engaging amateur sleuth, Hopalong Cas-

Have You Been Too Busy To REMEMBER EYESTRAIN?

The war has changed our lives. We all have new duties—extra responsibilities. And too often we forget some of the important rules of everyday living. Eyestrain, for example. Children whose precious eyes are endangered by improper habits of reading or studying. We forget that one school child of every five has defective eyesight.

Until the war is over—let's at least remember these four rules for conserving eyesight.

1 Do all reading, studying, sewing or game-playing close to a good light source, preferably a modern reading lamp.

3 Avoid shadows. Make sure you have good light directly on your work or book. Don't strain eyes.

2 Avoid glare from bare bulbs. Don't sit facing the light. Glare strains eyes.

4 Have eyes examined regularly. If eyes are defective, vision can be greatly helped with proper glasses.

When the war is over we are all going to have Better Light for Better Sight. In the meantime, take care of your eyes but don't waste light.
