## Heavy Rainfall Saturday Brings Welcome Relief To Ranchmen of This Section

### Mercury Drops As Cold Winds Hit Sanderson Tuesday

Heavy rains Saturday, spread generally over the county brought a welcome end to a dry period in this section of several months duration. Precipitation began early Saturday morning, continuing throughout the day.

The heaviest rainfall reported was on the Fred Turner ranch estimated to be from three to five inches. Albert Appel reported

### Mrs. Sid Harkins Hostess Monday to Demonstration Club

The Ranch Home Demonstration Club met Monday in the home of Mrs. Sid Harkins at 10:30 for an all day session. Spring flowers decorated the room.

A report on the council meeting held in Fort Stockton, Tuesday, March 27, was given by Miss Pauline McWilliams, home demonstration agent. Mrs. Henry Goldwire, Jr., was program leader, assisted by Mrs. Jimmy Caroline, who gave an interesting talk on English and Chinese women and their contribution to the war effort. Mrs. C. P. Peavy spoke on interesting phases of war work in England, as taken from the novel, "Mrs. Minniver."

A discussion of English women from the viewpoint of a soldier recently returned from that country was given by the leader, Mrs. Goldwire. Miss McWilliams demonstrated the preparation of one-meal dishes to the group. Cake slices brought \$1.40, which will go to the Red Cross for outfitting kit bags.

The following members answered roll call with chosen topics: Mesdames N. M. Mitchell, C. C. Mitchell, John W. Byrd, Henry Goldwire, Jr., J. L. Trotter, C. P. Peavy, Herman Couch, Jimmy Caroline and the hostess and Miss McWilliams, the agent. Guests were Mesdames James Allen and Jack Hardgrave.

### Mrs. F. T. Baker Honored With Pink And Blue Shower

Mrs. F. T. Baker was honored with a surprise pink and blue shower Thursday afternoon March 29, at the home of Mrs. Roy Bogusch, with Mrs. Conway Pickard as co-hostess. Tulips and other spring flowers decorated the room.

The guests were entertained with three tables of bridge, using tallies carrying out the stork theme to score their points. A bassinet decorated with pink bows and lining held the shower gifts.

Fruit Bavarian cream, coconut cake, mints contained in miniature pink baby shoes with blue bows as mint cups, and coffee were served to Mesdames Jack Hayes, Fred Moore, Roger Rose, Jack Laughlin, S. H. Underwood, W. H. Buchanan, M. H. Goode, Jr., Walter Grigsby, H. E. Fletcher, N. E. Charlton, W. W. Sudduth, P. P. Courtney, Herbert Brown, and the honoree.

Mrs. Ike Billings left Tuesday for Langtry after visiting here with her daughter, Mrs. J. L. Schwalbe. Mrs. Schwalbe and daughter, Minta Jo, returned with her to spend a few days there.

Mr. and Mrs. W. L. Miller and Mr. and Mrs. Charles Murray were San Antonio visitors on Easter Day.

Dr. D. M. Randall was a Del Rio visitor Wednesday of this week.

## Local Rotary Club Sponsoring Drive To Collect Clothing

A campaign to collect good used clothing in Terrell County was inaugurated this week when the Rotary Club announced that it had started wheels rolling by naming John W. Byrd chairman of the drive.

The drive has been launched as a part of a nation-wide movement to collect used clothing to send to war victims in liberated and soon to be liberated European and Asiatic territory. Since the Jap and German invasion of their homelands millions have been robbed of everything except the clothes they happened to be wearing—some even had these taken from them if they could serve the invaders for their own comfort or in the manufacture of war materials to use in furthering the progress of their international plundering. The clothes these people do have left are literally rags, patched and re-patched, re-inforced with paper, straw, anything that might serve to hold them together. The life span of these garments has been extended as far as it will stretch. It is time for Americans to look around and ask themselves what they can spare for these people to wear.

The Rotary Club, in cooperation with other organizations in this county and community plans to gather up the clothing which has been put away in storage for lack of anything else to do with them. The local Red Cross chapter has agreed to the use of its meeting room in the courthouse as the receiving station for clothes collections and tentative plans have been made to have it open all day throughout the week.

### MRS. RUTH BALL BECOMES BRIDE OF E. S. LAMBERT

Mrs. Ruth Ball became the bride of E. S. Lambert in a simple ceremony here at the home of his daughter, Mrs. Henry Werneking, Tuesday, March 20, with the Rev. Elvin Bost, minister of the Church of Christ, reading the marriage vows.

The couple will be at home here after April 10 in the Lambert Appliances and Repairs building. Mrs. Lambert formerly resided in Oklahoma City.

R. E. Corder and daughter Miss Mickie Corder, accompanied by R. V. Raney, went to San Antonio Tuesday where Mickie will resume her classes at Trinity University and Mr. Corder and Mr. Raney were business visitors.

J. D. Brown of El Paso visited with Mr. and Mrs. B. F. Dawson Sunday and Monday.

### RECEIVES DISCHARGE

Technician Fifth Grade James Buck Murrah, 46th Engineers, was honorably discharged from the United States Army Monday, April 2, in El Paso, after having served four years with the armed forces, three of them spent overseas in the Southwest Pacific, during which he took part in the New Guinea and Leyte campaigns. Buck left New York in January, 1941, to land in Australia, where he was stationed for six months before being shipped to New Guinea. Since then he has seen action on several Pacific islands in various campaigns. Buck will direct his efforts to the ranching business here, with his father, Rufe Murrah, now that he has returned to Terrell County.

### MUSICAL PROGRAM BOOKED AT SCHOOL AUDITORIUM APR. 6

The Hugo Brandt Concert will present a musical program of vocal and piano numbers here at the high school auditorium Friday night, April 6, at 8:00 P. M. under the auspices of the Sanderson Parent-Teacher Association.

Sixth in the series of Southern Assemblies programs scheduled for the current school year, the presentation gives promise of being a highly enjoyable occasion.

Season tickets will admit holders, and admission may be purchased at the door.

### Wednesday Bridge Club is Entertained By Mrs. Roy Bogusch

Mrs. Roy Bogusch entertained the Wednesday Bridge Club with three tables of bridge at her home on club day this week.

Mrs. C. P. Peavy took high score prize, Mrs. W. H. Savage second high, and Mrs. M. H. Goode, Jr., received the consolation prize.

The hostess served a salad plate and coffee to Mesdames Joe Kramer, Herbert Brown, S. L. Stumberg, Jimmy Caroline Goode, W. H. Buchanan, Webb Townsend, Mary Lou Keller, H. E. Fletcher, Savage, and Peavy.

### STRAYED—400 BUCKS

Red Cross donations this week showed a slight recovery in the interest of citizens as J. E. Hill, in charge of collections in the Dryden vicinity, reported \$350.00 to make the total received from Terrell County, \$2,700.00 as of Thursday.

\$400.00 is still lacking on the quota set for the county. Somewhere there are some stray dollars that haven't come into the fold yet, it seems. Strength of any kind comes in numbers; the fewer dollars listed "missing" the fewer men missing in action whose families and friends are responsible for the whereabouts of this war-time cash.

S. R. Coffey returned Monday from Del Rio where he had been since Saturday visiting Mrs. Coffey, who is in a hospital there receiving medical attention. He reports that she is slightly improved.

Bill Murrah of Del Rio was a business visitor in Sanderson a few days this week.

## 15th P.-T. A. District Managers Board To Meet On April 9

### State Vice President To Meet With Group At Stockton April 12

Mrs. Warren S. Freund, Austin, state vice-president in the Texas Congress of Parents and Teachers, will be the guest speaker at the 15th District's spring Board of Managers meeting scheduled for Monday evening, April 9, in Mrs. J. M. Floyd's home in Alpine. Mrs. T. R. Etheridge, Alpine, state chairman of juvenile protection, will also be a speaker.

Mrs. W. A. Kay, Fort Stockton, president of the 15th District, will read the report of the election of district officers conducted this year by mail due to the cancellation of the annual spring conference in compliance with ODT rulings. She will also tell of her recent trip to attend P.-T. A. meetings in Wickett, Presidio, Monahans, Pecos, and Balmorhea. A new association has been formed in Bakersfield Pecos County.

Mrs. Freund and Mrs. Kay will conduct all-day instruction and information meetings for local units on Tuesday, April 10, in Alpine and in Monahans, April 11. Mrs. Freund concludes her West Texas visit with the Fort Stockton P.-T. A. meeting Thursday, April 12.

### HERVEY MORENO DIES OF HEART ATTACK MONDAY

Hervey R. Moreno, 29, passed away suddenly here early Monday morning, April 2, at 4:00 o'clock as the result of a heart attack. He had suffered heart trouble for some time, but he had been feeling well all day Sunday, up until he was stricken around midnight.

Moreno was employed as a truck driver by the State Highway Department up until the time of his death.

Funeral services were held Thursday afternoon at 6:00 P. M. at the Latin-American Methodist Church, with interment in the Santa Rita cemetery.

### Two Cars Slightly Damaged in Crash

Two cars were slightly damaged when they figured in a collision twenty-six miles west of Sanderson on U. S. Highway 90 Saturday.

No injuries were sustained by the occupants of the automobiles. The left front fender was torn from one car, a 1942 Plymouth coupe, driven by two women on their way to Florida. The other, a 1941 Buick coupe with the left rear fender knocked off by the impact, was driven by a man who with his wife, was en route to Los Angeles, Calif.

### BROTHERS MEET FOR FIRST TIME IN FIFTEEN YEARS

K. C. Osgood of Modesto, California, arrived here Friday to visit his brother, J. L. Osgood whom he had not seen in fifteen years. He has visited in Fabens with Willis Osgood and family and will go from here to visit other relatives in Del Rio and Houston before returning to his home. Mr. Osgood was reared near Del Rio.

Mr. and Mrs. J. W. Caruthers Jr., and children returned Monday night from Del Rio where they spent the week-end. While there, they attended the quarter-horse show staged on Saturday and the rodeo.

Tip Frazier, accompanied by his daughter, Miss Maurine Frazier, and Miss Hazel Babb, was a business visitor in El Paso on Wednesday of last week. They returned home the following day.

### CHINA'S FUTURE

Farmers in the United States made up 72 per cent of the whole nation's population back in 1820. That was just half-way between the invention of the iron plow and the mechanical reaper for small grain crops. Only 23 per cent of our people live on farms now. China still has the "good old days" if you like that kind. Eighty per cent of her people are farmers even yet.

If an American farmer's hired man earned 50 cents a day in 1820 he had to a good one. The farmer was not to blame. In order to pay better wages he had to get better prices for what his hired man produced, or manage some way for the worker to produce more. Even then both developments had begun. The plow and the reaper improved farm income and farm wages also.

### Supply and Demand

Using improved machinery one workman could do the work three had done with crude tools, so two out of three farm hands quit the farm. Some of them went to work at transportation taking farm products to cities where there were quick markets. Others got jobs in factories making desirable things to sell to the farmers who, by this time had quite a little money to spend.

The two farm workers out of three who left the farm did not quit using farm products. Wherever they worked they bought and consumed farm produce and also made more profitable work for people in transportation. This is a simple outline of the growth of American prosperity and it is a rough sketch of what must take place in China, starting after the war, if China is to prosper.

### A Unification Plan

High brow students of political economy talk about "social, political and economic unification of China." Those are 35-cent words trying to say that China is all broken up and needs to be made one. Nothing that is broken can be welded again until the pieces are brought close together. China's dismembered parts need to be brought together; close in time; close in spirit.

China already has everything needed to live well: meat animals and grain, timber and fiber, coal and oil, iron and copper. China has supply and demand also—450 million people anxious to earn more and live better. One trouble is, there are 360 million farmers when 12 million with good tools would be enough. There is much other work to do: ore to mine, timber to cut, roads to build.

### Hidden Treasures

Roads will bring the empire's far-flung segments near in time. Business dealings will create mutual confidence and make China's remote tribes close in spirit. There is money in the Orient—most of it hidden, but it's there. More, much more, will come from other lands as soon as investors learn of the empire's rich resources and great markets. Only fear or robbery and fraud can keep it away.

These fears can be removed by a strong central government able to maintain order and security for investment at home and able to command the respect of other world powers. Chiang Kai-Shek has promised these things for post-war years and rebel rulers already are learning to trust him and work with him. The United States should help him, for China is America's natural ally in the East; for mutual profit in time of peace, protection in time of war.

C. L. Surratt returned Wednesday from San Antonio where he visited his son, Harold, who reported there Tuesday to the Navy for assignment.

## The Sanderson Times Under New Management This Week

A deal was completed last week whereby O. T. (Shorty) Sudduth disposed of his entire interests in the Sanderson Times, the new owner being J. Riley (Buddy) Dunman, formerly connected with the Del Rio News-Herald. The change in management was effective as of April 1.

So with this issue of the Times we make our debut as publisher. We aren't exactly a novice in this line, but will admit there probably will be times when we will need a little coaching. Our good friend Shorty Sudduth, publisher of the Times for the past seven years, and now the official ramrod of other business interests in Sanderson, assured us during the time the deal was in the process of being completed of the purchase of the Times that he would stand behind us (he failed to state how far behind), but at any rate, knowing Shorty, we're sure he will do his best to keep us on the right track, until such a time he figures we might be able to venture forth as a full-fledged publisher. In all seriousness we want to say we are happy to be back in Sanderson. This time we hope to stay, and again be associated with friends we've known here for the past several years. We will endeavor to carry out the policies as set up by Mr. Sudduth in his years as publisher of this paper. We know from experience the great amount of energy put forth by Shorty in his work here, and we want to take this opportunity to wish him well in his new business venture.

## FROM TEXAS TO TOKIO

Murray, seaman second class U. S. Navy, writes to his Mr. and Mrs. Charles from the U. S. Naval School in San Diego on

"Every Monday we run the obstacle course telling you it's pretty because we don't get quite exercise in school as we were... boots have had a change as per usual. Every two we shift our classes and now we are having in the period right before... I qualified in a long time ago, so I get this period as I see fit... faster speeds, 'cause it helps me a lot when I get the table that I am sitting in code class is taking four a minute, and if I think that is splitting these, you ought to listen to a compliment this on my sending. You had to draft up a message out to my fleet... I had sent, all the men circuit came back with a 'or, shall I say they're for the message without a repeat. He (Chief) noticed this on my and said I was doing I was sure glad to hear Edridge is one of the ten in this code course taking at the Naval School."

and Mrs. J. R. Blackwelder received a letter from Weldon Blackwelder, in first class, U. S. Navy March 12: "I received the and it was in good shape, a little hard to get film manage. We are allowed a week—if you can because they sell so fast have to live a block from... I know I don't often, but when you get the same thing every seven days a week, there is to write. Well, I now all courses in to my office third class rate and next month it will come."

Times received a notice Public Relations, Headquarters Eighth Service Command, ASF, Dallas, that Pfc. F. Munoz, Infantry is returning to the States on furlough twelve months overseas in European Theater. The publication stated that he arrived "approximately April reporting to Fort Bliss before coming home to visit his wife, Elisa."

Leutenant Bert Herbert, stationed in Galveston, was transferred to a school in an as yet undesignated part of the country, and his brother, a resident of Austin, were over to see him at Pickard on March 23. He was in a hospital in city receiving medical attention.

Margaret Jane Higgins, yeoman third class, WAVES, arrived Monday night on a twenty-day leave to visit her parents and Mrs. Clyde Higgins, Miss Mary Nell Higgins. Margaret is stationed in Arlington, D. C., doing stenographic work. She was home in May of 1944.

Technician Fifth Grade Buck Murrah, and his sister, Miss Ruth Murrah, returned Monday night from El Paso. Buck received his discharge from the Army earlier in the day. After four years in the Army, three of them spent in Europe, Buck is home for good and it's wonderful to have him

**Uvalde Leader-News** — Four towns in this area — Uvalde, La Pryor, Crystal City and Carrizo Springs — were without gas for more than 12 hours Tuesday as the result of a break in the gas mains leading from the wells near Eagle Pass. The break occurred about 14 miles east of the wells and, as a result business in many establishments was at a standstill or was conducted on a very limited basis.

**Big Bend Sentinel, Marfa**—Fifty-four firms and individuals have given \$3,700 for the purpose of making available, with improvements, the general livestock disease laboratory which the Texas Agricultural Experiment Station will operate on the old Marfa Municipal Airport 400 acres, rather than at its present Brewster county location.

**APRIL 5, 1935**  
If plans are able to be carried out, John Clark, who recently completed a swimming pool on his property in the northern part of town, will be opened to the public within the next two months, he stated this week. The pool is of concrete, with a graduated range of from nine to three and a half feet. The water flow will be continuous, and to further insure its freshness will be treated weekly.

Cattlemen in this and other sections of Texas are becoming alarmed, especially during seasons of drought, at the inroads made by predatory animals on the forage of their pastures. Not only is the top grass eaten, but even the roots do not escape the ravages of the menace. In a few years the result is barren lands, which in arid sections is useless for any purpose. A ray of hope, however is seen by Terrell County ranchers, who have been active in having the legislature take steps to protect the pasture.

The future of the wool market is taking on a brighter hue in the face of proposed changes, especially the increase of the army, which means the re-garrisoning of several army posts now dormant. Working untiringly in the interests of this section is Rep. Ewing Thomason.

A large delegation, representing the local American Legion Post and the Legion Auxiliary, plan to leave Sanderson early Saturday morning for Alpine to attend the annual convention of the Sixteenth Division, American Legion, to be held in that city Saturday and Sunday.

Following the annual custom in Sanderson, April 8th to 13th, inclusive, has been designated as Spring Clean-up Week. The citizens are urged to clean up their back yards and put the rubbish near streets or alleys so that the trucks may haul it away some time during the week.

Mr. and Mrs. Lindsey Hicks were in town for several days this week from the ranch on the Independence, visiting with Mr. and Mrs. Bustin Canon.

Mrs. S. C. Bodkin of El Paso spent the week end in Sanderson visiting relatives and friends.

Mr. and Mrs. John L. Newton and children left last Saturday for San Antonio where they will spend several days visiting. From there Mrs. Newton and children went to Rio Frio, Texas, to visit with relatives and Mr. Newton returned to this city Monday.

Mr and Mrs. N. M. Scott were in town Wednesday and Thursday of this week from their ranch north of Dryden. Mr Scott reports that his mother Mrs. Ella Scott, who is in Kerrville, is doing nicely.

Mrs. L. W. Crane has as her house guest her sister, Mrs. J. M. King of San Antonio.

als have given \$3,700 for the purpose of making available, with improvements, the general livestock disease laboratory which the Texas Agricultural Experiment Station will operate on the old Marfa Municipal Airport 400 acres, rather than at its present Brewster county location.

Kenneth Smith, chairman of a committee named to secure money for the purpose, says that the amount is about \$1,300 short of that needed.

**Wink Bulletin**—The closest test for oil to Wink yet located, is the Stanolind's joint-account operation with Westbrook-Thompson, on the T88M Ida Hendricks Lease, five miles north east of the city of Wink. The well was spudded in at 1:45 Sunday afternoon, and on Wednesday was down approximately 500 feet, it was reported.

**Fort Stockton Pioneer** — The current statement of condition of the Pecos County State Bank, prepared as of March 20, and published in this issue of The Pioneer, reflects the continued growth and progress of Pecos County and the surrounding territory served by the bank in the last year.

While below the all-time high for deposits and assets reported by the concern at the end of business in 1944, the current statement reflects a continuous upward trend for the season, and considering the fact that a large amount of public money on deposit in December has been withdrawn.

**Ozona Stockman**—Diphtheria immunization was in order for several hundred Ozona children this week following the death of a 7-year-old Mexican boy Friday morning in a San Angelo hospital from an attack of the disease. The child, son of Lucia Vela, became ill early last week and when Dr. G. L. Neersta was called in Thursday, the disease had developed to the critical stage. The child was rushed to San Angelo and given anti-toxin treatment but died Friday morning.

**Alpine Avalanche**—During the past winter the Balmorhea Experiment station has conducted a feeding experiment in the development of young registered Hereford bulls for range use. The feeding test has been in cooperation with six different Hereford breeders of registered bulls and about 130 head have been used in the feeding test. Bulls have come from the following ranches: Smith Bros. Marfa; Perry Cartwright, Alpine; Reid Bros., Fort Davis; W. A. Daugherty, Alpine; Richard Merrill, Fort Davis, and Jeff ranch, Fort Davis.

**Brackett News-Mail, Brackettville**—Of much interest locally is the suggestion offered by County Agent L. E. Turbeville that we plan for and have a Fourth of July observance this year here in Brackettville.

Mr. Turbeville has offered to sponsor such a Fourth of July program, if he can be assured of the cooperation of and assistance of a sufficient number of citizens and ranchmen to insure it being a success. His plan is to make it a program to last all day and also have night events.

**Hudspeth County News, Sierra Blanca**—Mr. and Mrs. Frank Condon have opened a cold drink and curio stand in their building, which is to be known as the Blanca Oasis.

Frank, who is a good card writer and painter, has the place looking like new money. They advertise curios from Mexico and cold drinks and notions.

They thought he was so kind to send his wife away for a rest until he said: "Goodness knows I needed it."

**AT THE PRINCESS**

**"SOMETHING FOR THE BOYS" IS SOLID ENTERTAINMENT**

If one can find fault with "Something For The Boys," brilliant Technicolor filmization of the sensational Broadway success, it's the title.

For "Something For The Boys" more than just that, as all who see it Wednesday and Thursday at the Princess Theatre will enthusiastically testify. Actually, the film starring Carmen Miranda, Michael O'Shea and Vivian Blaine (the luscious "Cherry Blonde") is everything for everyone in the way of grand and glorious entertainment.

The film's story revolves around the adventures, romantic and otherwise, of three cousins—Carmen Miranda, Vivian Blaine and Phil Silvers (what a family tree—who find themselves joint heirs to a real honest-to-goodness southern plantation, Magnolia Manor, rich in tradition but on the Tobacco Road side as far as everything else goes. When Michael O'Shea, a sergeant stationed in a near-by army camp, convinces them they'd be doing something for the boys if they'd convert their "mansion" into a hotel for army wives, the doors are thrown wide open to the fastest-moving, most hilarious series of sequences ever to be joy-packed into one film.

For Carmen Miranda devotees "Something For The Boys" offers a real field day. The volatile Brazilian bombshell is at her bombastic best, singing, cavorting and committing mayhem on the King's English in her own rib-cracking way.

Michael O'Shea rollicks through his role with the refreshingly natural flair that won him such richly-deserved acclaim in "The Eve Of St. Mark." And when it comes to romancing (he's teamed with Vivian Blaine), this O'Shea fellow has a style of his own.

**"STAGE COACH" BRINGS FAST ACTION TALE TO SCREEN**

A chapter out of the making of the west is brought to life Tuesday when "Stagecoach" plays at the Princess Theatre. This epic of frontier life and courage concerns the adventures of a band of men and women in the days when the American west was young. The production co-stars Claire Trevor and John Wayne, with prominent roles played by Thomas Mitchell, George Bancroft, Andy Devine, Louise Platt, Donald Meek and John Carradine.

The period is 1855 and the picture opens as the Overland Stage is about to leave Tonto, Arizona, for Lordsburg, New Mexico. One by one the passengers board the stage; there is Lucy Mallory, about to become a mother, going to meet her army officer husband; Mr. Peacock, a clerical-looking whiskey drummer; Doc Boone, a dipsomaniac doctor; the mysterious Hatfield, a notorious gambler; and Dallas, played by Claire Trevor, an unfortunate lady of the town who has been requested to leave by the Law and Order society. This heterogeneous group is joined at the edge of the town by Banker Gatewood, with the funds of his bank nestling in his heavy valise and, a few miles further on, by the Ringo Kid, played by John Wayne, a young fugitive from justice who is on his way to

**COMEDY AND DRAMA FEATURE NEW HIT**

Hollywood has lined up one whale of a cast for "Barbary Coast Gent," the new Wallace Beery starring picture which plays Sunday and Monday at the Princess Theatre.

In addition to Beery, who can be depended upon to provide entertainment par excellence every time out, there are Binnie Barnes, Ray Collins, Donald Meek, Frances Rafferty, Bruce Kellog, John Carradine, Chill Wills and Noah Beery, Sr., to name just a few.

"Barbary Coast Gent" is a most exciting film of the old Barbary Coast and Nevada gold-field days. Beery, as Honest Plush Brannon, is a bunco artist on the Barbary Coast, who won't give in to the pleadings of Lil Damish, played by Miss Barnes, to marry him until he makes his fortune—without resorting to work.

Mixed up in a shooting, Brannon is run out of town. On a train to Nevada he meets a financier and, arriving at Gold Town, he lets the townsfolk think he too is a financier. Asked to lay the cornerstone of a new jail, Plush learns that the stone is gold ore. He sells mining stock to the

**YOU STILL GET 100% PRE-WAR VALUE**

**WHEN YOU SPEND ME FOR ELECTRIC SERVICE**

The dollars you spend for other things buy less and less but your electric dollar never bought more than it does today... Not only has the cost of electricity stayed down—there is plenty for all civilian needs in spite of unprecedented wartime demands... "All you need at pre-war prices" is something rare these days but that's what you get when you buy electric service.

# THE EAGLE NEWS

EDITED BY STUDENTS OF THE SANDERSON HIGH SCHOOL

**YOU!**  
The column is for the boys in who would like to know the kids of S. H. S. and they are doing around

Friday night Mrs. Grigsby and gave the "dignified" a chicken supper at the of Mrs. Grigsby. And I there was plenty of home- food for everyone includ- Mr. Holley and you know man can eat? After eating hours, the kids decided they needed some exercise so drove out to five mile hill, know the old stomping of Ross Stavley, Sam Janice White, Betty Frazor, McSparran, and all those and danced to the music of Harvey Nessmith's car. It a heavenly moonlight night that made things all the better such romantic couples as the Babb, Hut Brown, Clara Al, Doyce and Betty Kerr and Harvey, and of that handsome man, Bill although he didn't have along to croon to.

Friday night the wonderful were given a Mexican at the home of Mrs. And I'm telling you I saw so much happy talk giggling in all my life, as delicious food was shoveled open throats. After every- had licked his plate clean, whole gang hopped into cars sped off to see Joan Ander- the gal who was so brave wonderful to give into the

doctor when he said "Guess we had better take that appendix out." She was looking fine so we bid her farewell and rushed back up to Billie's to dance to the swoony music of the record player.

The other kids came up to join the seniors. It was good to see Harvey Rogers home again and since he was with Hazel Babb it was all the more so Maurine wasn't doing so bad herself 'cause she was with that cute boy from Valentine, Johnnie Bell. By the way, it was nice to see Virginia Byrd and Jack Buchanan venturing out into the night looking mighty handsome Wilma of course was there looking a trifle sad and unhappy 'cause J. M. was too tired to come in from the ranch. Last but not least there was Mom and Pop Holley acting just as cute as ever and kidding all the kids about something.

This was our happiest week-end in a long time and all our thanks go to the senior mothers.

**SEEING THE SENIORS**  
Jack F. Buchanan, a tall (six feet, one inch), grey-eyed, black-haired senior, was born in Austin, Texas, August 3, 1927. Mr. and Mrs. A. F. Buchanan were the proud parents.

Jack attended Dryden Elementary School for three years and then came to Sanderson Grammar School and High School. He plans to attend A. & M. College after graduation to study Civil Engineering.

Jack was in Radio Club, Auto Driver's Club, Boys Choral Club and the 1944 Minstrel Show.

Jack's hobby is playing football and baseball. He enjoys reading "Beau Geste" and eating fried potatoes. Gary Cooper in "The Story of Dr. Wassel" were Jack's favorite actor and picture. "I'm Making Believe" is Jack's favorite song. Math and history are his favorite subjects and blue is his favorite color.

Jack is so good-natured that he doesn't have many peevish but he doesn't like for people to "hog" the conversation.

**FIFTH GRADE NEWS**  
Our class enjoyed a hike and picnic lunch on March 19, when the losers in our geography contest entertained the winners. (They didn't carry us up and down the mountain, though).

Mr. and Mrs. Greenwood and Marcum spent the Easter holidays visiting relatives in Stephenville, Comanche, and Fort Worth.

Clyde visited his father near Fort Stockton over the week end.

Shirley's mother and father Mr. and Mrs. S. D. Thompson have returned from Yoakum.

where they visited their son Little Verna Mae Thompson came back with them.

Mrs. James House, our room mother, entertained the class with an Easter egg hunt last Wednesday. After the hunt, she served lemonade and cookies.

**G. A.'S HAVE EASTER PARTY**  
The Girl's Auxiliary met at the home of Mrs. Greenwood on Monday afternoon, March 26. After the regular meeting, the girls enjoyed an egg hunt and some games.

Refreshments were served to Barbara Rose, Jackie Lou Slover Shirley Thompson, Suzie Persch Nancy Hasty, Clara June Davis, Virginia Hayes, Sam Raney, and Mrs. Greenwood and Marcum.

**SHOTS AT NOTHING**  
What a surprise to see Mona and Jean Ogle around again—and all the way from Dalhart. Swell looking gals still.

Boy, did you see what Joyce the Sailor man sent Betty Jo Kerr?

## Effie's Beauty Shop Open for Business

Announcement was made this week by Mrs. C. J. Ware that she has opened Effie's Beauty Shop, located in the residence formerly occupied by Mr. and Mrs. B. F. Dawson. In making the announcement, Mrs. Ware stated that she had had 25 years experience as a beauty operator, having owned and operated a large shop in Sulphur, Okla., before moving to Sanderson. Specializing in permanent waving Mrs. Ware states she is now ready to serve the people of Sanderson and Terrell County.

## THE OLD JUDGE SAYS...

"That's news to me, Judge. From the way some people talk you would think it was at least 50%."

"No, Clem, there's the statement right here in the paper... from authorities who have made an exhaustive study of the subject. Only about 5% of the people who drink occasionally abuse the privilege... 95% drink sensibly."

"No wonder you say it wouldn't be fair to take the privilege away from the other 95%, Judge. I agree with you."

"I can't see it any other way, Clem. No more than I could see taking automobiles away from everybody because a few drive recklessly and have accidents. Or preventing the making or sale of cake or doughnuts because some folks eat too much and get indigestion."

"In the case of spirit beverages, the answer is one of education and better control."

"As a matter of fact, the responsible members of that industry are working constantly toward that end. They don't want folks to abuse the use of their product any more than we do."

## Those things are PEACE Bonds, too!

**BEFORE YOU cash a War Bond—** wait. Spend a minute thinking of the days when there'll no longer be a War.

Chances are you've saved more in those bonds than you've ever saved in your life. And if you keep them till maturity, they'll be worth four dollars for every three you put in! What you're holding there can be a home of your own, some day. Or a start in your own business. College for your kids . . .

And peace of mind for you. There's no better feeling than knowing the money's there if you really should need it.

But that's not all. Those bonds help guard this country against inflation. The money you spend unnecessarily helps bring on inflation. And that means —well, another depression. Bad times after the war instead of good ones. Bread lines instead of jobs.

So take it easy. That's your future you're holding.

Hang on to your bonds!

## TENNIS TEAMS TO ENTER LEAGUE MEET IN MARFA

High school and grade school students competed for top places in tennis doubles brackets here Tuesday, Wednesday, and Thursday of last week as play-offs decided Sanderson school representatives in the coming district Interscholastic League tournament, to be held in Marfa April 13 and 14.

In the senior boys division, Harvey Nessmith and Doyce Wells defeated Jack Lester and Charles Trotter by the score 6-4, 5-6, and 6-2. The junior team of Jimmie Davis and Willie Grigsby defeated Will J. Murrain and Edward Wheeler 6-2 and 6-4, and then went on to down Nessmith and Wells 6-1 and 6-4.

In the senior girls division, Marilyn Blackweider and Yvonne Oberling won over Clara Alice Bell and Betty Jo Kerr, 7-5 and 6-1. Mary Agnes Frazier and Cecilia Goode placed tops in the junior girls division by defeating Mary Nell Gates and Ora Mae Blackweider 6-4 and 6-2 and Avis McDonald and Lavelle Stidham 6-2 and 6-2. The latter team had previously won over Violet Billings and Harriet Pierson 6-3, 6-2 in the first round.

Next week the match between the senior and junior girl teams will be played, determining the representatives from here in girls doubles at the coming League meet. Grade school boys will have their play-offs also next week.

Eliminations for singles teams are scheduled for the coming week, with the winners of these matches to represent the Sanderson schools in singles contests at the meet in Marfa.

Mrs. A. A. Shelton of Sanderson and Mrs. B. R. Farley of Dryden were visitors in San Antonio a few days last week. En route they visited in the home of Mrs. Farley's daughter, Mrs. F. E. Beecroft and family of Uvalde.

Mr. and Mrs. John L. Newton and children visited in Uvalde last week, returning home Sunday.

## CHICKENPOX AND MUMPS HIGHEST IN SEVEN YEARS

With the incidence of chickenpox and mumps more than 50 per cent higher than records indicate for a seven year median Dr. Geo. W. Cox, State Health Officer, issued a statement today declaring, "It is a great mistake to treat even light cases of measles, chickenpox, mumps, scarlet fever, or any other of the communicable diseases of childhood as though they did not amount to much. That sort of treatment makes it possible for these diseases to spread and cause serious outbreaks among children and their resulting impaired resistance makes them easy victims to other forms of infection."

"Some of the most serious outbreaks of chickenpox which we have had, have been traced to mild cases—that is, to cases too light for the doctor to be called. In some instances the children have continued to go to school and to associate and play with other children. In others where they have been kept at home for a few days, they have returned to school and have scattered these germs around among their schoolmates. Eventually a group of cases—sometimes very serious ones—has developed from the carelessly-handled mild case. The result was another epidemic that could have been prevented."

The State Health Officer said that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the child is put to bed and a doctor's advice sought and followed.

## BUYERS OF PASSENGER CAP TIRES PUT IN FOUR GROUPS

A preferential list of occupations for use in selecting persons to receive passenger car tires has been prepared by OPA in cooperation with the War Manpower Commission. Under the new plan the number of eligibles is not reduced, but they are classified into four preference groups for the aid of Local War Price and Rationing Boards in issuing the certificates. Group I is limited entirely to persons whose occupations are of emergency nature, and to workers at establishments faced with production emergencies. Within this group are eligible physicians, public health nurses, police and employees at critical war industries such as those producing urgently needed aircraft and ammunition that are experiencing manpower emergency. The exact plan, however, will be determined on the advice of local WMC officials.

Group II includes persons employed in other essential plants and those whose occupations are highly important to the war effort. In this group are farmers, farm workers and representatives of management, labor and government who recruit for essential establishments. Group III includes such occupations as buyers for essential establishments, and persons who travel to essential establishments on request to perform necessary technical services, such as those who advise these establishments on machinery maintenance problems. Group IV takes in all other persons eligible for Grade I passenger tires.

Elmer McMillan, seaman second class, U. S. N. A. R., is another Sanderson boy at boot camp in Memphis, Tennessee. He expects to go to ordnance school in Norman, Oklahoma soon.

Made a sergeant on February 19, a staff sergeant March 17 now we hear that Sam Bell, USAAF, received the Air Medal on March 17 also. The news came straight from the gunner in question, in a letter to his sister, Miss Pauline Bell.

Private Edmon Dewain (Hoot) Morris, USAAF, son of Mr. and Mrs. C. Morris of Fort Davis, Texas, was recently married March 8 in England to Miss Lillian Margaret Clark of 66 Heyes Lane, Timperley. The best man was also in the Air Force, from Arizona. "Hoot" writes on March 20: "I'm an old married man; in thirty minutes I'll be married eight days, and boy, I have the sweetest wife in the world. I had some pictures taken on my wedding day, and they are sure good. I have seen the proofs and as soon as the pictures come back, I will send you one."

## GET CAPS FRIDAY

## ★ TERRELL COUNTY HEROES ★

☆☆ IN SERVICE ☆☆

AURELIO VELA CHALAMBAGA

Was born November 19, 1910, in Rosales, Coahuila, Mexico, the son of Elisandro and Elvira Chalambaga. In 1920 the family moved to Del Rio, Texas, where Aurelio began school. The Chalambagas moved again in 1922 to Sanderson, where he studied here for a few years before going to work as a sheep shearer. On March 17, 1942, Aurelio was inducted into the Army at Fort Bliss, taking his first training at Camp Barkley. After being stationed there about a year, he went on maneuvers in Louisiana for two months and was moved to camps in Arizona and California for further training. Aurelio left New Jersey for overseas duty in the last of April, 1944, arriving in England in May. He participated in the invasion of France on June 6, 1944, and on July 4 was wounded in action in Normandy and sent back to England for four months hospitalization. He received the Purple Heart for wounds sustained. By October 31 Aurelio was back at the front, fighting in Germany and Luxembourg. During the week of Christmas Aurelio had a short rest before returning to action January 1 of this year. He was killed in action in Luxembourg January 10, 1945. Pfc. Chalambaga served in the 90th Infantry, with Patton's Third Army. His mother, Mrs. Elvira Chalambaga, resides here.
