CLEAN-UP DRIVE ORGANIZED ON CITY-WIDE SCALE

Recognizing the serious state of present health conditions in Sanderson, concerned citizens gathered in a mass meeting at the courthouse Thursday evening at 8:00 o'clock in the county courtroom.

Ways and means of staging a city-wide clean-up campaign ridding the city of the fly menace, in regard to the present typhoid epidemic threat, were discussed at the meeting.

The clean-up campaign will be sponsored by the Sanderson Volunteer Fire Department, with John L. Newton, fire chief, acting as chairman of the group.

It was decided at the meeting to divide the city into districts with each fireman acting as inspector for his particular district, checking on sanitary conditions, such as garbage disposal outdoor toilets, and other possible fly breeding places.

The people of Sanderson are asked to cooperate with the Fire Department in making every effort to clean up their premises. Members of the Department have consented to assume responsibility of directing the campaign, which means that a large part of their time will be taken up in this civic activity and that they will necessarily have to be absent from their work occasionally. It is hoped that every consideration will be given them, in order that this campaign can be completed as soon as possible.

The names of the firemen and their particular districts will be announced in the near future, so that residents will know who will be in charge in their particular district.

Mrs. Carruthers Is Hostess to Baptist Society Monday

Mrs. J. W. Carruthers, Sr., was hostess to the Baptist Missionary Society Monday afternoon in her home.

Leader of the program on "Christian Citizenship" was Mrs. Maude Sullivan. Mrs. O. H. McAdams gave the Bible study. Subjects discussed during the program were "Moral Standards for Ourselves," Mrs. A. D. Brown; "Moral Standards for the Family," Mrs. T. M. Beckett; and "Moral Standards for the World," Mrs. R. D. Craig.

The hostess served sandwich plates and iced tea to Mesdames Clyde Word, R. D. Craig, Maude Sullivan, L. W. Swift, T. J. Moore, O. D. Gray, A. D. Brown, V. E. Keyes, C. Spencer, O. H. McAdams, T. M. Beckett, I. G. Robertson, members, and Mesdames M. L. Kennedy, G. Hensley, Miss Juanelle Hensley and Rev. C. Spencer, guests.

Maria Hernandez Dies Wednesday In San Antonio

Maria Hernandez, 10, daughter of Mr. and Mrs. Jesus Hernandez, died Wednesday morning at 8:00 o'clock in a San Antonio hospital.

It was thought that the child had poliomyelitis, but doctors in San Antonio who treated her believed that she was suffering from tubercular meningitis.

Funeral services were held in Sanderson Thursday afternoon.

IS MEMBER OF BORDER HEALTH ASSOCIATION

Dr. D. M. Randall, health officer of Terrell County, now has membership in the United States-Mexico Border Public Health Association.

H. Conger Jones returned to Del Rio Wednesday. He was here several days this week on business.

Mrs. B. L. Cox of Fort Davis is here visiting her sister, Mrs. E. Strickman.

AAA OFFICE WILL CLOSE SATURDAY AFTERNOONS

The Terrell County AAA Office will observe new hours, Miss Edith Cameron, secretary, announced this week, closing each Saturday at noon.

Effective as of July 28, the new 44 hour work week will necessitate ranchers who have business to transact with the office to call there Saturday morning, instead of any time Saturday.

Miss Cameron said that the change would be continued until further notice.

MRS. F. HAMILTON, WARD EDDRINGTON MARRIED MONDAY

Mrs. Frances C. Hamilton and Ward L. Eddrington, both of Dryden, were married here Monday at 9:00 p. m. in the First Methodist Church in a double-ring ceremony, the Rev. John Klassen, pastor, reading the vows.

Mr. and Mrs. Archie Milan Dryden, attended the couple.

Those present for the ceremony were Mr. and Mrs. Ernest Hamilton and Mrs. A. F. Buchanan, of Dryden.

Mrs. Clyde Higgins Hostess to Methodist Woman's Society

The Woman's Society of Christian Service of the Methodist Church met Monday afternoon in the home of Mrs. Clyde Higgins for its regular business and social meeting.

Mrs. H. E. Ezelle led the worship and devotional program "The Doors of Understanding."

The hostess served a salad plate and iced tea to Mesdames H. R. Krauss, John Klassen, H. E. Ezelle, Bustin Canon, C. H. White, J. D. May, H. B. Swamy, A. J. Morris, Ted Attaway, Wylie Cox, A. B. Gates, and Misses Rosa Dunman and Eva Billings.

YOUNG PEOPLE ATTENDING METHODIST CAMP

Misses Mary Nell Gates, Mary Nell Higgins, Cecelia Goode, Mary Agnes Frazier, Josie Klassen, Margaret Klassen, Jeanette Cobb, and Marjorie May, and Albert Klassen and Chris Hemple are attending the Methodist encampment for young people in Fort Stockton at Rooney Park this week.

Mrs. W. T. Bondurant, Mrs. Walter Gregory, and Mrs. Walter G. Downie returned from San Antonio Monday with Mr. Bondurant and daughter, Miss Gladys Bondurant. They will spend the rest of the summer at their ranch home here.

Miss Mary Ellen Geaslin left Saturday to return to her home in El Paso after visiting last week with her parents, Mr. and Mrs. George Geaslin.

TYPHOID EPIDEMIC THREATENS SANDERSON; RESIDENTS ASKED TO CLEAN UP THEIR COMMUNITY

Dr. Delmar M. Randall, county health officer, said Thursday that eight cases of typhoid fever have been confirmed locally, a figure that indicates the outbreak of this disease to be reaching epidemic stage.

In an effort to organize forces to meet the emergency, R. H. Weiss, district engineer, State Board of Health, arrived Tuesday by request to survey and investigate the typhoid situation in Sanderson. Weiss talked to members of the local Rotary Club at their regular luncheon Wednesday, stressing the gravity of present conditions in the city and urging united action to combat the possibility of a raging typhoid fever epidemic here.

Dr. Randall pointed out that the danger in the spread of the disease is not only immediate since all cases are carriers of typhoid from three months to a year, and sometimes even for life, following their recovery.

Immunization for typhoid fever lasts for three years at the most. All persons who have not been immunized within the past three years should be immunized immediately. Dr. Randall said to protect themselves from the disease and also prevent its further progress.

In outlining various measures to prevent the spread of typhoid the health officer warned that all water from private wells or outdoor faucets should be boiled or chlorinated before being used for drinking water or in washing dishes. Any of the popular brand laundry bleaches are suitable for chlorinating water, he added, with directions for their use in this manner to be found on the containers.

Cooked foods are safe, but raw foods are dangerous unless carefully handled and protected against flies at all times. Flies coming in contact with the excreta of infected persons are the commonest carriers of typhoid fever, the health officer asserted, and through them vegetables, fruits, water, and milk are easily contaminated.

"Flies breed in filth and refuse, and have a flying range of two to three miles, in some instances much farther. It is impossible to eliminate flies without cleaning up the entire community," Dr. Randall declared. "Any breeding place for flies constitutes a public nuisance and any person maintaining a public nuisance is subject to arrest, fine, and imprisonment.

"I intend to take appropriate legal action against any and all persons maintaining or tolerating such conditions," he stated. "The cooperation of citizens of the community in reporting unsanitary places was urgently requested by the health officer, in order that real progress can be

made in eliminating breeding places of flies, the typhoid carriers.

Application has been made through the county for a large quantity of DDT, the powerful insecticide developed and widely used by the armed forces. Upon its arrival an attempt will be made to spray all fly breeding places, but no spray will ever be satisfactory "unless the community is cleaned up and kept clean."

"It is essential that all garbage cans be covered with fly-proof covers, and that all open toilets be treated thoroughly every day with lime, ashes, or kerosene," Dr. Randall concluded.

Vaccine for immunization has been made available to everyone through the State Board of Health. Any persons who are financially unable to pay for immunization will be immunized free at the office of the county health officer.

NEW SHOE STAMP BECOMES VALID ON AUGUST FIRST

The new shoe ration stamp that the Office of Price Administration announced would become valid August 1, 1945, will be Airplane Stamp no. 4 in War Ration Book no. 3. Carl B. Cochran, local board chairman, was advised by Ralph Kaye, district OPA miscellaneous products rationing officer. Airplane Stamp nos. 1, 2, and 3 are good indefinitely, Cochran said.

The last shoe stamp was validated November 1, 1944. Cochran pointed out that the intervals between validation of stamps depend on the available supply of shoes.

RANCHERS REMINDED TO REPORT AAA WORK

Miss Edith Cameron, secretary of the Terrell County AAA Office, today reminded ranchers that all work completed by August 1 under the 1945 Conservation Program must be reported not later than August 15 in order that the rancher having such work done may receive payment for it.

John C. Green, Jr., accompanied by his daughter, Miss Beth Green, and niece, Miss Frances Southall, arrived here last Saturday for a day's visit with friend and relatives. Miss Southall remained here for a longer visit. They were also accompanied by Miss Betty Jo Kerr, who has been visiting in Eagle Pass with Miss Southall.

Mr. and Mrs. J. E. Attaway of Alpine visited here last Sunday with her mother, Mrs. W. E. Stirman.

Gene Banner Made Corporal At Base In California

FAIRFIELD, CALIF. — Private first class, Gene E. Banner, Sanderson, has been promoted to the grade of Corporal at the Air Transport Command's Fairfield-Suisun Army Air Base, it was announced today by the Commanding Officer, Col. Curtis A. Keen. Cpl. Banner is the husband of Mrs. Olive I. Bostik Banner, Sanderson, and the son of Mrs. Maggie M. Banner of Sanderson.

The successful performance of each military job at this ATO Base, which is used as the yardstick for promotions, contributes directly to the execution of the Base's mission in dispatching high priority cargo, personnel and air mail across the longest overwater airway in the world to the vast Pacific Theater of Operations. A fleet of giant ATC C-54 Skymaster transport planes fly sick and wounded military personnel from combat zones to this Base on regular air evacuation flights, and also returns combat-wise veterans to the U.S. under the Army's overseas rotation plan.

HENSLEY-BILL NUPTIALS READ HERE JULY 19

Miss Juanelle Hensley became the bride of R. S. Bill, Jr., Houston, in a single ring ceremony Thursday, July 19, at 6:00 p. m. at the Sanderson Baptist Church, the Rev. Clifford Spencer, pastor, officiating.

Miss Edna Mae McAdams, accompanied by her sister, Mrs. Frank Warren, sang "I Love You Truly" and "O Promise Me."

The bride, wearing blue with black accessories and a pink and blue corsage, entered with her father. Her only attendant was Miss Audrey McDowall Houston, who wore peach and a corsage of white flowers. Best man to the groom was Mr. Lewis Houston. The bride's young sister, Glenda Hensley, was flower girl.

After the reception given in the home of the bride's mother Mrs. G. Hensley, the couple left on a trip to Fort Davis.

Presbyterian Group Meets Monday With Mrs. Joe Brown

Mrs. Joe Brown was hostess to the Woman's Auxiliary of the Presbyterian Church Monday afternoon at 3:30 o'clock in the home of her mother, Mrs. M. J. Shurley.

The meeting opened with the singing of the hymn "O Master Let Me Walk With Thee," followed by a prayer led by Mrs. J. W. McKee.

Mrs. W. H. Savage read the minutes and called the roll, after which Mrs. John Byrd read a letter of thanks from the orphans' home at Itasca, thanking the Auxiliary for a box sent by the members.

Mrs. C. C. Mitchell was leader of the program, using the hymn "Seal Us, O Holy Spirit" to open the devotional. The responsive reading of Psalms 34 followed. An instructive quiz lesson on different branches of church work concluded the program.

Mrs. Brown and her sister Mrs. E. J. Mayberry, served peaches and whipped cream with angel food cake and iced tea during the social hour to Mesdames C. C. Mitchell, J. H. Loehausen, W. H. Savage, John Byrd, M. J. Shurley, J. W. McKee, E. F. Pierson, Seth Davenport, N. M. Mitchell, E. J. Hanson, and to Mrs. Len Smith and daughter, Mary Len, of Abilene and Miss Margaret Whatley, also of Abilene, guests at the meeting.

Mrs. Bryan Strickland of San Angelo left Wednesday to return home after a visit here with her sister, Mrs. S. D. Thomson, and family.

WAITING CONTEST

Hard as it may be to get a died-in-the-wool bureaucrat thinking about winter problems in the in the summer time, unless something unusual happens cold weather will come again. One of these days a school bell will ring, a boy will come down the street bouncing a football and after that it won't be long. Moreover winter calls for a lot of things that are scarce now.

Let's take shoes as a down-to-earth illustration. Which is better for keeping a boy's feet off the frosty ground, a 1942 price ceiling or a pair of good, heavy brogues with wool socks in them? That's the problem before the American people, with school bells only a month away. Getting into production on civilian goods is what the OPA is currently bungling.

Hold That Price

The OPA's war job was to keep prices of needful things from skyrocketing — a noble work requiring some stiff rules. But today, with war half won and war business slack, OPA is still making rules. One of them says: Manufacturers may make things for civilians provided they sell at 1942 prices. There's the rub for factory owners ready now to start reconverting, making jobs safe for their employees.

The 1942 price rule stops them; nothing else. Workers want their jobs to last. Most civilians have saved some money and want to buy new things. Industry is anxious to serve them but very few factories can operate at 1942 prices. Materials cost more now and labor costs more also. There is only one thing to do, namely, beg OPA for special permission to price-up and go to work.

Mail Bags Full

The OPA, if you remember, is famous for leaving no stone unturned, and all that sort of thing. It is rumored that some men in the bureau have their own private opinions about business people anyhow. Before they grant any firm special leave to change a price, they investigate. That's all right, but applications to reconvert are coming in fast, more than 500 a day.

The bureau will never wind up its red tape in time. The only possible way out of trouble is to make a reasonable rule for all industry to follow, let whistles blow at 6:00 a. m. and ask questions later. Will they do it? Who knows? Employees and customers would probably cheer loudly for any employer who kept his payroll alive and said "Ph-f-v-v-ut" to the OPA, but it's dangerous.

Formula for Panic

Most business men are conservative. They are likely to wait exactly as long as the OPA says wait. Unable to do business on 1942 prices, they may pull fires from under their boilers and lay off the crew. Then the waiting contest starts. Bureaus will wait on investigations; employers will wait on bureaus; workers will wait on employers and you and I will wait for everything.

Idle workers in the soup-line; farmers without markets let crops rot in the field. An ugly picture. The way to avoid it is to let industry convert, sell its products to people with money and pay the men who work. Inflation can be prevented without starting a panic, if OPA will adopt a workable rule soon enough. But bureaus are usually more interested in rules than in reasons—warts on the nose of progress; bunyons on the toe of time.

Mr. and Mrs. Amos Rutledge returned from a visit in Carrizo Springs and Del Rio. They were accompanied by his sister, Mrs. Lena Dickens, of Carrizo Springs, who will visit here with them. Mrs. Dickens is a former resident of Sanderson.

With Our Neighbors . . .

THE UVALDE LEADER NEWS—Directors of a newly-organized electrification project in several counties in this area in a meeting at Uvalde Monday of last week, selected the Rio Grande Electric Co-operative Inc., as the name and Brackettville as the headquarters.

Carol F. Briggs, Kinney County ranchman, was named as president of the group, J. G. Bute of Del Rio as vice president and Fred West of Brackettville as secretary.

These officers together with Tom Black of Eagle Pass, J. K. Wipff of Quemado, J. N. Lockley of Uvalde and Otis Waldrum of Carta Valley will form the board of directors.

The new REA unit, according to present plans, will serve parts of Val Verde, Kinney, Edwards, Uvalde, Maverick, Zavala and Dimmit counties.

THE MONAHANS NEWS—Gilbert Jackson, chairman of the Masonic Lodge building committee, revealed this week that the Monahans Chapter of the Masonic Lodge is now having plans drawn by Haynes and Strange, architects of Lubbock for their new hall, to replace the present frame structure. The new building will be located on the same site in the heart of the downtown business district, and will be a two story fireproof structure, which will be similar in design and construction to the new buildings adjacent to it.

THE HUDSPETH COUNTY NEWS, Sierra Blanca—Joel Penley and the Sierra Blanca volunteer fire department saved the Palace Hotel from being destroyed by fire Monday when an oil stove exploded in the kitchen. The kitchen was in flames and smoke filling other rooms and hallways when Joel arrived. He burned one hand painfully but not seriously while extinguishing the flames. The volunteer fire department arrived in time to help finish the job but Joel had it about under control.

THE ALPINE AVALANCHE—The membership drive conducted by the Alpine chamber of commerce this week was one of the most successful in the history of the CC. It was announced by W. J. Newell, drive chairman.

The campaign started Monday with a kick-off breakfast at the Holland Hotel after which 26 volunteers armed with membership cards, started the canvass the first day's work netting 50 new members. The total to Wednesday morning was 85.

THE OZONA STOCKMAN—AT a meeting of stockholders and directors of the Crockett County Fair Association, recently, plans were laid for Ozona's annual summer celebration and western entertainment at the local fair park.

Saturday and Sunday, August 11 and 12, were the dates set for this year's two-day show and celebration. A tentative outline of the daily programs for the event indicate that there will be a variety of

western style entertainment, including calf roping, team tying girl's flag races, boy's goat roping contests, boy's calf riding and a number of matched ropings between top cowhands of the section.

THE BIG BEND SENTINEL, Marfa—As of Friday of last week, First Troop Carrier Command assumed control of Fort D. A. Russell, according to a Public Relations Office announcement from Marfa Army Air Field at mid-afternoon.

No details have been made available in regard to the manner of operation of the army post by Marfa Army Air Field, operating as 818th Air Base Unit of First Troop Carrier Command, have been made available.

It Happened In Sanderson TEN YEARS AGO
This Week — Remember

JULY 26, 1935

Mr. and Mrs. Dick Hill and son, and Mr. and Mrs. B. N. Weatherby left last Friday for Kermit and Girard, Texas, where they visited friends over the week end.

W. E. Lea left Monday for Millett, Texas, to join his family who have been there for some time visiting their daughter and sister, Mrs. M. H. Goode, Jr.

Miss Jean Draper of Memphis, Texas, is visiting at the ranch with Mr. and Mrs. Bustin Canon.

Mr. and Mrs. J. L. Osgood and daughter, Lois Bea, were Fort Stockton visitors Sunday.

Mrs. Malone Mitchell has returned from a visit with relatives in Chilton. Her sister, Miss Alva Hill, accompanied her home for a visit with relatives.

J. W. Leatherwood and little brother, Edward, and C. E. Clymer were visitors in Marfa last Sunday.

Mr. and Mrs. J. C. Green and niece, Mary Belle Hollebeke spent the week end in Valentine, as the guests of Mr. and Mrs. Jack Gray.

Dr. and Mrs. J. V. McCall left Monday morning for Kerrville where they will spend the next two weeks visiting friends.

B. T. Corder of Marfa was a business visitor in Sanderson on Monday and Tuesday.

Mrs. Jim Nance and daughters returned last Saturday from Boquillas where they had been for several weeks.

Ocean Wash

(U. S. Marine Corps Photo) One-day rough dry and two-day flat pressed service is given aboard a Marine aircraft carrier by the nine-man laundry crew headed by Navy Ship's Service Laundryman First Class Arthur M. Fossum (above) of La Center, Wash. For two years he did Navy laundry, but now he works with Leatherneck green dungarees and khaki. Fossum and his detail handle nearly 2,000 pieces of flat pressed work and more than 3,600 pounds of rough dry laundry each week.

"NOB HILL" COMES TO PRINCESS WED., THURS.

"Nob Hill," which stars George Raft, Joan Bennett, Vivian Blaine and Peggy Ann Garner, is the new picture coming to the Princess Theatre Wednesday and Thursday.

With an exciting blend of gripping, fast-moving drama and scintillating song-and-dance set against the background of San Francisco's fabulous Barbary Coast in its glittering heyday, and sparked by superb performances throughout "Nob Hill" hits the entertainment jackpot — and then some!

Certainly no story could enjoy a more richly colorful setting than the Barbary Coast at the turn of the century. Here is the justly-celebrated playground of the West in all its brawling, roisterous thrills and glories — when girls kicked highest, fists crashed hardest and blood ran hottest.

It is against this setting that the picture unfolds its enthralling story of rough-and-tumble action and thrilling romance; the drama of "Tony Angel," the idol of the Barbary Coast who gambled all to storm the bastions of snooty Nob Hill; of a beautiful blue blood from "up the hill" who played with fire in her search for Barbary Coast thrills; of a tough and torrid cafe singing star who fought like a tigress for the man she loved; and last (but not least) of a little girl who, plunged into a world she never dreamed of finds herself a central figure in the poignant drama.

Chemical engineering is the most popular of engineering fields at the University of Texas it seems. In the last ten years the chemical engineering department has granted 434 bachelor's degrees given by the College of Engineering; and every single one of the 25 doctor's degrees in engineering.

Everyone welcome.

SWEET TRUTH

SOMEWHERE IN THE PACIFIC (Delayed)—According to Marine Platoon Sgt. Horace E. Templeton of Odessa, Tex., a Marine commanding officer and his interpreter stopped in a small village on Southern Okinawa to find out if friendly troops had passed through, reports Staff Sgt. Ed Ruder, Marine Corps combat correspondent.

Even before the question was asked, it was answered.

A brown-skinned youngster yelled from the side of the road: "What cookin', Joe. Got any candy?"

Three hundred and 80 veterans of World War II are already continuing their education under various veterans' programs at the University of Texas.

SURVIVORS OF SOLDIERS CAN GET BENEFITS

Survivors of deceased service-people who worked in employment covered by the Social Security Act prior to their entrance into armed forces were urged to contact the nearest Social Security Board field office by Elizabeth W. Adams, manager of the Angelo Field office.

In addition to any benefits payable from War Risk Insurance, there may also be some from the Old-Age and Survivors Insurance system," Adams stated. "These payments," he continued, "can be made if the worker (serviceman or woman) was insured under Social Security plan, particularly if the deceased is survived by minor children, since month-long payments continue until the youngest child reaches 18.

Delay in filing the claim affidavit of death is received result in some loss of benefit to the survivor," Mr. Adams said.

TOWN AND FARM WOMEN BEATING CITY MARKS AT FAT SAVING

Our government knows that women have done an outstanding job saving used fats—a new mark that town and farm women have rolled up your sleeves, you are providing more fat per kitchen than any other group in the U. S. Keep your fats—100,000,000 more pounds of fat are needed this year to help make vital war supplies.

Without your record savings, we'll never make that quota. Save every drop! Remember, the small amounts that fill the salvage can faster. Dripings, skimmings, scrapings, and scraps melted down. Your share will give you 2 red points up to 4¢ a pound. If you have difficulty, call your Home Demonstration or County Agent. Approved by WPA and OPA. Ad for by Industry.

"Why must we raise as much money this year as in 1944? Why, with the European war over, can't the National War Fund budget for the coming year be cut?"

Those are natural questions—questions which every good business man and war chest worker can be expected to ask. They are simple but important questions and fortunately, can be answered simply and directly.

Here briefly, are the answers: With more than two million American troops left on duty in occupied zones, USO has doubled the number of USO-Camp Show units, to entertain men now idle who formerly were sustained by the excitement of battle action. Similarly, more USO-Camp Show units are being sent to the Pacific, where constantly increasing numbers of men are fighting on lonely, uncivilized islands.

USO-Camp Shows now entertain more than two million American fighting men each week. With more and more wounded men being returned to U. S. military hospitals, USO also has increased the number of units playing the "Hospital Circuit," staging shows in hospital wards, among the beds and cots of our wounded heroes.

USO also has expanded another service to the wounded through USO recreation centers established at all military and naval hospitals.

The Pacific war is a shipping war. Thousands of merchant ships, and increasing numbers of merchant seamen, carry the munitions, equipment and men required for the war against the

USED FAT LICKS TWO SHORTAGES!

Miss Anna Mae Loftus, Laboratory Assistant at National Oil Products Company, Harrison, N. J., shows how kitchen grease, scraped from skillets, skimmed from soups, melted down from table scraps, helps to make thousands of civilian and war needs—in this case—critically short paper. Left to right, Miss Loftus pours wax emulsion into a beaker containing wood

pulp. Stearic acid, one of the by-products of used fat, is necessary in the manufacture of this wax emulsifier. The processed pulp is then pressed into sheet size and when dried, is paper. Here's another reason for saving every drop of used cooking fat, and rushing it to the meat dealer for cash and extra ration points. It's needed now more than ever.

Japs. Still others continue to serve the European front carrying supplies and transporting troops home or to new battle areas.

United Seamen's Service follows the ships to all parts of the world, to provide off-duty recreation for the millions of seamen at the end of their voyages through battle zones. Submarines, bombs and suicide planes are forgotten for a few hours, as the heroic seamen relax in facilities provided by this great National War Fund agency.

In the Pacific, the needs of increasing, as new islands and new lands are liberated. The people of the Philippines, who fought the Japanese throughout the years of occupation, are in pitiful condition, as are Chinese in areas newly liberated from the invader. Thousands of children and helplessly aged people must be fed and clothed—and quickly.

The people of the Philippines are loyal Americans. China has suffered more and fought longer against the Japs than any other United Nation. Both deserve and expanded assistance from the people of America.

For years the people of Europe suffered under the heel of the Nazis—and for years we were unable to help them. Now we can get in and give them a helping hand—lift them to new hope and eventual self-sufficiency—save them from starvation and despair.

Dire need among liberated slave-workers and other displaced persons has brought about a demand for additional services by refugee relief agencies. Plans call for these agencies to do a fast, immediate emergency job, and then move quickly to liquidation as governmental agencies become able to take over. Three agencies—Russian War Relief, American Denmark Relief and British War Relief—already have voluntarily removed themselves from the roster of agencies supported by war fund. But until immediate suffering is ended, other refugee relief agencies must carry on, in the interest of humanity.

For the first time in months representatives of War Prisoners Aid are being permitted to visit prisoner-of-war camps in Japanese territory, to serve American and allied prisoners.

BULL FIGHT IN VILLA ACUNA SET FOR AUG. 5

Big event of the bull fight season is the return of Julian Pastor to the Villa Acuna Bull Ring, across from Del Rio, Sunday, August 5.

Pastor, who has fought throughout Mexico, Central and South America and in Spain, is the idol of Mexico's bull fight enthusiasts. His return engagement to the border meets with popular approval of bull fight fans.

In competition with Pastor will be Javier Gomez Terremoto young, courageous, skillful, and artistic bull fighter, who has made an enviable record in Mexico City and other points in the republic this past season. Terremoto promises Pastor keen competition in the August 5 fight, and bull fight fans are assured of excitement and thrills when these two artists appear in the Villa Acuna Arena.

They will fight to death four pure Spanish blooded bulls. The fight will start promptly at 5 p. m., the promoters announce.

Budgets for the University of Texas and its branches for 1945-6 have been adopted by the Board of Regents as follows: Main University, \$4,155,305, up 22.5 per cent over the last year; Medical Branch, Galveston, \$1,986,480; School of Dentistry, Houston, \$327,800; M. D. Anderson Hospital for Cancer Research, Houston, \$162,330; and College of Mines and Metallurgy, El Paso, \$290,193.

Christ Will Never Sit On David's Throne In This Earth, Nor Any Other Down Here, So Prophesied In The Only Holy Covenant (Bible) King James I, Of England, Authorized Of 1st John 5-10, 11; Revelations 1-3; 2nd 3-15, 16; Galatians 1-8; Daniel 11-30, 32

This Holy Bible "WAS ORDAINED BY ANGELS IN THE HAND OF THE MEDIATOR," Jesus Christ, in Mt. Sinai, 1367 B. C., when Jesus set a Spirit, and as before Prophesied, it was to be Translated into English language, the greatest, I testify in Earth; it was so done by this King in 1611. All other Bibles, revised of, both Jew and Gentile, are False and have no Authority from God. This Holy Bible—Hebrews 9-16, 19, Hebrews 10-29. This Holy Testament given into my, and Wife's hands on October 18, 1915, to Declare Judgment Day, very soon now. I was husking corn when We received The Gift of God, Romans 5-17.

THE TEN COMMANDMENTS. It is Sin to preach them, and it's by the Spirit of Anti-Christ, not the Spirit of TRUTH we have received. 1st John 2-18 began with Christ, 1st John 4-3.

THE FIRST COMMANDMENT. "Thou shalt have no other Gods before me." Exodus 20-3.

THE PENALTY (DEATH). "Then shalt Thou bring forth that man, which have committed that wicked thing, unto the man, or that woman, and shalt stone them with stones, till they die." Deuteronomy 17-1 to 7.

THE SECOND COMMANDMENT. "Thou shalt not make unto any graven image, or any likeness of any thing that is in Heaven above, or that is in the Earth beneath, or that is in the Water under the Earth." Exodus 20-4, 6.

THE PENALTY. "But if ye will not hearken unto me, and will not obey my voice, I will do this unto you; I will appoint over you Terror, Consumption (T. B.) and the Plague, that shall consume the eyes, and cause sorrow of heart, and ye shall sow your seed in vain, for your enemies shall eat it." Leviticus 26-1 to 16.

I am Able with the Ability and Faith God gives us, 1st Peter 3-11, to answer every question written in this book; it must be so, but any questions published in this paper, please pay the price for your question space. We do not accept money for our sayings. It is Unlawful in this Divine writing, for a Minister of God and Christ to accept salary or otherwise for his Ministry. Over 29 years in this Divine Spirit, never sold a penny. Always have used my Salary from the first. We reserve the right to answer questions by Mail, when necessary. It's so near the BEAST (4th) to "raise up" here, Revelations 13-11 the Holy Ghost does not give to me how long our Prophecy continue here, but to all who gladly receive our Scripture and sayings, 1st Thessalonians 5-20; if time permits, I will quote that prophecy near to the LAST DAY, the Day of Judgment, soon.

About 20 years before we received the first Gift, Acts 2-36, 37 had walked down in water baptism, as commanded by Christ in Matthew 28-16, 20, Hebrews 10-22.

Set forth some Declarations of this Holy Prophecy: "Christ is the Light of the world. Adam and Eve were in the Garden 4000 years before God cast them out, their Sin was God's punishment children were born in the Garden. A Negro, Ethiopian in the Judgment in God's throne Judgment Day. The Jews Crucified Jesus, they Condemned him by Their Law, but the Germans Crucified him. Nebuchadnezzar, August Caesar Herods, Pilate, Tiberius, Agrippa, Festus, were all Germans, as Kaiser, not Catholics. All this I will Prove before the Highest Roman Tribunal in Earth, very soon, and that it was a Soldier who Pierced Christ's side.

THE GERMANS ARE THE TRANSGRESSORS. Daniel 8-23, 24.

AFTER THE LEAGUE MADE WITH HIM (The League of Nations was made with Germany June 28, 1919). He shall work DECEITFULLY." Daniel 11-23.

We have both received our Remittance, a sprinkle of Christ's blood by the hand of God, have the Spirit of Truth from Him, many FREE FROM SIN IN THIS MORTAL BODY. The Gift of Prophecy Acts 2-17, 18, 1st Corinthians 14-22, 29, 30, 31, 32, John 14-16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

are commanded, "WORSHIP GOD: FOR THE TESTIMONY OF JESUS IS THE SPIRIT OF PROPHECY. Revelations 19-10.

More Power to the Farmer

Producer of Food for Victory

One reason for America's record wartime food production is the extensive use of labor-saving electricity on the farm.

As its part in providing more power for food production, this company has greatly expanded its facilities for serving farms and residents of rural communities throughout the war.

Since Pearl Harbor, over 3,000 new rural customers have been added to our lines. Numerous additional extensions to serve rural users within practical reach of existing lines in our territory have been surveyed and are scheduled for completion as rapidly as manpower and materials shortages will permit.

Today, one customer of every five we serve is a rural customer and the percentage is growing steadily. On the farm, as in business and industry, C. P. S. Co. power is working for Victory.

Texas to Celebrate One Hundred Years Of State Government

In the year 1845, during the months of July and August, 61 deputies, representing the organized countries of the Lone Star Republic, met at Austin to act on annexation of Texas to the union, the drafting of the first state constitution, and the re-location of the capitol at Austin.

They wrought well. They approved annexation. They wrote the first state constitution. They developed the plan for elections by which the sovereign citizens of Texas later cast their vote on these subjects. And following this convention the capitol has remained in Austin for the first century of Texas statehood.

So important has been the part of Austin in the history of the state that it has been decided to leave to an Austin Centennial Commission the sponsorship of the observance to take place at the capitol during the month of February, 1946, which will be an even hundred years from the date that the first state government was organized and the first United States flag flown officially above the Texas capitol. Headquarters for the Austin unit are now in the Texas Memorial Museum.

The entire Centennial of Statehood program will be dedicated to the more than three quarters of a million Texans' sons and daughters who have served, are serving and will serve in the combat units of the present war. It will commemorate 100 years as a state. It will be devoted to the happiness of the

NON-RATIONED SHOES WILL BE PART LEATHER

There will be more wearability in future non-rationed shoes. Ralph Kaye, miscellaneous products rationing officer of the San Antonio district Office of Price Administration, today told Carl B. Cochran, local chairman of the War Price and Rationing Board, as he said that the leather welts and lightweight leather insoles will be permitted in non-rationed shoes. The use of straight or short shield tips and backstays of pigskin leather also allowed in these shoes, will reinforce them in vulnerable spots.

Cochran explained that this applies only to shoes made without platform or platform effects and having heels of one inch or less, and will therefore serve to relieve the acute shortage of these type shoes for juveniles and men.

"Leather welts and insoles will strengthen a non-rationed shoe and give it longer life," the board chairman said, "and pigskin used at the tip and back will reinforce shoes at the principal points of wear." The welts will enable a shoe to be restitched to the sole if it pulls out.

In the past, all shoes containing leather required a ration stamp. The small amount of leather used in these shoes will have no significant effect on rationed shoe production, according to Cochran.

There is no record of these shoes in local stores up to this time, but merchants expect them in the near future.

CONSUMERS ASKED TO TAKE CARE OF RATION BOOKS

"Take care of your ration books," is the plea of J. Kenneth Black, rationing executive of the San Antonio OPA district, "for they must last you till December and your local War Price and Rationing Board is unable to process the application for replacement books quickly.

"There is a growing tendency for housewives to be careless with their books," the rationing chief wrote Carl B. Cochran, chairman of the local War Price and Rationing Board, "judging from the requests in the local office for new books to take the place of those that have been lost or accidentally mutilated."

Black made this request after it had been announced by the OPA that War Ration Book Five would be issued in December. He described the future book as "the best one yet," and said that it would be about the size of a check book, "or a dollar bill," and much easier for housewives to handle. Although it will contain just half as many stamps as the last book issued, it is made to last as long as 15 months, if necessary.

It will be easier for both grocer and housewife to remember which stamps are good, because

European Veteran Now Stationed At Hot Springs, Ark.

Staff Sergeant Roman M. Gonzalez, Sanderson, Texas, who returned to the States March 7 is now stationed at the Army Ground and Service Forces Redistribution Station, Hot Springs, Arkansas, having arrived there June 27 after spending a fur-

lough in Sanderson visiting his mother, Mrs. Maria Marquez, and other relatives.

Wounded December 23, 1944 in Germany, Gonzalez wears the ETO service ribbon, Combat Infantryman Badge, Purple Heart two Bronze Stars, and the Good Conduct Medal.

Two brothers, Corporal Eduljes Escamilla and Pfc. Alejandro Escamilla, serve in the Pacific Theater.

Before entering the service Staff Sergeant Gonzalez was employed in Sanderson by Alejandro Marquez.

A mimeographed news sheet put out by the University of Texas law school has found a new subscriber - the Library of Congress. Already read by hundreds of ex-students of the law school, it also goes by request to Yale and Harvard libraries.

the stamps in the new book will have numbers only, and not both letters and numbers.

This will probably be the last book issued, according to the board chairman.

★ TERRELL COUNTY HEROES ★

☆☆ IN SERVICE ☆☆

JAMES WILBURN SHORT

was born November 17, 1918, in Strawn, Texas, the son of Mr. and Mrs. T. A. Short, Sanderson, Texas. The family moved to Sanderson in July of 1934, where Wilburn finished school, graduating in 1939. He also attended school in Ozona, Texas, prior to moving. Before entering the service March 16, 1942, Wilburn was employed in ranch work. He received training at Camp Barkley, Texas, and took part in the Louisiana maneuvers. After being stationed in Arizona and California for some time, Wilburn left for overseas duty in April of 1944, from Fort Dix, New Jersey, landing in England. June 8 he went onto the continent, participating in the invasion of Normandy. Wilburn served in the French, Belgian, Luxembourg, and German campaigns, serving with the 90th Reconnaissance as a dispatcher. Corporal Short is now stationed in Weiden, Germany, and has been awarded the Bronze Star and, with his outfit, a Group Citation for participation in the crossing of the Rhine.

— THE LIFE OF A TERRELL COUNTY HERO BROUGHT EACH WEEK BY — THE KERR MERCANTILE COMPANY

Most numerous fish in the Texas coastal waters are anchovy, menhaden, mullet and croaker, according to Dr. Gordon Gunter, research associate in the University of Texas Institute of Marine Science, who has tabulated scientific data on 78,265 specimens which he caught in a 21-month expedition. He estimates approximately 200 species live in Gulf and coastal waters.

Lt. and Mrs. Richard Haley and baby daughter, Nancy Kathryn, arrived Sunday from Monroe, Louisiana, to visit with their parents, Mr. and Mrs. Roy Haley and Mr. and Mrs. Jim Nance.
