Seventeen Members Of Lemons Family Here for Reunion

Members of the family of the late Mrs. Luella Lemons gathered in Sanderson for a reunion Christmas Day. The Lemons were early pioneer settlers in Sanderson.

Those here were Addie Lee Boling, Grace Wheeler and son Edward, Mr. and Mrs. Carlitor White, Mr. and Mrs. L. H. Lemons, William and JoAnn, of Sanderson; Mrs. E. D. Pipes and son Billy, of San Antonio; Mr. and Mrs. Frank Robertson and Pattie Joe and Peggy Louise of El Paso; L. S. Dickson of Marathon, and M-Sgt. Louise A. Dickson of Ft. Sam Houston.

A son, W. H. Lemons, Jr., and family of Ft. Ord, Calif., were unable to be here as were a granddaughter, Janice White a Student nurse in San Antonio and a grandson, Ernest D. Pipes, who is with the United States armed forces in the Pacific, and a nephew Leeland S. Dickson and wife of Orange Grove.

Price Control On Automobile Tires To Stay Indefinitely

Although rationing of tires ended January 1, price control on tires will continue, Thomas G. Clawson, automotive price specialist of the San Antonio district Office of Price Administration, has announced.

Because tires have been taken off rationing, and because many important items have recently been exempted or temporarily suspended from price control, the misconception that tires are being removed from price control has arisen, Clawson said.

"There are as many ceilings on tires as there are kinds of tires," Clawson added. "If you are in doubt about the ceiling price of any tire, you may get this information from the price panel of your Price Control Board."

Clothing Collection For Overseas Relief To Begin Monday

Every family in America is urged to take part in the January clothing collection for the suffering people in Europe, China, and the Philippines. Anything wearable is needed—coats, suits, trousers, skirts, dresses, sweaters, knitwear, pajamas, shoes; also blankets and bedding. Distribution will be made through UNRRA Contributors are encouraged to write good-will letters to be enclosed with their gifts.

In April, 1945, the Americans gave enough spare garments to clothe 25 million of our needy allies. The situation is still so grave that many more millions are still without sufficient clothing, shoes, and bedding. We may think that what we have to give would not amount to much and would not be worth the trouble involved, but small amounts will make great amounts and will help ease the suffering of someone. What can you spare that they can wear?

Ruth Bendele, student at Sar Marcos Academy spent the holidays visiting her parents, Mr. and Mrs. O. B. Bendele at their ranch home.

Mr. and Mrs. Bill Goldwire and children returned this week from San Antonio where Mr. Goldwire had undergone surgery last month.

82-c Joyce Boyd who has been visiting here with his parents Mr. and Mrs. Chester Boyd, expects to leave Sunday for his station.

RECENT BRIDE

Mrs. Don Allen, the former Miss Billie Louise Smith of Colorado City, was married to Pfc. Don Allen, of Sanderson, on December 9, at Colorado City.

Dr. John W. Pate Opens Office In Kerr Hotel Building

Dr. John W. Pate with Mrs. Pate, and their two young sons arrived in Sanderson this week to make their home.

Dr. Pate was recently discharged from the Army where he held commission of Captain in the Medical Corps. Mrs. Pate with their two sons resided in Austin during the time Dr. Pate was in the Army.

The office in the Kerr Hotel Building formerly occupied by Dr. D. M. Randall will be used by Dr. Pate for his office. He has installed all new equipment and furnishings.

Mrs. W. B. Carpenter, the former Miss Mary Ferguson will assist Dr. Pate as office technician.

JOE NEIL BROWN MAKES STRANGE CATCH IN TRAPS

Joe Neil Brown, 14-year-old son of Mrs. Francis Mansfield of Sanderson, received a trapping thrill this week that he never expected in the course of walking out his trap line.

Setting traps on the Deaton Ranch, west of the old airport, Joe Neil was attracted by something protruding from the top of the ground. Curiosity got the best of him and he began to dig. After quite some time he came up with what appears to be a practice bomb.

Joe Neil lugged the heavy object to town, and after it was inspected by several different ones, it is believed to be a type of practice bomb used in the first World War. It was buried nose down with only about two inches of the tail fins protruding from the ground.

Anyone interested in offering their suggestions as to what the object is, may do so by calling at the Times Office.

Virginia Byrd, daughter of Rev. and Mrs. John W. Byrd has returned to Lubbock to resume her studies at Texas Tech after spending the holidays in Sanderson with her parents.

Harry Brown, son of Mrs. Francis Mansfield, has returned to Ft. Worth where he is a student at T. C. U., after visiting during the holidays with his mother and other relatives.

R. E. Corder left Tuesday for Austin to return his daughters Billie Jo and Mickey to the University. They had been visiting here with their parents during the holidays.

Mrs. Ervin Grigsby visited a few days during the holidays with her parents at Sterling City.

Mr. and Mrs. Ruel Adams and daughter, Margie spent New Year's Day in Del Rio.

Cattle Sales Slow At Los Angeles Union Stock Yards

LOS ANGELES UNION STOCK YARDS, Jan. 4.—The holiday shortened week resulted in sharply curtailing supplies of cattle at the Los Angeles Union Stock Yards. For the four market days only 4,406 head showed up, approximately 4,000 less than for the previous 5-day week. Supplies at 12 markets were also extremely light.

Effect of the small supply was a very active, strong to unevenly higher market, with the smaller killers furnishing chief competition and paying more head to numbers than to prices. Steers closed strong to 25c higher with some of the common to medium kinds registering greater advance. Cows and heifers worked 25c to 50c higher with extremes on cows as much as \$1 higher than closing rounds of the previous week. Bulls were largely steady and small supplies of replacement stock were cleaned up with little change in rates. Calves were firm.

Medium to good steers ranged \$15.20 to \$17, several loads at the top end of the range. A few common to medium warmed up steers sold at \$14 to \$15 and a small contingent of common Mexicans brought \$12 to \$13.25. Two loads of good feed cows, a few heifers included, reached \$15. Most beef cows turned at \$11.50 to \$13.60 with occasional load lots to \$13.75. Common to medium cows \$10 to \$11 with cutters \$8.50 to \$9.50 and canners dropping in mainly at \$7 to \$8.25. Prices on all classes of the stock were the highest in recent weeks. Medium to good heifers sold largely at \$13.50 to \$15, odd head up to \$16. Bulls bulked at \$10 to \$12, with a few heavy, sausage descriptions making \$12.25 to \$13. Medium to good calves sold largely at \$13.50 to \$15, a few small lots up to \$15.75 and \$16. A few medium to good feeder steers sold at \$12 to \$14.75 and stocker yearlings around \$12.50 to \$13.25. Common to medium stock cows brought \$7 to \$9.

Little change developed in the hog market. Barrows and gilts held largely at the \$15.80 ceiling. Sows were irregular, sales at \$14 to \$14.75 and odd lots of stags cleared at \$12.50 to \$14.50. A few feeder pigs sold at \$19.25 with other pigs going at \$16 to \$18.

Very little was on offer in the sheep division and prices were notably unchanged. Good slaughter lambs were quotable to \$14 or slightly above.

Si-c Bill Cargile, who has been stationed at the Naval Air Base, Pensacola, Fla., spent the holidays here with his parents Mr. and Mrs. W. C. Cargile. He left Sunday for his new station at the Naval Air Base, Jacksonville, Fla.

Mr. and Mrs. J. L. Blackwelder have returned to Sanderson to make their home. Mr. Blackwelder will be employed at the Princess Theater and also be associated with his father in the shoe repair business.

Bill Savage left this week for Austin where he is a student at the University of Texas after spending the holidays here visiting with his parents, Mr. and Mrs. Will Savage.

Larry Horgan is reported getting along alright at the Southern Pacific Hospital at Houston where he is undergoing treatment for a broken foot received several days ago at Valentine.

Misses Yvonne and Laura Oberling have returned to Sul Ross College after spending the holidays visiting in Sanderson with their parents, Mr. and Mrs. J. A. Oberling.

Mrs. Lelee Fuller of Hemphill, mother of Mrs. Keith Mitchell is spending several weeks at the ranch home of her daughter.

Warns Community Action Vital In Coping With Pending Jobless Crisis

INDIANAPOLIS, Ind.—Community action everywhere spearheaded by local American Legion Posts, is needed to cope at both local and national levels with a "deluge of unemployment that probably will flood the nation within the next six months."

This was the warning of National Employment Chairman Lawrence J. Fenlon, of Chicago, Ill., to the National Executive Committee of the American Legion here, as he asked its grassroots and legislative support of a 9-point program of action at the federal level.

"We must either do something about this employment problem or throw in the sponge," Chairman Fenlon declared. "The problem—cruelly and crudely expressed—is that a deluge of unemployment probably will flood the nation within the next six months. With millions of veterans being demobilized, reconversion in many important industries being retarded, if not completely stopped, veterans in unpredictable thousands and others will be unsuccessfully seeking employment."

"There will be no major veterans' employment problem," Chairman Fenlon asserted, if the Legion's maximum employment program of 55,000,000 postwar jobs, including the creation of 7,000,000 new jobs in the fields of distribution, sales and service, is achieved.

"We must press aggressively for fulfillment of this program," he said. "That calls for community action spearheaded by the local Legion post with the establishment of a veterans' employment committee in every city, town and village."

Suggested Federal Action
American Legion legislative efforts should give high priority to the following specific action at the federal level to assure jobs for all returning veterans, Chairman Fenlon declared:

1. Social security credit for military service.
2. Surplus property actual preference to veterans.
3. Adequate funds for the Civil Service Commission.
4. Adequate funds for Selective Service re-employment activities.
5. Oppose the inclusion of the Veterans Administration or the handling of any veteran matters in the Re-employment and Retraining Administration.
6. Transfer of local Veterans'

Remedy for Malady Caused by Lechuguilla Placed On Market by Ft. Stockton Man

After two years of experimentation, Dr. Ben K. Green, Fort Stockton veterinarian, has perfected a remedy for the complaint among sheep and goats affected by eating lechuguilla small shrub with a sharp-pointed leaf which grows extensively over hill and mountain areas of West and Southwest Texas.

Dr. Green will manufacture

his remedy in his new recently completed building of Gid Redding on First Street, and will distribute it through dealers in all of the country where "lechuguilla" sheep and goats have been a major headache of ranchmen for many years.

The treatment consists of a shot given with a livestock vaccinating needle (common equipment on all present-day ranches) in the affected animal's neck, followed by an oral drench. Any competent ranch worker or livestock handler can administer the dosage.

The remedy causes an immediate reaction in nearly all affected animals, and full recovery is normally accomplished in six or seven days. The treatment has been thoroughly tested among some 20 affected herds with complete recovery of 87 per cent of the animals treated at a cost of 25 to 35 cents per head according to size.

The two bottles of remedy, one for giving with needle, the other as a drench, will be packaged together with complete instructions printed on the labels.

Dr. Green also is installing other laboratory equipment here on an extensive scale for experimentation in other livestock diseases, plant-induced illnesses, and troubles of this region.

According to Dr. John Lee Coulter, consulting economist of Washington, D. C., the need for more irrigated land in America is obvious when we consider that the population of the United States continues to increase at the rate of 1,000,000 persons per year.

The way to make your dreams come true is to wake up and get busy.

NEW YEAR'S EVE

All the kids in Sanderson were "ringing out the old and bringing in the new," Monday nite. It started off with a party at Andersons. In the midst of the party one could see two navy blues--Joyce Boyd and David Duke. Everybody danced to some super records. Joyce danced with his little sis; where was Kitty?? Robert Joe and Betty Sue made up while celebrating New Year's. Cecelia and Aggie must have been up late the nite before. Warning, little girls have big eyes. Dig me?? Cookies and punch were served to all those present. Most went back for a second helping. During all this time in the back room of Anderson's house there was a card game going on. Don't get me wrong, it was not poker. The players were Betty Cooke, Nancy Peavy, and Barbara Anderson. Later everybody went to the mid-nite show.

KAT'S KLAW

Hi people! Missed ya last week--only I'll make up for it this week.

Gosh darn! It was good to see Doyce dancing at the dance the 29th. He was with his one and only--"Aggie."

Cecelia and Hut are coming along wonderfully--inspite of Friday night!

Charles Hill was with Carolyn Courtney Sunday night. What's happened to Jeanette?

All the boys and girls were glad to see Jay Tom here. Seemed like old times.

Wilma was gone over some of the holidays and from what I've heard--that did not make J. M. very happy!

My but these ex-seniors get around! Joyce Boyd was seen with Kitty Jones--Allister was with Betty Jo Kerr--Billie Babb was with Sam Bell! That makes this town seem much livelier.

Duck Hill seems to be pretty crazy (period) about Mary Nell. Could it be love???

Jeanette and Bill were seen together the 26th. Nice going kids!

Ora Mae--just who is it? Temple or Bobby??

Bosco was seen dancing with Billie Babb--remember--It did look like last year!

Melvin K. is in Uvalde and from what I've heard he certainly has killed his share of deer for this season.

Where did all the Junior boys go over the holidays? I missed them!!

Who turned out the lights at Anderson's New Year's Eve?? Could it be a gang of freshmen boys?? Just guessing of course!

Cecelia and Aggie must have gotten sleepy at the party--It wasn't that late was it??

Two old ex's were seen together New Years Eve--Al and Clara--Nice going kids!!

Doris and Johnny were seen walking Wilma home Monday nite--THAT is until J. M. came along.

ARE YOU LIKE THIS???
 If her pals pay Melissa a call. She just whisks them away down the hall.

THE OLD JUDGE SAYS...

HARRY: "I don't know what they'll weigh up, Judge, but my cattle and poultry sure have been gettin' fatter since I started to use distillers' dried grains in their ration."
OLD JUDGE: "You're about the tenth one who has told me that, Harry. How do you account for it?"
HARRY: "The by-product recovered from grains used by distillers is very high in vitamin and protein content. It's the best feed supplement we can get to balance the rations we feed our dairy cows, livestock and poultry. Mixed with original grain, these distillers' dried grains have a much greater feeding value than the original grain has."
OLD JUDGE: "Have any trouble getting all you need?"
HARRY: "Yes, at times, even though the distillers produced 1,200,000,000 pounds of it for the year endin' last June. I hope they'll be in a position to produce a lot more next year."
OLD JUDGE: "Then I guess nobody can tell you grain is wasted in distilling."
HARRY: "Not me, Judge... I know."

 Diphtheria

Texas, Jan. 4--All children should be immunized against diphtheria at a very early age, according to a statement released this morning by the Texas State Department of Health, explaining that which can be administered easily and without danger to safeguard youngsters against this serious and killing disease of childhood.

Dr. W. Cox, State Health Officer, urges all Texas parents to have their children, who are not already protected, immunized against diphtheria. The administration of toxoid to save a child from serious illness or even death and who have not been safely against this danger to be inoculated immediately, Dr. Cox said.

Children should be immunized at the age of eight or nine months, Dr. Cox advised. "A first dose of toxoid is recommended for children on the care of institutions at the age of eight or nine months, and sometimes as early as six months. A second dose is given later."

To maintain immunity at a level, Dr. Cox emphasized reinforcing dose of toxoid when a child is old enough to enter school or have a test made. Children who attend school or kindergarten without this additional immunization should be protected without further delay, the State Health Officer declared.

Arredondo-Calzada Wedding Vows Read Sunday, December 30

Miss Elena Arredondo, daughter of Mr. and Mrs. P. M. Arredondo was married to Isidoro G. Galzada, son of Mr. and Mrs. Jesus Calzada, in a double ring ceremony, Sunday December 30 at 9:30 in the morning, in St. James Catholic Church, with the Rev. N. Femenia, pastor, officiating.

The bride, who entered the church with Willie Ochoa, was received at the altar by the bridesmaids, who stood on either side of the aisle. Miss Gloria Escamilla played the wedding march.

Attendants to the bride were Mrs. Willie Ochoa, matron of

honor, Miss Catarina Saenz maid of honor, and Missis Ene-dina Ochoa, Tome Fierro, Angelita Hernandez, Ermlina Cerda Lupe Escamilla, Eulalia Escamilla, Estela Villareal, Rose Rivera, Elida Barrera, Octavia Fuentez, Cecilia Marquez, Edelmira Coronado, Carmen Yturbe Eloisa Calzada, Rosaura Olivarez, Engracia Saenz, Julia Hernandez, and Julia Garza, were bridesmaids, attired in light blue and pink dresses.

Mr. Ochoa was best man, and Nolberto Barrera, Raul Escamilla, and Jesus Trevino were groomsmen.

Flower girls were little Misses Cookie Perez, and Elizabeth Lopez. Ring bearers were Jimmie Zepeda and Margarita Bravo.

The brides gown was of white marquisette, fashioned with a

snugly fitted bodice, cut with a sweetheart neckline, the long fitted sleeves tapered to a point over each wrist. Her long veil was accented with orange blossoms. She carried a white rosary on a white prayer book.

Following the ceremony a reception was held in the home of the bride's parents, where Miss Feliciano Torres sang "I Love You Truly."

The bride was born and reared in Sanderson. The groom is

an ex-corporal of the U. S. States Army. He is a veteran of Sicily, Normandy, France, Central Europe, Holland, Rhineland, and Germany. He wore the American Defense medal, Good Conduct medal, EAME Campaign medal, with six Bronze Stars, and Bronze Arrowhead, Fourragere, and Croix de re.

The couple left for a wedding trip after the cere-

Notice . . .

The Whistler Drug will be closed as of January 2 until the 7th for remodeling, after which time I will own and operate the store. I have bought my father's interest in the business.

I expect to maintain a complete stock of drugs and sundries, and will offer a fountain service. I will also have in stock—drenches, vaccines and stock medicines.

We thank you for your past patronage, and hope to be able to serve you in the future.

January 31 THE LAST DAY

FOR MEN NOW IN THE ARMY TO RETAIN THEIR PRESENT GRADES BY REENLISTING . . .

Men now in the Army who reenlist before February 1 will be reenlisted in their present grade. Men honorably discharged can reenlist within 20 days after discharge in the grade they held at the time of discharge, provided they reenlist before February 1, 1946.

There's a long list of attractive reenlistment privileges in the new Armed Forces Voluntary Recruitment Act of 1945. The ability to keep your present grade is only one of them, but this privilege expires on January 31.

There are plenty of other reasons why many thousands of men have enlisted, and more thousands are enlisting every day. You'll certainly want to know all of the opportunities open to you. If you'll read them carefully, you'll know why a job in the new peacetime Regular Army is being regarded today as "The Best Job in the World."

HIGHLIGHTS OF THE NEW ENLISTMENT PROGRAM

1. Enlistments for 1 1/2, 2 or 3 years. (1-year enlistments permitted for men now in Army with 6 months' service.)
2. Enlistment age from 17 to 34 years inclusive, except for men now in Army, who may reenlist at any age.
3. Men reenlisting retain present grades, if they reenlist within 20 days after discharge and before February 1, 1946.
4. The best pay scale, medical care, food, quarters and clothing in Army history.
5. An increase in the reenlistment bonus to \$50 for each year of active service since such bonus was last paid, or since last entry into service.
6. Up to 90 days' paid furlough, depending on length of service, with furlough travel paid to home and return, for men now in Army who enlist.
7. A 30-day furlough every year at full pay.
8. Mustering-out pay (based upon length of service) to all men who are discharged to reenlist.
9. Option to retire at half pay for life after 20 years' service—increasing to three-quarters pay after 30 years' service. All previous active federal military service counts toward retirement.
10. Benefits under the GI Bill of Rights.
11. Family allowances for the term of enlistment for dependents of men who enlist before July 1, 1946.
12. Opportunity to learn one or more of 200 skills and trades.
13. Choice of branch of service and overseas theater in the Air, Ground or Service Forces on 3-year enlistments.
