JOIN THE MARCH OF DIMES
FIGHT INFANTILE PARALYSIS
JANUARY 14-31
The National Foundation for Infantile Paralysis

March of Dimes Symbol

For millions of Americans, Franklin D. Roosevelt, who refused to accept defeat from infantile paralysis, symbolized the nation's fight against the Great Crippler organized and directed by the National Foundation for Infantile Paralysis, which the late President founded. The above poster was prepared by the National Foundation for its 1946 March of Dimes, January 14-31.

Shoes Badly Needed In All Liberated And Looled Countries

Footwear is desperately needed in all the liberated and looted countries, relief workers report.

In Norway alone there will be nearly three million pairs of wet feet this winter, a recent survey indicates. Many children will have to be kept indoors all through the bad weather. The thousands of pairs of reconditioned Army shoes sent to Norway do not begin to meet the total need.

In Greece, Poland and Yugoslavia, farmers whose feet are wrapped in burlap or paper drag their carts over the rough rubble-strewn roads.

In France a pair of rationed shoes costs several thousand francs. In the Philippines \$50 cannot buy a pair of the cheapest quality shoes. In one Czechoslovak town there was not a single pair of shoes among the population of 300,000 people. From Holland come reports of children wearing women's high heeled sandals, or mismatched shoes. There is no leather for mending old shoes. The Dutch children have not even the traditional wooden sabots for the Germans carried these away with them in retreat.

This lack of shoes, galoshes rubbers is not only an immediate threat to health but a source of future malformations and illnesses.

In contributing shoes, overshoes, boots, rubbers, bedslippers, playshoes, infants' booties, or any type of footwear to the Victory Clothing Collection for overseas relief, we are asked to tie them securely together in pairs. This will help get the shoes overseas with a minimum of delay to those who need them so desperately.

Mr. and Mrs. Keith Mitchell Hosts To Ranch Club Members

Mr. and Mrs. Keith Mitchell were hosts to the Ranch Club at their annual party for the members husbands and families. The party was held Friday night at the Mitchell ranch home.

Guests arrived at eight o'clock and enjoyed games of forty-two dominoes and rummy. Refreshments were served buffet style and consisted of turkey sandwiches, potato chips, pickles and olives, coffee and cocoa and cookies.

Forty-eight guests enjoyed the Mitchell hospitality.

NEW CHILD WELFARE AIDE OF LEGION IS WAR II VET

INDIANAPOLIS, IND.—Randel Shake of Indianapolis, young Navy combat veteran of World War II, has been added to the staff of the national child welfare division of The American Legion here as another assistant director. His job will be to work with the various departments of the Legion in aiding them to expand their volunteer child welfare organizations. He will serve under Miss Emma C. Puschner, director, and her first assistant, Mrs. Marguerite Seibert.

Prior to his World War II service, Shake was chief probation officer of the Marion County Juvenile Court in Indianapolis. He served for three years in the Navy as a lieutenant senior grade, and took part in numerous actions, including the invasions of Palau, Leyte Gulf Luzon, Subic Bay and Okinawa. Shake's appointment is part of the expanded child welfare services which the Legion is now extending to children of World War II veterans in all states.

Miss Clara Alice Bell spent the past week in Del Rio, visiting Miss Marianne Duke.

Servicemen Warned To Register Their Souvenir Firearms

Returning servicemen who have brought certain types of firearms home with them, or have sent them, are required to register their war trophies and are subject to heavy penalties for failure to do so, Raymond M. Hood, Investigator for the San Antonio office of the Alcohol Tax Unit, Bureau of Internal Revenue, explained today.

Not all the thousands of firearms brought home by returning veterans are required to be registered, Hood said, but he explained that owners of the trophies should write Mr. Alvin A. Stewart, Investigator in Charge Alcohol Tax Unit, 1020 Alamo National Building, San Antonio 5, Texas, concerning any firearms they may possess.

The Alcohol Tax Unit has been designated as the enforcement agency for violations of the National Firearms Act.

Section 2733, of the National Firearms Act defines firearms affected by the Act as follows:

1: Shotguns or rifles having barrel less than 18 inches in length.

2: Any weapon, except pistol or revolver, from which a shot is discharged by an explosive, if such a weapon is capable of being concealed on the person.

3: Any machine gun (a weapon designed to shoot more than one shot by a single pull of the trigger.)

4: A Muffler or Silencer for any firearms.

This Act does not require the registration of a .22 caliber rifle unless the barrel is less than 16 inches in length.

The firearms shown above are among weapons more often brought to the United States and which must be registered. A penalty of not more than \$2,000 fine and imprisonment for not more than five years, or both, is provided for failure to comply with the provisions of the Act.

The definition of machine guns includes machine pistols and machine rifles that will fire more than one shot with a single pull of the trigger; pistols or revolvers that have stocks, or detachable stocks; and automatic pistols that can be converted to full automatic by an adjustment of the mechanism on the gun, which would let the gun fire more than one shot without manual reloading, with a single pull of the trigger.

MILWAUKEE POLICEMEN GET LEGION VET GUIDE CARDS

MILWAUKEE, Wis.—Thanks to the foresight and work of members of Police Post 415 of The American Legion here, all policemen in Milwaukee carry a special card called the "Veterans' Emergency Service Guide," prepared for the police department.

The blue card, approved by Chief of Police John W. Polcyn carries a list of agencies and information centers where a veteran may be directed or taken for emergency help or service.

The items on the card include the names, addresses and telephone numbers of all Legion posts and other veterans' organizations in Milwaukee, places to obtain discharge buttons, discharge papers, emergency hospital and medical care, relief, food and shelter, information on travel, insurance, death benefits employment offices, and other information that might be needed by returning veterans.

Mrs. Ida Bodkin has been seriously ill, but is reported to be doing better. She is staying with Mrs. C. F. Stavelly while recuperating.

Mark Twain was the literary name of Samuel L. Clemens.

March of Dimes Container Taken From Kerr Hotel

Sanderson now has its candidate for the "meanest man" title. Some time this week the container used in the collection of dimes for the Infantile Paralysis drive, was taken from the Kerr Hotel. No exact account of the amount of money it contained is possible, but it is estimated that the container held between \$35 to \$50 in bills and change.

These containers are placed around over town in the different business establishments for the convenience of those who wish to give to this worthy cause.

We will offer the culprit as a likely candidate for the above named title until someone can come forward with a better candidate.

Only Few Days Left To Pay Poll Tax And Secure Exemptions

Only a few days remain in which voters may qualify to participate in this year's elections and considerable confusion exists among two classes of voters—returned ex-service men and voters over sixty who vote on exemption certificates.

A committee appointed by the Democratic State Executive Committee has conferred with the Attorney General on this matter. The Attorney General has issued an opinion on soldier voting which will enable ex-service men and women to vote without difficulty. It will not be necessary for them to obtain exemption certificates, or to register in order to be permitted to cast ballots. The committee will furnish all county and precinct chairmen and election judges with adequate instructions on soldier voting.

In the case of voters over sixty, however, it will be necessary for those living in cities of over 10,000 population to secure new certificates of exemption before January 31st, if they are to participate in this year's primaries and elections.

The Democratic State Executive Committee hopes that all of these persons will secure their certificates before the deadline but fears that many may fail to do so, as in many cities of over 10,000, less than half of the exemption certificates have been renewed.

PRESENTING

Haley Alton Haynes, eight and one-half pound son of Mr. and Mrs. Bill Haynes, born Friday, January 18 in Fort Stockton hospital. He is the grandson of Mr. and Mrs. J. W. Haynes and J. L. Haley, all of Sanderson.

Major and Mrs. J. Campbell Kern, accompanied by their daughter, Carolyn, and son, Paul, were visitors here a few days this week en route from California to Nashville, Tenn. They are former residents of Sanderson.

Jubber Bowden, who recently joined the Navy will be home next week to visit with his mother, Mrs. O. J. Creswell, and friends.

Mrs. Bertha Mansfield received a telephone call from her son, Harry Brown, a student of T. C. U., telling her that he had the measles.

S-2c Lewis Lemons Jr., who was home on a thirty day leave left Tuesday for El Paso, to report for further orders.

A dance was given Friday night by the Annual Staff, honoring the students, who won in the Popularity Contest.

Annual Birthday Ball Scheduled For Thursday Night

W. W. Sudduth, Terrell County Chairman for the 1946 March of Dimes drive, announced this week that the annual dance given to help raise money to combat Infantile Paralysis would be held Thursday night, January 31, at the Masonic Hall.

The National Foundation for Infantile Paralysis was founded in 1928 by the late President Roosevelt to "lead, direct and unify the fight against infantile paralysis" and is dedicated to the conquest of the disease.

More than 13,000 men, women and children in the United States were victims of infantile paralysis in 1945, making it the fourth highest year on record the National Foundation reports. In 1943 and 1944, the Foundation reported 12,429 and 19,053 cases respectively. The three-year total, 1943-45 inclusive, is greater than has ever been reported previously for any five-year period.

During the eight years of its existence the National Foundation for Infantile Paralysis which conducts the March of Dimes, January 14-31, has disbursed over \$8,000,000 for research and education, and over \$2,000,000 for emergency aid in epidemics. Epidemic aid supplements the expenditures of local chapters. In 1945 alone, local chapters disbursed close to \$5,000,000 for care and treatment of local poliomyelitis patients. One-half of all contributions to the annual March of Dimes remains with the local chapters for this work.

More striking than any monument which might be erected to Franklin Delano Roosevelt is the organized fight against infantile paralysis which he inaugurated and personally symbolized in his lifetime.

Your contributions to the National Foundation for Infantile Paralysis through the March of Dimes, January 14-31, can help build a living memorial to our great war president.

Mrs. C. P. Peavy Is Hostess to Members Tuesday Bridge Club

Mrs. C. P. Peavy entertained members of the Tuesday Bridge Club in her home this week.

Following bridge games high score prize was presented to Mrs. Jim Nance, second high to Mrs. Walter Grigsby, and consolation to Mrs. Steve Stumberg.

Others present were Mesdames P. E. Dishman, Jack Deaton, John Harrison, Tol Murrain, Hugh Rose, Roger Rose, Fred Turner, and John Williams.

Mrs. W. A. Daugherty of Alpine has been visiting her sister, Mrs. Clyde Higgins and family for the past two weeks. Mrs. Higgins, her daughter, Mary Nell and Mrs. Daugherty visited friends in Carrizo Springs Saturday.

Joe Thompson, son of Mr. and Mrs. S. D. Thompson arrived home Saturday after receiving his discharge from the Marine Corps.

Samuel Thompson, son of Mr. and Mrs. S. D. Thompson arrived home Tuesday after receiving his discharge from the Navy.

Pvt. Douglas H. Smith arrived Sunday morning on a four-day leave to visit his parents, Mr. and Mrs. A. C. Smith, and his sister, Mrs. J. T. Moses and her son Jimmy. Douglas has been assigned to Headquarters & Headquarters Detachment, Eighth Service Command, Ft. Bliss, Texas, since his induction in November.

AMERICAN LEGION PLAN NOW IN PRINTED FORM

INDIANAPOLIS, Ind.—A printed brochure outlining in detail The American Legion specific plan for military training as integrated after much study with education and business careers is off the press.

Copies of the pamphlet are now being distributed to all leading educators in the United States to religious groups, to labor organizations, women's clubs, and to school associations such as the PTA and NEA and all similar organizations.

The American Legion plan

provides for a year's military training for all youths between the ages of 18 and 20 years. This training would be divided into two periods. The first period calls for four months of basic military training. Thereupon the trainee may select any of several options for the completion of the remainder of his training or its equivalent. He may go on to college and train with the ROTC. Or he may go ahead with his business career and enlist with the National Guard for three years, or in any functioning unit of the Organized Reserve Corps; or if qual-

fied, he may, if selected, pursue advanced technical training or basic scientific training which may be given in the armed forces, or in industry, or in a college; or he may complete his training with the armed services; or he may enlist in the regular forces for a normal enlistment period.

The more you do the better you'll feel

Oh, what most of the human race would give to be in *your* shoes!

Clothing that you may consider old can bring new life to some suffering person to whom war brought despair and destitution. Goal of the Victory Clothing Collection is 100,000,000 garments, plus shoes and bedding. If your contribution seems negligible, bear this in mind: Every garment you give means one more human being saved from cold or sickness or possibly death.

About 25,000,000 people overseas re-

ceived clothing collected from America last spring. But for every person clothed far, a dozen more remain virtually bare. Your spare clothing will be distributed free, without discrimination, to victims of Nazi and Jap oppression in Europe, Philippines, and the Far East.

Dig into your attics, trunks, and closets today . . . dig out all the serviceable clothing you can possibly spare . . . take it to your local collection depot now. If you doubt the need for it overseas, ask the boys who've been there!

END THE CAMPUS

What a week! Honestly, it's practically murder! Yes, the end-term exams I'm speaking of, a whole half day for each class, really gave the teachers a chance to find out what we know or rather, didn't know. The largest percentage of the class that I heard came from the bookkeeping class. It seems their exam was wholesale failure! Everyone but teachers passed that it was the hardest. Or are we just plain stupid?

It seems that the old gang is starting Friday night to get rid of the worries in a rink like the nymph to get rid of the nymph—of course that is what it doesn't end in a dog fight about a dozen people of you.

The volleyball girls have been playing every afternoon and exams didn't slow us down. Everyone has been working with enthusiasm. Let's make an unbeatable team. The trip to Marathon was a pleasant surprise. Twelve were lucky enough to make it, and now friends and peevish chatterbox needs to be the new semester out right spring in with both feet, so take so adios!

It takes a person two years to talk and 50 years to keep his mouth shut.

Hi peopies! How ya be??? This is the week after mid-terms so we're all jus' resting—not doing nos'ing.

Whats this I hear about spark plugs??—and getting shocked?? Could it have been Thompson?? Birdie is going to San Antonio this week-end—Melvin, be careful.

Old cat wonders why Cookie was so mad at Dudley Friday?? And who were those "strange girls" Dudley has been taking riding—I wonder?

Betty Sue, did you say you went straight home from the show Friday nite??

Who were Doris Duke and Peavy hiding from Saturday nite?? Ask Melvin.

What happened to Mary Agnes and Cecelia Saturday nite? Come on—fess up???

Beckett, what's this we hear about you and David Thompson? Nice going!!!

Who are the girls who can't wait for the Marfa game to come—I wonder?

What's this we heard about all the cute girls in Big Lake?? S. H. S. girls had better watch out.

Saw Doris Duke and Gene out riding Sunday in a swell looking car.

Guess who Cecelia was with Saturday nite, could it have been with Bado?? You sure get around—was it Ed that brought you to school Tuesday morning?

SCHOOL FAVORITES TO BE ELECTED

The high school favorites will be chosen in a student election to be held this week or next. The election will be held by the annual and the following favorites from the student-body are to be chosen: Most popular boy, Most attractive girl, best athletic boy and girl. The winners of this election will each be given a full page in the favority section of the 1946 annual.

Class favorites will also be chosen in class meetings.

ODDS AND ENDS

O. K. you can breathe now. The mid terms are over and we have heard the accounts of our grades—Some have that smile on their face and you can readily tell they have done well—but the other poor ones—I, feel for as I do for myself! Maybe we can't smile so big but we certainly are wishing we could.

The news of S. H. S. is sagging today—You see no ex's around, only the same faces that we look at day after day.

The weather looks as if it has cleared for awhile anyway—I tried awfully hard to snow but somehow it just never got around to it.

There has been a few changes in the classes at S. H. S. Maybe some have been dropped while others were taken up—I hear Business Arithmetic is well under way now. The third period isn't it?—That certainly does hurt the girls who expect to lose a few pounds in P. E. every day of that period—But, that is life I guess—

This is enough babble I do say—But you can't get rid of me—I'll be back next week.

So Long—
Hazel Babb

SEEING THE SENIORS

Among the Seniors of Sanderson High we have a cute somewhat red headed one, who is known as Mac.

She was born in a little log cabin in Sanderson, Jan. 8, 1929.

Mac has attended school here from the first grade.

She has something in common with most of us, in that her favorite passtime is loafing.

Another pastime is eating her favorite food which is Eagle Brand Condensed Milk.

Since the theater is the only recreation here Doris says her favorite movie is "Our Vines Have Tender Grapes."

Doris's favorite book is "The Morning Is Near Us."

I have often wondered why Mac always wore blue but from all accounts it is her favorite color.

Mac's not so big, but she still is red headed, blue eyed and has a lot of spunk about her.

We wish you luck all through your life Mac.

SPORTS

More Officers Are Needed to Serve in Regular Army

Commissioned officers with temporary ranks in the Army of the United States who have served during the war are being offered the opportunity to become members of the Regular Army in the ranks of lieutenants, captains and majors under the new bill passed by Congress and signed by President Truman, according to Colonel Robert L. Bacon, director of Military Personnel Procurement, Headquarters Eighth Service Command in Dallas.

Because of the increased size of the standing peacetime Army, more officers are required, Col. Bacon said. Public Law 281, the new bill authorizing this increase, raises the number of Regular Army officers from 16,000 to 25,000. Any officer who served between Pearl Harbor day and the enactment of this law on December 28, 1945, whether he is now on active duty or in reserve status, is eligible," Col. Bacon said. "The Army desires to retain the services of many officers who have proved their value to their country during wartime. By remaining in service, they will continue to serve their country and at the same time provide themselves with a well paying career and future security."

The grade in which the new Regular Army officers will serve will be determined by their age over 25, their length of commissioned service and the highest temporary grades they attained as commissioned officers. They will rank immediately below present Regular Army officers with an equivalent or greater length of service.

Applications must reach The Adjutant General in Washington by March 1, 1946. Final selections will be made by the service command in which the applicant wishes to serve. They will appear before officers' interview boards, which are located in the Eighth Service Com-

Announce Ceiling Prices on Used 1946 Model Vehicles

Ceiling prices for used 1946 model commercial motor vehicles—trucks and truck-trailers—have been established at the same percentage levels in relation to new vehicle prices as those provided for 1945 models. Edgar Reagan, price specialist of the San Antonio district Office of Price Administration, has announced.

Ceiling prices for used 1946 model commercial motor vehicle list price when sold on a warranted basis, and 81 per cent of that price when sold "as is." The list price of a new vehicle is lower than the delivered price which includes taxes, transportation and handling, and preparation charges.

A warranted vehicle is one which is reconditioned and sold by a dealer with the guarantee that he will pay one-half of the cost of any new parts, except tires, tubes, paint, glass, or upholstery, required by the vehicle in the first 30 days after sale or 1,000 miles of driving, whichever comes first. A vehicle sold "as is" is one sold without guarantee as to its performance.

Voices Appeal

Nearly 100,000,000 Americans will have seen and heard Greer Garson (above) voice the appeal of the Motion Picture Industry's March of Dimes committee by January 31, when the drive for funds with which to fight infantile paralysis is scheduled to end. The appeal is sponsored by the National Foundation for Infantile Paralysis.
