

THE SANDERSON TIMES

SANDERSON, TEXAS, FRIDAY, MARCH 7, 1947

NUMBER 2

Paper clips, fountain pens, ink eradicators, staplers, all degree pencils, dictionaries, wastebaskets, erasers—Times Office.

PROCLAMATION BY THE Governor of the State of Texas

TO ALL TO WHOM THESE PRESENTS SHALL COME:

WHEREAS, The American Legion on March 15th will observe its 28th birthday and begin on its 29th year of service to the community, state and nation; and,

WHEREAS, the American Legion throughout that period has been (as it is) the largest veterans' organization in the history of mankind; and,

WHEREAS, the American Legion's stand for continuous military preparedness, care of the disabled veterans and of the wives, widows and orphans of those veterans who gave their lives for their country in both world wars is well known; and,

WHEREAS, it is customary for each state in the union to observe its March American Legion Membership week and because the Department of Texas now has more than 150,000 members and is recognized as one of the most outstanding in the nation;

NOW, THEREFORE, I, Beauford H. Jester, Governor of Texas, do hereby proclaim the week of March 10 - 16, 1947, as

AMERICAN LEGION MEMBERSHIP AND BIRTHDAY WEEK

and

and call upon our citizens to join with this organization in the observance thereof that its membership continue to grow and thus enlarge its capacity for patriotic and unselfish service to our state and nation.

IN TESTIMONY WHEREOF, I have hereunto signed my name officially and caused the Seal of State to be affixed hereto at Austin, this 15th day of February, A. D., 1947.

Beauford H. Jester
GOVERNOR

Paul H. Brown
SECRETARY OF STATE

American Legion Posts To Observe 28 Birthday

AUSTIN, March 6.—Texas's 709 American Legion Posts with 151,000 members observe the 28th Birthday of the American Legion March 15. Governor Beauford Jester in honor of the observance has proclaimed March 10 to 16 as American Legion membership week in Texas.

Many Posts throughout Texas will have annual birthday parties. The American Legion was conceived in Paris by enlisted men and officers at a caucus following the Armistice of November 11, 1918. The Paris Caucus was held on March 17, 1919, and this is birth date of the Legion.

Since that time The American Legion has shown a steady growth in membership and an increasing influence in American affairs. Advent of World War II members into its ranks gave The American Legion a new impetus and a re-birth.

Bertram E. Giesecke, Austin, Department Commander, has called upon all Texas Legionnaires to observe Legion week in accordance with Governor Jester's proclamation.

No Funds Available For Highway 285 In Terrell County

In an interview the first of the week with A. W. Pope, resident engineer of the Texas Highway Department, the Times learned that as yet no funds had been allocated for paving that part of Highway 285 in Terrell County. While part of Highway 285, between Sanderson and Fort Stockton, is expected to be paved, preliminary work and survey will not be completed until sometime this fall.

While all of the right-of-way has not been secured, Mr. Pope feels that no trouble will develop in securing right-of-way for Highway 285, in that part of Terrell County where a right-of-way is needed.

He stated that he is now working on the project and hoped to have sufficient funds allotted so that a bridge across Downie draw and two miles of highway this side of the draw may be constructed and connected with the Pecos County project. There is about 10 miles of the road in Terrell County for which no funds have been appropriated.

Mr. Pope feels that by the time the Pecos County project is completed that funds will be allotted to pave that part in Terrell county, which will amount to only a few miles, thus making a complete paved highway between here and Fort Stockton.

ROTARY NEWS

There were three visiting Rotarians at the Sanderson Rotary Club when they met on Wednesday noon of this week at the Kerr Hotel. These visiting Rotarians included Callan Graham of Junction, Dr. A. B. Phillips of Clearlake, Iowa, and H. Conger Jones of Del Rio.

Students of the Sanderson high school who were guests of the club included Misses Ora Mae Blackwelder and Doris Duke. Mr. McMillan of San Antonio was a guest of Rotarian I. G. Robertson.

At this time, the members and guests enjoyed hearing Miss Ora Mae Blackwelder, a senior student of the high school who has entered the senior girl's declamation contest of the Interscholastic League meet to be held in Marfa, deliver before the club her declamation, "A Message to America."

Stump Duke led the songfest that was held.

Mrs. J. H. Lochausen and daughter, Miss Roberta were Del Rio visitors on Tuesday of this week.

Winter Stages A Comeback In This Section Thursday

Winter staged a comeback in this vicinity Thursday when, after several days of warm and balmy weather, a cold rain began to fall early Thursday morning and later turned into snow and sleet.

Aided by a cold norther, rain, sleet and traces of snow fell intermittently during the day Thursday and heavy overcast skies prevailed. During the night on Thursday, sleet and snow fell and was accompanied by a cold wind from the north. Friday morning a light covering was to be seen on the hillsides and over the ground. The temperature began to rise and by noon Friday most all traces of snow and sleet had disappeared.

The thermometer stood at below freezing all Thursday, getting as low as twenty six degrees by mid-afternoon, and reaching the low level of 23 Friday morning.

Cars coming through town from the west were covered with snow and reports were that snowfall west and north of here were heavy.

Marfa to be Hosts To Interscholastic League This Month

The Texas Interscholastic League meet for District 77, of which the Sanderson Public schools is a part, will again this year meet in Marfa, with the events scheduled to be held the latter part of this month.

This year tennis and volleyball contests will be held on Friday and Saturday, March 21 and 22 and the remaining contests on the following week-end, March 28 and 29.

J. E. Gregg, superintendent of the Marfa schools has announced that the following men and women will be in charge of the 2-day competition in Marfa the two weeks in March:

Director General J. E. Gregg; Director of Debate—H. L. Waldrum, Alpine; Director of Declamation—Earl Bland, Marathon; Director of Extemporaneous Speech—J. W. Garner, Sanderson; Director of Athletics—Boren Hunter, Marfa; Director of Ready Writers—John Prude, Fort Davis.

Director of Number Sense—Mrs. Alice Swartz, Fort Davis; Director of One-Act plays—Miss Collins, Alpine; Director of Typing and Shorthand—Mrs. Pauline Friend, Fort Davis; Director of Spelling and Plain Writing—Mrs. Roger Smith, Valentine.

Director of Tennis—E. A. Etheridge, Sanderson; Director of Volleyball—Leon P. Fisher, Presidio; Director of Slide Rule—Mrs. Alice Swartz, Fort Davis; Director of Playground Ball—T. L. Cook, Alpine.

For the past several weeks and for the coming week Sanderson students have been busy and will be busy preparing themselves for the various events that Sanderson will enter.

This week eliminations in tennis is being held and by the coming week it will be known who will represent Sanderson in that event. Announcement will also be made before the time of the League as to what events Sanderson will enter and who will participate in the events.

The winning grade school will receive a trophy, as will the high school whose students amass the greater number of points.

At the Interscholastic League meet last year Sanderson was winner in many of the events. Among them were winners of first place in the track meet for Junior boys and second place for the Senior boys. In the grade school tennis events Sanderson took first place.

And in the declamation events first place went to Sanderson in the Senior Girl's declamation and first place in the grade school girl's declamation.

This year it is hoped that Sanderson will better the record that was made last year.

Veterans' News

Q—Am I eligible to receive a pension or compensation if I signed a statement at the time of my discharge saying that my disability existed prior to my enlistment?

A—Under the Servicemen's Readjustment Act (G.I. Bill) any statement of this nature which you have made at the time of discharge is considered null and void.

Q—If I am eligible for three years of schooling under the G. I. Bill, does that mean three school years or three calendar years?

A—If you are entitled to three years of education or training under the Servicemen's Readjustment Act (G.I. Bill) you are eligible to three calendar years (36 months) of education or training. This may be used up in four ordinary school years of nine months each.

Q—Am I eligible for education or training if I was in the army less than 90 days during World War II and was discharged for a service-connected injury?

A—Yes.

Q—May a veteran of World War II who is receiving retirement pay pursue a course of training or education and receive subsistence allowance?

A—Yes, if he is otherwise eligible.

Q—Does Veterans Administration have to approve of my course of education under the G. I. Bill?

A—No. An eligible veteran may elect his course and choose any state-approved educational institution in which he is eligible to enroll.

Annual Drive For Red Cross Funds Now On

The annual Red Cross Drive for Sanderson and Terrell County opened on March 1st and will continue during the entire month, according to an announcement made the first of the week to the Times by Mrs. J. W. McKee, local chairman.

Letters asking for contributions to the local chapter were mailed out this past week, and the response to this has been fairly well.

Anyone who wishes to make contribution to the Red Cross may do so conveniently by leaving the donation at the Sanderson State Bank where arrangements have been made for receiving Red Cross funds. Persons contacted by mail are urged to reply as soon as possible, using the enclosed stamped and addressed envelope for mailing donations to the fund.

Dwight D. Eisenhower, General of the Army and Chief of Staff, has the following to say in regard to the American Red Cross:

"There is a widespread, continuing need for the multiple services afforded by the American Red Cross to our people, soldier and civilian alike. During the war I had countless opportunities to observe and evaluate the aid rendered by members of this great humanitarian organization to our fighting men. The tasks of the American Red Cross did not end with the war's conclusion. In some fields, they have increased in number and complexity. The indispensable services which this organization has extended through the drive will be retained by the local chapter to take care of its work locally."

Mr. and Mrs. Joe Kerr Jr., spent the week-end in Brackettville visiting her parents, Mr. and Mrs. J. F. Beidler.

Hearing in Civil Case Postponed Till March 19th

The regular term of District Court has been in session in Sanderson this week with Judge Roger Thurmond, of Del Rio, presiding. Other court officials that have been in attendance include W. P. Wallace Jr., district attorney and Mrs. Belle Sutherland, court reporter, both from Del Rio.

Previously set for hearing on Tuesday was the civil case, A. F. Fitzpatrick versus O. B. Bendele.

The nature of the case was Trespass to Try Title and was a jury case. By noon on Tuesday selection of the jury had been completed with the following being selected to serve: Ted Attaway, Hicks Canon, Gene Thorne, E. McSparran, Robert Gatlin, A. A. Shelton, Roy Deaton, Charlie Rogers, James House, Monty Wallace, Milton Holmes and Victor Littleton.

Evidence in the case was started Tuesday afternoon and several witnesses were placed on the stand that afternoon and during the day Wednesday. All of Wednesday and Thursday hearing was continued to be heard in the case until late Thursday at which time the court recessed until March 19th when further hearings will be presented.

Callan Graham, of Junction, was the attorney for Bendele, while Brian Montague, of Del Rio, represented Fitzpatrick in the case.

Marfa Shorthorns Champs in 8-B Regional Tourney

The Marfa Shorthorns, under Coach Bodie Hunter, came out as victors and for the second consecutive time, was winner in the Regional 8-B basketball tournament which was held last week-end in Marfa. They bowled back the Fort Stockton Panthers, 34 to 18, to become the champions.

This culminated the regional tourney in Marfa and makes the Marfa High School team eligible to compete in the state meet.

The two Francos and DeVolin led the scoring for Marfa. In the District meet which was held in Marfa this week-end of February 15, the record-setting Shorthorns marked their third consecutive District 81-B basketball championship. Alpine won second in this and Marathon third.

In the regional meet held in Marfa last week-end Marathon came out with third place honors when they nosed out Crane, 47 to 45, in an overtime game for third place honors. Rutledge of Marathon amassed 30 points.

The Fort Stockton Panthers, came out as winners of second place when they upset the Crane Cranes, 36 to 32. It was a semi-final conflict. Fort Stockton came from behind to knot the count by the close of the first half.

The state meet will be held this week in Austin, commencing Thursday and lasting through Saturday.

IN HOSPITAL

Mrs. Doc Turk, who ranches north of Dryden, has been confined in the Del Rio Hospital this week where she is undergoing treatment of an infected eye.

On Wednesday her son and his wife, Mr. and Mrs. Charley Turk, went down to visit her. She was reported as doing nicely and will be able to return home by the latter part of this week.

Mr. and Mrs. Maurice Davis, of Houston, were Sanderson visitors over the week-end. While here, Mr. Davis, who is an attorney with the law firm of King and Davis in Houston, attended the special meeting which was held yesterday by the local B. of R. T. Lodge.

Coleman County 4-H clubs will be represented at the San Angelo and Fort Worth livestock shows by three members who have conducted outstanding beef calf during demonstrations during the past year.

State Highway 227, Marathon to Big Bend National park road, it was announced at Austin last week-end.

The bid of \$169,674.31 was for grading, structures and asphalt surface on the section of road from the end of present construction, approximately 24 miles south of Marathon, to the park entrance at Persimmons Gap.

Alpine Avalanche

HEALTH NOTES—

AUSTIN, Texas, Mar. 6.—With the incidence of chickenpox more than 50 per cent higher than records indicate for a seven year median, Dr. Geo. W. Cox, State Health Officer, issued a statement today declaring, "It is a great mistake to treat even light cases of childhood diseases such as chickenpox, measles, mumps, scarlet fever or whooping cough as though they did not amount to much. That sort of treatment makes it possible for these diseases to spread and cause serious outbreaks among children and their resulting impaired resistance makes them easy victims to other forms of infection."

"Some of the most serious outbreaks of chickenpox which we have had, have been traced to mild cases—that is, to cases too light for the doctor to be called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept home for a few days, they have returned to school and have scattered these germs around, among their schoolmates. Eventually a group of cases—sometimes very serious ones—have developed from the carelessly-handled mild case. The result was another epidemic that could have been prevented."

The State Health Officer said that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the child is put to bed, and a doctor's advice sought and followed.

Mrs. C. E. Rhodes and daughter Carole Ann returned Tuesday to their home in San Antonio after spending the past week here visiting her parents, Mr. and Mrs. Wayne Harrell and family.

For the winter nursery at night, open the window slightly at the top and place your electric fan on some high cupboard or shelf, then adjust it for medium speed to circulate the air gently. This will insure even sleeping temperatures, mixing warm and cool air without danger of drafts.

Southern Gentlemen Chosen to Play for New UT Radio Show

The Southern Gentlemen Band, first post-war musical aggregation on the campus of the University of Texas, will supply the musical entertainment for the new University radio show that begins March 12 under the sponsorship of the Union Broadcasting Board.

A member of this band, which was organized at the University last year is Bill Savage, son of Mr. and Mrs. W. H. Savage of this city. Bill plays the saxophone in the band, which has on numerous occasions furnished music for dancing at the University.

The band was selected by the five-member broadcasting board on last Wednesday, after the board had considered the results of the Feb. 19 band auditions. Musical versatility, contract cost, and musical quality were the criterion for the board's decision.

The following, taken from a recent edition of the Daily Texan, tells of the selection of the band for the radio show:

"The bands of Collin Lockfield, Jim Gambino, Charley Featherston, and the Southern Gentlemen were heard at the audition. Each band played three pieces before the board—a 'jump,' a popular ballad, and semi-classic—and the selections were analyzed for versatility and quality by three appointed judges. Joe Phipps, former program director of KTBC, Dick Lyons, erstwhile member of the Armed Forces Radio Service, and Miss Eugenie Voss, Texas Union Director, served as judges.

The Southern Gentlemen, an all-University group, is headed by students Ken Cook and Clifton Dietz. Specializing in inserting 'Sparkle and class' into dance melodies, the Gentlemen feature the arrangements of Dietz and Alberta Conaway along with the songs of Lou Blanchet, vocalist. The harmony of the 'Trombone Trio'—Lee Hay, Ray Ware and Baylor White—

Blind since he was shot down in one of the early Fortress raids over Germany, John Paul Moriarty has returned to work at the Timken Roller Bearing Co.'s Canton plant, thanks to a war-time developed electronic gauge which enables blind workers to inspect precision parts as rapidly and efficiently as a sighted person.

Timken officials said they began working on the development as part of a plan designed to provide postwar jobs for handicapped veterans. Leaders in rehabilitation work hail this as a far reaching step in their program to make the handicapped independent and self-supporting.

The gauging machine now operated by the veteran uses sound as a substitute for sight. By distinguishing between oscillating notes from a small loudspeaker, attached to the machine, the blind operator is able to tell whether the bearing being measured is proper or defective.

The smiling Moriarty, except that he wears a red cap, would not be noticed by the visitor. The girls working on the same production line have only one complaint,—he works too fast.

Moriarty and his wife, Catherine, have three children, Cecelia Anne, 21 months, and the twins, Kathleen and Maureen, now one-year old.

also highlight the Gentlemen renditions.

Miss Blanchet's sister, Alberta Conway, teams with Murchie Taylor and Ken Cook to form the rhythm section for the Gentlemen. Steve Davis, Travis McKinney, Dan Stuart and Bill Savage play saxophones for the newly-selected band.

The fifteen minute program will allow the band to play three numbers, one of which will be the song of the week. The other selections will be of popular and semi-classical.

Broadcasting from the Junior Ballroom of the Union, the

Southern Gentlemen will play fifteen minutes of warm-up music for the benefit of the attending audience. The warm-up period will also be used to introduce the performers who will participate during the broadcast, which will begin each Wednesday afternoon over radio station KVET."

Mrs. W. T. Bondurant, of San Antonio, was a week-end visitor here looking after her ranching interest and visiting her son and daughter-in-law, Mr. and Mrs. W. G. Downie.

Mrs. H. B. Echols spent the week-end in Sanderson visiting her aunt, Mrs. C. L. Surratt. Mrs. Echols was enroute to her home in Uvalde from Prescott, Ariz., where she has been with her mother, Mrs. S. A. Rainey who has been seriously ill for the past month. Mrs. Rainey was better when her daughter left her.

Mr. and Mrs. Jack Hardgrave returned Saturday from San Angelo and Troy, Texas, where they went on last Thursday. They were accompanied to Troy by Mrs. Hardgrave's mother, Mrs. Griffin, who has been visiting them here for several weeks.

A new mine locomotive headlight, which projects a beam 550 feet, increases mine visibility by 83 per cent.

RETURNS HOME Mrs. Buster Cade, who has been in San Angelo for the past two weeks, and where she underwent a major operation, returned to her home here on Sunday. Mr. Cade and their daughter, Wayne, motored to San Angelo last Saturday and returned here Sunday with Cade.

Mrs. Cade is able to be up about the home and hopes to be able to resume the management of her Cafe, Jimmie's House, by the first of the next week.

From where I sit... by Joe Marsh

A Definition of Our Town

Sombody defined our town just the other day as "A place where the people talk about you behind your back, and come to wait on you when you're sick."

I've got to admit there's something to it. A lot of our folks are inclined to be pretty outspoken and quick to criticize . . . even about little things, like a woman's hat, or a man's preference for a glass of beer, or the color of Cy Hartman's new barn.

But when anyone's in trouble, those differences and points of

criticism are forgotten . . . and folks become neighborly and helpful, like they really are.

From where I sit, criticism never did much harm to anybody, so long as folks don't let it guide their actions . . . so long as they respect our individual preferences, whether they apply to hats or beer. That's the way it is in our town, anyway, and I hope that it's the same in yours.

Ranch Home Club
Met Saturday
at Kerr Hotel

Ranch Home Demonstration Club of Sanderson met on Saturday, March 1st at 10:30 in special dining room of the Kerr Hotel. One of the interesting features of the opening program was Roll Call in which reference is made with some time chosen topic of interest. W. W. Sudduth, President, reported over the business meeting. Reports were heard and the budget for the fiscal year officially adopted.

N. E. Charlton was leader of the program on Pure Food Drug Laws, giving a most interesting account of its history. Mrs. John Dyche discussed subject from the angle of "these laws help us," bringing out especially how these help keep dangerous drugs off the market, and keep certain social evils. Mrs. Charlton then held a round table discussion.

At the lunch Mrs. W. W. Sudduth, assisted by Mrs. John Dyche, gave a demonstration of painting. She brought out the fact that before applying the paints, materials should be washed thoroughly to free from starch and sizing and pressed. She used a series of pencils, making very attractive designs, both floral and abstract, to be used as a decorative effect on lunch napkins, bridge table covers, scarves, blouses, and other desired. She had a number of pieces completed ready to illustrate the various members were given an opportunity to mix the paint designs on cloth.

Pauline McWilliams was in attendance and demonstrated the tooling of leather. will be given at some future date.

Ranch Club was 100% in each member pay 15 to the Texas Home Demonstration Association Fund.

Next meeting will be on 1st in the special dining room of the Kerr Hotel.

Following were present: Mrs. Allan Hardgraves, Bill C. P. Peavy, O. T. Sudduth, W. W. Sudduth, Lee Dudley, E. Charlton, Joe Nichols, Byrd, John Dyche, Jim Hilland, John Longfellow and Mrs. L. Sullivan.

Shelton, of Midland, where this week with his A. A. Shelton.

RETURNS FROM HOSPITAL
Sam Underwood, who has been seriously ill for several weeks and was taken to San Antonio and placed in the Santa Rosa Hospital in that city, was able to be returned to his home here on Thursday of last week.
Sam is doing fine and is making satisfactory recovery from his illness and is able to be up a few hours each day. He plans to resume his duties as local telegraph operator of the T & N O. Railroad soon.

Ross Underwood, who has been here due to the illness of his father, Sam Underwood, left Monday for San Antonio where he will take a plane to Miami, Fla., where he is with an Airline Company.
Mr. and Mrs. A. M. Murrell, of Crane, Texas, were recent visitors with their daughter, Mrs. Woody Ivy and Mr. Ivy.

**Miss Melva Stout
Becomes Bride Of
H. W. L. Johnson**

On Tuesday, February 25, in Del Rio, Texas, Miss Melva Stout of this city and H. W. L. Johnson, of San Antonio, were united in marriage. W. G. Lee Woods, Justice of the Peace, performed the single ring ceremony. Attending the couple were Mr. and Mrs. Bill Goodwin of this city.

Mrs. Johnson is the daughter of Mr. and Mrs. Clem Stout of this city. She attended the Sanderson Public school and is employed as waitress at the Club Cafe.

Mr. Johnson is from San Antonio and is the son of Mr. and Mrs. H. W. L. Johnson Sr., of that city. During the World War II he saw service in the U. S. Navy, serving about three years in the Pacific Theatre of War. At the present he is employed on the T. & N. O. Railroad as a brakeman.

The young couple are making their home here.

MAKES HONOR ROLL

Bobbie McCue, son of Mr. and Mrs. Lee McCue, who is attending Sul Ross College in Alpine, has been named among the students that made the College honor roll for the first semester.

Bobbie entered Sul Ross College last summer following his discharge from the U. S. Air Corp and is taking Business Administration. At the close of this semester he will be classed as a Junior.

Miss Marjorie Jessup, who is attending Trinity University in San Antonio, spent the weekend here visiting her parents, Mr. and Mrs. Ernest Jessup. Miss Marjorie is recovering from an attack of the flu, having been confined to the Nix Hospital for medical treatment the previous week-end.

Mrs. W. D. Chandler and daughter, and Mrs. Art Chandler were in town from the Chandler ranch north of Dryden.

HOLDING FAST to a beachhead established during the war, 24 women employees in the engineering department of the Timken Roller Bearing Co.'s Canton factory, daily bend over drawing boards and find use for their triangles, compasses, dividers and other drafting equipment.

Prior to World War II, Timken, like nearly every other manufacturing concern in the country, did not have a woman at work on engineering problems. But, when draft boards took two-thirds of the department's 60 men, six women were hired as an experiment. The experiment was a success and today the women are regulars.

Each newcomer is given on-the-job training and some are so enthusiastic they have continued studies, leading to a degree in mechanical engineering, under a five-year cooperative plan offered by the University of Cincinnati.

In the picture is Miss Evelyn Smith, 19-year old Canton girl, who went to work in the section 18 months ago. Neat, trim and pretty as can be, Miss Smith likes the work just fine. Asked if this was her career, she smiled prettily and replied, "Yes, that is until the right engineer comes along."

**Wednesday Bridge Club Entertained
By Mrs. B. Canon**

At her home on Wednesday of this week, Mrs. Bustin Canon was hostess to the members of the Wednesday Afternoon Bridge Club and several guests.

There were four tables of players that enjoyed the afternoon games of bridge. Mrs. Elsie White was awarded the high score prize and Mrs. Tol Murrach the second high score prize. Consolation prize went to Mrs. S. L. Stumberg and the traveling prize to Mrs. C. P. Peavy.

Mrs. Canon served a lovely salad course with hot coffee or tea to Mesdames J. D. May, Roger Rose, Jack Laughlin, Mary Lou Keller, J. W. Pate, H. A. Finger, Harvey Krauss, H. E. Fletcher, J. C. Green, Conway Pickard, Carlton White, John T. Dyche, Mrs. W. E. Lea was a tea guest.

Mrs. Ed. M. Reeves of El Paso is visiting her sister, Mrs. E. P. Halley.

**Friday Bridge Club Entertained
By Mrs. Goode**

REMEMBER—when you could buy a pound of creamery butter for *27¢?

BACK in 1939 you could walk into almost any grocery store and buy a pound of creamery butter for 27¢. Today, for a pound of butter of similar quality, the cost is between two and three times as much. And what is true of creamery butter is true of many other things you buy. Almost everything has gone up—almost everything except electricity.

As a result of greatly increased use coupled with sound business management, electricity has stayed down in cost while other prices have been going up. Electricity is one of the few things you buy that still sells for pre-war prices or lower. Although your monthly bill may not be less, due to the fact that you're using more electricity, the cost per unit of electric service was never cheaper than it is today.

*Average price from grocery ads in newspapers of September 21, 1939.

Electricity IS ONE BIG EXCEPTION IN TODAY'S HIGHER LIVING COSTS

Summer Camp Plans Talked At Paisano

By CUB EDWARDS

Dr. R. A. Clifton, who is now in charge of the Paisano Baptist Encampment to rebuild it into one of the largest and best Baptist assembly places in the nation, met at Paisano with prominent Baptist leaders of this area last Monday to discuss plans for this important undertaking.

Dr. Clifton said that Texas has become Paisano-conscious and many Texans are ready to start building summer homes and camps on this 600-acre site just as soon as sewer and water facilities are enlarged and building areas are surveyed and designated. Money is already available to start this work and Dr. Clifton wants to rent a home and office space in Alpine where he can live and work until such plans are built for him at Paisano. Water and sewer systems will be built to take care of an average population of 2,000 and a peak load of 3,000 people.

Architect Here

Whitely Simons, noted architect of Tyler, Texas, was here with Dr. Clifton to take charge of the planning. He said that the new tabernacle would be built on the hill some 300 yards south of the old tabernacle and that it would face Paisano Peak to the north. From this central building, walks, roads and buildings would spread out to the north and east in a plan that was in keeping with western architecture and the mountain scenery of this region. He said that houses and dormitories would be built to rest and that building sites would be so planned that the places would be almost "out of this world" for those who came here for peace and rest, and religious meditation.

Present plans propose a construction program for 1934-35 months of each summer and longer occupations for those who

General Sports From S. H. S.

The Times is indebted to Coach E. A. Elheridge of the Sanderson High School for the following information pertaining to the various sports events that are now going on in the local school.

Tennis eliminations at S. H. S. have progressed with the prospects striving to remain in the tournament play for the week-end of March 21st. After cutting each division to four players, a challenge bracket will be established whereby the players will challenge each other for position. This will enable all to have a fair chance of moving up the ladder. Entries are in all divisions except that of Ward school girls.

Attention will be turned in the next few weeks, to track for the Juniors. The workouts will be held on Lions Field where there is room for both running and jumping. Those expected to report for the initial call are: Robert Dishman, Thomas Hill, Ed Smith, Billy Chamberlain, Jack Harrell, Jimmy Harris, Walter Paul and Jimmy Russell.

Competition for places on the high school boys, both Senior and Junior, softball teams will get underway next week at Lions Field when regular workouts will be held. Interest is keen for both teams.

Work on the new football field is progressing with grass seed planted and water now being put on the field. The walls are being shaped up and much improvement may be noted in the future field of play for the Eagles.

The finals in the Volleyball tournament will get underway Friday night with the following games on tap:

7 p. m. Senior Boys vs. the Junior Boys, for consolation winner.

8 p. m. American Legion No. 2 Team vs. the Town Girl's Team for winner of third place.

8 p. m. American Legion No. 1 team vs. the Lions-Society team for winner of the first place.

The tournament, which started last week, drew a large crowd and much interest being maintained in the games. The above teams were the winners in the various games that were played last week.

A large crowd is expected to be on hand Friday night to see who will be winners in the various above scheduled games.

There were a total of eight teams that entered into the Volleyball tournament which started on Monday of last week.

Teams that entered the tournament included two teams from the local American Legion Post, one team that was made up of members of the Society and the

DRYDEN NEWS

Mrs. Beula Farley Correspondent

Mrs. Alfred A. Cooke entertained Karen Ann Winn on her fifth birthday with a birthday party in the home of Mrs. B. R. Farley.

The guests, after wishing Karen Ann a Happy Birthday and singing the birthday song, played several games and had their fortunes told. The three-tiered birthday cake and ice cream was served to the following guests: David and Virginia Lee Boyd, Ruth Marie Smith, Patsy and Peggy Tenor, Red and Sally Wagner, Glenn Longley Jr., Della Mae Dunagan, Jo Ann Harrell, Marilyn Milam, Diana Estes, Lenora and Ann Lee McDonell, Betty Rutledge, and the honoree Karen Ann Winn.

Mrs. Cooke was assisted in entertaining by Mrs. Farley, Mrs. Fogger Dunagan, Mrs. D. J. Boyd and Mrs. Buster Winn.

Mr. and Mrs. Jake Baldwin Jr., of Austin, arrived Sunday to take over the management of the Blanco Courts.

Bob J. Rains, of Houston, is the new third track railroad operator.

Sam McDonnell has accepted the job of patrolling the river in the eradication of the hoof and mouth disease.

Mrs. Whetstone of Georgia stopped for a visit with Mrs. E. S. Farley. She was on her way to Tucson, Ariz., to visit her son.

Mr. and Mrs. Rufus Ross were business visitors in Del Rio Saturday. They were accompanied by their young son.

Miss Vera Cash returned home Saturday after a visit of several weeks in Houston and San Antonio.

Jimmy Joe Russell returned to school Monday after being con-

fined to his home for two weeks with mumps.

Miss Lois Mae Bassett of San Antonio is visiting her parents, Mr. and Mrs. J. M. Bassett.

Mrs. Chester Smith is improved after being confined to her bed for several days with the flu.

Mr. and Mrs. Jim Condra and

daughter Dorothy left Wednesday for a trip to San Antonio.

Dr. Otto Silverman, of Mason, Ohio, was a business visitor in Dryden the past week here for Los Angeles, Calif.

The U. S. Patent Office issued 2,500,000 patents since was established 154 years ago.
