FOUR EAGLES VOTED TO ALL-DISTRICT FOOTBALL TEAM

Four Sanderson Eagles were placed on the all-district football team selected by the mentors of the district, M. B. England, Eagle coach, announced this week. The teams were selected by a poll of the coaches who voted on first and second teams.

The all-district team is: ends Thompson, Sanderson, Munoz, Maria; tackles F. Harrell, Sanderson by unanimous vote, Clune, Fabens; guards Smith, Sanderson, Magallanes, Marfa; center Ramos, Fabens; backs A. Bava, Fabens, H. Hill, Sanderson, Riggie, Alpine, Pena, Marfa.

Mussey, Dishman and J. Harrell were chosen for the second team and Sanchez, T. Hill and Russell were honorable mention.

Out of the four men chosen for the first team three of them will return to the Sanderson squad next football season. They are F. Harrell, Smith, and H. Hill.

MITCHELL ANIMALS WIN AND SELL AT FORT WORTH SHOW

At the annual sale of Texas Polled Hereford Association at the Southwestern Exposition and Fat Stock Show at Fort Worth, a bull consigned by N. M. Mitchell, of Sanderson, brought \$410. Two heifers from the Mitchell herd sold for \$450 and \$430.

In the judging of Polled Hereford bulls at the show, Ramon Real 3rd, the bull owned by N. M. Mitchell, placed 12th, in the two-year old class.

Band Booster Club Makes \$99 at Supper

The Band Boosters' Club reported \$99 made on the Italian spaghetti supper served last Friday evening before the Lions Club show. The bingo games netted \$22.

The members of the club expressed their appreciation of the patronage of local citizens, the merchants from whom they purchased the supplies at a discount, and to Betty Sullivan and Margaret Newton for their help in the kitchen.

DONATIONS FOR CHRISTMAS SEALS REQUESTED

Mrs. E. J. Hanson, TB Health Chairman for Terrell County, has asked that individuals and clubs receiving Christmas seals and bonds to please send their donations to her at an early date in order that she may complete her report for sale of same.

Mrs. Charlie Rogers was returned from an Alpine hospital a week ago and is convalescing very satisfactorily. She had an appendectomy February 1.

Mrs. Ernest Miller, of Roscoe, California, spent a week with Mrs. Miller and sons. He returned home Saturday.

Mrs. J. M. Bassett, of San Antonio, is spending the week here visiting friends and relatives.

Mrs. Susie Burchett, who is the mother of Mrs. Emmett Young, is in a Del Rio hospital in a serious condition.

A. L. Rodgers, of San Antonio, spent several days here on business this week.

Patsy Teenor is ill in Del Rio at the home of her grandparents, Mr. and Mrs. Sam Wynn.

Mrs. Esther Carlisle, of Boston, Mass., has returned to her

WINS HONORS AT HOUSTON SHOW

BILLY GENE HILL WINS HONORS AT HOUSTON SHOW

In the smaller towns and communities it is often the youngsters who put the town in public circles. That happened during the past two weeks when Billy Gene Hill attended the Houston Fat Stock Show. Although his father's ranch is in Pecos County and he belongs to the 4-H Club of that county, Sanderson is "home" to the Claude Hill family and Billy Gene attends the Sanderson School giving Sanderson a claim on him.

Young Hill went to the Houston show for the fourth time, taking five calves, four of which, three Herefords and one Brahman, were given to him by J. H. West, of Houston, and F. B. Pyle, of El Paso, on whose ranch the Hills reside. The other calf, an Angus, was caught by Billy Gene last year in the calf scramble. This calf weighed 130 pounds last January. After a year on a ration of corn, barley, oats, cottonseed meal, molasses feed and hay, it weighed 770 pounds. At the sale the calves brought \$1909.

Last March, he borrowed \$1,000 from the Sanderson State Bank to buy 15 calves which he placed on feed. He recently sold eight of the calves and paid off the note.

A junior in the local high school, Billy Gene is expecting his calves to go a long way toward paying his way through A&M College which he expects to enter after his graduation in 1949.

Billy Gene's honors at the show were: Reserve champion Brahma of show, Champion Brahma open class, 19th place Angus scramble class. He also won second place and a \$10.00 award in the essay contest of the show calf scramble. Last year his Hereford steer placed first in the open class and two years ago he had the first place lamb at the show.

"Don't forget to mention my county agent, W. T. Posey, of Fort Stockton," said Billy Gene. "If it hadn't been for his help and advice, I never would have gotten to where I am today."

Funeral services were held in Del Rio, Texas, Thursday afternoon for Mrs. Elizabeth Jane Fawcett, widow of the late Robert McMahon Fawcett, who died in Uvalde Wednesday. Arrangements were in charge of the Doran Funeral Home and interment in Westlawn Cemetery. Services were conducted in the Doran Chapel with R. H. Pharis, minister of the Church of Christ, officiating.

Mrs. Fawcett was born in Gonzales County and would have been ninety years of age on February 14.

Survivors include one son, A. L. Fawcett, of Sanderson, four grandchildren, Mrs. Mildred Wilson, of Bryan, Mrs. Ruth Herndon, of San Benito, Fred R. Ratliff, of Del Rio, Leslie R. Ratliff, of Orlando, Fla.; five great grandchildren. A daughter, Mrs. Stella Ratliff, preceded her in death.

Pall bearers were O. D. Finegan, G. C. Poole, T. O. Baker, Jack Paul, Lyle S. Almond and George R. Randall, of Comstock.

Mrs. G. W. O'Neill has been ill and unable to work for several days. Prince Dishman has filled her place at the postoffice during her absence.

Two Cases Seifled In District Court Session Monday

District Judge Roger Thurmond, of Del Rio, presided over the session of District Court in Sanderson Monday. He was accompanied by W. P. Wallace, Jr. of Del Rio, District Attorney, and Mrs. Bell Sutherland, court reporter.

Robert E. Lacy, who was charged with felony theft in the taking of the pick-up truck belonging to Carlton White on January 14, pleaded guilty and was given a five-year suspended sentence.

In the case styled Mary Louise Goldwire vs William H. Goldwire, divorce, the plaintiff was granted a divorce. She was also granted custody of the two children nine months during the year and the defendant for three months.

The court adjourned late in the afternoon.

CONTRACT LET FOR PAVING EAST OF TOWN

According to A. W. Pope, resident engineer, the contract was awarded to H. B. Zachry, of San Antonio for 3.64 miles of road construction east of town.

The work will begin at the east end of the improvement work that was completed last fall.

Approximately \$219,000 will be spent in this improvement work which will require about 180 working days.

MOTHER OF A. L. FAWCETT BURIED IN DEL RIO THURS.

Funeral services were held in Del Rio, Texas, Thursday afternoon for Mrs. Elizabeth Jane Fawcett, widow of the late Robert McMahon Fawcett, who died in Uvalde Wednesday. Arrangements were in charge of the Doran Funeral Home and interment in Westlawn Cemetery. Services were conducted in the Doran Chapel with R. H. Pharis, minister of the Church of Christ, officiating.

Mrs. Fawcett was born in Gonzales County and would have been ninety years of age on February 14.

Survivors include one son, A. L. Fawcett, of Sanderson, four grandchildren, Mrs. Mildred Wilson, of Bryan, Mrs. Ruth Herndon, of San Benito, Fred R. Ratliff, of Del Rio, Leslie R. Ratliff, of Orlando, Fla.; five great grandchildren. A daughter, Mrs. Stella Ratliff, preceded her in death.

Pall bearers were O. D. Finegan, G. C. Poole, T. O. Baker, Jack Paul, Lyle S. Almond and George R. Randall, of Comstock.

FOUR STUDENTS, TEACHER INJURED IN CAR WRECK

A blow-out on the right front tire of the car belonging to W. H. McCullar was responsible for an accident which injured Mr. McCullar, Misses Doris Duke, Nancy Peavy, Janie Turner and Jean Franklin, occupants.

According to Mr. McCullar, the wreck occurred about 6 miles west of Del Rio Saturday night at about 10:30. They were returning from the band clinic which was held in Del Rio when the tire blew out and the car swerved into a culvert wrecking the car.

Mr. McCullar suffered a twisted ankle, cuts about the face and head, bruised chest and several teeth were knocked loose when he was thrown against the steering wheel and windshield. Miss Duke suffered a slight concussion with bruises and shock. Miss Franklin received an injured ankle and small cuts about the face from broken glasses. The other two occupants, Misses Peavy and Turner, received only minor bruises and shock.

The group was taken to a Del Rio hospital for treatment and examination by R. S. Wilkison who stayed with them and brought them back to Sanderson Sunday.

McCullar's car was covered by insurance but the amount of damage has not been ascertained as yet.

Local Citizens Enjoy Stage Show Presented Friday

Local talent at its best was displayed last Friday night at the presentation of "Yesterday and Tomorrow", at the high school auditorium.

M. B. England acted as master of ceremonies. The old barber shop quartet, composed of W. H. McCullar, David Duke, Lawrence Menefee, Garland Inmon, sang several old harmonious numbers. The high school students presented a melodramatic pantomime depicting the losing and finding of grandma's girdle and the catching of the villainous thief.

The Hungry Five, a band formed by W. H. McCullar, Jimmy Bradford, Jimmy Harris, Betty Cooke and Nancy Peavy played several numbers of old vintage. A minstrel skit with W. W. Sudduth as interlocutor and black face men Jimmy Caroline, Bernie Kerr and Ruel Adams, in real minstrel style, disclosed some of the secrets of local notables. This was followed by a duet, Ors Mae Blackwelder and S. A. Berkley, singing a take-off on "When You and I Were Young, Maggie."

One of the highlights of the show was the Rogers brothers, Charles and Harvey, singing several songs with their own guitar and violin accompaniments. Three youths of undisclosed identity gave their own version of the Andrews sisters style of vocalizing.

A style show depicting the latest trend of ladies' wear from the gay nineties to the era of the "new look" was put on by several of the hairy-chested, muscled leg, masculine pulchritude of Sanderson.

Approximately 250 persons attended and enjoyed the show sponsored by the Lions Club and for the benefit of the Eagle Band uniform fund.

Proceeds amounted to \$164.

MR. AND MRS. C. P. PEAVY RETURN FROM DALLAS

Mr. and Mrs. C. P. Peavy returned Saturday from Dallas where Mr. Peavy had a clinical examination. Mr. Peavy is resting up from the trip this week but expects to be able to spend a few hours daily at the bank where he is vice-president.

Miss Ernestine Barnett, of Valentine, has been the guest of her brother in law and sister Mr. and Mrs. Charles Rogers, Jr.

Icy Norther Off North Texas Blizzard and Snow Hits Area

Sixteen Places On All-Star Band Filled By Eagles

Sixteen members of the Eagle Band were given places on the all-star band presented in an evening concert at the Del Rio Band Festival Clinic in that city last Saturday. The sixteen members were Betty Cooke, clarinet; Jimmy Bradford, trombone; Betty Ann Peavy, flute; Janie Turner, French horn; Doris Duke, alto clarinet; Jack Savage, bass clarinet — first stand places.

Second stand places: Jackie Talbot, cornet; Alejandro Avilez, cornet; Nancy Peavy, clarinet; Marjorie May, tenor saxophone.

Third stand places: Jimmy Harris, cornet; Mary Landon Rose, clarinet; Marilyn Mansfield, drums; Robert Joe Dishman, bass drum; Bobbie Cooke, French horn; Barbara Anderson, glockenspiel.

The clinic was held in the morning. Participating bands included Del Rio High School, San Felipe, Eagle Pass, Sonora, Sanderson, Crystal City and the Kitten Band of Del Rio. Directors were criticized and scored by the judges when each band played three selections.

Each band played and marched in the parade Saturday afternoon. One hundred players were chosen from all bands for the all-star band which had a two-hour rehearsal later in the afternoon.

Sonora won the trophy for the best disciplined band, judges giving their decisions on the conduct and appearance collectively and individually during the day.

The Del Rio Chamber of Commerce was host at a barbecue for all visiting bands at noon.

DR. J. C. KERN TO OPEN OFFICES

Dr. J. C. Kern, who will engage in the general practice of medicine will open his offices Monday in the old Kuykendall-Hayre law office next door to Riggins Jewel & Gift Shop.

Office hours will be 9-12 and 2-5.

Dr. Kern was a local resident from 1937 to the latter part of 1940. He entered Vanderbilt University, Nashville, Tenn., for graduate work and then entered military service during the late war, serving four years. Last summer he returned to Tennessee for hospital work after residing in Junction, Texas for a short time.

Temporary residence has been established at the MeAdams apartments by Dr. and Mrs. Kern and their two children, Carolyn, age 10, and Paul, 7.

Dr. Kern expressed joy in returning to Sanderson and former friends and associates.

"B" HONOR ROLL STUDENTS LISTED

The following students of Sanderson High School have made the "B" honor roll for the semester: Barbara Anderson, Jimmy Bradford, Barbara Clark, Betty Cooke, Bobby Cooke, Robert Dishman, Arturo Guterrez, Frank Harrell, Ernestine Jessup, Cecilia Marquez, Marjorie May, Betty Peavy, Liz Phillips, Harriet Pierson, Peggy Sullivan.

After a few days respite from the recent cold wave when residents of this area enjoyed several days of balmy sunshine, the cold blast sweeping out of Northwest Texas finally struck here early Wednesday morning. Temperatures continued to drop all day and reached a low of 29 degrees Thursday morning. Overcast skies prevail in this area today and an icy wind brings much discomfort.

One of the worst cold spells of the season has gripped all of north Texas for several days and caused train and bus schedules to be delayed, roads to be closed, traffic halted and much suffering and misery in areas where butane and fuel oil shortages continue.

Snow and hail have accompanied the icy blizzard in some sections. Many construction workers already faced with idleness due to the cold weather saw no immediate relief in sight.

MOBILE X-RAY UNIT TO BE HERE FEBRUARY 16-17

Monday and Tuesday, February 16 and 17, are the days that the mobile X-Ray Unit will be in Sanderson. It is hoped that every person in Terrell County who is 15 years of age and over will be present for a chest examination during those two days.

An office will be set up in the vacant building adjacent to the Community Public Service Co. office and local women will assist the two-man crew in the examinations. These examinations will be furnished without charge by the State Department of Public Health, and will require only a few minutes and the person being examined will not be required to remove his clothing for the X-ray.

The office will be open from 8 to 5.

When chest X-rays are taken, a case history card will be filled out. On this card the individual lists the name of his physician. If the X-ray proves negative the individual is notified by a card; if the print shows positive, the physician is notified and the person is contacted. If the individual is financially unable to secure treatment, the El Paso Tuberculosis Association will assist the Terrell County Unit in securing hospitalization and other treatment.

Only through examination of the adult population can we eliminate the danger of exposure of our children to tuberculosis infection. It is hoped that every adult in the county will take advantage of the service offered by the mobile unit.

Special Service At Methodist Church

In announcing plans for a special service at the Methodist Church next Sunday, Rev. Lawrence Menefee, pastor, said: "Next Sunday, February 15, is Commitment Day at the Methodist Church. It is highly significant that the first Sunday of Lent has been chosen as the day of study, prayer and commitment concerning beverage alcohol. This serious situation is one of the 'blind spots' of our vision in America. We need to join in the prayer of the one who said, 'Lord, let us be aware!'"

"The commitment which all are invited to make with us is stated as follows: 'I commit myself to sobriety and a good example, by adopting for myself the principle of total abstinence from alcoholic beverages, as a wise way of life.'"

Everyone is cordially invited to attend.

Mrs. J. M. Bassett, of San Antonio and her son, Roger, were visitors in Sanderson Wednesday.

VOLUME XXXX

LISTEN TO LUKE

Had we looked at the calendar properly we probably would not have published a paper this week on the usual publication day — Friday! It is the 13th — not that is my nemesis! Dove, and deer season are over and there's no real close place to go fishing so the only thing to do is leave it to fate. We're really being contrary when we don't even let Friday 13th be a reason enough for not bringing you this week's opportunity to check up on our ability to be the news right.

There's just going to have to be either two Thursdays or two Fridays this week because we are an awfully hot place or high water — the show must go on!

Quite a while ago Luke invited readers of this column to press their views or ideas through these columns. We have listed below an unsolicited letter from the undersigned who gives his belief and opinion on a matter of local interest.

A Sanderson industry that deserves the support of every citizen in Terrell is the Sanderson bakery.

The owner and operator came to Sanderson when he was two years old and has been employed by one of the largest bakeries in San Antonio and one large one in the west coast.

Some of our citizens who have availed extensively tell us the end, rolls and other products had here are as good as any they have purchased anywhere and the rye bread and rolls, their opinion, exceed any they've eaten elsewhere. These citizens also expressed assurance at the community spirit that is developing in Sanderson and the hope that this spirit will unite all of our citizens in a common effort to make Sanderson one of the most desirable places in which to live our great state.

"Tony" served two and one-half years in the army, most of them in Fort Lawton, in Seattle, Washington. He was superintendent of the bakery and head

H. A. Smith is one of the primary reasons for the newspaper to foster and publicize local news. We are happy to publish a letter from Mr. Smith, wishing to see people take an interest in fellow citizens, sharing their troubles as well as their

troubles has been here a long time and has gotten along very well, so I'm not going to change a thing. I have a big enough match to burn on the world on fire. But if you are interested in furthering the civic relations between Sanderson and Terrell County in any way they can rely on the Sanderson Times to help in any way possible. Sanderson is our livelihood and good will of the people is a great factor for success.

A dual reason for Sanderson to take care of its citizens comes out the same way. We pay a nickel for an article here but we get the worth of good will when we do it. The same person can be a good citizen, too. But we must all be on the same end of

for the week: "Review high government officials go, the tax payer pays in the end."

Mrs. Mitchell has returned from San Antonio. Mr. Mitchell for her and they returned Saturday.

Mrs. Pat Harris returned from Houston Saturday. Mrs. Harris is showing improvement.

Mrs. Joe Kerr, Jr., returned last week from Bracketville visiting

FOUNDERS' DAY OBSERVED BY P-TA THURSDAY

The regular monthly meeting of the Sanderson P-TA was held in the high school auditorium Thursday evening with Mrs. T. A. Herring leader of the program. A special number was presented by the pupils of the third grade.

Mrs. Herring introduced Jack Hayre who gave a very interesting and instructive talk on "Your Government and You."

In the absence of Mrs. Sid Harkins, president, Mrs. J. W. Pale presided at the business session. In the room count the

third grade won the attendance prize.

This meeting marked the annual observance of Founders' Day. In giving an account of the source of the celebration, Mrs. E. J. Chastain said, "Founders' Day is not only for commemorating the birth of the National Congress of Parents and Teachers but for rededicating ourselves to the promotion of the ideals and purposes of the parent-teacher movement. The highlight of the observance is the tribute paid to the founders, Alice McLellan Birney and Phoebe Apperson Hearst. The National Congress was founded in Washington, D. C., February 17, 1897.

at a child welfare conference called by these two ladies. The idea of having an annual Founders' Day was conceived by Mrs. David O'Mears, one of the original group that met in Washington. She felt that parent-teacher idea should spread to all of the byways and corners of the U. S."

After the adjournment, a social hour was enjoyed in the banquet room. Cake and coffee were served.

Mrs. June Kimole has left for her home in Fort Worth after a visit in the home of her daughter, Mrs. E. M. Rainbolt.

Mrs. Billy Magill and son, Bill, and Mrs. Tol Mrurah were visitors in Alpine and Marfa Wednesday.

Presenting the new 1948

PONTIAC

A FINE CAR MADE EVEN FINER!

GM Hydra-Matic Drive optional on all models

Today, Pontiac announces a series of notable advancements in the car that has already won the wholehearted endorsement of more than a million owners and friends.

Foremost among these advancements is the great General Motors Hydra-Matic Drive—now offered as optional equipment on all Pontiac cars. Pontiac is the lowest-priced car in the world to provide this great mechanical masterpiece—which shifts gears automatically, and completely eliminates the clutch pedal.

Coupled with this great engineering triumph is a striking improvement in beauty and luxury. New exterior smartness extends from bumper.

Interiors, too, are remarkably improved. Upholsteries are more beautiful and are expertly blended to achieve new attractiveness and charm. Instrument panels are finished in a smart design adapted from quarter-sawn mahogany—and an adroit use of chrome moulding adds a deft touch of modernity.

Engine and chassis have been refined wherever possible—but they remain, basically, the same engineering masterpieces which have become synonymous in the automotive industry with goodness and dependability.

There are many more things we could tell about the new Pontiac, for there are countless improvements which add to its traditional quality and value. But we feel that, for those who know Pontiac, we need only say—

—here is, by far, the most beautiful Pontiac ever built

—here is the most luxurious Pontiac ever built

—here is the most dependable Pontiac ever built

—and it is now available with GM Hydra-Matic Drive—*optional at additional cost

We wish only to add that it is here—in our showroom—and that you are cordially invited to see and inspect it.

Ranch HD Club Has Demonstration On Glove-Making

The Ranch Home Demonstration Club had an all-day meeting at the ranch home of Mrs. C. C. Mitchell Friday. Mrs. Herman Couch was in charge of the program based on "Short Cuts in Sewing." Particular mention was made of the use of bias binding, feather-stitching hems in woolen garments, and the use of pinking shears in cutting. Miss Pauline McWilliams, demonstration agent, showed an easy way to make a rolled hem and the blind-stitching of hems by machine.

Mrs. N. M. Mitchell gave the educational talk concerning gambling in England, which is becoming a national problem in that country.

After lunch was served, Mrs. J. T. Dyche presided at the business meeting. Mrs. J. W. Byrd gave a short parliamentary drill on making amendments. Mrs. O. T. Sudduth, secretary-treasurer, gave the annual treasurer's report. The use of spare time was discussed by the members.

Miss McWilliams gave a demonstration of the making of capeskin gloves. Mesdames A. W. Pope and Vic Littleton were welcomed as new members.

Mrs. E. J. Chastain Nominee For P-TA Officer, District 6

The name of Mrs. E. J. Chastain, of Sanderson, was submitted by the nominating committee as a candidate for vice-president of Crockett and Terrell Counties at a meeting of the executive board of District 6, Parent-Teacher Association, last Thursday at San Angelo. The slate of officers is to be elected for a two-year term at the conference of District 6 in San Angelo April 6 and 7.

Mrs. Sid Harkins had been named a member of the nominating committee but illness prevented the attendance of Mesdames Harkins and Chastain at the executive board meeting. Mrs. Chastain is to finish her first term as vice-president in April.

GIRL SCOUTS PLAN FOR SEWING BADGES

The Girl Scouts met at the Scout House Wednesday afternoon. They discussed the requirements for earning their sewing badges. Sarah Pat Grigsby and Alva Merle Cooke served refreshments to eleven members.

Buick takes the bows—with ten sparkling models, a new Vibra-Shielded ride, sensational Dynaflo Drive, 30-odd new advances

The curtain's up — the show is on — and square in the spotlight of public favor is this fashion-plate Buick.

This bonnie, brawny beauty is taking bows for the eye-appeal of its ten stunningly-smart models...

Catching bouquets on the utter brilliance of Hi-Poised Fireball power...

Getting applause for Safety-Ride rims, pillow-soft tires, all-coil springing — for bodies newly sheltered against disturbing noise — for no less than 30 new features.

And it's winning curtain calls on two major advances no other car offers.

One is the fabulous new Dynaflo Drive* where there is no gearshifting, even automatically. You just step on the gas — and motoring close to magic is yours.

Other star feature is the Vibra-Shielded ride. Here for the first time you're shielded against vibration build-up that brings on fatigue. Here no tiny tremors can harmonize into big ones. Here is living-room comfort and quiet.

Your Buick dealer is showing this fashion plate that's touched with magic. See it. Check it for spaciousness, for solid-feeling steadiness, for superlative finish, fittings and fabrics.

Then — to get one into your garage at the earliest possible date — get your order in now.

From where I sit... by Joe Marsh

Do You Have Noisy Neighbors?

A lot of the neighbors were suddenly annoyed by Jeb Crowell's hammering at night. Jeb was building himself a new front porch—and the only time that he could give to it was after sundown.

Finally we decided the best thing to do was all pitch in and help—and got the carpentry over with as soon as possible. We did. Finished the porch next evening—and Jeb gratefully treated us to ice cold beer and cider.

From where I sit, that's what being a good neighbor means. In-

stead of complaining about the other fellow's habits, try to understand and share his interests.

So if my practicing on the flute annoys you, come on over, neighbor, with your fiddle or guitar and join me! Maybe it will end up in our knowing and appreciating one another better . . . in an evening of good fellowship. And I'll promise to provide the beer that goes with evenings of good fellowship!

Joe Marsh

Your share, \$1,782,472,718

or your livestock and your dairy and poultry products, soybeans, cottonseed, etc. . . you ranchers and farmers of America received in 1947 almost thirty billion dollars, a new high.

Out of that amount, \$1,782,472,718 came to you from Swift & Company in payment for the products you sold to us. Of every dollar that we took in from the sale of our products, we paid to you an average of 79.3¢ for your products.

Together we are doing a big, vital job of helping

feed millions of families in America and in many foreign lands. Neither of us can do that job without the other. Since we are in this together and dependent upon each other, we feel that you have an interest in knowing how we have handled our end of this "joint operation." This page is our way of telling you. It shows you how we handled, in 1947, our business of processing and marketing. It shows how much money we took in, where it went to, and what services we performed to earn our 1¢ profit per dollar of sales.

How We EARN Our Profit

In addition to providing a market for livestock and many other agricultural products, Swift performs many essential services for producers and consumers. Most people can't go to farms to buy their meat, neither can retail dealers. Swift brings the meat to them. We have been doing this big, necessary job for 62 years, efficiently and economically.

Here are the services Swift & Company performs to earn its small profit:

- 1) We buy livestock and many other products from farmers and ranchers raise; then process and distribute them.
- 2) We process, brand, and perform all the necessary operations to prepare our products for market and consumption.
- 3) We utilize all by-products. Every part that is used is processed and sold in various forms. Income from this source increases the price of stock to producers, decreases the cost of meat to consumers.
- 4) Our research finds new uses and new markets for farmers' and ranchers' products.
- 5) Our Martha Logan experimental kitchens find new foods under home conditions, so that Swift products may give consumers the greatest possible satisfaction and value per dollar.
- 6) We pay transportation charges on our finished products, delivering them to dealers in all parts of the United States. This makes a broad, nationwide market instead of a limited local market for the products of livestock producers.
- 7) We provide employment and a livelihood—good wages, good working conditions and security—for 73,000 people who work for Swift & Company.

Our earnings for all this were one cent on every dollar of sales.

HOW SWIFT'S DOLLAR WAS DIVIDED
