ANNUAL JULY 4 CELEBRATION HERE PROVES HUGE SUCCESS FOR LEGION POST

The annual Fourth of July celebration here sponsored by the American Legion proved a success, according to Bob Kerr, post commander.

There was a huge crowd present for the dance in the Kerr Mercantile building Saturday night and the committee headed by Hal Rowlett reported a substantial income from the proceeds. This revenue is added to the building fund of the post for a permanent home to be built on the lots donated previously to the post.

A large crowd attended the big free barbecue on the courthouse lawn Sunday at noon and remained for the presentation of the awards. The 1948 Chevrolet sedan was given to U. J. Adams of Marathon, the radio combination to Ray Turner of Sanderson. W. D. O'Bryant, Jr. won the Bendix deluxe washer and the pure-bred polled Hereford bull, donated by N. M. Mitchell, was won by T. A. Hevener of Burnet, Texas.

The American Legion membership is well pleased with the outcome of the venture this year and has expressed the desire to make it an annual affair with possibly more entertainment features to attract crowds in the future. Officers of the post and committeemen asked the Times to express their thanks to all who so liberally contributed and cooperated in helping make the affair a success.

LIONS, FAMILIES ENJOY BARBECUE AND OUTING

Members of the Sanderson Lions Club and their families enjoyed a barbecue supper and outing Wednesday evening at the Kerr windmill just west of town.

The officers for the coming year were introduced by W. W. Sudduth, to include R. V. Spears, president; Troy Druse, 1st vice-president; G. A. Immon, 2nd vice-president; M. C. Dye, 3rd vice-president; and Ruel Adams, secretary-treasurer; R. E. Corder, tail-twister; H. A. Finer, lion tamer and directors W. W. Sudduth, K. E. Dick, W. E. Stavley and Chas. G. Riggins.

Boss Lion Spears expressed the desire of the club to hold similar meetings on the second Wednesday of each month for the Lions and their families to be carried out all summer as long as the weather permits. Approximately forty-five were present.

Mrs. J. H. Loehausen returned Saturday from El Paso where she had spent several days with her daughter, Miss Roberta Loehausen, and her son, Jessie H. Loehausen, and wife.

VFW TAKES SECOND DEFEAT OF YEAR FROM GRANDFALLS IN SUNDAY'S TILT

The Fourth of July was no day of luck to the VFW's favored team. They were forced to bow to their second defeat of the season at the hands of the Grandfalls Eagles with the score at the end of the ninth 2-1.

According to Field Manager Flores the boys played a bang-up ball game, but the bats of the locals did not connect so well with the horsehide to produce the needed runs for a win. The service of the powerful hitter, Pete Saenz, third baseman for the veterans, failed to reach par as he was handicapped by a sore arm and the team suffered the loss of his usual hard hitting.

Four scoreless innings were played before the Eagles produced the run to take the lead. In the fifth, however, the locals tied the score when Apodaca crossed the platter from a hit by Rodriguez.

In the ninth the Eagles placed a heavy hitter on third with a long hit to right field and that winning run came in on a single by the pitcher, Marquez.

who has been lead off man for the last two games led in hitting for the locals when he distributed three hits for four times up.

According to General Manager Manuel (Pasquel) Perez, arrangements have been made to bring the Uvalde Panthers here for Sunday, July 18. Promise of a good game is assured the spectators and although this loss hurt the winning streak of the veterans they are full of determination to produce winning ball in future games.

Next Sunday the Cubs will meet Fort Stockton on the local VFW field.

REMODELLED STORE ADDS TO SERVICE AND APPEARANCE AT TURNER GRO.

After carrying on business as best they could during the process of reconstruction and remodeling of the entire store building, Turner Brothers are now happy to be able to move about with the freedom and ease that comes only after the accomplishment of a worthwhile project proves satisfactory.

The new arrangement gives more room and more light with better display space made available. "It gives us satisfaction in the knowledge that our customers can now shop here in comfort and with ease," said Mrs. George Turner, cashier. "We appreciate the tolerance shown in the inconvenience we were forced to impose upon our patrons," she said but added that she was happy now that conditions make for more pleasant shopping in the grocery and market.

The market is now moved to the front of the store where it is convenient to get to. The entire arrangement adds much to the appearance of the business. Concrete walks have also been constructed in front of the business.

Plans Begun to Pave Entire Big Bend Park Road

Washington, July 10.—The National Park Service at the request of Representative Ken Regan, 16th Congressional District, has ordered three established real estate appraisers in the area to make estimates of the value of right-of-way property at Persimmon Gap which the Park Service seeks to buy to complete the route into Big Bend National Park.

Regan, co-author with Senator Tom Connally of a bill to buy this strip of land, urged haste on the part of the Park Officials so that the routes may be finished just as soon as possible, as it is believed the completed roadway will bring annual tourist totals in the park to 200,000.

"This should bring considerable business and a certain amount of prosperity to folks living along the route who have things to sell," Regan said.

The 80th Congress passed an appropriation bill including \$200,000 for land acquisitions at various national parks throughout the country. Big Bend was one of these. At first, the Republican-led House Appropriations committee killed the proposal to include this area. Regan then introduced an amendment to the floor to the appropriations bill and with charts, maps and a frank statement about the injustices to Texas caused by lack of a through route to the park, endeavored to get the House to provide a specific sum of \$30,000 for land purchases for Big Bend. He lost by only a few votes, despite the Republican majority's opposition. Then the bill went to the Senate.

There Senator Tom Connally took up the fight. He and Regan conferred at length. Senator Connally got the Senate committee to include the \$200,000. When the Senator discovered that it looked as if the sum could only go for land adjoining the park, he inserted special phrasing so that the appropriation might include land adjoining the park.

Now the Park Service says when it gets a report from its three appointed appraisers, it will set a fair price for the land. It will offer the owner this sum. If he agrees to sell, all right. If he does not accept the figure, the land will be condemned by the government.

Regan was highly pleased at progress made on the park service route, especially so since

BULLDOZERS TO UNCOVER FENCE

Buck Pyle, in from the ranch last Sunday, told a Times representative that the recent rise on the Rio Grande had completely covered several miles of West-Pyle fences on the river. He said that fences were built several feet above the high water mark but proved to be not high enough in the big rise.

Debris and dirt has completely covered fences so that a bulldozer will be required to remove the collection before a fence may be found.

JEEP ACCIDENT BREAKS ARM OF PFC E. GUTIERREZ

On June 25, Pfc Enrique C. Gutierrez, who is stationed at Denver, was in a jeep accident which cost the lives of two buddies and put him in the hospital with a broken left arm and some loose teeth.

Gutierrez and his companions were on a searching trip for a missing pilot with Gutierrez driving the jeep. The steering wheel became loose causing him to lose control of the vehicle and it hit a nearby oil well.

The accident caused Gutierrez to be taken off of an overseas shipping list. His condition is improved.

He is the son of Mr. and Mrs. B. M. Gutierrez.

Bags Big Panther After Killing Spree

Last week a big female panther was killed on the A. M. Potter YU Mesa ranch in the lower Big Bend Park area. The cat measured 6 feet and 4 inches and weighed 172 pounds. It was estimated that at least 75 head of sheep had been killed before the animal was brought down.

Tracks had been observed and a few glimpses of the animal were caught by riders. Search is being made now for its mate and young.

Finding this cat and the remains of the prey tend to spur the fight against government protection of predatory animals in the Big Bend National Park.

JOHN ROBERT PRUDE TO PREACH SUNDAY

Sunday morning at eleven o'clock John Robert Prude of Fort Davis will occupy the pulpit at the local Methodist Church in the absence of the pastor who is on vacation.

Mr. Prude is a student at Sul Ross College and has preached here on previous occasions.

REV. H. VARGAS RETURNS TO LOCAL PASTORATE

Rev. Horacio Vargas returned Monday morning from Corpus Christi where he attended the annual meeting of the Southwestern Conference of the Mexican Methodist Church.

Rev. Vargas is pastor of the local Mexican Methodist Church and was returned to his pastorate for another year.

Biological Freak BORN TO MULE ON BENSON RANCH

Gene Benson, well-known here, has an animal on his ranch near Alpine that to date has no classification. A mule has given birth to the animal that was sired by a stallion. It is well-known that mules do not reproduce their kind. (At least almost never.)

Also, this female whatever-it-is keeps fat on its mother's milk, the first fully authentic case of a mule being nursed.

DAUGHTER BORN TO MR. AND MRS. J. T. VANCE, JR.

The birth of a daughter weighing seven pounds and four ounces in Cuero on June 30 has been announced by Mr. and Mrs. John T. Vance, Jr. The little girl has been named Judy.

Mrs. Vance is the former Miss Marion Brieger, a former teacher in the Sanderson schools.

Train Service East To Be Resumed Friday

Scheduled train service east on the T&NO will be resumed Friday according to word received by local employees of the railroad. For the past two weeks service has been limited to one mixed train daily from El Paso with no trains east out of here. Bridge crews were on hand as was a large quantity of material, when the second wash-out occurred at the Devil's River bridge, thus facilitating rebuilding the bridge.

About 36 trainmen and engineers from Sanderson are now at work out of El Paso on the Texas Pacific road handling the freight traffic of this road on that route. With the reopening of service here the men will be brought back to Sanderson.

It is planned now to have No. 2, eastbound passenger train run on schedule Friday evening.

BRIDGE GOES OUT SECOND TIME SUNDAY

For the second time in two weeks the T&NO railroad bridge over Devil's River went out from high water. Crews had worked day and night getting the track in repair for train service when the second rise swept away all the work of the past week and more. Trains were scheduled for regular time Sunday when the new flood came caused from more rain up-stream in the water shed.

On Highway 90 between Del Rio and San Antonio, Sycamore Creek bridge was swept away in the first flood and the second took away all that had been repaired besides taking all of the approach on both sides of the bridge as well as two spans of the structure. Highway traffic has been routed via Spofford for the past few days.

Mail service in Sanderson is running behind with only one mixed train daily to and from El Paso. Crews have been assigned the west end to assist in running some of the trains over Texas & Pacific track which takes the entire freight and passenger traffic away from Sanderson.

Property damage in the flooded area will run into hundreds of thousands of dollars but an estimate is impossible. No accounting for livestock lost in the deluge can be had until a round up is made by all the stockmen. Sheep have to be in water only about fifteen minutes to drown while cattle and horses may keep their heads above water for several hours and sometimes their feet come in contact with solid ground and they can go ashore many miles from their starting point. As the water receded from the first deluge it was said that carcasses of drowned animals were to be found all the way down the Rio Grande to Rio Grande City.

Damages to fences in the area is unbelievable. Many ranchmen were busy all last week replacing and repairing fences only to see them go again. Miles of fencing were completely washed away.

FIREMEN WIN FIRST HALF OF SOFTBALL TOURNAMENT

The Fireman softball team won the last two games of a three-game series to cop the title as winners in the first half of the local softball tournament. They will play the winner of the next ten-week schedule for the city championship.

The Firemen came back after a terrific beating in their first game Tuesday night to show the Teenagers their style of consistency in ball playing and took both games by a wide margin.

Thursday Night's Game

With Smith on the mound for the Teenagers that team suffered a 29-8 defeat at the hand of Yeates, pitcher for the Firemen. Yeates allowed eight hits, walked twelve and struck out one. Smith allowed fifteen hits, eleven walks and struck out three.

The game Monday night of the Firemen, the first game of the second half, was postponed until Tuesday night because of the rain. The Firemen forfeited the game Tuesday night.

There will be no games played by the Railroad team until work is resumed on this division as almost all of that team is working on the western end of the division. Those games will have to be made up at a future date.

Tonight the Teenagers play the American Legion on the local diamond. Saturday night the local all-star team will play a double-header against a team from Ozona. The first game will start at six o'clock and the second at about 8:30. This is the first out-of-town team to play in Sanderson this year and it is hoped to bring a good class of softball competition to the local diamond. Local fans are urged to attend this game.

Next week's schedule is: Monday night, Lions versus Railroad. Thursday night, Rotary vs Teenagers. Friday night, Legion vs Fire Department.

MITCHELL WELL TO 5,707

Humble No. 1 J. C. Mitchell in Terrell County recovered 100 feet of mud only on a 30-minute drillstem test from 5,551 - 5,658 feet in section of unannounced acre. Drilling had progressed to 5,707 feet in lime.

Paisano Encampment To Open July 26 Near Alpine

The Paisano Encampment, near Alpine, is scheduled for July 26 to August 1 this year. Many improvements in facilities for the meeting have been provided for this year including two new dormitories for men and two for women. Each of these buildings will accommodate ninety persons each. In addition, a sewer system has been constructed along with an 80,000 gallon sanitary water tank.

Dr. Robert G. Lee of Memphis, Tenn., and Dr. E. S. James of Vernon are to be the preachers.

Youth meetings being held at Paisano this summer have been drawing large attendance, there being about 300 boys there for the Royal Ambassadors' session and more girls than that were at last week's outing.

LOCAL PEOPLE ATTEND LANGTRY CELEBRATION

Mr. and Mrs. Ike Billings celebrated their fiftieth wedding anniversary at their ranch home at Langtry Tuesday, with an old-fashioned Langtry kid-fry. Approximately one hundred friends and relatives joined them in the celebration.

Attending from Sanderson were Mrs. Lizzie Billings and Eva, Sandra Jean Schwalbe, Mr. and Mrs. Tommy Billings and children, Mr. and Mrs. Raymond Phillips and son, Mr. and Mrs. A. A. Shelton and W. L. Barber.

GRANDSON FOR MR. AND MRS. J. N. MILLER

J. N. Miller butcher at the Kerr Mercantile Company, is trying to get accustomed to being called "grandpa" this week. His first grandchild was born in an El Paso hospital last Thursday to his son-in-law and daughter, Mr. and Mrs. E. C. Ward. The little boy has been named Richard. Mrs. Miller is in El Paso with the new arrival.

Mr. and Mrs. Norris Howell of Gonzales arrived Tuesday to be the guest of friends for several days.

C. F. PICKARD, JOHN C. GREEN ESCAPE DROWNING

C. F. Pickard and John C. Green, two Eagle Pass men who are well known here, had a narrow escape from drowning two weeks ago when caught in the flood waters near that city.

They had set out trot lines in the mouth of Rosita Creek and were sleeping near Mr. Green's car. Heavy rains on a watershed above them brought down a wall of water into the creek and they were awakened by the water lapping against the bottom of their cots. They tried to start Green's car but the motor was already drowned out and so they were forced to flee to higher ground, wading water chin-deep before they got out.

The car was completely submerged by the flood waters but was saved.

Fayette Mayes, Retired Rancher Dies Thursday

Fayette Mayes, 75, of Fort Stockton died at the home of his son, Ben R. Mayes, in that city last Thursday evening.

Funeral services were held in San Angelo Saturday afternoon with burial in Fairmount Cemetery.

A retired rancher, Mr. Mayes came to Texas in 1888 and has been active in ranching in the San Angelo and Big Lake areas for almost sixty years. For a period of twelve years he was connected with the Federal Intermediate Credit Bank at Houston. Mr. Mayes was well-known among the ranchmen of this section.

INGS BACK PROOF FISHING TRIP

On a fishing trip one should bring back proof of the catch. That's exactly what Ellis McCool and Albert Vorhes did last week after spending a week on the Gulf of California. In Mexico they returned bringing good catches. They brought back a nice snapper and Mac said they caught a shark which went down back but they also had plenty of edible fish. The 1,000-mile trip was made without mishap, Mac reported. They were near Guaymas, Mexico.

"Out of the prevailing confusion a new world is taking shape. The most significant change is the revival of Western Europe's will to live. The mood of apathy and despair seems to be yielding to new hope and energy. For that the Marshall Plan must be regarded as mainly responsible. It was not, however, the offer of further American aid which revived the drooping spirits of the Europeans. They had no reason to think that by themselves more billions of dollars could be more than a temporary palliative. What stirred them to action was the notion that by working together they could use this American grant to lay the foundation of a new European system," writes Sir Harold Butler in Foreign Affairs.

If that point of view is correct Western Europe may be on the verge of unity for the first time in recorded history. Under the pressure of bleak necessity, the old prejudices and hatreds, stemming back to real and alleged injustices which occurred centuries ago, may be disappearing. Should that happen, the principal barrier to a strong Europe, capable of meeting and resisting aggression from the east, will gradually disappear. It is true that in France, Italy, and elsewhere, there is an enormous amount of down right graft, lethargy and the desire to get as much as possible while giving as little as possible. But this should not obscure the fact that millions of Europeans, and their governments, are committed to a policy of hard work and sacrifice in order to build for the future. Many American correspondents have been tremendously impressed by what Western Europe is doing in the way of rehabilitation in the face of great odds, and the almost total absence of many things that are regarded as virtual necessities in happier nations.

When General Marshall first laid down his plan, in general terms, in an address at Harvard, he put special stress on the idea that it was not primarily a relief scheme, but instead, a means of getting Europe going so that she may ultimately sustain herself and make an equitable contribution to the community of nations. The Marshall Plan has gone through many transitions since then. It has become, officially, ERP. But that basic concept has not been lost. Those who have done the most to foster assistance to Europe—Marshall himself, Vandenberg, John Foster Dulles, and the others—have all described it as an effort to make it possible for the benefited nations to help themselves. And this concept clearly underlies the policy of Paul Hoffman, ERP Administrator. Perhaps relatively few people realize the revolutionary extent of the change in American foreign policy. There is, of course, a considerable opposition to American participation in the affairs of Europe. But it is not an effective opposition—whereas, after World War I, the all-powerful isolationist bloc in the Senate was able to get its way in every detail. It is an interesting commentary on these changing times that the leader of the opposition to Woodrow Wilson's plan for world cooperation was Senator Henry Cabot Lodge. Now young Senator Henry Cabot Lodge Jr. has been one of the most effective backers of ERP.

The ineffectiveness of the opposition to our present policy was dramatically demonstrated in the closing days of Congress, when the House sought to make a heavy cut in ERP funds. The best-known Republican leaders—Vandenberg, Dewey, Stassen, Warren—at once denounced this move. The result: 90 per cent of the House cuts were restored, and ERP survived the last assault with little change. As time goes on, the question of how much we can set aside for purposes such as this will become more pressing. Herbert

Hoover brought that up in a speech to the Republican Convention, in which he approved the principle of ERP, but observed that it would do the world no good if we weakened ourselves by devoting too much of our resources to helping other nations. This involves many imperfections. The heavy initial appropriation for ERP could have been possible in a time of very high national income and industrial activity, which finds its reflection in vast tax revenues. Again, more inflation here would have a direct effect on the program by reducing the amount of goods that billions of Europe no good. They are only valuable in the light of the machinery, food and other needed supplies they will buy.

**Miss Billie Hale
Bride of Tuesday
In Garden Ceremony**

MRS. JOHN HARDGRAVE

In a beautiful garden setting at the home of the bride's parents, Mr. and Mrs. Charles E. Hale, Jr., at Sheffield Tuesday evening, Miss Billie Louise Hale became the bride of John Hardgrave of Sanderson. James P. Black, minister of the Church of Christ of Sterling City, was the officiant for the impressive double-ring ceremony performed at twilight.

The bride, given in marriage by her father, wore a gown of white eyelid organdy. Her finger-tip veil was caught to a coronet of orange blossoms and white illusion ruffles. Her bouquet of white carnations with white satin streamers was in colonial arrangement.

Miss John Ann Lowry of Rankin was maid of honor; Misses Claudell Owens of Fort Stockton and Lorene Hall of Iraan, bridesmaids; Alicia Holmes of Sheffield, junior bridesmaid. All of the bride's attendants wore white organdy gowns over pink taffeta with net bandeaus and flowers in their hair. All carried colonial nosegay bouquets.

Allen Hardgrave of Sanderson attended his brother as best man. Users were Harold Holmes of Sheffield and David Allen of Barstow.

Preceding the ceremony, Miss Mary Alice Allen played a medley of songs. Miss Myrtle Harrell provided accompaniment for Miss Allen and Mrs. C. E. Harkins to sing "I Love You Truly."

Miss Allen provided the music for the traditional wedding march when the bridal party entered the garden to stand before an improvised bower of greenery with large bows of white satin ribbon tied at the sides and long streamers ex-

**PINK AND BLUE
SHOWER FOR MRS.
W. T. FRAZIER, JR.**

Mrs. W. T. Frazier, Jr. was named honoree for a pink and blue shower at the home of Mrs. James Albert Mansfield last Thursday afternoon. Mrs. H. C. Monroe was assistant hostess.

The house was decorated with lovely arrangements of cornflowers, daisies and gladioli in the chosen colors.

For a centerpiece on the dining table there was a large stork with streamers of pink and blue crepe paper and favors tied to the end of each streamer.

After a period of games, a lovely assortment of gifts was presented to the honoree.

The hostesses served a salad plate with punch and cake to Mesdames Lena Stavley, P. G. Griggs, Curtis Litton, J. R. Tollett, Ross Stavley, M. G. Northcut, Lee Griggs, Ruel Adams, M. G. Northcut, Jr. and W. T. Frazier, Jr.

tending to the floor baskets of white gladioli arranged to each side. A rainbow arched the sky behind the bower.

A reception in the garden followed the wedding. Miss Wanda Owens of Sheffield served the punch and the beautifully-decorated bride cake was served by Miss Barbara Williamson of Iraan. Signatures of the guests were registered in the bride's book under the direction of Mrs. H. M. Holmes and Miss Ella Mae Welch, aunts of the bride.

The young couple left for a short wedding trip and upon their return will be at home at the E. W. Hardgrave and Sons ranch. The bride traveled in a cocoa faille suit with brown and white accessories.

Mrs. Hardgrave is a life-long resident of Sheffield and a graduate of the Iraan High School.

Mr. Hardgrave is the youngest son of Mr. and Mrs. E. W. Hardgrave of Sanderson. He has always made his home in Terrell County, receiving his early education in Sanderson and attended Abilene Christian College for one year before going into the armed forces during the late war. He served three years in the ETO as a pilot on a C-47 returning to the ranching interests after his discharge.

Mr. and Mrs. S. N. Allen of Abilene are guests in the homes of their daughter and son, Mrs. E. W. Hardgrave and R. N. Allen. They came to attend the Hardgrave-Hale wedding Tuesday in Sheffield.

Rev. and Mrs. J. W. Byrd spent Tuesday of this week in San Angelo.

**Shower Wednesday
Honors Bride-elect
Edna Mae McAdams**

Friends called between the hours of four and six Wednesday afternoon when Mesdames A. D. Brown and W. J. Ferguson were hostesses for a miscellaneous shower and tea honoring Miss Edna Mae McAdams, bride-elect of Roddy Ervin Kettler, whose marriage will be an event of Friday evening.

The Ferguson home was decorated with a profusion of summer flowers. Guests were met at the door by Mrs. Brown and in the receiving line were Miss McAdams, her mother, Mrs. O. H. McAdams, her sister, Mrs. Frank Warren, and her aunt, Mrs. Bess Peters, of Sabinola.

Guests were registered in the bride's book by Mesdames Herbert Brown and James Hatchel.

The dining table was laid in a lace cloth and centered with an arrangement of Marconi daisies. Alternate turns at serving were shared by Mesdames Clifford Spencer, J. C. Kern, J. T. Williams, W. W. Sudduth, Mary Lou Kellar and James Kerr. Mrs. Lillian Willock also assisted in the hostess duties.

Guests were directed to the gift display by Mesdames H. E. Fletcher, W. E. Griggs, O. T. Sudduth, Austin Nance, J. D. Nichols and L. W. Erwin of El Paso.

Mrs. W. H. Chandler and daughter, Billy Henshaw, of Ozona are guests in the home of her parents, Mr. and Mrs. Ray Harrell.

Guests in the home of Mr. and Mrs. E. E. Farley last week were Mrs. Farley's father, Ernest Kinkle of Beeville and her sister, Miss Nell Kinkle of San Antonio. They were accompanied by Miss Cora Lee Gerhard of Beeville. All spent the week end at Carlsbad Caverns, returning Sunday.

Mr. and Mrs. J. R. Dunman of Del Rio spent the week end in the home of Mrs. Dunman's parents, Mr. and Mrs. J. R. Blackwelder.

Fred Charlton of San Antonio spent the week end with his father, N. E. Charlton.

**BONER-SMITH
MARRIAGE IN
BEVERLY HILLS**

Last Saturday evening in Beverly Hills, California, Mariellen Smith became the bride of William Evans Boner in a wedding ceremony performed at the All Saints' Episcopal Church. Rev. J. Herbert Smith officiating.

After a wedding trip to Carmel the young couple will be at home in Los Angeles.

For her wedding, the bride chose a gown of chantilly lace and satin, fashioned with a fitted bodice of lace and long pointed sleeves.

A pearl tiara held her finger tip illusion veil and she carried a bouquet of white roses and lilies of the valley tied with white satin shower streamers.

All of the attendants to the bride were dressed alike in pink crepe princess style gowns made with off-the-shoulder necklines and full skirts. They wore heart-shaped hats of matching tulle and carried huge pink peonies. Her little flower girl, Barbara Boner, wore a white net frock and carried a white basket filled with pink rose petals.

Mrs. Boner is the daughter of Mrs. G. G. Erier of Sanderson. She attended Beverly Hills High School and U. S. C. where she was a member of Kappa Alpha Theta. Mr. Boner is the son of Mr. and Mrs. Halbert E. Boner of Los Angeles.

Guests of the wedding were Mrs. G. G. Erier of Sanderson, Mrs. E. E. Farley, Ernest Kinkle of Beeville and her sister, Miss Nell Kinkle of San Antonio. They were accompanied by Miss Cora Lee Gerhard of Beeville. All spent the week end at Carlsbad Caverns, returning Sunday.

Mr. and Mrs. J. R. Dunman of Del Rio spent the week end in the home of Mrs. Dunman's parents, Mr. and Mrs. J. R. Blackwelder.

Fred Charlton of San Antonio spent the week end with his father, N. E. Charlton.

**Ranch Club Meets
At Ranch Home of
Mrs. Billy Magill**

The Ranch Home Demonstration Club met Thursday of last week in the ranch home of Mrs. Billy Magill with Mrs. N. M. Mitchell presiding.

Mrs. E. J. Hanson gave an educational talk on new methods dentists are using for preventing tooth decay.

Plans were made for the annual picnic which will be held at the ranch home of Mr. and Mrs. E. W. Hardgrave on the evening of Friday, August 20.

Plans were also made for the August encampment and the September meeting to be at the ranch home of Mr. and Mrs. W. Littleton on Wednesday, September 1. Each member will bring home made bread either in the form of a loaf or as dinner rolls sweet rolls or raised doughnuts, accompanied by the recipe and these will be judged. At that time a barbecue dinner will be served, each member to supply some part of the meal.

Miss Pauline McWilliams former Home Demonstration Agent, recently resigned her office in order to go into a business and to date her successor has not been named.

A barbecue dinner was served to the member and guests present. Following the dinner a period of recreation was enjoyed. Mrs. N. M. Mitchell gave out leaflets on the freezing of vegetables and fruits in home lockers, and a general discussion brought out some interesting information. Leaflets on hoisting were also given to the members. Mrs. O. T. Sudduth demonstrated the use of Etchall, to etch designs on glass.

At the close of the afternoon session cake and iced tea were served to the following members: Mesdames E. W. Hardgrave, Sid Harkins, Vic Littleton, M. C. Dye, Allen Hardgrave, Jack Hardgrave, S. A. Berkley, Herman Couch, H. E. Schrogler, W. T. Shurley, Don Allen, Joe Nichols, John W. Byrd, O. T. Sudduth, N. M. Mitchell, E. J. Hanson, Billy Magill.

**LUNCHEON FOR
WEDNESDAY CLUB
AT FINGER HOME**

Mrs. H. A. Finger was hostess for the regular meeting of the Wednesday Bridge Club this week. Varying from the usual custom of meeting in the afternoon, the guests arrived at nine-thirty in the morning and were served coffee and doughnuts.

In the games which followed Mrs. James Caroline held high score; Mrs. Tol Murrah, second high; Mrs. J. C. Kern, low, Mrs. R. S. Wilkinson, traveling.

At twelve-thirty the hostess served a delicious lunch buffet style. The menu consisted of baked ham with pineapple sauce, potato salad, corn, asparagus, black-bottom pie, hot rolls and iced tea.

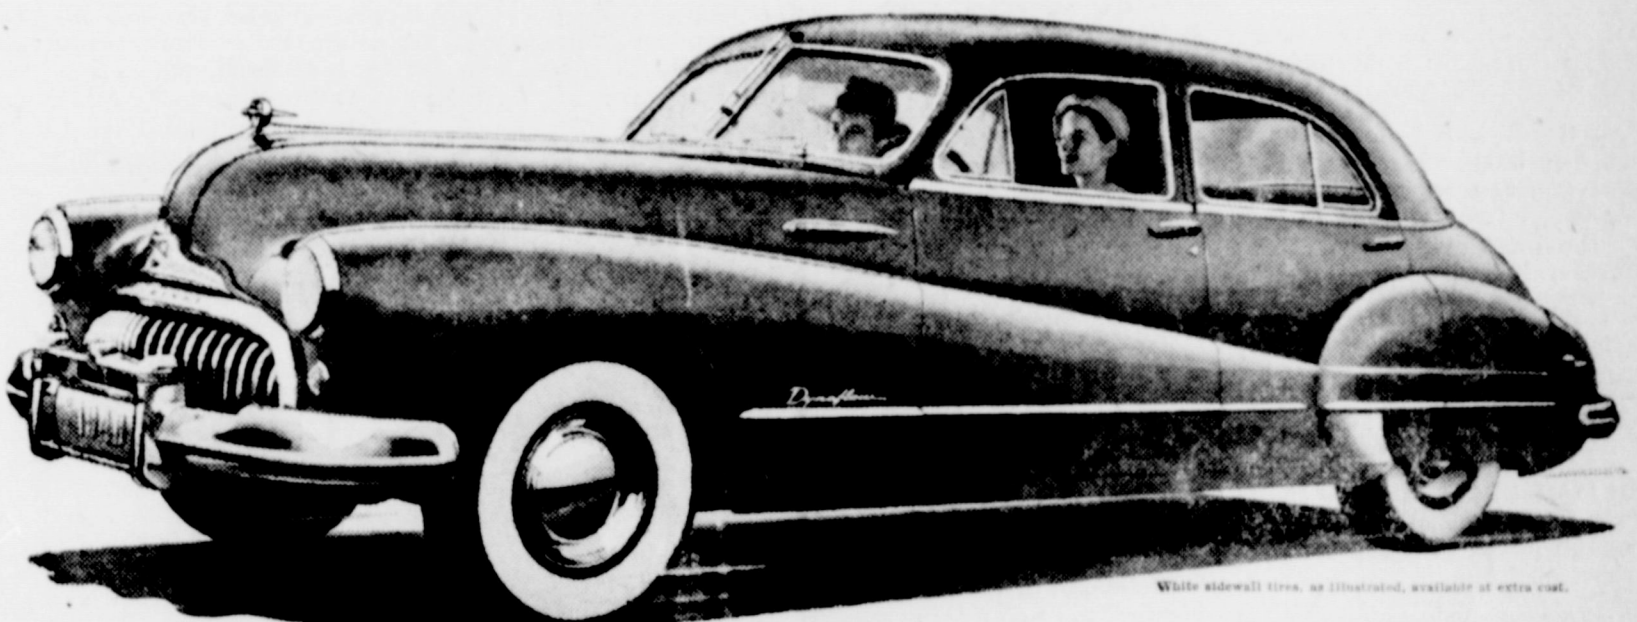

The party rooms were decorated with striking arrangements of zinnias in several shades.

Guests present included Mesdames Herbert Brown, Bustin Canon, James Caroline, James Kerr, Tol Murrah, J. W. Pate, S. L. Stumberg, W. W. Sudduth, W. H. Savage, J. T. Williams, R. S. Wilkinson, W. R. Stumberg, J. C. Kern, Mary Lou Kellar, Margaret Woodward and John Reininger of Del Rio.

Henry Goldwire of Austin was in Sanderson last week end visiting his mother, Mrs. H. C. Goldwire.

Mrs. J. B. Ogle of Wink is a guest of her mother, Mrs. J. W. Carruthers, Sr., this week.

SHEER TRAVEL MAGIC

THIS is the Buick America's car buyers are buzzing about. This is the one with travel magic flowing all through it.

This is the ROADMASTER with Dynaflo Drive*—where Main Street's dense traffic, the inviting open road and the long, stretching hills are bossed with equal ease by a toe-touch.

Here you let your left foot idle comfortably wherever you wish—there's no clutch pedal to push, ever.

Here your mind's free completely of remembering when to shift—no gears ever shift anywhere in the car.

Here, you glide over ground and grades in swift and utter smoothness as constant and unbroken as Niagara's flow.

For here you have the only passenger car in America where liquid replaces both the usual clutch and the low-second-high gear sequence of conventional transmissions.

Here you sit in blissful ease while the power plant itself meets and masters the thousand and one situations that come up in travel.

Gentle grades, steep hills, long straightaways, stop streets—once your lever's set, you simply step on the gas—and take them all in liquid-smooth luxury!

Does all this sound fabulous? It is. So fabulous that folks are signing up in droves for the '48 fashion plate with this new-wonder drive.

So to take command of this traveler-touched-with-magic, come see us quickly and get your order in.

We'll take it in sequence whether or not you have a car to trade.

What's Different About DYNAFLO DRIVE*?
To an efficient new pump (left above), Buick engineers have added a true turbine (right) and an ingenious new supercharging assembly (in hand) which produce a torque-boosting action in starting and accelerating. The result is the first device on any American passenger car which employs liquid to fill the function of both the clutch and the usual low, second and high gears. The clutch pedal is eliminated and a simple control gives you manual selection of power ranges and direction.
*Optional at extra cost on Roadmaster models only.

TAKE TIME FOR GOD

Paul, the great apostle, spoke to Timothy, his son in the faith, in these words, "Study to show thyself approved unto God" - 2 Tim. 2:15.

I am sure each reader of this article can recall the time when father, mother and children came together at the close of each day and had a brief Bible study before retiring for the night. Sadly enough those days seem to have flown from us. We are living in an age of Quick! Rush! Hurry! We become so engrossed with the duties and affairs of this life that we make no preparation whatsoever for that of the future.

Do we honestly think that God can be set aside and forgotten simply because we are busy with other things? Certainly not! Regardless of how busy we are God has a right to a portion of our time, for he has given us every minute.

Why We Should Study the Bible

Because the Bible is the inspired word of God. "All scripture is given by inspiration of God and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: that the man of God may be perfect, thoroughly furnished unto all good works." - 2 Tim. 3:16, 17.

Because the Bible is the power of God unto salvation. "I am not ashamed of the gospel: for it is the power of God unto salvation to every one that believeth; to the Jew first and also to the Greek." - Roman 1:16.

Because it is by the Bible that we are to be judged. "He that rejecteth me and receiveth not my words, hath one that judgeth him. The word that I have spoken the same shall judge him at the last day." - John 12:48.

Therefore we ought to study the Bible, to be approved as the workmen of God. Bible study is of paramount importance. Do you neglect it? If you leave off Bible study you are in reality neglecting you.

PLAYING RULES CLARIFIED FOR SOFTBALL TEAMS

The Lions Club Softball Committee with R. V. Spears as chairman outlined the following rules. It is the desire and intention of the committee to stimulate more interest and better competition and make the rules applicable in the most logical sense for existing conditions. Since Mr. Spears is taking over the office of president of the Lions Club this week, he has appointed W. W. Sudduth as the chairman of the softball committee which has charge of the playing rules, schedules and acts as a board of mediation for protests or differences. Each team shall consist of fifteen players only; with the ex-

ception of the Railroad team which will be composed of thirty players.

Each manager shall make up and turn in to the softball committee a list of his players before beginning the last half of play.

No player will be allowed to play in league games unless his name has been on team list at least seven (7) days.

Each team shall have not more than ten (10) minutes of infield practice immediately preceding each game.

Games shall start promptly at 8:30 p. m.

Any team failing to be ready at designated time shall forfeit game.

The game shall be played according to 1948 rules with the following exceptions: - Overthrow into foul territory at any base, runners will advance 1 base only at own risk;

Any fair ball hit over fence, whether caught or not, shall be a home run;

Any fair ball hit under fence, whether any attempt has been made to field same or not, shall be two bases only.

Notice of the following rule is called to the attention of all players: - In all cases of violation of rules by a player, coach or manager, the penalty shall be prompt removal of the offender from the game and grounds. In the event of the removal of a player, coach or manager, he shall at once leave the grounds, and a failure to do so will warrant a forfeiture of the game.

West Texas mohair growers should be heartened by some of the new cars that are coming out.

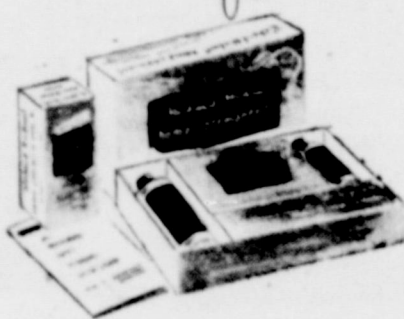

Upholstery of the new model include grey-green stripe mohair with blue seat back bolster and seat back, top and side facings.

Ranchmen, despite the fact that automobiles are still scarce, should insist upon mohair upholstery in their new automobiles.

The time will come when the ranchmen can demand and obtain mohair upholstery in almost every make of car.

J. M. Corder was in from the ranch Tuesday and reported no rain on his place but said a good rain fell from Big Hill on to Sanderson.

KITCHEN MEMO

Beating cocoa with an egg beater prevents scum from forming. If cooked in a double boiler it won't boil over and will keep hot longer.

Fine myth, say textile experts, that laundry must be dried in the sunshine. The thousands of women who use gas laundry dryers agree for they are no longer slaves to the weatherman's whims and they can dry clothes to the exact degree of dampness for immediate ironing.

When you need grated peel for a recipe, grate the skin before reaming the juice. Dejuicing first makes the rind too soft to grate easily.
