## LISTEN TO LUKE

The time is at hand for us to make our choices for various offices. The column would not if it were not for the fact that we have changed our vote. We have changed off a number of times in the various candidates for the various offices. There are two and honorable men in the running for Senator—we are talking about Stevenson and George Peddy.

A voter can't go wrong on the choices of the men. Calculating has made no promises and is not obligated to any man or woman. So far as we can see, we believe, act with better judgment in any matter that come up for his consideration. He may take time to cool his coffee first but he will use his head when he makes a vote. Peddy, we believe, is an honest, patriotic citizen and a man of two wars. He is a business man of integrity. On the other hand—why speak of the other hand? Let's just consider the two men we know to be for the interests of the people they represent.

## KERR, HAYRE NAMED AS NEW OFFICERS FOR LOCAL BANK

J. M. HAYRE

At a meeting of the directors of the Sanderson State Bank Tuesday, J. M. Hayre, county attorney and former assistant cashier of the bank, was named vice-president and cashier of the institution.

The recent death of C. P. Peavy, cashier, created the vacancy to be filled by Mr. Hayre.

Frank K. Harrell, who has been president of the bank since the death of Joe Kerr several years ago, retired from that position because of other activities and interests. James Kerr, former vice-president, was named as president succeeding Mr. Harrell, and S. L. Stumberg was named vice-president.

New officers are to assume their duties July 15.

The bank has a capital stock of \$50,000.00.

## Salemanship Classes Being Conducted In Local Stores

Dr. W. R. Marrs, of the University of Texas Bureau of Industrial and Business and Extension Training, started classes in three local business firms this week. The instruction given covers retail and wholesale salesmanship and is being enthusiastically received by those who have attended the classes.

"The trade area for Sanderson is quite extensive," Dr. Marrs said, "when it is considered that ranches for as far as 50 miles distant are potentially Sanderson trade." Dr. Marrs also points out the fact that the benefits to be derived from tourist trade is unlimited. "We have only to be able to know how to sell if we are to bring in new dollars," he stated.

Attending the classes at the Kerr Mercantile Company are Robert Kerr, Joe Kerr, Jr., Bernard Kerr, Mary Nell Gates, Mrs. Claude Hill, Jewell Vaughan, G. E. Babb, John N. Miller, Billy Gene Hill and Ervin Grigsby.

Classes at this establishment are conducted Monday, Tuesday and Wednesday from 6 to 7 p. m.

Classes at Sheppers are from 8 to 9 p. m. each Tuesday, Wednesday and Thursday. Registered for these classes are Mrs. Alice Gilbert Ross, Mrs. Ray Turner, Tomasa Marquez Lopez, Maria Lusía Salcido and Ray Turner.

Spears Drug Store classes are being held Wednesday, Thursday and Friday from 9 to 10 p. m. Attending are Birdie Turner, Gloria Olivarez, Susano Munoz and R. V. Spears.

## Bloys Camp Meeting August 17-25

At a recent meeting of the Bloys Camp Meeting Association, August 17-25 was set as the date for the 59th annual meeting this year. The four denominational ministers who are to preach through the encampment will include Dr. W. R. White, Baptist, president of Baylor University at Waco; Dr. L. D. Anderson of the First Christian Church of Ft. Worth; Rev. Leland Clegg, Methodist, of El Paso; Dr. S. L. Joekel of the Presbyterian Theological Seminary at Austin.

## Highway Accident Takes Life Of California Woman

Mrs. O. G. Mallouf, 24, of Martin City, California, died instantly and her parents, Mr. and Mrs. Augustine Duran, of Las Vegas, N. M., were taken to an Alpine hospital as a result of a car in which they were riding overturning about thirty miles west of Sanderson on Highway 90 last Friday afternoon. O. G. Mallouf, husband of the victim suffered only slight injuries and shock.

The Malloufs were on vacation and after being joined by her parents, were enroute to Mexico for a thirty-day vacation when the accident occurred. Mr. and Mrs. Duran are still in the hospital in Alpine, and last reports showed Mr. Duran as improving while his wife is still in a critical condition.

The body of the victim was brought to Sanderson by the O. T. Sudduth and Co. ambulance where it was prepared for shipping to the home of her parents for burial. Mr. Mallouf accompanied the body last Saturday night.

After leaving the highway the car overturned pinning all the passengers in the crushed body of the vehicle. Passengers from a passing bus assisted in freeing the occupants of the wrecked car.

## PAVING BONDS APPROVED BY COURT MONDAY

Transfer of funds and issuance of warrants for the paving in Sanderson of 52 blocks of streets in the amount of \$10,000 was approved by the Terrell County Commissioners Court in regular session Monday. Contract has been let for the paving to H. B. Zachry Co. of San Antonio, contractors on the highway job east of town on Highway 90. Work was scheduled to begin on the street job by July 15 but the contractor has been delayed on the highway work so that it will be several days before the street job can begin, according to word received this week.

Other than approving the bond transfer the court acted on routine business.

## Huge Outlays Planned In County for Repairs

An estimated \$78,000 will be spent in repairing and modernizing non-farm homes in Terrell County during 1948, according to a report just released by the Tile Council of America.

That sum will be expended largely on painting, carpentry work, roofing repairs and plumbing, the report disclosed. "Greater availability of building materials will make possible a record amount of home improvement throughout the nation this year," declared Malcolm Schweiker, chairman of the council's residential construction committee.

About 30 of every 100 homes in Texas will be painted, either inside or out, during 1948 and 17 will have roofs repaired, or replaced, according to the report. Seven will have plumbing overhauled, bathrooms tiled or showers installed and six will have carpentry work done, the report revealed.

"To meet demands for materials for both new homes and home repairs, production has been stepped up in practically every type of material," said Mr. Schweiker. The output of ceramic tile for bathrooms and kitchens, for instance, is now at the highest rate in history, government reports show.

Throughout the nation between \$2,600,000,000 and \$3,300,000,000 will be spent this year on home repair, according to the council report. This is believed to be the largest amount ever expended for such work.

Mr. and Mrs. Dick Sullivan returned Friday from a vacation trip to the west coast.

## MISS ELLA SAVAGE DIES AT HOME AT 1 A. M. THURSDAY

Miss Ella Savage died at the family residence in Sanderson Thursday at 1 a. m. after an extended illness. Funeral services will be held at the Baptist Church Friday morning at 10 o'clock with Rev. Clifford Spencer officiating. O. T. Sudduth & Company is in charge of arrangements. Burial will be in Cedar Grove Cemetery.

Miss Savage had been a resident of Sanderson for many years. Born in Eldridge, Pecos County, Texas, she came to Sanderson when a child with her parents, Mr. and Mrs. J. W. Savage. She received her early education here, graduating from the local high school.

Over a period of several years she made her home in Childress and El Paso returning to Sanderson in 1938 and making her home with her brother, Fred, after the death of her father in 1936 and her mother in 1938.

She had been in failing health for many years and for the past ten months has been bed-ridden. Part of that time was spent in San Antonio where her sister, Miss Dollie Savage, a nurse, could care for her and they returned to Sanderson five months ago.

Miss Savage had been a member of the Baptist Church since she was a small child.

Survivors include four brothers, Fred and Will of Sanderson, J. W. of Long Beach, Calif., and R. L. of Alamo, Texas. Also three sisters, Mrs. H. P. Stanton of El Paso, Mrs. L. S. Edwards of Edinburg and Miss Dollie Savage of San Antonio.

## SOFTBALL GAMES COSTLY FOR LOCAL SPONSORING CLUB

After charging admission to the playoff games and the two matched games with Big Lake, the local Lions Club, sponsors for the softball play here, is coming out on the wrong side of the ledger, according to Ruel Adams, treasurer of the club.

The equipment for the playing field and building for the drink concession for the Girl Scouts benefit and buying the equipment for the Teen-age team as well as the balls, bats, etc., for the Lions Club team, has totalled \$804.58 to date as compared with \$436.12 as receipts to date, Mr. Adams said.

The club has never attempted to commercialize on the project, he said, and were not surprised that it had failed to pay expenses, but it is a community project undertaken by the Lions for the entertainment and pastime of the local players and fans.

Collectors reported some criticism had been voiced because an admission charge was placed on the playoff and matched games, but the club felt the spectators should bear part of the expense. No admission is charged to any of the regularly scheduled games. A free will offering is taken at each game. This does not nearly take care of the field expenses, he said.

## State Sets July 27 For Highway Bids

The Texas Highway Department will receive bids on the first section of construction of the gap in Highway 285 July 27.

A 15-mile section of the roadbed, drainage structures and asphalt paving will be among projects up for bidding. It begins at the Terrell-Pecos County line and extends toward Fort Stockton. Other lettings of the 62-mile project are expected shortly, with prospects of a completed road within two or three years.

## JULY 26 DEADLINE FOR ABSENTEE VOTING

Voters who know they will be out of their voting precincts on the 24th may vote absentee until July 26, according to Ruel Adams, County and District Clerk. Applications may be made by calling at the clerk's office or writing for an application.

To date several have availed themselves of this advantage, Mr. Adams said.

## ROTARIANS LOSE TO TEENAGERS, BIG LAKE LOSES

The local Rotary Club team lost to the Teenagers last Thursday night by the score of 19-6 in their first tilt of the second half. Smith, on the hill for the Lads, pitched a 4-hit ball game, but walked eight and struck out one Stavley, for the Rotarians, allowed thirteen hits, walked seven and struck out three.

## BIG LAKE LOSES

The Big Lake Lions Club lost a double-header Saturday afternoon and evening when they met the local team, Hadley, pitching for the locals, turned in a very good record for himself by allowing seven hits, three strike-outs and no walks. Gibson, pitcher for Big Lake, allowed five hits, got two strike-outs and walked none.

Charles B. Moore, candidate for State Senator, was in Sanderson Friday working in the interest of his candidacy.

## Truman Nominated

On the first roll call of states for balloting on the Democratic nominee for President of the United States, President Truman was selected by a big majority. Texas cast 50 votes for Senator Russell who garnered 263 votes mostly from the southern states. These states voted the protest vote even though it was plain that Truman would receive the nomination without a hitch. Mississippi delegates "went home" before the roll call was made.

Senator Alben Barkley of Kentucky was given second place on the ticket as a running mate for Truman.

## B. N. WEATHERBY BURIED IN SAN ANGELO TUESDAY

Funeral services were held in the Johnson Funeral Chapel in San Angelo Tuesday afternoon for B. N. Weatherby, 83, of Sanderson. Rev. Sherk of Ft. Worth was in charge of the services. Burial was in Fairmount Cemetery.

Benjamin Norman Weatherby was born April 22, 1865 in Mississippi. He came to Texas as a child to Robertson County going later to Brown County as a young man. There he married Miss C. Ora Bush in November, 1893. They resided in Fisher County for thirty years. Mr. Weatherby served as a state sheep inspector for four years during his residence in San Angelo. They also lived at Big Lake.

He was engaged in the ranching business all the time that he lived in West Texas and came to Sanderson after his retirement fourteen years ago.

Mr. Weatherby had been in failing health for several months and confined to his bed most of that time. He died about nine-thirty Monday morning and the body was taken overland in an O. T. Sudduth and Company funeral coach to San Angelo.

Survivors include his wife, Mrs. C. Ora Weatherby of Sanderson; a daughter, Mrs. F. A. Hill and a grandson, R. W. Weatherby, whom he had reared, both of Sanderson; two other daughters, Mesdames Maye Westerfeldt of Odessa and W. Z. Leatherwood of Fort Worth; two sons, Bob of San Angelo and Ben of Ruidosa, N. M.

Pallbearers, all grandsons, were Dick Hill of Sanderson; Theron and James Weatherby of Big Lake; Waymond Westerfeldt of Odessa; Wilbur C. Westerfeldt of Hawkins; Ben Noel Weatherby, Veribest, Bert C. Weatherby, Ruidosa, N. M.; W. Z. Leatherwood, Jr., of Fort Worth.

## MRS. KEN REGAN CAMPAIGNING FOR ILL HUSBAND

Mrs. Ken Regan, wife of Congressman Regan who is ill in a Naval hospital in Maryland, has taken the stump in the 16th Congressional District in behalf of her husband's candidacy for re-election as representative from this district.

Mrs. Regan was in Sanderson Monday talking with friends and supporters of her husband and distributing campaign literature in his behalf.

Congressman Regan, who was elected over a large field of candidates last August to fill the unexpired term of R. E. Thomason, resigned, is seeking his first elective term in Congress. Until his recent illness, an attack of jaundice, he has been active in legislative matters and has had several important committee assignments. Attending physicians have indicated that it will probably be the first of August before Mr. Regan will be able to return to Texas.

## Voters To Find 72 Candidates On Primary Ballot

When the voters of Terrell County go to the polls Saturday, July 24, they will find seventy-two candidates to be considered on the ballot of the Democratic Primary. The election places will be open from 8 a. m. to 7 p. m.

With the primaries so close and the crop of candidates quite numerous for almost every office in the state and district, the voter should familiarize himself with these candidates and their general qualifications in order to be able to vote intelligently in this primary.

Tuesday, July 20 is the last day for absentee voting in the first primary. The potential voting strength of Terrell County is approximately 1,000, including those who have paid their poll tax and those who have exemption certificates.

Mr. and Mrs. Irvin Robbins and children returned Sunday from a three weeks' vacation trip to Alexander, Ill., where they visited friends and relatives.

Harvey Rogers is expected to arrive home today from Aransas Pass and Corpus Christi.

## MRS. W. W. SUDDUTH INJURED IN FREAK ACCIDENT

Mrs. W. W. Sudduth was the victim of a freak accident at the ball park Monday evening while selling cold drinks at the Girl Scout concession. A gust of wind blew one of the doors down, striking the bottle from which she was drinking. Two teeth were broken and two were loosened when the bottle was driven into her mouth.

Mrs. Sudduth was taken to Marfa Tuesday morning and two upper front teeth were extracted. One of the broken teeth will be extracted next week and the other will be repaired.

Mr. and Mrs. Jack Turner are now occupying their new home in the north part of town.

He insisted that women are following the leadership of their husbands.

Mr. Gallup's statement is half so disconcerting as the fact recently released that there are 1,700,000 more women voters than men. That means that at least over one and a half million votes will not be influenced by husbands. The women hope to lure out between 75,000,000 and 80,000,000 voters this year and we do not know what percentage that is of the full female voting strength.

The women hold the balance of power and may elect the president of the United States this year as well as the remainder of the offices to be elected in our national, state and local affairs if they were organized. They certainly have a weapon of strength in their hands when they have as many potential voters in their ranks as they do at present. Maybe us males had better do a little politicking with the Mrs. if we have been negligent about doing that to date for we may want our favorite candidates to win and that million and a half votes, which we already know no man is going to influence, has us worried. Not that we won't worry about all these other votes, however, for with the printed page, political mail, radio and even handsome, smooth-lipped politicians in person to make

their appeal to the little women we wonder if even she knows how she will vote until she is actually in the voting booth.

CORRECTION

We are glad to acknowledge an error in the Princess Theatre ad last week. The show "Green Grass of Wyoming" advertised for Tuesday night was the show for Wednesday and Thursday nights. "Song of Love" was shown Tuesday night instead of Wednesday and Thursday nights as advertised. We are sorry that any inconvenience may have been caused the management or patrons of the theatre as a result of our error.

Morbidity Report Reveals Diphtheria Cases in Texas

According to the morbidity report for the week ending July 3, more than 463 cases of diphtheria occurred throughout the state so far this year.

The morbidity report is released weekly by the Texas State Department of Health. It shows the prevalence of communicable disease by counties.

"In the light of our present knowledge regarding the control of diphtheria, it is unfortunate that the disease is allowed to flourish," Dr. George W. Cox, State Health Officer, said.

For the week June 26 to July 3, Nueces County reported four cases; Hopkins, Tarrant and Val Verde counties reported one each. For the year 1947, seventy-seven deaths from diphtheria were reported.

"A life-time immunity may be established in 90 per cent of the children receiving the diphtheria toxoid," the health officer said. "If all parents of children over six months of age would have their children inoculated, the incidence rate of the disease would be rapidly reduced."

The administration of toxoid causes little or no discomfort in the child. Dr. Cox said, and a positive immunity can be determined by a Schick test conducted four to six months after the final dose of the toxoid has been given the child.

Mr. and Mrs. Buster Edwards returned to their home in Del Rio Sunday after visiting for several days in the home of Mrs. Edward's parents, Mr. and Mrs. John Whistler.

Hunting Season On Doves Announced

AUSTIN, July 17 — Hunting season on mourning doves, white-winged doves and antelope were announced Saturday by the Texas Game, Fish and Oyster Commission.

An unbroken 35-day season on migratory waterfowl was recommended.

Mourning doves may be hunted in the North Zone September 1 through October 15 and the South Zone October 20 through December 3.

The zones are separated the same as last year, the line running roughly from Maverick County northeast to Shelby County.

White winged doves may be hunted three days, September 17, 19 and 21 from 4 p. m. to sunset with a limit of 10 a day and 10 in possession.

The antelope season by counties in West Texas: Brewster, Jeff Davis, Pecos and Reeves — October 1, 2 and 3.

Presidio — October 5, 6 and 7. Presidio and Jeff Davis — October 8, 9 and 10.

Hudspeth and Culberson — October 12, 13 and 14.

The number of antelope to be hunted has not been determined.

Hunting dates on the doves were recommended to the U. S. Fish and Wildlife Service and do not become official until that agency approves them, but the commission indicated that there is little possibility of disagreement this year.

Concerning migratory waterfowl, the commission also recommended a bag limit of eight this year instead of four.

Guests in the home of Mrs. H. C. Goldwire Sunday included Mrs. L. R. Dorsey of Big Lake, a sister, and her brother-in-law and another sister, Mr. and Mrs. W. H. Schooler and Mrs. Schooler's daughter, Miss Tommie Carter of Big Lake. Also Mr. and Mrs. Gene Gosney and son, Michael, of New York City, who are guests of the Schoolers.

Mr. and Mrs. C. T. Martin of Ott, Alabama, will arrive Sunday for a visit in the home of their daughter, Mrs. F. A. Weigand. They will be accompanied by their son-in-law, H. M. Grimes of Enterprise, Alabama.

Mr. and Mrs. J. R. Black of Del Rio, who came to attend the Kettler-McAdams wedding, were guests in the home of Mrs. Lee Grigsby.

Miss Anna Baker of Brady arrived Thursday for a visit with Miss Betty Jo Kerr. Miss Baker was crowned queen of the Brady Jubilee July 4th.

Henry Chamberlin, one of the best informed and most dispassionate of writers upon foreign policy, recently discussed the vital problem of continuity and consistency in our foreign policy in a column appearing in the Wall Street Journal. As he writes, "An America that wobbles and vacillates will carry the weight in world affairs that is appropriate to its physical, economic and military strength. This is not, however, as simple a matter as it may appear at first glance. For, as Mr. Chamberlin also says, "There is no continuity in inconsistency." And the glaring inconsistencies that appeared in foreign policy both during and immediately after the war undoubtedly weakened our prestige and aroused suspicions as to our motives and our wisdom in quarters whose wholehearted cooperation is necessary if the Western powers are to present to the world a strong unified front.

Chamberlin discusses where, in his opinion "a point of hypocrisy was reached" at Yalta, Roosevelt, Churchill and Stalin again affirmed their faith in the broad principles of the Atlantic Charter. The most important single principle of the charter is that peoples shall have the right to choose the form of government under which they will live. Another, of almost equal importance, is that all nations, in the victor and vanquished, shall have access on equal terms to the trade and raw materials of the world. These principles presumably form the rockbound basis of the war aims of the powers rested.

At Yalta, a deal was whereby Russia was allowed to take over close to half of Poland's pre-war territory. Poland was not even represented at the conference. Following that, it became increasingly clear that the peace settlement, to quote Mr. Chamberlin, was "calculated to Germany into an economic wasteland and Europe into perpetual dependent on American subsidies." The roots of this lie in the Morgenthau plan which was designed to reduce Germany permanently to a fourth-grade economic power. Of course, hind-sight is easy. During the war there was an understandable eagerness to please Stalin, and this understandably led to over-optimism as to the sincerity behind pledges to work with this and other countries for world peace and rehabilitation. Even the fact that the acts of the powers nullified the Atlantic Charter even as their representatives praised it in general meaningless terms, did good abroad. And it helped Communists, who are at making capital out of human disillusionment, to keep their large followings in France, Italy and elsewhere. In the last year or two, fortunately, something more nearly resembling a consistent and continuous foreign policy has come into being. It has been forced on us by the dire necessity of stopping Russia before her sphere of influence goes clear to the Mediterranean and the Atlantic ocean. The idea of permanently destroying Germany as a major economic power has been abandoned. And there has been a very real effort, bipartisan in character, to reaffirm through positive action the principle of the self-determination of peoples—a principle, curiously enough, which hasn't changed in significance since World War I, when Woodrow Wilson made his courageous but doomed fight for his 14 points.

It is certainly clear that the Soviet Union has never had any desire for self-determination. Her policy lies in encouraging, and giving material support to, revolutions inside nations where small but beautifully organized minorities take over all the reigns of power and later justify them with the phoniest kind of elections. This technique has been the means of giving Russia all of her tremendous gains since V-E day. Yet, from the Kremlin's point of view, it may not all be rosy. There is every evidence that millions of Poles, Czechs, Yugoslavs and others hold the bitterest hatred for Russia. The Communists can liquidate the leaders of the opposition, but they can't clean out all the dissidents among the rank and file. In the event of war, or any internal emergency, the Soviet

### SECNAV'S -- FIRST AND PRESENT

Benjamin Stoddart (right) became the first Secretary of the Navy on June 18, 1798 following the formation of the Navy Department on April 30 of that year under President John Adams. Stoddart served until 1891. Today the Secretary of the most powerful Navy in the world's history is John L. Sullivan (left), who was sworn in to succeed James V. Forrestal when the latter became the nation's first Secretary of Defense. The photo of Stoddart is that of a portrait painted by E. F. Andrews. (Official Navy Photograph)

Union certainly could not depend on her satellite countries for enthusiastic assistance. There are some who believe that these countries might prove to be an intolerable drain on Russia, by forcing her to police them with armies of trained men.

In any event, there is more and more talk of the need for an absolutely clear-cut American foreign policy which will say, in effect, that we will help the cooperative nations recover and will support them in selecting governments of their own choosing, through free and secret elections. The emphasis would be on constructive action — rather than being based on more or less unrelated programs designed to help Russia. We have made progress in that direction, and the hope is that the next year will see a real job done.

between the Lions Club and the Rotarians the Lions forfeited to their opponents. The Railroad met the Lions on the local diamond Tuesday night in a make-up game and were defeated by the Lions to the score of 10-9. The T&NO held a lead until the last half of the seventh when the Lions rallied five runs to win the ball

game. No box score is available for this game. Friday night the Railroaders are scheduled to meet the Legion Monday night of next week the Rotary Club will play the Fire Department and the Lions will meet the Legion next Thursday night. Tuesday night of next week the Fire Department and Legion

have a make-up game scheduled. Douglas A. Newton of Del Rio candidate for District Attorney, was a visitor here Friday. Mr. and Mrs. Pat Harris left Monday for Houston where Mr. Harris will have a periodic medical check-up.

Your electric refrigerator is working harder than ever these hot July days, protecting your perishables and providing you with extra quantities of ice cubes and frozen desserts. Help it serve you more economically... keep it operating at top efficiency... by following these timely suggestions:

- Defrost at least once a week. Frost acts as an insulator and makes your refrigerator work harder to keep foods cold.
- Don't waste ice cubes. If you use only part of a tray, refill the empty sections and return tray promptly to freezer.
- Use fast freezing springly. Keeping control at coldest setting for long periods increases running time and operating cost.
- After freezing desserts, turn control halfway back to normal to hold until served. Then return control to normal.

- Avoid frequent and lengthy door openings.
- Let hot dishes cool before putting them in your refrigerator.
- Check door gasket for tight seal. If it permits entry of warm air, have it repaired or replaced.
- Keep condenser clean. Dirt and dust interfere with its cooling efficiency and increase running of the motor.
- If your refrigerator is an open unit model, oil the motor according to manufacturer's directions.

### TWO HEADLINERS are better than one!

NO doubt about it—the tires on your car have a lot to do with its comfort, and the new oversize casings deserve all the headline play they're getting.

But if you like to take things easy as you drive, why be content with one such headliner, when Buick gives you riding comfort in a double dose?

For instance, every 1948 Buick rides on lower-than-usual air pressures. That comes not only from the tire sizes, but from the fact that Buick wheels have the widest rims in the industry.

Wider rims increase tire air capacity. They also straighten sidewalls, giving them a bracing action against side thrust and sway.

Result: Comfort plus control—a soft ride and surer handling—in every Buick in our '48 line.

On top of that, every Buick has a soft coil spring on each wheel to back up the cushioning action of the tires.

Each wheel is prepared to step over bumps as they come, front and rear springs are precisely balanced with each other, and both front- and rear-seat passengers enjoy a level, jounce-free ride.

On such springing alone this sprightly fashion plate of '48 would be noted for its easy-going stride.

But we figure that two headline features are always better than one,

so every Buick enjoys both gentler springing and lower-pressure tires.

Go try out a Buick and see for yourself what we mean. If you haven't done so already, you'll see your Buick dealer pronto, with or without a car to trade — and get a firm order in.

#### The Widest Rims in the Industry

Compare Buick rims with those on other cars of the same size and weight, and you'll find that Buick's are wider — why? Because wider rims increase air space and permit lower air pressures. They also give sidewalls an extra bracing action that checks sidesway. The result is a softer ride, plus better car control.

**THE SIN OF INGRATITUDE**  
"And Jesus answering said, were there not ten cleansed? But where are the nine? There are not found that returned to give glory to God, save this stranger." — Luke 17:17, 18.

Here we have exemplified one of the saddest pictures of human life. Ten miserable outcasts, covered with leprosy, are standing "afar off" from the rest of the people in a Galilean town. Perpetual exile is theirs. They must warn friend and foe alike with the cry: "I am unclean!"

Christ happens to be passing this way and hears their piteous cry: "Master, have mercy on

us." Ever ready to catch the cry of those in distress and help those who will but accept him as "Master", the Savior heals these ten lepers. "As they went they were cleansed."

One "turned back, and with a loud voice glorified God and fell down on his face at his feet giving him thanks." This Samaritan man, who was a stranger, was the only one that returned to express his gratitude. "Then those searching words "where are the nine?" selfish ingrates.

The sin of ingratitude is one of the most uncalled for of which any man, woman or child can be guilty. There is no excuse for it.

Friend, is your father living? Even though his hair be silvered and his hands hard and bony

# Miss Edna Mae McAdams Weds Roddy Ervin Kettler In Twilight Ceremonies Friday

The First Baptist Church was the scene of a beautiful twilight wedding Friday evening when Miss Edna Mae McAdams wed the bride of Roddy Ervin Kettler of Waco, Texas. Marriage vows for the double-ring ceremony were recited under the direction of Rev. Clifford

MRS. R. E. KETTLER

May T. Wilson played traditional wedding marches and a prelude of nuptial selections. She also accompanied D. who sang "Always" and "The Rose-entwined Lattice" as the background for the ceremony. Tall candelabra decorated ferns were placed to the side. Candles were lighted by ushers W. J. Ferguson, Hal Tyler, and E. E. Har-

Herbert Brown also served with her father, the bride wore the wedding gown inherited from her mother. Mrs. Frank Warren was of white lace, having a wide satin bertha at the shoulder neck-line and a central train of white satin. She carried three gardenias on a white ribbon. Her finger-tip of Missions fell from a corset of seed pearls.

Frank Warren was of honor and wore a hat of blue net. The bridesmaids, Misses Doris Cooke, Brown and Tommie Waelder, wore blue gowns and the bridesmaids carried large picture hats of some material were caught with a bunch of Marooni. The arm bouquets of all bride's attendants were of Marooni daisies with knots in the long satin streamers.

Barbara Sudduth and Kayama wore frocks of pink and hats of pink ruffled with the crowns formed of the feverfew. They scattered petals from blue baskets with pink. Little Bobby

Hatchel wearing a white satin suit, carried the rings on a white satin pillow.

Cotton Wallace of Waco, a cousin of the bridegroom, was best man and groomsmen were Edward Kerr, Bill Cochran and Allister Dishman. The ushers wore white coats with dark trousers and the other male members of the wedding party wore white flannel suits.

After the wedding, a reception was held at the home of the bride's parents, Miss Betty Jo Kerr registered the guests in the bride's book, Mrs. R. S. Wilkinson presented piano selections. The three-tiered cake was served by Mesdames Bess Peters of Sabinat and L. W. Erwin of El Paso and the punch by Mrs. H. E. Fletcher.

When Mr. and Mrs. Kettler left for a short wedding trip to San Antonio the bride was attired in a gray faille suit with brown accessories and wore a white gardenia corsage.

Mrs. Kettler is the youngest daughter of Mr. and Mrs. O. F. McAdams. She received her early education here and grad-

uated from the San Marcos Academy in 1943. Last summer she received her B. S. degree from Mary Hardin-Baylor College. For the past year she has taught science and public school music at the Rosenthal High School. Since June 1 she has been employed by the Greater Texas Life Insurance Company at Waco.

Mr. Kettler is the oldest son of Mr. and Mrs. Will Kettler of Waco. He is a graduate of the Waco Technical School and at present is engaged in farming with his father. The young couple will reside in Waco.

Out-of-town guests for the wedding included the bridegroom's parents, Mr. and Mrs. Will Kettler; Mrs. Lawrence Warren of Ennis, Mr. McAdams' sister; Mrs. Bess Peters of Sabinat, Mrs. McAdams' sister; Mrs. Earl Young and daughter, Virginia of Marathon; Mr. and Mrs. J. R. Black of Del Rio; Mesdames Hattie Laurence and Russell Walker of Fort Stockton; Mrs. A. Hoffman of Waco; Mrs. L. W. Erwin of El Paso; Miss Carmen Warren of Roosevelt.

Miss Edna Mae McAdams honored her wedding attendants with a tea at the home of her parents, Mr. and Mrs. O. H. McAdams, last Thursday afternoon. After displaying her wedding gifts and trousseau, she presented a remembrance to each of her attendants.

Miss McAdams' aunt, Mrs. Bess Peters of Sabinat, presided at the tea service and served the guests.

Prior to the wedding rehearsal last Thursday evening, Mr. and Mrs. Frank Warren, brother-in-law and sister of the bride, were hosts for a barbecue supper at six-thirty at the home of Mr. and Mrs. O. H. McAdams. Barbecue and all the trimmings with ice cream and cake were served to thirty-five guests from tables arranged on the back lawn.

Mr. and Mrs. R. M. Shurley left Saturday for their home in El Paso after visiting in the home of their daughter, Mrs. E. H. Seerest for several days.

## Presbyterian Women Meet At McCue Home Monday P. M.

The Presbyterian Women of the Church met Monday afternoon in the home of Mrs. Lee McCue. Mrs. J. D. Nichols presided at the meeting of the executive board prior to the regular meeting. A report was given on the recent meeting of the General Assembly in Montreal, N. C., when the name of the Women's Auxiliary was changed and is to now be known as "Women of the Church."

The hymn "Blessed Assurance" opened the meeting and Mrs. J. D. Nichols gave the prayer. Mrs. W. H. Savage gave a resume on a recent article in the Presbyterian Survey, "Young Adults At Work in the Church."

The theme of the Bible study led by Mrs. Nichols was "God Speaks Through History — The Message of the Historical Books of the Old Testament."

Frosted cold drinks with cookies were served to Mesdames W. H. Savage, J. W. McKee, N. M. Mitchell, J. D. Nichols, Mary Mitchell, J. W. Byrd, C. C. Mitchell and E. E. Farley.

The next meeting will be at the ranch home of Mrs. G. K. Mitchell Monday, July 26, at 3.30 p. m.

## Tuesday Club At Mrs. Lee McCue's

Members of the Tuesday Bridge Club were guests this week in the ranch home of Mrs. Lee McCue.

Prizes were awarded to Mrs. J. C. Kern for winning high score; Mrs. Jimmy Martin, low; Miss Marie Little of Peecos, second high and traveling.

The hostess served ice cream in cantaloupe halves with cookies to Mesdames Mary Lou Kellar, J. C. Kern, Katherine Hart, Hugh Rose, J. S. Nance, J. D. Green, Jimmy Martin and Miss Marie Little of Peecos.

Guests of Mrs. Judith Streigler, their grandmother, their aunts, Mesdames Katherine Hart and Hugh Rose, are Martha Jo, Altus Bernice and Laura Lou Streigler of Dallas. Mrs. Streigler has all her grandchildren, seven granddaughters, with her for a few weeks.

## Miss Joyce Sawyer Bride of Milton L. McDonald Saturday

Miss Joyce Sawyer became the bride of Milton L. (Pete) McDonald Saturday evening in the parlor of the First Baptist Church at Del Rio with Rev. H. O. Morris, pastor of the church, performing the double-ring ceremony.

The bride wore a two-piece frock of pink eyelet with black accessories and a shoulder corsage of white carnations.

Her only attendant was Miss Betty Sweet as maid of honor. J. E. Davis served as best man. Mrs. D. H. Clayton and Mrs. Fred Sawyer were hostesses at a reception in McFarlane's Cafe following the ceremony.

Mrs. McDonald is a daughter of Mrs. L. Sawyer of Del Rio. She graduated from the Del Rio High School in 1947.

Mr. McDonald is the son of Mrs. L. M. McDonald of Del Rio and the late L. M. McDonald, both former residents of Sanderson. He attended the Sanderson schools and served eighteen months with the army on Guam and Manila during the late war.

Mr. and Mrs. McDonald will be at home in Del Rio after a wedding trip. Both are in the employ of Montgomery Ward and Company.

Mr. and Mrs. McDonald visited here Sunday and Monday with relatives. They will continue their wedding trip to San Antonio and Houston.

Mrs. Fleeter Eason of Fort Stockton came Monday for her little daughter, Suzi, who had been visiting in the home of her aunt, Mrs. W. W. Sudduth, for several days. Barbara Sudduth returned with them to Fort Stockton.

## RUMMY CLUB MEETS THURSDAY

The Rummy Club met at the home of Mrs. Lee Hardgrave last Thursday afternoon with Mrs. H. C. Monroe as hostess.

The hostess served salad, sandwiches, olives, pie and iced tea to Mesdames George Herzog, W. F. Frazor, B. F. Causey, F. A. Weigand, J. V. Buttrill, Lee Hardgrave and H. M. Grimes of Enterprise, Texas.

## Eloise Farley Has First Birthday Party

Mrs. E. E. Farley was hostess for a birthday party at her home last Friday afternoon honoring her little daughter, Eloise, on her first birthday.

The beautifully decorated birthday cake with one lighted candle on it was cut and served with ice cream to Clifford Dye, David Rusk, John Pat Scannel and Mesdames Ervin Grigsby, Pat Beard, John Scannel, I. B. Rusk, M. C. Dye and Miss Kate Frazier.

Miss Elizabeth Brown returned to El Paso Sunday after visiting her parents, Mr. and Mrs. A. D. Brown, over the week end and attending the Kettler-McAdams wedding.

Mrs. J. W. Pate and Bart left Wednesday for Dallas where they will visit relatives. D. L. Duke accompanied them there and will go to Fort Worth to visit with his family.

Ambrose Burdwell and wife of Del Rio stopped in Sanderson with friends Sunday en route to Fort Stockton to visit relatives.

Mr. and Mrs. H. C. Monroe and family attended the encampment at Sheffield Sunday. Mr. Monroe returned Monday but the family will remain all week.

Mrs. Jettie Jennings of Miles visited in the homes of her daughters, Mesdames E. C. Earwood and M. B. Stroud Sunday. Jettie Rae Jennings, who had been visiting her sisters, returned home with her mother.

Mrs. Russell Walker and little son of Fort Stockton visited in the home of her parents, Mr. and Mrs. T. R. Arrington, several days last week.

Mrs. Jack Deaton and her mother, Mrs. A. I. Sutton, went to Del Rio Saturday to visit in the home of Mr. and Mrs. Ira Deaton.

Dr. J. W. Pate and Dr. J. C. Kern attended the Big Bend Medical Society meeting in Fort Stockton Sunday. They were accompanied by their families.

Mr. and Mrs. Bill Stavley and son, Johnny, and Mr. and Mrs. G. H. Mayfield and daughter, Betty, have returned from a three week's vacation trip to the west coast and places of interest in several of the western states. They made the trip by car.

## Treasured moments of Texas History

As early as 1823, Stephen F. Austin employed a small body of Rangers to protect frontier colonies against marauding Indians. Since then their record of service has been glorious. Always champions of law and order, their missions have been to combat Indian raiders, freebooters, threats of foreign invasion, outlaws, and to serve as scouts for, and as combat troops in the Army of the U.S. and the Confederacy. Although they have served under many flags, their deeds of valor have been innumerable and Texas will always be proud of its Rangers.

From these treasured moments in Texas history has grown a great State in which the good things of life are enjoyed by millions. Three generations, for instance have enjoyed the fine quality of Texas' Own PEARL Beer. In those treasured moments of relaxation, it has become traditional to say, "Bottle of PEARL, please!"

# FACE THE FACTS VOTE FOR KEN REGAN

We of the Sixteenth District are interested, after all, not in personalities — but in facts. Not whether we like a man personally or not, but whether he is the BEST man for our particular job.

**KEN REGAN IS BEST QUALIFIED** — A long record of achievement in public life, as Mayor and State Senator; and in private business attests his ability to produce results.

**KEN REGAN** is a successful man and has carried his traits of good judgment, common sense, economy, and alert mentality into affairs at Washington. His record during his first year is outstanding. He has "gotten the job done" for the district.

It simmers down to this. We people of West Texas have many vital contacts with Washington. The Federal Government's actions literally mean life or death to many parts of the district.

We need the BEST man available . . . not just anyone who offers himself for public office.

If you will consider the history, the personality, the record past and present, — your choice, like ours, will be **KEN REGAN** for his first regular term.

**THERE IS NO SUBSTITUTE FOR ABILITY AND EXPERIENCE —**  
**—THE 16TH DISTRICT MUST HAVE THE BEST AVAILABLE MAN!**

## Vote For KEN REGAN on July 24 and continue this representation

KEN REGAN is in the hospital. This advertisement was compiled and paid for by his friends in the 16th Congressional District

Unopposed State Candidate To Be On Air Wednesday

PRICE DANIEL

Attorney General Price Daniel, candidate for re-election without opposition, has announced that he will make a report to the people over a state wide radio network July 21 at 7:30 p. m.

Daniel, now serving his first term as Attorney General of Texas, is the youngest Attorney General in the United States. He was elected two years ago in a vigorous campaign less than 60 days after his discharge from the army.

"Although I have no opponent this year, I want to thank the people of Texas for letting me serve another term and report to them on the work of my administration," Daniel said. "I will review the Sweatt case, antitrust suits and investigations, the tideland fight, and other matters which might be of interest to the citizens of Texas."
