STEN TO LUKE

Time has come for action. The next case of polio may be your home.

Any ceremony or celebration of the citizens of Sanderson will clean up the town against the spread of the dreaded disease. Property owners and renters must and should join in this campaign. Everybody has a job to do. Don't depend on volunteers to clean up your rubbidge. Get out and do it or have it done for you.

It has been requested that you possibly spare the time to be at the depot fire at seven o'clock Saturday night so that the spraying can be finished that day.

There will be approximately 100 men and the plans for the spraying will be under the direction of Jack Laughlin.

Committees will be charged with the responsibility of seeing that local residents have in order for the spraying.

There will be a man with each machine to accept donations to help the county pay the DOT.

All the bills to come to this attention is the Texas Bill No. 655. This bill has been introduced in the legislature as an emergency and "immediate public necessity" measure. Representative A. W. Johnson City.

The proposed measure is in full. Read it and then see why this column asks you to write to your representative and tell him why you need such legislation.

Section 1. It shall hereafter be unlawful for any person to carry or in or on any vehicle or any of its attachments to have in possession, or to be shot upon, on any highway or public road in this state, unless the barrels and magazines of such rifle or shotgun are enclosed within a container or be securely wrapped or placed in such vehicle in a locked storage or compartment thereof. Provisions of this section shall apply to law enforcement officers.

Section 2. When any officer of the Game, Fish and Oyster Commission shall have reason to believe that this act is being violated, such officer shall have the right to search the vehicle for carrying any rifle or shotgun in violation hereof; all have the right to inspect any rifle or shotgun which is found in or on such vehicle in possession on a public road or highway.

Section 3. All fines and fees levied through the enforcement of this act shall be remitted to the Game, Fish and Oyster Commission and be by said commission deposited to the Special Game and Oyster Fund to be used for the purposes provided by law.

Section 4. Any person who violates any provision of this act, or any person who shall refuse to permit searching of such vehicle or inspection of such rifle or shotgun when requested to do so by an officer of the Game, Fish and Oyster Commission, shall be deemed guilty of a misdemeanor and upon conviction shall be fined not less than Twenty-Five Dollars (\$25) and not more than Two Hundred Dollars (\$200).

Section 5. The fact that a person is permitted the carrying of shotguns and rifles on roads to the detriment of the species constitutes an emergency and an imperative necessity that the constitutionality of this act shall be suspended for three several days.

Section 6. This act shall be in full effect from and after its passage, and it is so enacted.

There could be columns of words written against such silly legislation as the above but time and space and the persistent effort to control our words prohibit our going into detail. It is, on the very face of it, objectionable. A better law would be to disarm the game wardens we now have rather than give them authority to stop and search any vehicle on the highway. If the state of Texas should empower game wardens to make promiscuous searches of every man on the highways there might be fewer game wardens after a few months of this practice.

Write a letter to Representative Tom Stovell and register your disapproval of this unholly piece of legislation. You might also write Senator Hill Hudson and let him know how you feel about it. Those men are sent to represent us down there and they will appreciate your interest in the way they vote on any question.

STOLEN CAR NABBED HERE SUNDAY BY DEPUTY SHERIFF

Deputy Sheriff B. F. Anderson apprehended a stolen car here Sunday afternoon and held the driver while he pined Pecos to learn that the car had not yet been reported missing.

A youth who gave his name as Thomas Godwin attempted to sell accessories from the car and caused suspicion. Upon questioning by the sheriff's department, the young man admitted theft of the car from in front of a church in Pecos.

Godwin was returned to Pecos Monday by Reeves County officers.

MRS. C. P. PEAVY SEC'Y-MANAGER MERCHANTS ASSN.

Mrs. C. P. Peavy has assumed the duties of secretary-manager of the newly-organized Retail Merchants Association in Sanderson. She recently spent two days in Fort Stockton in the offices of the organization to study methods and plans for operation of the association.

At a meeting of the directors Friday night further plans were made for the local set-up. Records and equipment for the association have been moved into the Peavy Insurance Agency office. A telephone, number 201, has been installed and the post-office box is 466.

Mrs. Peavy has asked that all local business firms belonging to the association pay their dues at once in order that funds for operation expenses may be available.

American Legion To Sponsor Dance Saturday Night

The American Legion dance will be held in the Masonic Hall Saturday night, April 9, from 9 to 12 p. m.

Music will be furnished by the Valley Nite Hawks and the public is invited to attend.

DRYDEN NEWS—

By James Clark

Mrs. B. R. Farley and Mrs. Chester Smith, Jr. left the past week for Schulenburg where the grandchild of Mrs. Farley and the niece of Mrs. Smith is confined to a hospital with pneumonia.

Marion Powers, son of Mr. and Mrs. J. H. Powers, has returned from San Angelo where he has been in the hospital with rheumatic fever.

Mr. and Mrs. Marvin Allen sold the Cactus Cafe to Mr. and Mrs. Louis Cash of Alpine.

Mrs. J. M. Basset has returned from San Antonio where she has been staying for a while.

Donald Smith of Sanderson was in Dryden the past week to visit his mother, Mrs. Chester Smith.

Charlie Turk was in town on business Tuesday.

SATURDAY LAST DAY FOR CHEST X-RAYS FOR TB

The mass chest X-ray survey for Terrell County was begun yesterday with temporary offices set up in the building east of the Community Public Service Company. Office hours are from 8 a. m. to 6 p. m. and everyone from the age of fifteen up is urged to take advantage of the free X-rays during the next two days, Friday and Saturday.

The survey is sponsored by the health department of the Sanderson P-TA with Mrs. E. J. Hanson and committee in charge of the office and records.

X-rays can reveal tuberculosis long before a person ever feels ill. Early discovery means early recovery. Those who had an X-ray made when the mobile unit was here last year are requested to have the X-ray made again this year as millions of people have tuberculosis germs in their bodies and the germs are constantly awaiting for body resistance to weaken.

Interscholastic Meet In Marfa April 8-9

The regional interscholastic events will be held in Marfa Friday and Saturday with local pupils participating in practically all of the events scheduled.

Carolyn Kern and Sarah Pat Grigsby will enter the fifth and sixth grade spelling; Dorothy Hill and Claretta Davis, seventh and eighth grade spelling; Isabel Flores and Margaret Meyer, high school spelling.

Wendell Hill will enter the declamation contest with the grade boys, Mary Lou Cargile for the grade girls; Joan Seerest for the junior high school girls; Jimmy Bradford and Betty Cooke for the high school.

Wayne Cade will enter the ready-writers contest and Barbara Spencer for the grade school in the story telling event.

Joe Albert Nessmith will enter the grade boys singles tennis match and Patsy Vaughan, the girls singles. Ruby Jean Bell and Janell Littleton will play in the grade school doubles for girls and Nickie Hahn and Charles Stenall in the boys doubles.

Jimmy Bradford will enter the boys high school tennis singles. Bobby Joe Hill in the high school boys singles and Beverly Thorn in the high school girls singles.

Jack Taftot, Frank and Jack Harrell and Walter Pauli will enter the high school track events.

The playground ball team coached by Lee Hardgrave will be entered in the event and Miss Betty McMillans girl's team is scheduled to make the trip also. Joan Byrd, Barbara Clark, Mary Wolfe, Susie Zepeda, Tommy Yturbe, Barbara Anderson, Betty Cooke, Jeannete Bell, Beverly Thorn and Margaret Meyer comprise the girl's playground ball team.

The grade school boys to enter the track events are Roman Escamilla, Jack Jenkins, Juan Olivares, Enrique Saenz and Alfredo Calzada.

FOUR BAND MEMBERS GRADED AT CLINIC

Four members of the Sanderson Eagle Band members received grading in Divisions 1, 2, and 3 in the Region 8 Music Festival and Clinic at Sul Ross College Saturday.

First division rating was given Jackie Savage, bass clarinet, and Jimmy Bradford, trombone. J. D. Thompson was graded second division on trombone and Betty Cooke third division on clarinet.

They were accompanied by Mr. and Mrs. C. G. Bradford, Paul Brake, Mrs. W. H. Savage and Weldon Walker.

GIRL SCOUTS PLAN GARDEN

At the regular meeting of the Girl Scouts March 31 at the Scout Hut the girls planned a garden which would help them get a badge for the project.

After routine business was attended to the girls separated into their patrols.

Lions Club Sponsors Costume Square Dance Saturday

The Lions Club is sponsoring a costume square dance at the Kerr Building Saturday night from 8 to 12. Prizes will be given to the best costumed man and lady and to the members of the most proficient square.

The public is invited. Admission will be charged for spectators as well as the dancers.

Mullins Named To School Board In Saturday's Vote

Terrell County Common School District voters named J. A. Mullins, Jr. to succeed Tom Arrington on the school board last Saturday.

Arrington's term expired and he refused to accept a place on the ticket for re-election.

In the local precinct there were 119 votes cast and in Precinct 2 (Dryden) fourteen voted, while only seven voted in Precinct 3. Mullins received a unanimous vote of all who cast their ballots — a total of 131.

Interest in the election was a great deal more active than usual, according to school officials. It was stated that seldom does a school election bring out more than half that number. Voting interest was probably accelerated, it was thought, by the fact that a special election was called for the same date to determine whether the county should require registration and tax on all dogs in the county.

In the vote on the dog registration only three votes were cast against the proposition. The three dissenting votes were in the Sanderson box.

Mexican Methodist Church To Have Pre-Easter Services

Rev. H. Vargas, pastor of the Mexican Methodist Church has announced special services for next week, the week preceding Easter.

Services will be held each evening at seven-thirty from Sunday through Friday with Rev. Vargas preaching.

Holy Communion will be observed Thursday night.

A special service will be held Friday afternoon at two o'clock and also Easter Sunday morning at six o'clock.

Each morning the church will be open from nine o'clock until ten o'clock for prayer.

Rev. H. Vargas extended a cordial invitation to everyone in the community to attend the services.

Legion Nets \$225 In Local Show

According to Wilton Dishman, treasurer of the American Legion, that organization netted approximately \$225 in the recent production of "Laff It Off", local talent show staged Wednesday and Thursday of last week. Legion officials expressed pleasure in the fact that they came out with such good results in their drive for funds for the new Legion building now in the planning stage.

Members of the local veteran's organization said that they were very grateful to all those who helped in any way to make the show a success and the production of it possible.

Mrs. Russell Walker and little son returned to their home in Fort Stockton Sunday after visiting for several days with her parents, Mr. and Mrs. T. R. Arrington.

Mrs. D. L. Duncan took her daughter, Mary Elaine, to San Antonio Monday for medical attention.

Mr. and Mrs. Wilton Dishman went to Del Rio Saturday. Mrs. Dishman will remain for an indefinite visit.

BALL FIELD READY FOR PRACTICES

The Lions Club softball field is now almost completed and daytime practice may begin any time that sponsoring organizations have teams ready. Lights have not been connected as yet and night practice will not be possible before the latter part of next week. The ball field in its new location has a very hard infield and promises to be in excellent shape for fast play when the season begins around May 1.

The Lions have constructed a new backstop, installed two new poles with two fixtures on each, making about 36,900 watts available for the night play. Bases and pitcher's plate will not be put on the field until closer to the season's opening to prevent damage to the base areas and bases as well.

SMALL INCREASE IN REGISTERED MOTOR VEHICLES

On March 31, the closing date for the registration of motor vehicles, 546 passenger cars were registered. On the same date last year, only 500 passenger automobiles had been registered. The total passenger cars registered during 1948 was 616. With more new cars available and decrease in prices, 1949 will probably see even more registrations, said W. D. O'Bryen, deputy tax collector.

Other motor vehicles registered included 159 commercial vehicle trucks, 157 farm trucks, 45 trailers, 5 motorcycles and 7 house trailers.

Local Girls Win Certificates in Piano Contest in Alpine

The following pupils from the Sanderson High School went to Alpine last Saturday to participate in the Interscholastic Piano Contest: Janell Littleton, Douglas Attaway, Pascual Rios, Yolanda Esqueda, Josephina Martinez, Shirley Thompson, Barbara Rose and Wayne Cade. They were accompanied by Mrs. Ted Attaway, Miss Betty McMillan and Miss Myrtle Harrell.

Shirley Thompson and Barbara Rose were awarded certificates by John Carrico, contest director, for making the Division II rating.

Methodist Revival To Close Sunday

The revival which has been in progress at the Methodist Church will close Sunday night.

Rev. A. B. Armstrong of Tye, Texas, has been in charge of the revival, holding two services daily, at ten in the morning and at seven-thirty each evening.

The week of evangelistic services at Dryden closed last Saturday night. Good attendance was noted at every service. There were eight professions of faith during the meeting.

TWO SCHOOL HOLIDAYS FOR EASTER SEASON

School holidays for Easter have been announced from Thursday afternoon, April 15 through Monday, April 18, which will include two school days, Friday and Monday. Many of the teachers will take advantage of the holidays to visit out-of-town relatives.

Mrs. E. W. Martin and daughter, Cinda, returned last week from a visit with relatives in Lubbock and El Paso.

Mrs. J. A. Boykin of Houston left for her home Tuesday after a visit in the home of her son, J. B. Morrison.

Mrs. G. G. Pope of Texarkana is a guest in the home of her sister, Mrs. A. W. Pope.

Mr. and Mrs. Jack Laughlin returned Thursday from Goldthwaite where they had visited his parents, Mr. and Mrs. W. W. Laughlin.

Dorothy Gene Litton Victim of Polio

Dorothy Jean Litton, 14-month-old daughter of Mr. and Mrs. Curtis Litton, was taken to a San Angelo hospital Saturday night for diagnosis and treatment of a brief illness which local physicians had diagnosed as polio.

After a telephone conversation with the child's physician Wednesday afternoon, Dr. J. C. Kern, county health officer, stated that the physicians there had concurred in the diagnosis of the local physicians and that the child definitely has polio. Her fever has abated, which is indicative of the arresting of the paralysis, according to Dr. Kern, and only her leg affected.

The hot-pack treatments are being used and her response to them will have to be awaited. The child is resting comfortably and in no pain, the physician stated.

Mr. Litton and the grandfather, E. B. Litton, were with her for several days this week. The father returned to Sanderson Wednesday after Mr. Litton had taken the mother to San Angelo to be with the child.

So far as is known, this is the first case of polio in Terrell County in over twenty years.

DISTRICT SCOUTERS HOLD MEET HERE LAST THURSDAY

The fourth of the five-month district training round-table discussion meetings for interested Scouters was held in Sanderson last Thursday night with thirty men in attendance from Texon, Big Lake, Crane, Iraan, McCamey, Fort Stockton and Sanderson. The Scouts of the local troop were guests.

The theme of the discussion was "Advancement" and a film was shown to illustrate the organization and operation of a troop.

After the meeting Mrs. C. G. Bradford and Mrs. James Caroline served coffee and doughnuts.

The April meeting scheduled for Thursday, April 27, will be at Crane and the overnight meeting in May will be at Camp Louis Farr at Mertzon.

Bridge-Luncheon At W. R. Stumberg Ranch For Wednesday Club

The members of the Wednesday Bridge Club were entertained with a one o'clock luncheon at the ranch home of Mrs. W. R. Stumberg this week.

The luncheon, consisting of fried chicken, green beans, new potatoes, pineapple salad, coffee and sundaes for dessert, was served buffet-style with the guests seated at quartet tables.

The party rooms were decorated with potted azaleas and hydrangeas and a mixed bouquet of seasonal flowers.

At the conclusion of the bridge games which followed the luncheon, Mrs. C. P. Peavy held high score, Mrs. R. S. Wilkinson second high and Mr. Web Townsend, low. Mrs. Peavy and Mrs. Bestin Canon won traveling prizes.

Guests were Mesdames R. S. Wilkinson, H. A. Finger, C. P. Peavy, Mary Lou Kellar, W. W. Sudduth, Herbert Brown, Bustin Canon, James Kerr, Web Townsend, J. T. Williams, S. L. Stumberg and Fritz Kahl of Marfa.

Cemetery Association Re-Elects Officers

The present officers of the Cemetery Association were re-elected when the organization met at the courthouse Monday evening. W. E. Grigsby is president, Mrs. Austin Nance, vice-president and R. S. Wilkinson, secretary-treasurer.

A change has been made in the charges for water at the cemetery. Instead of the old rate of \$18.00 per year, lot owners now will be charged \$1.00 per month for each lot, payable in advance.

CONTRACT LET FOR 20 MILES PAVING ON HIGHWAY 285

Announcement was made the latter part of last week that T. C. Caged of San Antonio was awarded the contract for the paving of 19.2 miles of the Fort Stockton highway that extends just north of the portion of the road now under construction. The bid was for \$239,000.00.

According to Bill Allen, superintendent for the project, every effort possible will be made to complete the work before winter of this year. Some of the equipment for the preliminary work has already been moved on location and the work is planned to start immediately.

When this work is completed there will be a 20-mile gap on the Fort Stockton end of the road and an 11-mile gap on the Terrell County end.

According to the local highway department officials, the plans for these two proposed sections are under way and expected to be finished in approximately two months. These plans will have to be ok'd by the State Highway Commission before they can be submitted for bids, the highway men said.

It is expected that the present construction work will be completed by the 15th of March.

Winter Pays Short, Unexpected Visit To Big Bend Area

Old Man Winter paid a short and unexpected visit to this section of West Texas last week end.

Heavy snow fell in the Big Bend country measuring up to three inches at Alpine last Sunday evening. Rain and sleet were mixed with the snow. A killing frost Saturday caused widespread fruit tree damage.

The lowest temperature in the area was reported 30 degrees at Marfa.

There was a steady fall of rain for over twenty-four hours in Terrell County with reports coming in of from 4 to 6. The local gauge showed 35. The rainfall started Sunday morning and ceased before noon Monday. The temperature dropped to 35 locally Sunday night and Monday night was about the same. Fair skies and sunshine Tuesday brought rising temperatures and spring weather was again in evidence.

No damage was noted locally to fruit trees or tender vegetation.

Only 07-inch rainfall was reported in Sanderson for March and that rain was not general over the county. The month was generally mild with usual March winds blowing only about five days during the entire month.

ATTEND BALL GAME IN ALPINE THURSDAY

Attending the game between the Chicago Cubs and the St. Louis Browns in Alpine last Thursday were Mr. and Mrs. W. W. Sudduth, Mr. and Mrs. H. A. Finger, Mr. and Mrs. C. G. Riggins, Mr. and Mrs. Eddie Leatherwood, Mr. and Mrs. S. L. Stumberg, Mr. and Mrs. G. E. Babb, Mr. and Mrs. W. R. Stumberg, Miss Ferda Hasenak, Mr. and Mrs. Ruel Adams and Bernie Kerr.

PAT HARRIS ILL IN DEL RIO HOSPITAL

Pat Harris, who was in Del Rio with his daughter, Mrs. W. H. Dishman had a light stroke Tuesday morning.

To date, he appears to have suffered no ill effects from the attack. Mrs. Harris is with him.

His daughter, Mrs. Troy Druse, and son, Jimmy, accompanied by their brother-in-law, Wilton Dishman, went to Del Rio after receiving word of his illness. They returned Wednesday.

Mr. and Mrs. Ernest Jessup

left Tuesday for Denver, Colorado, to take their son-in-law and daughter, Mr. and Mrs. Allen Thornberg, who had been visiting, to their home.

Suggestions Regarding Control of Polio

By DR. GEORGE W. COX, State Health Officer

Until recently it was generally believed that polio is transmitted by means of discharges from the respiratory tract. It is now believed that poliomyelitis is primarily another of the several gastrointestinal infections. Therefore, control measures must emphasize clean-up campaigns and improvements in sanitation.

Strict sanitary measures must be observed in all communities. Stringent efforts should be made to eliminate the house fly and to destroy its breeding places. All mosquitoes and mosquito breeding places must be eliminated at once. Every effort should be made to institute approved garbage collection systems immediately. Suitable garbage containers should be kept covered. Safe water supplies must be assured. Where adequate municipal sewage disposal systems are not in operation, it is vitally important to promote and maintain sanitary septic tanks and outdoor toilets. All trash and rubbish should be burned immediately.

All raw foods and vegetables should be washed thoroughly before use and protected from flies and insects. All eating and food handling establishments should adhere strictly to the state law concerning the sterilization of dishes and utensils. In the present emergency, those restaurants with insufficient personnel to maintain approved sanitation should close one or two hours a day so that employees can assist in maintaining cleanliness and high standards of sanitation.

Every effort should be made to secure approved milk. Rats and mice should be eliminated. Every effort should be made to maintain in the home the same sanitation standards that are necessary in community life. Particular attention should be paid to personal hygiene. Excreta from cases and contacts should be handled and disinfected with the same scrupulous care as in typhoid fever or bacillary dysentery.

Over-exertion in children should be avoided. Children should not visit homes where there is a sick child. Cases should be isolated for 14 days and adults who work in food establishments should be particularly instructed in personal hygiene. Cases should be reported early and should be placed under the care of a licensed physician. For cases that are entitled to state aid, communications should be made to the Crippled Children's Division of the State Department of Health. It is advisable to reduce to a minimum all human contacts especially in children during an outbreak of this disease. It is not advocated that schools, churches and theatres be closed.

Early symptoms of infantile paralysis are headache, fever, vomiting, drowsiness, followed by stiffness in the neck and back. When suspicious symptoms appear, a physician should be called immediately.

Suggestions for the Individual and Home

Avoid sudden chilling, such as would result from a plunge into extremely cold water.

Wash hands thoroughly before eating.

If possible, avoid tonsil and adenoid operations during epidemics.

Observe scrupulous cleanliness of the person; frequent bathing is advocated.

Immaculate clean clothes are important.

Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic mouth wash are recommended.

The nasal passage should be kept clean.

Dental defects should be corrected.

All raw foods and vegetables should be washed thoroughly before using.

All foods should be protected from flies, filth and insects.

In the home, dishes should be washed in hot, soapy water and rinsed in very hot clear water.

Sinks, bath tubs and other plumbing fixtures should be scoured clean and rinsed with an antiseptic solution.

Bedding should be sunned and aired often.

Ridding the home of rats, flies and roaches is absolutely necessary.

If Christianity is anything, it is everything, and means infinitely more to everyone of us than all our earthly possessions — year after year, itself. No truth is more surely taught in the Bible than that Christ came to earth to sacrifice His life for our sins and to found a system of religion, a plan of salvation, by which every person of earth might obtain eternal life. No man has any promise of salvation unless he is completely converted according to this God-given design and then lives a faithful Christian life. To this, all informed students of the Bible agree. Yet, in this land that nominally accepts Christianity, there is a widespread tendency to treat this greatest heritage with an unexplainable indifference.

When our Lord, just before His ascension, gave unto his apostles the great commission, "Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be condemned." It was the motive that sent them into every corner of the earth to bear the good tidings. The flaming torch of this gospel message was flung by these ambassadors "to faithful men who shall be able to teach others, also." Yet today with all our liberties and opportunities, it seems impossible to interest the masses in the hope of eternal life.

professed followers of Christ has largely contributed to this spiritual apathy. From someplace has come a widely prevalent idea that a kind of passive belief in Christ or a certain moral standard, coupled with a funeral eulogy by a kind-hearted minister, will suffice to open the gates of the eternal city. Nothing could be further from the New Testament teachings which reveal that eternal life is for only those who have complied with Christ's terms of the great salvation. Some day, very soon, we shall all be ushered into a never-ending eternity. He who in that day has a hope founded upon the redemption brought within his reach has nothing but to face a darkness so terrible that it is indescribable.

From where I sit ... by Joe Marsh

**Remember How
We Talked?**

From where I sit, it's easy to criticize the other person when we don't take a good long look at ourselves. Sure, there'll always be some differences, I'm fond of a temperate glass of beer and maybe you would prefer ginger ale—but let's just live and let live. Because when we go out of our way to find things to find fault with in others, chances are they can find a few in us, too.

Kaiser-Frazer invades new price field!

Kaiser... new price \$1995*

now world's lowest-priced big car

Our policy on prices

"It has always been our goal to put a bigger, better automobile within reach of more people. To that end, we have bought the huge factory at Willow Run, and have a great engine plant in Detroit. In Cleveland, we have acquired the world's largest blast furnace for the making of steel. Our engineering-production team and our vast dealer organization have worked overtime to reduce manufacturing and distribution costs. In line with the settled policy of our Corporation, we are giving substantial savings to the public in the form of greatly reduced prices... even sooner than we expected. Now, almost any American family can own a really big, fine car!"

HENRY J. KAISER Chairman JOSEPH W. FRAZER Vice-Chairman

Happy days are here again! Today you can get a big, big 1949 Kaiser Special for only \$1,995*... a saving to you of over \$333.00! Prices of all Kaiser and Frazer models have been materially lowered. These are by far the most sweeping price revisions the automobile industry has seen.

★ ★ 123 1/2" wheelbase... 10 feet 7 inches seating space... 27 1/2 cubic foot trunk space... over 206 inches long... 7.3-to-1 compression ratio

Listen to Walter Winchell every Sunday night, ABC

So, now you can buy the big car you've always wanted... at virtually 'little car' prices and at 'little car' economy of operation! Think of what this means to you and your family in terms of riding comfort, driving ease and prestige!

Go choose your Kaiser or Frazer today. Your nearest Kaiser-Frazer Dealer can probably give you immediate delivery. Fair-and-square trade-in allowances... but you do not have to have a car to trade to get the benefits of Kaiser-Frazer price revisions!

So, enjoy the comfort, luxury and safety of a new, 1949 Kaiser... the lowest-priced big car in the world!

Look what these new prices save you!

model	old price*	new price*	you save

Four Thousand Cripples Aided During 1948 By State

AUSTIN, April 7—Almost four thousand Texas children from more than 225 counties have received beneficial services and aid to happy, normal living under the Crippled Children's Division administered by the State Health Department, during the calendar year 1948. This information is shown by the annual report issued by Dr. George W. Cox, State Health Officer.

According to Dr. Cox, the most commonly treated conditions are late effects of acute poliomyelitis, cerebral palsy, osteomyelitis, tuberculosis of joints, cleft palate, harelip and club feet. Although the services are provided for children from birth to 21 years, the largest group treated were from the age bracket of 5 to 14 years.

The help given these crippled children represents 3,747 clinic visits, 43,433 days of hospital care, 2,897 days of convalescent home care and 4,986 doctor's visits.

"As long as sufficient state funds are available, any crippled Texas child of normal mentality, under twenty-one years of age, whose parents or guardians are unable to pay for proper care, is entitled to the help of the Crippled Children's Division," Dr. Cox said, "if his doctor believes

that it is reasonable to expect that the child can be improved through hospitalization, medical care, artificial appliances, or through a combination of these services."

Parents of crippled children

should make application for this assistance by completing application forms, which should be signed by the physician and approved by the County Judge. The application is then mailed to the Crippled Children's Division, Texas State Department of Health, Austin, Texas.

**MISS CLARA BELL,
DON DE LA HUNT
WED SATURDAY**

Mr. and Mrs. Donald Richard De La Hunt have established residence in Marble Falls, Texas, following their wedding here Saturday evening at seven.

Parents of the young couple are Mr. and Mrs. De La Hunt of Little Falls, Minnesota, and Mr. and Mrs. Sam Bell of Sanderson. Using the double-ring ceremony, E. B. Litton, justice of the peace, directed the exchange of marriage vows. Only close relatives and friends were in attendance.

For her wedding, the bride chose a rose wool suit with grey accessories. She was attended by her sister, Mrs. J. F. Gholson, as matron of honor. Mrs. Gholson wore a blue suit with brown accessories. Bill Anderson was best man. Mrs. De La Hunt is a life-long resident of Terrell County. She graduated from the local high school in 1945 and has recently been employed as receptionist for Dr. John W. Pate.

Mr. De La Hunt is employed by an aerial photography company. Mr. and Mrs. Dick Hamilton went to Del Rio Sunday to get her mother, Mrs. J. M. Bassett, who has returned from San Antonio and will visit with her daughters at Dryden, Sanderson and Fort Stockton for several weeks.

**Ranch H D Club
Meeting Friday At
Mrs. N. M. Mitchell's**

The Ranch Home Demonstration Club met Friday morning at the home of Mrs. N. M. Mitchell. After the group had recited the club prayer in unison, roll call was answered with each member giving a fact pertaining to medical science.

Mrs. Mitchell presided at a brief business session. A discussion of 4-H Club work was given by Mrs. C. C. Mitchell with a report made of the recent trip to Houston by the Peecos County 4-H Club.

After a light luncheon was served, Mrs. E. J. Hanson, recreation chairman, gave pins and crepe paper to the guests with fifteen minutes allowed for the construction of a hat. Mrs. W. W. Sudduth won first prize and Mrs. Herman Couch, second.

Mrs. J. W. Byrd's discussion of modern home life stressed the need of spiritual guidance in the homes of today. Miss Margaret Bracher gave a demonstration on the measurement of patterns before the cutting of the material begins. She stressed the use of good judgment in the purchase of materials.

Pictures were made last month of dresses to be re-styled and at this meeting Mrs. Sid Harkins made moving pictures of the dresses after completion as modelled by the owner. Cake and coffee were served at the conclusion of the afternoon session to Mesdames Vic Littleton, Don Allen, E. E. Farley, J. W. Byrd, Sid Harkins, R. N. Allen, Herman Couch, Billy Maggill, E. J. Hanson, W. W. Sudduth, A. W. Pope, J. D. Nichols, O. T. Sudduth, E. F. Pierson, W. J. Ferguson, H. E. Schroegler, C. C. Mitchell and Misses Anna Lee Allen and Margaret Bracher and Mrs. Floyd Henley, who is a sister of Mrs. N. M. Mitchell.

**SON BORN TO MR. AND

We Have the New **Miracle**
"Cold Rubber" Tires
Here for you Now!

Full Stock of All Low Pressure Sizes

You have read about "COLD RUBBER," of course. Authentic tests have proved this remarkable new rubber to be 30% to 40% superior in tire treads to even the best natural rubber.

NOW—in this outstanding extra low pressure tire, Gates brings you this unsurpassed longer-mileage combination—one that is already breaking records in severe extra low pressure service:

- "COLD RUBBER"—a supremely durable tread made of this new miracle rubber.
- The famous SILENT- SAFETY tread design—a fundamental advance in tire engineering—long recognized by tire dealers and users alike as a very efficient and exceptionally long-wearing tread.

Together, the proved extra efficiency of this famous tread and the remarkable durability of "COLD RUBBER" give you, in the Gates Air-Float, an unmatched combination for extra long mileage in a low pressure tire.

This Low Pressure Tire is QUIET on Curves

Look closely now at the unique tread design of the GATES AIR-FLOAT TIRE! Notice the zig-zag center ribs. These ribs—genuine, certified "COLD RUBBER" ribs—are actually mechanical in action. They grip the road so firmly that slippage—which causes tire wear and also tire "squealing"—is reduced to a minimum!

Besides all the comfort luxury of riding on the modern low-pressure tires, you can NOW—with "Cold Rubber" GATES AIR-FLOAT TIRES—go around curves at a fast clip, and not hear the slightest hint of a "squeal." That's real driving pleasure—and you get, above all, the extra long wear insured by certified "COLD RUBBER" treads!
