NUMBER 24

Rains General Over This Area

Welcome rainfall, badly-needed and long-expected, came to Sanderson and all sections of the county during the past week. Washouts on the roads to Sheffield and Fort Stockton closed both roads the last of the week. For the first time in many years, some area ranchmen were water-bound at the ranch or in Sanderson as canyons and draws filled and ran for several hours. The local rain gauge showed

2.58 inches to noon Wednesday. Almost all of the southern, central and eastern sections of the county got their rain in slow moisture penetrating deeply into the soil. Varying amounts of rain were gauged on ranches over the area. A. A. Shelton had two inches of rain, J. Garner, two and three inches, Hardgrave and Allen from two to three inches. Heaviest rains were to the north and northwest with Wet Townsend, Clarence Jessup, Malone Mitchell, Monty Corder, Sid Harkins and Herman Couch reporting from five to nine inches of rain. Light rainfall prevailed beyond about ten miles to the west. Temperatures have been several degrees cooler for the past two weeks. However, with the warm summer days ahead, the recent rains will make for good growth of weeds and grass for fall pasture. Many ranchmen have sold or moved out many of their sheep as dry weather continued and the light stocking will give the rains the fairest chance to make something out of much of the over-grazed pasture land.

RAINS DAMAGE NEW HIGHWAY

Local rains over the week end damaged the new highway between heer and Fort Stockton to the extent of between \$5,000 and \$10,000, it was announced by an official of the State Highway Department this week. The total cost of the damages cannot be ascertained until it is known just how many man-hours and materials will have to be used for repairs.

Most of the damage was done to the shoulders of the highway in numerous points along the 15-mile pavement, washing the road bed out right up to the edge of the paving and in some cases washing the base out from under the edge of the improved work.

Water ran about 4 feet deep at the south fork of Big Canyon for approximately 400 feet along the highway, washing away approximately 100 feet of the paving, and just south of C. C. Mitchell's ranch house the water was about 4 feet deep 200 feet along the highway, doing considerable damage to the shoulders and road bed.

Work was started on the repairs of the highway as soon as weather and high water permitted men and machinery to get to the damaged places. Downie Draw ran the highest it had run in several years and gravel was washed down into the road bed in the draw crossing, making the road impassable until it had been cleared.

Mrs. A. Garner Has Rummy Club

Mrs. Arnold Garner entertained the members of the Rummy Club and guests at her home Tuesday afternoon.

At the conclusion of the games Mrs. Dick Sullivan held high score.

The hostess served water melon and iced tea to Mesdames H. E. Louwein, Gene Litton, Tommy Billings, George Herzog, Dick Sullivan and guests, Mrs. E. W. Martin and Mrs. L. M. Wooten.

MRS. BOB WILKINSON AT GONZALES FOR TREATMENT

Mrs. Bob Wilkinson, a former resident, who spent several weeks in an iron lung recently in a Houston hospital, a victim of polio, has been moved to the Gonzales Foundation and is improving slowly according to word received here by friends. She is paralyzed in one leg from the hip down and physicians estimate that it will be at least six months before she will be able to walk. Her infant daughter is normal in every way and is in the care of an aunt.

REV. JOSE SALAS PASTOR OF METHODIST CHURCH

Rev. Jose Salas arrived in Sanderson last week from El Paso to assume pastorate of the Mexican Methodist Church. He was formerly a circuit rider serving churches at Marfa, Valentine, Fort Stockton, Alpine and Presidio while attending Sul Ross College. Rev. Salas has a wife and three children.

MOHAIR BRINGS GOOD PRICE IN RECENT SALES

Recent sales of mohair in Texas was reported from San Angelo which brought an awakening to raisers of this area.

Around 90,000 pounds was reported sold to Jack Hughes of Emery, Russell and Goodrich of Boston, from Johnny Williams of the Sanderson Wool & Mohair Company and the Big Bend Wool and Mohair Company of Alpine. Price was reported at 38 cents a pound for adult hair and 58 cents for kid.

About 150,000 pounds of adult and kid hair was said to have been bought by the same company from the Del Rio Wool and Mohair Company at Del Rio earlier in the week.

Growers were reported to have refused a 60 cent offer for 12-month in the San Angelo area, according to warehousemen in that section.

SCHOOL OPENS MONDAY, SEPT. 5

School bells will ring in Sanderson on Monday, September 5, at nine o'clock. Several places on the faculty are yet unfilled but Supt. J. G. Barry announced this week that he expected to have a full corps of teachers available by next week.

There will be a faculty meeting on Friday, September 2, at 10 o'clock in the morning.

About 75 pupils will enter the first grade this year for the first time.

SENATE APPROVES PURCHASE OF LAND FOR BIG BEND PARK

The Senate Tuesday authorized the secretary of interior to acquire the title to four sections of land to add to the Big Bend National Park. The measure will have to go back to the House for approval of a Senate amendment providing that the government shall not pay more than \$10,000 for the four sections.

The Senate Interior Committee said the transaction would correct an error made by the surveyor when the park boundary was established. The land was intended to have been included in other acreages bought by the Department of Interior from Texas for the park.

The acquisition of the additional land will permit the National Park Service to construct an approach road from Texas Highway 227 into the park.

W. A. DAVIS GETS LICENSE AS ENGINEER

W. A. Davis received his commission the first of the month as resident engineer. A. W. Pope, senior resident engineer, will remain in his capacity with Mr. Davis as assistant.

Two new employees have been added to the local highway force. E. G. Brown of Odesa, with his wife, is occupying one of the Cargile apartments.

M. E. Shows of Prattville, Ark., arrived Monday and will be joined by his wife and small child in a few weeks.

Only 2 Contributors To Local Polio Fund This Week

Contributions continue to come in to the local polio fund with Mrs. Mary E. Mitchell contributing \$50 and D. E. Elrod contributing \$15.

With the local polio committee in debt to the National Polio Foundation for funds advanced for the treatment of the two local cases of polio, it is hoped the local funds can be built up with a surplus available for any further cases of polio that may develop. Any contribution will be appreciated by the committee headed by W. W. Sudduth.

Legion Leads Lions 6-4 In Thriller

Rains were responsible for the cancellation of two ball games this week. There was to have been a double-header game at Sheffield Sunday between the men's team and ladies' team of Sanderson and Sheffield, and the regularly scheduled playoff game Tuesday night between the Lions and the Legion was called off on account of a high line going down between Sanderson and Fort Stockton during a rain storm.

Monday night two local all-star teams played and the town-sponsored team won 5-1. The challengers team was composed of Maples, C. Smith, P. G. Thompson, 1b; M. Batson, 2b; A. Nance, ss; D. Thompson, 3b; B. Chamberlain, lf; J. Harris, and Adams, rf. Druse, Harkins, Pauli, Gilbreath, Cochran, Dishman, Leatherwood, Hogg, J. Harkins and W. W. Sudduth comprise the town team.

The game Tuesday night was postponed until Wednesday night, pending weather, and the weather permitted the play-off for the elimination of either the Lions or the Legion from the final round for the local championship. The Legion won 6-4.

This was one of the most exciting games of the season in that the underdogs started out with a one-run deficit which they soon matched and then went ahead 4-1 over the Legion and held their lead until the last half of the sixth inning.

The Legion's 5-run spurt started on a single to right field, a batter hit pitched ball, another single into right field, a hit to the first baseman and a long hit into left field. The Lions were unable to score in the first half of the last inning.

Pete, pitching for the Lions, and E. Harkins, for the Legion, turned in excellent records on the mound. Each pitcher hit one batter and walked one and allowed about the same number of hits. The ball game was a credit to all the players on both teams.

The Firemen will go into a 3 out of 5 series with the Legionnaires, starting Tuesday night for the local championship. There are promises of some very excellent playing since there is a nice reward in store for the winner. The Lions Club will be hosts to the members of the winning team and their families at a barbecue after the end of the softball season.

The winner will also be in possession of the Riggins Cup for one year.

The Lions Club is charging admission for the playoff games and the public is cordially invited to come out and support the team of their choice.

Improvements Noted With New Phones; 85 New Subscribers

Work is progressing on the installation of new telephones in Sanderson. Connections have been made for about fifteen new subscribers with about seventy telephones remaining to be installed.

As soon as new installations are completed a new directory will be published. Improvement is noted in the new telephone system, particularly on the ranches, since the installation of the common-battery system.

Otho Baldy, construction foreman, was called to Del Rio Tuesday when his wife had major surgery and he will not return before the first of the week.

CULTURE CLUB TO MEET AUGUST 18

The Sanderson Culture Club will have the first fall meeting Thursday, August 18, at the home of Mrs. W. H. Savage at 3 o'clock with Mrs. H. C. Goldwire leading the program.

Miss Milta Hill, head of the art department of Sul Ross College, will be the guest speaker, discussing "Modern American Art."

Rear Admiral Austin K. Doyle, U. S. Navy, has recently assumed command of Naval Air Reserve Training for the entire nation with headquarters at the Naval Air Station, Glenview, Ill. During the war, he commanded the USS Hornet, giant aircraft carrier; in the Pacific campaign to the Philippines to the Japanese home islands. He comes to the Naval Air Reserve Training Command from the Naval Operating Base in Bermuda where he was commandant.

Two Work-Outs Daily For Eagle Pre-Season Practice

Coach M. B. England has announced that work-outs for football will begin Monday morning, August 15 at eight o'clock. Two work-outs will be held daily, from 8 to 10 a. m. and from 4 to 6 p. m.

All eligible boys are requested to meet at the school Monday morning for the first work out.

MOHAIR FUND RAISED TO HELP IN RESEARCH

SAN ANGELO, August 9—Mohair producers are now assured of the Market Research project. Ernest Williams, Secretary of the Texas Sheep and Goat Raisers' Association, announced that a check for \$10,000 was mailed last week to the Marketing Research Branch of the U. S. Department of Agriculture.

This check represented the mohair producers' part of the \$30,000 research project. The U. S. D. A. put up the other \$20,000, he said.

"The response to this request for funds was very gratifying," Williams stated. "The committeemen appointed to raise this sum were all very busy men yet do a good job."

Several committeemen have not reported and it was necessary to borrow temporarily from the association, but this amount will be repaid as soon as all funds are in, he added.

HAPPLE'S SISTER DIES IN STOCKTON WEDNESDAY

Funeral services will be held in Fort Stockton at four o'clock Friday afternoon for Mrs. Tom McKenzie, Sr., who died in that city Wednesday afternoon following an extended illness.

Mrs. McKenzie was a sister of J. W. Happle of Sanderson. Bob Kerr took him to Fort Stockton Wednesday and Mrs. Happle and Mr. and Mrs. Web Townsend will go over Friday for the funeral services.

MRS. BUSTIN CANON HAS SURGERY WEDNESDAY

Mrs. Bustin Canon had surgery in a San Angelo hospital Wednesday for the relief of appendicitis. Her condition is reported to be favorable.

Mr. Canon was in San Angelo with her and their son and daughter, Hicks, and Mrs. Herbert Brown, joined them yesterday.

ARMADA ESQUIVEL BORN TUESDAY

Mr. and Mrs. Nicolas Esquivel announce the birth of a baby daughter, Armada, on Tuesday, August 9. She weighed seven pounds and four ounces.

The Esquivels have two other children.

Rotary To Sponsor Building Seats At Football Stadium

Members of the Sanderson Rotary Club, at their regular weekly luncheon Wednesday, voted to sponsor the project of building seats on the south side of the football field.

A committee, headed by Johnny Williams as chairman, was authorized to get bids and let contract for the erection of concrete stands similar to the ones now in use on the north side of the field. It is planned to raise the money for the project by public subscription but work will be started immediately, it was decided.

President I. G. Robertson, of the local club, named committees for this year's work of the Sanderson club.

Guest speaker for the luncheon was Clifton Rogers, minister of the Church of Christ from Houston. Mr. Rogers spoke on the topic "Happiness." He is conducting a series of revival services at the Sanderson Church of Christ this week.

Procedure For Aid To Polio Patients By National Foundation

The following procedure is published in order to show how help may be obtained from the National Foundation for Infantile Paralysis when polio strikes:

At the first sign of illness, call your own doctor. If he suspects polio he will report the case to the local health department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your city or county medical society, your board of health or the nearest hospital.

If your doctor says it is polio and requires hospitalization, the local chapter of the national foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital—or if your doctor advises the patient can be treated at home—get in touch with your chapter of the national foundation to arrange for any needed assistance.

Your chapter will get in touch with you as soon as it learns of the case through your physician, the hospital or the health department. However, late reporting or a heavy hospital load may delay this chapter contact.

The chapter representative will notify the hospital that it is arranging with you for full or partial payment of expenses for medical care. Adults are as eligible for help as children. Discuss with your chapter how much of the full bill the chapter will pay.

March of Dimes funds are used to help the medically indigent—but this is not the same as indigent; it includes families of moderate income, who cannot meet the high costs of modern care of this expensive disease. The help is a gift, not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

Even if you can assume full cost for initial hospitalization, it is a good idea to see your chapter. If yours should be a patient who is severely affected—and this cannot be determined the first few days—you may need help later on.

Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after hospitalization and appliances such as wheelchairs, braces, etc., as needed. There are no hard and fast rules. Each case is decided upon individual medical and financial needs. Help is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

VOLUME XLII

ATTENTION TO LUKE

experienced merchandiser Luke said, "There are four principles of running a business: (1) Find out what people want. (2) Have it. (3) Find out people don't want. (4) Have it."

These four principles have become an added importance, that the buyers' market is in most lines, and consumers are shopping around for the best for the money. And principles were largely responsible for the development of American retailing to the state of perfection and it has been reached. For example, the chains worked on from the beginning. Most chains started as one man who made the study of consumer likes and dislikes. He stocked what he wanted—and he didn't let money into goods that didn't move. The result of this was to give him big volume and turnover—and that meant possible lower prices. That still guides the chain system and it guides thousands of other independent merchants as well.

All of it, of course, lies in the execution. It is the good that makes good service and makes it possible. If one store hasn't got people want, they'll go the street or over to the next store and buy it. If one store is unattractive and run-down and the displays have a beaten look, a "For Rent" sign will soon occupy the window.

Merchants know the era of bargains, when almost anything could be sold, even if it is shabby, is over.

Merchants of Sanderson much to the same principle that is merchandising elsewhere. Let's keep Sanderson in Sanderson.

It is absolutely no push building industry in Sanderson. For the past two years it has been generally assumed that a failure in building new units and in remodeling existing ones was due to the uncertainty of prices for material and labor. It seems that we can get a period of normality that line is here. We are qualified to estimate cost of building materials, but we do not have time to create a new yard and handers willing materials might do the building move—try to get the town-wise.

Need for housing units urgent. We cannot hope for very great expansion in business unless there is a building industry.

Throughout the county again open their doors to the university education reaches through from the line proportions when it is out to educate everybody simply can't handle as a mass enterprise. For an education are for everyone. Pupils grades can use or abuse tools. We do not mean tools for education are tools of saws and wrenches, hills, Algebra, Spanish, Psychology, all are the putting an edge on your

and various and aims in life—some in the ranchmen, others in sculptors or housewives, all go to the same. They attend the same get a different view subject taught.

all American studies—maybe not in the field, but rulers in the their choice. A lad who is himself to the field of livestock may be a ruler of industry. Rulership is all of all, on character.

Without serious pur-moral responsibility, is going to be exercised of the new level to (continued to page two)

AN EDITORIAL

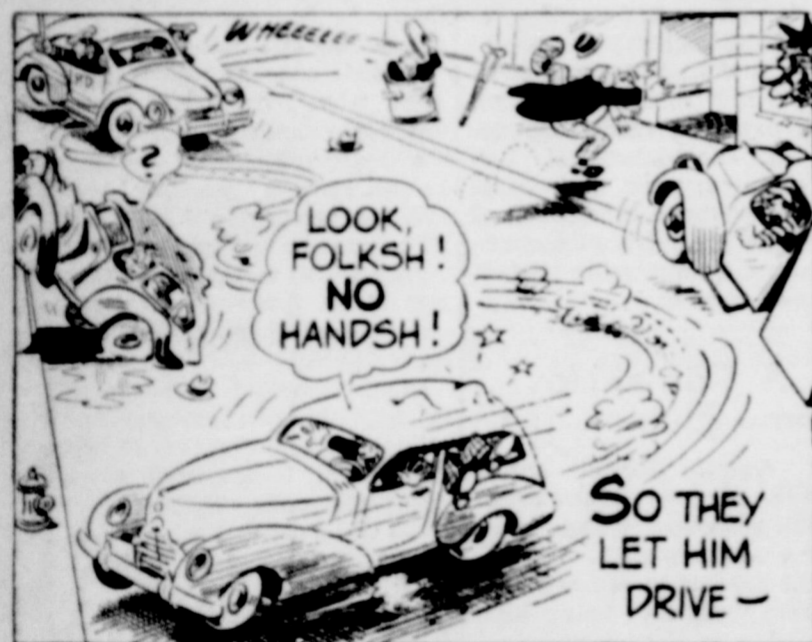

We have been asked by many why we have so much to say about national and international subjects — they seem so far removed from the average man on the streets. Our answer is that as publisher of a country weekly and with the tie-in world society has with every nook and corner of the globe, it affects the economy of us all. The sooner we learn that our citizenship is beyond the county line the better we will be prepared to fill our places as citizens, both of the county and state.

We, as a rule, take very little interest in affairs outside our own county. The 51st legislature should be a challenge to us to take more interest in state and national affairs. We sent a bungling bunch to Austin to transact the affairs of state. If we go to the polls and vote for a man just because he is a member of a prominent family, a friend of a friend of ours, or because he happens to live in a nearby town, then we have failed to meet our responsibilities as a citizen.

If House Joint Resolution No. 5, proposing an amendment to the Constitution, carries in the election on the second Tuesday in November, then the legislature will meet in regular session at noon on the second Tuesday in January. If the amendment is defeated the Governor has said that he would call a special session for that date. If the next session does as much bungling as the regular session of the 51st did we are in for a loss of several hundred thousand dollars more.

Our purpose is to try to get people to think about the qualifications of candidates for office before casting their ballots. In 1950 we will have to decide upon who to send to the legislature. We are not sponsoring any particular candidate, neither are we suggesting that you vote like we do — all we want is for the people to weigh the qualifications for men to handle the affairs of the State of Texas.

The Human Race

KITCHEN SHOWER FOR MISS ANNA LEE ALLEN FRIDAY

Miss Anna Lee Allen, bride-elect of Wayne Carmichael, was named the honored guest when Mrs. John Hardgrave entertained with a kitchen shower at the Community House Friday morning. Miss Many Allen assisted the hostesses in greeting the guests.

Mrs. Don Allen registered the guests in the bride's book.

After a period of games, the gifts were presented to the honoree.

Using a color scheme of yellow, arrangements of daisies and sunflowers were used to decorate the living room.

The refreshment table was covered with a yellow cloth and the same flowers formed the centerpiece. Open-face cheese sandwiches, assorted olives, flower-shaped cookies and iced drinks were served to about fourteen guests, young friends of the bride.

Listen to Luke

(Continued from Page One)

which individual responsibility is being lifted, the whole purpose and plan of education needs a thorough reconsideration. We live together as fellows in a society more vast than ever before. We must find the school's place in that world society.

In world democracy, the most ignorant and most remote citizen will be ruler, too. He will have a say. How much can we understand him? How much can we persuade him and lead him and show him the ways of self help and of self respect?

The time has come for Americans to realize that there is such a thing as doing so much for the youngster that he loses all occasion for doing anything for himself.

This editor never had the op-

portunities for education that the youngsters of today have. In fact up to and including our last year in high school we never had heard of a toothbrush drill. We see so many of the things now that we would have welcomed when we were, roughly speaking, getting our education.

The fight between the former First Lady and the Archbishop of New York is one that this country need never have faced. There is no grounds for either. The Constitution of the U. S. can settle that argument. If the federal government insists on paying out millions of dollars each year to public schools, then our school systems are doomed. It is no fight for different faiths, it is a fight for democracy. The fight should be saved for the defeat of such a communistic program.

Many years ago Mark Twain was editor of a small-town newspaper. A reader wrote in saying that he had found a spider in his paper, and wanted to know if that was an omen of good or bad luck. Mark Twain answered: "Finding a spider in your newspaper is neither good nor bad luck. The spider was merely looking over our paper to see which merchant was not advertising so he could go to that store, spin his web across the door and lead a life of undisturbed peace ever afterward."

Retailing has come a long way since those days, and the art of advertising has undergone great development. And advertising, by stores or any other kind of business, is a typical outgrowth of the competitive system. It is the best possible means of reaching the people who want goods and services, of urging the merits of one brand as against another, and of encouraging the customer to go to some particular retail outlet. That it benefits the consumer goes without

saying. No storekeeper could long charge an excessive price with competitors offering in print the same or an equivalent product at a lower price. And deceptive advertising always defeats its own purpose. The wise merchant advertises ag-

gressively, but he bases his story on appeal, not fiction.

The growth of the chain systems did much to encourage retail advertising. The chains advertised their merits in the search for trade — and the independents did the same thing

in order to hold and grow their own business. This good for all concerned — Salesmanship is a driving force in keeping the American economy running. Advertising is the heart of it.

BE A SAFETY FIRST-ER

As a licensed driver, you hold the power of life and death — wield it in favor of life by exercising extreme, deliberate caution each time you take the wheel.

Today this child blithely skips rope with her comrades . . . If you make one false move at the wheel she may be hopelessly crippled, even dead, tomorrow. Keep her safe by being a safe driver.

School days are here again — and with them the need for more than usual driving care. Think of each child in your path as your own — then cross that intersection, turn down that street. BE CAREFUL!

Back up your knowledge and application of safe driving rules by making sure your brakes can stop on a dime! For the most complete safety possible, we suggest that you service your auto regularly.

ANNUAL BLOYS CAMP MEETING GET UNDER WAY AUGUST 16TH

FORT DAVIS, August 9—The annual session of the "Cowboy Camp Meeting" Association — is due to open Tuesday, August 16, and continue for one week. The meetings are conducted by four denominations. The association has announced the following ministers for the session: the Rev. L. D. Anderson of Fort Worth, dean of the general group, who has been the association for a quarter of a century, coming from the First Christian Church, Methodist, the Rev. George C. Stewart, City Bible Church, Oklahoma City, Oklahoma; and the Rev. S. L. Joe, Presbyterian, seminary, Austin.

Their appearance here will be first for Revs. Baker and Stewart. Rev. Joe has preached at the gathering for several years. The camp meeting was inaugurated by the late Rev. W. B. D. D., a Presbyterian minister, in 1890. Rev. Bloys was a country missionary and gathered in Fort Davis. At the gathering, held on the site continuously since, were boys and early-day ranch-

Pecos Schools Back Accredited List

Whitley, Pecos school superintendent, was notified last week that Supt. L. A. Woods had placed the Pecos school on the accreditation list. After an inspection by state officials early in the summer, schools were taken off of the accreditation list because of overcrowded conditions existing in the Latin-American elementary school. Sales are expected to provide necessary funds for the needed improvements before the opening of the school in September.

MATILDA MARQUEZ APPENDECTOMY
Matilda Marquez, manager of Mi Ranchito Cafe has returned to her home after an appendectomy in an Alpine hospital last week. She is recovering satisfactorily.

See Supplies at the Times

men and their families. Some of this "first meeting" group still attend, and the children and grandchildren and great-grandchildren of many are now regular worshippers at the gathering.

Many cottages are now on the grounds, along with a large tabernacle, a water system and an electricity distributing plant. Nothing is bought or sold on the grounds. No cottages are for rent. But camping space, lights and water are free. Meals may be had during the meeting by arrangements with various family groups. Some kitchens serve 500 to 1,000 persons.

Many visitors from over Texas and from other states spend their nights in Fort Davis, Alpine or Marfa and take their meals on the grounds. Visitors are always advised to "bring wraps", as the mountain altitude of 6,000 feet is often chilly.

PERSONALS

Mr. and Mrs. Carlton White returned to San Antonio Sunday after spending the week end here. They are on vacation and will be gone several more days.

Joe Albert Nessmith left Monday for San Antonio to visit Mr. and Mrs. Ray Turner.

Mr. and Mrs. Tommy Stewart of Eagle Pass arrived last week to attend to some work at Lonesome Valley Ranch.

Mrs. Mamie Price of San Antonio is visiting in the home of her daughter, Mrs. Carl and Inmon, and family.

J. F. Caroline and son, Francis, of Pecos were guests of their son and brother, Jimmie Caroline, and family Sunday.

Charles G. Riggins spent last week end in Corpus Christi, San Antonio and Austin on business.

Miss Barbara Rose has returned home after spending several weeks with relatives in San Antonio.

Mr. and Mrs. Roger Rose made a business trip to San Antonio this week.

Mr. and Mrs. S. L. Stumberg went to San Angelo Monday for her to have some dental work.

Gordon Morrison of Kerrville

left for his home Wednesday after visiting with his cousin, Jack Savage.

Mr. and Mrs. A. L. Petty and children returned Tuesday from a vacation trip to Galveston, Jacksonville and Del Rio.

Mr. and Mrs. Lee Dudley made a business trip to San Angelo last week.

R. C. Haley took his father, Roy Haley, of Marathon to Fort Stockton Sunday to go by plane to Fort Worth.

Mr. and Mrs. Max Bogusch of Del Rio are visiting their son, Roy, and family this week.

Mr. and Mrs. J. A. Mullins and Mr. and Mrs. Jack Laughlin returned Sunday night from a vacation trip to Colorado Springs, Colorado.

Mrs. R. J. Dishman, who had an appendectomy recently returned to her position as daytime operator this week at the local telephone company.

Mrs. K. H. Erickson and two sons, Donnie and Bobby, of Orion, Illinois, are guests of her mother, Mrs. H. W. Haisell, and other relatives. Her grandfather, E. B. Litton, drove to El Paso to bring them to Sanderson Sunday.

Mr. and Mrs. Ray Brotherton were Del Rio visitors Wednesday.

Claude Hill and son, Billy Gene, returned home from New Mexico Tuesday.

N. E. Charlton returned Monday from a vacation trip to Pagosa Springs and Denver, Colorado. Mrs. Charlton remained in Denver for a longer visit.

Mr. and Mrs. Claude Gibson and daughters, Judith Ann and Claudia Gibson, returned to their home in Galena Park Sunday after visiting with her mother, Mrs. Judith Streigler, and sisters, Mrs. Hugh Rose and Mrs. Katherine Hart, and families.

Mr. and Mrs. Troy Druse and Marshall Cooke returned Monday from Fort Worth where they attended the state convention of the American Legion and auxiliary.

Mr. and Mrs. A. C. Claffelter have established residence in El Paso after having lived in Sanderson for many years. They moved their household furnishings to Colorado last week to be used by their son and his wife.

Mr. and Mrs. W. L. Ledbetter returned Sunday night from a vacation trip to New Mexico, Arizona, Colorado and Nevada. Dr. and Mrs. D. M. Randall accompanied Bev. M. Femenia to San Antonio Monday. Dr. Randall will be gone for several days on a business trip to Gonzales and Mrs. Randall will be gone for two months in Kansas City and other points.

Miss Winnie Mansfield moved to Del Rio last week.

Dr. and Mrs. Thomas Arnold of Boston and Dr. and Mrs. Hugh Arnold of Houston were guests of Mr. and Mrs. R. V. Spears last week. The Messrs. Arnold are brothers of Mrs. Spears.

Mrs. W. H. Savage and son, Jack, and Mrs. J. W. McKee went to Abilene Thursday and will visit with relatives for several days.

N. H. (Fritz) Thorn and family moved to Sanderson from Sonora Saturday. They are residing at the Blackwelder home. Mr. Thorn is a brother of Gene and Walter Thorn.

David Allen of Barstow is a guest in the home of his parents, Mr. and Mrs. R. N. Allen.

Mrs. C. E. Harkins and baby of Sheffield are guests of her

TEN-STRIKE!

HERE'S MORE ROOM FOR THE MONEY in the Model 43 4-door Sedan.

NEW in looks — NEW in room — NEW in handling — and priced right down your alley!

FEAST your eyes, folks — and reach for your checkbook. For here, in one stunning, swift-lined bundle, is everything — yes, everything — you've been hoping for.

New style note? Well, just look at that brand-new idea in front-end styling. Grille, bumper, bumper-guards and even parking lights all combined in a single, sturdy assembly that means you can't "lock horns" with other cars!

New over-all size? We've trimmed inches from its over-all length for handiness in traffic — yet here's still the generous wheelbase that spells a level-going ride.

New roominess? Swing open the doors — a thumb-touch does it! — and gaze on the biggest interiors you can buy for the money, with sofa-wide front seats and no less than 12 more inches in rear-seat hiproom.

Slip behind the wheel. Fingereasy Synchro-Mesh transmission if you choose — the satiny smoothness of Dynaflo Drive* as optional equipment if you want the very latest thing.

And if power is your meat — just lift the bonnet and look on a husky Fireball power plant of 110 horsepower

*Optional at extra cost.

with conventional transmission, 120 with Dynaflo Drive.

Surely here's a car big as your fondest ambition — yet price-wise it's right down your alley! Fits modest family budgets as it fits modest-size garages, puts Buick in reach of still more people!

So here's really a "must see" item! On display now, in three trim-'n'-tidy body types, it won't stay long on dealers' floors. Go now — see it and get that order in!

Schnaubert Wedding Tuesday
 Bride's Home

The wedding ceremony was held at the home of Mr. and Mrs. O. Schnaubert of Langtry. The bride, Lillian, daughter of Mr. and Mrs. E. Shaw last Tuesday, was the daughter of Mr. and Mrs. Simon Shaw of Alpine.

Clifford Spencer, pastor of Sanderson Baptist Church, officiated at the double-ring ceremony.

The bride, given in marriage to her father, wore a gown of white marquisette with a circular skirt and a pink circular sash. Her hair was styled in a pink satin plait. She wore a six-strand necklace and a gift of the groom.

Pink Pinnocchio rosebuds were pinned at her waist.

The couple knelt on a white satin pre dieu before the mantle which held an arrangement of pink gladiolus and carnations. Floor baskets at the side held similar arrangements and a bouquet was on the piano.

Nuptial music was played by Miss Rose Colbath.

Mrs. James York was the matron of honor and the bride's only attendant. She wore a navy sheer dress with navy accessories and white carnations pinned at the waist.

Felix Harrison of Langtry was best man and James York served as usher.

A reception for relatives and close friends followed the ceremony.

The double wedding bell cake

of white decorated with pink rosebuds and orange blossoms was served with punch from the table laid with a hand-crocheted cloth and decorated with nose-gays of white pom-pom mums in frills of green net and tied with silver ribbons.

Mrs. V. G. Ross of Sanderson, an aunt of the bride, assisted Mrs. Nelson Billings, sister of the groom, and Mrs. O. M. Lemons, grandmother of the bride, and Mrs. Alf Colbath of Comstock in serving.

Mrs. Shaw was graduated from Incarnate Word High School in San Antonio in 1944, later studying in the college and also attending Sul Ross College in Alpine.

Mrs. Shaw was discharged from the army signal corps in November of 1945 after more than 3 years service, spending 22 months in the ETO.

The young couple will reside in Sierra Blanca where he is employed by the railroad.

Presbyterian Circle Meets Wednesday

The Circle of the Presbyterian Women of the Church met at the Community House Monday afternoon with Mrs. W. T. Bondurant and Mrs. W. G. Downie as hostesses. The executive board met prior to the circle meeting at which time Mrs. J. D. Nichols presided and led a short devotion, preceding the business session.

Letters were read from the Synodical and Presbyterian Presidents, also an interesting report on Negro work being done in the Synod. Officers gave reports of work done and to be accomplished in the future.

The Circle program was opened with the singing of "Faithful Guide". Joan Byrd, who recently attended the Senior Young People's Conference at Mo-Ranch, near Hunt, Texas, gave a very interesting account of what was done at this assembly. The program, led by Mrs. J. W. Byrd, was based on John 7 and 8, concerning the "Preaching at the Feast of Tabernacles."

Mrs. J. W. McKee gave a short talk concerning the graduates from the Presbyterian-Mexican girls' school at Taft, Texas, and from the boys' school Tex-Mex at Kingsville, Texas.

Mrs. McKee closed the meeting with prayer.

The guests were invited into the dining room where dainty refreshments of sandwiches, chocolate icebox cakes, mints, tea and coffee were served by the hostesses.

Those present were Mesdames J. D. Nichols, Lee McCue, J. W. McKee, Emma Gregory, E. E. Farley, J. W. Byrd, Earl Pierson, W. H. Savage, R. S. Wilkinson, Hal Rowlett, Garland Inmon, and her mother, Mrs. Mamie Price, of San Antonio, Joan Byrd and the hostesses.

The next meeting of the Women of the Church will be August 22 at the home of Mrs. W. H. Savage.

Mrs. Jimmie Davis, Recent Bride, Honored At Shower

Miss Mary Agnes Frazier entertained with a kitchen shower at her home Wednesday afternoon honoring Mrs. Jimmie Davis, a recent bride. Summer flowers decorated the party rooms.

Mrs. B. F. Davis was winner of the prizes in two contests.

The lace-covered refreshment table was centered with an arrangement of white carnations and white tapers in crystal holders.

Punch, cookies, olives, potato chips and sandwiches were served to Mesdames C. E. Yeates, R. J. Dishman, Dick Hill, W. T. Frazier, A. B. Terry, Houston Stokes, B. F. Davis, and Misses Nancy and Betty Peavy, Doris and Betty Cooke, Ginger Magill, Marilyn Mansfield, Mary Nell Higgins, and the honoree, Mrs. Jimmie Davis.

Mr. and Mrs. Clyde Higgins and Mary Nell visited in Alpine Tuesday with Mr. and Mrs. Frank Daughterty. Their daughter, Mrs. Angus Niccolis, returned to Alpine with them.

Mary Landon Rose Honors Guests With Dance

Miss Mary Landon Rose was hostess for an informal dance in the basement of the Masonic Hall Friday evening when she entertained in honor of her cousins Judith Ann and Claudia Gibson of Galena Park.

Music was furnished by a record player and refreshments of sandwiches, punch and cookies were served to approximately fifty guests.

WHITE Elephant SALE

of Stationer's Odds and Ends

HAND CLEANER—We bought enough that we have to sell it at this price to get rid of it. 35c a tube.

HAND CLEANER—The same thing only in larger quantities that sold for \$1.50, that we are now giving away for 85c.

MAP TACKS—A real white elephant if we ever saw one, but if you can use them they are yours for 10c a card.

ERASERS—A good spunglass eraser, excellent for typewriter and ink, model building, polishing silver, rings, etc. for 35c. If more people wanted them we would sell them for 50c.

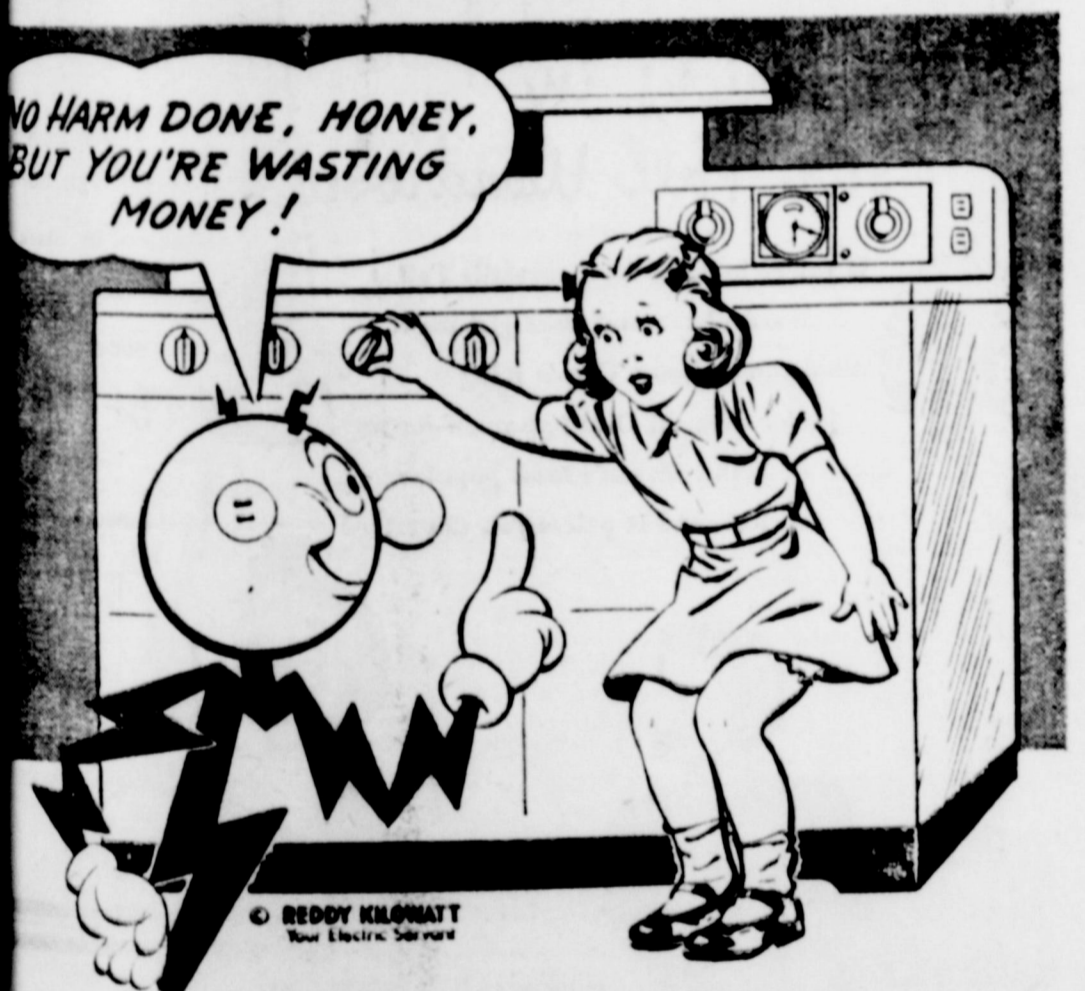

SLIDE RULE—15c is asking for a donation of 10c from you for this gadget, but that's the price. We don't know the regular price or its quality, so you can't say we are robbing you if you'll give us a nickel for the rule and 10c for some coffee.

PEN POINTS—High grade points that we've been nursing on our inventory for 2 years and trying to sell for 3 for 5c. We will sell them now at 1c each. The school kids will be needing some of these and they really are pretty good.

ASH TRAY—We'll never understand why it was put in stock in the first place, but if you'll give us \$1.25 for a good \$2.50 ash tray we will be happy.

FOUNTAIN PENS—We got what we thought were perfectly good fountain pens—Venus Presidents—a hooded pen—but we haven't sold a one. If you will buy them and try them and pass the word along that they are good maybe we can sell some more of them at the regular price—\$3.50. But we will let you have them now for \$2.25. This is very timely for school kids.

BOND BOX—It's larger than we need for the number of bonds we have and you can save \$1.25 by buying it at our loss for \$1.75.

Electric Cooking is SAFE!

No harm results when inquisitive little fingers turn the switches of an electric range, because electric cooking is flameless and safe like electric light. The waste of a little electricity is about the worst that can happen.

Electric cooking is not only safe—it's clean, cool, fast, automatic and gives wonderful results. It's economical, too, because the more electricity you use the cheaper it gets.

Get the full story about electric cooking's many advantages and you, too, will cook electrically. It costs much less than you think!

For Cooking that's—

- CLEAN
- COOL
- FAST
- AUTOMATIC
- ECONOMICAL

It's Electric of course!

HOME ON THE RANGE IN NEVADA

Just a plain every day cow ranch. But a good one, 360 acres, 12 room house, corrals, 250 head of cattle. Registered range rights, artesian well for irrigation, all work stock and machinery also hay crop goes with sale of property. Ask about this ranch, it's worth while. H. B. Heier, Broker, Box 82, Winnemucca, Nevada.

NOTICE

I am now practicing in town three days each week, Monday, Wednesday and Friday, at my former home.

NOTICE

The picnic for the members of the Ranch HD Club and their families planned for Friday evening at the ranch home of Mr. and Mrs. Herman Couch has been indefinitely postponed on

account of the unpredictable weather and bad roads.

PERSONALS

Mr. and Mrs. M. H. Goode returned Sunday from El Paso where they had visited with her parents, Mr. and Mrs. W. E. Lea over the week end.

Ranger Captain Alfred Allee with his wife and son of Carrizo Springs stopped here in Sanderson Monday en route to New Mexico where they will vacation for several days. Capt. Allee formerly worked in this section.

Miss Zoy Decie and Mrs. Tom Yarbro of Marathon visited with Mrs. G. E. Babb Tuesday.

Mr. and Mrs. E. W. DeVolin and daughter, Beth, of Marfa were week end guests of her sister, Mrs. Austin Nance, and family. Other guests in the Nance home were Mr. and Mrs. Henry Wallace of Henderson, Mr. and Mrs. R. E. Wallace of Houston and Mrs. J. L. Barnes and Mrs. Minter Parker of Del Rio.

Mrs. A. J. Horton, who is visiting her son in Quitman, Texas, was admitted to a Mineola hospital the first of the week and is reported to be improving.

Mrs. O. J. James of Coxa, Chile, stopped in Sanderson Tuesday to visit with Mr. and Mrs. George O'Neill. She brought direct news from the O'Neill's son, George W. O'Neill, and fam-

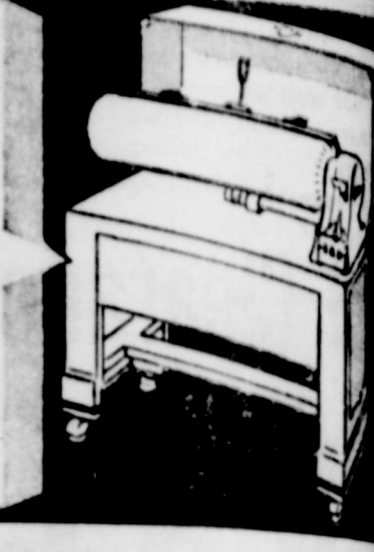

ily, who reside in Rancagua, Chile. Mrs. James is visiting in the states.
Mr. and Mrs. W. T. Frazier and baby, of the Big Bend National Park arrived Thursday for a visit with their parents, Mr. and Mrs. Tip Frazier, and Mr. and Mrs. Ruel Adams, and other relatives.
Miss Mildred Miller of Marath-
