SCHOOL BOND **ELECTION SET FOR NOVEMBER 8**

The Terrell County Commissioners Court met in called session Wednesday, and heard petition from more than twenty qualified taxpaying voters of the Terrell County Common School ed outright since he had appar District No. 1, requesting the court to call an election for the purpose of voting upon the is_ suance of \$50,000 in bonds for dered for November 8, 1949.

The money is to be used for the construction of a band house, a vocational shop buildusefulness to the community ing, a shower and dressing room age and other lesser items.

The school board had contemplated building a band practice building this year out of current operating funds, but found that the cost was too great. The need for this building and the two great, according to school officof the school activities is being Methodists To Meet hampered by the lack of these posed bond issue, if is passes, will allow the school board to con-

The proposed bonds will not county, and will simply allow the board to provide at once needed district, and pay for them on and Dryden Churches to attend an "installment plan". An allotment out of the current tax dol lar will be set aside to retire the new bond issue.

The proposed bonds will be paid off at the rate of \$5,000 plus interest, per year, for ten years. Since the election is set or the same time and place as the general election, November 8, at the court house, it is hoped that the qualified voters of the county ideas on the plan of the construction of the much-needed
