NUMBER 47

McSparran Plane Crash Victim

P. C. COATES, PILOT, IN CRITICAL CONDITION IN EL PASO HOSPITAL

Funeral services were held at the Methodist Church here at two o'clock Thursday afternoon for Lee Goode McSparran, 27, who died of injuries received in an airplane crash late Monday afternoon. Rev. R. A. English officiated and burial was made in Cedar Grove Cemetery.

Survivors include his wife, Mrs. Dorothy Weddie McSparran, a bride of three months; his mother, Mrs. E. McSparran; a son, Lee G. McSparran, Jr.;

WOOL CONTRACTS BEING LET LOCALLY FOR 8-MONTHS FLEECES AT 60c PER LB.

Word was released here Tuesday that Guy C. Barton, buying for Fyfe, Dupee, Sawyer Co., of Boston, was contracting eight-months wool, yet to be sheared in Ozona, Fort Stockton and Sanderson. The price is reported to be at 60 cents per pound. W. D. O'Bryant said Wednesday that 62,000 fleeces had been contracted locally. It was estimated that some half a million pounds of the eight-months wool had been contracted over this area.

Formal Opening Sunday of Fort Stockton Hospital

A crowd estimated at more than 400 persons was on hand Sunday afternoon to inspect the new Memorial Hospital at Fort Stockton. The exterior of the concrete tile building is of white stucco trimmed with red brick. Interior finishing is in dark cool green pastel colors with darker green inlaid linoleum floors. Central heating and air conditioning have been installed throughout the building and an inter-communication system enables the staff to have immediate contact anywhere in the plant.

The wide U-shaped structure also features a visitors' lounge, administrative offices, central supply, and work rooms, personnel dining room and hospital kitchens, doctors' and nurses' lounge, two labor rooms and delivery room, and an eight-crib nursery.

Located on the southeastern outskirts of Fort Stockton, the attractive modern Spanish-styled building overlooks the rolling hills of the Trans-Pecos Country. It can handle 23 bed patients in two wards and 16 private rooms. Accident cases receive immediate attention in the fully equipped emergency room. An X-ray machine and laboratory work is available under the supervision of Fred Deerfield, lab technician.

Local Postoffice Sells Over \$12,000 In Stamps in 1949

In the annual report compiled by Postmaster Clyde Griffith this week, the sale of postage stamps alone in the local office increased last year to the extent of \$1,184.88 with final totals for 1949 being \$12,227.36. This represents an increase of 10.7 per cent and does not include the sale of migratory bird hunting stamps, Series E bonds, Postal Savings, money orders and fees, postal notes, international money orders and fees, international revenue stamps nor war savings stamps.

The receipts for December, 1949 showed a nineteen per cent increase over December, 1948. However, the handling of the parcel post in another building relieved the congestion in the post office and made the handling of mail quicker and more efficient with a minimum of personnel.

There is a total of approximately \$35,000 in postal savings bonds in the local office.

DISTRICT MEET DATE SET FOR MAR. 30-APRIL 1

J. G. Barry, superintendent of the county schools, returned from Marfa Wednesday night where he attended a meeting of the school heads of the district to set a date and place for the district meet. The date was set for Thursday, Friday and Saturday, March 30, 31 and April 1 at Marfa Supt. J. E. Gregg of Marfa was selected as the director general for the meet.

Mrs. W. H. Savage was named director for spelling and plain writing and W. R. Lewis was chosen as director for music appreciation contests.

Mr. Barry was named chairman for the baseball district and plans are being formulated for the beginning of play in the second week in March. Unofficial reports are that the district will consist of Marfa, Alpine, Marathon and Sanderson, but word has not been received from the state association as yet designating these towns to comprise a district in baseball.

The present plans are to play each town in the district four games each, two away from home and two at home, making a total of twelve games during the season.

Marfa won the bi-district title last year and reports are now that they will be high contenders for the champion again this year with the return of their two top pitchers to their team.

In this class of interscholastic baseball it is impossible for a team to advance beyond the bi-district bracket in state-wide competition and it was brought out by Mr. Barry that this year being the first that Sanderson has entered baseball competition too much cannot be expected of the team until the season gets under way. It is known that many of the boys who played for the V. F. W. junior team last year are eligible for the school team and those boys have a record for themselves that has stood up well. Then, too, many of the boys have played softball for the past two or three years and that game has, in some respects, built them up to the game of baseball.

SCHEDULE OF SCHOOL EVENTS

Final examinations for the first semester of the schools of the county will be given Wednesday, Thursday and Friday of next week, Monday, January 23, marks the first day of the second semester with May 26 set as the closing day of school for the summer vacation.

Easter holidays are scheduled for April 7, 8, 9, 10, the only holiday of the second semester.

New Automobiles Being Shown By Local Dealers

All local automobile dealers have 1950 model cars on display on the floor this week.

The Ferguson Motor Company has a 1950 Ford; The McKnight Motor Co. displayed a new Chevrolet for the first time Saturday and also has a new Buick on display. Frank Weigand has a new Pontiac. James Word has had a 1950 Studebaker for several weeks.

BUD ROARK WELL

At 1740 feet, eight and one-quarter inch casing was set on the Bud Roark well and Wednesday the well was being drilled at 2000 feet in blue shale.

Election Year Finds Many With Unpaid Poll Tax

Mrs. Eddie Leatherwood deputy tax collector, reported this week that only 269 poll taxes had been paid in the county to date. With a possible voting strength of 1,000, county residents are lagging in the payment of the tax that will qualify them to vote in the elections scheduled for 1950 when state, county and precinct officers will be elected.

The deadline for the payment of the poll tax is January 31. The fact that so few poll taxes have been paid to this date is accounted for by the mix-up which resulted early in the property tax paying period from the proposed constitutional amendment which would have eliminated the poll taxes a prerequisite to voting and which proposal was turned down by the voters of this state by a wide margin. But while the measure was still in the realm of possibility, tax collectors over that state advised tax payers to withhold payment of the poll tax until the issue was decided.

As a consequence, many persons who ordinarily pay their poll tax along with their property taxes, did not do so this year, and as a matter of habit have not returned to the collector's office for a second visit to take care of this important item since the election on the amendments.

Poll taxes must be paid on or before January 31st to qualify a citizen to vote in the coming year. If you have not yet paid your poll tax, or if you are uncertain, you had better call at the collector's office without further delay; otherwise you may find yourself in the position of boosting for someone and being unable to vote for him.

Besides all county offices, the election this year will include practically all state offices, including that of governor as well as congressional offices.

Toys From Sanderson Sought For European Children

Children, can you spare one of the new toys you got for Christmas?

Almost any of the toys that Santa brought, except those that require electricity to operate or those that might make you think of war?

They are for the children of Europe, children that Santa missed. Electricity's not so common over there, and the war's been such a short time ago that many of the toys such as tanks and soldiers might make them sad.

Troy Druse, commander of the local American Legion post made the new toy appeal.

The legion will do the packing and shipping. The Co-operative for American Remittances to Europe, Inc., (CARE), a non-profit agency which sends food and clothing overseas will take over from there.

Druse said that the toy collection here is part of the national American Legion Tide of Toys campaign. Drew Pearson, the columnist, is helping to promote it.

The legion figures that one of the best ways to promote peace is to build friendship between the children of this country and the children of Europe. They will soon be of soldier age.

Names of the donors should be labeled on the toys. In addition the donor should say whether he or she wants a boy or girl to get the toy.

Toys may be left at the Times office. The auxiliary has a few toys on hand now.

BABY GIRL BORN TO MR. & MRS. A. B. CARAWAY

Word was received this week of a baby girl born at 1:30 p. m., Sunday, January 8, in a Bay-Sunday hospital to Mr. and Mrs. A. B. Caraway. Mrs. Caraway is the sister of W. D. O'Bryant, Jr., and the family formerly resided here.

ARTHUR SHARP DIES HERE SUNDAY AFTER SHORT ILLNESS

Funeral services were held in Leakey at two o'clock Monday afternoon for Arthur Sharp, 54, who died here Sunday morning at the home of his sister, Mrs. J. W. Haynes, following a brief illness.

Rev. Tatum officiated at the services at the Baptist Church and burial was made in Leakey.

Mr. Sharp was a long-time resident of Leakey and had made his home here with Mrs. Haynes for the past four years. Other survivors include two brothers, Walker Sharp, of Needles, California, and Lee Sharp of Los Angeles, California; a sister, Mrs. J. K. Chisum of Leakey, two step-sons, Tom and Odie Regan of Rio Frio. Local nieces and nephews are Mrs. Clyde Carter; Miss Leola Jones, Mrs. B. G. Maples, Bud, Bill and Wynn Haynes.

Eagles Basketball Schedule Announced

The Sanderson Eagles basketball schedule for the present season which opened Tuesday night was announced early this week. The Eagles will play 10 games in the conference play, 2 games each with the other five teams in the district.

The schedule is as follows: January 13, Alpine here; January 20, Valentine here; January 24, Marathon here; January 27, Blackwell here; January 31, Alpine there; February 3, Marfa there; February 7, Valentine there; February 10, Marathon here; February 14, Blackwell there.

In the games with Marfa Tuesday night, Marfa won all three games: volley ball, junior basketball and varsity basketball. The junior Eagles lost 52-19, and the Eagles lost 49-17.

As is customary in basketball games scheduled, the volleyball team and the juniors play preceding the varsity game.

The members of the volley ball team are: Nancy Peavy, Barbara Clark, Elena Marquez, Gloria Marquez, Joan Secrest, Jeanette Bell, Barbara Anderson and Charlene Searcy.

The junior basketball team is comprised of David Mitchell, Charles Stegall, Galor Cobos, H. Pena, Rudolf Bustos, Tommie Mansfield, Rosendo Silvas, Charles Odom, Nicky Hahn, Colby House, Miles Sullivan and Raul Flores.

The Eagles "A" team is made up of Cy Banner, Juan Olivares, Edwin Smith, David Flores, Roberto Arredondo, and Enrique Saenz.

The Eagles "B" team is Gene Chandler, Jerry Hope, Thomas Hill, Jack Talbot, Jack Savage, T. Silvas, Pablo Rios, Joe Albert Nessmith, Willie Wolfe, Pablo Flores, H. Arredondo.

Mendoza of Marfa was high point man for the game with 20 Flores of Marfa was second with 14 points. High point player for the Eagles was Smith with 9 points, and David Flores, Juan Olivares and Jack Talbot made 2 points each; Banner and Arredondo 1 point each.

Presbyterian Board Meets Monday Night

The board of the Presbyterian Church, consisting of the elders, deacons and trustees, met in the fellowship hall Monday evening with six present.

Mrs. Keith Mitchell made mince meat pies which were served with coffee by Mrs. C. C. Mitchell to the group.

LIGHT MOISTURE RECORDED HERE WEDNESDAY NIGHT

Mild temperatures and cloudy weather have prevailed over the county for the past week. Reports of small amounts of rainfall in various sections of the county have come in with 0.3 registered in Sanderson Wednesday night. Grey skies and heavy moist air with a temperature of 52 is a brief report of the local weather Thursday morning.

STEN TO LUKE

Week letters went out to the officers of the Sanderson Fire Department for annual donations. As this group of volunteer is ready at all times to live and property and a penny in salary is paid to the maintenance of the equipment and the to be paid for require some money. The time of the donations each year goes for a good local department was to get the first truck at present replacement (two fire trucks the new fire house) is \$25, and less than \$200 is now the entire set-up of the splendid record Sanderson this town has the credit on fire insur-

1949 Sanderson did not

single serious fire loss. is a worthy cause and the letter should be returned near future with a substantial contribution.

this country gradually

socialized medicine by the door? The strongest kind of has been exerted on the of the compulsory health bill. However, so much opposition has developed its sponsors think other may prove more fruitful the time being.

As an example, the Senate

and the House may soon on a bill which has received little attention, authentic federal grants-in-aid to schools. Under the terms of the Surgeon General would what schools were to get money, in what order, and what amounts. He would work in a council, but its function would be advisory only. All the power of action and decision would be vested in one man, the medical schools would have to be to him in the scramble for

of the government pays the

in this or any other matter the government is eventually going to give the orders that is inevitable. Such a measure, innocuous as it may seem, would be a perfect beginning place for legislation which would subject our medical tools to political administration in all phases of their activities.

Bill another measure which

passed the Senate and is at present in the House would make the government responsible for the physical and mental health of all school children between five and seventeen. That may have an appealing sound — can anyone doubt that it would become a plank in the use of socialized medicine? The point is that socialism usually comes to nations on a piecemeal basis. These bills indicate the plan to be used in this country.

The F. B. I. investigation of the

arris County Medical Association is a step to create public sentiment against the association and to speed the passage of the "Queer Deal's" socialized medicine bill.

Youth Injured in Truck Accident at Local Cleaning Plant

Frank Arredondo, son of Mrs. Remedios Ponce, was painfully injured Wednesday in a freak accident at the Empire Cleaners about 3:30 in the afternoon. Young Arredondo was working near the washing unit at the cleaning plant and his long hair became caught on a shaft that was turning. Part of the scalp was torn from his head before the machinery could be turned off, according to B. F. Davis, owner of the cleaning plant.

Arredondo was treated by a local physician and is considered in a satisfactory condition.

RELATIVE OF MRS. J. W. HAPPLE DIES LAST WEEK

Mrs. J. W. Happle received word last Thursday of the death of her brother-in-law, Charles Brown, at Corsicana, Texas, following a lengthy illness.

Mrs. Happle was ill and unable to attend the funeral services.

LOOKING AHEAD — A SENSIBLE LABOR POLICY

A great labor organization got down to earth the other day with some real thinking on a resolution for the new year. An Associated Press story from Washington dated December 26, said: "The American Federation of Labor today proposed that management and labor get together in 1950 to cut production costs and that labor get a wage increase as its share of the result in saving."

That's talking real turkey. Labor is right in suggesting the employees deserve a share of what is saved when production costs are reduced. I believe that workers ought to have higher wages when they can produce more goods without increasing costs in other ways. Actually, there is no sound way to increase wages — except greater productivity. Our production per man day has jumped 500 per cent during the past 100 years. That explains today's good wages.

Throughout the industrial history of America, most industries have paid about all they could afford to pay in wages. There have been some exceptions. But in general, as productivity increased wages climbed higher. Because of modern methods and good tools, productivity per man day has doubled during the past 33 years. The reward for great output and efficiency has been a very high level of wages.

But what's been happening lately? In the past five years wages have been pushed upward by artificial means. Heavy pressure from both unions and government has shoved them upward faster than productivity has increased. Naturally, these methods create dislocations and encourage inflation. I believe we have reached the point where any further steps in that direction would bring unemployment and encourage depression.

Now, this AF of L plea that labor join with management to bring down production costs for the purpose of obtaining higher wages is a real ray of hope. It makes exceeding good sense. For example, I am told that in the housing industry the cost of laying brick could be brought way down, with the right kind of cooperation of employees and management. Here is a condition that has hurt construction progress and slowed the building of homes throughout the nation.

I understand that a good brick layer can lay 800 to 1,200 bricks a day without much difficulty. However, a good many builders have told me that the union will allow their brick layers to lay only from 350 to 400 per day. If this industry represents a fair example of what could be done with full cooperation of labor and management, surely there are great strides to be made in the years ahead toward achieving higher living standards for the people of this country.

Experts tell us that America's living standards have advanced in direct proportion to productivity per man day. This simply means that increased production will bring about increases in living standards. My conviction is that good labor-management cooperation could increase productivity per man day another 100 per cent within the next 33 years. This would bring a 100 per cent increase in living standards.

This miracle will happen again, only if labor and management pull together. If they solve our industrial problems in an intelligent way America will reach higher and higher levels of output. Not only will this cooperation insure plenty of jobs and the goods we need. It will do much to reverse the trend toward statism, which threatens to reduce every American's standard of living to the same low level.

Mrs. Mary Lou Kellar, who has been ill, is able to sit up a short period each day and is improving.

Winter Diseases As Harmful as Summer Complaints, Says Cox

Seasonal health hazards for young children are to be guarded against in the wintertime just as carefully as they are in the summertime in the opinion of Dr. George W. Cox, state health officer.

"Every mother is familiar with so-called summer complaints which affect small children but certain winter diseases can be just as harmful and are just as likely to make their appearance unless proper precautions are used," Dr. Cox said.

In the group of winter diseases Dr. Cox included influenza, tonsillitis, pneumonia, bronchitis, asthma, and even diphtheria when a child has not been immunized. Any such disease affecting a child's respiratory or breathing system is apt to be very serious and only too often fatal. Pneumonia often develops from a neglected cold or may follow a severe case of measles or whooping cough. Bronchitis condition may also prove to be an after effect of these diseases and these respiratory ailments are much more difficult to combat successfully than the digestive ailments which are prevalent in the summer time and known as summer complaints.

"These winter diseases are especially dangerous to babies and very young children," Dr. Cox stated. "Nearly all of them are spread from the secretions of the nose and mouth. Children not in vigorous health are naturally more susceptible to these complaints and the first line of defense against them is to strengthen the child's power of

resistance against disease," Dr. Cox advised. "The second step is to keep them under medical supervision and the third is to make sure that they avoid contact with those who have colds, coughs, or fevers."

Mr. and Mrs. Zeb Newson and son spent the week end in Quemado.

Mr. and Mrs. C. E. McNeil and baby of Glidden, Texas, are making their home here, residing at Mrs. Roy Harrell's apartment. He is tonnage clerk for the T&NO.

FREDDIE TALBOT IMPROVES

Freddie Talbot, who was painfully injured last week in the accidental discharge of a pistol remains in a Pecos hospital and is slowly improving. Mr. and Mrs. F. H. Talbot visited with their son last week.

Mr. and Mrs. Charles Rogers of Uvalde visited with his parents, Mr. and Mrs. Charlie Rogers for several days last week. They went to Alpine Sunday to visit with Mr. and Mrs. Harvey Rogers and baby and from there, the Charles Rogers went to Valentine for a few days.

M. A. ROBERTSON RECEIVES WORD OF RELATIVE'S DEATH

M. A. Robertson received word Tuesday of the death of his brother-in-law, P. S. Thornton, in Piedmont, Alabama. Since Mr. Robertson is recuperating from a recent illness, he was unable to attend the funeral services.

Mrs. B. H. Moorefield received word this week that her husband, who is in a Houston hospital, continues to improve slowly.

NOTICE OF SALE OF OIL, GAS AND MINERAL LEASE

TO ALL TO WHOM IT MAY CONCERN:

Notice is hereby given that the Commissioners Court of Terrell County, Texas, will offer for sale and will sell to the highest bidder for cash for the bonus consideration, an oil, gas and mineral lease or leases covering the following described land belonging to Terrell County, Texas:

All of that lot, tract and parcel of land situated in the North part of League 308, Terrell County School lands, in Gaines County, Texas, containing 1201.25 acres of land, more or less, and being more particularly described by metes and bounds as follows:

BEGINNING at a point in the Easterly line of said League 308, said point being 9075 feet from the Southeast corner of said League 308;

THENCE, in a Westerly direction along a line parallel with the Southerly line of said League 308, a distance of 2400 feet to a point;

THENCE, in a Northerly direc-

tion along a line parallel with the Easterly line of said League 308, a distance of 1144.62 feet to a point;

THENCE, in a Westerly direction along a line parallel with the Northerly line of said League 308, a distance of 11489 feet, more or less, to a point in the Westerly line of said League 308;

THENCE, Northerly along the Westerly line of said League 308, a distance of 3669.38 feet, more or less to a point, the Northwest corner of said League 308;

THENCE, Easterly along the Northerly line of said League 308, a distance of 13889 feet, more or less, to a point, the Northeast corner of said League 308;

THENCE, Southerly along the Easterly line of said League 308, a distance of 4814 feet, more or less, to a point, and the place of beginning

The said lease to be executed

on the usual Texas Standard Revised Form, providing the usual 1-8th royalties, more than ten-year term of date, and not less than 5 Cents per acre annual drilling rental.

The said Commissioners Court will meet at the Court House in Sanderson, Texas, 10 o'clock A. M. on the 4th February, A. D. 1950, to receive and consider all bids submitted, and will award lease to the highest bidder, except that if in the opinion of the said Commissioners Court the highest bid submitted does not represent the fair value of said lease or leases, all or any portion of said lease or leases may, in its discretion, reject all bids submitted.

Witness my hand this day of January, 1950.

Suggestions Listed For Income Tax Compilations for 1950

Thousands of ranchmen, business, and other taxpayers of the First Texas district were reminded today by Frank Scofield, collector of Internal Revenue, that January 16 is the deadline for making timely final payment on or amending 1949 declarations of estimated tax.

Under the law, the due date will be January 15, but since that date falls on Sunday this year, payments, declarations, and final returns made on Monday, January 16, will be treated as timely received.

In the case of ranchers, Collector Scofield explained, a new law permits them to dispense with filing or making payment on a declaration of estimated tax if they file and pay in full their final returns for 1949 not later than January 31. If a rancher does not expect to file his return by that time, he must file and make payment on a declaration by January 16 and then can take until March 15 to file his final return.

Business and professional people, investors, and others subject to filing declarations, or making payments on January 15, may also substitute their final returns but must do so by January 16.

Generally speaking, wage earners are not involved in the January 16 filing date because, under the pay-as-you-go system, their taxes are substantially paid in advance by the withholding of income tax from their wages.

In order to provide a pay-as-you-go method for other taxpayers, the law requires a declaration of estimated tax from any person who in a year expects to have more than \$100 of income outside of wages from which tax is withheld, and gross income of \$600 or more, or any person whose expected wages (even though subject to withholding) exceed \$4,500 plus \$600 for each exemption to which he is entitled (for instance, \$6,300 for a man entitled to exemptions for himself, his wife and one dependent).

Except for ranchmen, these declarations are due by March 15 of the same year in which the income is expected. Thus, most 1949 declarations were due on March 15, 1949, and quarterly payments have been made by them since. The last of these

THE STATE OF TEXAS TO: MANUEL MORALES GREETING:

You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 6th day of February, A. D. 1950, at or before 10 o'clock A. M. before the Honorable District Court of Terrell County, at the Court House in Sanderson, Texas.

Said plaintiff's petition was filed on the 7th day of December, 1949.

The file number of said suit being No. 2112.

The names of the parties in said suit are: Oralla Lopez Morales as Plaintiff, and Manuel Morales as Defendant.

The nature of said suit being substantially as follows, to wit: Suit for divorce. Plaintiff alleges bona fide residence in Texas for more than one year; continuous residence for six months prior to filing of petition in Terrell County, Texas. Marriage to defendant in the year of 1945, that they have been separated for more than two years, abandonment of Plaintiff by Defendant with intention to abandon.

If this Citation is not served within 90 days after the date of its issuance, it shall be returned unserved.

Issued this the 23rd day of December A. D. 1949.

Given under my hand and seal of said Court, at office in Sanderson Texas, this the 23rd day of December A. D. 1949.

RUEL ADAMS Clerk Court Terrell County, Texas. (SEAL)

Successor to Dr. Slack

quarterly payments is due by January 15.

However, persons who filed such declarations and now find that their estimates were too high can amend them (by filing a new declaration marked "amended" in the upper right hand corner) in order to reduce the last payment.

Similarly, persons who underestimated the tax by more than 20 per cent, should file amended declarations to increase the payment and avoid the statutory penalties for such underestimates.

In all these cases, if a person files his final 1949 income tax return on Form 1040 and pays in full the tax due on that by January 16, he need not make any payment or amendment on his declaration.

If any taxpayer (except a ranchman) was required to file a declaration last year and failed to do so, or if his curcum-

stances changed so that he first became subject to the filing of a declaration during the last quarter of 1949, he also should file a declaration or his final return on or before January 16 in order to avoid or minimize statutory penalties.

Taxpayers were also asked to note that the January 16 filing date is applicable to declarations and returns for 1949. Declarations on 1950 income will not be due until March 15 (same date as the deadline for filing final returns for 1949.) and ranchmen will again be able to wait until next January to estimate 1950 tax.

Stock Improvement Essays To Win Valued Prizes for Youths

Ten units of livestock valued at \$10,000 are going to be given

away to South Texas boys and girls for writing the best essays on livestock improvement. Entrants must be a member of either 4-H or F. F. A.

This program is sponsored by the Rural Relations Committee of the Rotary Club of San Antonio and entrants must live in the 184th Rotary District of which this county is one. Complete details and regulations of the contest are available from any Rotary Club within the district, most 4-H and F. F. A. leaders or by writing the Rotary Club of San Antonio.

Essays are not to exceed 750 words on assigned subjects in the field of dairy cattle, beef cattle, goats, sheep and swine raising. A contestant may submit any number of essays but is limited to winning only one award. All essays will be sent to

A & M College for final grading and judges have already been appointed to conduct the grading.

All contest entries must be in the hands of the Rotary Club of San Antonio by January 15th so only a limited amount of time remains to enter. Awards will be made during the San Antonio Livestock Exposition being held February 17 to February 26.

Mr. and Mrs. P. V. Corcoran returned home Wednesday after visiting for several days in Hatch, N. M.

Mr. and Mrs. Albert Wiegand were business visitors in Kermit Saturday.

Mr. and Mrs. J. T. Williams left last Thursday for California to visit for a week with her

parents, Mr. and Mrs. J. W. Espy of Fort Davis who are vacationing there.

Mrs. D. A. Pollard of Del Rio is a guest of Mrs. Mary Lou Kellar this week.

You've TASTED IT! YOU'VE Compared it!

C. E. LIEBERMAN
Master Brewer

THANK YOU Mr. and Mrs. TEXAS

For your overwhelming response after tasting and comparing our new Pale Dry Grand Prize Beer.

You may as well know the secret . . . my instructions, at the beginning, over a year ago, were to spare no expense whatsoever in brewing the best beer possible. This naturally required buying the best barley malt, extra fancy seedless hops, and extra choice brewers rice.

To those of you who enjoy fine beer and haven't tasted and compared our Pale Dry Grand Prize, I cordially invite you to do so.

Sincerely yours,

C. E. Lieberman

**and RAs Study
wardship At
eting Sunday**

The junior and intermediate RAs met Sunday afternoon at the Baptist Church for a combined program on Stewardship. Sarah Pat Grigsby called the meeting to order and led for the watchword. Roll call showed nine junior RAs; intermediate GAs, two RAs and two visitors present.

A scripture reading by Mrs. Keyes and a Bible story by Mrs. Underwood, the junior girls dramatized the story of the five wise and five foolish virgins with Keys. Sarah Pat Grigsby and Nancy Turner discussed stewardship in which we may be stewards. Maudie Moore, Diana Duke, Barbara Spencer provided musical music and Juanice Gilley played a poster showing how stewardship is used through the Cooperative Program.

The RAs present sat around a camp fire and discussed with Mrs. Spencer "Playing Fair With Stewardship." Others and With Keys, Diana Duke, Barbara Spencer, Patty Gray, Clifford Spencer, Si Carr, D. Dunagan, and two visitors, Sylvia Littleton and Patsy

**Presbyterian Women
Have Bible Study**

Twelve members answered the call when the executive committee of the Presbyterian Women of the church met at the home of Mrs. Lee McCue Monday afternoon. After the call to worship, Mrs. J. W. Byrd led in prayer. Mrs. J. D. Nichols read a portion of a news letter after the members had given their reports. Plans were made to buy floor covering for the church kitchen.

For the circle meeting which followed, Mrs. H. E. Schroegler was leader of the program on the Parting Discourse and the Pathway of His Passion, which was a study of John 15 through 19, beginning with Jesus' final teachings, continuing with His high priestly prayer, and concluding with His death. Mrs. McCue served cherry pie with tea and coffee to Messdames J. D. Nichols, Mary E. Mitchell, J. W. Byrd, H. A. Smith, N. M. Mitchell, H. E. Schroegler, Sid Harkins, E. E. Farley, N. E. Charlton, J. W. McKee, Herman Couch, C. C. Mitchell and Judith Streigler.

**Legion Auxiliary
Plans Box Supper**

The Legion Auxiliary met at the home of Mrs. H. J. Rowlett, Tuesday evening to make plans for a Valentine box supper at the Legion Hut when auxiliary members and their families and Legion members and their wives will be invited guests.

The hostess served cake and coffee to Messdames Troy Druse, A. Weigand, L. H. Gilbreath, E. Corder and W. H. Dishman.

**Rummy Club Meets
At Mrs. Geo. Herzina's**

Mrs. George Herzina entertained the Rummy Club at her home Tuesday afternoon. Two tables of guests played Canasta. A salad plate with coffee was served by the hostess to Messdames A. C. Garner, Gene Litton, F. A. Weigand, Tommy Billings, Weldon Cox, Dick Sullivan and H. B. Louwien.

**Community Agencies
Discussed at P-TA**

Mrs. Charlie Turk was leader of the program when the Sanderson Parent-Teacher Association met in the high school auditorium Thursday afternoon.

In a discussion of "Teamwork Between Agencies of the Community and the Schools," Albert Weigand, fire chief, told of the functions of the volunteer Fire Department and R. S. Wilkinson told of the functions of the Rotary Club.

Miss Bessie Moore's first grade class won the attendance prize.

**PRESBYTERIAN WOMEN TO
HAVE ALL-DAY MEET FEB. 1**

The foreign mission study course of the Presbyterian Women of the church will be presented Wednesday, February 1, when the group will have an all-day meeting in the fellowship hall of the church.

Pictured above are Mr. and Mrs. Wilbur H. McCullar of Georgetown as they left the chapel of the First Baptist Church in San Antonio following their wedding December 31. Mrs. McCullar is the former Miss Doris Duke, daughter of Mr. and Mrs. D. L. Duke of Sanderson.

**Mrs. A. D. Brown
Hostess For Baptist
Auxiliary Meeting**

The Baptist Woman's Missionary Society met Monday afternoon in the home of Mrs. A. D. Brown with Mrs. O. D. Gray leading the program on "The Pyramids of Progress."

Mrs. Brown read the devotional; Mrs. T. O. Moore discussed "Advances by 1950"; Mrs. Clifford Spencer, "Spiritual Revival"; Mrs. Gray, "Cooperation"; "Fifty by 50 in 1950," by Mrs. B. E. Carr; "The 22

States"; Mrs. H. G. Cates; "Spearheads of Adventure" Mrs. O. H. McAdams.

Mrs. Brown, assisted by her daughter, Elizabeth, served pecan pie and sandwiches with tea and coffee to Messdames Anne Nance, H. G. Cates, O. H. McAdams, A. C. Smith, O. D. Gray, Clifford Spencer, B. E. Carr, V. E. Keyes, T. O. Moore and S. D. Thompson.

The W. M. S. will meet at the church next Monday afternoon at three o'clock for a Bible study.

Office Supplies at the Times

**FRIDAY CLUB
MEETS WITH
MRS. C. I. WHITE**

Mrs. Carlton White entertained at her home last week in courtesy to the members of the Friday Bridge Club.

Arrangements of fall flowers were used to decorate the party rooms and the guests were served coffee on their arrival.

At the conclusion of the games Mrs. H. E. Fletcher won high score; Mrs. S. H. Underwood, second high, and Mrs. Roger Rose, low.

The hostess served a salad plate with coffee to Messdames M. H. Goode, Jr., J. A. Gilbreath, J. D. May, P. P. Courtney, H. E. Fletcher, Garland Inmon, S. H. Underwood and Roger Rose. Mrs. Ray Caldwell was a tea guest.

**Mrs. Hugh Rose
Entertains Tuesday
Club and Guests**

The Tuesday Bridge Club and guests were entertained at the home of Mrs. Hugh Rose this week.

The hostess served coffee to the guests on their arrival.

Tallies painted by the hostess were used for the games when Mrs. Austin Nance was winner of high score and slam prizes; Mrs. S. H. Underwood won second high and slam; and Mrs. Curtis Wise, low.

Apple pie a la mode and coffee were served by the hostess to Messdames J. S. Nance, Curtis Wise, S. L. Stumberg, Jimmie Martin, P. P. Courtney, J. A. Gilbreath, James Kerr, S. H. Underwood, Garland Inmon, Austin Nance, J. G. Barry, Tol Murrain, W. W. Sudduth, Lee McCue, H. E. Fletcher and James Caroline. Tea guests were Mrs. Bob Lewis and Mrs. Katherine Hart.

**RANCH HO CLUB
TO MEET JANUARY 20**

The Ranch Home Demonstration Club will meet Friday, January 20 in the home of Mrs. C. C. Mitchell at ten-thirty A. M., and all members are urged to be present to meet the new H-D agent, Miss Dudley Hambricht.

The new yearbooks will be filled out and new reading certificates awarded. All officers are requested to fill out and turn in their annual reports and members having old reading certificates are requested to bring them.

**SUE ANN STANLEY HAS
THEATRE PARTY ON
NINTH BIRTHDAY**

Sue Ann Stanley was honored on her ninth birthday Sunday with a party at the home of her parents, Mr. and Mrs. L. M. Stanley. After the birthday cake was served, the honoree opened her gifts.

Favors were flipback boards and balls.

A theatre party was enjoyed later by the guests: Kay Williams, Linda Mullins, Patsy Chamberlain, Thelma Coll and Sue Ann Stanley.

**IDA LOPEZ BORN
HERE JANUARY 6**

A daughter, Ida, was born to Mr. and Mrs. Rosendo Lopez Friday, January 6. She weighed eight pounds.

The couple has two other children.

DRYDEN NEWS—

By Barbara Clark

Mr. and Mrs. R. V. Winn and children visited with Mr. and Mrs. Raymond Farley during the week end.

Mr. and Mrs. Tommy Gordon and son returned Monday night from Oklahoma City where they had been visiting with Mr. Gordon's grandmother who is ill. Mr. Gordon resumed duty Tuesday.

R. M. McClellan of Houston relieved Tommy Gordon while he was away. Mr. McClellan is an extra relief operator.

Buddy Shaw is now stationed here as relief burro-operator.

Charlie Chandler of Independence visited with his son, Clarence Chandler, and family during the past week end on the ranch.

R. M. Hewett, third trick operator here now, arrived Tuesday night to assume his regular duties Friday.

Mr. and Mrs. C. H. White accompanied Mrs. C. I. White to San Antonio Wednesday.

MY WORST ENEMY!

ICE storms are the biggest wintertime worry of Reddy Kilowatt and the men who work to keep him on the job. Falling tree limbs and heavy loadings of ice on the lines may cause scores, even hundreds, of breaks which must be repaired under the most difficult and hazardous conditions.

Fortunately, a crippling ice storm does not occur often, but when it does it takes a trained organization with ample resources to cope with it. Even before the storm subsides, the call goes out for extra line crews from locations outside the storm area. Materials are sent on the way to supplement those already stockpiled for just such an emergency. And the work of restoring service is pushed with all possible speed, regardless of personal hardships and weather conditions.

Though an ice storm may or may not strike your vicinity this winter, it's comforting to know that your local C. P. S. Co. line crews are on the alert, ready to spring into action the minute your service is threatened... and that they have back of them an organization that can supply additional manpower, materials and equipment if needed.

SON BORN TO MR. AND MRS. J. V. BUTTRILL IN MEXICO

On Tuesday, December 27, a son was born to Mr. and Mrs. J. V. Buttrill in Lagos de Monrea, Mexico. He weighed seven pounds and is the second son for the couple.

The Buttrills resided here before going to Mexico where he is in the employ of the Hoof and Mouth Disease Control.

MRS LEE GRIGSBY HAS SURGERY IN SAN ANTONIO

Mrs. Lee Grigsby had major surgery in a San Antonio hospital last Thursday and her condition is reported to be very satisfactory.

Her son, Ervin Grigsby, spent two days with her last week, returning home Saturday.

PERSONALS

Mrs. John Neal arrived home from El Paso last week after spending six weeks with her granddaughter, Mrs. W. P. Pendleton, and family.

Roy Bogusch, T&NO conductor, who was injured in a car accident three weeks ago, is continuing to improve at his home here. He is able to be up on crutches some of the time.

B. H. Moorefield shipped some steers and bulls to the San Antonio markets this week and received \$22.50 per hundred for the animals.

Mr. and Mrs. Levi Duncan of Uvalde visited with Mr. and Mrs. J. W. Carruthers, Sr., last week. She is a sister of Mrs. Carruthers.

Mr. and Mrs. Max Bogusch returned to their home in Del Rio Monday after visiting over the week end with their son, Roy, and family.

This Sleek 4-Door 6-Passenger Tourback Sedan heads a line-up of six smart SUPERS, all powered with the surging new F-263 straight-eight engine, very latest word in valve-in-head lift and life.

"FASHIONED for every taste— Priced for every BUDGET"

Look over the 1950 Buick line, which these two high-fashioned honeys represent, and decide for yourself if that's truth or just talk. Nineteen—Yes, 19—smart new and varied models to choose from, and all with the eye-catching styling of bold-lined bumper-guard grilles, sleek tapering fenders, the over-all look of a jet plane in flight. Three full series—SPECIAL, SUPER and ROADMASTER—with SPECIAL models available in both standard or de luxe finish. Three separate power plants—in five horsepower ratings—all more powerful, higher in compression, all Fireball valve-in-heads—and one of them, the sensational new F-263, giving SUPER models extra brilliance on the road. Four wheelbases—all planned for riding comfort—with overhang reduced to make parking and garaging easier. Roominess galore, with rear seats as much as 13 inches wider. Plenty of outlook as well. And the abiding comfort of coil springs on all four wheels. And the steady going of

torque-tube drive—plus Safety-Ride rims for comfort plus control. Then look at prices—do they really fit any budget? They range from the fine-car level of the ROADMASTER down to just above the lowest figures on the SPECIAL. But even these are so little above anything else—buy you so many more years of happy use—and give you a car of such consistently-better trade-in value—that you'll find Buick reachable by buyers in any price range. So why not get the whole story, price and all, from your Buick dealer now? Deliveries are good, the "deal" is right, and a signed-up order steps you up to that Buick you've always dreamed about!

Features like these mean BUICK'S THE BUY HIGHER-COMPRESSION Fireball valve-in-head power in three engines, five hp ratings (New F-263 engine in SUPER models) • NEW-PATTERN STYLING, with bumper-guard grilles, top-through fenders, "double bubble" taillights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • DYNAFLOW DRIVE standard on all ROADMASTERS, optional at extra cost on SUPER and SPECIAL series • NINETEEN MODELS with Body by Fisher • WIDE CHOICE OF EQUIPMENT adding flexibility to prices that bracket every price range above the lowest.

Here's the Smart SPECIAL 3-Passenger Coupe, one of seven smart models. Dynaflow Drive optional. Horsepower—115 with Synchro-Mesh transmission, 122 with Dynaflow.

WHATEVER YOUR PRICE RANGE "Better buy Buick"

McKNIGHT MOTOR CO. SANDERSON, TEXAS
