New State Highway Map Clears Routing Discrimination on 90

The new edition of the Texas State Highway map is off the press and now shows all high-ways with the same color and designation.
Last spring a map was issued which showed some of the high-ways in red which was consid-ered distinctly a discrimination. Groups of citizens from towns along Highway 90 from San Antonio to Van Horn made a trip to Austin for a hearing with the Highway Commission and was assured that the matter would be straightened out on the new printing of the map. Distribution of the first edition was stopped and this second edition was issued.
Highway 90 towns formed an association for the purpose of helping to get a better designation and local contributions were given to a fund for that purpose. Ten highway signs were contrac-ted for a year and it is hoped that this can be accomplished again next year since considerable benefit has resulted in the first move.
L. H. Gilbreath was named president of the local group and Walter G. Downie was elected secretary. A continuing cor-respondence with highway groups in Louisiana and other bordering states has brought recognition to Highway 90 as an all-weather route.

Machinery Moving Into Sanderson For Road Work

There have been several units of large machinery moving into Sanderson during the past few days for the beginning of the construction of structures and road work on the Terrell County end of Highway 285. Some of the preliminary work has started and the balance will get under way as the machinery and avail-ability of materials arises.
Work on the structures and culverts will begin immediately and the topping will be done on the section first ready for the work.

Court of Awards For Girl Scouts

There will be a Court of Awards for the Intermediate Girl Scouts at the Scout House Friday evening, January 27, at seven o'clock. All parents and interested friends are invited to attend.
Badges for advancement will be given to five first-class Scouts and gold curved bars, the highest award possible for an Intermediate Scout, will be given to four girls advancing to Senior Scouts.
About one hundred and twenty-five merit badges will be presented to the Girl Scouts.

Income Tax Book On Best Seller List

"Your Federal Income Tax," the official guide for taxpayers published by the Bureau of Internal Revenue, has established itself near the top of the national best-seller lists, according to information released this week. Over 200,000 copies of the 138-page book, were sold during the first 5 weeks since the publication.
This new and improved edition covers a series of short articles, questions which may come up concerning tax returns; it covers the latest laws, bureau rulings and court decisions. Chapters have been added that cover installment sales and the important appeals procedure. Also included are facsimiles of tax forms and a detailed index.
Many residents have been delving into books of such information the past three weeks in figuring their income tax and pre-paring estimates on next year's income and figuring every possible deduction in order to save what they can on their tax.
Ranchers have until February 1 to complete their returns and businesses have until March 15th to make their final pay-ment on last year's tax and estimate the tax for this year.
Individuals who filed an estimated declaration have until March 15th to file the declara-tion on this year's tax and that date is also the deadline for the final payment of last year's tax, according to information received last week.

A. C. SMITHS ACCOMPANY SON TO SAN ANTONIO

Douglas Smith, who has spent several weeks with his parents, Mr. and Mrs. A. C. Smith, re-turned to Houston Monday to receive further treatment for injuries received in a car accident in October. He spent the week end in San Antonio.
Mr. and Mrs. Smith took him to San Antonio and visited with their daughter, Mrs. L. R. Holloway, and Mr. Holloway, return-ing home Sunday night.

DOUGLAS SMITH RECEIVES FIRST NSLI REFUND

Douglas Smith was the first veteran to receive a National Service Life Insurance dividend check in Sanderson, receiving his check Monday.
Smith was in the service 12 months and his check was for \$70.

The distribution of the \$2,-800,000 refund checks are to be turned out at the rate of 1,000-000 a week with an effort being made to have the payments in the hands of the 16,000,000 veter-ans by June 30.
The refund represents an accum-ulation of cash from the premiums on government insur-ance in excess of the amount needed to carry the program.
While the checks will average about \$125, some will be as low as \$60 and some as high as \$28.

New License Plates Received Locally

The new license plates for Terrell County were received in the office of the local tax as-sessor and collector this week according to J. S. Nance, tax as-sessor and collector. The plates are black background with orange numerals and the Terrell County numbers will be from 600 up with the initial let-ters of BN.
The plates will go on sale February 1st and all vehicle owners must bring their certi-ficates of title with them in order to purchase their licenses. License plates have also been received for trucks, pickups and motor scooters.

P. C. Coates Slightly Improved; Injuries Serious

The condition of P. C. Coates, Terrell and Pecos County ranch-man, is improved following in-juries received in a plane crash ten days ago and he is reported to be out of danger.
Coates is in an El Paso hospi-tal and is reported to have burns on the legs, both legs broken above the ankles, three broken vertebrae, and lacerations on the face. Treatment for severe shock following the crash has prevailed with his condition considered critical until the first of the week. His parents, Mr. and Mrs. Col Coates, his wife and daughter, Pam, and his brother-in-law and sister, Mr. and Mrs. Buck Pyle, remained at his bedside.
Coates was the pilot of the ill-fated plane which, in the crash on the Jim Mitchell ranch, claimed the life of Lee G. Mc-Sparran. The men were hunt-ing eagles at the time of the accident.

Rheumatic Fever Cause of Most Children's Deaths

Rheumatic fever causes more deaths than any other disease in children of school age, declared Dr. George W. Cox, state health officer. The first attack usually occurs in children at the age when they are in the first or second grade and recurrences are most common up to the age when children are leaving high school. The insidious onset of so many cases during the school year suggests that teachers and others in daily contact with the school children should be aware of early signs and symptoms which may mean acute rheu-matic fever.
Dr. Cox said, "There should be more and improved examina-tions of school children by phy-sicians with time enough for the nurse or teacher and parents to plan with the physician for any needed medical attention."
"School absence due to illness or vague disorders, if investi-gated, may disclose early cases of rheumatic fever. Teachers need to be more alert to the visible signs and symptoms suggestive of substandard health. Among these signs and symptoms which should bring children to the at-tention of teacher or parent are: Failure to gain weight; pallor; poor appetite; fatigue; frequent colds and sore throats; scarlet fever or any known streptococ-cal infection; unexplained nose-bleeds; unexplained fever; pain in arms, legs and joints; unusu-al restlessness; history of pre-vious rheumatic fever; behavior changes; decreasing achieve-ments in school by a child who has previously done well.
"Children reported by the teacher as showing evidence of substandard health should be medically reviewed by the phy-sician and needed medical care arranged for such children as soon as possible."

DELANNE PETTY BORN IN JEFFERSON, TEXAS

Mr. and Mrs. Martelle Petty of Jefferson have announced the birth of a little daughter, Delanne, on Sunday, January 8. She weighed eight pounds and seven ounces.
Mr. Petty was formerly min-ister of the local Church of Christ before going to Jefferson.

DOUGLAS SMITH TO BETA GAMMA SIGMA

Douglas Smith has received notice of his election to mem-bership in Beta Gamma Sigma, an honorary fraternity.
Young Smith was a graduate of the University of Texas last June and his membership in the fraternity was based on his high scholastic rating there.

C. H. WHITE HAS SURGERY MONDAY

C. H. White had major sur-gery in a San Antonio hospital Monday morning and his con-dition is reported to be satisfac-tory. His son and daughter-in-law, Mr. and Mrs. Carlton White, who had been with him, returned home Tuesday night.
His wife remained with him.

PFC JOE MUSSEY HOME ON FURLOUGH

Pfc Joe Mussey is spending his furlough with his parents, Mr. and Mrs. R. B. Mussey. He has been stationed with the A. A. F., in San Antonio and his next as-signment is at Sheppard Field, Wichita Falls.

CAR STOLEN FROM SAN ANTONIO RECOVERED HERE

A 1939 Buick sedan, reported stolen in San Antonio Saturday night, January 14, was recovered Sunday morning by local of-ficers. Two Negroes, Clifford Mc-Alister and Morris Strain, were in the car and when questioned by officers, admitted the theft. Officers and the owner of the vehicle in San Antonio came to Sanderson Sunday to return the car and men to San Antonio where they will be charged with theft.

District Court To Pick Jury Commission This Week End

According to word received Tuesday of this week, Judge Roger Thurmond, district judge, will be in Sanderson Friday of this week to hold a session of the district court and select a jury commission.
No criminal cases are sched-uled for this term of court.

Figures Disclose 6 County Citizens In Mental Hospitals

Austin, Jan. 19 — Figures that bring home the significance of the special legislative session to each county were released today by the state board for Hospi-tals and Special Schools.
Commenting on them, Claude Gilmer of Rocksprings, chair-man of the board, said, "The problem is not an abstract one. It concerns every citizen and no one can say when tragedy can strike or what Texan will be the next one to enter one of our institutions."
"I call your attention to the accompanying figures, and I suggest that you may want to familiarize yourself further with the situation by discussing it with your state senator or rep-resentative."

According to the board's cur-rent records, there are 6 pa-tients from Terrell County in state mental hospitals.
The cost of caring for these patients for the current year is \$4,656.

Appropriations for the insti-tutions will be the business of the state legislature, to be called in special session by Governor Allan Shivers. The last legisla-ture's appropriation for the op-eration of the hospitals and schools during the next fiscal year was vetoed by the late Gov. Beauford H. Jester when it be-came apparent that revenues to provide for it were not avail-able.
At the time, Governor Jester indicated that a special legis-lative session would be required to provide the necessary money for operation of the institutions during the second year of the current biennium.
Also to be considered by the legislature is an appropriation to expand the hospitals and schools which are now, accord-ing to several surveys, over-crowded and inadequately staffed.

ROSS STAVLEY RETURNS TO JOB IN MEXICO

Ross Stavley left last week for Mexico where he is with the Hoof and Mouth Disease Control. He with his family, had spent three weeks here with his mother, Mrs. Lena Stavley, and other rela-tives.
Mrs. Stavley and her daughter remained at Pumpville with her parents for an indefinite stay.

MRS. D. H. CUNNINGHAM HAS SURGERY IN TEMPLE

Mrs. Dorothy Cunningham of Pumpville had major surgery in a Temple hospital Wednesday and her condition is reported to be satisfactory. Her sister-in-law, Mrs. J. Garner, is with her.

LOCAL WOOL SELLS FOR 65¢ PER POUND

Two clips of 1949 12-months wool, belonging to W. R. Stum-ber and Wiley Holland of Dryden, amounting to approximat-ely 40,000 pounds, was sold last week to Hills, Oglesby and Di-vine of Boston, Mass., at a re-ported price of 65¢ per pound. E. O. Oglesby was the buyer for the firm.
Mohair is being contracted over the state at 80¢ and 80¢ effective last Saturday with wool prices slow and steady over the state. Some activity has been noted in the past few days on 12-months wool.
The sale of the 40,000 pounds of wool from the local ware-house, Sanderson Wool Commis-sion Co., was the last of the 12-months wool in stock.

Square Dance Club To Meet On First, Third Fridays Here

The local square dance club will meet each first and third Friday of every month for an indefinite period, according to officers of the group. The decision was made at the last meeting of the club in an effort to bring in old members and new members who were in-terested in square dancing.
The dues for the club were set at \$3 for each month and all persons who are interested are urged to attend the session Friday night, January 20.

Capt. Jack Bogusch To Be Reinterred At Mason, Texas

Mr. and Mrs. Max Bogusch re-ceived word last week that the body of their son, Captain Jack Bogusch, was en route to the United States.
Reinterment will be made at Mason, Texas, in the Bogusch family burial plot.
Captain Bogusch was killed in action over Germany March 6, 1944.

One-Third County Poll Taxes Paid

Only ten more days remain for the payment of poll taxes in Texas and the tax is a neces-sary qualification to vote in any election scheduled for 1950 un-less the individual has an ex-emption certificate. January 31 is the deadline for payment of the tax.
J. S. Nance, tax assessor and collector, reported Wednesday that only 341 poll taxes have been paid in the county to date. An increase of only seventy-two over the previous week's taxes was noted and taxes will have to be paid at a much more rapid pace for the remaining ten days if the usual voting strength of the county is obtained. Approx-imately six hundred poll taxes remain to be paid.
Besides all county offices, the election this year will include practically all state offices, in-cluding that of governor as well as congressional offices.
The fact that so few poll tax-es have been paid to this date is accounted for by the mix-up which resulted early in the property tax paying period from the proposed constitutional amendment which would have eliminated the poll tax as a pre-requisite to voting and which proposal was turned down by the voters of this state by a wide margin. But while the measure was still in the realm of possibility, tax collectors over that state advised tax pay-ers to withhold payment of the poll tax until the issue was de-cided.

As a consequence, many per-sons who ordinarily pay their poll tax along with their prop-erty taxes, did not do so this year, and as a matter of habit have not returned to the col-lector's office for a second visit to take care of this important item since the election on the amendments.

SENATOR HILL HUDSON IN AUTO ACCIDENT

Senator Hill D. Hudson of Pecos was confined to his home for several days last week for treat-ment after receiving minor fac-ial injuries in an accident in El Paso. The car which he was driving swerved into a parked truck when a tire on the car blew out.

MRS. ALVACE GARCIA HAS SURGERY IN FT. STOCKTON

Mrs. Alvace Garcia had ma-jor surgery in the new Memorial Hospital at Fort Stockton Sun-day. She is convalescing satis-factorily and was brought home Wednesday afternoon.
Mrs. Garcia was the first ma-jor surgical patient at the new hospital and the first local resi-dent to be a patient there.

SPRING WEATHER IN TERRELL CO. THIS WEEK

The recent cold wave that has brought winter weather to some sections of Texas skipped this area and instead, spring-like weather has prevailed for a week. Temperatures have been around eighty degrees in mid-way with bright sunshine and clear skies. Heavy dew is noted every morning and dense fog at night. Rainfall which gauged 32 inches fell in Sanderson last Thursday night.
To date the weather for 1950 has been a perfect order for Terrell County ranchmen.
Speculations are going around as to the expected time of arrival of winter Nature's forerunners of spring, the birds, have been heralding the springtime for several days, with a recent influx of cardinals, blue jays, mocking birds and a profusion of doves returning to this area.
Instincts of wildlife are the prediction of what is to come for many old-timers, and if the birds know what they are doing it was a very pleasant winter we had in this area.
Ed Note — It is not our pre-diction that winter has come and gone.

Lemons To Donate Coffee Money Monday To March of Dimes

L. H. Lemons, owner of the Best Cafe announced Thursday that he would give all money spent for coffee in his place on Monday, January 23, to the local March of Dimes drive.
This is the third year that Mr. Lemons has used this method of raising money for the fund and he has reported excel-lent response in the past.

Basketball Game Time Changed To 3 P. M. Friday Afternoon

According to word received this week from Valentine, that team will be in Sanderson Friday for games at 3, 4 and 5.
The girls will play volleyball for the first game, the second game will be the "B" basketball teams and the last game will be the varsity basketball teams.
Local fans who enjoy the fast indoor sport are urged to be on hand for plenty of excitement.

Processing Center Moved To Eagle Pass From Crystal City

It was announced this week that a contracting center for Mexican National agricultural workers opened at Eagle Pass Wednesday, January 11. The center is to be located in the hospital area at the old Eagle Pass Air Base.
Mr. Roy Haynes, Washington, D. C., will represent the United States Employment Service and Senior Jaime Rivera, Consul of Mexico will represent the Mexi-can government.
John C. McIntyre will be in charge of Immigration and Nat-uralization Service activities and Harold Walker will be in charge of the Public Health Service activities.

The processing center at Crystal City which operated from October 3 to December 20th processed approximately 10,000 men and orders for over 8,500 workers have already been received by the local offices of the Texas Employment Commission. These men and all labor in this area to be contracted will utilize the services at the contracting center at the Eagle Pass Air Base since the Crvstal City center will not be re-activated.
All employers who desire to contract Mexican National labor are urged to contact the office of the Texas Employment Commission in the area in which they live and place their order for agricultural workers and receive detailed information regarding the proper procedure for processing workers.

Why Scoop No Longer Works Here

Scoop Blake paid us a friendly call at the Clarion's office last week and we were talking about when he was a reporter here. "Remember how mad I got when I found out you were writing that election story right from your desk?" I asked him. "And how I made you get out and learn what a sheriff's job was all about?" "I sure do, Joe," said Scoop. "I want to thank you for teaching me the 'hat-trick'—putting on my hat and finding out the facts, that is. Then we both had a good laugh because he found out so much that

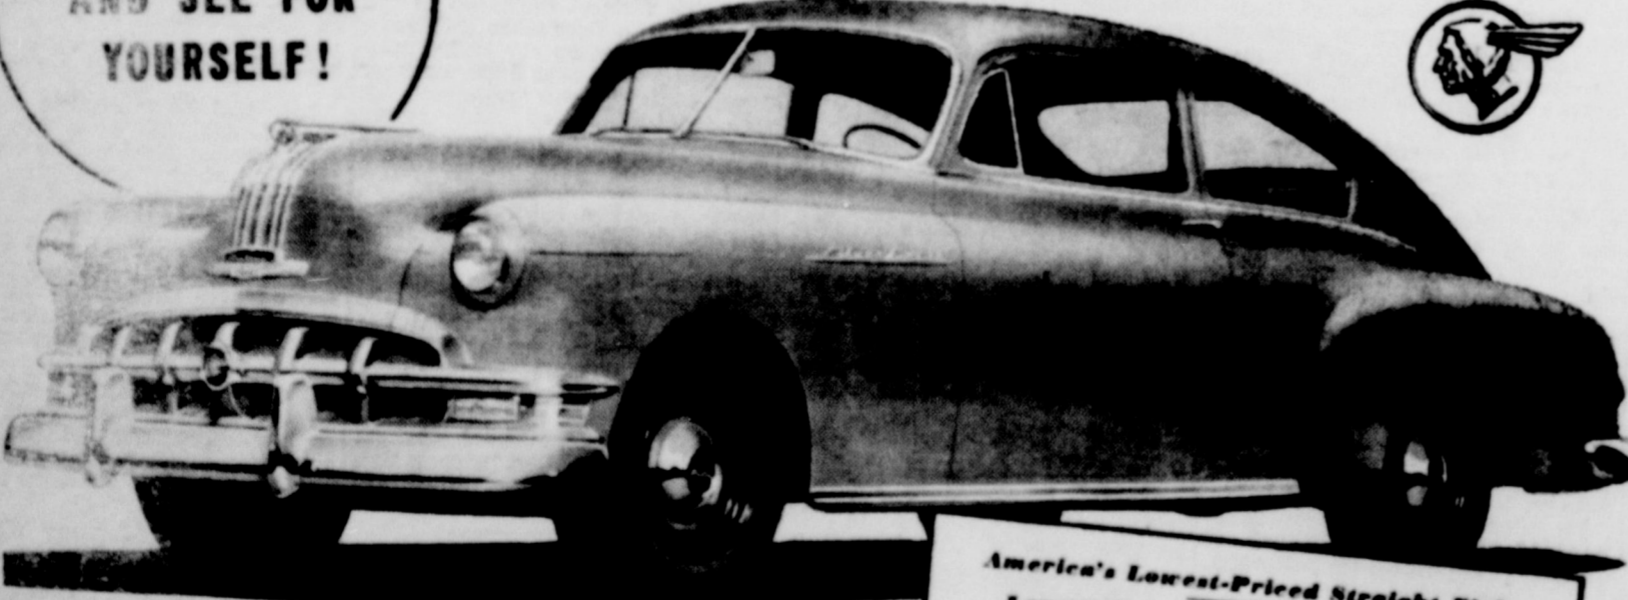

darn if he didn't run and get elected sheriff himself! From where I sit, we should find out the facts before we try to talk about anything. When we do, we're inclined to be more tolerant... we're apt to understand a little more about the other fellow's preference for, say, his political candidate or for a temperate glass of beer now and then. I say, if you don't want to get tripped up, don't leap to conclusions!

Hanson-Berger Wedding Sunday
Clifford Spencer, pastor of the Baptist Church, directed the exchange of marriage vows, the single-ring ceremony, the o'clock Sunday morning. Miss Mitzie Berger became the bride of Wayne (Buck) Hinson at the ceremony at the home of the bridegroom's sister, Eva Hill, in Sanderson. The ceremony was in the immediate presence of the members of the church and close friends were in attendance.
The couple stood before double windows in the living room. Baskets of pink gladioli were placed to each side. The bride wore a blue suit with black accessories and a large of pink rosebuds. Informal reception followed the ceremony when champagne was served with the fully decorated three-wedding cake.
Hinson, a native of Australia, came to the United States in the close of World War I for the past six months has been at the S. L. Hanson Sr. ranch.
Hinson is the son of J. S. Hanson of Sanderson and ranchman of the south part of the county.
The couple left soon after the time for their ranch where will reside.

Mrs. James Kerr entertained with a bridge party at her home Tuesday afternoon honoring the members of the Tuesday and Friday Clubs.
Decorations in the party rooms were potted plants and arrangements of violets.
Coffee was served to the guests upon arrival.
At the conclusion of the games, high score prize was presented to Mrs. J. D. May; second high to Mrs. J. S. Nance; slam prizes to Mrs. Mary Lou Kellar and Mrs. Jimmie Martin and low to Mrs. Jim Wilkinson.
Apple pie a la mode was served with tea and coffee to Mesdames S. H. Underwood, Hugh Rose, R. S. Wilkinson, Mary Lou Kellar, J. D. May, H. E. Fletcher, P. P. Courtney, Garland Inmon, W. H. Cochran, Tol Murrah, Jim Wilkinson, J. A. Gilbreath, Jimmie Martin, James Caroline, Lee McCue and J. S. Nance.

Lea-Buster Wedding In Del Rio, Dec. 29
Mr. and Mrs. W. E. Lea, Jr., are at home in Sanderson following their marriage in Del Rio Thursday, December 29.
Rev. T. K. Anderson, pastor, directed the exchange of vows in the chapel of the First Methodist Church, using the double-ring ceremony.
The bride wore a navy-blue suit with pink and navy accessories and a corsage of pink rosebuds.
Her niece, Miss Patricia Allen of Fort Davis, and her only attendant, wore a brown suit with beige and brown accessories and a gardenia corsage.
Larry Swift of Sanderson was best man.
The young couple spent a week at their lodge at Lake Walk before returning to Sanderson.
The bride, Mrs. Jo Nette Rogers Luster, the daughter of Mr. and Mrs. J. J. Rogers, of Uvalde, is a sister of Mrs. Roy Deaton of Sanderson.
Mr. Lea is the son of Mr. and Mrs. W. E. Lea, Sr., of El Paso and is an engineer on the T&NO.
Frank Arredondo, who suffered a scalp injury at the Empire Cleaners last week is reported to be recovering satisfactorily.

To Be Bride of Loyd Smith
MISS MARTHA ELIZABETH WATHEN

Wathen-Smith Troth Announced
Mr. and Mrs. Ben H. Wathen, of Athens, Texas, have announced the engagement of their daughter, Miss Martha Elizabeth Wathen, to Loyd Calvin Smith, son of Mr. and Mrs. A. C. Smith of Sanderson.
The wedding will take place February 18 at the First Baptist Church of Athens. Miss Wathen is a senior student at the University of Texas and is a member of the Alpha Chi Omega sorority. Mr. Smith is a student at Southwestern Medical College, Dallas, and a former student at Texas A&M. He is a member of Theta Kappa Psi fraternity.
Mrs. Roy Deaton and son returned home Monday after spending several weeks in Uvalde and Del Rio with relatives.

HADACOL IS HELPFUL TO FOLKS OF ALL AGE GROUPS

Countless thousands have proved that HADACOL is beneficial to folks of all ages. That is the reason so many purchase the large economy size bottle so all the family can benefit from nature's vitamins and minerals in HADACOL.

For instance, Miss Ethel Guidry, 822 Montgomery St., Port Neches, Texas, only 17 years old, was "feeling nervous, had little appetite, her face was pale and drawn and she suffered from gas on the stomach."
Her system lacked the B Vitamins and Minerals which HADACOL contains and this may cause digestive disturbances such as heart burns, indigestion, and often times Miss Guidry says she could not eat the kind and type of food she wanted without feeling terrible afterwards.
Miss Guidry, who recently graduated from high school, is already working in a bank. She said that after taking several bottles of HADACOL she is now "feeling wonderful" and has "lots of pep and energy."
Most folks take HADACOL because it has worked such wonders for relatives or friends. Miss Guidry took HADACOL because her mother had taken 12 bottles with excellent results.
In nearby Port Arthur, Texas, Mrs. W. M. Thompson took HADACOL because it had done her husband so much good. He, in turn, had taken HADACOL because an elderly neighbor told him of "feeling so much better after taking several bottles of HADACOL."
Mrs. Thompson's normal weight is 135 pounds but she was down to 110 pounds before taking HADACOL and after taking a few bottles of HADACOL she regained her normal weight.
"I was bothered with stomach trouble, gastric disturbances, I had lost my appetite and was bloated," said Mrs. Thompson.

She had tried several preparations before taking her husband's advice on HADACOL and now she enthusiastically recommends HADACOL to her friends.
She, too, like Miss Guidry and the others, was suffering from the lack of the B Vitamins and Minerals in her system which HADACOL contains.
A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heart burn, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and Minerals which your system lacks.
HADACOL contains not only one, but five of the B Vitamins. HADACOL contains not only one, but four of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.
It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.
So, it matters not where you live . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering! Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. —Adv.

Evening Study Club Meet Thursday Night
Mesdames Vic Littleton and Wiley Cox were hostesses when the Evening Study Club met Thursday evening at the Community House.
A snow man and lady and purple berries formed an attractive winter scene for the mantle piece. A similar arrangement was on the lace-covered table where white candles in red holders provided soft illumination.
For the program, Mrs. J. O. Little discussed "The Corn Country" and Mrs. J. A. Gilbreath's subject was "The Typical State". Mrs. J. W. Pate used a map of Arkansas to illustrate her discussion of "The South Southwestern State."
During the business meeting Mrs. Littleton made announcement of the Court of Awards for Girl Scouts on Friday, January 27.
The hostesses served fruit fluff and cookies with tea and coffee to Mesdames L. E. Arledge, J. W. Pate, J. N. Kerr, Jr., E. J. Hanson, H. A. Finger, J. A. Gilbreath, W. A. Davis, W. H. Grigsby, W. W. Sudduth, J. W. Pate, Dick Sullivan, F. T. Baker, and J. O. Little.

Bridge-Luncheon For Wednesday Bridge Club
Mrs. R. S. Wilkinson entertained with a bridge-luncheon at her home this week in courtesy to the members of the Wednesday Bridge Club and guests.
Beautiful arrangements of red gladioli and double anemones were in the party rooms.
Following the luncheon served at quartet tables at one o'clock, bridge was enjoyed for the remainder of the afternoon.
Mrs. J. G. Barry received the high score prize; Mrs. Mary Lou Kellar, second high; Mrs. S. L. Stumberg, low.
Guests were Mesdames James Kerr, Web Townsend, J. G. Barry, W. R. Stumberg, J. W. Pate, W. W. Sudduth, S. L. Stumberg, Mary Lou Kellar, Garland Inmon, Jim Wilkinson, W. R. Cochran, and J. T. Williams.

Judge Paul Moss Will Seek Congressional Post

ODESSA, (Special)—Judge Paul Moss of the 70th Judicial District court, announced today his candidacy in the July 22 Democratic Primary elections for the office of U. S. Representative from this District.

Judge Moss, Odessa's first City Attorney, has been Judge of the 70th Judicial District court, since January 1, 1949.

He is the father of William and Betty Moatka Moss and is distinguished for his eminent legal career extending over a quarter of a century throughout West Texas, as well as his development of ranching interests in West Texas and New Mexico and oil holdings in the Permian Basin. He is also president of the Southwestern Broadcasters corporation.

A resident of Ector County since 1926, when Odessa was a small village, his rise is parallel to the growth of the Permian Basin.

A prominent attorney, author of "Little Church of the Valley" and other books, and civic leader, he is a member of the Texas and American Bar associations, the Author's League of America, the State-Wide Committee of Texas Youth and Government of the H. Y. (YMCA), Chairman of the Gifts Committee of the Buffalo Trail Council of the Boy Scouts of America for the procurement of the present Davis Mountains Boy

Scout Ranch, and is now an honorary member of the Council. He is past chairman of the Better Housing and Ector County Centennial commission, past president of the Ector County School board and past president of the Odessa Rotary club. He typifies the American spirit of rising through one's own efforts.

Judge and Mrs. Moss reside at the Moss Ranch near Odessa.

JUDGE PAUL MOSS

HOTTEST ENGINE NEWS of 1950

That's the word spreading about Buick's brand-new F-263 valve-in-head engine, already proving itself in the hands of new SUPER owners

CALL it if you will the biggest power-story of the year. Call it another triumph in Buick's long history of coming up with car performance beyond compare.

But, sir, when you step into the sleek-lined traveler pictured here — hang on to your hat.

For you'll be riding behind a power plant that is not only new but a major sensation of the 1950 season.

You'll be commanding the very latest word in valve-in-head power — the newest accomplishment of the organization with the country's longest stretch of experience in this engine design.

Here every fist-size fuel charge now delivers a huskier wallop. Shorter, lighter connecting rods mean that pistons flash with faster and livelier action.

Heavier crankshafts, floated on bigger, more rugged bearings, take this greater load and transmit its stepped-up surge to the drive shaft and rear wheels.

And you, behind the wheel, breathe your face in smiles at the lift you find! At the trigger-quick take-off — the mile-eating cruising stride — your easy disdain for the passing gas pumps.

You and your SUPER are really stepping out — and Buick's good name as "a sweetheart on the road" gains still more lustre.

Nor is road-thrill the only blessing this new power plant brings. Simpler design makes service easier, so upkeep diminishes as a problem. Hydraulic valve-lifters keep valves properly seated for efficient operation — and for quiet unbroken by tappet noise.

And you can have this power either with Buick's easy-shifting Synchro Mesh transmission or the silken luxury of Dynaflow Drive.*

Either way, this SUPER is certain something to see. To this top-notch new power it adds style and room, comfort and a wide outlook, soft stride and handier new over-all length.

Even the price justifies a prompt run to your Buick dealer to learn more about Buick for 1950. You'll soon see why so many folks are already saying "Whatever your price range — buy Buick!"

*Standard on ROADMASTERS, optional extra cost on SUPERS and SPECIALS.

Features like these mean BUICK'S THE BUY
