SANDERSON, TEXAS, FRIDAY, FEBRUARY 3, 1950

Royal typewriters, standard and portable, Allen-Wales Adding Machines, Office Supplies, at the Sanderson Times

NUMBER 50

## ELECTION YEAR HAS FEWER PAID POLLS THAN IN 1948

Slightly over 700 poll taxes were paid in Terrell County this year which is about one hundred more than were paid last year and about one hundred less than were paid for the election year 1948.

Twenty-seven exemptions were issued this year with only five issued last year.

A drop was noted in the registration of aliens with thirty-six this year and sixty-five last year.

The polling strength of the county was slightly over a thousand in 1948 but will probably fall almost two hundred short of that figure this year.

## Three Buildings At Sul Ross College To Cost \$788,823.00

Sul Ross State College will continue its program of expansion.

Contracts amounting to \$788,823.07 for three buildings, furniture and equipment were approved recently by the Board of Regents at a meeting at Fort Worth. The three structures are to be a fine arts building, a girls' dormitory and a central dining hall.

The two story brick fine arts building will have an interior design modernistic in every way.

It will cost \$339,208.46 and will accommodate the art, music and speech programs of the college.

On the north half of this building there will be a basement to be utilized by the art department in teaching ceramics, metal working, jewelry and sculpturing. Also the department will have its offices, a reception room and an exhibit gallery with a kitchenette adjoining.

The speech department will have space for a little theatre which will accommodate about 200 people over which will be class rooms, dressing rooms, make-up studios, rest rooms, recording studio and costume room and costume shop. A circular stairway will lead from the full-size stage to the upper rooms. Also two offices with a reception room and a speech files room will be provided.

For the music department the plans call for a choir room, a band room, a piano recital studio, practice rooms and music studios. Ample room for the addition of an organ section of the department is included. The music classroom will also serve as a darkroom for visual aids in music. Appropriate offices and a reception room will be included.

The two story U-shaped girls' dormitory with furniture, costing \$338,578.28 will be located just north of Lawrence Hall across the street facing the southwest. It will accommodate 120 girls, and each room will have two large closets and a complete bath. A large living room on the first floor and a small one on the second floor will amply care for the social life of the dormitory.

The new dining hall-cafeteria and equipment to cost \$111,036.33 and will be built just east of the gymnasium facing east and across the street from the new girls' dormitory giving it a central location on the campus. This will be a one-story building and will have the latest and newest cafeteria equipment.

## Two New Homes Under Construction

Two new homes are under construction in Sanderson through a FHA-GI loan, the Kerr Mercantile Company is building a three-bedroom house of frame construction for Mr. and Mrs. L. W. Welch on lots east of Mr. and Mrs. Hugh Rose. Mr. and Mrs. H. G. Mullings moved a barracks from Marfa to the lot south of the Walter Grigsby home and are making two two-bedroom dwellings of it. They will be stuccoed on the outside. The Mullings plan to occupy one of the houses and rent the other.

Mrs. J. W. Lane of Sabinal is visiting in the home of her daughter, Mrs. W. C. Cargile, and family.

**JOHN BEN SHEPPERD, 33-year-old Gladewater attorney, has been named one of the 10 outstanding young men in the United States for 1949 by the United States Junior Chamber of Commerce, the first time a Texan has been included on the list since 1936 when James V. Allred was selected. Shepperd gained worldwide fame during 1946 while serving as national president of the Jaycees. This year he won acclaim for originating the "Democracy Beats Communism" idea, known as the Gladewater Plan, which has spread over the country. More recently, he has been conducting a campaign for reorganization of the State government which he has dubbed "Our ox-cart State government with the fringe on top." Shepperd will receive his award at a banquet in Peoria, Ill., on Jan. 21.**

## ED LEATHERWOOD PARTNER IN SERVICE STATION

Effective February 1, Eddie Leatherwood is a business partner in the James Word Service Station, local Magnolia dealers.

Mr. Leatherwood has been in the employ of the Alamo Lumber Company for the past two years and is well known here.

Prompt, courteous and efficient service is promised under the new arrangement and Mr. Leatherwood invites all his old friends and customers to come in and visit with them. Mr. Leatherwood was formerly employed at the station.

## Governor Shivers Explains Need For Hospitals Aid Bill

On Tuesday of this week the Texas Legislature convened in special session to make appropriations for our state hospitals.

The bill for food, clothing, medical care and badly needed buildings and repairs will run near \$25,000,000 for the year beginning next September 1.

Governor Shivers says, concerning the proposed bill: — "Our state hospitals are badly run down. Little has been done in a number of years to improve, add to or even maintain the buildings at Austin, Abilene, Wichita Falls, Rusk, Terrell, San Antonio and other long-established hospitals for mental cases and epileptics. The tuberculosis hospitals at Tyler and Mission are old army camps; the Mexia hospital for seniles and mentally deficient children is a former German prisoner of war camp.

Some places are worse than others, but in general we find the hospitals badly overcrowded and many buildings unsafe. The Board for State Hospitals and Special Schools, which has charge of these institutions, estimates that it would take more than \$40,000,000 just to eliminate the fire traps and add enough buildings to care in an adequate way for the unfortunate people who are in these institutions today.

This is not a problem that developed overnight, but one that has been building up over a long period of years. The Legislature tried in 1941 and again in 1943 to do something about the building needs. One appropriation was vetoed by the then governor; then the war came along and the building program was shelved for the duration.

The late Governor Jester recognized the crying needs of the state hospitals for more buildings, more doctors, more nurses and better facilities for treatment. He advocated a large appropriation for buildings, as well

## MARCH OF DIMES DANCE NETS \$85

The March of Dimes dance held last Saturday night at the Masonic Hall netted the local chapter approximately \$85, according to James Caroline, treasurer. He said that attendance was not as good as was expected but that ticket sales and contributions over the price of admission on the part of some of the attendants brought the net gain up to that amount.

Announcement was made Wednesday that the Dimes drive for funds was extended to February 8. Every effort is being exerted on the part of the committee and interested persons to see that the campaign reaches a maximum effort. Chairman Sudduth stated that the extra days' extension to the drive was forced upon the nation due to the lack of response from the citizens.

The local drive for funds has brought in \$642.90 to W. W. Sudduth, chairman, not counting the amount made at the dance. Sudduth asked all persons to remember that the quota as set by the national foundation is only 39¢ per capita and if all who have not contributed will try to meet that and any additional amount the local chapter will go over the top with the fund raising campaign.

No one is able to predict what the coming warm weather will bring in the way of polio victims locally and, although it is the hope of all persons that non-victims will be needed and can be used over the entire nation if the rate of victims is near what has year totalled.

Science has found no method of controlling completely, or preventing appreciably the contagious characteristics of the disease and it is well known that this country is subject to a strike from the malady and money contributed now will possibly prevent the asking for funds any time during the year.

## REP. KEN REGAN PUSHES ACREAGE BILL IN HOUSE

According to word received Wednesday, Representative Ken Regan made a statement that he will make an effort in the Senate to broaden the cotton acreage bill so that it will provide for allotments to farmers who planted cotton for the first time in 1949. Regan fought unsuccessfully for an amendment in the House Tuesday before the bill passed and was forwarded on the the Senate for disposition.

He proposed that all growers who planted their last year's crop before March 29 should be allowed to devote at least 30% as much land to the production of the staple this year. He said that this was needed to save the many war veterans in the West Texas area who were cotton producers.

as a larger operating budget. The Legislature last year was sympathetic with his ideas, but heavy appropriations for other purposes used up most of the available revenues. On top of that, a sharp cut in Texas oil production caused an estimated \$22,000,000 drop in tax receipts.

Announcing he was not satisfied to see the job only halfway done, Governor Jester vetoed the state hospital appropriations for the second year of the biennium. At the same time he promised he would call the Legislature together in January 1950 to provide for the state hospital operation and building needs.

His promise must be kept. Otherwise, when another fiscal year begins next September 1, there will be no funds for food, clothing and care for the more than 23,000 people who are now in our insane asylums, tuberculosis hospitals, epileptic hospital and the special schools for the blind, deaf and otherwise physically handicapped.

## SP CLUB TO HAVE GAMES PARTY FRIDAY NIGHT

The SP Service Club will have a games party at 7:30 Friday, February 3, at the Masonic Hall. Games will be played and refreshments will be served.

DISCUSSING JEFFERSON-JACKSON DINNER PLANS — President Truman hears about plans for the Democratic rally in Washington on February 16 at which 5,000 business, government and civic leaders will dine with the President at the Armory. Left to right—The President, William M. Boyle, Jr., Chairman of the Democratic National Committee, and Charles Luckman, dynamic young President of Lever Brothers Company, who is chairman of the dinner.

## ATHLETIC EVENTS BROADENED ON SCHOOL GROUNDS

According to Supt. J. G. Barry the local school grounds have added basketball courts and two volleyball courts with the promise of another basketball court in the very near future. The basketball court is between the superintendent's house and the tennis courts and the volleyball courts are on the east and west sides of the grammar school building.

Supt. Barry stated that the children came very early in the mornings to take advantage of the facilities and stayed until too late to see, enjoying the games and are using the courts during recesses and at lunch to the maximum degree.

It has been the opinion of the school officials for several years that the school needs more playground room and every effort has been made to make the best use of what is available for the children to enjoy both during and after school hours. It is the hope of all school patrons that the moving of the superintendent's house can be accomplished soon so the children will have the advantage of that added space for playground room and the sports accommodations it will afford.

Supt. Barry stated that the school has been handicapped by insufficient room on the school grounds in the high school sports events throughout the children's school careers. It is a known fact, he stated, that the sooner you can begin a child in all sports the better he will be when he reaches the age of high school competition. The children now have softball, football, basketball, volleyball and tennis facilities at their disposal to both enjoy and learn all of the games under the supervision of teachers so that they may be taught early in their lives the proper way to play the games, increase their ability and at the same time be learning sportsmanship, which is the true purpose of all school athletics, he said.

## Highway Department Has New Map Available For Tourists

According to D. C. Greer, state highway engineer, motorists may have the new 1950 state highway map just for the asking. All who desire a free copy should contact the Texas Highway Department.

The new map has been brought up to date to show all of the recent changes in the principal highways of the state. Complete mileage tables are included.

Twenty-five full color pictures show points of interest in Texas and along the Pan-American highway in Mexico. The highway department distributed three hundred thousand copies of the 1949 map. An even larger demand for the new map is anticipated.

The current map reflects over 8% increase in additional paved highways that were added to the system the last year.

## SPRING WEATHER, WITH MOISTURE FAVORS COUNTY

Terrell County has again been skipped by the icy grip of a new cold wave which prevailed from North Texas to San Antonio and as far west as San Angelo the first of the week.

Cloudy skies with mist and fog prevailed the first of the week with 10 inches of rain falling in Sanderson Tuesday night.

Skies cleared at noon Wednesday, the temperature was near 80. While North Texas shivered and combated the ice problem that isolated nineteen towns and cities, residents of this part of Texas were enjoying Spring weather.

If you believe the fable about the ground hog, six more weeks of winter weather may be expected. Thursday dawned clear and sunny and, if there was a ground hog in this section of Texas, he certainly saw his shadow.

## \$47,668 INVESTED IN U. S. SAVINGS BONDS IN COUNTY

The people of Terrell County invested \$47,668.00 in U. S. Savings Bonds during 1949, according to the annual sales report received today by J. M. Hayre, county savings bonds chairman. This compares with sales of \$75,432.75 for 1948.

Of the 1949 total, Series E, the so-called people's bond, accounted for \$43,612.50, as compared with \$61,172.75 E bond sales in 1948. Series F and G sales were \$4,055.50 as compared with \$14,260.00 in 1948.

It was revealed that the people of Texas today hold more than one and one-half billion in savings bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

## Terrell County Day At San Antonio Show February 22

Terrell County will be honored with special ceremonies during West Texas Day Wednesday, February 22, at the San Antonio Livestock Exposition and Rodeo, February 17-26, at the Joe Freeman Coliseum.

With over 3,000 livestock entries competing for more than \$46,000 in premiums, the San Antonio show inaugurates the new \$3,000,000 coliseum with livestock exhibits, auction sales, quarter horse and cutting horse shows, commercial, farm machinery and appliance exhibits, world's championship rodeo and carnival midway.

## Complete Beauty Service Offered At New Salon

"The Beautiette", which opened in the east section of the business district in December, as a self-service beauty salon, has moved to the Kerr building and the office formerly occupied by Dr. J. C. Kern.

The salon opened Thursday with an entirely different type of service to be offered patrons of the town.

Mrs. Mervyn Randall, owner of the shop, will specialize in reducing and facial rejuvenation, which has been her work for twenty-six years, using the Randall Electriciers.

She will be assisted by Mrs. H. B. (Ditty) Louwien, and Mrs. Maybelle Stavley, operators with many years' experience, with Mrs. Louwien specializing in permanent waving and hair styling and Mrs. Stavley in scalp treatment, facials and hair styling. Mrs. Lucy Flores will specialize in body massage.

Besides all kinds of beauty services to be offered by the salon, a complete stock of cosmetics, including powder and oils individually blended, will be sold.

LUME XLII

STEN TO LUKE

past week your editor  
out of town to attend the  
meeting of the Texan  
Association in Austin  
a little more about  
is going on in the world  
of Terrell County and to  
with the other newspaper  
and swap ideas for the  
ment of the newspaper,  
country, politics, etc. He  
port a very beneficial and  
national meeting for our  
in convention we were  
ged to hear several out-  
etters. But there was  
on "Call for News"  
erest not only to news-  
but to everyone in the  
ry. One very interesting  
in the present European  
on was given by Wes Iz-  
of Amarillo who recently  
ed from an extensive tour  
of the European coun-  
His talk was revealing  
s and standards as he saw  
and one could easily un-  
and from his knowledge of  
ject that he had his eyes  
while he was over there.  
as the opinion of Mr. Iz-  
that the British were the  
disappointed people in the  
group of countries he  
due to the plight they  
found themselves in under  
abor party. Mr. Izard re-  
something that this news-  
and others, have been  
hing about for several  
ps and certainly we are  
lone, in condemning the  
that this government is  
directly toward a social-  
state and unless steps are  
we will be so far down  
ad ahead that there is no  
back.

newsmen were guests at  
house at the governor's  
on and Governor and Mrs.  
were most cordial to us.  
taxpayers' mansion was  
n open wide to the guests  
enjoyed a look-see at  
historic furnishings and al-  
lowed the refreshments of  
varieties of canapes,  
doughnuts and tea and cof-  
fees were served.

only did your editor en-  
joy association and know-  
that was gained there, but  
the fertile lands, growing  
fat stock and wasting  
feed that was piled up  
tons to go to waste. Yes,  
a good sign when our gov-  
ernment has so much money  
they can buy things just  
them lay out in the ele-  
ments to absorb the ravages of  
and the weather.

was a good convention, it  
only was—

ry little is being said to-  
concerning politics re-  
lated to Terrell County alone  
now as though the local  
tax payers will not get their  
back in coffee and cold  
drinks from aspirants, nor will  
get the chance to rub out  
names where contestants  
involved.

is writer's vote could never  
ought by a cup of coffee  
cold drink, but that will  
give us subject for talk  
than the state of the na-  
the prospects of cold wea-  
and the situation of the  
in general. One commen-  
tary said, concerning  
state of the nation: "Pres-  
Truman talked 5,000 words  
lining the state of the na-  
but I can sum it up in 5—  
--- of a mess!" But this is  
away from local politics  
predict a quiet election  
coming July from the looks  
lines, but would like to have  
consideration coffee

#### Dr. Geo. W. Cox Says Neglect Worst Of Old-Age Diseases

Austin, February 1 — Wedo not all grow, develop, mature — nor do organs degenerate — at the same rate, says Dr. George W. Cox, state health officer.

"Today a man of 60 may be as young, vigorous and vital as the average man of 40. On the other hand, he may look and act like a man of 80, old, weak and miserable. A man of 60 may have a 40 year old heart, 50 year old kidneys and an 80 year old liver.

"The physical changes which come with age alone are not entirely decline, either. Speed of reaction does diminish, but endurance increases in certain capacities. As speed declines, skill is increased with practice and as strength declines, judgment increases. Automobile driving ability, for example, improves from 24 to 43 in the average individual and at 65 is superior to that of the 20's.

"Normal human beings can grow mentally at any age. The worst of all old-age diseases is neglect. Many factors that help make a healthy, happy old age are (1) eating right, (2) regular physical examinations and (3) keeping physically and mentally active without overtaxing

ourselves. There is a rapidly growing branch of medicine, known as geriatrics, that specializes in disease and conditions of the ageing.  
"Don't wait until you deteriorate — consult your physician now."

#### Dr. Bertha Whistler Has Downtown Office

Dr. Bertha Whistler, chiropractor, who has been practicing in her home for several years, has moved her office to the Kerr Building next door to the Community Public Service Co. this week.  
She will continue to be in town on Mondays, Wednesdays and Fridays with her office hours from 10 a. m. to 5 p. m.

#### TWO NEW PUPILS FOR NINTH GRADE

There are two new pupils in the ninth grade this week, Delma Stidham, daughter of Mr. and Mrs. O. V. Stidham, and Claretta Davis, daughter of Mr. and Mrs. Albert Davis.

Both girls formerly resided here and attended the local schools. They transferred from Alpine.

#### T. R. ARRINGTON'S MOTHER DIES IN TEXARKANA

T. R. Arrington went to Texarkana Tuesday after receiving word of the death of his mother, Mrs. T. N. Arrington, who died in her sleep.

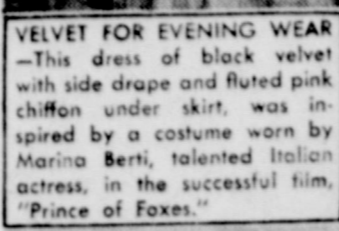

## WEEK'S NEWS

**TO FIGHT REDS UNTIL DEATH**—Mme. Chiang Kai-shek in New York farewell address, pledges China Nationalists will fight Reds until death. She left to join her husband, Generalissimo Chiang Kai-shek in Formosa.

**THE "HALLS" OF "IVY"**—Ronald Colman and wife, Benita, portray "Dr. William Toddhunter Hall," prexy of "Ivy College" and his wife "Victoria," on the new NBC Friday night comedy series, "The Halls of Ivy."

**VELVET FOR EVENING WEAR**—This dress of black velvet with side drape and fluted pink chiffon under skirt, was inspired by a costume worn by Marina Berti, talented Italian actress, in the successful film, "Prince of Foxes."

**TWIN TROTTERS**—Twin foals, a colt and a filly, reported rare in horse-dom, born recently at San Diego, Cal., are said to be the second pair of standard-bred twins born in the United States. Shown with them is their dam, Marietta Worthy.

**LIGHTS ON**—The motion picture business is a lot like fighting. Movie Producer Jack Dempsey explains to "We, the People" host Dan Seymour at a recent NBC and NBC-TV simulcast of the Gulf Oil show. Instead of ring lights it's Kleig lights for the old Champ.

#### New Virus Caused Mild Polio In Last Year's Epidemic

An unknown number of so-called mild polio cases during last year's epidemics may have been caused by an entirely new virus, it was disclosed this week by Dr. John W. Pate, Terrell County Health Officer. Recent research reports from the national headquarters of the Foundation for Infantile Paralysis state that this new virus, entirely unrelated to any of the three known polio viruses, can cause clinical symptoms identical to mild, non-paralytic polio, he said.

Dr. Pate explained that the March of Dimes supported scientists term the new virus the Cocksackie virus, named for the New York state village where it was first isolated. He said that it is impossible for doctors to distinguish clinically the two diseases.

"As a result," the physician declared, "this new disease has added to the great financial strain on the resources of the National Foundation's chapters. Since it is impossible to distinguish between the two diseases, all patients with early symptoms of polio must receive prompt and proper polio care.

lest possible crippling after-effects that could be minimized occur.

So far, he revealed, no cases of crippling have resulted from an infection with the new virus. But further research may prove serious paralysis to be possible, and doctors are reluctant to withhold the usual polio treatment until more is learned of the new disease and it becomes certain that no crippling will result.

March of Dimes supported scientists are continuing intensive investigations of the new disease, Dr. Pate revealed.

#### ALLEN GRANDSONS, POLIO VICTIMS, IMPROVING

Mr. and Mrs. R. N. Allen returned home Monday night from San Angelo and reported that their two grandsons, who are victims of polio, are in a satisfactory condition.

The two boys are sons of Mr. and Mrs. James Allen of Bronte. Jamie, the older boy, was very ill the last of the week and has considerable paralysis.

Mrs. J. R. Dunman and daughter of Del Rio visited with her mother, Mrs. J. R. Blackwelder, and other relatives several days this week. Mr. Dunman came for them Tuesday night.

#### Party For Faculty Club Thursday Night

The Faculty Club enjoyed a party in the banquet room of the high school Thursday evening. Games of canasta, forty-two, dominoes and bridge furnished diversion for the evening.

G. E. Luckenbach, who had become a father that day was the recipient of a shower of pink and blue gifts.

Cookies, hot chocolate and coffee were served to Messrs. and Mesdames A. A. Shelton, W. H. Savage, Bob Lewis, Jack Humphries, W. H. Grigsby, and George Davis; Mesdames Mary Booker, E. N. Kaiser, W. E. Grigsby, John Harrison, Sylvan Walker, V. E. Wattner; Misses Bessie Moore, Grace Wright, Lucy Rector, Mary Kate Buchanan, Betty Zuehl, Barbara

Low; M. B. England and G. E. Luckenbach.

Dick Hill was a business visitor in Del Rio Monday.

**JOHN GREEN IMPROVING**  
J. C. Green, who has been for almost three weeks in bed, is showing considerable improvement this week and is able to get up for short periods.

**THE PEOPLE SPEAK** — When Governor Allan Shivers invited the people of Texas to express their views on his program to improve the State Hospitals (termed by one survey group the worst in the nation), his mail picked up sharply. In this picture he is shown reading some of the letters, seeking ideas for the message he delivered to the Special Session of the Legislature this week. Virtually all the letters urged immediate action to improve these rundown institutions, the Governor reported.

### Predictions of Political Tactics

Political tactics which will be followed by the major parties were described by the New York Times in the following words: "The administration's strategy probably will be along these lines: Push forward the Fair Deal here and there. Keep alive the big issues of Taft-Hartley, civil right and others, and blame Republican 'obstructionism' for lack of action on them. Make the most of those issues in the November elections."

"The opposition strategy will be less unified but generally along these lines: Fight hard for cuts in the budget and for lower taxes, and in this way bring pressure against a wide range of Truman proposals that involve expense — Counterattack each day and watch for administration openings and mistakes that can be exploited." The Times also forecast which

proposed measures are likely to pass and which won't. It thinks the odds are in favor of expanded social security, aid to education, ERP, and military aid to Western countries. The odds are against health insurance, civil rights legislation, the Columbia Valley Authority, the St. Lawrence Seaway, Taft-Hartley repeal, tax increases, and the Brannan farm plan. It observed that the legislative accomplishment of the new session probably will be small. Instead, the doors of Congress will serve as a forum for political appeals by both sides, looking to election day, Tuesday, November 7."

It has been a long time since any Congress was so divided as this one, and had so many intensely controversial issues to wrangle about. In the early days of F. D. Roosevelt's New Deal a vast mass of unpre-

cedented and experimental legislation went through with hardly a tremor — but in those days the country was in a great depression, Congress was confused and uncertain, and sentiment was in favor of trying almost anything. It wasn't until his second term that Mr. Roosevelt met effective and constant opposition. When the war came along, of course, domestic issues virtually disappeared. Even Mr. Roosevelt paid less and less attention to them, and immersed himself almost completely in the war effort.

Mr. Truman, on the other hand, is proposing his own particular legislative revolution at a time when the national income is enormous, production is at near-record levels and the country is at least superficially prosperous. The even-increasing budgets have Congress honestly worried at last. Moreover, fear of the welfare state is not confined to Republican ranks—many Democrats are troubled, too.

The cards say that this year Mr. Truman will get only a small portion of what he wants. The election of next November will do much to determine what he will eventually get.

This session of Congress will consider some of the most controversial legislative proposals in history. Yet no one seems to expect that much definite action will be taken one way or another.

The fireworks began with Mr. Truman's State of the Union message which contained nothing new, nothing that had not been anticipated. The President asked, as he has on many occasions in the past, for broadened social security, the compulsory Federal health insurance bill, some tax increases and adjust-

ments, his civil rights program, repeal of the Taft-Hartley law, and the Brannan farm price plan. The response to his speech divided pretty much along party lines. The Democrats, with a number of exceptions — particularly the Southern bloc, which is prepared to fight the civil rights proposals to the bitter end — praised his program as being just what the country needs. The Republicans, almost to a man, denounced it, some vehemently — about 100 GOP Representatives signed a round-robin statement to the effect that Mr. Truman is firmly committed to the eventual socialization of the United States.

A change in the President's mannerisms and attitude was noted. The rather somber humbleness he first showed on taking office has gone. In its place he shows utter confidence that he is right and his opponents are dead wrong.

If as is expected, Congress goes down or defers most of the President's program, will it

be colored by the race for the Presidency that is to be run about three years hence — as well as the elections next fall. As has often been noted, Senator Taft's campaign for reelection will command principal interest in 1950. On domestic policy, he is the unquestioned leader of his party. If he wins, he will have the inside track for the 1952 nomination.

Mrs. Olene Sayles of San Francisco visited with her mother, H. O. Holt, and Mrs. Holt this week. The Holts took a bus for Marion, Kansas.

Mr. and Mrs. Raymond Phillips and children of Del Rio spent the week end with her mother, Mrs. Lizzie Billings, and other relatives.

ALY-STARR RITES CHICAGO JAN. 5

Teena Starr, daughter of Mrs. M. Starr, of Sanderson, married to Frank Daly of Chicago, Illinois. Mrs. Daly is the son of Mrs. Daly of Forest Hills, Long Island.

BAPTIST W. M. S. HAS MISSION STUDY ON JAPAN

Baptist W. M. S. met at church Monday afternoon for a mission study. The hymn, "A Story To Tell To The Nations" was led by Mrs. Clifton Spencer following the singing prayer.

Adult S. S. Class Has Social Meeting

The monthly social meeting of the adult class of the Methodist Church was at Fellowship Hall Thursday evening. Hostesses were Mesdames E. W. Martin and J. A. Gilbreath.

Tea Saturday Fetes Mrs. J. W. Wilkinson

Mrs. R. S. Wilkinson entertained with an informal tea at her home Saturday afternoon from three to six to introduce her daughter-in-law, Mrs. J. W. Wilkinson.

In the receiving line with the hostess and the honoree were Mrs. Wilkinson's sister, Mrs. Walter Reiffert of Cuero and her mother, Mrs. John Bass, of Cuero. Each wore a corsage of dark red rose buds.

The crimson red and white color scheme was emphasized in the floral decorations of gladiolus and carnations in the living room where there was also an arrangement of camellias on the lamp table and one of the rosebuds on the coffee table.

The refreshment table, which was laid with a white organdy cloth, was centered with an arrangement of carnations in the chosen colors and red and white candles in crystal holders. The sandwich loaf was served from a silver tray at one extremity of the board and the silver tea and coffee service was at the other.

Other members of the house party were Mesdames W. R. Cochran, W. H. Savage, J. W. McKee, Tol Murrain, W. G. Downie, T. R. Arrington, R. E. Corder, James Kerr and J. M. Hayre. Each wore a corsage of red and white carnations.

Eighty guests called during the tea hours.

Frank Sheffield returned home Tuesday from El Paso where he visited with his sister, Mrs. E. J. Chastain and family. He was ill while away but is improving.

HICKS-BROWN WEDDING FRIDAY IN SAN ANGELO

In a single-ring ceremony in the chapel of the First Methodist Church in San Angelo last Friday morning, Mrs. Lois Drake Brown and Lindsey H. Hicks were united in marriage with Rev. Ray N. Johnson, pastor, directing the exchange of vows.

After a wedding trip to South Texas, the couple will reside in Ozona. Mrs. Hicks is the daughter of Mr. and Mrs. W. F. Drake, Sr., of San Angelo and former society editor of the San Angelo Standard-Time. Mr. Hicks is a son of the late Mr. and Mrs. A. M. Hicks, a pioneer ranching family also of San Angelo. He has ranching interests in Crockett and Terrell Counties and is co-owner of Hicks and Puckitt Hardware in San Angelo.

Wednesday Club Has Mexican Luncheon At Mrs. J. T. Williams'

A Mexican luncheon was served at one o'clock to the members of the Wednesday Club and guests when Mrs. John T. Williams was hostess for the club meeting at her home this week.

At the conclusion of the games high score prize was presented to Mrs. J. G. Barry; second high to Mrs. Raymond Quigg, low to Mrs. S. L. Stumberg and traveling to Mrs. J. W. Pate and Mrs. Jimmie Martin.

Guests included Mesdames W. R. Stumberg, James Kerr, W. W. Sudduth, Tol Murrain, Jimmie Martin, S. L. Stumberg, Web Townsend, J. W. Pate, Raymond Quigg, J. G. Barry, Hugh Rose and Emma Tansey of Smithville. Mrs. W. G. Downie was a tea guest.

BILL CARGILE USHER IN ODESSA WEDDING SUNDAY

Bill Cargile, son of Mr. and Mrs. W. C. Cargile, spent several days at home last week between semesters at Texas Western College in El Paso where he is a student.

He left Friday for Odessa where he was one of the ushers Sunday at the wedding of Fred Wendt, Texas Western's football star, in the Methodist Church in that city.

Electronic "Brain" in Mass Production

American business and industry moved faster than ever last year as new production records were set in many fields. Keeping abreast of activities on all fronts, International Business Machines Corp. was the first to establish line production of an electronic machine to speed up punched card accounting. Forty machines, known as IBM Electronic Calculating Punches, each with 1,200 tubes, are coming off the line of its Poughkeepsie, N. Y., plant monthly. The machine can compute two five-digit numbers at the rate of 79 multiplications or 85 divisions a second. Additions and subtractions are done much faster.

Mrs. D. L. Duke and Diane to Georgetown to visit her son-in-law and daughter, Mr. and Mrs. Wilbur McCullar.

Mission Study On Japan For Women of Presbyterian Church

The mission study course, using the book, "Japan Begins Again" by William Kerr, was presented to the Presbyterian Women of the Church at an all-day meeting at the church Wednesday. Portions of the book were reviewed by Mrs. N. M. Mitchell and Mrs. A. W. Pope preceding lunch.

At noon lunch was served in the fellowship hall. The menu as planned by Mesdames Herman Couch, E. J. Hanson and Garland Inmon, was Swiss steak, candied yams, sour green beans, vegetable salad, hot rolls, pie and coffee.

During the lunch hour, Mrs. T. R. Arrington gave a very interesting discussion of Japanese flower arrangement. Several pictures and objects of art were displayed by Mrs. H. A. Smith.

DR. M. N. ROBERTS
