LISTEN TO LUKE

Errors will occur — even in a newspaper. Last week there were two galleys of type that got into print before being corrected. The word "bassinet" appeared with an assortment of spellings — none correct, and several names and initials were wrong. The Times always strives to perfection and will some day put out a perfect paper — free from errors. Since the active "working" force of the Times has been swamped because of the inactivity of a certain member of the force due to old age the amount of work on the working personnel made plenty of reason for errors.

The lack of understanding and reasoning of one of the heads of the district census undertaking has caused much alarm in some quarters. It seems that the map of our town that was to be used for the census and limits of the population of Sanderson was some dream of some draftsman since the map was very inaccurate in many respects. Neither did it include some of the additions to the original townsite, such as the Kerr addition, the Newberry addition, the Cargile addition and possibly some others. This of course is very unfair to the town. We have no corporate city limits. Our only limits to the town are those set by the limits of the original townsite plus the additions of the townsite.

The plan as devised by the census head would omit approximately 750 people. We have enough trouble showing that our town is a thriving little community without showing a loss in population over the last census or omitting a good 750 people from the population.

A wire to Rep. Ken Regan signed by the Times, the Lions and Rotary Clubs and W. W. Sudduth, County Democratic Chairman, was dispatched Wednesday in hopes that His Honor will do justice to Sanderson and to the census.

DRYDEN NEWS—

Mr. and Mrs. Bill Dunn have returned to their home in Pie Town, N. M., after visiting Mr. and Mrs. Raymond Farley and Mr. and Mrs. A. A. Shelton in Sanderson. Odessa To Be Host To 16th District Conclave Of American Legion

JOHNNY CROOKS

Several local Legionnaires plan to attend the annual spring convention of the 16th District in Odessa this week end, according to Troy Druse, commander of the local post.

The three top-ranking officials of the American Legion in Texas will be guests and on the program when the conclave gets under way there Saturday. John F. Crooks, 16th District Commander, will preside at the meetings to be held Saturday and Sunday.

To be on the program will be Joe Sparlock, Fort Worth, state commander; G. Ward Moody, Austin, state adjutant and Mrs. A. J. Breaux, Beaumont, state president of the auxiliary. Two full days of business and entertainment have been arranged by the local post.

Belated Trophy For Local Softball Team Arrives From Alpine

Last week a trophy for the Sanderson softball team that played in the tournament in Alpine last summer was delivered to C. G. Riggins, president of the Lions Club, sponsoring organization for the team. The team won second in the tournament, losing to the Holland Drug team of that city. The local team met Fort Stockton in their first game and won; going on to meet the Holland Drug team in a defeat of 1-0 in the 11-inning thriller. The Sanderson team drew a bye in the semi-finals and again met the Alpine team in a double-elimination tournament. The Holland Drug nine won that game by a decisive score and were the tournament champions.

The trophy is about 12 inches high and has a softball batter on a plastic base. Engraved on a plate on the base is "Runner-Up First Annual Big Bend Softball Tournament Alpine, Texas, Sanderson All-Stars."

W. W. Sudduth managed the team.

Graveside Services For Martinez Infant

Graveside services were held Wednesday afternoon for Pedro Martinez, month-old son of Mr. and Mrs. David Martinez. The infant was taken to a Fort Stockton hospital Sunday after he became critically ill and died at five a. m. Wednesday.

Besides the parents, five brothers and sisters survive.

Mr. and Mrs. Gene Litton left Friday for New York City and will sail May 4 on the Isle de France for LeHavre and go from there by rail to St. Claude. Mrs. Litton's home. They also plan to make several side trips to places of interest including Geneva, Switzerland.

Mrs. Litton, a war bride, came to Sanderson four years ago and this is her first trip to visit her family.

SP SERVICE CLUB TO MEET FRIDAY NIGHT

The S. P. Service Club will meet at the Masonic Hall for a games party Friday night at seven-thirty. All members are urged to attend.

H. J. Shows of Foley, Alabama, is visiting with his son, M. E. Shows, and family.

Mrs. W. G. Downie and Mrs. James Kerr Win Grand Sweepstakes In Fourth Annual Flower Show Here

Mrs. W. G. Downie was winner of the grand sweepstakes in the specimen class with her tulip as the outstanding specimen at the fourth annual Flower Show sponsored by the Sanderson Garden Club Friday afternoon at the Masonic Hall. Mrs. James Kerr was winner of the grand sweepstakes in the arrangement class with her arrangement "Something Old" acclaimed as the most outstanding.

Large crowds were in evidence at the show with the theme "A Spring Wedding," which was open to the public from three to seven p. m. Hostess duties were shared by club members who also presided at the register. Tea and cookies were served from a lovely lace-covered table which was the table arranged for the announcement tea by Mrs. T. R. Arrington.

Out-of-town judges were Mesdames Henry Horn, Paul Poag and Gordon Walton of Del Rio.

A scarcity of roses in the ornamental specimen classes was noted but many specimens were disqualified because of foliage that was diseased or insect-eaten. In the rose specimens, ribbons were awarded to Mesdames J. W. Fate, and Jim Kerr for first place, Mrs. J. W. Happle, second place and Mrs. W. G. Downie, third. Second place awards were won by Mesdames S. H. Underwood and Jim Kerr for three to six-stem specimens and Mrs. James Kerr, third place.

In the bulbs, corns, and tuber class, Mrs. W. G. Downie was winner of first and second place on tulips, first on Dutch iris and first, second and third on daffodils; Mrs. H. E. Ezelle, third on tulips; Mrs. James Kerr and Mrs. James Happle, second on bearded iris; Mrs. T. R. Arrington, first on collection of bulbs.

Mrs. T. R. Arrington won the first award on pansies and pinks and Mrs. Bill Cochran second on pansies; Mrs. J. W. McKee, second and third on carnations; Mrs. J. W. Happle, first on poppies and second on daisies; Mrs. Jim Kerr, first on columbine; Mrs. R. C. Haley first on daisies. These were entries in the perennial class.

In the annual class, Mrs. Jim Kerr won first award on petunias and Mrs. Bernard Kerr second on babylocks and sweet peas. Mesdames James Kerr, T. R. Arrington, J. W. McKee and H. A. Smith won the awards in the potted plants class. Mrs. J. N. Kerr, Jr., won three ribbons in the ivies class and Mrs. Downie one ribbon on third place.

In the arrangements exhibits, Mrs. Jim Kerr was winner of first place for "Something Old" and "Bridal Bouquets"; Mrs. T. R. Arrington second in "Bridal Bouquets"; first in "Bridesmaid's Dresses"; Mrs. H. J. Rowlett, Jr., third place in "Something New"; Mesdames Herman Couch and R. C. Haley first in "Something Blue" and Mrs. Downie second in the "Bridesmaid's Dresses" division.

Georgia and Cookie Stone placed first and second in the "Flower Girl," children's arrangements, with honorable mention going to Bob and Don Little.

The "Invitation Class" or bridal tables, probably drew the most comment and interest. The table, complete in decorations and appointments, were arranged on the main floor. Mrs. Arrington's "Announcement Tea" won third place; Mrs. Frank Warren's "Spinner Dinner"; third; Mrs. H. J. Rowlett's "Morning Coffee"; third; Mrs. J. W. Stone's "Pottery Shower"; first; Miss Billie Corlier's "Summer Supper"; first; Mrs. Downie's "Wedding Reception" and "Cocktail Party" first; Mrs. Pate's "Stag Dinner"; first; Mesdames R. S. Wilkinson's and W. R. Cochran's "Honeymoon Breakfast" and "After-Dinner Coffee" first; Mrs. Charles G. Riggins' "Crystal Shower"; third; Mrs. O. T. Sudduth's "Bridge Luncheon"; second; Mesdames Joe Little and E. E. Farley's "Kitchen Shower"; first; Mrs. J. N. Kerr, Jr., "Rehearsal Dinner" and Mrs. S. L. Sumberg's "Bridge - Luncheon"; second.

The quantity and quality of specimens and arrangements in each show is always a surprise to those attending and this year's show was no exception in this respect.

The Girl Scouts of Troop 3 met Wednesday afternoon at the Scout House. Officers were elected to include chairman, Terry Thorn; secretary, Anna Lea McDonald; refreshment chairman, Mary Keyes; program chairman, Carol Dean Davis; historian, Loyce Fay Thorn.

Refreshments were served by Carol Dean Davis after the girls had worked on artwork.

Mr. and Mrs. Ray Caldwell, longtime residents of Sanderson, moved their household furnishings to El Paso Thursday. They have purchased a home there and he will be a passenger brakeman between El Paso and Sanderson.

Bobby Lee McCue, formerly of San Antonio, is now residing in Sanderson with his parents, Mr. and Mrs. Lee McCue. Miss Doris Cottrell accompanied him here for a visit in the McCue home.

FRANK WEIGAND ENTERS RACE FOR COMMISSIONER

F. M. (Frank) Weigand this week authorized the Times to announce his candidacy for the office of County Commissioner, Precinct 1. Mr. Weigand stated that his friends had urged his candidacy and he had consented to enter the race after much consideration.

Mr. Weigand has been a resident of Sanderson since 1926. He is the owner of Frank's Beauty Rest Courts and Frank's Super Service here, besides dealer for Pontiac, automobiles and GMC pickups and trucks.

The candidate told the Times representative that if the voters see fit to place him to the office he will endeavor to manage the affairs of this precinct and of the county in an economical manner and will strive at all times to look after the interest of the citizens in all his undertakings in that office.

Local Men Take Exhibits to Rock and Mineral Show

Murray Hill and L. M. Stanley attended the convention of the State Mineral Society of Texas in Austin last week. Along with exhibits of rocks and minerals from Texas and other parts of the United States, exhibits were also displayed from Russia, Alaska, Australia and Germany.

Mr. Hill took an exhibit of red Texas plume to the show and Mr. Stanley, along with a similar exhibit, took numerous specimens that were cut and polished. Both men were invited to enter their exhibits in the El Paso show next month and in Chicago in July.

Mixed Train Service Between San Angelo and Fort Stockton

On Wednesday the Santa Fe inaugurated its first mixed train service between San Angelo and Fort Stockton. The service supplemented the motor train which made the trip between the two towns once each day, each way, and were recently discontinued with the approval of the Texas Railroad Commission.

Under the new schedule, trains will leave San Angelo at 7 a. m. and arrive at Fort Stockton at 4 p. m. The train will leave Fort Stockton at 8 a. m. and arrive in San Angelo at 5 p. m.

Bids have been advertised for mail to be carried by trucks between the two towns and contract for such service will probably be awarded in the near future. The truck will leave San Angelo early in the morning and return late in the afternoon.

FOOTBALL FIELD TURF TO RANK TOP IN DISTRICT

A visit to the local football field will reveal to local citizens one of the most beautiful turfs of grass to be seen in this part of the country. The improvement on the football field has been under the personal direction and supervision of Supt. J. G. Barry and Coach M. H. England.

When Supt. Barry arrived in Sanderson last July among one of his first projects was the proper complete sodding of the football field. Several truckloads of grassburrs, weeds and trash were hauled from the field and Barry stated that almost constantly one or more men has been working on the football field, making sure that proper sodding was done, and that the grass received water in the spots where it was most needed. Immediately after the close of the football season last year fertilizer was scattered all over the field in a thickness of approximately 2 inches and some filling in was done before sodding was begun in the completely bare and thinly-sodded areas. The grass is now almost completely solid out to the end zone and is growing out to the cables on the sidelines.

A walk over the field will reveal a cushion with a noticed give to the step. This cushion will aid the boys in their activities on the field and will soften the otherwise harder falls and bruises that were encountered last year and in years past on completely unsodded fields.

A plush green carpet set in a natural bowl, all built and kept up through the efforts of the superintendent and football coach, is expected to rank tops in the gardens of the district and among the finest in this part of the country by kickoff time September 22, the date of the opening home game for the Eagles.

Dry Cleaning Service Added To Laundry

After extensive repairs and renovations to the building occupied by Slade's Steam Laundry, a cleaning and pressing department was opened there this week with Jose Villareal in charge. New equipment has been installed and Mr. Slade stated that all types of dry cleaning would be available and satisfaction guaranteed.

The cleaning plant is in the front of the building to the south with the helpy-seify laundry moved to the back.

Eagle Baseball Team Wins Two, Loses One Game This Week

The Sanderson Eagles baseball nine won two games last week against Iraan and Marathon. Both games were played here and the scores ran into totals more near those anticipated for football. The game with Iraan ended 25-12 and with Marathon 32-0. Sanderson used all pitchers available in both games to give them necessary practice at hurling and in an attempt to hold down the scores.

Tuesday of this week the Eagles went to Alpine to meet that team and lost the game 17-16. The Eagles started off with 13 runs in the first inning and held a substantial lead until the last frame when Alpine brought the winning run across the platter. Coach J. G. Barry said even with the tremendous number of errors on both teams it was a phenomenal game from the spectators' standpoint but certainly a hard one to lose from the point of view of the local boys.

Wednesday of next week the boys will go to Iraan and Friday Marfa will play here.

CANCER DRIVE SHORT OF QUOTA

With only three days left to run, the Terrell County cancer drive is still \$215 short of its goal, according to W. G. Downie, chairman.

In a statement yesterday, Downie expressed his appreciation to those who had contributed to the local drive, and urged all who have not yet made a donation to mail their checks to him or take them to the Sanderson State Bank.

Terrell County's quota in the 1950 cancer drive is \$407; to date only \$192 has been raised. Those desiring to contribute change to the drive in lieu of checks or currency may do so by placing their contribution in the specially-designed transparent coin drops. These receptacles are situated in Spears Drug Co., Jimmie's Steak House, the theatre and in the bank. They will remain in these locations until the end of next week. Downie urged all persons wishing to make small donations of 1.00 than one dollar to utilize these change boxes.

Donations will be accepted at the bank until Saturday, May 6th. Troy Druse is treasurer of the Terrell County drive.

Goal of the 1950 drive in Texas is \$500,000. Of this amount, 60% will remain in Texas to finance cancer-detection clinics, cancer education, and treatment of cancer. Twenty-five percent will go to the national headquarters of the American Cancer Society to finance cancer research; the remaining 15% will be used for administrative purposes.

All contributors of one dollar or more are being mailed a 1950 membership card in the American Cancer Society. These cards list "Seven Truths About Cancer" and "Cancer's Seven Warning Signals."

The seven truths about cancer are as follows:

Cancer is curable. Cancer must be treated early. Cancer is not a disgrace. Cancer is neither contagious nor inherited. Pain is seldom a symptom of early cancer. Cancer does not cure itself. Most cancers give an early warning.

Cancer's seven warning signals are:

Any sore that does not heal. A painless lump or thickening. Irregular bleeding or discharge. A wart, mole or birthmark that suddenly starts to grow or change color. Persistent indigestion. Persistent hoarseness. Any persistent change in the normal bowel habit.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an

extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Following the roll call, during the business meeting the group voted to screen the windows in the fellowship hall. Mrs. R. S. Wilkinson, chairman of church extension, asked that those having clothing for the box to be sent to the orphan's home, be brought to her before May 1, at which time the box will be sent.

Mrs. C. C. Mitchell led the program for the afternoon, entitled "New In the Fellowship of the Saints." The church's new plan of work was discussed, as well as the theme for the year ahead, and ways of working out the theme. She closed the study with the Lord's Prayer said in unison.

During the social hour which followed, Mrs. N. E. Charlton, who is moving in the near future to Del Rio, and Mrs. Lee McCue, who expects to be away for a considerable time, were honored. Joan Byrd, accompanied by Mrs. R. S. Wilkinson, sang a number of songs and Mrs. N. M. Mitchell presented to each honoree a gift from the women-of-the-church. Mrs. Byrd served pineapple pie, coffee and tea to Mesdames N. M. Mitchell, H. E. Schroegler, Ernest Farley, C. C. Mitchell, E. F. Pierson, W. H. Savage, J. W. McKee, R. S. Wilkinson, A. W. Pope, Joe Nichols, W. E. Grigsby, N. E. Charlton, R. Colclough, and Miss Doris Cottrell of San Antonio, and Miss Joan Byrd. Pictures were made of the group.

Mrs. N. E. Charlton Honored With Tea By Eastern Star

Honoring Mrs. N. E. Charlton, who is leaving soon to reside in Del Rio, the Eastern Star Chapter entertained with a tea at the home of Mrs. H. E. Ezelle Tuesday afternoon with Mrs. A. J. Hahn as assisting hostess. Arrangements of spring flowers decorated the party rooms. Signatures of the guests were secured by Mrs. J. W. Sessums. Mrs. Charlton was presented with a crystal console set as a going-away gift. The chapter colors of blue, white, yellow, green and red were noted in the epergne arrangement of spring blossoms on the refreshment table which was covered with a hand-crocheted cloth. Sandwiches, banana cake, coffee, iced tea and mints were served to about twenty guests who called during the afternoon.

Mr. and Mrs. David L. Duke, Jr., are pictured above as they cut the bride's cake at the reception following their wedding in San Antonio on March 23. Mrs. Duke is the former Miss Carol Collier of San Antonio, the daughter of Mr. and Mrs. G. H. Collier of Lakeland, Florida. Mr. Duke is the son of Mr. and Mrs. D. L. Duke of Sanderson. The young couple is residing in San Antonio.

Two Seniors Honored With Dinner Friday

Mrs. Chester Smith and Mrs. Greene Cooke honored Edwin Smith and Betty Cooke, spring graduates, with a chicken dinner in Fellowship Hall of the Methodist Church Friday evening.

A large bouquet in the class colors of red and white was on the serving table. The guests were seated at quartet tables. Following the dinner, Canasta was played until a late hour. Members of the Senior class, Mrs. W. H. Savage, class sponsor, and Mrs. C. P. Peavy, room mother, were invited guests.

Alfred Bendle, who had major surgery in a Del Rio hospital two weeks ago is recovering satisfactorily but will remain in Del Rio with relatives for several days longer.

His Punch is His Signature

Was on the train up to Central the other day and when the conductor came around, I asked why their ticket punches make odd-shaped holes in the ticket. "Every conductor in the country is a different design for his punch," he tells me. "Some even blow up a fellow's preferences, take mine. The hole it makes is like a beer goblet." Sure enough! Then he went on to say that the punch is just like a conductor's signature. Makes it easy to trace tickets... to check up something happens.

MORE SPACE FOR EVERYTHING!

..YOURS in a new ELECTRIC refrigerator

Don't go through another summer with a refrigerator that's too small. Trade it on a new ELECTRIC and have more space for everything.

Most 1950 ELECTRIC refrigerators provide up to one-third more storage space in the same or less floor space than models of just a few years ago. Some are cold clear to the floor.

And, of course, being ELECTRIC, they give you ample reserve power for the hottest summer weather plus low cost of operation that's measured in pennies per day.
