LISTEN TO LUKE

Things have changed somewhat since the last attempt at this column. The Korean situation has become acute. We were, in a manner of speaking, raised to believe that we would reap what we sow. The time is now at hand when we can see the accuracy of that philosophy. This country has sown socialistic—not communistic—ideas for the past several years. When FDR dealt with Little Joe he should have known what would be dealt back to him. Then came Happy Larry and his "Queer Deal" to make FDR look like a piker. We were the result in what we now are dealing with. Even the President of the United States had to come back to Washington from his trips to help elect Senators who would help him in scattering the Johnson grass seeds of Socialism over the country.

It is high time that this country get to work and start at home by getting out those Socialistic doctrines that will ultimately lead us to Communism. If we have to stop Russia we should start by stopping its activities here at home and get after Little Joe's big bread.

On July 1 new officers will take over the responsibility of handling the affairs of the local Red Cross. This is being done in order that the duties of the group will be properly distributed and a more equal distribution of responsibility that no one person will have to do all the work. Mrs. McKee has been a willing and faithful servant of the organization for the past 32 years. She has done the job so long and so well that citizens expected her to carry on unaided the work of five or six individuals. This man wants to publicly express that we believe is the sentiment of the people of the county when they say we thank this good woman for her wonderful work and only wish we could feel that we had entrusted as well with whatever responsibility was entrusted to us.

Last week there was a club in a neighboring county embarrassed when raided by Texas Rangers. The Rangers purportedly found gross gambling paraphernalia and dice along with some so-called "arm bandits." A news story put the raid in another paper stated that "Ironically enough, the state and federal governments had issued licenses authorizing operation of the machines."

This column is not familiar with the gambling laws in the State of Texas but this particular club listed, we are told, members of the bar, including the District Attorney, County Attorney, County Judge and other lawyers of more than less reputation at the bar, who believe would know the law concerning gambling—the fact that it is sponsored by a club does not change the status of law violation—and those members should know if the law is being violated, since Rangers are not elected by the people, they do not have to look over the roster to decide if it would be ethical to make the raid or not. The peace officer who would do that is not worthy of the office of the majority, either. Nor do we believe that a person or an organization that is sworn to uphold the law and stand for the rights that are wholly within the law should be party to violation.

This column will always fight for the laws of the land. There is no place in our society of American citizens where Mr. So-and-so is above the law. If the law is so good it should be repealed, if it is a good law it should be enacted.

If the law prohibits gambling machines owned and operated by a club then it should be impossible to get a permit to own and operate machines. Our hats off to the Texas Rangers—they have enough to do to raid the highest ranking members of the state who violate the law.

In this issue of the paper there is a story warning holiday celebrators of the dangers to be entered over the week end and a number of deaths expected by accident. It seems pretty strange to tell the citizens of the state that so many of them will

LEMONS TO HEAD LOCAL RED CROSS

Lewis Lemons, local cafe man, was chosen to head the Red Cross unit in Terrell County at a reorganization meeting of members of the unit at the courthouse last Thursday afternoon.

Miss Melba Turf, district Red Cross supervisor, was here for the meeting. Old officers had moved away and the unit has been in operation for some time with only a chairman and volunteers who assist in various phases of the work. The reorganization was necessary, Miss Turf stated, in order to get the unit to function properly.

Mrs. J. W. McKee, past chairman, has worked faithfully with the local unit for the past thirty-two years in various capacities. She was relief chairman for a number of years and has served as chairman for the past twelve years. Her work has been carried on almost unassisted for the past two years and the burden of all the officers was placed on her willing hands. Terrell County owes much to the untiring efforts of Mrs. McKee in the work she has done here for the Red Cross.

Besides Mr. Lemons as chairman, the group elected Hal Rowlett, Sr., and J. A. Gilbreath as board members. W. W. Sudduth vice-chairman; Mrs. Jettie Peavy as secretary-treasurer. The relief chairman and other appointive officers for the unit have not been announced.

The new officers will assume their duties on July 1.

DISTRICT COURT DISPOSES OF LIGHT DOCKET

Last Friday District Judge Roger Thurmond and Court Reporter Belle Sutherland of Del Rio were in Sanderson to dispose of cases in the district court.

Divorce decrees were granted in the cases of Norma Lee Swift vs. Lawrence Wall Swift, divorce and custody of child; Mary Adele Mayfield vs. George Henry Mayfield, divorce and property settlement; and Herminia Bustos vs. Segrifredo Marquez Bustos, divorce.

A petition seeking removal of disabilities of coverture was granted Mrs. Helen Downie Bondurant.

Welfare Unit Of El Paso Seeks Adoptive Homes

Miss Margaret Arrington, senior child welfare worker for the El Paso City-County Child Welfare Unit of El Paso, was in Sanderson last week visiting her parents, Mr. and Mrs. T. R. Arrington, and while here Miss Arrington talked freely with the Times in reference to the number of Latin-American children under the care of that organization.

"We have some bright beautiful children there who need homes," she said, "and there are some Latin-American families in Sanderson who could give these babies a fine home," she continued. "And they would brighten any home." Miss Arrington says the situation is becoming a real problem to authorities of the welfare unit, since there are so few of the children being placed in adoptive homes. Careful investigation is made in every case where application for adoption is asked, she said, so that children placed will be provided with proper care and adequate support.

Two Youths Admit Car Theft When Picked Up Here

Two boys, about 15 and 18, admitted the theft of a car in Del Rio Monday night following questioning by local officers after they were picked up here Tuesday afternoon. The boys were being questioned on suspicion and interrogation revealed that both youths had previous criminal records.

Deat David Neal, 18, Las Cruces, admitted having stolen cars five previous times, twice in violation of the Dyer Act; he was given a five-year suspended sentence in Marfa in 1949 and was paroled to his mother.

John Henry Pond, 15, Temple, was sentenced to Gatesville reformatory school until he became 21 and is out on furlough at the present time.

The boys admitted that they had stolen a 1940 Chevrolet in Del Rio Monday night and had driven the car to near the Cedar station east of Dryden where they abandoned it due to engine failure. They arrived in Sanderson Tuesday afternoon, according to their testimony.

Officers from Del Rio arrived Tuesday night to return the boys there to be charged with car theft.

Children Affected More Often Than Adults By Dysentery

Austin, June 28.—Commenting on the unusually high incidence of dysentery in Texas at the present time, Dr. George W. Cox, State Health Officer, described dysentery as being an infectious disease characterized by diarrhea, pain in the abdomen, and toxemia. It is caused by a specific bacteria. These germs cause inflammation of the lining of the intestinal tract which produces pain throughout the abdomen and the discharge of many loose stools that frequently contain blood and mucus. Toxemia results from absorption of the poisonous substances produced by the germs.

"The germs gain entrance to the body through the mouth," Dr. Cox said, "and make their way to the intestines in the same manner in which food does. When they reach the intestines they find conditions favorable to their growth and they establish themselves at the expense of the person infected and produce their harmful effects."

Dr. Cox warned that dysentery affects young children more often and more seriously than adults; frequently resulting fatally; however, he said, it may occur at any age. It is usually more prevalent during the summer season, and the great number of cases now being reported are unusual for this early in the season.

"The germ is always expelled with the excreta of persons sick with dysentery and may continue to be expelled for some time after the patient recovers from the disease. These persons who still discharge the germs after they recover are called carriers, and they occur more frequently in this disease than in the majority of other infectious diseases."

"Food protection and adequate sanitary measures are more urgently needed now than ever before if we control the potential possibilities of epidemic dysentery in this state."

Grass Fire Calls Out Volunteers

Reed Making Vigorous Race for Lt. Governor

W. O. REED

A state government, like a family, should live within its income, W. O. Reed, former Speaker of the Texas House of Representatives, declared this week as he vigorously pushed his campaign for Lieutenant Governor.

Reed, who is now serving his ninth consecutive term in the Legislature from Dallas County, is well qualified to speak with authority on economy in government, for he has actually done something about it.

He was the author of the pay-as-you-go law which put Texas on a cash basis and prevents the Legislature from spending money it does not have. While Reed was Speaker in 1947-48, he directed legislation which resulted in a surplus of over \$90,000,000 in the general revenue fund at end of the term.

"Additional taxes are not the answer to the rising cost of government," he declared. "I am definitely opposed to any kind of a general sales tax, income tax or gross receipts tax."

"I firmly believe that if common sense and practical business economy are used in running our state Texas can halt the runaway cost of governmental expenditures."

Reed, who is the oldest member of the Texas Legislature in point of service, is an attorney who worked during the day and attended school at night to obtain an education. He co-sponsored and actively supported the Veterans Land Law.

As a candidate for Lieutenant Governor, Reed has declared that he will support a more efficient, long-range farm-to-market road program; legislation to make Texas highways safer; the development of our soil and the conserving of the water supply of Texas, to aid our parched towns, farms and ranches; continued support of rural electrification and rural telephones for our farms and ranches.

"As your Lieutenant Governor," Reed stated, "I pledge that I will strive to give the people of Texas the same progressive debt-free government that I helped direct when Speaker of the House of Representatives in 1947-1948."

FIREMEN SHUT OUT RAILROADERS IN THRILLER MONDAY

The undefeated Fire Department team took the Railroaders to a 3-0 shutout Monday night when the two fast teams met in league play on the local softball field.

Spectators witnessed the best game of the season when Smith, wrong-hander, let the game go the full seven innings allowing only two hits and no runs. Agricola, on the hill for the railroaders only issued three hits but lacked the backing which permitted the three unearned runs on errors and boners.

Both pitchers did a good job and with good fielding would have had a no-run tie when the seven frames ended. David Thompson, for the Firemen, led the field in hitting when he rang up two safeties for three trips. He also brought in two of the runs for the team. Eddie Leatherwood brought in the other run after he got on with a hit, was advanced by a hit by Hogg and scored when Smith went to first on an error that should have headed the run off.

Stewman hit for a safety in the fifth and Cowan hit once in the sixth to account for the only two hits garnered by the Railroaders.

The Railroad battery was Agricola and Agricola.

Friday night the Top-notch Firemen will meet the Lions Club.

A home run by Sudduth in the sixth inning saved the Lions ball team from a humiliating shut-out in the game Friday night when they faced the American Legion nine. The Legion piled up 14 runs against the one for the service club.

Pitcher E. Harkins, while holding the Lions to a mere three-hit session was unable to hit for his team. Usually consistently hitting Harkins failed to connect for a safety during the game. James Kerr led the winners in hitting when he got three for four trips to the plate. Sudduth, besides the circuit clout, garnered one more hit to bring his batting for the game to .666. Branscum, second baseman, got the other hit for the Lions.

Sullivan started the mound duty for the losers and was relieved in the third by Pate. Both twirlers for the Lions were wild and gave up eight walks between them. Harkins didn't allow a free base during the game and his team committed only one error. Harkins struck out four. Sullivan struck out two in three innings and Pate made six go down swinging in the three halves he served on the hill.

Garden Vegetables Prove Prolific In Home-Grown Garden

Vegetables of the finest quality were exhibited in the window of The Sanderson Times this week. Beets and carrots were given to The Times families by Ruel Adams to show that fine edibles can be profitably grown here.

Mr. and Mrs. Adams have a plot of ground where they have planted rows of squash, beans, peas, beets, carrots, tomatoes and peppers. As one row of beets, for instance is ready for harvest, there is another coming on so that the supply of each of the vegetables will be available for the table until frost finishes the venture.

Mr. Adams stated that they had enjoyed the garden-fresh vegetables for some time already and have promises of sufficient quantities to last the remainder of the summer. Besides all they need for the table at home, Mr. Adams stated that more than enough have been sold to pay for the water bill required for irrigation.

The plot was dug deep with a pick and, with a load of fertilizer worked into the dirt last year, has proven prolific beyond his expectations, he said.

Harrison-Cooke Nuptials In Presbyterian Church Sunday; Couple Starts Wedding Trip

In a single-ring ceremony at four o'clock Sunday afternoon at the First Presbyterian Church, Rev. Clifford Spencer, pastor of the Baptist Church, directed the recitation of marriage vows when Miss Doris Lee Cooke, daughter of Mr. and Mrs. Greene Cooke, became the bride of Stillman Dudley Harrison, son of Mr. and Mrs. John Harrison.

Graceful sprays of Boston fern decorated the triple windows in the background of the nuptial space. Floor baskets of gladiolus and majestic daisies in pastel tints were in the foreground with white tapers in the tall candelabra arranged to either side. The altar rail was entwined with huckleberry and statice.

Mrs. R. S. Wilkinson, organist, provided the traditional wedding music, including "Traumerel" by Schumann, played softly during the ceremony, and the accompaniment for Miss Margaret Gregory to sing "Because" as a pre-nuptial solo.

The candles were lighted by John Woodward of Sanderson and Jack Buchanan of Big Spring.

Given in marriage by her father, the bride wore a gown of imported white organdy with small buttons down the front of the fitted bodice with long sleeves. The top skirt of the double-tiered bouffant skirt over white taffeta was hand-embroidered in a dainty floral motif with a delicate tracery of yellow. Yellow linen shoes completed her ensemble. Her shoulder-length veil was caught to a halo of small yellow blossoms with a sprinkling of the same flowers over the veil. A yellow-throated orchid centered the main puff showered with lilies of the valley to form the bridal bouquet.

Miss Betty Cooke, the bride's sister, was maid of honor and the bridesmaids were Misses Betty Ann Peavy of Sanderson, Mona French of Odessa, Minnie Westbrook of Sonora and Bobbye Nell Adams of Lakeview, the latter three being fellow students of the bride at Texas Tech College. All wore blue organdy gowns, fashioned similar to the bride's and their headresses were tiaras of daisies with mist-dawn lace. The dainty bouquets were of Marguerite daisies.

Serving his brother as best man was Jimmie Harrison. Ushers were Marshall and Bobby Cooke, brothers of the bride, Will J. Murrain and Pitsy Magill.

Immediately following the wedding, an informal reception was held in the Fellowship Hall at the Presbyterian Church. Mr. and Mrs. Cooke, Mr. and Mrs. John Harrison and Mr. and Mrs. Dudley Harrison formed the receiving line.

The bride's table was laid with white net over a white satin cloth which was caught at intervals with nosegays of pale yellow daisies. The three-tiered wedding cake was decorated in pink rosebuds and topped with a miniature bride and broom.

Mrs. John W. Byrd, Mrs. Jet-tie Peavy and Mrs. Felix Harrison of Del Rio served the cake and the punch was served by Mrs. O. H. McAdams and Mrs. Hugh Rose.

Miss Betty Cooke registered the guests in the bride's book. For her going-away costume, the bride chose a beige suit with brown accessories. Her hat was of beige felt decorated with a dash of green and melon.

Upon returning from their wedding trip, Mr. and Mrs. Harrison will be at home on the John Harrison ranch south of Dryden.

Mrs. Harrison is a graduate of the Sanderson High School and attended Sul Ross College, Mary Hardin-Baylor College and Texas Tech College where she received her B. A. Degree in June. She was a member of Alpha Psi Omega.

Mr. Harrison, also a graduate of the Sanderson High School, attended Texas Tech College and is now engaged in ranching.

Mr. and Mrs. John Harrison were hosts for the rehearsal supper Friday evening at their home following the rehearsal. The banquet table was laid with a white linen cloth and the centerpiece arranged in a pottery bowl was a miniature bride and groom standing in a wedding ring and surrounded by calla lilies and daisies. The yellow and white color scheme was further emphasized in the pansies decorating the place cards.

The supper was served buffet-style and the toast to the bridal pair was given by Jimmie Harrison.

Guests included Misses Doris Cooke, Betty Cooke, Bobbye Nell Adams, Minnie Westbrook, Monta French, Betty Ann Peavy, Margaret Gregory, and Peggy Sue Cooke, Mr. and Mrs. R. S. Wilkinson; Bobby and Marshall Cooke, Pitsy Magill, Will J. Murrain, John Woodward, Jack Buchanan, and Dudley and Jimmie Harrison.

Long of Del Rio, grandparents of the groom; Miss Edith Long, Mr. and Mrs. S. Y. Long and daughter, Mary Kay, Mr. and Mrs. Felix Harrison, Mr. and Mrs. Buzz Pusard and daughter, Mary Gay, Mr. and Mrs. Ed Long, Mrs. Bill Steward, Mr. and Mrs. Udo Sultenfuss, all of Del Rio; Clyde Hoyt, Sr., with his sons, Clyde, Jr., and Roland, of San Angelo.

Mr. and Mrs. Henry Mansfield, who have resided in San Saba for the past year, returned to Sanderson this week to reside.

Mr. and Mrs. W. W. Sudduth and Barbara left Thursday morning for a vacation trip. They expect to return next week.

Rev. Austin H. Dillon, pastor, officiated at the wedding of Miss Selette Barrow and Harold Lee Surratt at the First Methodist Church at Alpine Sunday afternoon at three o'clock, using the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. James Gordon Barrow of Alpine and the groom is the son of Mr. and Mrs. Chester L. Surratt of Sanderson.

The altar space had an oblong arrangement of white gladiolus in the background with floor baskets filled with the same blossoms and tall candelabra holding white tapers arranged to each side. The altar rail was entwined with maiden-hair fern and sprays of bridal wreath tied with white maline bows were placed at intervals.

The candles were lighted by J. M. Harrell.

The bride, given in marriage by her father, wore a gown of white Chantilly lace, fashioned with a high neck and Peter Pan collar. The fitted bodice was trimmed in tiny self-covered buttons to the hip-line with long leg-o-mutton sleeves extending in calla points to her hand. The softly gathered skirt fell in a graceful cathedral train. A finger-tip veil of bridal illusion falling from her tiara completed the bridal costume. She carried a white Rainbow Bible with decor of a white orchid and stephanotis tied with white satin streamers. For something old she wore a wide gold wedding band inscribed "Edgar to Alma, June 30, 1890" and belonging to her maternal grandmother.

Attending her sister as maid of honor, Miss Galle Barrow wore a ballerina-length gown of green organdy over satin and carried a colonial bouquet of white daisies.

Miss Glenna Maude Russell of Dallas, the bridesmaid and cousin of the bride, wore a similar gown and bonnet of yellow organdy and carried yellow Marconi daisies. The slippers of the attendants were tinted to match their gowns.

Arliss Carole Barrow, little cousin of the bride, wearing a gown of white organdy with inserts of eyelet and a halo of flowers, scattered rose petals from a white basket down the bridal path.

Aubrey Harrell of Sanderson served as best man and ushers were Jimmie Harris and J. M. Harrell of Sanderson and Gerdine Barrow, brother of the bride, of Alpine.

Miss Selette Barrow, Bride Of Harold Surratt In Sunday Ceremony In Alpine Church

Mrs. W. I. Winters sang "Because" and "The Wedding Prayer". Mrs. Austin Dillon who provided pre-nuptial music also played the traditional wedding music and provided the accompaniment for Mrs. Winters.

Immediately following the ceremony, a reception was held in the undercroft of the church. The refreshment table, which was lace-covered, had an arrangement of gladiolus for the centerpiece and a massed arrangement of the gladiolus was in the background.

The bride's cake, a three-tiered confection, was topped with a colonial bouquet and served by Mrs. Clinton Barrow. Punch was served by Mrs. Tommy Barrow.

For her going-away costume, the bride was attired in a natural linen suit with black patent accessories, a hat of natural straw trimmed in red and red gloves.

After a trip to Colorado and Arizona the couple will be at home in Alpine where Mr. Surratt will attend Sul Ross College.

Mrs. Surratt was reared in Alpine, graduating from the Alpine High School and attending Sul Ross College for two years. She represented the college as a princess to the 1950 Sun Carnival in El Paso.

July 29 Date Set For Marriage Miss Harriet Ann Pierson to Julian Kight Lane of Dublin

The engagement and approaching marriage of Miss Harriet Ann Pierson was made Friday afternoon when Mrs. E. F. Pierson, her mother, entertained with an informal tea at the home of Mrs. J. W. McKee who assisted with hostess duties.

Miss Pierson wore a black sheer afternoon dress and a corsage of white daisies and stood in the receiving line with the hostesses to welcome the guests.

Colleen Pierson secured the signatures of the guests for the bride's book placed on a table centered with an arrangement of asters in pastel shades.

A green and white color scheme was noted in all of the decorations and refreshments. The lace covered tea table was centered with a silver epergne holding Shasta daisies and silver lace vine and white tapers burned in silver holders on each side.

The news of the betrothal was cleverly revealed on the little scroll on which was written "Kight and Harriet, July 29, 1950" and concealed in the heart of each white rose which formed the arrangement at one end of the table. Green lettering on white satin streamers gave the message "Daisies won't tell, but roses will." Mrs. H. E. Schroegler placed a rose on each plate.

"Kight and Harriet" was inscribed on the corner of the napkins in the chosen colors.

Mesdames A. W. Pope, J. W. Byrd and W. H. Savage alternated at serving the punch which was ladled from a cut-glass bowl placed at the other end of the table.

Incidental music was furnished by Miss Mary Nell Higgins during the tea hours from three to six o'clock.

Mr. and Mrs. J. C. Hoelter visited here with friends last week. They were en route to Missouri to visit with her relatives until September when he will report to the Houston hospital for further treatment.

From where I sit... by Joe Marsh

Maybe This'll Wake Us Up!

Because a couple of thoughtless drivers threw a newspaper out of their car yesterday, Miss Gilbert, our school principal, nearly had a bad accident.

She was following them on the highway and the paper flattened over her windshield, so she couldn't see. In a minute her little coupe was across the line—right in the path of an oncoming trailer-truck. It missed... but only just!

The parties were recognized and soon as I heard about it I ran over to Sheriff Harper—demanded they be brought up on charges. But

Harper says: "Hold on, Joe. Let's talk this out, over supper and a glass of beer at Andy's."

He pointed out that those men aren't criminals. Just careless, like a lot of us seem to be getting these days, judging from the trash you see along roadsides. From where I sit, this near accident may be the lesson we need to make us stop littering our roads—and start showing a little tolerant consideration for our neighbors!

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is ... YES!

Union leaders' answer to Board is .. NO!

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY — although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board — another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board — in defiance of the facts — and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart — forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

- Chicago Great Western Railway Company
- Chicago, Rock Island & Pacific Railroad Company
- The Denver & Rio Grande Western Railroad Company
- Great Northern Railway Company
- The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt At Dictatorship is "NO!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is — "NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Dept. of Public Safety Warns People Of Holiday Accidents

Once each year, we people of America pause from our every day work and take time out to celebrate our National Independence Day. Many years ago, a group of brave men gave their lives that we might enjoy this land of ours without fear for the safety of our lives and personal liberties.

On the 4th of July of each year, our pleasures of the holidays take a heavy toll upon us and our loved ones. Hundreds of people die a violent death due to accidents of every imaginable type. On a day of pleasure and joy we compile a terrific record of death and destruction because of the lack of a little planning and care on the part of each one of us.

Advertisement for Sanderson State Bank featuring a check and the text 'IT'S EASY TO PAY BY CHECK'.

We people of Texas can expect at least 100 of the citizens of our state to meet a violent death over the holiday week end, from Saturday through Tuesday. Out of that ill-fated group of men, women and children, approximately 36 will die in traffic accidents on our streets and highways. Drownings, firearms, fireworks, homicides and suicides will all make their toll upon the people of Texas.

Each person expects to have a day of pleasure on the 4th of July. It has grown to have that meaning in the minds of each of us and we fail to remember that our holiday might be spoiled by an accident or tragedy involving either ourselves or one of our loved ones. The best insurance against accidents is to use care and precaution in all daily activities, regardless of how simple they may seem.

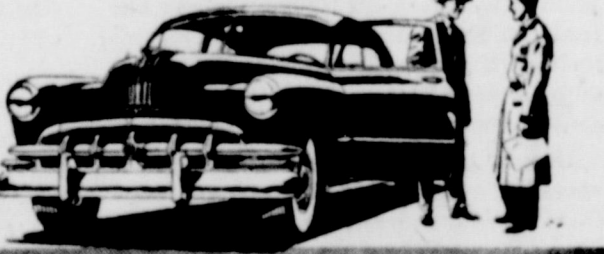

Mr. and Mrs. Harvey Rogers and little daughter of Valentine visited here with his parents, Mr. and Mrs. Charlie Rogers, Wednesday and Thursday.
