

Burglars Strike Farwell Firm

Over \$4,740 Taken From Helton Oil Co.

THE WRECKAGE. . . Joe Helton shows Tom Atkins, deputy sheriff, the broken filing cabinet which burglars pried open and removed \$239.50 Sunday night. The door to the top drawer was completely removed from the cabinet.

The first major burglary in Farmer County this year occurred Sunday night as thieves broke into the Helton Oil Company in Farwell and made off with a truck loaded with several hundred dollars worth of tires and accessories.

A total of 104 passenger car tires, two battery chargers, a marine type battery, several boxes of Champion spark plugs, a portable typewriter, \$239.50 in cash and a red and black 1955 Ford truck with a grain bed was reported missing.

Including the value of the truck, \$4,741.93 was reported as the value of all goods taken after an inventory was completed, according to Tom Atkins, deputy sheriff.

Entrance to the building was

gained by breaking a window in the automobile service door. The burglars are thought to have crawled through the broken window, opened the big door and carried the merchandise out to the parked truck.

The cash was taken from a fireproof filing cabinet in the office of the company. A large screwdriver was used to break open the cabinet, officials reported.

A new shipment of tires was unloaded at the company warehouse Saturday morning. Most of the new shipment and some of the tires already in stock were taken.

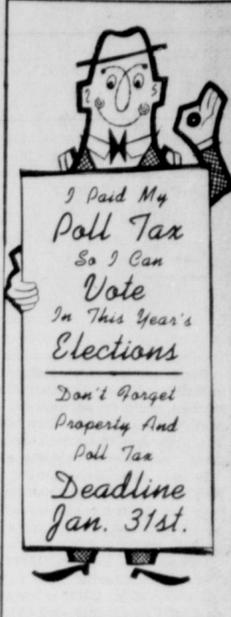

A heavy chain was used to secure the gates of the high wire fence around the company yard. The thieves sawed a link in the chain with a hack saw to provide an exit for the truck.

Several flood lights bathed the building and yard with light during the burglary, officers reported.

The truck was carrying New Mexico license No. 5-3094 and has not been located.

The Sunday burglary was the first theft reported at the company since the present quarters were occupied 13 years ago.

Law officers throughout the panhandle and eastern New Mexico were seeking information which would lead to the recovery of the truck and equipment this week.

LCC President Lectures Here

President of Lubbock Christian College, F. W. Mattox, will deliver lectures on the subject of "Communism vs. Christianity" at the High School Auditorium Feb. 4 and 11 at 3 p. m.

Mattox will be conducting a program at the Church of Christ during the week. His two lectures will be under the sponsorship of the Lions Club, P-TA, American Legion and Chamber of Commerce.

2 Clubs Launch Poll Tax Roundup

Lions Club and Progressive Study Club members will launch an all-out canvass of the area in an effort to persuade all eligible persons to obtain a poll tax receipt Saturday.

Each Lion member will be asked to encourage each employee connected with his business to pay the poll tax. In addition, Lions will furnish transportation to the tax office for those who could "use

the lack of a vehicle as an excuse for not paying the tax." The Progressive Study Club members will make a multitude of telephone calls during the day and try to remind as many people as can be reached that the deadline for paying the poll tax is fast approaching. The two clubs will work together in an effort to reach the maximum number of people.

Bill Clayton In Race For Representative

Bill Clayton, farmer and businessman from the Springlake Community in Lamb County, has announced that he will campaign and seek election as State Representative of District 91, composed of Farmer, Lamb, Bailey, Castro, and Deaf Smith Counties.

Clayton, a resident of Springlake for the past 31 years, is a graduate of Texas A&M, is a well-known civic leader in Lamb County and was the county's delegate to the National Democratic Convention in Los Angeles in 1960.

In declaring his intentions to seek election in the Democratic Primary for State Representative, Clayton said his main interest is to serve the District in respect to better government and sound financial management, with fairness to all. He said that he will strive to cooperate with all concerned in working for the progress and betterment of the District and State.

Clayton is married and has two children, Brenda, 10, and Tommy, 6. He is a Deacon and Training Union Director in the First Baptist Church at Springlake.

He has served as president of the Lions Club at Springlake, belongs to the Otton Masonic Lodge and has actively worked

BILL CLAYTON
In many farm and business organizations. Clayton said he will actively campaign and will try to see personally as many voters as possible in the District.

Flu Blamed For High Absenteeism

Classwork in several classes at Friona Schools was delayed last week because of a large number of absentees, officials reported.

The prevailing cause for the absentees was reported to be the "B" type flu which is not serious and will last only two or three days with proper treatment. Most of the flu victims are being treated on an outpatient basis by county doctors, it was reported.

"Full bed rest is the most effective treatment for the illness," stated Dr. Paul Spring, county health officer. Early resumption of activities has caused several persons to have a relapse, he explained.

Highest absence occurred in the grade school where 96 of the 487 students were missing one day.

Car Tag Sales Start Feb. 1

Purchase of automobile tags for 1962 will begin at the Tax assessor-collector's office in Farwell Feb. 1.

The numbers of the new tags will include numbers between 3650 and 7650. The tags will be black with white letters and will have a BZ prefix.

Lee Thompson, tax assessor-collector, stated that the car title and tax receipt for the previous year must be presented before new licenses may be issued.

Thompson also asked that county residents be reminded that the deadline for paying property and poll tax is Jan. 31. A 1 1/2 per cent penalty will be assessed after the deadline and will be increased each succeeding month.

Area Group Attends Gas Rate Hearing

A delegation of 17 men from Farmer County joined some 170 farmers from 13 neighboring counties in Austin Monday in an effort to assure passage of gas rate legislation.

The men are members of the Plains Irrigation Gas Users Association which has, for several weeks, been pushing for state legislation which would give farmers the same right of

appeal to the Railroad Commission as is afforded cities in cases of gas rate disputes.

Senate Bill 39, sponsored by Andy Rogers and Grady Hazlewood, passed the Senate Agriculture Committee and then the Senate last week.

The corresponding House bill was passed out of the House Agriculture Committee on a motion by Jesse Osborn Tuesday morning. A motion to suspend the house rules requiring a 24 hour delay between committee and house action was defeated by a vote of 83 for an

(Continued on page 2.)

to three under the present system. The periods will be changed from 10-11 a. m.; 2-4 p. m. and 7-9 p. m. to 2-4 p. m. and 7-8:30 p. m.

Several reasons are given for the change but more efficient care which the staff will be able to render patients is the main reason for the change, according to officials.

"Our increasing patient load has forced us to adopt a more restricted visiting schedule in order to provide the care which is due each patient," H. E. Barnett, administrator, said.

The change in visiting hours will not affect the cases when a member of the family is needed to stay with a patient such as in the case of a child who undergoes a tonsilectomy. Nurses will deliver notes and messages left at the desk at any time but visitors will be required to remain out of patients' rooms except during the prescribed hours.

"The new schedule will tend to bring our visiting hours more in line with that of other hospitals, I think the change will prove to be a big help to the

patients as well as the nurses and staff," Dr. Lee Spring commented.

The morning period was

Four Vocalists Participate In Regional Choir

Four Friona High School vocalists were among some 100 members of the All-Regional Choir which presented its annual concert in the Branding Iron Theater Saturday night.

Representing Friona were Karen Turner, Mary Ethel Wilson, Debbie Hawkins and Carol Coffey.

Members of the choir rehearsed for five hours under the direction of David Glissman from the University of Colorado before the concert.

Each school in the region was allowed to send four boys and four girls to the All-Region Choir providing both boys and girls were members of the school choir.

Shown above are the high school students who won ribbons and trophies in the Junior Livestock Show at Hereford last week. In the back row are Dennis Howell, Edwin Taylor, Cleatus Rhodes, Maynard Greeson, Floyd Reeve, Max Reeve and Jim Roy Wells. Winners in the front row, Mike Hand, Craig Coon, Donald Busby, Jerry Cass, George Rushing, Dwain Phipps, Joe Bob Johnson and Eric Rushing, Jr., did not have their prizes available for the picture.

Attendance Drops At PTA Meeting

Attendance dropped to an all-time low for the year at the PTA meeting last Thursday. Widespread illness was cited as the reason for the low attendance.

Mrs. Doyle Cummings, president, postponed the report of her trip to the state convention until the following meet-

ing scheduled for Feb. 15. Only about 40 people appeared last Thursday, according to Mrs. Cummings.

"Several of the parents were not able to come and see their children participate in the skit which was presented," Mrs. Cummings stated.

Elementary school students display the ribbons and trophies which they won at the Hereford Junior Livestock Show last week. Shown here are (standing) Bill Weatherly, Ricky Coon, Bubba Long, Gene Weatherly, Darla Howell, (sitting) Jim Bob Jones, Janie Lane and Risa Howell.

Friona Committee Seeks Two Exchange Students

The Friona American Field Service Committee will attempt to bring two exchange students, preferably a boy and a girl, to Friona for the next school term.

New officers for the committee were elected in a meeting in Superintendent Alton Farr's office Friday. The committee was first organized last year and was instrumental in bringing the first exchange student, Miss Ann Jensen of Denmark, to Friona.

Officers elected are Alton Farr, president; Mrs. Meryle Massie, homes committee

chairman; Meryle Massie and Mrs. Calvin Talley, homes assistants; Wallace H. Kirby, finances; Raymond Cook, school liaison; Baker Duggins, Americans abroad; and Mrs. Bill Sheehan, publicity chairman.

Any family interested in providing an AFS student with a home during the next year should notify Mrs. Massie or her assistants.

Qualifications for an AFS host family as set by the committee are: "A heart-large enough to share a portion with another

child from another land for a year--and probably forever.

"A mind--open to the different life and culture which the student will bring with him; Open to accepting the student for his differences and not for his similarities.

"Enough laughter and gaiety to shrink the problems which may come up and to strengthen the bonds of communication.

"Each of the parents must be at least 37 years of age. "The family must realize that the student will be a financial burden to some extent

during the year. In no case, is the family paid a stipend by AFS.

"If taking a student will provide a financial hardship for the family, they should not be considered."

Families will not be able to claim the AFS student as a deduction for income tax purposes since the Internal Revenue Services does not consider such students as "dependents." However, AFS students are covered by insurance for expenses from accidents and illnesses.

Each student receives a \$12 check for personal spending money each month.

The AFS student must have a bed of his own. He may share a room with another teenage member of the family. He should not share a room with a small child. The student needs a place to call his own for study and quiet pursuits. This is not possible if he is sharing a room with a child who, because of his age, needs a schedule different from the student's.

There is no rule which says there must be a child of the same age and sex as the stud-

ent in the home. This proves to be an advantage sometimes but just as often, rivalry results.

The cost incurred for each student is approximately \$1,000. Of this, \$650 is forwarded to the AFS center in New York to pay the student's travel expenses to this country, and furnish the \$12 per month for the student's allowance. The balance is for school supplies and incidentals.

Donations toward the project may be accepted by any of the committee members.

Necesitamos a una persona quien sabe hablar español y Ingles para ayudarnos con una clase de español aqui en Friona. Si usted interesa, visite usted conmigo aqui al periodico.

Spanish classes begin Feb. 11.

I am asking that all those persons who have shown an interest in learning the Spanish language to meet with me in the Meeting Room at the Hospital two weeks from Sunday at 5 p. m.

I hope to work out a suitable schedule so that everyone will be able to participate in the effort. I have enlisted the aid of 'Marty' Martinez to help with the organization and instruction but we still need some more help.

I would like to have the assistance of someone who is fluent in Spanish and can speak English. The ideal instructor (or at least an advisor) for the type project which I have in mind would be someone who speaks Spanish as a native language and is very familiar with English terms. Such a person would be an invaluable aid in smoothing out colloquial terms and pronunciations.

The object of the first meeting will be to determine a starting point and decide on the most desirable meeting time. I would like to see at least 20 people participate in the classes. I know of about 25 persons who have indicated an interest in the project.

I still think that we have some lousy telephone service--and so do a lot of other people.

I further think that Mr. Bob Saunders, district manager for General Telephone, had best turn some more of his attention toward getting new and/or operational equipment for this area or General Telephone Company will find itself with even more troubles in a short time.

This addition to General's troubles can come about in one of two ways: In all probability they will be looking for an increase in rates sometime in the not-so-distant future. If service is not brought up to par and kept there, I'm afraid that the city commission will turn a deaf ear toward any plea for a rate increase. And I don't think that promises of "improved services if . . ." will work again. There has been too much of that type of finagling pulled in the past--without results as promised.

Another future problem is the renewal of their franchise with the city. General has a franchise that is very favorable to them--at the present. But the city does not have to renew it. And I don't think the councilmen would be so careless.

I checked an ordinance passed by the city council in March of 1957. It amended parts of the franchise which permits General Telephone to operate in Friona.

Ordinance number 300 states that "Discontinuance or interruption of any portion of extended area service requested authorized hereby shall not be grounds for forfeiture of this franchise, provided such discontinuance or interruption results from causes beyond the control of the telephone company, including acts or omissions by the owner or owners of connecting exchanges participating in such extended service."

According to this ordinance, any cancellation of the franchise with General would first require proof that the malfunctioning of their equipment was beyond the control of the company. And even if they are using a lot of dilapidated equipment, it could be a little difficult to prove to the satisfaction of a court that the company had control over the constant malfunctioning.

But even if new and modern equipment will not be installed, there is one thing which could be done to improve the service. General could and should build an office here in Friona. All the other utilities have an office here and it would appear that if Friona can support gas and electric offices, it could support a telephone office.

What is more, we should have the opportunity to stand face to

Editorial Comment:

THIS Is An Investment ?

President Kennedy thinks Congress should authorize purchase by the US of half of that \$200 million bond issue by which this global marching and cowering club hopes to recover the cost of its African military adventures and overcome its general insolvency. The investors are to be repaid (with interest at two percent) when, as and if delinquent member nations pony up their share. The President told Congress in his State of the Union Message that this would be a smart investment - but we can't help wondering whether Joseph P. Kennedy would think so.

In any case, Rep. Edward J. Derwinski, Illinois Republican, has said he will introduce a bill to prevent such a transaction. He is quoted in HUMAN EVENTS as saying: "... in view of the huge deficit, the continued outflow of gold, the back-breaking tax burden that is being perpetuated on our citizens, the purchase of \$100 million of UN bonds, with their problematical value as well as their artificially low interest rate, is pure irresponsibility."

Democratic Senator Harry Flood Byrd, who incidentally is chairman of the Senate Finance Committee, takes an even dimmer view of the matter. Commenting on the delinquency of Russia and many other member nations in their UN obligations, he said: "If they don't pay for anything else, why should they pay for the bonds? I think we'll just end up paying for the UN's other expenses and the bonds, too."

A better course might be to terminate all further UN expense - as soon as possible - which we could do by merely withdrawing our support.

Mrs. Watson Signs Contract For Song

Song writing has paid off for Mrs. C. A. Watson of Lazbuddie, who now has one recording "Big Boy Blue" to her credit and has signed a contract on another song "My Heart Cries". Mrs. Watson is also correspondent for The Tribune. Mrs. Watson began writing during her high school days, however, she adds "Since I was a child, I've written poetry or lyrics. I've burned more than I've kept of course."

Personally, she prefers sacred music, but she comments that publishers are more interested in western or rock and roll type songs.

Chison, Mrs. Walter Potts and baby boy, Mrs. Don Bandy, Kimberly Ann Bandy, expired, Kathy Stowers, LaVerne Burrows, Nora Rieben, Becky Schueler, Carol Nabors, John Lide, expired, Darcey Renner, Dorothy Roach, E. H. Cummings, Mrs. Glenn Reeve, Sr., Ernest Sandal, Phillip Roberts.

Schedule--

the patients much better in the morning if there are no visitors. Without the visitors, the efficiency of care for the patients is much improved," Dr. Paul Spring stated.

The final period was shortened to allow more time for the required pre-sleep treatments.

"When we have 20 patients and wait until 9 p. m. to start giving backrubs, we cannot get through until 11 p. m. This is to late for a patient's 'bed-time,'" Gladys Wilson, head nurse, explained.

Care of some 20 bed patients, assisting with operations and emergencies and general functions of the hospital are carried out on a 24-hour-day basis by the five registered nurses, three licensed vocational nurses and thirteen nurses' aids. Although the nurses are supposed to work on a 40 hour week, several have been required to work as much as 60 hours per week recently, according to reports.

Under these conditions, any means of improving the speed and efficiency of the staff is looked upon with great favor.

"When the hospital is full, it is very difficult for the nurses to provide adequate patient care when visitors are present at certain times, it becomes almost impossible. Therefore, we have changed the visiting hours," Dr. George Anderson said.

Exceptions to the visiting schedule will be made only in cases where strict compliance would prove a hardship for the visitor or patient. Any exception must be approved by an authorized official on duty at the time.

"Patients need visitors for morale purposes but if visiting is confined strictly within visiting hours, it leaves the major portion of day for patients' rest and recuperation which is necessary in any type of hospitalization," said Dr. Lee Cranfill.

Area Group--

69 against. A two-thirds majority is required to suspend the house rules.

Most all of the area men were remaining in Austin until regular action on the bill by the House was completed Wednesday morning.

If the bill is passed by the house, it should then go to the governor who has indicated approval of the measure.

News From LAZBUDDIE

BY MRS. C. A. WATSON

The January meeting of the Lazbuddie Joint 4-H club was January 18 in the Lazbuddie School Cafeteria. There were forty-five members present and twenty-two adults.

The club voted to raise money for the March of Dimes. Each member will go from house to house collecting money and turn it over to a committee. The committee is made up of David Nelson, chairman, and also Troy Steinbock and Larry Davids.

The club also voted to raise money for the club treasury by selling subscriptions to the Amarillo Globe Times.

The program was on record

Castin--

face with an authorized representative of the company and demand adjustment of a disorderly telephone.

Mayor Raymond Fleming stated that he called the General office before the Jan. 8 meeting of the city council and asked that representatives meet with the council to discuss the troubles in the phone system. According to Fleming, he was told that representatives would appear at the meeting--but they did not.

"We need a service man to contact here in town. Until we get that, we won't ever get good service," Fleming said. "If they could give us a man with authority to fix phones without having to wait for an order from Littlefield and put in some good equipment and more lines, we would be a lot better off," he added.

I am inclined to agree with the mayor. And I sincerely think that the majority of the people in Friona are of the same opinion.

-TH-

I heard a rumor that there might be an election to try to move the courthouse to Friona this year. In fact, the rumor had it that there was such a movement afoot now.

I devoted considerable time toward trying to determine whether or not there was any evidence of such a movement. As a result, I am of the opinion that the rumor is just that--a rumor. I don't think the residents would have the courthouse here--especially after they consider the cost of building a courthouse.

BUT, I suggest that everyone make a special effort to pay his poll tax anyway. It would be a real good insurance in case I am wrong and there is really some truth to the rumor.

books and was given by Miss Ettie Musil, County Extension Agent.

After the program was over, the meeting was adjourned and games were played and refreshments served.

Mr. and Mrs. J. B. Taylor, Mrs. J. F. Miller and Mrs. Hatie Snead are visiting in Truth or Consequence, N. Mex., for several days.

THE STATE OF TEXAS
COUNTY OF PARMER

SHERIFF'S SALE

WHEREAS, on the 23rd day of August, 1961, in Cause No. 2170, in the District Court of Parmer County, Texas, where in The State of Texas, Parmer County and High Plains Under-ground Water Conservation District Number One, City of Friona and Friona Independent School District, were Plaintiffs, Impleaded Party Defendants, recovered judgment against C. A. Sebolt, Charles Sebolt, S. A. Sebolt, Roy Hawkins, and the unknown husband or husbands and the unknown wife or wives

of any of said parties and if any of said persons are deceased then their unknown heirs, assigns and legal representatives, and all unknown claimants, Defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 29th day of December, 1961, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described

property; WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 29th day of December, 1961, seize and levy upon as the property of the above defendants the following described property, situated in Parmer County, Texas, to-wit: (Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: All of Lots Number 5 and 6, Block 85, of the Original Town of Friona, Parmer County, Texas. And I will on the first Tues-

day in the month of March, 1962, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Farwell, Texas, between the hours of 10:00 a.m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Farwell, Texas, this the 29th day of December 1961.

NOTICE OF HEARING
TO APPROPRIATE PUBLIC
WATERS OF THE STATE OF
TEXAS

No. 2216
Notice is hereby given to whom concerned that the application of HARLAND H. FRYE, the post-office address of

whom is Star Route, Hereford, Texas, was received on the 4th day of December, 1961, in the office of the Board of Water Engineers of the State of Texas. Applicant seeks a permit to appropriate from the unappropriated waters of Frio Draw, a tributary of the Red River in Parmer County, Texas, 444 acre feet of water annually for the irrigation of 1765.2 acres of land in the Capitol League Survey No. 468, Parmer County, Texas, and 48 acre feet for livestock; and to construct a reservoir with a capacity of 492 acre feet, all being more fully set out in said application.

The proposed dam is located at a point which bears N 3 degrees 13' 06" W 920.98 varas from the southeast corner of Capitol League Survey No. 468, on Frio Draw in Parmer County, Texas, and is distant in a southeasterly direction from Black, Texas, about three (3) miles.

Said application was accepted for filing by the Board of Water Engineers on the 8th day of January, 1962, as Application No. 2216 and a hearing thereon will be held by the Board of Water Engineers for the State of Texas, in the office of the Board at Austin, Texas, on Tuesday, February 27, 1962, beginning at ten o'clock a.m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Board and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by

EIGHTH GRADE SQUAWS WIN FIRST . . . Friona's eighth grade basketball girls brought home the first place trophy from Sudan's Junior High Tournament Saturday evening. Eight area schools were represented in the tourney. Local girls won over Morton and Sudan before meeting Mulehoe in the finals. Coach Jay Wilson is pictured holding the trophy. Others in the picture are: (standing) Patsy Rule, manager, Sarah Ann Fallwell, Rita Collier, Janet Bishop, Lorene Jackson, Marie Short, Monte Sue Welch, Margaret Wilson, Lanore Jackson, Judy Phipps, Arletta McClellan, Sandy Beene and Paula Short, manager. Kneeling: Janet Stevick, Phyllis Holcomb, Lyndia Chandler, Janet Rushing, Coach Wilson, Willie Grace Grubbs, Frieda Floyd, Sharon Houston and Cecelia Jones.

Board Rule 305.2. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Board of Water Engineers may deem right, equitable and proper. Given under and by virtue of an order of the Board of Water Engineers of the State of Texas, at the office of the said Board at Austin, Texas, this the 8th day of January, 1962.

SHERIFF'S SALE

WHEREAS, on the 23rd day of August, 1961, in Cause No. 2168, in the District Court of Parmer County, Texas, wherein the State of Texas, Parmer County, High Plains Under-ground Water Conservation District Number One, City of Friona and Friona Independent School District were Plaintiffs, Impleaded Party Defendant, recovered judgment against Guy Hanks, W. R. Sherley, William R. Sherley, W. M. Sherley and Larua L. Wentworth, his un-

known wife or wives, and her unknown husband or husbands, and if any of said persons are deceased then their unknown heirs, assigns, and legal representative and all unknown claimants, Defendants, for taxes, penalty, interest and cost against the hereinafter described property;

WHEREAS, on the 29th day of December, 1961, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the herein-

after described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 29th day of December, 1961, seize and levy upon as the property of the above defendants the following described property, situated in Parmer County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

FIRST TRACT: All of Block 105, Original Town of Friona, Parmer County, Texas, as shown by Plat of said Town of Record in the Deed Records of Parmer County, Texas.

And I will on the first Tuesday in the month of March, 1962, the same being the 6th day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court House door of said county in the city or town of Farwell, Texas between the hours of 10:00 a. m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to any one having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, whichever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Farwell, Texas, this the 29th day of December, 1961.

Chas. Lovelace Sheriff
Parmer County, Texas
By Tom Atkins, Deputy

Census Results Announced

A total of 86 area children have been registered to begin school for the first time next September, Alton Farr, superintendent, reports.

The school completed a report census to attempt to determine the number of prospective first grade students who will enter the Friona school next year. All children who will be six years old on Sept. 1, 1962, should be registered with the school so that sufficient classrooms, teachers and other arrangements required to meet the demand may be completed.

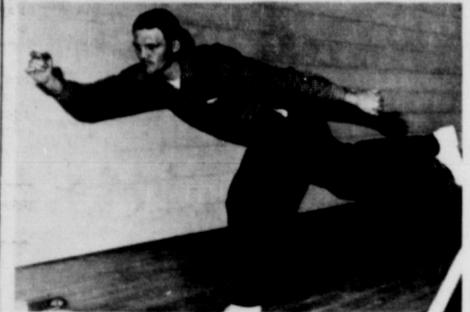

The following names are those registered with the school. Parents of any eligible child whose name is not on the list should contact the superintendent immediately.

SIX YEAR OLDS TO JANUARY 23, 1962

Beverly Ann Bailey, Doyla Ann Ballard, Janice Bandy, Jeannie Bandy, Cary Thomas Barber, Blayne Baxter, Mary Bennett, Delonna Brown, Darrel Buckley, Debra Carlton, Kay Cochran, Elwin Gregg Collier, Jean Beth Cranfill, Tena Gayle Day, Paula Dean, Billy Fallwell, Shera Finley, Irma Flores, Dora Flores, Eva Garcia, George Duane Gaskins, Mario Gomez, Serijo Gonzales, Gloria Gonzales, Mary Ellen Gonzales, Carolyn Gore, Laquita Inez Graham, Henry Graves, Jr., John Earl Graves, Dawn Sherie Hadley, Eddie Brent Hall, Mickey Harrelson, Randy Harrison, Karene Hart, Enrique Hernandez, Deborah Hernandez, Samuel Huereca, Marilyn Hume, Teresa Ingram, Coy Jameson, Susan Jarecki, Ricky Johnson, Kenneth Jordan, Jimmy Kirk, Dorothy Latham, Ana Maria Leal, Pilmeria Leal, Pam Lewellen, Bobby Lewellen, Michael Loper, Joy Mann, Linda Martin;

Sammy McNeely, Juanita Mendoza, Cynthia Messenger, Rose Morena, Peter Nichols, Alan Payne, James Perea, Irene Peraz, Stephen Pipes, Michael Pipes, Jimmy Polk, Elvira Ramos, Glenda Reeve, James Reeves, David Renner, Annette Reznik, Darla Rhodes, Yvonne Rodriguez, Yolanda Sanchez, Chris Sanders, Beverly Schiller, Mark Shackelford, John Sheehan, Kyle Rex Shelton, Kent Sims, James Stevick, Gordon Stokes, Lisa Taylor, Robin Taylor, Dorotea Villarreal, Shirley Weast, Bobby Wiggins, Terri Williams, Dorothy Woodruff.

The world's lowest temperature, 125 degrees below zero, was recorded in Anartica in 1958.

Something To Think About

16th. Street Church of Christ
Box 515 -- Friona, Texas

From time to time everyone should ask, "Have I developed a true sense of values?" "Do I put the right value on the right things?" The following will illustrate what we have in mind; It was reported that a very wealthy woman had lost an expensive bracelet. One that she valued at \$50,000. Some days later it was returned with this explanation - a poor old night watchman found it, and was using it as a collar for his dog. Imagine such an expensive bracelet being used as a dog collar. No doubt most of us would rate much higher in our ability to properly evaluate things like this, but how would we rate when it comes to those things of spiritual nature? What value would you put on the Bible? The records indicate that the Bible is still the most published of all books, but why do so many people buy so many Bibles? Is it because of a genuine appreciation of the value of the Bible, or is it because most people consider it good taste to have a Bible to grace the coffee table when guest come calling? Does that seem a little severe? Perhaps so, but before you complete your judgment make this little test. Pick a few people at random and ask them some simple questions about the Bible (be sure you know the answers) and see how little people actually know about the book that is considered so important. Don't make the mistake of using a priceless possession like the Word of God for an ornament to impress your guests. If your sense of value is right, this book will be used as your guide in all things.

Come To Church Sunday

"Nathaniel said to him, 'How do you know me?' . . . 'Rabbi, you are the Son of God! You are the King of Israel!' Jesus answered him, 'Because I said to you, I saw you under the fig tree, do you believe? You shall see greater things than these.' And he said to him, 'Truly, truly, I say to you, you will see heaven opened, and the angels of God ascending and descending upon the Son of man.'" (John 3:48-51)

It is interesting to notice that there is only one other place in the Bible where anything like this takes place. A frightened Jacob, fleeing from his brother Esau had a dream in which a ladder appeared from heaven to the exact spot where he slept. Reading from Genesis 28:12, we find that, ". . . he dreamed that there was a ladder set up on the earth, and the top of it reached to heaven; and behold, the angels of God were ascending and descending on it!"

What Jesus is saying to Nathaniel is, 'Nathaniel, it is enough that I know your name, but it is not enough that you know mine.' Many of us are like Nathaniel in that we think of Christ only in terms of a truth to be considered along with other truths. But Jesus reminds Nathaniel that he represents more than that. He comes less as a truth than he does as a way to the truth. In Chapter 14 of John, Jesus says, "I am the way, and the truth, and the life; no one comes to the Father, but by me."

Navy Adopts Teams Begin Second Half Dist. Play

Captain Paul George, director, navy recruiting, seventh recruiting area, announced today that the Navy is now accepting three year enlistments for first enlistments.

Personnel with prior military training may now reenlist for two three four or six years, at their option.
This is an experimental program and will be in effect till June 30 1962. This program has been placed into effect to meet the increased readiness posture of the navy. This does not effect the Navy's stay-in-school-policy, George said.

Pvt. Joe D. Carlisle is stationed at Camp Gordon Georgia and Mrs. Carlisle and son, Craig, have recently joined him there. Mrs. Carlisle attended Draughton's Business College in Amarillo and has been employed at White's Elevators during the fall harvest.

Friona's basketball teams enter the second half of the District play when they meet the Dalhart cagers here Friday night.

The Chiefs have a season record of 12 wins and 9 losses with a 0 win, 4 loss district record, according to Coach Vernon Scott.

The Squaws emerged from the first half of district play in a tie for first place with Tullia and Dimmitt. Game records stand at 22 wins, 4 losses for the season and 3 wins, 1 loss in district play.

The Chiefs lost their contests with Tullia and Canyon during the last week with scores of 39-60 and 55-31. Tommy Sanders was high scorer in both games with 17 and 11 points respectively.

The Squaws lost to Tullia Friday night in Friona, 49-41, to drop into the three-way tie for first place in the district. Su-Zan Harper was high scorer with 15 points. Kay Burleson was cited for outstanding guard action in the game.

Canyon girls fell before the Squaws Tuesday night in Canyon. Charlotte Nettles led the scoring in the 53-31 win with 15 points. All of the 18 girls played in the game.

Rebekah Lodge Names Officers

Friona Rebekah Lodge No. 308 met Monday evening with new officers assuming duties. Serving terms for the new year are: Mrs. Geneva Williams, noble grand; Mrs. Joyce

Wilkins, vice grand; Mrs. Juanita Reed, recording secretary; Mrs. I. V. Day, financial secretary; Mrs. Wilma Wise, treasurer; Mrs. Addie Moyer, past noble grand; Mrs. Maxine Price, warden; Mrs. Lauretta Brookfield, conductor, and Thelma Jones, chaplain.

Also Mrs. Pat Fallwell, outside guardian; Mrs. Kate Parr, inside guardian; Mrs. Vergie England, right support to noble grand; Mrs. Fern White, left support to noble grand; Mrs. Mae Wilson, right support to vice - grand; Mrs. Lucille Collier, left support to vice-grand; Mrs. Ethel Bengler, color bearer; Mrs. Nola Adams, musician and Mrs. Inez Sherley, deputy.

Meetings are each Monday night at 8 p.m. and all Rebekahs are urged to attend.

Cynthia Dawn and John Clayton, children of Mr. and Mrs. John Carson, have been visiting in the home of their grandparents, Mr. and Mrs. Raymon Carson of Hereford.

Wheeler Joins Friona VFD

Louis Wheeler was named to fill the vacancy in the Friona Volunteer Fire Department which was created when Ed Bridges left earlier this month. The action came at the department meeting Thursday night.

Bill Liston resigned his post as public relations officer. He will move to Clovis in the near future. J. P. Sims was appointed to fill the office.

Some time was devoted toward repairing and maintaining the fire fighting equipment.

Gleaners Class Meets Monday

The home of Mrs. Lucy Jones was the scene of the Gleaner's Sunday School Class of the First Baptist Church meeting Monday night. Marie Roberson assisted Mrs. Jones with hostess duties.

Following a business session, Mrs. Alice Hough presented the devotional.

Hostesses served refreshments to Mesdames Clyde Hays, Pat Busby, Spencer Hough, K. E. Deaton, Ruby Barnett, J. T. Carroll, Cordie Potts, Harry Hamilton, John Wright, Ed Duke, Jim Maynard and Ed Hicks.

EEL Class

Has Meeting

Several members of the T. E. L. Class of the First Baptist Church met in the home of Mrs. Roy Miller last week. Assisting Mrs. Miller with hostess duties was Mrs. Obra Cole.

Following a study period pie a la mode, fruit cakes and coffee were served to Mesdames Joe Douglas, Ralph Taylor, T. A. Williams and Ross Terry.

Baxter-Castleberry Wed In Double Ring Ceremony

Miss Sue Baxter, daughter of Mr. and Mrs. Bill Baxter, and Ronnie Mack, son of Mr. and Mrs. Ray Castleberry, were married January 21 in the Friona Methodist Church.

Rev. Audye Wiley, pastor of the Calvary Baptist Church, read the vows for the double ring ceremony at 2:30 p.m. The altar was decorated with an arch of green centered with white wedding bells, flanked with baskets of pink and white mums entwined with greenery and candelabra holding 14 candles. Candelabra was also circled with greenery. The kneeling bench was covered with white satin.

The bride, escorted to the altar and presented to the groom by her father, was wearing a floor length Peau de soie satin gown with chapel length train

featuring a scoop neckline and tiny bows at the waist. The elbow length veil of silk illusion fell from a crown of pearls and sequins. Her dress was something new; a gold and diamond locket, belonging to her mother, something old; white Bible, borrowed; garter, blue; an English six-pense in her shoe. She carried a white prayer book topped with a white Cattleya orchid surrounded with stephanotis and bridal satin.

Miss Beth Akens, pianist and Miss Nelda Douglas, organist, played traditional wedding selections and accompanied Miss Suzanne Taylor as she sang "O Promise Me" and "The Lord's Prayer."

Miss Ann Baxter was her sister's maid of honor and bridesmaids were Suzanne Taylor, Mrs. Jerry London, Mrs.

Dwayne Ridley and Linda Castleberry, sister of the bridegroom, Debra Baxter, niece of the bride, was junior bridesmaid. The bride's attendants wore powder pink wool dresses featuring gathered skirts and three-quarter length sleeves with matching shoes. Other accessories included small pillbox hats with veils attached by tiny seed pearls and white gloves.

Jimmy Castleberry, brother of the bridegroom, served as best man and junior groomsman was John Baxter, nephew of the bride. Groomsman and ushers were J. W. Baxter, brother of the bride, Connie Ray, Ronnie Wood and Dwayne Ridley. Debra and John Baxter were candle lighters and ringbearers were Tip Nunn and Rex Shelton.

Mrs. Baxter, mother of the bride, wore a beige wool suit with matching fox collar and honey beige Lizzard shoes and bag.

Mrs. Castleberry, the bridegroom's mother, chose a beige raw silk suit with fur collar and matching accessories. Both wore corsages of white carnations and pink rosebuds.

A reception honored the couple in the Fellowship Hall. Guests were registered by Mrs. Wilbur Moore and Mrs. Jimmy Castleberry.

A white lace cloth over pink covered the bridal table centered with crystal candle hold-

ers and candles entwined with pink roses. Pink roses surrounded the base of the punch bowl. Also decorating the table was the three tiered square wedding cake with pink and white icing topped with a miniature bride and groom under an arch identical to the altar decoration.

Mrs. J. W. Baxter II, Mrs. Billy Baxter and Mrs. Wilbur Moore presided at the serving table. Other members of the house party included Misses Sandra Hoover and Sondra Burlison.

Out of town guests included Dr. and Mrs. K. F. Krausnick, Lamar, Colo.; Mr. and Mrs. Charlie Baxter, Clovis; Mr. and Mrs. Richard Baxter, Bovina; Mr. and Mrs. Ronnie Farris, Dimmitt; Mr. and Mrs. Jim Guthrie, Texas Tech; Kitty Black and LeVada Hand, Tech; Mrs. Bob Castleberry, grandmother of the bridegroom, Meadow; Larry Hardcastle and Aubrey Castleberry, Tech.

For their wedding trip to Santa Fe, the bride chose an oatmeal white wool suit with mink collar and matching hat, Lizzard shoes and bag. She wore an orchid corsage taken from her bridal bouquet.

Mr. and Mrs. Castleberry are graduates from Friona High School and are students at Texas Tech. The couple will be at home at the Plaza apartments in Lubbock.

Of Interest To THE WOMEN

Mrs. Hattie Snead has two new great granddaughters. They are Karen Dee, daughter of Mr. and Mrs. Pat Ferguson, Hereford, born January 13 and Deborah Rene, daughter of Mr. and Mrs. Eugene Snead, Hereford. She was born January 21. Mr. and Mrs. Arno Struve of Abernathy visited in the home of Mr. and Mrs. Steve Struve and family Sunday.

Girl Scout Troop 93 Has Annual Supper

Girl Scout Troop 93 met Monday night in the basement of the Congregational Church for an annual supper which is a highlight of the years activities for scouts and their families.

Serving tables were decorated with fern, miniature flags of all countries and paper dolls dressed in scout uniforms representing different countries.

Mrs. Nora O'Brian, neighborhood chairman, welcomed the parents and other guests, and explained the importance of the investiture and what it should mean to the parents.

Following a brief speech of thanks by Mrs. George Anderson, troop committee president, to those who have given time and abilities to Troop 93, Mrs. Ralph Wilson presented a summary of many phases of scouting the girls had prepared for the investiture. Leaders, Mesdames Alice Whaley, Sue Rector and Christene Mann were also commended by Mrs. Wilson.

Jenisu Fallwell and Shirley Lynn Smith carried the flags; Myra Sue Day, Kelly Barber, Kay Riethmayer and Vicki Knight were color guards and Kathy Anderson was caller for the investiture.

Preceding the presentation of the Brownie wings and crossing a miniature bridge to Girl Scouts the group gave the pledge to the flag and sand America.

Scout laws were explained by Mrs. Whaley and each girl repeated the law and promise, and lit a yellow candle. Yellow candles represented the 10 laws and three green candles, three parts of the promise. Two white candles represented the motto and slogan.

TWENTY BROWNIES FLY-UP... In formal ceremonies at the Congregational Church Monday evening at 8 p.m. these twenty Brownies were invested and became full fledged Girl Scouts. They are: Back row - Andreea Wilkins, Sherry Phillips, Susan Vestal, Roxanne Hall, Myra Sue Day, Meiva Rule, Marie Ramos, Jenisu Fallwell, Shirley Lynn Smith and Carla Sue Mann. Front row - Rhonda Ragsdale, Wanda McKee, Romalee Rector, Vonnie Brooks, Kelley Barber, Vicki Knight, Kathy Anderson, Kay Riethmayer, Janet Mingus and Amelia Sims.

MRS. RONNIE CASTLEBERRY

Mrs. Chitwood Hosts Class

Eight members of the Rebekah Sunday School Class met Thursday in the home of Mrs. Bert Chitwood for their monthly meeting.

The lesson presented was scripture reading from the 90th chapter of Psalms, followed by a

prayer given by Mrs. C. W. Dixon.

Refreshments were served to Mesdames E. E. Taylor, M. A. Black, Charles Raub, L. R. Dilger, W. A. Cogdill and Eva Roberson.

Miss Marie Houston Weds Clyde Redwine

Miss Kathleen Marie Houston and Clyde Ray Redwine were wed in a double ring ceremony Saturday at 2:30 p.m. in the First Baptist Church at Lazbuddie with Rev. Bill Curry reading the wedding vows.

Mr. and Mrs. Raymond Houston of Friona are parents of the bride and the bridegroom is the son of Mr. and Mrs. J. C. Redwine of Lazbuddie.

Given in marriage by her father, the bride wore a formal gown of hand-clipped Chantilly lace designed with a scallop portrait neckline and long sleeves tapering to petal points over the hands. The fitted basque bodice completed the dome skirt, scalloped at the hemline. Hand-made satin roses were tucked into the miniature bustle that held the full sweep of the chapel train. Her bouffant veil of silk illusion edged with a band of lace fell from a crown topped with satin roses.

Mrs. Patsy Shankles, Portales, served as matron of honor. Shirley Henry of Muleshoe and Linda Lesly, Friona, were

bridesmaids. Junior bridesmaids were Judy Jones, Slaton, and Hazel Lesly, Friona. They wore magenta satin dresses styled similar to the bride's gown.

Miss Beverly Johnson, Muleshoe, and Kim McDonald, Friona, served as ring bearers.

Darrel Jennings of Muleshoe was best man and groomsmen were Harrol Redwine and Carrol Redwine, brothers of the bridegroom, from Bovina. Junior groomsmen were Steve Jones, Slaton, and Bobby Redwine of Muleshoe. Serving as ushers were Eugene Houston, brother of the bride, Friona, and Harrol and Carrol Redwine.

For a wedding trip to Arizona, the bride traveled in a gray wool suit complemented with a full black coat, matching hat and grey pearlized shoes and bag.

Mrs. Redwine is a graduate of Lazbuddie High School and Draughton's Business College. She is employed at Bailey

County Electric Cooperative Association.

Mr. Redwine attended the same school and is now engaged in farming in the Hub Community south of Friona where the couple will make their home.

Shower Honors Recent Bride

Mrs. Clyde Redwine, the former Marie Houston, was guest of honor at a recent bridal shower in the hall of the First Baptist Church in Lazbuddie.

Hostesses were Mesdames John Agee, Dan Cargile, Buster Morgan, Ronnie Briggs, J. B. Jennings, Les Bruns, Ralph Cox, J. J. McDonald, John Littlefield, Wesley Barnes, and Revel Barron.

The bride's chosen colors of magenta and white decorated the entertaining room, serving table and register table.

Two members of the Laz-buddle FFA have entered four head of livestock entries for the 13th Annual San Antonio Livestock Exposition, Feb. 9-18, at the Joe Freeman Coliseum, according to Scott E. Windham, vocational ag teacher.

Windham announced that members entered are: Tony Haber, showing 2 Duroc barrows, and Jimmie Dale Seaton, 1 Duroc and 1 Hampshire barrow.

Their entries are among more than 5,000 head of livestock and horses which will be at the Exposition. An all time high of \$160,000 in premiums, prizes and purses is offered, according to president E. W. Bickett, who also announced Saturday, Feb. 10 will be "Rural Youth Day" with some 35,000 rural youngsters expected to attend if good weather prevails.

**NEWS FROM THE
FARM BUREAU**

BY RAYMOND EULER

"The editorials reflect a zealous and almost fanatical patriotism and an active effort to awaken the public to the dangers of Communism. The whole subject matter is controversial."

This was the statement made by the Regional Forester in giving Don Caron, Ranger, U.S. Forest Service, Okanogan,

Washington, his choice of discontinuing his off-duty anti-Communist activities or being fired from his government job. Sources of the information he was distributing were American Legion, American Bar Association, Congressional Record, House Un-American Activities Committee, Senate Internal Security Committee and the FBI.

The above is from the editor of the Waterville (Washington) Empire-Press.

We are hopeful that by this time Senate Bill 39 has been passed by the House in Austin. This is the bill concerning irrigation gas for farmers. Many farmers have been in Austin the past week and this week working in behalf of this bill, sponsored by Andy Rogers and Grady Hazelwood in the Senate where it passed. Farm Bureau offices in the area, and the Farm Bureau Office in Austin have given full support to passage of the bill.

Harry Hamilton, your pres-

ident, will be with the group in the capitol Monday, on this subject, and then he will be in a membership rally for Farm Bureau in the same city Tuesday. This is his second trip in ten days.

On crop referendums: In one Texas Community there were 28 votes cast for the quotas and one against. Over half the votes cast were Negroes who represented a total acreage of less than 60. The one vote against represented approximately 200 acres. Three of the voters represented a total of 6 acres. The mention of the colored people voting heavily is mentioned only with reference to the fact that they were probably brought or sent in to vote.

It is generally known that these referendum votes are sometimes cast under the direct surveillance of those holding the elections and that sometimes soliciting is done at the polling places. Farm Bureau does not believe this is an equitable method of determining the will of the people.

Your directors will meet January 29 and February 5. You are welcome to attend, in the office in Friona at 8:00 p.m.

Floyd Reeve, Friona FFA, with his grand champion barrow at the Hereford Junior Livestock Show Friday. The 190 pound Duroc was also named champion of the breed. Also taking top honors in the show were Cleatus Rhodes and Janie Lane with their lambs and, Max Reeve with his Poland China, Jim Roy Wells won first in the heavy steer class with his black Angus. All are Farmer county entrants. Numerous other awards were won by Farmer entrants.

HD Agent's Notes

BY MISS ETTIE MUSIL

Watch for moths and carpet beetles all year around. Now that we keep our houses warm all year, the pests can thrive at any season to damage our wool rugs and carpets.

Regular care with the vacuum cleaner is the first step in controlling these damaging pests. It prevents dust, lint and hair from accumulating and offering extra food for the beetles. Vacuuming can remove the insects themselves and their eggs.

Thorough vacuuming means going back and forth with the vacuum cleaner seven times or so in the same place. Don't fall to vacuum under heavy furniture too. I saw a very sad sight in Seymour a few years ago when I was called to investigate a beautiful carpet.

In one corner of the living room we found a mass of wool bolls. Yes, moths and carpet

beetles had truly had a feast completely ruining about one square foot of carpet. These pests had their feast day under a heavy television set. There was nothing more this homemaker could do for the ruined spot of carpet.

However, we did treat the rug well to control the rest of the carpet. Entomologists advise a five percent DDT oil solution on rugs and carpets every 12 to 18 months. For a 9 by 12-foot rug of average weight, you will need 1 1/2 to 2 quarts of spray. Rug pads of animal hair or wool, will need spraying on both sides unless they have been treated previously.

When spraying wall-to-wall carpeting give special attention to edges and parts that have been under a piano, sofa or other heavy furniture piece. Call on good expert help of a carpet-cleaning or pest-control firm if you have doubts of cleaning expensive rugs.

If possible rotate rugs and carpets occasionally to make sure all areas are exposed to regular cleaning, light and air.

**Livestock Producers
Meet Feb. 1 In Hub**

County livestock producers will meet in the Hub Community Center Feb. 1 at 1:30 p.m. to hear a report on livestock feeding in Arizona and California and to discuss other pressing business.

Other main subjects to be considered are market cattle testing (or back-tag testing) and aims of the Southwest Animal Health Foundation.

"The foundation is interested in eradicating the screwworm fly in the southwest and with the cold winter which we are having, this will be a most opportune time to start on the project. The cold weather will

mean that a smaller area will have to be treated with the sterile flies," Deryl Coker, county agent, stated.

Market cattle testing must be undertaken in order to maintain the recently acquired brucellosis-free status for the county. At least five per cent of the female stock which is over three years old must be tested each year for a period of three years or at least 15 per cent of the cattle during a three year period. Market testing will prevent another complete county-wide testing and re-certification.

**Farm Record Book
Workshop Starts**

A series of county-wide farm record book workshops will be conducted in Farwell, Bovina and Friona on January 29-31.

Record books will be furnished free by each of the three banks in the county, Security State Bank in Farwell, First National Bank in Bovina, and Friona State Bank in Friona, each purchased 100 "Texas Family Account Books" for use by farmers in the county.

These account books will be discussed by Texas Extension Area Farm Management Specialist, James Murphrey of Amarillo in each of these meetings.

"Many of us have been looking for a record keeping sys-

tem and this workshop will give you an opportunity to start. Record keeping is very important for we need to know what we are doing," Miss Ettie Musil, home demonstration agent, said.

The first meeting will be Monday at 1:30 p. m. in the district court room in Farwell. The second meeting will be in the Bovina school cafeteria on Jan. 30 at 2 p. m. The last workshop will be conducted Jan. 31 in the Friona State Bank community room.

Additional information concerning the workshops may be obtained from county extension agents Miss Musil and Deryl Coker. The workshops are open to all interested persons.

Or you may be a furniture mover within the room. This may help in the care of the carpet.

One more caution for care of carpets. Don't use soap on rugs. For quick treatment of spills, use a neutral detergent. Work up a lather to clean the rug without the water soaking into the rug. Soap leaves a film on carpet fibers that attracts dirt.

By the way, speaking of fibers reminds me of a story we had featured in the January, 1962, of Farmer-Stockman. If you have not seen and read the story you will read about Mrs. W. M. Massie, Mrs. W. T. Miggins, and Mrs. Cordie Potts.

Katherine Randall, Home Editor of the magazine, wrote a fine story of an interesting program we had in the home demonstration clubs last year. She quoted Mrs. J. D. Sanders, Mrs. Vernon Symcox, and Mrs. Dee Brown that made her story interesting.

Since the story appeared in the magazine I have heard many nice comments about the story.

In the home demonstration clubs this month club members are hearing programs "Your Poll Tax and You." We are all concerned with the number of homemakers who have never voted or voted a few times. It is not only our privilege but our duty to vote wisely after careful study of the candidates for office.

In writing the short story about the poll tax for the clubs I learned much about the poll tax that I had never thought about before. Where does the money from the poll tax go? Out of the \$1.75 collected, \$1 goes to public schools in Texas, fifty cents goes into the state's general revenue fund, and twenty-five cents stays in the county for county purposes. The only penalty for not paying the poll tax is the denial to vote, January 31 is deadline to pay your poll tax or apply for exemption.

EDUCATION**

by James E. Edwards

**(Cont.) Use An Ounce
Of Prevention If
You Feel - - -**

If you feel a slight soreness or notice any redness anywhere on your foot, don't wait for the situation to worsen. Protect that area with a small corn pad or a flesh-colored bandage. If your foot troubles don't respond to simple treatment of this sort, see your doctor. When your feet are swollen, you can make them feel better fast this way: Sit on the edge of the bathtub; hold your feet directly under a stream of warm water; scrub them gently with lather and a nailbrush. Then let the water continue to run on them, in alternate doses of hot and cold, for two or three minutes. Dry thoroughly, and complete the treatment with this exercise: Sit on a chair, and cross the right ankle over the left knee. Grasp the elevated foot with the right hand, the ball of the foot under your thumb and your fingers over the toe joints. Work fingers up and out in a rotating motion, applying firm pressure. Repeat with the left foot. Or try a home treatment with an electric foot massager. All through the year, give yourself weekly pedicures; at holiday time, perhaps you'll want to splurge on a salon pedicure.

NOTICE

January 31 is the last day to pay your county and state property taxes without penalty. Starting February 1 a 1 1/2 percent penalty will be assessed and it will increase each month.

Also, January 31 is the final day for paying your poll taxes. Poll taxes can be paid at the tax assessor's office in Farwell or at Dan Ethridge's office in Friona. Application blanks for the poll taxes are available at the Bovina City Hall.

If you mail in your payment for taxes, make sure that you have included the extra \$1.75 for poll taxes. In the past, some folks have thought their poll tax payments were included in the amount assessed for property taxes. This is not the case since it up to each and every taxpayer whether or not they want to vote.

Car license tags go on sale February 1. Be sure and bring your title and last year's license receipt.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL * OUR STRENGTH

Prior to the time when the plow came to the high plain of Texas and all of the land was in good heavy native grass, surface drainage was not a problem. Rain falling on the grassland gradually moved to natural draws or playas lakes and did no damage. The story today is quite different. With most of the good land plowed, there is very little material of any kind to slow the water so it can soak into the land; consequently some of our best land is being scoured and gullied.

We have two partial solutions to the problem which supplement each other - one is to provide ground cover to slow down the runoff water, and the other is to develop a drainage system for moving the runoff water from the nearly level high plains country to the playas or draws so that it does not cause erosion.

The usual procedure to move excess water off the land without erosion is by using a system of diversions and grassed waterways. The waterway is the key to developing a good drainage system. It must be established first since all of the remaining system will empty into it. Without it there is no place to start to properly drain the land without erosion.

This year the ASCS office in Farwell has increased the cost share for building grassed waterways. They have increased it from \$45.00 an acre not to exceed 50% of the cost to \$80.00 an acre not to exceed 70% of the cost. This is an excellent opportunity for farmers to build, and establish to grass, some badly needed waterways.

Sugar Beet Acreage Unrestricted In '62

The U. S. Department of Agriculture announced on December 28 that there will be no governmental acreage restrictions on the 1962 crop of sugar beets.

The decision was based on a number of considerations. Late estimates indicate that sugar production from the 1961 sugar beet crop will be about 2,525,000 tons, or approximately 200,000 tons less than anticipated at the beginning of the harvest.

Secondly, the inventory of beet sugar at the end of 1961 will be close to 100,000 tons less than at the beginning of the year. Thirdly, there are

major uncertainties regarding the beet sugar quota which may be effective for 1963, the year during which most of the 1962 crop of beet sugar will be marketed. In view of these uncertainties and other considerations, the USDA said the maintenance of sizable stocks of beet sugar appears prudent.

Available processing capacity

of beet sugar factories limit production regardless of other restrictions.

Although the present Sugar Act expires June 30, 1962, it is understood that preferred consideration will be given to

sugar legislation when the next Congress convenes.

Acreages of the 1961 crop of sugar beets - estimated at 1,120,000 planted acres -- were also unrestricted. However, acreages of the preceding six crops were restricted.

WITH THE COUNTY AGENT

DERYL COKER

It is good to get home from California, although I did hate to leave their sunshine and come back to this cold weather.

The trip to Arizona and California was a very educational one, and all who attended from Farmer County learned a great deal about cattle feeding. One thing for sure we all found out, that there are other people who know how to feed cattle.

This is one thing in which we have in common with cattle feeders of Arizona and California, and that is we are after the same thing, Money!

Lot-feeding in Arizona and California has increased 700% and 500% respectively in the last 15 years. Even with this large increase in cattle feeding, California still has to ship in 450,000 head of cattle annually for slaughter. California ships in 1 1/2 million feeders each year with approximately 1/3 of them coming from Texas. Arizona feeds roughly 935,000 Texas cattle.

We visited about 17 feedlots and saw over 200,000 head of cattle on feed. All of the feed lots were very efficiently managed. Every feed lot that we visited had a nutritionist hired who worked on a fixed rate (so much per ton of feed or so much per head of cattle).

These nutritionists were checking or running an analysis on feeds being used every two weeks and in some instances were checking the fecal material to see just how much energy was being taken out of rations being used. By doing this they could change rations according to the price of feed to obtain the lowest feed conversion possible. In no instance did we see milo being used as the only source of grain. Most of the feed lots were using a 50% milo and 50% barley ration.

In every instance they said straight milo would raise their feed conversion. The T & C Cattle Company at Phoenix were adding Kelated Trace minerals to their ration to obtain a better feed conversion. The major feeds being used were barley, milo, cotton seed meal, cotton seed hulls, alfalfa hay, vegetable and animal fats, silage, citrus and sugar beet pulp, and potatoes.

The Cliff Dobson Feedlot at Phoenix were using water tempered grain. This was achieved by adding 20% water by weight to the grain for a period of 12 hours. They seemed to think it was as good as steam rolling. All of the feed lots were grinding their hay instead of feeding in the bale as we do. Fats were added to the ground hay to eliminate the dust and also increase the palatability of the ration. The fat also has a nutritional value.

All of the feed lots were feeding a fairly high concentrate ration. This was being done to get away from some overhead. Government grain in the Phoenix area was bringing 2.14 per hundred off of the railroad cars and barley was worth 2.57.

One thing for sure, the milo that we looked at in California was of very poor quality and by no means is this type of grain going to help our grain markets.

In Arizona and California the climate is hot and dry, so they are not confronted with muddy lots and most of them have shade. This climate could be an advantage to them.

Most of the feed lots use a growing period for calves that weigh 400 to 450 lbs. These calves are on a fairly high roughage ration until they reach a weight of 600 to 650 lbs. At this weight they are put on a high

energy ration and marketed between 900 and 1000 pounds.

The main reason for this growing period is that they are able to grow certain roughage crops the year round, such as alfalfa hay. Certain vegetable crops, such as carrots and potatoes, are also grown the year round. These vegetable crops can be fed to cattle when they cannot sell them, thus they can obtain some cheap gains.

Most of the fat cattle are marketed at Los Angeles, Los Angeles is a very good market for fat cattle. There are 30 packing houses in Los Angeles. Most of the cattle feeders don't like to feed heifers and when they are fed, they are sold at a weight of around 750 lbs.

It also seemed that it was easier for them to finance a cattle feeding program. One feed lot at Shafter, California, would finance and feed your cattle if you would put up a \$30,000 per head equity, so they wouldn't lose any money.

Since they have to pay shipping cost on cattle and most of their grain, it would seem that they would have to have some advantages. These advantages would appear to be (1) climate, (2) a market (3) less money involved in buying and storing feed when both barley and grain sorghum are used (4) experience and good management (5) good financing. But the additional shipping cost of cattle and grain should offset their advantages and let us feed cattle cheaper.

Everyone who went, agreed that we could beat them at cattle feeding.

This will not be done over night, but in time, we probably can.

Every farm feeding and feed processing installation has its own problems, says W. S. Allen, extension agricultural engineer. He advises anyone interested in such installations to get all of the assistance and information available before large investments are made. A good starting point, he adds, is the local county agent.

67 Attend 4-H Meeting

Forty-five boys and girls attended their regular Lazbuddie 4-H Club meeting Jan. 18 at 7:30 in the Lazbuddie School Lunch Room. Along with the enthusiastic members attending were 22 parents and friends.

Danny Miller, presided during the business meeting. Each club member will help in the county March of Dimes drive in the Lazbuddie community.

Adrian King was elected reporter following the resignation of Johnny Mabry. For other business the club voted to sell subscriptions to the county newspapers and Amarillo Globe-Times. These newspapers have promised a commission that will be used for club expenses.

Club members divided into small subject matter groups of 4 to 6 members. Each group asked an adult leader to assist them, following training by both County Extension Agents.

Subject matter groups will meet in addition to the joint 4-H meeting each month. Schedule of the groups will be planned by the trained adult leader and group members to their convenience. Members and leaders of these groups include:

Beef Cattle - Tommy Wilson, Bobby Redwine, David Nelson, and leader Harold Wilson

Sheep - Darrell and Gary Matthews, Adrian King, John King, Troy Steinbock, and no leader at this time.

Swine and Crop - Charlotte and Larry Davis, Sue Hassell, Danny Miller, Gary Coker, Johnny Mabry, Charles Kamage, and leaders Roy Miller and Gerald Ramage.

Home Beautification and Gardening - Jimmy and Johnny Broyles, Dale Blackstone, Larry Davis, James Gulley, and leaders Mrs. Ralph Broyles and Mrs. Freeman Davis.

Foods - Cynthia Harvey, Katie Blackstone, Judy Koelzer, Charlotte Davis, Sue Hassell, and leader Mrs. Davis Gulley.

Foods - Marsha Schumann, Karen Johnson, Nedda Foster, Janice Miller, Cheryl Ramage, Jill Mimms, and leader Mrs. Gerald Ramage.

Clothing - Cynthia Harvey,

Extension Range Specialists G. O. Hoffman and B. J. Ragsdale rearing stockmen that now is a good time to complete the stockpiling of winter feed reserves and to delay brush control by the individual tree treatment method until trees and brush are fully dormant or two to three weeks following frost.

Judy Koelzer, Terri Sue Mabry, Katie Blackstone, Sheila Vaughan and leader Mrs. Harvey Blackstone.

Clothing - Karen King, Melanie Precure, Donna Stensberry, Patime Broyles, and leader Mrs. Ralph Broyles.

Clothing - Kathy Coker, Christie Ivy, Ann Blackstone, Debbie Burch and leader Mrs. Roy Miller

For the club's program Miss Ettie Musil, County Home Demonstration Agent, discussed a set of slides, "Making Your 4-H Record Book". Instruction sheets for filling in the standard report form was given to each club member. Miss Musil stressed the importance of keeping a record book of 4-H project and club work. Many county, state, and national awards are presented for outstanding record books.

Following the program recreation was led by club members with John Gulley chairman of the recreation committee. Joint club meetings are each third Thursday of the month. The last meeting will be February 15 to be presented by Miss Musil, on "Home Landscaping."

Discussing ideas for next year's Pastors' and Laymen's Conference, is W. G. Burton, (seated) pastor of the First Baptist Church, who was elected president of the group at the recent 41st annual meeting hosted by Wayland Baptist College, Plainview, Vice president of the organization which draws attendance from New Mexico and as far south in Texas as Big Springs, is Russell Pogue, (center) pastor of the First Baptist Church, Petersburg. Re-elected secretary-treasurer is H. L. Mitchelson, business manager at Wayland. Featured speakers at the meeting included Dr. Forrest C. Feezor, former executive secretary of the Baptist General Convention of Dallas, Texas, Luman Holman, co-chairman of the Crusade for Christian Education, Jacksonville, and Dr. E. S. James, editor of the Baptist Standard, Dallas.

Mr. and Mrs. Duane Baize

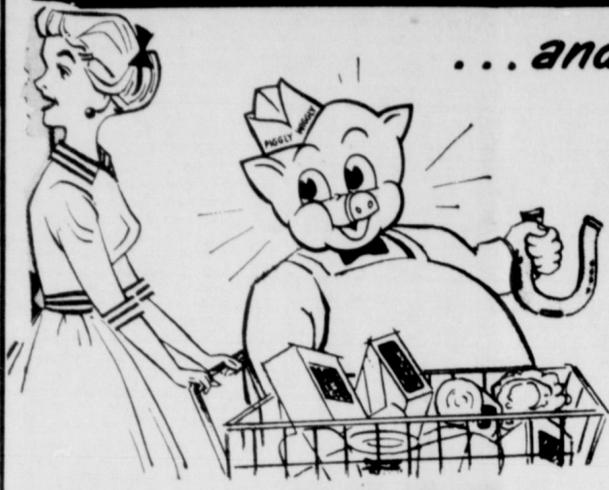

Employers, Internal Revenue Service has a reminder for you. Employees should receive two copies of a Withholding Statement, Form W-2, on or before Wednesday, January 31, 1962. John J. Sloan, Administrative Officer, of the Internal Revenue Service at Lubbock, Texas, said, "This statement shows the total wages paid and the income tax and social security tax withheld if any, during the calendar year 1961."
Total wages shown on an employee's W-2 must include amounts received as sick pay from his employer, even though no tax has been withheld on such sick pay. Sick pay is not required to be shown separately.
If it becomes necessary to correct a W-2 after it has been given to an employee, a revised statement must be issued and marked "corrected by employer."

and family have moved from 912 Green Ave. to 206 East 12th.
Mr. and Mrs. Edwin Bridges and family have moved from 213 West 6th, to Hereford.
Mr. and Mrs. L. A. Judkins and family have moved from the Wesley Hardesty farm to Abernathy, Texas.
