Presbytery of Western Texas Has Two-Day Meeting Here

The Presbytery of Western Texas met for its regular fall session in the First Presbyterian Church of Sanderson, beginning Tuesday, October 24, and adjourning at 8 on Wednesday. Following the opening of the meeting, Rev. David Murphy pastor of Westminster Presbyterian Church of San Antonio was elected new moderator. Rev. Andrew Byers, pastor of the First Presbyterian Church of Alice, retiring moderator, preached early Tuesday afternoon after which the standing committees were appointed, matters of emergency business

attended to, communications read, and committees then retired to formulate plans to be presented at later sessions, for the carrying out of the church's work throughout the year.

On Tuesday evening, what is known as the popular meeting, in which the public might be especially interested, was held. At this time Herff Applewhite, Jr., son of Rev. M. H. Applewhite, pastor of Del Rio Presbyterian Church, and who is now a Junior in Austin College of Sherman, Texas, was taken under care of Presbytery, giving his testimony and reasons for desiring to prepare for the ministry. Rev. Ludwell Davis of Highland Park Presbyterian Church of San Antonio, chairman of the Permanent Committee of Assembly's Causes, then presided at the meeting, introducing Rev. John P. Minter, a young former missionary to China, who gave an insight into the problems that the churches face with Communism in control. Following this, Rev. John W. Byrd, pastor of the Sanderson church, assisted by Rev. Paul Van Dyke, superintendent of Home Missions, W. H. Savage, R. S. Wilkinson, W. E. Grigsby and J. D. Nichols, administered the communion to all present. The local choir, accompanied by Mrs. R. S. Wilkinson, rendered an anthem.

SCOUT TROOP TO REORGANIZE AT MEET NOVEMBER 2

Troop committeemen and prospective Scoutmasters will meet with the boys interested in forming a new Boy Scouts troop in Sanderson on Thursday evening, November 2, at the Scout Hut.

John Dagan, field representative of the Concho Valley Council met with the Rotary Club Wednesday and planned the meeting with the committeemen. Last year, Rev. Clifford Spencer was Scoutmaster and since he has left Sanderson it will be necessary to procure a new leader for the troop. Registrations should have been sent in soon, but since that has not been done it was deemed best to make new application and date the registration from the time the application is filed with the council.

Joe Kerr, Jr., is chairman of the troop committee and the Rotary Club is the sponsoring organization.

Toby Courtney, five year old son of Mr. and Mrs. P. P. Courtney, is enjoying many hours of riding in his wagon which is pulled by a six-month-old goat which was given to him by Claude Hill of Longfellow. Mr. Courtney has broken the goat to the bridle and harness and trained him. Times photo

EAGLES FAVORED OVER FABENS IN GAME HERE FRIDAY NIGHT ON EAGLE FIELD

The Fabens eleven will be in Sanderson Thursday to play the Eagles here at 8 o'clock Friday night on Eagle Field. Sanderson is thought to be the stronger of the two teams by virtue of the fact that Fabens has lost all their games and Sanderson has lost only to Del Rio and Iraan, and has won 4 games, two being conference tilts.

The Eagles have been working diligently this week in preparation for the game Friday night and the coaches report the team to be in tip-top shape. There are no injuries to prevent any of the players from being able to participate in the game.

Work has been progressing during the past two weeks in moving the cable back from the side lines an additional six feet. This

move was undertaken by some of the rabid football fans of the community with the help of the local Lions Club in an effort to lessen the hazard of an injury to one of the players by coming in hard contact with either the cable or the steel supporting posts. The job is now complete.

Additional work has also been done on the PA system booth on the north side of the field to help break some of the wind from those who help announce the game for the benefit of the spectators.

The junior football teams are playing in Marfa Thursday of this week.

Local fans are urged to be on hand Friday night to watch the local boys in their engagement with Fabens. They are promised plenty of the gridiron thrills.

NEW ROAD IS DEDICATED

State and national officials look on in the photo above as U. S. Highway 285 was formally opened Tuesday, October 17, in ceremonies on the Comanche Creek bridge in Fort Stockton. Fred Wemple, center, chairman of the Texas Highway Commission, stands with scissors in hand as he prepared to cut a crepe-paper barrier across the road. On hand to see a job well done are, left to right; former Senator H. L. Winfield, Fort Stockton banker who is chairman of the highway committee of the Pecos County Chamber of Commerce; U. S. Congressman Ken Regan of Midland; Mr. Wemple; Senator Hill Hudson of Pecos; Judge R. S. Wilkinson of Sanderson, county judge of Terrell County; and L. J. Cabanis, Pecos division engineer of the Texas Highway Department. (Photo by Mosley, Fort Stockton.)

U. N. DAY PROGRAM AT ASSEMBLY TUESDAY
The high school students and the 7th and 8th grade students of the Terrell County Schools observed United Nations Day in Sanderson on Tuesday, October 24, with a general assembly program in the high school auditorium.

V. E. Wattner, high school principal, had charge of the program and was assisted by high school students in presenting the theme of the day to the assembly.

After opening remarks by Supt. Matt Bader and Principal Wattner, "America" was sung by the group. Mr. Wattner gave a talk on the United Nations flag which was presented to the school by the Ranch Home Demonstration Club. Betty Sullivan explained the message of the United States flag, followed by an explanation of the United Nations flag by Barbara Clark.

The audience, led by Mrs. W. E. Grigsby, then gave the pledge of allegiance to the United States flag and to the United Nations flag.

After an explanation by Mr. Wattner of organization and purpose of the United Nations Organization, a letter was read from the secretary general of the U. N. to the young people of the world.

The program was concluded by a song entitled "March on United Nations," sung by Mary Lou Cargile and Marilyn Courtney, accompanied by Shirley Thompson on the piano.

BAND TO GO TO OZONA

The Sanderson High School Band will make a trip this coming Saturday to Ozona for the second annual homecoming in that city.

There will be a number of other bands to participate in the parade which will be held at 2:30 that afternoon.

JUNIOR BAND HAS NEW PRESIDENT

A new president for the junior band has been elected to replace Ida Rojo who has dropped from the band. She is Amelia Borrego.

Junior Teams Take Two Games From Lads Of Fort Stockton Here Last Thursday Night

Plenty of fun, excitement and football thrills were witnessed on the gridiron at Eagle Field last Thursday evening when the two junior teams of the local schools played like competitors from Fort Stockton. The locals wearing the orange and black uniforms won both games.

In the first game, the Pee-Wees, Eagle eggs, won 6-0. Darrel Glenn Cox passed to S. Garza for the only tally of the game. Cox is the man under the T formation on the team and Garza is an end.

These lads showed plenty of insight and spunk in their game and though tears were frequent, it was from disappointment and high tension along with some hard bumps more than from even a slight injury.

The boys showed good tutelage by their coach, Dewey Lowe, in the execution of the intricate T-formation plays. Their passes were working with exceptional perfection and their eye for play indicated a strong Eagle team for future years.

In the juniors' game the local boys won 26-0 from the Ft. Stockton team. These boys were much faster than the Pee-Wees and show more advanced skill than did the Pee Wees. Joe Mitchell is the junior coach.

Their first score was in the first quarter by Ochoa on a pass from Zepeda, junior fullback. They scored again in the same period on a pass from Pena to Calzada. In the second quarter Zepeda ran 38 yards for a TD and in the third quarter Zepeda again went over the goal line from the 15 yard marker.

A safety in the fourth quarter netted the juniors an additional two points.

A display of fine sportsmanship was displayed by all four teams in the double header Thursday night beginning at 6:30. The lads played hard together for their own team's advancement and gain.

Fans who saw both game have an insight to a strong Eagle team which already is looming as a big threat to conference play in the near future. The junior boys handled the ball with a minimum of fumbles and made their plays break fast to allow the best advantage for the ball carrier.

38-0 SCORED BY EAGLES IN TILT WITH CLINT ELEVEN THERE

The Sanderson Eagles kept up their streak of coordination and team work to down the Clint Wildcats 38-0 there last Friday night.

M. B. England and C. W. Snowden, Eagle mentors, stated this week that it was clearly a decisive win for the Eagles in every respect. They used all of the boys on the squad against Clint in an effort to hold down the score and save their strong players for the Fabens game this week end.

Eagles playing against Clint were: Juan Olivares, Willie Wolfe, David Mitchell, Tommy Mansfield, Gene Chandler, Jack Talbot, Roberto Silvas Jimmie Harrison, Jack Savage, Odell Carruthers, James Clark, Ruben Esqueda, Gary Vashinder, Maggie Bustos, Galoar Cobos, David Flores, Bob Wilkinson, Roberto Arredondo, Charles Stegall and Nickie Hahn.

Sanderson brought blood early in the first quarter when Talbot ran 43 yards to cross the goal line. The try for extra point failed. Sanderson kicked to Clint who failed to make the necessary yardage and Silvas returned a punt 75 yards for a TD. The try for the extra point again failed.

In the second quarter the Eagles blocked a punt and Mitchell ran across from the 6 yard line to score the third touchdown. Chandler converted the extra point to make the score 19-0 at half time.

In the third period Mansfield passed 15 yards to Wolfe who ran 20 yards for a tally and Chandler again converted.

Chandler went through the middle for 35 yards and a score in the fourth period. There was no extra point. Olivares passed to Flores for the last touchdown of the fray.

The Clint team failed to penetrate the Eagles' 20-yard line one time in their play.

Sanderson made 8 first downs, 165 yards rushing and made 3 penetrations other than the touchdowns.

Hitchhiker Sought In Theft of Car, Money From Benefactor

A 1950 Ford sedan was reported stolen to Terrell County officers about 2 a. m. Thursday from in front of the Kerr Hotel. The car belonged to Babe Phillips of Ozona.

According to Phillips, he had picked up an elderly man in Comstock and brought him to Sanderson. After arriving here, Phillips offered the man a bed for the night. Instead of the bed the man took Phillips' wallet and car, and according to reports "all his faith in mankind."

It is supposed the car was taken about 6 p. m. giving the man several hours headstart on the officers and leaving no trace of his get-away direction.

The car had not been apprehended at press time Thursday, but reports of the theft were on department of public safety radios and the car and suspect are being sought over a wide area.

Reception Sunday To Honor New Methodist Pastor

The Presbyterian Church will dismiss services Sunday evening to join the congregation of the Methodist Church for the evening worship service at seven o'clock. A cordial invitation is extended all of the residents of the community to hear the new Methodist minister, Rev. Olaf Hoggard.

The ladies of the church will be hostesses for an informal reception in Fellowship Hall following the service, honoring Rev. and Mrs. Hoggard and son, Bobby.

Rev. Olaf Hoggard New Methodist Pastor

Rev. and Mrs. Olaf Hoggard of Tulsa, Oklahoma, arrived in Sanderson last Thursday evening and he assumed the duties of the pastor of the Methodist Churches in Sanderson and Dryden.

Rev. R. A. English, who had served almost five months of the conference year, was transferred to a new church at Odessa and Rev. Hoggard replaces Rev. English.

Rev. Hoggard, a native Oklahoman, is a young minister and has served several charges since his graduation from Southern Methodist University.

Bobby, their six-year-old son, entered the first grade here Monday.

SEATED TEA LAST THURSDAY FOR CLUB WOMEN

A seated tea was the courtesy extended by Mrs. O. H. McAdams and Mrs. Wesley Kirby who entertained the members of the Sanderson Culture Club Thursday afternoon at the McAdams home with the members of the Evening Study Club and Junior Woman's Club as invited guests.

During the brief business meeting of the Culture Club, Mrs. H. E. Stolle was elected to serve as president during the unexpired term of Mrs. E. W. Hardgrave who has moved to San Angelo.

Mrs. McAdams introduced the program numbers including a very informative talk by Mrs. H. A. Smith on the observance of Child Welfare Week and the general health program of the Texas Department of Public Health.

Miss Margaret Arrington, who is senior worker with the Child Welfare Department with headquarters in El Paso gave a vivid picture of her work and told of several experiences she had in conjunction with her duties as a senior worker on special cases.

The Halloween motif was stressed in the appointments and decorations for the tea. A witch, complete with broom, was stationed at the entrance to the party rooms and an arrangement of yellow and orange garden flowers was on the coffee table in the living room and a large bouquet of white mums on the table was reflected in the mirror. Miniature witches, Jack-O-lanterns, shocks of grain and other motifs were arranged on the piano.

The lace-covered refreshment table was centered with a huge arrangement of bronze chrysanthemums flanked by yellow candles in brass holders. Fruit, pumpkins and autumn leaves formed the artistic arrangement on the buffet with yellow tapers burning in flower holders. Mrs. J. W. Pate served the salad from one end of the table and Miss Betty Jo Kerr presided at the silver tea and coffee service at the other extremity. Cookies, mints and sandwiches re-

Mrs. S. H. Underwood Program Leader For Methodist W. S. C. S.

Mrs. Chester Boyd and Mrs. Harry Newton were hostesses at the meeting of the Methodist Womans Society of Christian Service Monday afternoon in Fellowship Hall. Dahlias and daisies decorated the speakers' table and yellow mums formed the centerpiece on the refreshment table.

The Lord's Prayer repeated in unison opened the meeting with Mrs. S. H. Underwood leading the program on "Methodist Medical Work Overseas."

Following the reading of the Bible passages by Mrs. Boyd the program numbers were presented by Mesdames Wiley Cox, W. T. Attaway, M. W. Duncan and Miss Eva Billings.

Prayer by Mrs. Underwood concluded the worship service.

During the business meeting when reports were given by the officers, Mrs. Wayne Watkins was welcomed as a new member.

Chicken sandwiches tinted in pink and green, potato chips, jam cake, mints, tea and coffee were served by the hostesses.

Members present included Mesdames P. V. Corcoran, C. H. White, M. W. Duncan, L. E. Arledge, W. T. Attaway, A. B. Gates, Wiley Cox, Gene Banner, Olaf Hoggard, J. W. Pate, Ida Bodkin, S. H. Underwood and Miss Eva Billings. Mrs. M. E. Shows was a guest.

Methodist W. S. C. S. To Observe Quiet Day

"Quiet Day" will be observed by the Methodist Womans Society of Christian Service Monday, October 30 at the church as part of the observance of the Week of Prayer and Self-Denial.

The meeting will open in the chapel at 10 o'clock and dismiss by 11:40. The afternoon session will be from 2 o'clock to 3:30. Miss Eva Billings will lead the program.

peated the chosen colors and motif.

About fifty guests attended the tea.

MRS. J. D. NICHOLS NEW PRESIDENT OF H-D CLUB

The Ranch Home Demonstration Club met last Friday morning in the home of Mrs. J. W. Byrd with the group singing "America" and repeating the club prayer in unison to open the meeting.

The United Nations flag under construction was displayed to the members by the president, Mrs. H. E. Schroegler. After additional work on the flag during the day, Mrs. Herman Couch volunteered to complete the flag and it was presented to the high school in time to display it on United Nations Day, October 24.

Mrs. N. M. Mitchell was chairman of the nominating committee and the officers elected included Mrs. J. D. Nichols, president; Mrs. M. W. Duncan, vice president; Mrs.

A. W. Pope, parliamentarian; Mrs. I. E. Rusk, reporter; Mrs. N. M. Mitchell, secretary-treasurer; Mrs. E. E. Farley, exhibit chairman; Mrs. W. W. Sudduth, yearbook and program chairman; Mrs. Vic Littleton, recreation chairman; Mrs. J. W. Byrd, Texas Home Demonstration Agent chairman.

Miss Hambright, Home Demonstration agent, took charge of the discussion and display of rugs. A beautifully hooked rug on display was made by Mrs. H. L. Lowrance of Fort Stockton and braided and crocheted rugs made by Mrs. Hambright also of Fort Stockton. Miss Hambright gave a demonstration of the making of all three types.

Coffee and a salad were served at noon with the lunches brought by the members.

In the afternoon, films were shown to stress ample built-ins and storage space in homes. Other features brought out were interesting reading nooks and home-

made rugs and upholstery, and good and poor artificial lighting was also noted.

At the close of the program, Miss Hambright served peaches and cream on Swedish rosettes with hot tea to Mesdames H. E. Schroegler, M. W. Duncan, J. D. Nichols, M. E. Shows, J. W. Byrd, N. M. Mitchell, Vic Littleton, E. F. Pierson, Herman Couch and I. E. Rusk.

Mr. and Mrs. C. E. Yeates of Sheffield visited here Tuesday with his mother, Mrs. H. W. Hall, and other relatives.

Mr. and Mrs. Austin Nance and Vannah Jo made a business trip to San Antonio for two days last week.

You Can't Build A Better Mousetrap!

"They're not the best-looking mousers a man ever had," Hack Turner said one day, "and they're not awful tempers. But I've found it pays to have 'em around."

Hack was talking about a family of barn owls, nesting in his silo this year. Some folks believe those little white-faced screechers kill chickens—and ought to be shot on sight. But Hack disagrees.

"Up at State University they've studied barn owls for years—and never known one to eat a chicken. On the other hand, a daddy owl will clean up around 300 mice a month. Farmers that kill barn owls are throwing away the best mousetraps known to man!"

From where I sit, when someone shows a prejudice against any group of animals or humans—it's usually just based on misunderstanding. For instance, some folks are plumb intolerant about those of us who enjoy an occasional quiet glass of beer. Get to really know us and you're liable to find we're pretty good birds at that!

Think twice today when you buy a truck!

THAT new truck you're considering may have to last a long time. So you'll be wise to look at a GMC for these important reasons:

GMC's are built by the world's largest exclusive manufacturer of commercial vehicles—with the broadest truck engineering experience.

GMC's are real trucks. Engine, transmission and frame, as well as cab and axles, are all specially truck-built to give you longer service.

GMC truck-built engines have high horsepower with higher sustained torque—greater pulling power. They are built to give extra years of service with less maintenance.

GMC extra-value features include Synchromesh transmission, Tocco-hardened crankshaft, full-pressure lubrication, recirculating ball-bearing steering gear, airplane-type bearings and Lifetime Weathersealed cabs as standard equipment on practically all models from 1/2 ton up.

That's why more truckers are buying GMC's today than ever before—experience proves them best in the long haul!

Our first state college—Texas A. and M. is now in its seventy-fifth year

JEFFERSON DAVIS

Jefferson Davis, former president of the Confederacy, and one of the best-loved men in the South, was the first man elected to the Presidency of the Agricultural and Mechanical College of Texas. In June of 1875, the board of directors for the newly-authorized school met in Bryan and voted to offer the post to Davis, then living in retirement in his native Mississippi. Governor Richard Coke, chairman of the board, tendered the offer in a manner typical of the feeling of the times. "As the representative, not only of the Board of Directors of the Agricultural and Mechanical College of Texas," he wrote, "but in behalf of the State of Texas and all her people, I ask that you come and live with and be one of us and make your home and resting place, after a long and eventful public service, among a people who will never cease to love and honor you." The former President replied that "No occupation would be more acceptable to me..." but that "In the consciousness that I could not satisfactorily perform the duties of the office," he must decline to accept it. In poor health, Davis was never again able to assume major public duties. He recommended his friend, Thomas Gathright, then Superintendent of Public Instruction for Mississippi, for the post, and Gathright became the college's first president.

Survey Shows Radical Change in Wives' Food Shopping Habits

Homemakers may not realize it, but their shopping habits have altered radically, especially within the last ten years.

According to a recently completed survey of housewives conducted by university research experts most women now shop for groceries only once a week, and their favorite day is Friday. This is due largely to two factors: the prevalence in both small and large communities of the supermarket, which stocks all goods in one location, making it unnecessary to shop from store to store, and the influence of foods advertising in papers toward the end of the week.

But the Friday preference is still mostly habit, and store managers are willing to change all that. They have been urging for years that women avoid the crush of weekend shopping and market at the beginning of the week instead. Any day now is a good day on which to buy food, since automatic refrigerators in both homes and markets insure the proper refrigeration necessary to the preserving of foods.

In the old days, before refrigeration engineering caught up with the homemaker's requirements, it

was almost mandatory that she load up on food for the crowded week end meal schedule, because her inefficient icebox could not be relied upon to preserve foods over a longer period.

Now that the modern refrigerator has replaced the fast-melting ice cake, and the newest models come equipped with special compartments for frozen foods, the lady of the house can save herself wear and tear of crowds by doing once-a-week shopping on a day when customers are fewer in the stores. Monday, Tuesday and Wednesday are excellent days, the survey shows. Although 44 per cent of women shop on Fridays, only approximately 3 per cent avail themselves of the first three days of the week.

Mrs. C. A. Murray and her daughter, Mrs. J. Morgan, left Friday for their home in New Orleans, La., after visiting here with her son and daughter-in-law. Mr. and Mrs. Charlie Murray. The Murrays took them to San Antonio to go by train.

Mrs. Jettie Peavy and Mrs. Windie Magill visited in Alpine Saturday with their daughters, Betty Ann Peavy, who was there for the Sul Ross homecoming, and Ginger Magill, who is a student at Sul Ross. They spent Sunday in Marfa with relatives.

Cox Warns of Danger Of 'Uncooked' Hams

Austin, Oct. 25 — Old style, palate tickling, succulent smoked ham like you used to prepare for special Sunday dinners are giving way to the tenderized and ready-to-eat varieties.

Increased danger of spoilage also comes with the change, State Health Officer George W. Cox says.

Used to be you could salt down a ham, then home-smoke it slow and easy. When done, you could hang it on the back porch easily for a quick slice.

Those days are fast waning, for city bound folks. Ask your butcher for a smoked ham nowadays and you get two choices: "tenderized," or "ready-to-eat." They look the same, and have some of the old sweetness. But there the similarity ends, Dr. Cox says.

Since less preservative salt is used in the smoking process, today's ham products have to be placed under immediate refrigeration, the same as any other meat.

"Tenderized" hams are smoked at a temperature of approximately 129 degrees, Dr. Cox says that means that they have to be cooked before eating in order to kill any trichina larvae that may be present.

"Trichina larvae, which causes trichinosis, are killed at a temperature of 137 degrees F," the health officer cautioned. "That's internal temperature."

He warned that "ready-to-eat" ham products are smoked at approximately 160 degrees, and cured with less salt than regular smoked hams. They'll spoil easily unless kept under refrigeration until eaten.

Here are the health officer's recommendations regarding these meat products:

1. They cannot be stored in temperatures above 50 degrees. Neither can prepared dishes or sandwiches made from the products.
2. Strict sanitation should be observed in handling them.
3. They should be handled in re-

frigerated equipment from packing plant to consumer.

4. Cook-before-eating must not be confused with ready-to-eat meat products. Always ask the retailer about the meat to make sure of the cooking procedure.

Mr. and Mrs. Tol Murrach spent several days in San Antonio on business this week and visited with Pvt. Anson J. Magill at Lackland AFB. They were accompanied by Will J. Murrach and Bill Magill.

TRAIN WRECK IN LOUISIANA DELAYS PASSENGER TRAINS

A train wreck in Louisiana is to blame for the late arrival and departure of westbound passenger trains this week. A freight train ran into a 200 foot span of the lift bridge over a navigable stream in Louisiana and all trains had to detour by a longer route. Repairs were completed Monday and the Wednesday morning train was on time. A. C. Smith, local agent, stated that he did not know when the bridge would be repaired and the normal schedules resumed.

New School Band Officers Elected

The officers for the Beginners' Band have been elected to include Maudie Moore, president; Alicia Marquez, vice-president; Correne Stidham, secretary; Loyce Thorn, treasurer; Brucks Bader, reporter; Roland McDonald, sergeant-at-arms.

Ida Rojo is president of the Junior Band; Stella Flores, vice-president; Amelia Borrego, secretary; Martha Flores, treasurer; Coy Boatner, reporter and Tony Hopper, sergeant-at-arms. Loyce Jacob, band director, has over one hundred band pupils this year. Forty-seven are in the beginners' band with thirty-six in one group and eleven in another. The junior band has thirty-one members. Eight of those will be in the Senior Band after football season. Only eight more uniforms are available and consequently only eight members can be added to the senior band. There are good prospects for a sixty-piece band next year and about twenty-six new uniforms will have to be secured to outfit a band of that size.
