LISTEN TO LUKE

Since last week everybody has had time to do some sober thinking. The world was shocked—that everybody but Stalin and the British empire—when General MacArthur was removed from his command in the Asiatic sector. It tells his story there is no doubt that the perlor-pinks in Washington will begin to howl that it is a political hush to create confusion. Mr. Truman, as commander in chief, has the constitutional authority to relieve any commander in chief. There is no argument there. The gambling racketeers and communists being investigated for subversive actions pleaded immunity from testifying on the constitutional rights that their testimony might incriminate them. Mr. Truman can vindicate his actions by the United States Constitution, but he cannot vindicate himself for having done this in the face of international facts. Remember, both Chiang Kai-shek and Martin Dies proved themselves capable of leading a crusade against Communism. When Martin Dies was taking a beating in Washington he was trying to expose such people as Alger Hiss and the Reds. Hollywood, Chiang was taking a beating in China because we took kith props out from under him. He also became the target of a smear campaign here in the U. S.

Don't stop there: J. Parnell Brown, who followed Dies, went against him who ended his vigorous attack on the Communist in the country. All this happened at a time when the administration was calling all this Communist red herring and many other names, including Republican skull-grubbing.

Communism must be destroyed in this country to survive. Recently a professor in the University of Texas was called to account some of his Communistic writings to our boys and girls in a great institution. He was given a clear record and told to go ahead teaching those principles. He stated that he was not a Communist. Regardless of whether or not he belongs to a party, he is teaching those principles should be kicked out. Such men that teacher can indoctrinate thoughts to others who will in get into our public schools.

Dr. Dorsey B. Hardeman of Angelo recently published an article in a letter to Mr. J. Everts Haley regarding the purported nearing of Ayers' socialistic teachings. Dr. Hardeman says that Dr. Haley's statement that he had never considered himself a socialist is not proof enough that he was one. The senator deprecates the notion of things in the Universities that are being taught under the guise of "academic freedom."

Have but to call your attention to a text which is being taught as a freshman government course at the university which contains articles of such avowed Socialists as Harold Las-MacCurdy, Bowby, Russell and some several others, besides Americans who are of the stripe," says the Senator, "to some idea of the trend of things."

School authorities throughout the state should screen teachers thoroughly and see that no such rot is brought into our public schools.

Below is an editorial from the Oklahoma City Daily Oklahoman Thursday, April 12. Read it and if it doesn't touch close to the thinking of the American people:

AT MIDNIGHT
It was altogether fitting and proper that the order degrading General MacArthur should be issued at midnight "Oklahoma style." That is the hour when bats and thieves prow and honest men have retired to rest. No hour has been more appropriate for such a deed.

For the first time since the Civil War a commanding general has been retired under shell fire, to the accompaniment of the cannonade. It was not done in the Spanish War or in either of our World Wars. It was not done by McKinley, Roosevelt or Roosevelt. But now it is done.

SHEPHERD ASK AID FOR SCABIES FIGHT IN AUSTIN MEETING

Texas shepherds were in Austin Monday seeking additional funds to fight sheep scabies among Texas flocks. S. L. Stumberg of Sanderson was among those attending the meeting.

The group met with representatives of the Texas Livestock Sanitary Commission; conferred with Governor Allan Shivers and with legislative members relative to getting an additional \$300,000 appropriation for the next two years for the commission.

Restrictions which other states have placed on the movement of Texas sheep into these states, particularly California, are costing Texas sheep producers an estimated amount of money and time, although the sheep have been declared clear of scabs.

Three new outbreaks of scabs all unconfirmed but believed to be true, were reported over the week end. They were said to be in Upton, Brewster and Culberson Counties.

Inspectors were said to be on the job and dipping will be in order if scabies are discovered.

Tuesday Senator Dorsey B. Hardeman of San Angelo introduced a bill to give the commission an additional \$30,000 for expenses in the sheep scabies fight.

Hardeman asked an early hearing on the measure by the Senate Finance Committee to which the bill was assigned.

The \$30,000 would be added to \$26,500 which the governor had announced last fall out of emergency funds. The commission had \$54,000 in ordinary annual appropriation funds at the outset.

The \$30,000 addition would permit the commission to meet extra traveling expenses of inspectors accruing between now and Sept. 1. On Sept. 1 general appropriation bill funds would become available.

Rep. Dorothy Gurley of Del Rio introduced a bill in the House on Tuesday afternoon to parallel that of Hardeman's.

Att.-Gen. Daniel Reports No Slot Machines In County

In a letter recently from Attorney-General Price Daniel, following the conference of prosecuting attorneys in Austin on March 30-31, it was disclosed that there are no gaming devices listed by the Bureau of Internal Revenue in this county for the fiscal year.

The letter continues:—"I congratulate Jack Hayre, County attorney, and the other law enforcement officers of your county and hope that you will continue such a good record in the future. According to the Kefauver Committee reports, slot machines and similar gaming devices are the 'easy money' support of the national crime syndicates, drawing from one to three billion dollars annually from the people of the nation."

"I appreciate the cooperation of county and district attorneys of our state in waging such a vigorous campaign against organized crime that present violators will close and outside hoodlums and racketeers will know that Texas is no place for their business."

BROWNIE SCOUTS HAVE COOK-OUT MONDAY

The Brownie Scouts had a cook-out Monday afternoon at the Kerr well. The girls roasted weiners made a salad and toasted marshmallows.

Mrs. Herbert Brown and Mrs. J. A. Gilbreath, leaders, and Mesdames Jack Stone and Bill Holland accompanied the group. Approximately twenty girls were present.

MRS. L. E. PETROSKY ATTENDS FAMILY REUNION

Mrs. L. E. Petrosky has returned home from Alpine where she attended a family reunion in the home of her parents, Mr. and Mrs. E. A. McMillan. Mrs. Petrosky's two brothers, Seaman First Class Elmer McMillan of San Diego and Seaman First Class Buddy McMillan, who has been serving in the Korean waters, were at home on leave.

Miss Carolyn Courtney To Be Summer Bride

MISS CAROLYN COURTNEY

The engagement of Miss Carolyn Courtney to Francis A. Gierlinger has been announced by her parents, Mr. and Mrs. Paul P. Courtney, of Sanderson.

Miss Courtney is a graduate of the Sanderson High School and attended Trinity University in San Antonio. She will graduate from the Baylor Memorial Hospital School of Nursing in May.

Mr. Gierlinger, the son of Mrs. Esther Gierlinger, of Perryville, Mo., received his B. A. Degree from St. Mary's University in San Antonio and resides in that city.

The wedding will be an event of the late summer.

Eagles Go To Odessa For Regional Meet

Bobby Joe Hill will represent the Sanderson High School in senior boys' singles tennis at Odessa Friday at the Regional meet. This is Hill's fourth trip to the regional meet. Miss Barbara Clark will go as high school girls' declamation entrant.

Representing the local high school in track events will be Willie Wolfe in the 880-yard run and Jack Talbot in the 100-yard dash. A relay team for the 440-yard event will be composed of Talbot, Gene Chandler, Juan Olivares and Rosendo Silvas.

M. E. England, Joe Mitchell and V. E. Wattner will accompany the students to Odessa to meet.

County Officials Go To Austin On School Tax Raise Issue

County judge R. S. Wilkinson, who is also ex-officio county superintendent, County Attorney Jack Hayre, and V. E. Wattner, principal of the Sanderson High School and ex-member of the Texas Legislature, went to Austin Monday afternoon in order to find out what could be done to get the school tax raised from \$1.50 to \$1.75.

According to Judge Wilkinson the bill was before the Senate when they arrived in the capitol city and they sought permission to have the bill amended so as to include counties which had only one common school district within the border of the county and that the figure of 3,100, being the total population of the counties to which the bill could be applicable, be raised to 3,250. Permission for both amendments was granted and Wilkinson stated that the probability and possibility of the passage of the measure was favorable, according to reports from the legislative representatives that were contacted.

Judge Wilkinson added that if the bill was approved by the legislative branch and oked by Governor Allan Shivers a vote would be called in Terrell County to approve or reject the 25c rate in school taxes. He added that the tax raise would amount to approximately \$9,000 for local maintenance and that this means of increasing the revenue for the school would be instituted in order to prevent the necessity of raising the valuation which would cause the taxpayers to pay near \$22,000 in order that the local schools could still benefit \$9,000, causing the taxpayers to pay in excess of \$13,000 over and above the desired amount deemed necessary.

RED CROSS SEEKS BALANCE OF QUOTA OF 1951 DRIVE

Mrs. Jettie Peavy, secretary of the Terrell County Chapter of the American Red Cross, stated Wednesday that only \$699 had been collected on the \$1,107 quota set for the Red Cross fund-raising drive this year. She added that the date for the termination of the drive had been extended until such time as the quota could be raised.

Mrs. Peavy stated that any who had not contributed to the Red Cross and who desired to do so were urged to make their contribution as soon as possible. She said that she would be glad to pick up their contribution, whether cash or check, or it could be mailed to her at her office.

NEWS OF SERVICE MEN

Pfc Walter Pauli has been in action in North Korea since early this month. He is with an ammunition carrying outfit.

Miles Sullivan left Thursday for San Angelo and from there will go to Houston to complete his enlistment in the U. S. Navy.

Pfc Jimmy Harris of the U. S. Marines left Monday for Korea. He has been stationed at Camp Pendleton, Oceanside, California.

Word was received Monday from Sgt. Monte Goode that he had been transferred to Camp Custer, Colorado. Goode is in an airborne unit of Rangers.

Cpl. Frank E. Earwood is now stationed at the Funsoka Ammunition Depot in Japan. He arrived overseas in February.

J. D. Thompson reported to San Diego Sunday to begin his recruit training in the U. S. Navy. He is the youngest son of Mr. and Mrs. S. D. Thompson and a 1950 graduate of the Sanderson High School.

A letter written by David Thompson of the U. S. Marines gave the information that his platoon was the first to cross the 38th parallel in Korea and he had figured that he was the thirteenth man to cross. He mentioned pretty weather and the fact that the men were all hungry for radios or newspapers from the States.

Methodist Parsonage Being Remodelled

Work was begun last week on extensive repairs to the Methodist parsonage next door to the church. Plans for the project were made at a breakfast served to the men of the church in Fellowship Hall last Monday.

A concrete foundation will be put under the house and the frame building will be stuccoed. The large porch across the back will be made into a room with large double closets across the north end, new flooring laid, and the plumbing changed.

The painting of the interior of the house, a project of the Woman's Society of Christian Service, has been progressing nicely with further improvements and additions planned.

R. E. Corder is contractor for the new improvements and repairs to cost approximately \$2000. He expects to complete the project in another week.

Fourth Quarterly Conference Sunday For Methodists

A covered dish supper to be served in Fellowship Hall at six-thirty will precede the evening service at the Methodist Church Sunday, April 22.

Rev. L. B. Trone, district superintendent, will be present for the supper and will preach at the worship service to follow the dedication of the electric organ. The fourth quarterly conference will also be held, according to the pastor, Rev. Olaf Hoggard.

The church groups of Dryden and Sanderson will attend the services.

School Children To Get Tuberculin Patch Test Monday

On Monday, April 23, the school children of the county will be given a tuberculosis patch test under the auspices of the Terrell County Tuberculosis and Health Association. Mrs. James Word, assisted by Mrs. J. W. Pate and Mrs. E. J. Hanson, will be in charge of the project.

The test will be given the pupils of the first five grades at the Sanderson school, and to the students of the Dryden school. The test will be free of charge and will be given with the consent of the parents of the children.

The patch test is a skin test which tells the doctor whether or not the germs which cause tuberculosis are living in a person's body. Usually the test is made by putting a tiny drop of a germ-free liquid called tuberculin just under the skin, probably on the arm. Sometimes a small square of paper with tuberculin on it is taped against the skin and left there for forty-eight hours. This is called the tuberculin patch test.

If nothing can be seen except perhaps a little redness of the skin then there has been no reaction and the germ which causes tuberculosis is not living in the body of the person being tested.

If the spot where the tuberculin was used in red and raised, this is a warning signal called a tuberculin reaction. At some time the germs which cause tuberculosis have entered the body but this should not cause alarm. A follow-up by the doctor is urged to ascertain if the person has damage from the germs or if they have come from some other member of the family.

Tuberculosis, which kills more Americans between the ages of 15 and 34 than any other disease, is considered a disease of adults. Few of us connect it with childhood or with children's deaths.

Yet, 1,636 children under 15 died from tuberculosis in 1948—699 of them from the pulmonary form of the disease. Of that total, 1,138 were pre-school children under five years of age.

The picture becomes more serious when we realize that annual deaths from tuberculosis among children are not declining as rapidly as among adults. Whereas the number of deaths from tuberculosis among persons of all ages declined nine per cent between 1947 and 1948, deaths among the children under 15 declined only four per cent.

The best way to cut down on these annual deaths from tuberculosis among children is obviously to step up our efforts to protect them from the disease.

No baby is born with tuberculosis. The disease is a communicable one and the child who contracts it gets it from his parents, his relatives or someone else with whom he comes in contact.

On the surface, it might seem that the best way to protect the children against tuberculosis is to keep them away from anyone who has the disease. But this is no simple matter. It is not always possible to tell who has tuberculosis because early tuberculosis has no obvious symptoms and many people have the disease without even knowing that they are ill.

R. M. TURNER CHARTER MEMBER OF ALPHA ZETA

R. M. Turner spent the week end in Lubbock and was initiated into Alpha Zeta, an honorary agriculture fraternity, at Texas Tech College.

The Texas Tech group is the second one to be organized in the state and Mr. Turner is a charter member of the organization. He is the vocational agriculture instructor in the Sanderson High School.

E. M. RAINBOLTS MOVE TO CLEVELAND, OHIO

Elmo M. Rainbolt of Pecos has been transferred to Cleveland, Ohio, and his family will join him there soon. They are in Fort Worth with her parents while the children recuperate from recent attacks of measles.

The Rainbolts are former residents of Sanderson while he was in the immigration service here.

Escapees Apprehended After Brief Freedom

Johnny Singleton and James E. Geyer were apprehended in Sierra Blanca Thursday morning after their escape from the local jail shortly after midnight Wednesday night. It is thought that their escape was made possible by the use of a key they found in the jury room while they were working in that place. The two men were being held in the local jail pending trial by the district court the latter part of the month of charges of theft of over \$50 and armed robbery.

Radio was used to notify all surrounding peace officers of the escape of the two men and their description in full detail aided the Sierra Blanca officers in the apprehension.

Deputy Sheriff B. F. Anderson left for Sierra Blanca Thursday afternoon to return the escaped man to Sanderson.

Eagle Band Makes Good Showing In Monahans Festival

The Sanderson High School Band under the direction of L. E. Jacob placed in the 3rd division in concert, 4th division in sight-reading and in the 3rd division in marching at the Monahans festival last week end.

Glynn Chandler, Pablo Flores and Jack Savage placed in the 1st division in solos and ensembles. Mary Landon Rose, Mary Lou Cargile and Douglas Attaway placed in the 2nd division; Tom Yturbe, Jack Talbot, Humberto Arredondo, Juan Valles, Jimmie Harrison, Jimmie Caroline and a cornet trio composed of Jack Talbot, Galar Cobos and Gary Vashinder; and a quartet composed of Bob Wilkinson, Mary Landon Rose, Jack Savage and Douglas Attaway were placed in the third division; Bob Wilkinson, Enedina Perez and Pablo Flores placed in the 4th division.

Shirley Thompson and Barbara Rose were accompanists in the solos and ensembles.

Mr. Jacob pointed out that twenty-one of the forty-four band students appeared in a contest for the first time this year and he hopes to add fifteen new members to the band next year.

Charles Stuckey Dies In Monahans

Funeral services were held at Monahans Saturday for Charles Stuckey, 31, who died suddenly in that city Friday night of a heart attack. The body was taken to Houston and interment was made there Sunday.

Mr. Stuckey, owner and manager of the radio station in Monahans and was to be named Monday night as the outstanding young man of Monahans by the Junior Chamber of Commerce.

Stuckey was a former resident of Sanderson when his father was T&NO agent here.

Enroute home from Houston, Mrs. C. Stuckey and two children and Mr. and Mrs. H. L. Stucky visited here with friends.

MRS. S. B. TURNER DIES IN GOLDTHWAITE SUNDAY

Funeral services were held in Bethel, Texas, Monday afternoon for Mrs. Lou Ellen Turner, 72, who died in Burnet, Texas, at the home of a daughter, following an illness of several months.

Mrs. Turner moved to Mason when a girl and was married to Silas B. Turner Nov. 22, 1894.

They had resided in Goldthwaite for the past thirteen years.

She was the mother of Ray Turner of Carlsbad, New Mexico, a former resident of Sanderson. Besides the husband and son, other survivors include Mrs. R. W. Sheppard of Rocksprings and Mrs. J. T. Williams of Burnet.

Mr. and Mrs. J. W. Carruthers, Jr., and Mr. and Mrs. W. H. Nesmith attended the funeral services.

REV. J. W. BYRD TO PRESBYTERY MEET

Rev. J. W. Byrd, pastor of the First Presbyterian Church, returned from Kerrville where he attended the annual meeting of the Western Texas Presbytery in that city on April 10, 11 and 12.

He also attended the inauguration of Dr. Andrew Edington as president of Schreiner Institute in Kerrville.

... by Truman. The man who bore the American battle flag across the Pacific, island by island to the palaces of Tokyo is jerked out of the battle line by a former captain of artillery.
On the battlefield itself the removal of MacArthur may prove to be relatively unimportant. General Ridgeway is a competent field commander and can be depended upon to carry on heroically. But in Japan proper the MacArthur removal may prove to be catastrophic. It is here that the ineptitudes of Harry Truman may have delivered a tragic blow.
For five years Japan has been the only peaceful occupied country on earth. Not even the United States or Great Britain has remained more serene. There have been no riots in Japan, no mutterings of revolution. The people have accepted foreign domination complacently and have obeyed all orders cheerfully. Of all the Asiatic countries Japan has remained the most impervious to the inroads of Communism. And that reign of serenity in the land of the Nipponese has been due entirely to the MacArthur name. Japan has remained peaceful because every soul in the war broken empire regarded MacArthur as the just and merciful friend of the Japanese. Now the Christian statesman who preserved the peace among 70-million conquered people has been fired in disgrace by the cum laude graduate of the Pendergraft machine.
Ridgeway is well equipped to lead the American armies as far as the Dean Acheson school of appeasers will permit them to go. But can he take the place of MacArthur by millions of Japanese fire-sides? Can he take the place of the conqueror of the Pacific in the hearts of 70-million Japanese? Will the reign of peace continue or will a rising sentiment turn Japan as Red as her Chinese neighbor?
Whatever the result of the MacArthur degradation and whatever the cost of this midnight coup by an unpredictable president, it is the boys who die in the foxholes that will pay the bill.

Mrs. Celeta Cole of El Paso, accompanied by her son, Bobby, and her niece, Ruth Marie Smith, of Alpine, spent the week end here with her parents, Mr. and Mrs. Chester Smith.

GARDEN CLUB HAS ANNUAL SHOW AND TEA

The members of the Sanderson Garden Club were hostesses for a flower show and tea Saturday afternoon at the home of Mrs. J. W. Pate. Due to the continued cold weather and the slow flowering of local gardens, the affair will take the place of the annual flower show.
Mrs. Web Townsend and Mrs. Frank Warren were judges for the show and stated that the originality and beauty of the arrangements made it difficult for them to make the awards. Mrs. T. R. Arrington was chairman of the flower show.
The audubon arrangements were on the chest near the entrance to the living room and Mrs. Duke Phillips was awarded first place, Mrs. J. N. Kerr, Jr., second, Mrs. J. W. McKee, third and honorable mention to Mrs. W. G. Downie.
First place was given to Mrs. H. E. Ezelle and second place to Mrs. J. Garner in the bridal arrangement class.
In the Signs of Spring class Mrs. J. W. Stone was given first award, Mrs. W. G. Downie second, Mrs. H. E. Ezelle, third.
The largest number of entries were in the April Showers class with first place going to Mrs. T. R. Arrington and Mrs. J. W. Happle, second places to Mrs. J. W. McKee and Mrs. J. W. Pate, third places to Mrs. H. E. Ezelle and Mrs. W. G. Downie and honorable mention to Mrs. J. L. Hatchel and Mrs. Clyde Higgins.
The Miniature and Mother's Day arrangements were in the lower book case shelves in the living room and drew much attention. Mrs. W. G. Downie won first in both classes with Mrs. J. W. Pate winning second place in miniatures and Mrs. O. H. McAdams, honorable mention.
Graduation Day arrangements were displayed in the guest room with Mrs. O. H. McAdams winning first award, Mrs. H. E. Ezelle as second and Mrs. T. R. Arrington, third with Mrs. J. N. Kerr, Jr., winning honorable mention.

ROYAL SERVICE PROGRAM AT W. M. S. MEETING

The specimen classes were arranged in the dining room. Mrs. Pate won the first award in the amaryllis group; Mrs. J. W. Happle first place in the yellow-green, King of the Whites and Imperator Blue of the Dutch Iris; Mrs. Jim Kerr, first place in the yellow Dutch iris.
Mrs. Happle's Ming yellow bearded iris won first place, and Mrs. Pate and Mrs. Bernard Kerr, second places, in the bearded iris group.
In the tulip class, Mrs. W. G. Downie won first and third places with her Pope Plus and Golden Gleam varieties and Mrs. H. A. Smith won second with her White Gloves. Mrs. Keith Mitchell was given a first place for her May flowering tulip; Mrs. Bernard Kerr won a first place for her Sweet William and Mrs. W. G. Downie won first place with her Fantasy Parrot Tulip.
Mrs. Happle was given first award for her California poppy and spray of Rose Henigaft, second for her spirea; Mrs. H. E. Ezelle, first for her columbine and Mrs. J. W. McKee, first for her cornflowers. Mrs. Jim Kerr won first place with her Gerber daisy, sweet peas, petunias, snapdragon and pansy. Mrs. Keith Mitchell, second with her lilac; Mrs. B. E. Kerr first with verbenas and second with pansies; Mrs. Happle first place with her anemones, ranunculus and St. Bridget hybrid anemones.
The refreshment table was covered with a brown fish net. The centerpiece arranged on a white marble slab, had Parrot tulips in a tree stump as the focal point with a bunch of radishes, grapefruit half and a large fish adding further emphasis to the color scheme of red, green and brown. Cheese sticks were in a copper chafing dish and sandwiches arranged on copper trays. Mrs. O. H. McAdams and Mrs. Joe Kerr, Sr., served punch.
About eighty guests called during the tea hours from three to five o'clock. A small potted plant was given to each guest.

Patty Gray Feted On 10th Birthday

The pupils of Miss Betty Jo Kerr's fourth grade were invited to a party at the home of Mrs. O. D. Gray Tuesday afternoon to honor her daughter, Patty, on her tenth birthday.
The guests enjoyed a weiner roast in the back yard and a period of games. Mothers assisting the hostess in entertaining the children were Mesdames T. O. Moore, L. W. Welch and V. E. Keyes.
Other children attending were Maudie Moore, Sharon Wooten, Bunny Keyes, Weldon Werneking, Lois Thorn, Diana Duke and Frankie Turner.

Why not give your Pride a Break?

Let's see what it means to own a ROADMASTER. It means, first of all, that you're a shrewd judge of fine manufacture. Nowhere will you find a mechanism more skillfully fitted part to part with scrupulous precision—engineered to stricter standards of fine-car quality—than the deep-framed and durable ROADMASTER chassis.

It means, also, that you possess keen appreciation of everything that makes for unsurpassed performance.

For there's more to this dazzling beauty than its thrilling take-off. There's the surplus of power that you need to make you the master of busy traffic or open road—plus the velvet magic of Dynaflo Drive (at no extra cost, mind you).

There's the level-going luxury of ample roadweight buoyantly balanced on coil springs on every wheel—and the security of brakes specifically engineered for firm control of this great-powered beauty.

But there's still another distinction to being a ROADMASTER owner.

It marks you as one who buys wisely and well. Size for size, pound for pound, feature for feature, few cars can even approach what your dollars will buy in this finest of Buicks.

There's much more to be discovered by a visit to any Buick dealer's showroom.

There's the sumptuous softness of cushions, the custom excellence of fabrics and interior trim, the grace and charm of every line and contour.

So if you've dreamed of sometime owning a car superbly fine, there's no time like the present—and no car like ROADMASTER for making dreams come true.

Equipment, accessories, trim and metals are subject to change without notice. Your Key to Greater Value
