J. A. Mansfield **Named Deputy To** Sheriff J. S. Nance

J. A. MANSFIELD

At the meeting of the county commissioners Monday, that body aproved the appointment of J. A. Mansfield as deputy sheriff of Terrell County, and the full powers of the office have been bestowed upon him, effective that day.

The naming of Mansfield to the office of deputy sheriff fills a post vacated several monthes ago by INFORMATION the resignation of B. F. (Andy) Anderson who moved to San Antonio to accept a position with the TEXAS 'CAR' LAW suffering he was cheerful and Southwestern Cattleman's Association after serving for 14 years as deupty sheriff of Terrell Coun-

County committeemen elected in Terrell County in Friday's elecon the first cross-country tion were announced today by the County P M. A. Committee chairman, F. M. Wood, Jr. to include:

Chairman, Lee Dudley; vice chairman, L. E. Arledge; regular ded in the north part of town member, Tol Murrah; first alterthoughtful residents had nate member, Reginald Monroe; second alternate member, Dudley

Chairman Wood emphasizes that the newly elected committeemen will have greater than usual responsibilities in the coming year. The line and the wife and sponsors national emergency and the defense production program have added a great deal to the responsibility of farmer-rancher committees. Although they serve only a few days in the year in program administration, they are on call at any time to carry out special as-

Committeemen are directly re sponsible for the local administration of the Agricultural Conservation Program, price support operations, and the sugar program. In addition they cooperate with the Federal Crop Insurance Corporation in the writing of all-risk crop insurance and other U.S. Department of Agriculture agencies and groups in duties connected with the Nation's defense efforts.

County committeemen are elected for one year and take office on December 1.

NEWS OF

News was brought to Sanderson relatives from a Dayton, Ohio newspaper story carrying a United Press synidcation of participation by Ensign Don Frazor of Sanderson in a dramatic rescue of a downed U. S. Air Force pilot.

The story is as follows:

Lt. (J. G.) William L. Burgess. Houston, was flying a demolition mission with another pilot both in Skyraider attack bombers the USS Essex, when Burof enemy gunfire and he was forced to crash-land his bomber in the sea. He was hurled into the water and immediately inflated his life jacket. Ensign Frazor and another pilot reported guns in caves about 8,000 yards from Burgess and the members of the Skyraider squadron raked the beach with gunfire while the USS Conway, a destroycrew of the Conway snatched Bugess from the water less than 20 and Cmdr. Herman Crum, Kansas City, commended the rescue as "well done."

RECEIVED ON NEW

Mrs. Jettie Peavy and Mrs. Ed Leatherwood attended a meeting in Fort Stockton Tuesday, which dealt mostly with the registration of vehicles for the coming year.

In recalling the information given at the meeting, Mrs. Leather-

The game was played on Friday afternoon to enable the team and spectators to come back by Iraan to witness the game in that city for the district championship. Wink was the invading team and won that contest 32-14.

Juan Olivares chunked the aret touchdown pass to David Mitchell who went the balance of the 20 yards between the origination of the play and the goal line. Roman Zepeda carried the ball over for the second TD on a 30-yard run. Jack Talbot went another 30 yards for the third goal and then repeated with a 45-yard lope later for the fourth TD.

Bob Wilkinson converted the extra point after the first three Eagle scores.

Jiggs Chandler made one touchdown for the Eagles but the play was called back because an infraction of the rules had occurred.

The strength of the Eagles was displayed in the fact the Grandfalls made only 1 first down during the entire game.

Eagles who saw action against Grandfalls were Tommy Mansfield, Juan Olivares, Raul Flores, Rosendo Silvas, Pablo Torres, Willie Wolfe, Roman Zepeda, Jim Talbot, Jack Talbot, David Martinez, Glenn Chandler, Jimmy Harrison, Galor Cobos, Ruben Esqueda, Roberto Arredondo, Jack Savage, Nicky Hahn, Leon Garza, Bob Wilkinson, David Mitchell, Highio Pena, Joe Nessmith and Frank

Vasquez. The bi-district game will be played against Hermleigh on Friday, November 30, in Sanderson

with game time set at 7.30 p. m. The footbal lmothers will have their usual concession at Eagle coffee available for those attend-

ing the game. A meeting in Odessa Monday of officals of the schools in Sanderson and Hermleigh decided the location and date of the meeting of the two district winners for the bi-

district playoff The Eagles will have a full two weeks to get in tip-top shape for the coming grid fray and Coaches C. W. Snowden and Norman Rath are attempting to put up their best competition possible against Hermleigh. The boys are in fine shape with the exception of one or two minor muscle-strained legs which are expected to be fully recovered by the time of the

REVIVAL SERVICES BEGIN SUNDAY AT CHURCH OF CHRIST

A week of special revival services will begin Sunday, November 25, at the local Church of Christ and conclude Sunday, December 2. Robert P. Stewart, minister, will preach and John Hardgrave will lead the singing.

There will be one service daily, at 7:30 in the evening, and a sermonette will be given to the children during the service. The service on each Sunday afternoon will be at the usual 5 o'clock hour.

A cordial invitation is extended to all the residents of the community to attend the meetings.

Methodist Revival

Tuesday marked the closing service for the ten-day revival at the First Methodist Church, Rev. Joe Emanuel of Carlsbad was the visiting minister to conduct the services and Rev. Olaf Hoggard. pastor, was leader of the son

The breakfast service for men only at seven each morning proved popular and inspiring.

A covered-dish supper served in Fellowship Hall preceded the closing service Tuesday evening.

Pick a road that you know by heart. Not too good a road. One that has some bumps-some unbanked turnsa tough hill or two.

Then get in touch with us, and let us put you behind the wheel of a Buick, with Dynaflow Drive.*

Now you're all set for a new experience. You'll find out this: Those bumps seem to lose their

bobble. You just take them with a smooth and level stride.

Those unbanked turns don't seem so sharp, and those hills seem almost to flatten out.

How come? Well, a lot of things are different when you travel in a Buick.

You're riding on big, soft coil springs that let every wheel dance beneath you, without passing on the jolts to you in the car.

You're driving a car that's plenty inches broader than it is high-a surefooted road-hugger if there ever was one.

And you're riding behind a Fireball Engine - Buick's time-tested version of a high-compression valve-in-headan engine that packs more power than most people ever need to use.

With this power - and Dynaflow Drive* - you don't have to "rush" a hill at the bottom to soar serenely over the top. You just feed the power as you need it - climb with a

sure, steady swoop without buck or bobble all the way up.

There's a lot more that we could tell you about a Buick. But such things as room, and comfort, the confident way it steers, and the way it shortens the miles are things you can best discover from personal experience.

So why not follow the routine already suggested? You supply the road-we'll supply the car - and let it speak for itself.

Equipment, accessories, trim and models are subject to the Standard on ROADMASTER, optional at extra cost

Under New OPS Rule

The Office of Price Stabiliza tion this week issued a new dollars-and-cents ceiling price regulation covering sales of used passenger automobiles according to Hoyle Bowles, chief of the Industrial Materials and Manufactured Goods section of the Lubbock District Office of Price Stabilization

The regulation sets dolalrs-andcents ceilings for each body style, line of series, of each make of used passenger car, for the years 1940 through 1951, and are listed in price inflation. the regulation. These ceilings are to be reduced at the rate of 2 per cent every calendar quarter beginning on January 1, 1952.

The dollars-and-cents ceiling prices portion of the regulation great shift of rural to urban popugoes into effect December 20. In

FRIDAY, NOVEMBER 16, 1951 | the interim, current ceiling prices as established by the guide books adopted by the dealers remain in

For models for 1940 through 1950, the new ceilings reflect a 6 per cent depreciation from the senting a 2 per cent depreciation quarters of 1951. This depreciation rate is in accord with standard trade practice, Bowles pointed out. Rev. and Mrs. Claude Bridges Ceiling prices for 1951 model cars are visiting with friends in Harlin- are determined on the basis of current market prices.

Used cars offered for retail sale must bear a tag or label stating daughter-in-law, Mr. and Mrs. Jim the make, model, line or series, and the ceiling price, including Mrs. Charlie Cash of Pumpville any extra special or optional equipment. Also the price at which the car is being offered for sale must be stated.

Efforts will be made to get copies of the used car regulation (CPR 94) to every dealer in the Mr. and Mrs. B. C. Pate of Dain- 69-county district as soon as they

Almanac Reveals

There has been almost as much economic progress in Texas during the last ten years as in all preceding history, according to data in the 1952-1953 edition of the Texas Almanac which has just been issued by the Dalas Morning News.

Highest percentage of gain was scored by the manufacturing industry which more than doubled during the last decade, as measured in employment and volume of physical production The number working in Texas manufacturing plants increased from 163,978 in April, 1949, to 449,800 in June, 1951. All classifications of industry showed gains, but especially notable were developments of chemical, aviation and iron and eteel industries

Retail stores of the state now do approximately \$7-billion dollars of \$1,803,716,000 in 1939. This leaves Listen to Luke business annually as compared to a wide margin of increase in turnover of goods after allowilng for

These changes have been accompanied by an increase of 20.2 per per cent in urban population. The gear, lation consisted primarily of renoval of tenant farmers to indus-

tural activities. Changes in the public school system after two years under the Gilmer-Aikin act are presented, including tables giving data on all independent and ommon school districts.

About 10,000 subjects are covered in the new volume, including in spite of all the campaigning he reclamation work that would be Texas history, population, government, politics and elections, natural resources, weather, crops and livestock, industries, trade, transportation, finance, commercial services, recreation and atheletics. A pronunciation guide to names of Texas counties, cities and towns is included. The new state senatorial and representative districts are

All articles and maps for the 254 counties have been revised to include new highways and other developments. A large folded map gives detail in four colors, including highways and railroads.

Mrs. Howard Stavley and sons eft Tuesday for a visit with relatives in Brawley, California.

Abraham Lincoln was the first President to wear a beard.
