SANDERSON, TEXAS, FRIDAY, JUNE 20, 1952

NUMBER 18

LISTEN TO LUKE

Week after week this newspaper prints many worthwhile items of interest to all the people of this section and it is regrettable that we are unable to reprint more of the good reading material. This column has to condense, at times, as much as possible in order to get a few thoughts in print. Many times it would be much better to give more details on some subjects than it has to be cut short.

One of the most startling things that has come to light this past week is carried in an Associated Press release from Washington, dated June 14. In this story AP says that the Federal Civil Defense Administration estimates the average American city would have to bury 40,000 dead within two days if one atomic bomb were dropped on it.

In view of that grim and colossal possibility, the FCDA is asking Congress for \$2,100,000 in next year's budget to stockpile a million shrouds.

To quote the entire story with all the grim picture of the plight of a city as drawn by any American city as drawn by the hands of this bureaucratic spending agency would be a waste of space and an insult to the intelligence of our readers.

Readers of this column, we believe, have too much to do to throw away their time on such a thing. Yes, an atomic raid on our American cities is possible — thanks to the blundering of our state department and political hacks — but America was not built on fear, neither can it survive fear. We have been faced with the fear of atomic attack for several months by the constant hammering of our big wheels saying that such a thing is possible, and now we are faced with the fear of atomic attack by the untold number of casualties resulting from an atomic attack. Was it not enough to us to fear the well dressed man who walks into our business with a brief case in his hand? We were lulled to sleep a long time ago by our fireside in a little normal tete-a-tete by one who tells us that the only thing we had to fear was "feath" itself! Since they have tried to see to it that we have had plenty to fear, the entire government has been on nothing less.

There was a local rancher in the other day and when he told the story he remarked: "I wish I had better go get a bulldog and start digging a trench around my sheep that are going to be killed by dogs this year, rather than get out my rifle and go after dogs."

L. Erwin Retires After 45 Years Service

L. Erwin, T&NO engineer, made his last run in that capacity Monday, June 16, after 45 years service. Erwin relates that he went to work as a locomotive fireman for the G&SA Railroad on November 5, 1906 on a run between El Paso and Sanderson. He recalls that the roundhouse foreman was W. W. Young and J. C. Stanfield was station agent at that time and that the buildings now used as a house and depot were the buildings that existed at that time. Erwin stated that J. W. Happel was the only person who is still living here that was here at that time.

Erwin stated that of the 45 years he worked and 11 days he was on the G&NO, 30 years were spent in El Paso.

In 1909 he met Miss Marguerite Smith, who was teaching in the school here and they were married in 1913.

Erwin stated that he was going to take a vacation trip immediately following his retirement and plans for the future were not shown, but that he was going to enjoy a long rest.

DR. LLOYD CALVIN SMITH

Dr. Lloyd Calvin Smith received his Doctor of Medicine Degree on Monday, June 2, in the graduation exercises for Southwestern Medical School of the University of Texas at McFarlin Auditorium in Dallas. In a class of seventy-three Dr. Smith had the third highest scholastic achievement. He will intern in a Houston hospital. He is the son of Mr. and Mrs. A. C. Smith, of Avery, former residents.

After graduating from the La Grange High school in 1942, Dr. Smith graduated with high honors from Texas A & M College in 1948.

Pecos Oil Operations Assure Gas Discovery

Phillips Petroleum Co. seemed assured last week of a deep Ellenburger gas discovery at its deep, rank wildcat in the southwest part of Pecos County some thirty-five miles north of Sanderson.

Information is still being withheld on the operation, No. 1 Glen-na, 26-101-TC, but the well is credited with having gauged 9,500,000 feet of gas per day on a test of open hole at 14,485-522 feet. At last report the hole had been plugged back to 14,460 for perforating in the top of the Ellenburger. The well is known to have shown gas on a drillstem test at 13,793-810 in the Ellenburger during drilling operation.

Meanwhile, Phillips has started a development program with seven locations active. Four of these are scheduled for the Ellenburger and three for the Permian.

In the east part of the county and northeast of the White and Baker field, Standard of Texas 60-1-2, W. B. Wilson, 12-Z-TC, has been abandoned after testing sulphur water along with some gas at 1,970-2,080 in the Permian. This well went to 9,369 in the Ellenburger.

Local Residents To Reunion June 5

The McDonald-Stout reunion held June 5 through 7 at Garner State Park had between 200 and 225 people present.

Mr. and Mrs. Dick McDonald and one child, Mr. and Mrs. Jess McDonald and three children, Mrs. Lilly Harrell and two children, Mr. and Mrs. Clem Stout and four children, Mr. and Mrs. James McDonald, Mrs. Rose McDonald, Mr. and Mrs. Jim Stout, O. C. McDonald, Mr. and Mrs. Ollie Stidham and three children, all of Sanderson, attended the reunion.

Also present were Misses Ida Mae Baker, and Irma Dean Baker of Dryden and Mr. and Mrs. C. W. Morris and four children of Dryden.

RICARDO LEE MUNOZ BORN HERE JUNE 10

A son was born on Tuesday, June 10, to Mr. and Mrs. Epimeno Munoz, their second child. The baby, who weighed six and one-half pounds, was named Ricardo Lee.

Highway Dept. Plans Include More U. S. 90 Repairs

Texas Highway Department has released information to W. A. Davis, resident engineer, that the plans have been approved for advance primary programs for 1954 and 1955 and included in the plans were reconstruction of U. S. 90 from 7 miles east of Sanderson to 1 mile west of Mofeta, or approximately 5.3 miles.

The plans are subject to approval of the allocations of funds sought for such projects and the availability of such funds for the inclusion of this project.

The Terrell County Commissioners' Court has obtained the right of way for this project and preliminary plans and surveys have been completed and are ready for the availability of such funds, Davis said.

LEGION PLANS JULY FOURTH CELEBRATION

Plans have been made for the annual Fourth of July celebration by the American Legion of Sanderson. It is the purpose of the officers of the local post to pay off the indebtedness on the Legion Hut this year with proceeds from the sale of tickets. This indebtedness has been hampering the progress of the post's activities, according to Post Commander Herbert Brown. Mr. Brown stated that previously the Legion has attempted to give away prizes that would induce participation but have overstepped their goal by overspending. He hopes to confine the awards to one big gift and thereby make more money to be applied on the Legion debt.

The committee on arrangements for the celebration has decided to give a 400-pound beef, processed and six months locker service if needed, for the main award.

Tickets will be on sale next week by members of the local post. The indebtedness of some \$1,600 is still against the Legion Hut. It was pointed out that the community has access to the hall for use for various social functions for clubs, organizations and individuals of the town.

The big free barbecue at noon on the court house lawn on July 4 will start the day's activities. At 2 p. m. the Sanderson Roping Club will start a series of events at the arena east of town. On the night of July 4 a big dance has been planned at the Kerr Mercantile Building with music by the Rolling Stones of Lubbock.

New Pastor Assigned To Local Mexican Methodist Church

Rev. Juan Chavez of Van Horn is expected to arrive in Sanderson this week to assume the pastorate of the local Mexican Methodist Church. Rev. and Mrs. Chavez have no children living at home, but have several married children. His appointment was made at the recent annual meeting of the Rio Grande Conference in Roswell, N. M.

The local church has been without a pastor after the transfer of Rev. Jose Salas and family to Fort Stockton, but Floyd A. Wieberg acted as supply pastor for several months.

'CHRIST THE KING' PICTURE DELAYED TO SUNDAY NIGHT

The picture "Christ the King", which was announced for showing last Sunday night at the Baptist Church, will be shown at the church Sunday, June 22, at 8 p. m. The film was unavoidably delayed, according to Rev. Claude Bridges, pastor, but he hopes the people of Sanderson will avail themselves of the opportunity of seeing this wonderful picture.

Mrs. Chester Boyd Buried Saturday In San Angelo

Funeral services were held in San Angelo Saturday morning at 10 o'clock for Mrs. Chester Boyd, 43, and burial was made in the Grape Creek Cemetery.

Rev. Olaf Hoggard, pastor of the First Methodist Church of Sanderson, officiated at the rites and was assisted by Rev. Ennis Hill of the First Methodist Church of San Angelo.

Mrs. Boyd died suddenly early Thursday morning following a heart attack at the home of relatives in San Angelo where she, with her daughter, Bonda Gail, had been visiting for two weeks.

Born in the Grape Creek Community on August 7, 1908, Mrs. Boyd, the former Ruby Key, was reared and lived in that community until her marriage to Chester Boyd on April 4, 1926. They came to Sanderson ten years ago from El Paso.

Mrs. Boyd had been very active in the local Methodist Church, being a teacher in the primary department of the Sunday school and an officer in the Women's Society of Christian Service at the time of her death. She was reared in the Methodist Church and had been an active member of that church all of her life.

Survivors include her husband, Chester Boyd, a T&NO engineer, her daughter, Bonda Gail, and a son, Joyce, of Alpine; four sisters, Mrs. Claude Dittmore of Tennyson, Mrs. C. A. Ritter of Lawn, Mrs. George Avant of Atascosa and Mrs. W. T. Sanders of San Angelo; four brothers, Joe, Ordie, Aaron and R. I. Key, all of San Angelo.

Pallbearers were her nephews, Clinton Ritter of McClain, Douglas Dittmore of Bronte, Hollis Key of Amarillo, Norman Key of Lubbock, Dwayne Sanders and Monty Sanders of San Angelo.

Guests in the W. H. Nessmith home Sunday were her brother-in-law and sister, Mr. and Mrs. Sam Roberts of Fort Stockton. Her mother, Mrs. J. S. Cotten, and her sister, Miss Vera Cotten, also of Fort Stockton, are visiting here this week.

JACK SAVAGE PRAISES WORK OF 'BOYS' STATE'

Jack Savage returned home the first of this week from Austin where he had spent a week attending "Boys' State" a program of education in government and politics fostered by the State Department of American Legion. The local Clarence Hallie Mulkey Post of the national organization sent Jack to Austin. He was chosen by the faculty of the local high school and members of the American Legion because of his scholastic achievements, moral character and aptitude.

Four hundred and sixty-one boys from all over Texas got first-hand knowledge of the workings of the government in all its branches, in civic government and in political party functions during their week's stay in the capitol. The boys were divided into groups of about 50 and placed in dormitories. This group was called a city and three groups comprised a county and two counties comprised a district for the election of officers to the state government and political party functions. Types of city government were observed in the dormitories and court procedures were studied by "trial" of boys who had broken rules of discipline, or other minor infractions of regulations. Some of these "trials" were appealed to higher courts to show a practical function of appellate courts, with some of the cases being carried to the supreme court of Texas for rulings.

TS&GRA DIRECTORS CONVENE AS GUESTS OF MERCHANTS; SWEETWATER GETS FALL MEET

John T. Williams, local wool merchant and ranchman, president of the Texas Sheep and Goat Raisers' Association, called the 3rd quarterly directors' meeting to order in the Sanderson High School auditorium Saturday morning after meetings of committees of the organization. The general meeting was opened by an invocation by Rev. John W. Byrd, pastor of the First Presbyterian Church, after which S. L. Stumberg, past president of the TS&

GRA and director, gave the address of welcome. The response was by A. L. Fawcett of Del Rio. The association directors passed a resolution asking all Texas livestock shows to have two fat lamb classes, one for heavy lambs and one for lightweights. The resolution resulted from some shows barring lambs that weighed more than 110 pounds.

The directors also asked for the abolishment of OPS controls on sheep and lambs. It was brought out that although lamb meat is selling below OPS ceilings, the OPS requires that carcasses be graded by the U. S. Department of Agriculture standards.

The main topic of discussion at the general meeting was the Mexican labor situation. Penrose Metcalfe, vice president of the organization, stated that he does not believe that the new United States - Mexico agreement is entirely satisfactory to all concerned but added that at least it is the best that the ranchmen of this area have had so far. He added that in his opinion the ranchmen of West Texas will be forced to form some sort of organization to contract the braceros and in this way they could keep a representative at each of the processing centers to relieve the necessity of individual ranchmen having to go to Mexico each time they wanted to hire additional laborers.

The predatory animals situation was discussed by Dr. Ross A. Maxwell, superintendent of the Big Bend National Park, since the protection of predatory animals has been maintained in that place since its origination. Dr. Maxwell told the ranchmen that a predatory animal can now be destroyed in the park if it has killed livestock and is tracked back to the park.

At the meeting of the woman's auxiliary, it was announced that a new wool and mohair promotion program has been inaugurated to take the place of the "Make it Yourself With Wool" contest. A state-wide contest to find "Miss Wool" was announced as the project for immediate consideration and action by Mrs. Willie B. Whitehead, of Del Rio, the committee chairman. The eleven girls chosen as maids would be selected from photographs and recommendations, rather than from a home sewing contest, as was done in the past, she said.

Sweetwater was selected as the site for the next quarterly meeting in September.

Following the adjournment of the directors' meeting, a barbecue was served on the courthouse lawn to approximately 350 directors and local ranchmen and their families and invited guests. The barbecue and the dance Friday night were the courtesy of the Sanderson Retail Merchants Association.

The Retail Merchants Association takes this opportunity of expressing their sincere thanks to the members who helped in every way to make the meeting a success, and especially to Mrs. Jettie Peavy, secretary of the local merchants' association, for her work in coordinating the actions of the many details pertaining to the meeting.

MRS. W. T. FRAZIER, JR., HAS MAJOR SURGERY
Mrs. W. T. Frazier, Jr., underwent major surgery last week in an El Paso hospital and her condition is reported to be satisfactory.

Mr. and Mrs. Ruel Adams were called to El Paso and he returned home Friday. She returned Sunday bringing her two granddaughters with her.

Roping Club Events Attract Huge Crowd Here Last Saturday

Officers of the Sanderson Roping Club announced that one of the largest crowds ever to attend their events was on hand last Saturday afternoon for the diversified program of rodeo events.

In the matched ropings, J. W. Powers of Dryden won over Charles Davidson of Ozona when he tied four calves in 65.5 against 92.2 for Davidson.

Vic Montgomery of Ozona beat Jack Ricks of Dryden with 64.2 and 91.6 for the four calves. In six-calf contests, John Babb of Angtry won with a time of 128.8 against Bud Cox who made time of 143.2. Tom Powers, Ozona, over Jim Bob Atizer, Dryden, with 100.8 to 115.8. Buster Rabb came up with 114.7 to win over P. C. Perner of Ozona who made 116.1.

In the jackpot ropings Perner made the lowest time with 12.6. In that jack pot John F. Holliman was second and Atizer third. Atizer won first in another jackpot with 15.2, Sam Mathews, Marathon roped second with 14.1 and Bud Cox was third with 14.5.

Walter Poage, Big Lake, won first in the ribbon roping with a time of 1:11. Howard Westfall, Mertzon, second with 1:5 and Vic Montgomery was third with 12.7.

Jackpot goat roping ended with Perner first with 10.5, Poage second, 11:1, Puster Babb third with 11:3.

Blanche Smith, Dryden, placed first in the barrel race when she made the cloverleaf in 19.2. Ann McGilvery, second with 19.8 and Jewell Littleton and Percy Thorn tied for third place with 20.1.

George Fisher of Sanderson was the only rider to stay aboard in the exhibition bronc riding contest. The officers of the club expressed their appreciation to the merchants of Sanderson for making the events, to make the large crowd possible.

Miss Lupe Cardenas Chosen Trans - Pecos Queen in Ft. Stockton

Miss Lupe Cardenas, Sanderson representative in the selection of a Trans-Pecos queen at a dance in Fort Stockton Sunday, received the majority of the votes in the contest and was declared winner of the title. She is the daughter of Dario Cardenas and a junior in the Sanderson High School.

The coronation will take place at a dance in Fort Stockton on July 3. Only two other towns, Grandfalls and Fort Stockton, entered candidates in the queen's contest and the Fort Stockton candidate was the winner of second place.

Miss Cardenas is sponsored by the local post of the Veterans of Foreign Wars and votes sold for one penny each. The money derived from the contest will be used for the decorating and furnishing of the St. Joseph's Catholic Church in Fort Stockton.

Billy Gene Hill Wins Showmanship Award at Texas A & M College

Billy Gene Hill, A&M senior, is shown as he received the award for grand champion showmanship and fitting of livestock at the Little Southwestern Fat Stock Show at A&M College last month. He also showed the grand champion hog, a Duroc, shown in the show.

The award is for showmanship and fitting of all types of livestock. Dr. Miller, head of the animal husbandry department of the college, presented the award.

Young Hill was prominent in the 4-H Club work while a high school student, holding membership in Pecos County.

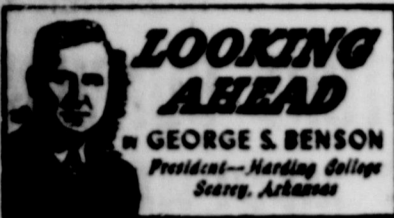

Hill, an agriculture administration major, is the son of Mr. and Mrs. Claude Hill who reside at Longfellow on the West-Pyle Cattle Co. ranch.

LETTER TO MY CONGRESSMAN

Dear Congressman:

An Associated Press dispatch in my newspaper reports that the House of Representatives has "voted tax relief to all members of Congress." As one of your constituents, I am perfectly willing to approve your action if you will vote exactly the same tax relief to all of us back home. Otherwise you and your colleagues in Congress are being unfair; you are setting yourselves up as a "vested interest," voting yourselves special tax exemptions not applicable to other citizens.

Such action is not only unfair; it is dangerous. It sets you apart from the people you represent. By escaping taxes that you have voted to levy on "the people," you escape the financial problems that are a constantly expanding part of our lives as government grows bigger and bigger. You lose the common touch. You cease to be a true representative of the people. You become a special class. You shirk carrying your part, a citizen's part of the tax load. Thus to you, taxes lose their true nature, their paralyzing effect, their inherent danger.

"Unrecorded" Vote

The AP dispatch says that by an "unrecorded" vote the House has voted its members and the members of the Senate permission to deduct all "living expenses" incurred in Washington when you make out your income tax return. "Unrecorded" means that no Congressman stood up to be counted publicly for or against the "Tax-Relief-for-Congressmen-Only" measure — doesn't it?

Nearly all representatives and Senators live in Washington year-round, only periodically visiting the district which they represent. Therefore, this special exemption you're voting yourselves means, in effect, that most of the expenditures in the Congressman's family budget can be deducted. In fact the AP dispatch says that the Income Tax people in Washington interpret the term "living expenses" in the "Tax-Relief-for-Congressmen-Only" measure to mean food, housing, transportation and "other expenses." Therefore, Congressmen might not have to pay any income tax at all.

Pity the Congressmen

We citizens know what you're up against. It's tough trying to

live in Washington on \$15,000 a year, with taxes what they are and with inflation sapping the purchasing power of the dollar. But if you think living in Washington on \$15,000 is tough, you ought to come home and find out what it's like here on \$4,000 and \$5,000, and \$6,000—before taxes! The statisticians report that federal taxes alone now are taking \$477 on the average each year from every man, woman and child. For the family of four, it averages \$1,908.

Another way to put it is that total government taxes now use up 32 per cent of the total annual income of all the people and all the companies in America. And still another way to state it is that taxes now claim an amount EQUAL TO THE TOTAL INCOME of all the people and companies west of the Mississippi River. If you think this isn't hurting us, in spite of the allegedly painless tax extraction methods of payroll deduction and indirect taxation on consumer goods, you need to come home and look the taxpayers squarely in the pocket-book and bank account.

What About Us?

Yes, Mr. Congressman, it is high time to do something about tax relief. But with your "Tax-Relief-for-Congressmen-Only" measure you're not shooting square. Nor are you facing up honorably to a bad situation. Your trouble is that Federal taxes are too heavy. You are admitting that. You're fixing things so these crippling taxes won't cripple you.

But we citizens are in trouble too. What about us? This letter is being mailed to my Senators too. They are hereby asked to reject the "Tax-Relief-for-Congressmen-Only" proposition. Together the House and the Senate can cut your taxes and ours too by drastically cutting down the size of the Federal government and by exposing and kicking out the grafters and the big spenders. All the people I

know will back you to the hilt in this.

P.S. The time has come for sincere, honest Americans to stand up and be counted on all votes. I am writing out of deep concern for my country's future.

Listen to Luke

(Continued from Page One)

If there are any coyotes sneaking up to throw bombs on us we had better forget about the shrouds and get to the source. We have been fighting a bloody war for the past two years and it has been to keep us out of war.

There has also been much talk of germicidal warfare, etc., so we should all be issued some sort of protection against such an occurrence.

If you have ever played any checkers you can appreciate the position Joe Stalin and his crew have most of us in. We have been moving around, after much deliberation between moves, trying to get our men out of danger from a side or frontal attack of one kind or the other. Fortunately the opponent doesn't have any kings yet, and although we are casting eyes on our rear side, we don't have any immediate worry there, as yet, at least not as great as the danger in front of us. It would be interesting to see Joe across the checkerboard from one of our almost-lost artists of the game. He has certainly whipped the ears off of us on the world checkerboard so far.

There is only one remedy for fear and that is FAITH. If we have men in Washington who are living in fear and operating our governmental affairs on fears then we had better throw them out or buy the shrouds.

In these days of tension and crisis, when threats of atomic war and destruction hang heavily over us, we seek peace of mind, peace of soul. Books and sermons may comfort us, but where, as individuals and as a nation, shall we find

such peace, if not "justified by faith."

JACK SAVAGE

(Continued from Page One)

Two-party systems were observed within the dormitories, according to Savage, and the parties operated from the precinct level up in the choosing of their delegates for the various elective offices.

Young Savage had the honor of being appointed chief clerk of the house of representatives, and in such capacity, was able to get a good idea of the workings of the legislative branch of the government. He stated that all of the meetings of this body were held in accordance with the actual house meetings, and parliamentary procedure was the law and was strictly observed.

He stated that among the resolutions passed in this body was one to all members of the Congress of the United States, by all of the boys of the "state" urging that those legislators adhere to the strict sense of right and recognize Texas' ownership of the tidelands. Another measure was the designing and adopting of an official flag to be flown during the sessions of future years. The flag will be flown on the same staff but below the U. S. and Texas flags.

A band, athletic activities, an inaugurations ball and swimming afforded extra-curricular activities for the boys, but Savage stated that they had a very full schedule which began at 6:30 a. m. and ended not before 10:30 p. m. each night.

Savage stated that he was very grateful for the opportunity to go to Austin and derived most worthy benefits from the trip.

He stated that among the speakers he heard each day were O. B. Ellis, manager of the Texas Prison System, Attorney General Price Daniel and Governor Allan Shivers, who spoke to them on the final day of the school and charged them with urging the people of their community to take a stronger hand in political issues and maintain a stronger active interest in the affairs of the day. They were also admonished to remember the things that they had learned concerning the working of the branches of government for their future benefits.

Mr. and Mrs. Bob Stegall and Charles left Sunday for a vacation trip to Morgan City, La., to visit with Mr. and Mrs. J. W. Shely and family. Her mother, Mrs. M. H. Jones of Marathon, accompanied them on the trip.

Mrs. Alice Henderson of Austin is visiting here with her son, B. C. Henderson, and family.

Mrs. L. F. Parker, Jr., of Seguin is visiting here with her parents, Mr. and Mrs. Ed Wagner.

Mrs. C. P. Finley returned home Monday from Waco where she had visited with relatives during the week end. She attended the wed-

ding of her niece, Miss Maggie Lee Reed, of that city, and Henry Edenhause of Pennsylvania, who is an instructor at Lac Land Field.

Mr. and Mrs. J. W. Powers moved to Ozona. He was employed as a truck driver for the Rose Butane Co.

Mr. and Mrs. G. D. Vincent and son, Jack, spent the week end on a fishing trip to Devil's River.

with an Electric Refrigerated Room Air Conditioner

You can manufacture your own cool weather with an Electric Refrigerated Room Air Conditioner. It fits on any window sill . . . needs no plumbing . . . brings you volumes of clean, crisp, refrigerated air at the snap of a switch. Dehumidifies and filters as it cools and circulates. Ideal for living rooms, bedrooms, dens, offices.

Mrs. Bustin Canon Hostess for Bridge Luncheon Wednesday

Mrs. Bustin Canon entertained the Wednesday Bridge Club at her home this week. Shrimp salad was featured in the luncheon served at one o'clock.

A profusion of summer flowers, including snapdragons, roses, daisies, and gladiolus decorated the party rooms where four tables of players enjoyed the series of card games.

High score prize was presented to Mrs. J. T. Williams, second high to Mrs. Mary Lou Kellar, low to Mrs. S. H. Underwood. Six prizes were held by Mrs. R. S. Wilkinson and Mrs. W. W. S. 1-1-1.

Guests included Mesdames E. J. Hanson, Herbert Brown, J. A. Gilbreath, James Kerr, S. H. Underwood, J. T. Williams, Joe Kerr, Jr., Mary Lou Kellar, W. W. Sud-duth, Austin Nance, B. A. Kerr and R. S. Wilkinson.

Miss Blanche Mitchell of San Angelo is a guest in the home of Mr. and Mrs. Bob Allen.

Mr. and Mrs. B. E. Carr and Si were Del Rio visitors last week end.

Mexican M. Y. F. Hosts to Meeting Of Sub-District

The members of the Mexican Methodist Church were hosts to the sub-district meeting of the Methodist Youth Fellowship and the Woman's Society of Christian Service. About forty-five delegates and visitors attended the meetings which featured a special sermon by Rev. Everisto Picazo of Marfa during the morning worship service Sunday.

A covered dish dinner was served at noon in the parsonage.

Mrs. Olivia Villarreal of Marfa presided at the youths' meeting. Pilar Garcia of Sanderson is the vice president of the group and Eolia Garcia, secretary and Yolanita Esqueda, treasurer. Mrs. Manuel Garcia is the counselor.

Mrs. Ermenia Navarro of Marfa presided at the woman's meeting. Mrs. Garcia is secretary and treasurer of the organization.

The next quarterly meeting will be in Van Horn on October 19.

Sandwiches, cold drinks and cookies were served to the visitors before adjournment.

Vacation Bible School Enrolls 67

The vacation Bible school sponsored by the Presbyterian and Methodist Churches opened Monday in the Presbyterian Church with a very good enrollment. Each day there has been an increase in the attendance and interest runs high. To date about 67 children have enrolled in the three departments. The school will continue through Friday, June 27, after which there will be a picnic. Commencement exercises will be held in the Presbyterian Church on Sunday evening, June 29.

Rev. John W. Byrd is acting as general superintendent with Mrs. Byrd as assistant and secretary. Mrs. W. H. Savage is superintendent of the junior department and is assisted by Mrs. J. D. Nichols and Mrs. I. B. Rusk. Mrs. E. E. Farley is superintendent of the primary department and is assisted by Mrs. W. A. Davis, Mrs. E. F. Pierson, Mrs. Roy Bogusch and Miss Colleen Pierson. Mrs. Irvin Robbins, superintendent of the kindergarten group, is assisted by Mrs. Rufus Ross of Dryden and Mrs. Roy Deaton. Mrs. Keith Mitchell is also helping with this department. Mrs. R. S. Wilkinson is the organist.

Refreshments furnished by the members of the Methodist and Presbyterian Churches are served each afternoon. Mrs. Lee Grigsby and Mrs. J. W. McKee have charge of this important feature. The children of the community, regardless of church affiliation, are invited to attend.

PRESBYTERIAN WOMEN TO MEET ON JUNE 30

The Presbyterian Women of the Church will not meet on June 23, due to the vacation Bible school now in session, but will meet on Monday, June 30, at the ranch home of Mrs. Ernest Jessup, near Dryden.

R. N. ALLENS TO REUNION

Mr. and Mrs. R. N. Allen went to San Antonio Saturday to visit their daughters, Mrs. Wayne Carmichael and Miss Mary Allen. Sunday they attended the Allen-Tomlinson family reunion in Waring with about 175 members of the two families attending.

En route home they visited in San Angelo, Paint Rock and Bronte with relatives and their grandson, James Allen, of Bronte accompanied them home.

Mr. and Mrs. Raymond Phillips visited here Monday with her mother, Mrs. Lizzie Billings. They were en route to their home after taking their children to Van Horn to visit with their grandparents, Mr. and Mrs. Bob Phillips.

Baptist W. M. S. Meets At Church Monday

The Baptist W. M. S. met Monday afternoon in the home of Mrs. J. A. Mansfield with Mrs. M. G. Northcut, Jr., as assistant hostess. Mrs. Lloyd Cowan was leader of the Royal Service program on "Meet the Alaskans."

Following the singing of the hymn, "We've A Story to Tell to the Nations," by the group, Mrs. T. O. Moore and Mrs. O. D. Gray gave the devotional.

Assisting in the presentation of the program were Mesdames L. W. Welch, Maude Sullivan, Roy Bogusch, H. G. Cates, A. D. Brown, Rodney Cathey and J. A. Mansfield.

The dismissal prayer was given by Mrs. Hal Tyler and then the group surprised Mrs. Stanley Hill with a stork shower.

The hostesses served sandwiches, cake and iced tea during the social hour.

Those present were Mesdames Clyde Whistler, O. D. Gray, Annie Nance, Maude Sullivan, Roy Bogusch, T. O. Moore, Hal Tyler, Lloyd Cowan, Rodney Cathey, H. G. Cates, L. W. Welch, Stanley Hill, A. D. Brown and guests, Mrs. J. G. Meredith, Mrs. M. G. Northcut, Sr., and Mrs. J. L. Blackwelder.

Daniel Rodriguez Wedding Monday

Mrs. Ofelia Villarreal, Sr., became the bride of Daniel Rodriguez in a double-ring ceremony read by County Judge R. S. Wilkinson Monday afternoon in the home of the bridegroom.

The bride wore a blue nylon dress and white accessories.

The couple was attended by Mr. and Mrs. Luis Pena.

Mr. and Mrs. Rodriguez will reside in Sanderson, Rodriguez being a long-time resident of Terrell County.

LOCAL YOUTHS TO METHODIST CAMP

Rev. Olaf Hoggard, pastor of the Methodist Church, went to Sacramento, New Mexico, Monday and will teach a class there this week at the intermediate period of the Methodist Youth Assembly. Accompanying him on the trip were William Doyle O'Bryant, Buddy and Dorothy Roark.

Mr. and Mrs. R. V. Spears and children left Saturday for points in East Texas to visit with relatives.

What's the big idea of DYNAFLOW DRIVE?

THERE are all sorts of "drives" and "shifts" on the market.

Some still operate entirely by hand. Some depend on shifting gears, but do this automatically. Some feed the power through oil, but use a lock-out device at cruising speeds.

But we still think that Dynaflo* is the best of all for this simple reason:

The big idea of Dynaflo Drive is to make life easy for the driver.

In traffic, you can start and stop, slow down, accelerate with complete and infinite smoothness—because no gears have to shift, ever, in Dynaflo Drive. So there's no lurch, buck or bobble. Dynaflo always feeds power with a steady, willing swoop—at 3 miles an

hour or 30—or as high as it's legal to go. On hills, you get the same sure, steady, unflinching power-feed for the same reason. No gears ever shift.

On a long day's drive, you can ride with wonderful freedom from tension—your foot relaxed on the throttle—because you always drive through oil.

And at any speed you get a smoother ride, in part because Dynaflo Drive provides such a smooth and gentle linkage between that mighty Fireball 8 Engine and the rest of the chassis.

But this is not all. Our service records show that Dynaflo also makes life easier for your bank account. It saves wear and strain on the engine, banishes the cost of clutch repairs, saves strain on the transmission and even on the rear tires.

There are a lot of things to consider when buying a Buick—its style, its smooth ride, its power, its thrill, its safety—and its price.

When you can get all this—plus Dynaflo Drive—why be a holdout? Come in and give Dynaflo a try today.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.
