SANDERSON, TEXAS, FRIDAY, SEPTEMBER 12, 1952

NUMBER 30

LISTEN TO LUKE

Parts of Texas where drought conditions have made it necessary for farmers, dairymen and ranchers to ask for the federal aid which is promised are now getting assurance that aid will be forthcoming soon.

After much delay and much red tape and "politicizing" the area was finally placed on the emergency drought relief roll. The peculiar thing about the setup is that the government is going into the feed business. There are many farmers who have feed and hay to sell but they can't sell it in competition with the government. The areas where there is an abundance of hay are bought will probably sell to the government at a regular market price and then the government will sell it at a loss to the taxpayer so that the producers can buy at a reduced price after the government has put up the money, or granted the payment of a loan financing organization that will draw interest on the money the producer can pay it back or the government has to pay it.

As far as this column knows, if any ranchers in Terrell County have made requests, especially for the federal aid. If you know West Texans, and we do, there are very few who want to go in partnership with the government in the thing business unless there is only one other way out. It has to be a pretty mess when any will fall to scratch out of a by his own power and has every means available before starts calling "wolf".

Business men, individually, and one included, has been affected by the drought. Since we are in such a country, we depend on men, to a great extent, as means of staying in business, as the ranchmen depends on number of lambs he can raise, amount of wool he can shear and the price he can get for his wools.

Ranchmen can't get a price for their products that is in line with the price he must pay for commodities, then his buying power is dropped considerably. His buying power is lowered, the selling power of the merchant is lowered proportionately, lowering the buying power of the merchant. Then should the merchant go into the wholesale business on gasoline, drugs, groceries, appliances, office supplies, to see that the merchants money on their commodity. And if they should, the taxpayers, and the ranchers pay those of the merchant, the consumer, will have to be taken care of the expense of the government into the wholesale business. A vicious circle, and you know the end of it, I have to think a cupacoffee.

Because anyone wonders where the beginning of that vicious circle, I think I know the answer to that.

The old signs which fore-

Highway Drive-In New Managers

Loper and H. A. (Shorty) have leased the Highway Inn in the eastern part of town from Bill Goodwin and will be the business under new management.

The restaurant has, until recently, operated as the Interstate Co cafe at the and Mr. Thorn is employed in the meat department of The Mercantile Co.

The new management has announced that they will be ready to start class meals and will serve steaks and Mexican

FRED SAVAGE DIES TUESDAY NIGHT AT HIS HOME HERE

Frederick Savage, pioneer resident of Sanderson, died at his home here Tuesday night about 10:30, the victim of a heart attack. Mr. Savage was apparently in good health and was found dead by his sister, Miss Dollie Savage, about thirty minutes after he had retired.

He was born November 2, 1887, at a section house near the present site of Comstock, the son of James Walter Savage and Margaret Closer Savage. His father was a Southern Pacific section foreman and later became a pumper after coming to Sanderson in 1900. The Savages were among the first Anglo-American families settling here.

During his school days, Fred was the official "water-boy" for the town, buying water from the railroad and hauling it in a barrel on a cart drawn by a burro and selling it to local residents for their drinking water supply.

He learned to hand-set type when The Sanderson Times was owned by A. T. Folsom and on several occasions published the paper when Mr. Folsom would be out of town.

After accepting employment as roundhouse clerk for the T&NO, he held that job until his retirement two years ago.

Savage was a charter member of the Sanderson Baptist Church, a Past Master of Sanderson Lodge No. 988, AF&AM after holding every office in that body, including the office of secretary for 26 years. He was also a member of the Woodmen of the World.

Funeral services were held Thursday afternoon at four o'clock from the First Baptist Church with Rev. Claude Bridges, pastor, officiating, assisted by Rev. J. W. Byrd, pastor of the Sanderson Presbyterian Church.

Masonic services were held at the graveside and interment was made in Cedar Grove Cemetery.

He is survived by three sisters and three brothers; Mrs. L. S. Edwards of Edinburg, Mrs. Maggie Stanton of El Paso, Miss Dollie Savage of Sanderson; W. H. Savage of Sanderson, J. W. Savage of Long Beach, California, and R. L. Savage of Alamo, Texas. None but the local brother and sister were able to attend the funeral services.

His nephew, Paul L. Stanton, of El Paso arrived Thursday.

Billy McDonald Bitten By Rattlesnake Near Ozona Tuesday

Billy McDonald, who is employed with the REA construction crew, was bitten by a rattlesnake Tuesday afternoon while working on the line on the Cox ranch near Ozona. He was brought to Sanderson by Jake Woods, foreman, after first aid had been rendered. It was about two and one-half hours after he had been bitten before the services of a doctor could be obtained.

The men were turning a pole to be lifted when McDonald heard the snake rattle and jumped back just as the reptile struck him on the leg.

As we go to press the last word is that aside from a soreness there are no ill effects. The use of a constricting bandage and the slashing of the fang wounds possibly helped to keep the poison from doing more serious damage. The snake was killed by other men who were on the job.

Pep Rally Thursday Night At Eagle Field

Students of the Sanderson High School and football fans of the area are invited to attend a football pep rally at Eagle Field Thursday night, September 11, at 7. Pep squad girls will lead the rally.

Court Approves City Street Paving Project

The Commissioners' Court, at their regular meeting Monday, voted to accept the minutes of the State Highway Commission relative to the reconstruction of U. S. 90 through Sanderson. The plans, specifications and estimations are in the process of preparation and work is tentatively set for early in 1953 with the letting of the contract to be in December, according to W. A. Davis, resident engineer of the State Highway Department.

The court also voted to furnish the right-of-way for 5.4 miles of extension of reconstruction of U. S. 90 east from 7 miles east of Sanderson to the Mofet flat. The

court is in the process of securing right-of-way for 10.4 miles extension of Farm-to-Market 1217 north of present reconstruction north of Dryden. The plans have been submitted to the district office in Pecos for approval and this project is expected to be in the fall letting of contracts.

The work of widening structures on the reconstruction project east of Dryden is almost completed and dirt work is scheduled to begin in the next two weeks.

Davis stated that the work currently under construction and planned will figure at approximately \$900,000.00.

EAGLES SET FOR SEASON OPENER AT ALPINE FRIDAY NIGHT AT 8

TS&GRA Directors To Meet Sept. 13 In Sweetwater

The fourth quarterly directors' meeting of the Texas Sheep and Goat Raisers' Association will be in Sweetwater, Saturday, September 13, John T. Williams, TS&GRA president announces. Headquarters and all meetings will be at the Blue Bonnet Hotel.

Association members from Nolan and surrounding counties are invited to the business meeting of the directors, he added. Discussion will probably be mostly on the wool market including steps taken to strengthen it. A report will also be made on results of recent work on lamb grading.

Business interests of Sweetwater will be hosts to the visitors at a dance Friday night and breakfast and barbecue lunch on Saturday.

Williams stated that those who had not reserved rooms could do so by contacting A. C. Bishop, manager, Sweetwater Board of City Development.

Local Committees Named For Drive For Foundation Funds

A full slate of committees and volunteer workers has been lined up by Chairman Mrs. Mary E. Mitchell to carry the bulk of the work during the Gonzales Warm Springs Foundation for Crippled Children fund-raising campaign set for September 1st through 30th.

"Most of these committees are already at work," Mrs. Mitchell said, "making plans to insure the success of the drive. It is a real challenge we have accepted, but no effort can be too great when the welfare of thousands of our little crippled children are involved."

The campaign for the Gonzales Foundation is seeking to raise funds from all over the state to assist in an expansion program now under way which will increase the capacity of the treatment center by about 30 per cent. This hospital of physical medicine and rehabilitation recognized by the American College of Surgeons, accepts patients from every part of Texas, regardless of race, religion or financial condition. In the history of the Foundation, no patient who could be helped by the treatment program has ever been denied admittance for financial reasons.

"The money we raise will be spent in Texas to help Texas children," Mrs. Mitchell pointed out. "I know the people of Terrell County will respond generously."

Military Rites Held In Sabinal For George E. O'Neill

Funeral services were held Tuesday afternoon from the First Methodist Church at Sabinal for George Elmer O'Neill, 57, who died at his home here Sunday afternoon.

Members from the Clarence Hallie Mulkey Post of the American Legion were in charge of military rites at the cemetery.

Born in Bee County on July 27, 1895, Mr. O'Neill came to Sanderson in 1945 as an inspector for the Texas Livestock Sanitary Commission. Prior to coming here, he had resided in Uvalde and also had been associated with the Del Rio Wool and Mohair Co. for seven years. In recent years he had been in the livestock commission business in Sanderson until ill health forced his retirement from active work.

He was married to Miss Lillian Scarborough in Beeville on July 9, 1919.

O'Neill was a Marine veteran of World War I and after being wounded, received the Purple Heart, Silver Star and Cross de Guerre. He was a member of the local Legion post and the Methodist Church.

He returned to Sanderson a week before his death after spending two and one-half years at Legion in the Veterans Administration Hospital.

Besides his widow, Mrs. Lillian O'Neill, he is survived by a son, George W. O'Neill of Rancagua, Chile; two daughters, Mrs. W. N. Hess of Washington, D. C., and Mrs. L. E. Hoken of Minneapolis, Minnesota; eight grandchildren; a sister, Miss Sue O'Neill of Sabinal; three brothers, Earl O'Neill of Hondo; Tom and R. C. O'Neill of Houston.

'MOST WANTED' HOT CHECK ARTIST PICKED UP HERE

"Probably the 'most wanted' hot check artist in the United States, according to the reports I have had," stated Sheriff J. S. Nance in talking about a man who was arrested here last week by Deputy Sheriff Lee Billings.

According to the sheriff, Billings heard on his radio a pick-up order given by Pecos and within a matter of minutes met the car which was described on the radio report. The suspect was stopped and questioned and admitted to the reported passing of a hot check and further questioning revealed many previous violations of a similar nature.

When the Pecos office was notified of the apprehension and arrest of the suspect, calls began coming in from Van Horn, Alpine, Marfa, El Paso, and points in New Mexico, Arizona, California, Utah, Nevada, Washington and Oregon, according to Nance. The man had also passed a hot check here, the sheriff stated. "Since the pick-up order issued by the Pecos office originated from Deming, N. M., Nance stated that he was holding the man for officers there and he would be turned over to them."

The 28-year-old youth had served a two-year sentence in the Texas penitentiary, according to Nance.

Work on Bridge Widening On U.S. 90 Nears Completion

K. E. Dick, State Highway Maintenance foreman, stated this week that the work on widening the bridge on U. S. 90 west of Sanderson at the Bullis Gap turnoff was nearing completion. He stated that the bridge was being widened 3 feet and this measure would add to the safety of motorists traveling the highway.

Resurfacing of U. S. 90 from the Brewster County line west has been completed and adds much to the driving pleasure of motorists traveling the scenic route.

Terrell County Named In Drouth Emergency Disaster Area

According to recent information furnished by the local Production and Marketing Administration, Terrell County ranchers will be eligible to receive assistance under Public Law 875 due to drought.

Due to the fact that ranchers are being forced to liquidate foundation livestock because it is becoming uneconomical to maintain this livestock under present feed

prices, a program has been developed which will make hay available at reasonable prices.

State and County Agricultural Mobilization Committees have been delegated the responsibility for the over-all policy on this program and state and county PMA Committees will be responsible for the operation of the program. The Commodity Credit Corporation will purchase hay in areas where the supply is plentiful and ship it to the drought stricken counties based on orders through the State PMA Committee. The local PMA office will submit these orders to the state committee when they are received in the county office.

The policy for operation of the program is as follows:

1. Legume hay will be available at \$36 per ton; mixed hay, at \$32 and grass hay at \$28 a ton. This will be the price at the local railroad point.

2. Eligible livestock will be all foundation cattle, including dairy cattle with steer calves no older than 1 month, and sheep.

3. Orders will be limited to approximately a 30 day supply for each producer until all eligible producers in the county have received a supply.

4. A deposit of \$5 per ton will be required with each order.

Complete operation procedure for the program has not been received in the county office but producers are requested to come by the county PMA office and make application for hay if they intend to participate in the program. Further information will be forwarded to each producer as soon as it is received.

Paul Counts Charged With Fraud by Pecos County Grand Jury

Fort Stockton, September 9 — County Judge Paul Counts was charged with fraudulent conversion of \$1,893.70 in county funds to his own use in four indictments returned by an 83rd District Court grand jury Tuesday.

In each indictment, the charge was the funds converted were from vouchers of the County Administration Account and drawn on the Pecos County State Bank, the county depository.

The amounts allegedly taken and dates as set forth in the indictments are: \$192.90, April 24, 1952; \$192.90, May 26; \$1,350.30, April 5 and \$159.60 July 3.

Bonds of \$1,000 on each indictment were set by District Judge Alan R. Fraser.

The account named in the indictment is one which is used for administration of school funds. In Pecos County the judge also serves as ex-officio county superintendent of schools.

Counts took office Jan. 1, 1951, and was successful in his race for re-election in the July primary. Before then, he served as manager for the Pecos County Chamber of Commerce. He formerly taught in the Sanderson High School.

Mrs. James Caroline Named Chairman Of Athletic Mothers

Mrs. James Caroline was elected chairman of the Athletic Mothers when the group met last Wednesday afternoon. Mrs. Caroline will fill the office vacated by Mrs. A. J. Hahn, who resigned.

All mothers of senior, junior and pee-wee football teams, as well as the mothers of both girls and boys on the basketball and volleyball teams and all athletic groups are eligible for membership in the group which takes the place of the Football Mothers.

The Athletic Mothers will again sponsor the booths on Eagle Field for the sale of sandwiches, hot dogs, coffee and cold drinks for all of the home games.

Rotary Club Honors School Faculty At Barbecue Monday

The Sanderson Rotary Club and their Rotary Anns entertained the faculty members and their families Monday evening at a barbecue at the Kerr well west of town. Cakes and salads were prepared by the Rotary Anns to supplement the barbecue for a well-rounded meal which was served by lantern light.

There were about one hundred present for the affair which provided a means of getting acquainted with new teachers and welcoming the returning faculty members.

After the meal, Club President Joe Kerr, Jr., introduced Supt. Matt Bader who in turn introduced all the teachers of the Terrell County schools.

This is an annual affair for the Rotary Club of Sanderson.

Mr. and Mrs. F. A. Hill and Mrs. Dewain Hill and daughter spent two days in Sonora last week with relatives.

Hung Jury Keeps Gonzales Case For Second Trial

A deadlock in the jury's decision ended the trial for this term of court Wednesday in the case of the State vs. Manuel Gonzales on a charge of assault with intent to murder.

The jury was selected early Wednesday morning from a large panel subpoenaed for jury service in the 63rd District Court for the trial. Gonzales, represented by Brian Montague, court appointed attorney for the defense, pleaded guilty to the charge which grew out of the finding of Elena Rios stabbed and cut in her room last April 22.

The injured woman had been stabbed in the chest and shoulder and a 5-inch portion of a butcher knife was extracted from one of the wounds. The indictment charged the defendant with assault with intent to murder after he was located where he had apparently attempted to commit suicide.

Upon the plea of guilty the court charged the jury to agree on the assessment of punishment, the penalty was to be from two years to fifteen years in the state penitentiary. After much deliberation the jury found they were unable to reach a verdict and they were discharged at about 9:00 p. m. by Judge Roger Thurman.

Real Estate Traded By George Turner For Ranch Stock

In a real estate deal consummated last week George Turner received the stock of the J. W. Pate ranch near Langtry and J. W. Pate got the Turner Grocery and Locker Plant building, Hollis Haley, who operated the ranch for Pate, is now operating the Turner Hotel for George Turner who has moved to the ranch.

Haley operated the ranch for approximately two years and was formerly associated with Pate in the ranching business.

The Ever - Lengthening Shadow

The tidal drift toward big government and the centralization of power is indicated by the sharply increasing Federal drain on national income over the last two decades. Federal expenditures for the fiscal year 1929 amounted to less than the total income payments of California's inhabitants, as is shown by the accompanying chart. In the fiscal year 1939, the expenditures were equal to the individual income of the Pacific and Mountain regions, together with that of North Dakota and South Dakota, and 42 per cent of Nebraska.

For the current fiscal year ending June 30, 1952, estimated Federal expenditures will take the equivalent of estimated income payments of all people west of the Mississippi River and in addition all income payment of the inhabitants of Mississippi and 55 per cent

CITATION

NO. 2135
 District Court for the 63rd Judicial District of the State of Texas, Terrell County, Texas.
 Chas. E. Long, et al.)
 vs
 T. C. Beavers, et al.)

To T. C. Beavers, J. E. Mitchell, B. F. Kelley, and J. G. Beavers, the unknown heirs or legal representatives of said named defendants the unknown spouses of said defendants who may be married, their unknown heirs and legal representatives.

You, and each of you, are hereby commanded to appear before the District Court of Terrell County, Texas, in and for the 63rd Judicial District of the State of Texas, to be held at the court house of said County in the city of Sanderson, Terrell County, Texas, at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance hereof; that is to say, at or before 10 o'clock A. M., Monday, the 29th day of September, 1952, and answer the second amended original petition of Chas. E. Long and Warren E. Long, plaintiffs, in Cause No. 2135, styled Chas. E. Long, et al. vs. T. C. Beavers, et al. in which Chas. E. Long and Warren E. Long are plaintiffs and the persons to whom this citation is addressed, together with John W. Perryman, Mrs. Betty D. Hadsell and husband John C. Hadsell, and Mrs. H. E. Greenhaw and husband H. E. Greenhaw, are defendants, the original petition was filed in said Court on the 15th day of March, 1952, and the second amended original petition was filed in said Court on the 11th day of August, 1952, and the nature of which said suit is as follows:

Plaintiffs allege that on January 1, 1952, they were, and still are, the owners in fee simple of the following described premises situated in the County of Terrell, State of Texas, to wit:

Abstract	Cert.	Survey	Original Grantee	Acres
2066	747	2	HE&WT RY CO	640
2067	748	4	HE&WT RY CO	640
1760	749	6	HE&WT RY CO	640
1761	750	8	HE&WT RY CO	640
2068	751	10	HE&WT RY CO	640
2070	754	14	HE&WT RY CO	640
1762	755	16	HE&WT RY CO	640
2690	O/536	18	TW NG RY CO	640

of those of Alabama. The foregoing data cover only Federal expenditures. If total state and local expenditures were added, the area would be extended to include the remaining portion of Alabama, all of the individual income of the people of Kentucky, Tennessee, Georgia, Florida and South Carolina, and three fourths of the individual income payments to inhabitants of North Carolina. This is shown in the blackened and cross-hatched areas of the bottom chart. These two areas account for 47 percent of the nation's population, 83 per cent of the land area, 95 per cent of total crude petroleum production, 85 per cent of the lumber output, 70 per cent of the total value of mineral production, and 71 per cent of the total value of all farm crop production. Income payments to individuals represent total income received from all sources by residents of each state.

According to the United States Department of Commerce, it includes "... income received by individuals in the form of wages and salaries, net income of proprietors (including farmers), dividends, interest, net rents, and other items such as social insurance benefits, relief, veteran's pensions and benefits, and allotment payments to dependents of military personnel."

Total estimated government expenditures — Federal, state, and local — for the current fiscal year will be equivalent to the total wages and salaries of 75 per cent of the number employed in non-government pursuits in this country. Expressed in another way, these governmental expenditures approximate the total national income of Argentina, Belgium, Brazil, Denmark, France, Greece, Italy, the Netherlands, Norway, Portugal, Sweden, Switzerland,

and the United Kingdom, whose combined population aggregates more than 257 million persons. The Federal Government, alone, will spend in the current fiscal year more than was spent from 1789 through 1925, a period of 136 years. In outlays for both defense and non-defense there is a staggering amount of waste, as has been revealed by outstanding fiscal authorities of both major political parties. But this is evidenced in even a casual inspection of Government data. Non-defense expenditures have increased from \$7.7 billion in the fiscal year 1939 to an estimated \$34.2 billion for the current fiscal year. This represents nearly a four and one-half fold increase during the period.

Federal expenditures for non-defense items alone will be nearly as much as was spent for all purposes during the entire decade of the 1920's.

Some indication of the extent of waste may be found in the Federal personnel records. The number of civilian workers in the executive branch of the Federal Government has increased by 339 per cent in the last two decades. This is more than eleven times the rate of increase in non-government employment during the period. A sprawling and mushrooming bureaucracy has been created that imposes a staggering burden on the taxpayer. But these public servants also become the most powerful lobbyists for the spending of public money for all kinds of projects at a time when our Federal finances are in the danger zone.

WITNESS the signature of the Clerk of the District Court of Terrell County, Texas, in and for the 63rd Judicial District of the State of Texas.

GIVEN UNDER MY HAND AND SEAL OF said Court in my office in the City of Sanderson, Texas, this 11th day of August, 1952.

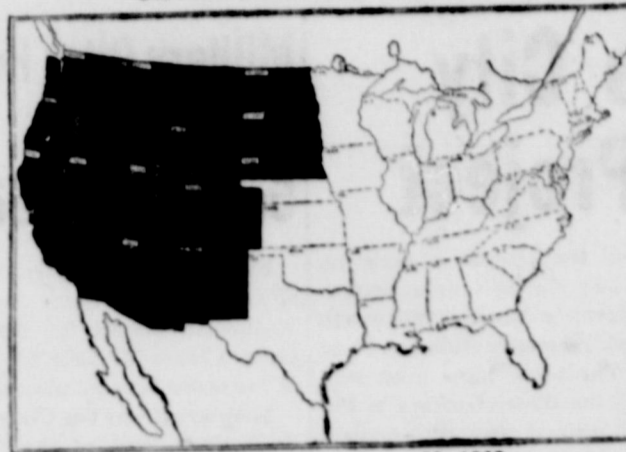

(SEAL) RUEL ADAMS, Clerk of the District Court of Terrell County, Texas.

(SEAL) RUEL ADAMS, Clerk of the District Court of Terrell County, Texas.

The Ever-Lengthening Shadow

Fiscal year ending June 30, 1929
 Federal expenditures were less than two thirds of total income payments to individuals in California.

Fiscal year ending June 30, 1939
 Federal expenditures were equal to total income payments to individuals in the Pacific and Mountain states as well as in North Dakota, South Dakota, and 42 percent of Nebraska.

LEGEND
 Federal expenditures equal to income payments of states in blackened area.
 State and local expenditures equal to income payments of states in cross-hatched area.

Listen to Luke

Continued from Page 1

cast the weather conditions in years past have proved quite accurate this year. There are those who minimize the accuracy of the "signs" of weather prophets but if you have noticed them this past year they are amazingly accurate in every detail. The drought is not broken and it may be longer than we hope before there is enough precipitation to make a noticeable change in conditions.

Ranchers have sold off their sheep to a minimum where they could find buyers at more than "give-away" prices. Many have sold so close that they would have to restock almost completely if and when range conditions justify.

Thomas Jefferson once said: "The will of the people is the only legitimate foundation of any government. To protect the expression of free speech should be our first object."

Nothing could be said that would be more applicable to the means of correcting the evils that exist in our present administration than those words of wisdom from our great statesman. The time has come when the people must speak their will. Too long we have depended upon the decisions of a few without question as to the merits of their actions. Today we see the results of the "I don't care attitude." On November 4, people will turn out in greatest numbers than ever before to express their wishes.

Our Congressmen and Senators are beginning to realize that they owe some consideration to the wishes of their constituents. Lyndon Johnson, whose right to be there is a matter of doubt, has openly stated that he will speak for and try to assist the candidacy of a man who has flagrantly stated that he will, if elected, go ahead with the tidelands steal, the com-

pulsory FEPC and other undesirable planks in the platform of his party. So has Mr. Sam. In fact, Mr. Sam has placed a threat over the heads of Texas' Congressmen and Texans who are not willing to go along with the party chain gang. This section of Texas has no voice in the election of Sam Rayburn who has been in Washington so long that he has forgotten that he represents (or should) the people of Texas. Mr. White, the Brannon Plan adherent to the office of Commissioner of Agriculture, is another office holder who must be put on the list to be eliminated in the next election for his disregard of the wishes of Texans who have honored him with their votes.

Party above people — Truman above tidelands — socialism above

stateism — corruption above science has been the cry for people of this state.

How to be a "Dear" to Your Party Line Neighbors

- On every telephone party line, it's always open season for "Dears" who:
- Use the line sparingly
- Hang up the receiver carefully (and quietly)
- Keep calls brief
- Space calls fairly

So be a "Dear"—you'll be a "prize" trophy on any party line—your service will be better as well.

Del Rio & Winter Garden Telephone Co.

What's the MOST SURPRISING THING about this BUICK?

2-door, 6-passenger Special Sedan

WE'LL tell you the answer to that one — it's the figures on the price tag.

For some reason, lots of people just can't believe they can buy a Buick at a price so close to "the low-priced three."

Maybe it's because a Buick seems so much better and bigger.

Maybe it's because they think Buick has so much more power and room—which is true.

Maybe it is because so many distinguished people own Buicks—which is also a fact.

But the fact remains—if you can afford a new car, you can own a Buick—so let's see what you get.

You get the thrilling power of a Fireball 8 Engine, that's a gas-saving high-compression valve-in-head—as much power as you can get in cars costing \$300 to \$400 more.

You get as much room as you'll get in cars costing hundreds of dollars more.

You get a ride that cost an honest-to-goodness million dollars to develop.

You get the silken smoothness of Dynalloy Drive.*

You get big-car comfort, styling, durability.

Don't take our word for it. Come in and see for yourself why so many folks are stepping up to this great car this year.

Equipment, accessories, trim and models are subject to change without notice. *Standard on Roadmaster, optional at extra cost on other Series.

Mrs. R. S. Wilkinson Leads Program For Presbyterian Women

Mrs. Lee McCue entertained Presbyterian Women of the church at her home Monday afternoon. After Mrs. J. W. Byrd, president, had read Psalm 1, Mrs. D. Nichols gave the opening prayer for the executive board meeting. Mrs. E. E. Farley urged completion of the reading of home mission books during the month. An appeal was made for boxes to be sent to the orphanage.

Brownie Scouts Meet Monday

Group II of the Brownie Scouts met for their first meeting, following summer recess, on Monday afternoon in the Scout House with J. A. Gilbreath and Mrs. Henneberry, leaders, present and other Brownies.

Black and Blue Shower For Mrs. Henderson At W. F. Frazor Home

Mrs. B. C. Henderson was named honoree for a pink and blue shower Wednesday afternoon at the home of Mrs. W. F. Frazor. Mrs. M. W. Duncan as co-hostess. A large assortment of refreshments was arranged in a basinet presented to Mrs. Henderson. Refreshment table was covered with a hand crocheted cloth. Pink and blue pom-poms formed the centerpiece. Refreshments were repeated in the afternoon. Refreshments were served by Mrs. Finger and Mrs. H. E. Ezelle. Refreshments were served by Mrs. Burdett, H. E. Ezelle, Anne Lee Grigsby, B. F. J. W. Pate, W. S. Forth, E. J. Rusk, W. W. Sud- A. B. Gates, L. H. Gilbreath, W. T. Attaway, H. C. J. W. Thomas of Wichita and Miss Eva Billings.

Bridge Club Meeting At Home Of J. O. Little, Jr.

Joe Little was hostess for meeting of the '51 Bridge Club home Wednesday afternoon. Refreshments were served by Mrs. J. S. Nance, Roger Rose, Vic Littleton, James Kerr, Jr., A. J. Hahn, and E. J. Hanson.

Wood of Del Rio visited last week with Kip Gatlin, by plane with his father, Wood.

TRIPLE-THREAT

CHICAGO—This sweater set, according to fashion forecasters, will make fall headlines. Imported from France by Marshall Field & Company, it shows the new trend toward sweaters trimmed with jewels, beads or fur. More than that, this sweater is a triple threat. It leads the way to new fashion importance for sweaters.

Party Friday For Pamela Haines

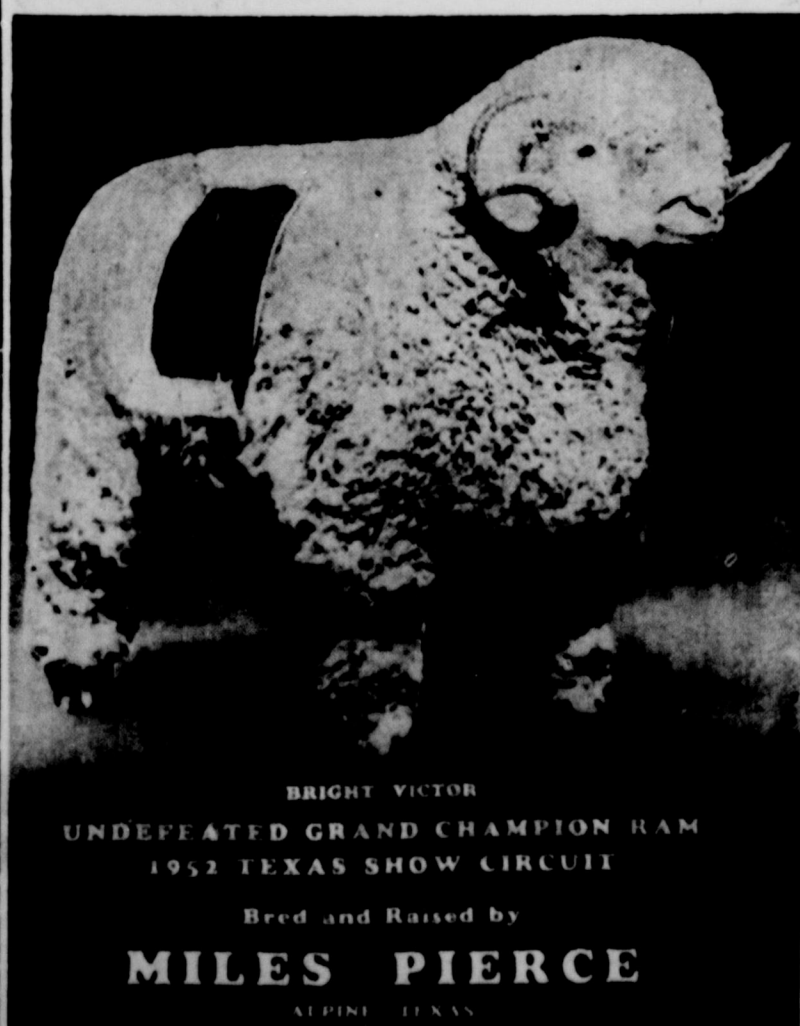

Mrs. B. J. Haines entertained with a party at her home Friday afternoon to honor her daughter, Pamela, on her sixth birthday. After Pamela had opened her birthday gifts, the children enjoyed games. Punch was served with the birthday cake and horns were given to the guests for favors. Coffee and cake were served to the mothers present, including Mesdames Ross Stavley, L. A. McBee, Giles Holmes, M. G. Northcut, Jr., W. W. Watkins, J. L. Blackwelder, Ray Thompson, Lloyd Cowan and Frank Turner. The guests included Louise and Robert McBee, Collins and Diane Holmes, Don and Dickie Watkins, Kathy Blackwelder, Nancy Eggleston, Pam and Sherry Stavley, Jim, Alice and Stevy Turner, Don Cowan, Nickie, Kay and Debbie Northcut, Bob and Bonnie Fisher, Petrea Thorn, Cinda Martin, Linda Beckett, Larry and Leslie Thompson, Geraldine and Billy Nading, Carol Johnson, Pamela and Bill Haines.

Mrs. O. D. Gray To Head Baptist W.M.S.

Mrs. O. D. Gray was re-elected president of the Baptist W. M. U. when the group met Monday afternoon at the church for a Bible study and business session with Mrs. Hal Tyler presiding. Mrs. Hal Tyler was also re-elected as vice-president. Mrs. V. E. Keyes as secretary-treasurer and Mrs. T. O. Moore as program chairman. The new officers will be installed at the meeting on the last Monday in September. Mrs. Claude Bridges conducted the Bible study on "Christ's Incarnation," after Mrs. A. D. Brown had led the opening prayer. Those present included Mesdames T. A. Hunter, A. D. Brown, B. E. Carr, Maude Sullivan, Elton Loden, Hal Tyler, Claude Bridges, Roy Bogusch, Lloyd Cowan and T. O. Moore.

CULTURE CLUB TO MEET SEPTEMBER 18

The Sanderson Culture Club will meet Thursday afternoon, September 18, in the home of Mrs. J. W. McKee with Mrs. E. H. Jessup as co-hostess.

Mrs. J. F. Tronson Presides At First 1952 P-TA Meeting

The first Parent-Teacher Association meeting of the school year was Thursday afternoon in the high school auditorium. Following the invocation by Rodney Cathey, Mrs. J. F. Tronson, president gave the welcome address. The teachers were introduced by Superintendent Matt Bader.

During the business meeting, the yearly budget of \$493.25 was adopted. Announcement was made of the change of the meeting hour from 4:15 to 4. The attendance prize was won by Mrs. A. A. Shelton's third grade.

Mrs. B. E. Carr was program leader for the afternoon. "Appreciating Our Neighbors" was the subject discussed by Mrs. L. H. Gilbreath. Diana Duke sang "Is It Got To Go To School, Ma?" Miss Myrtle Harrell playing her piano accompaniment.

Mrs. James Caroline Entertains For Tuesday Club

Mrs. James Caroline entertained the members of the Tuesday Bridge Club and guests at her home this week, decorating the living room with arrangements of fall flowers in pastel shades.

After coffee and cold drinks had been served to the guests, four tables were arranged for the card games.

Mrs. Mary Lou Kellar was winner of high score prize, Mrs. W. W. Sudduth was second high and Mrs. S. H. Underwood, low.

The hostess served a salad plate with tea and coffee to her guests, including Mesdames Hugh Rose, Lee McCue, Austin Nance, F. M. Wood, W. R. Stumberg, B. A. eKrr, R. S. Wilkinson, J. W. Pate, J. A. Gilbreath, H. E. Fletcher, S. H. Underwood, James Kerr, Mary Lou Kellar, W. W. Sudduth, J. S. Nance and Herbert Brown.

Marshall Cooke Feted At Supper Wednesday

The young married couples class of the Baptist Church, taught by Mrs. Claude Bridges, had a surprise picnic supper Wednesday evening to honor Mr. and Mrs. Marshall Cooke, newlyweds, and members of the class. The supper was served on tables arranged on the front lawn of the parsonage.

Mrs. Frank Turner, president, presented two gifts to the couple from the class members. About sixty were in attendance.

School Children Urged To Care For Teeth

One half of all children between three and nine have never been to a dentist, according to a survey, and the State Health Department tags that as one of the reasons why there are some 284-million cavities in the teeth of American kids between those ages.

Dr. George W. Cox, State Health Officer, recommends these four rules as a method of getting children into sound dental health habits:

- 1. A well-balanced diet with consumption of sweets kept to a minimum. Sugar in excessive quantities produces the destructive acids that cause dental decay. 2. Proper tooth brushing beginning at an early stage. This means brushing the teeth within ten minutes after eating. 3. Early detection and care of dental defects. This will prevent larger troubles later. Neglect may produce serious dental problems which will continue throughout life. 4. Either access to drinking water from a community water system containing the proper amounts of fluorides for tooth decay prevention, or application of sodium fluoride to the teeth at periodic intervals. Children who drink flouridated water from birth have from one-half to two-thirds less tooth decay than those who drink fluoride-free water. Americans as a whole are highly susceptible to tooth decay by virtue of their diet, the state health officer points out. As a matter of fact, dental authorities say, this country has often been called 'a nation of dental cripples.' They urge all parents to realize that so-called "baby-teeth" are vital to good dental health in adulthood.

PERSONALS

Mr. and Mrs. Van Casey spent Thursday in Midland attending to business matters. Mr. and Mrs. J. W. Thomas of Wichita Falls arrived Sunday to visit with Mr. and Mrs. L. H. Gilbreath.

Mrs. Ruby Duncan and Mary Elaine went to Uvalde Sunday for her son, Douglas Duncan, to accompany her to Austin where Monte Duncan will enroll in the school for exceptional children for his first year. Her granddaughter, Shary Farley, of Refugio, accompanied her home.

B. C. Henderson spent several days in Austin last week with his mother and other relatives.

Mr. and Mrs. Temple Stumberg have returned home from a vacation trip to Lake Walk.

DRYDEN NEWS

Better light means better grades!

Back to school means back to home study—and that means plenty of good light is needed to protect young eyes from strain.

Better check your children's study lamps now and see that they have bulbs large enough for easy, effortless seeing—150 watts for table lamps and 300 watts for floor lamps.

See also that the lamps are properly shaded to eliminate glare, and placed where they'll provide maximum light on the work area. Better light means better grades!
